Extract from the Motions, Recommendations and Amendments

Notices of Motion

A Motion submitted for consideration directly by Council, in accordance with Standing Order 12.1(b)

(i) From Cllr Reid

“Council notes the significant improvement in the proportion of waste that has been recycled under the previous Liberal Democrat administration, from 12% in 2003 to 45% in 2011.

Council supports the principle that waste collection and recycling should be convenient and fair to residents across the city.

In light of the fact that the Budget 2012/13 has deleted the provision of a Recycling and Reuse Centre in the west of the city, Council requests that the Cabinet halts the closure plan for Beckfield Lane Household Waste Recycling Centre.

Council also supports the principle of the provision of a free receptacle for the collection of waste to all residents across the city requests that the provision of free black bin bags should continue to all areas of the city where wheeled bins are not in use.”
