5. Public Health Grant Spending Scrutiny Review Final Report

Resolved: That the Executive;

- i. Request that the Director of Public Health undertake a detailed Health Impact Assessment of the anticipated impact on residents with a further report to Scrutiny to help inform the budget setting process for 2018/19 onward.
- ii. Support the recommendation that the Director of Public Health develop a Public Health Strategy for the City that utilises a “Health in All Policies” approach.
- iii. Ask that the CYC Public Health Team strengthen their management of contracts and oversight of delivery of public health services against clearly defined performance and financial targets.
- iv. Ask that the Director Public Health show the impact on residents’ lives. It would be useful for a simple summary to show the breakdown

of where funding is allocated this year which could be a template for future years along with specific outcome indicators. This would be for analysis to ensure these are delivered and remedial actions available if they are not.

Reason:

- i. So that the Council can make informed decisions about how best to spend the public health grant to deliver improved public health outcomes for residents when the ringfence is removed in 2018/19.
- ii. In recognition of the fact that the Council can only deliver its statutory responsibilities for public health by making the task of improving the public's health everyone's business, at the core of the practice of the wider Council workforce whilst also working proactively with city partners such as education and voluntary sectors and empowering citizens as partners in improving health and wellbeing at the level of the individual, family and community.
- iii. So that the Council can be assured of value for money in the delivery of public health services and that the statutory responsibilities for public health are met.
- iv. To ensure that members are assured about the level of contract management and that contracts are delivered against specific outcome indicators.

6. One Planet York Scrutiny Review Final Report

Resolved: That the Executive agree to approve the recommendations arising from the review, as detailed below;

- a) The Council fully utilises the opportunities presented by the One Planet York framework to drive organisational efficiency and effectiveness through the principles of a One

Planet Council and further mobilise the wider city towards a more sustainable and resilient One Planet York future.

- b) Communication of the One Planet York framework, vision and 10 principles are sustained across all media platforms and that widespread use of the One Planet York or One Planet Council logos is encouraged to demonstrate a united commitment in the One Planet York principles by City of York Council and our city partners.
- c) That progress towards the One Planet York vision is measured via a new city scorecard and that the One Planet Council objectives are measured via a new council scorecard.
- d) As the city scorecard will be based on the Grant Thornton Vibrant Economy Index, which includes a basket of measures across a range of economic, social and environmental themes, this scorecard is formally reported to CSMC on an annual basis to coincide with the Grant Thornton refresh in November each year.
- e) That the One Planet York Task Group is reconvened in 12 months' time to review the impact of the Council's emerging service plans within the One Planet Council framework; how Key Performance Indicators align to the One Planet principles and to gauge the efficiency and effectiveness of internal communications.
- f) City of York Council supports the full integration of the Better Decision Making Tool in the key decision making process.
- g) Alongside the full integration of the BDMT, a plan is developed to support officers in the understanding and use of the tool to ensure its effectiveness.

- h) CSMC review progress on embedding and implementing the BDMT in 12 months' time.
- i) A specific heading relating to resilience and sustainability is added to the risks and implications section of CYC report templates.
- j) The Council makes the BDMT available to partner organisations aligned to the One Planet York framework and explores whether a simplified version of the BDMT can be developed to assist ward committees when they consider the allocation of devolved budgets.
- k) One Planet York notice boards, literature and static presentations are made available for ward committees interested in utilising the framework to further mobilise neighbourhoods / communities to get behind the OPY vision and to stimulate new neighbourhood conversations.
- l) An elected member toolkit/resource pack is developed to assist ward committees, and is made available to community and voluntary groups to assist in making informed decisions within the One Planet York framework.
- m) The Council arranges training for ward teams / committees to deliver One Planet York presentations to spread the One Planet message at local level.
- n) That CSMC request a report on the Urban Living Pilot Project once this work has been completed.

Reason: To conclude the Scrutiny review in line with City of York Council scrutiny procedures and protocols.

7. **Community Flood Resilience Work**

Resolved: That the Executive;

- a) Agree to use of contingency funding of £122.4k to fund the proposals set out in paragraphs 7, 12 and 19.
- b) Agree, in principle, the proposed restructure of the Flood Risk Management function and delegate to the Corporate Director of Economy and Place responsibility to deliver this within existing resources.
- c) Note the *Ready for Anything* programme and encourage relevant wards to take this up where it meets their needs.

Reason: To increase community resilience in the event of future flooding incidents in York.

8. **Minerals and Waste Joint Plan – Proposed Changes**

Resolved: That the Executive;

- i. Note the representations received on the Publication Minerals and Waste Joint Plan for North Yorkshire, York and the North York Moors National Park (Annex A).
- ii. Approve the draft Minerals and Waste Joint Plan for York, North Yorkshire and North York Moors National Park Schedule of Proposed Changes (Annex B) for the purposes of consultation.
- iii. Agree that the Director of Economy and Place in consultation with the Executive Member for Transport and Planning be authorised to make non-substantive editorial changes to the Schedule of Proposed Changes (Annex B) and other supporting documents proposed to be published alongside the Plan.

Reason:

- i. For information and to provide a context to the proposed changes.
- ii. So that an NPPF compliant Joint Waste and Minerals Plan can be progressed.

9. Upper and Nether Poppleton Neighbourhood Plan - Examiner's Report and Decision Statement

Resolved: That the Executive;

- i. Agree the Examiner's modifications and the further minor modifications set out at Annex B to the Upper and Nether Poppleton Neighbourhood Plan and that subject to those modifications the Neighbourhood Plan meets the Basic Conditions and other legislative requirements.
- ii. Agree that the Upper and Nether Poppleton Neighbourhood Plan as modified by recommendation i) proceeds to a local referendum based on the geographic boundary of the parishes of Upper and Nether Poppleton as recommend by the Examiner.
- iii. Approve the Decision Statement attached at Annex B to be published on the City of York Council's website.

Reason: To allow the Neighbourhood Plan to progress in line with neighbourhood planning legislation.

10. Treasury Management Annual Report & Review of Prudential Indicators

Resolved: That the Executive note the 2016/17 performance of treasury management activity and prudential indicators outlined in Annex A.

Reason: To ensure the continued performance of the treasury management function can be monitored and to comply with statutory requirements.

11. Finance and Performance Outturn 2016/17

Resolved: That the Executive;

- 1) Note the year end underspend of £542k (excluding contingency) and approve that this is transferred to reserves.
- 2) Note the further unallocated amount of £549k from the 2016/17 contingency and that this balance be carried forward into 2017/18 and added to the existing contingency for 2017/18.
- 3) Note the financial risks outlined in the report and the need to continue to maintain a prudent contingency and reserves that is reflective of the risks set out in the report.
- 4) Note the continued effective financial management across the Council and the continued delivery of savings.
- 5) Note the performance information set out in paragraph 53 onward.

Reason: To ensure significant financial issues can be appropriately dealt with.

12. Capital Programme Outturn

Resolved: That the Executive;

1. Note the 2016/17 capital outturn position of £35.751m and approve the requests for re-profiling totalling £17.196m from the 2016/17 programme to future years.
2. Note the adjustments to schemes increasing expenditure in 2016/17 by a net £519k.
3. Note the adjustments to schemes increasing expenditure in future years totalling £11.339 in 2017/18 and £10.286m in 2018/19.

4. Recommend to Full Council the restated 2017/18 to 2021/22 programme of £252.615m as summarised in Table 3 and detailed in Annex A.
5. Approve the use of £38k from Capital contingency to fund the purchase of land at Piccadilly in 2017/18 as set out in paragraph 48-50.
6. Approve the use of £150k from Capital contingency to the Mansion House scheme in 2017/18 as set out in paragraph 55-60.

Reason: To enable the effective management and monitoring of the Council's capital programme.
