EXECUTIVE FORWARD PLAN

What is the Executive Forward Plan?

The Executive Forward Plan is a list of all non-key and key decisions the Authority intends to take during the next four month period. The Plan is updated weekly, every Monday, and is available to view on-line at www.york.gov.uk

What is a non-key decision?

For the purposes of the Plan, a non-key decision is defined as a 'decision of normal importance' which:

- the Executive can collectively take as set out in Part 3 of the Council's constitution
- which any Executive Member can take individually in line with the Council's Scheme of Delegation

What is a key decision?

A key decision is defined as a decision which is likely:

- to result in the Council incurring expenditure, or making savings, which are significant having regard to the Council's budget for the service or function to which the decision relates i.e.:
 - make a saving of more than 10% of the budget for a particular area - or be more than £500,000
 - require spending that is more than 10% of the budget for a particular area - or be more than £500,00
- to be significant in terms of its effects on communities

Such 'key decisions' can only be taken by the Executive, unless they have been **specifically** delegated to an Executive Member or Officer, or unless the Leader or Chief Executive is exercising their urgency powers.

What information does the Forward Plan contain?

In relation to each issue entered on the Forward Plan, there are details of:

- the date on which or time period within which the decision will be taken;
- the wards affected;
- how to make representations on the issue in hand; and
- what the consultation will be taking place, where applicable.

If I have a query about an entry on the Forward Plan, who do I contact ?

Wherever possible, full contact details are listed in the individual entries in the Forward Plan. If you are unsure how to make contact or have any general enquiries about the Forward Plan, please ring Democratic Services on 01904 551088.

Title of Report: Duncombe Barracks

Description: Purpose of Report: To seek Executive approval to purchase the site from the Ministry of Defence (MoD).

Providing negotiations with the Ministry of Defence over the sale of Duncombe Barracks are successful, the Executive are asked to agree the sale with a view to developing the site for much needed affordable housing.

Discussions with the Reserve Forces and Cadets Association are continuing but have not reached a stage where a firm proposal to purchase the site could be brought to the Executive. It is, therefore, felt that the paper should be deferred until the April meeting of the Executive.

This item has been deferred until the 8 May Executive as negotiations with the owners of the site have not been concluded and need to reach an agreement in principle on an acquisition price in order to inform a report to the Executive.

This item has been deferred until the 21 June Executive as negotiations regarding the possible purchase of the site are ongoing. It would be premature to bring a report to Members in advance of a detailed proposal for the purchase being made.
