Notice under Regulation 10: Key Decision where less than 28 days' public notice has been given

Pursuant to Regulation 10 of the Local Authorities (Executive Arrangements) (Meetings and Access to Information) (England) Regulations 2012 ('the Regulations'), I **hereby give Notice** that:-

The **Executive** intends to make a Key Decision on **12 July 2018** regarding **Clifford's Tower Visitor Centre**.

Purpose of Report: To consider the council's response to the public announcement by English Heritage to not proceed with the Visitor Centre element of the proposals for Clifford's Tower.

The report will ask the Executive to consider a recommendation to withdraw the offer of a long leasehold disposal of the land around Clifford's Tower which has previously been agreed by Executive in order to allow English heritage to develop a Visitor Centre. This land is no longer required following the public announcement by English Heritage of the cancellation of this element of the scheme.

It has not been possible to give 28 clear days' notice of the intention to make the Key Decision. The reasons why compliance is impracticable in this matter is in order that City of York Council can clarify its position following English Heritage's recent announcement
