EXECUTIVE FORWARD PLAN

What is the Executive Forward Plan?

The Executive Forward Plan is a list of all non-key and key decisions the Authority intends to take during the next four month period. The Plan is updated weekly, every Monday and is available to view on-line at www.york.gov.uk

What is a non-key decision?

For the purposes of the Plan, a non-key decision is defined as a 'decision of normal importance' which:

- the Executive can collectively take as set out in Part 3 of the council's constitution
- which any Executive Member can take individually in line with the Council's Scheme of Delegation

What is a key decision?

A key decision is defined as a decision which is likely:

- to result in the Council incurring expenditure, or making savings, which are significant having regard to the Council's budget for the service or function to which the decision relates i.e.:
 - make a saving of more than 10% of the budget for a particular area - or be more than £500,000
 - require spending that is more than 10% of the budget for a particular area - or be more than £500,00
- to be significant in terms of its effects on communities

Such 'key decisions' can only be taken by the Executive, unless they have been **specifically** delegated to an Executive Member or Officer, or unless the Leader or Chief Executive is exercising their urgency powers.

What information does the Forward Plan contain?

In relation to each issue entered on the Forward Plan, there are details of:

- the date on which or time period within which the decision will be taken;
- the wards affected;
- how to make representations on the issue in hand; and
- what the consultation will be taking place, where applicable.

If I have a query about an entry on the Forward Plan, who do I contact ?

Wherever possible, full contact details are listed in the individual entries in the Forward Plan. If you are unsure how to make contact or have any general enquiries about the Forward Plan, please ring Democratic Services on Tel No. 01904 551031
