

**MINUTES OF THE RUFFORTH WITH KNAPTON PARISH COUNCIL
MEETING HELD IN RUFFORTH VILLAGE INSTITUTE ON MONDAY
4 APRIL 2022 at 7.30pm**

Present: Cllr Peter Rollings (PR) Chairman; Cllr Anne Powell (AP) Vice Chairman; Cllr Nicholas Murray (NM); Cllr Helen Butterworth (HB); Cllr Jane Wright (JW); Cllr John Flynn (JF); Cllr Mark Reynolds (MR):

In Attendance: 7 members of the public, Ward Cllr. Anne Hook (AH) and the Clerk, Stephanie Warden (SW)

059 Public Comments: No members of the public had registered to speak.

060 Apologies and reason for absence: Cllr Andrew Mate (AM)

061 Declarations of Disclosable Pecuniary Interest (not previously declared): There were no declarations of interest on the items below.

062 Minutes of the Meeting of the Parish Council held on 7 March 2022:
AP proposed the minutes as a true record, NM seconded and all agreed. The minutes were signed as a true record.

063 Ward Councillors Comments and Reports:

Cllr James Barker was now back in uniform and so it would just be AH looking after the Ward's interests for a bit.

AH had a good meeting with James Gilchrist (CYC). He explained who reports to him and AH would pass that list onto the Clerk.

064 Clerks Report: update to the council on outstanding issues arising from previous minutes

- Noticeboard, Knapton Green: The Clerk gave prices to councillors of different noticeboards. It was agreed to go with the recycled board from Kedel, this was by far the cheapest at £629.48 inc. VAT. There would be a £78 delivery charge.
- The missing bench from the bridleway had been reported to the police and to the insurers. NM would progress bench fixings with Colin Simpson Builders. Once the Clerk had quotes, photographs etc she would get back to the insurers.

065 Planning Matters:

- 22/00045/FUL Brooke House Wetherby Road Rufforth for a single storey side extension. This had been approved by CYC and conditions regarding materials used put on the approval as requested by the parish council
- 21/02661/FULM Land to the East of Middlewood Close, Rufforth for the erection of 21no. dwellings and associated works: A revised drawing showed that the pumping station was now within the boundary of the site. Highways have now asked that the access road and parking area is adopted.
There will be S106 money for the school and playing fields.

Surface water will be taken away to the East of the site in the opposite direction to Middlewood Close. Yorkshire Water were still not objecting to the plans for foul water despite letters from the parish. It is their professional opinion that the discharge rates pumped from the 21 houses is not a significant addition. The PC position is that the system is currently inadequate but without further detailed evidence of exact timing and frequency of issues it will be difficult to progress further. The additional access to the rear of the school: Highways were prepared to put in an additional access off the extension to Middlewood Close but school governors and the Head were unhappy as there would be no direct line of vision to children entering or exiting at that point. School Governors thanked the parish council for the work they had put in to getting a rear access to the school.

- 21/01307/FUL Ash Farm Yard Bradley Lane Rufforth for storage of scaffolding (use class B8): Approved but conditions asked for by the PC were put in place that meant the barn could not be used for any other use class B use without a new planning application, that storage activity be kept within the building and hours of operation confined.
- 22/00126/FUL 9 Portal Road York for single storey side/rear extension to garage: this had been approved by CYC with conditions including the materials used.
- York Local Plan update: The York Local Plan had been postponed for a few weeks because of health issues of one of the Inspectors but a new date has been set.
