EXECUTIVE FORWARD PLAN

What is the Executive Forward Plan?

The Executive Forward Plan is a list of all non-key and key decisions the Authority intends to take during the next four month period. The Plan is updated weekly, every Monday and is available to view on-line at www.york.gov.uk

What is a non-key decision?

For the purposes of the Plan, a non-key decision is defined as a 'decision of normal importance' which:

- the Executive can collectively take as set out in Part 3 of the council's constitution
- which any Executive Member can take individually in line with the Council's Scheme of Delegation

What is a key decision?

A key decision is defined as a decision which is likely:

- to result in the Council incurring expenditure, or making savings, which are significant having regard to the Council's budget for the service or function to which the decision relates i.e.:
 - make a saving of more than 10% of the budget for a particular area - or be more than £500,000
 - require spending that is more than 10% of the budget for a particular area - or be more than £500,00
- to be significant in terms of its effects on communities

Such 'key decisions' can only be taken by the Executive, unless they have been **specifically** delegated to an Executive Member or Officer, or unless the Leader or Chief Executive is exercising their urgency powers.

What information does the Forward Plan contain?

In relation to each issue entered on the Forward Plan, there are details of:

- the date on which or time period within which the decision will be taken;
- the wards affected;
- how to make representations on the issue in hand; and
- what the consultation will be taking place, where applicable.

If I have a query about an entry on the Forward Plan, who do I contact ?

Wherever possible, full contact details are listed in the individual entries in the Forward Plan. If you are unsure how to make contact or have any general enquiries about the Forward Plan, please ring Democratic Services on Tel No. 01904 551088

Title of Report: Haxby Station – Site Selection

Description: The purpose of this report is to consider the potential sites for a new Haxby Station and recommend a single preferred site to be taken forward for further development.

Executive Members will be asked to, subject to previous approvals at Executive on 30 September 2021, approve a preferred single site to take forward for further development as the potential location of the new Haxby Station.

This item will be deferred to another Executive Meeting, date to be confirmed. Following the September Executive meeting the Council has been busy finalising the purchasing of the land. However, in the short timeframe between the Executive approving the purchase and the need for reports for the next meeting being published, the Council has not been able to finish all the necessary legal processes in time for a report to go to October's meeting. The potential for this postponement was discussed at the September Executive meeting, given the short time available to finalise the acquisition before the publication of reports for the next meeting. Work continues on the project and is not expected to impact the timelines for the wider Haxby station project.
