# EXECUTIVE FORWARD PLAN

## What is the Executive Forward Plan?

The Executive Forward Plan is a list of all non-key and key decisions the Authority intends to take during the next four month period. The Plan is updated weekly, every Monday and is available to view on-line at [www.york.gov.uk](http://www.york.gov.uk)

## What is a non-key decision?

For the purposes of the Plan, a non-key decision is defined as a 'decision of normal importance' which:

- the Executive can collectively take as set out in Part 3 of the council's constitution
- which any Executive Member can take individually in line with the Council's Scheme of Delegation

## What is a key decision?

A key decision is defined as a decision which is likely:

- to result in the Council incurring expenditure, or making savings, which are significant having regard to the Council's budget for the service or function to which the decision relates i.e.:
  - make a saving of more than 10% of the budget for a particular area - or be more than £500,000
  - require spending that is more than 10% of the budget for a particular area - or be more than £500,00
- to be significant in terms of its effects on communities

Such 'key decisions' can only be taken by the Executive, unless they have been **specifically** delegated to an Executive Member or Officer, or unless the Leader or Chief Executive is exercising their urgency powers.

---

## **What information does the Forward Plan contain?**

In relation to each issue entered on the Forward Plan, there are details of:

- the date on which or time period within which the decision will be taken;
- the wards affected;
- how to make representations on the issue in hand; and
- what the consultation will be taking place, where applicable.

## **If I have a query about an entry on the Forward Plan, who do I contact?**

Wherever possible, full contact details are listed in the individual entries in the Forward Plan. If you are unsure how to make contact or have any general enquiries about the Forward Plan, please ring Democratic Services on Tel No. 01904 551031

The building is also a security risk because it is unoccupied.

The Executive Member will be asked for their approval to demolish the Clifton Without Junior building apart from two storage areas used by Canon Lee School.

## FORWARD PLAN ITEM

**Meeting:** Executive

**Meeting Date:** 17/03/16

**Item Type:** Executive Decision - a 'Key Issue' - decision leading to savings or expenditure of £500,000 or above

**Title of Report:** Proposed Operating Model for Prevention and Early Intervention Services

**Description:** York has well established early help arrangements for children, young people and families. These are based on the early identification of emerging needs/vulnerabilities and addressing these needs in order to achieve better outcomes for families and reduce the need for high cost interventions at a later point.

**Purpose of Report:** This paper is proposing a new operating model for prevention and early intervention which is more effective and efficient than current arrangements. The proposed operating model is based on remodelling existing universal and preventative services for children, young people families into multi-agency hubs. The location and composition of these hubs will be based on areas identified and will work together to provide city wide early help arrangements for families across the authority.

As well as delivering a new set of early help arrangements the model will be flexible and sustainable against the changing resource base of the council and partners and assist in achieving efficiencies for the council into 2019/20.

Members will be asked to approve a new place-based operating model for prevention and early intervention services which amalgamate current services at a universal and prevention level for those aged pre-birth to 19 years (up to 25). The implementation of this model will achieve the agreed level of savings required from the services within scope.

In order to allow the Community Stadium recommendations to be considered at the 24 March Council meeting the March Executive meeting has been brought forward from Thursday 31 March to Thursday 17 March.

## Implications

### Level of Risk:

**Reason Key:** A decision which is likely to result in the Council incurring expenditure, or making savings which are significant having regard to the Council's budget for the service or function to which the decision relates. The savings or expenditure are significant if they are equal to or greater than £500,000 or equal to or greater than £100,000 where the savings or expenditure exceeds 10% of the budget for the service plan area whichever is the less. Expenditure in excess of these levels will not constitute a key decision if such expenditure is made as part of the implementation of a decision which itself was a key decision e.g. the award of a contract.

**Making Representations:** Contact report author

### Process:

Engaging with children, young people and families is an intrinsic way that services within the scope of this proposal operate. This proposal is built upon existing feedback from children, young people and families which has informed the developments of strategies such as the children and young people's plan, the remodelling of children's centres and young people's services for example.

Remodelling our early help arrangements is a significant undertaking and engagement forms a critical element in the successful development of a new operating model.

Specific consultation on this proposal, to date, has focussed on engaging with existing staff and partners. This has been done in order to learn from the wealth of experience held by our workforce on the front line of supporting families in need of early help.

As the model develops and is implemented further engagement with staff, partners and families will be a regular feature of the new arrangements.

To date consultees have included:

- CYC staff (with a focus on CSES and CANS)

- Health Visitors and school nurses
- Police Community Support Officers
