CABINET FORWARD PLAN

What is the Cabinet Forward Plan?

The Cabinet Forward Plan is a list of all non-key and key decisions the Authority intends to take during the next four month period. The Plan is updated monthly on or around the 14th of each month and is available to view on-line at www.york.gov.uk

What is a non-key decision?

For the purposes of the Plan, a non-key decision is defined as a 'decision of normal importance' which:

- the Cabinet can collectively take as set out in Part 3 of the council's constitution
- which any Cabinet Member can take individually in line with the Council's Scheme of Delegation

What is a key decision?

A key decision is defined as a decision which is likely:

- to result in the Council incurring expenditure, or making savings, which are significant having regard to the Council's budget for the service or function to which the decision relates i.e.:
 - make a saving of more than 10% of the budget for a particular area - or be more than £500,000
 - require spending that is more than 10% of the budget for a particular area - or be more than £500,00
- to be significant in terms of its effects on communities

In addition to elected Councillors, chief officers can also take key decisions in line with the Officers Delegation Scheme as set out in Schedule 3, Part 3 of the Council's Constitution

What information does the Forward Plan contain?

Each issue entered in the Forward Plan lists:

- The history of the issue in relation to the Forward Plan
- What consultation will be undertaken prior to a decision being made
- The name and contact details of the chief officer responsible for the issue and the forthcoming report
- The date of the meeting at which a decision is due to be taken
- The wards which will be affected by any decision taken

If I have a query about an entry on the Forward Plan, who do I contact ?

The Acomb Front Street Phase 2 public engagement commenced on 26 February 2024 and ran to 24 March 2024. The purpose of the open public engagement work was to test the ideas set out in the Phase 2 project scope and determine the community priorities in the context of the cost and desirability. Learnings from the previous community consultation (Future of Acomb Front Street Study 2021) and community petition July 2023 were also carried forward.

The public engagement sought feedback on :-

- enhancing the area through better placemaking, creating a more people friendly space and reducing the number of bollards
- creating a more accessible destination, with wider, more generous pedestrian crossing points, new accessible toilet facilities and improved blue badge parking
- extending the benefits beyond the high street to better connect local amenities
- longer-term aspirations, including but not limited to looking how to reduce the vehicle dominance in Front Street or the adoption of private frontages

An accessible mix of engagement methods were used to allow for the greatest reach into the community, including in person public meetings/drop-in events, stakeholder meetings and online survey, plus paper-based format.

The community response was tremendous and generated 900 completed surveys, and more than 5,000 comments to be analysed.

The Executive report in July 2024 included a detailed summary of the engagement feedback received to inform the high level principles and next steps for the project.

The tender process request is made to provide a prevention offer to be delivered to support Adult Social Care for individuals who need some additional support to remain in their own homes. The Council Plan contains a commitment plant 4,000 trees within York's urban area in response to the declared climate and nature emergencies.
Thirteen sites were planted in 2023/24 with c2,500 trees putting the council well on the way to achieving its goal. These sites were fully funded by external grant, including 3yrs maintenance.
A further 47 sites, mainly council owned land, are now being considered for planting in 2024/25.

Title of Report: 14 New Lane: Proposal to incorporate the land back into West Bank Park, Acomb

Description: Purpose of Report: 14 New Lane was until the 1980's the West Bank Park parkkeepers' accommodation. In the early 1990's the current boundary fence was erected reinforcing its separation from rest of park.

During the 1990s and 2000's it was used by Housing Association tenants. After which the property was unoccupied until 2016 when a major fire seriously damaged the building resulting in its partial demolition.

Following the fire, a payment was received from the council insurers which has been used to fund site safety and clearance. Demolition should be completed later this summer.

The report will seek approval to incorporate the land upon which 14 New Lane stood into West Bank Park following final site clearance and allocate any remaining insurance budget to projects within West Bank Park such as improving the toilets, creating a fully accessible toilet, and/or improving play equipment.
