### **4. Update on retrofit programme including Home Upgrade Grant Phase 2 (Hug2) Bid**

Resolved:

- (i) That the progress to date on delivering retrofit works following the success of attracting grant funding to support cross tenure improvement works, be noted.
- (ii) That upon successful notification of the grant, the Memorandum of Understanding will be signed to enable the commencement of procurement activity and more specific site analysis works.
- (iii) That prior to the signing of a delivery contract following a procurement exercise, a report will be provided to Executive seeking approval to sign the delivery contract and commence works.

Reason: To deliver the council's ambitions for minimising vulnerable residents' energy bills, supporting health and wellbeing, building the local green economy and retrofit supply chains, and reducing carbon emissions in the city.
