EXECUTIVE FORWARD PLAN

What is the Executive Forward Plan?

The Executive Forward Plan is a list of all non-key and key decisions the Authority intends to take during the next four month period. The Plan is updated weekly, every Monday and is available to view on-line at www.york.gov.uk

What is a non-key decision?

For the purposes of the Plan, a non-key decision is defined as a 'decision of normal importance' which:

- the Executive can collectively take as set out in Part 3 of the council's constitution
- which any Executive Member can take individually in line with the Council's Scheme of Delegation

What is a key decision?

A key decision is defined as a decision which is likely:

- to result in the Council incurring expenditure, or making savings, which are significant having regard to the Council's budget for the service or function to which the decision relates i.e.:
 - make a saving of more than 10% of the budget for a particular area - or be more than £500,000
 - require spending that is more than 10% of the budget for a particular area - or be more than £500,00
- to be significant in terms of its effects on communities

Such 'key decisions' can only be taken by the Executive, unless they have been **specifically** delegated to an Executive Member or Officer, or unless the Leader or Chief Executive is exercising their urgency powers.

What information does the Forward Plan contain?

In relation to each issue entered on the Forward Plan, there are details of:

- the date on which or time period within which the decision will be taken;
- the wards affected;
- how to make representations on the issue in hand; and
- what the consultation will be taking place, where applicable.

If I have a query about an entry on the Forward Plan, who do I contact ?

Wherever possible, full contact details are listed in the individual entries in the Forward Plan. If you are unsure how to make contact or have any general enquiries about the Forward Plan, please ring Democratic Services on Tel No. 01904 551031

Title of Report: Financial Inclusion Interim Strategy 2023-25

Description: Purpose of Report: The report outlines the work undertaken to produce a draft interim strategy in line with the Council Plan 2019-23. The production of this strategy has been delayed by the Pandemic and focus of all resources since then has been responding to the Cost of Living Crisis. The strategy is interim given the launch in March 2023 of the Poverty Truth Commission, the work of which will drive strategic policy on Financial Inclusion matters going forward.

The process in constructing this strategy has included:

- A number of workshops with the partnership Financial Inclusion Steering Group during 2022.
- 'Solutions Lab' discussions at the Cost of Living Summit held on 31 October 2022 which focussed and built on the draft Financial Inclusion strategy themes, and resulted in a small number being added.
- As a result of recommendations from the Summit - a cross reference with the original 2012 Fairness Commission recommendations for areas that remain important to include.
- A cross reference to the recently approved 10 year strategies (Economic, Health & Wellbeing and Climate Change Strategies) – the analysis of which will be included in the report.

This interim strategy will be in place pending the work alongside the Poverty Truth Commission and other key partnerships to ensure that the council and City continue to meet the needs of residents suffering from financial exclusion, and to address the underlying causes of the Cost of Living Crisis and poverty overall.

The Executive Member will be asked to approve the recommended themes and priorities of the Interim Strategy.

The Council aims to give the same 28 days' clear notice of non-key decisions as it does for key decisions, but in exceptional circumstances this may not be possible. It has not been possible to give 28 clear days' notice of the intention to make this decision due to a slight delay in clearing internal governance.

Title of Report: Shortlist of Projects for the Net Zero Fund

Description: Purpose of Report: To consider the shortlist of projects for the Net Zero Fund.

The Council aims to give the same 28 days' clear notice of non-key decisions as it does for key decisions, but in exceptional circumstances this may not be possible. It has not been possible to give 28 clear days' notice of the intention to make this decision because a decision needs to be made in March to allow shortlisted applicants to complete and submit Full Business Cases. Item Type: Executive Member Decision - of 'Normal' importance

Title of Report: PROW: Public Footpath Copmanthorpe No 2. Proposed closure of Copmanthorpe Level Crossing – update

Description: Purpose of Report: An update on the proposed closure of the level crossing at Copmanthorpe and subsequent diversion of Public footpath, Copmanthorpe No 2. It is likely that Network Rail are proposing to submit an application under the provisions of the Transport and Works Act 1992 (TWA) in March, to close the level crossing at Copmanthorpe and divert public footpath, Copmanthorpe No 2 via a stepped footbridge at Becketts Crossing. Applications made under the TWA are submitted directly to the Secretary of State for Transport (SoS), not to the council. The council's role is that of statutory consultee. If the council objects to the proposal the matter will be decided either through written representations or at public inquiry. Other statutory consultees include the Parish Council and affected landowners.

The Executive Member will be asked to consider the report and comment on the authority's response to the TWA application, taking in account officer and legal advice.

Level of Risk:

Reason Key:

Making Representations:

Process: Once Network Rail submits the TWA application to the SoS to close the level crossing and divert the footpath, the council's role is purely that of a statutory consultee. Copmanthorpe Parish Council and the landowners affected by the application are also statutory consultees. The public may also make representations or objections.

If an objection is received from a statutory consultee the matter

will be determined by an independent inspector either through written representations or at public inquiry.

Consultation has already been carried out by Network Rail in regard to their preferred options for diverting the footpath. This was carried out as part of the original HAs119A application to divert the path. Network Rail's TWA application to the SoS will include a Consultation Report, which is likely to include the results of this previous consultation exercise.

The background to the scheme and initial partnership and funding arrangements were outlined in a report to the Executive Member for Culture, Leisure and Communities on 19th April 2022 here:

<https://democracy.york.gov.uk/ieListDocuments.aspx?CId=736&MId=12698&Ver=4>

Following this an initial 3 year budget and allocations were set down reflecting the known requirements at that time initially to meet the requirements of the Governments HfU scheme in securing resources to welcome and host guests.

This report now reflects the experience and reality of working closely with the Ukrainian community, the known related housing impacts and longer term support arrangements needed. Given this experience the report outlines spend to date and planned spend over the three-year period 2022/25.

The Executive will be asked to:

Note activities and how the funding has been allocated to date.

Approve plans for further significant expenditure to March 2025.

Allocate budget to the respective Housing and Customer and Community teams as set out in the report for the purposes identified.

Maintain the delegated authority to the Assistant Director / Director of Customer and Communities to make grants to partner organisations to support the programme in consultation with the Executive Member for Culture, Leisure and Communities (as granted on 19th April 2022).

Any other required delegations.

Title of Report: Market Position Statement

Description: Purpose of Report: The purpose of the market position statement is to inform and shape the care market. This includes articulating what we as an authority would like to see developed further and what services we would like to see a reduction of. The market position statement is the start of a market shaping process to ensure services meet the needs of our population whilst taking into consideration our model of delivery and financial constraints. Market shaping is a legal requirement of the care act (2014) and is aimed to understand our local market of care providers and stimulate a diverse range of care and support services to ensure that people and their carers have choice over how their needs are met and that they are able to achieve the things that are important to them.

The Executive is asked to note and agree the content of the market position statement.

Item Type: Executive Decision - a 'Key Issue' - decision with significant effects on communities

Title of Report: Recommission of the current York Reablement Service

Description: Reablement services is an important provision that provides the opportunity to meet the duties of the Care Act 2014 s2 (duty to prevent, reduce or delay needs for care and support for all adults). The current reablement service contract is coming to an end this year, the commissioning team are in the process of recommissioning the service.

The purpose of the report is for Executive to review the report and recommendations to come to a decision on the best option to go forward.

Members will be asked to recommend the best option to recommission York Reablement Services.

Decision due date for Executive changed from 16/03/2023 to a date to be confirmed. Reason: We have recently completed an equality impact assessment and as a consequence there is a need for an extended engagement period with key stakeholders to fully understand the impact of the current service and any gaps in provision and that they are addressed as part of the recommissioning process.
