CABINET FORWARD PLAN

What is the Cabinet Forward Plan?

The Cabinet Forward Plan is a list of all non-key and key decisions the Authority intends to take during the next four month period. The Plan is updated monthly on or around the 14th of each month and is available to view on-line at www.york.gov.uk

What is a non-key decision?

For the purposes of the Plan, a non-key decision is defined as a 'decision of normal importance' which:

- the Cabinet can collectively take as set out in Part 3 of the council's constitution
- which any Cabinet Member can take individually in line with the Council's Scheme of Delegation

What is a key decision?

A key decision is defined as a decision which is likely:

- to result in the Council incurring expenditure, or making savings, which are significant having regard to the Council's budget for the service or function to which the decision relates i.e.:
 - make a saving of more than 10% of the budget for a particular area - or be more than £500,000
 - require spending that is more than 10% of the budget for a particular area - or be more than £500,00
- to be significant in terms of its effects on communities

In addition to elected Councillors, chief officers can also take key decisions in line with the Officers Delegation Scheme as set out in Schedule 3, Part 3 of the Council's Constitution

What information does the Forward Plan contain?

Each issue entered in the Forward Plan lists:

- The history of the issue in relation to the Forward Plan
- What background documents are available
- What consultation will be undertaken prior to a decision being made
- Who you can make representation to, and how
- The name and contact details of the chief officer responsible for the issue and the forthcoming report
- The date of the meeting at which a decision is due to be taken
- The implications and level of risk to the Council should the recommendations within the report be accepted
- The wards which will be affected by any decision taken

If I have a query about an entry on the Forward Plan, who do I contact ?

Wherever possible, full contact details are listed in the individual entries in the Forward Plan. If you are unsure how to make contact or have any general enquiries about the Forward Plan, please ring Democratic Services on Tel No. 01904 551031

Description: Purpose of Report: To provide a progress report on the Council's Fairness and Equalities agenda.

The Cabinet Member is asked to:

- Note the areas of achievement identified through implementation of our Equality Objectives, Equalities Improvement action plan and York's Equality Scheme.
- Note the emerging issues from the first stage review of York's Equality Scheme which will be incorporated in the refresh of the Equality Scheme.
- Note the areas of concern and how these concerns are to be addressed in relation to communications, analysis and disaggregation of equality data, training and procurement.
- Note the changes to the governance arrangements.
- Agree that the peer review of the Equality Framework for Local Government takes place week commencing 19 May 2014.

This decision will be taken at a public meeting on 21st November 2013.

Update: This report will now be considered by the Cabinet Member at a public Decision Session on 2nd December 2013 to enable time to gather all the necessary updates.

This decision will not now be taken on 2 December as officers require further time to gather the necessary updates required for the report. Once the rescheduled date for a public meeting is known, this will be confirmed.

The Cabinet Member is asked to approve the award tender to secure investment in public toilets and new operator arrangements.

This report has been deferred from the June to the July Cabinet to allow time for tender evaluation.

It is more appropriate for this item to go to a decision session so it will now be considered at a public Decision Session - Cabinet Member for Environmental Services on 27 September 2013.

This item will now be considered on Wednesday 9 October as this Decision Session has had to be moved to allow further consultation to be taken.

This decision will now be taken at a public decision session on 14 November in order to allow for completion of the new procurement process.

This decision will now be taken by Cabinet at its meeting on 3 December as the report has capital implications.

Reason Key: A decision which is likely to result in the Council incurring expenditure, or making savings which are significant having regard to the Council's budget for the service or function to which the decision relates. The savings or expenditure are significant if they are equal to or greater than £500,000 or equal to or greater than £100,000 where the

savings or expenditure exceeds 10% of the budget for the service plan area whichever is the less. Expenditure in excess of these levels will not constitute a key decision if such expenditure is made as part of the implementation of a decision which itself was a key decision e.g. the award of a contract.

Title of Report: Draft Local Flood Risk Management Strategy

Description: Purpose of Report: The Council is required to produce a Local Flood Risk Management Strategy under Section 9 of the Flood and Water Management Act 2010. In consultation with flood risk management partners a draft strategy has been produced. Following Cabinet approval of this, it will be subject to public consultation and final Cabinet approval.

Members are asked to give approval of the draft strategy to enable public consultation to commence.

This report has been slipped to the November Cabinet because the draft Flood Risk Management Strategy requires internal and external consultation to be carried out and the results incorporated into the document to be taken to Cabinet. It is intended to discuss the draft in a workshop format to bring together all interested parties. While the writing of the draft is progressing well it will not be possible to set up a workshop in the timescale required by the Cabinet process, which is further aggravated by the summer holidays. In order to ensure that a robust document can be presented to Cabinet it is requested that the item be slipped to the November meeting, by which time satisfactory consultation will have been achieved. There is no statutory deadline for the production of the strategy and minimal risk to the Council in delaying its production.

Due to a high volume of business scheduled for 5 November meeting, CMT agreed in conjunction with officers that this item can be deferred to 3 December meeting.

The decision has been deferred until the January Cabinet meeting as the strategy document that is scheduled to accompany the report is still in draft form and is currently out to internal consultation.

Reason Key: A decision which is likely to result in the Council incurring expenditure, or making savings which are significant having regard to the Council's budget for the service or function to which the decision relates. The savings or expenditure are significant if they are equal to or greater than £500,000 or equal to or greater than £100,000 where the savings or expenditure exceeds 10% of the budget for the service plan area whichever is the less. Expenditure in excess of these levels will not constitute a key decision if such expenditure is made as part of the

implementation of a decision which itself was a key decision e.g. the award of a contract.

Title of Report: City of York Council, North Yorkshire County Council and North York Moors National Park Minerals and Waste Joint Plan

Description: Purpose of report: As a Waste and Minerals Planning Authority, it is the authority's statutory duty to address these issues in York. City of York Council is producing a Joint Plan with North Yorkshire County Council and North Yorks Moors National Park as the minerals and waste issues are cross boundary and it makes financial sense to share the costly process of plan preparation including an examination.

The Cabinet Member is asked to approve the Joint Plan Issues and Options document for public consultation in January 2014. As this item is not a 'key decision' it will now be considered by the Cabinet Member. The full completion of the Plan will be considered by Cabinet.

This report has been slipped as the necessary information, which is key in formulating the Minerals Waste Joint Plan and taking this report forward, will not be available until late December. The report will now be considered at the public decision session scheduled for 16 January 2014.
