# EXECUTIVE FORWARD PLAN

## What is the Executive Forward Plan?

The Executive Forward Plan is a list of all non-key and key decisions the Authority intends to take during the next four month period. The Plan is updated weekly, every Monday, and is available to view on-line at [www.york.gov.uk](http://www.york.gov.uk)

## What is a non-key decision?

For the purposes of the Plan, a non-key decision is defined as a 'decision of normal importance' which:

- the Executive can collectively take as set out in Part 3 of the council's constitution;
- any Executive Member can take individually in line with the Council's Scheme of Delegation.

## What is a key decision?

A key decision is defined as a decision which is likely:

- to result in the Council incurring expenditure or making savings which are significant having regard to the Council's budget for the service or function to which the decision relates i.e.:
  - make a saving of more than 10% of the budget for a particular area - or be more than £500,000
  - require spending that is more than 10% of the budget for a particular area - or be more than £500,00
- to be significant in terms of its effects on communities

Such 'key decisions' can only be taken by the Executive, unless they have been **specifically** delegated to an Executive Member or Officer, or unless the Leader or Chief Executive is exercising their urgency powers.

---

### **What information does the Forward Plan contain?**

**Title of Report:** Duncombe Barracks

**Description:** Purpose of Report: To seek Executive approval to purchase the site from the Ministry of Defence (MoD).

Providing negotiations with the Ministry of Defence over the sale of Duncombe Barracks are successful, the Executive are asked to agree the sale with a view to developing the site for much needed affordable housing.

Discussions with the Reserve Forces and Cadets Association are continuing but have not reached a stage where a firm proposal to purchase the site could be brought to the Executive. It is therefore felt that the paper should be deferred until the April meeting of the Executive.

This item has been deferred until the 8 May Executive as negotiations with the owners of the site have not been concluded and need to reach an agreement in principle on an acquisition price in order to inform a report to the Executive.

This item has been deferred until the 21 June Executive as negotiations regarding the possible purchase of the site are ongoing. It would be premature to bring a report to Members in advance of a detailed proposal for the purchase being made.

This item has been deferred until the 12 July Executive to allow more time to explore opportunities with MOD regarding the best use of the site from a York perspective.

### Implications

**Level of Risk:**      **Reason Key:** A decision which is likely to result in the Council incurring expenditure, or making savings which are significant having regard to the Council's budget for the service or function to which the decision relates. The savings or expenditure are significant

if they are equal to or greater than £500,000 or equal to or greater than £100,000 where the savings or expenditure exceeds 10% of the budget for the service plan area whichever is the less. Expenditure in excess of these levels will not constitute a key decision if such expenditure is made as part of the implementation of a decision which itself was a key decision e.g. the award of a contract.

**Making Representations:** Please contact the report author for more details.

**Process:** Consultation process: The proposals for the Burnholme site have been the subject of extensive public and stakeholder consultation and engagement since 2014. This proposal delivers the sports and active leisure facilities as part of that agreed plan. Local residents will be engaged in comment on the detailed design issues prior to the submission of the planning application for the facilities. As part of the planning process, formal consultation will take place.
