58. Lord Mayor's Opening Remarks (6:34 pm)

The Lord Mayor confirmed that:

- this was a budget meeting of City of York Council and public participants must only address business on the agenda.
- York's target for net zero was 2030 and the city had recently achieved global recognition for climate action, with an A rating from CDP. With only 2,232 days to 31 December 2029, the Lord Mayor acknowledged the importance of working together to address the climate emergency.
- in accordance with the council's procedure rules, named votes would only be required for items directly linked to the budget and not in respect of agenda items 6, 10 and 11.

59. Declarations of Interest (6:39 pm)

Members were invited to declare at this point in the meeting any personal interests not included on the Register of Interests, any prejudicial interests or any disclosable pecuniary interests they might have in the business on the agenda.

The Lord Mayor confirmed that government guidance stated that Members did not have a disclosable pecuniary interest in the business of setting the council tax and that the council's code of conduct also stated that Members did not have a prejudicial interest in that business.

For transparency, the following interests were reported:

Cllr Kilbane confirmed that his partner worked for Safer and Sound Homes (SASH).

Cllr Pavlovic noted that between 2011 and 2014 he worked for a charity that delivered services to rough sleepers.

Cllr Nelson confirmed that her husband worked in social care at City of York Council.

60. Minutes (6:41 pm)

Resolved: That the minutes of the Council meeting held on 23 November 2023 be approved and then signed by the Chair as a correct record.

61. Civic Announcements and Announcement of Lord Mayor and Sheriff Elect (6:41 pm)

The Lord Mayor invited Cllr Douglas to nominate the Lord Mayor Elect for the 2024/25 municipal year. Cllr Douglas nominated Cllr Margaret Wells as the Lord Mayor Elect. Cllr Wells confirmed that she would be honoured to accept, and nominated former Councillor Fiona Fitzpatrick as her Sheriff.

The Lord Mayor announced that since the last meeting he had received a dragon soft toy on behalf of the city as part of the Chinese New Year celebrations, as well as receiving various gifts from when he met:

- visitors from Nanjing and from the Chinese Consulate based in Manchester.
- the German Ambassador.

He also noted that on behalf of City of York one of the city's seals had been presented to the Mayor of Lviv, and he concluded that he had copies of a press cutting from the 1924 Washington Post, which referenced a presentation of a ledger stone from New York to old York in the Guildhall.

62. Public Participation (6:46 pm)

It was reported that eight members of the public had registered to speak at the meeting under the Public Participation item. The Lord Mayor confirmed that, on the advice of the Monitoring Officer, public participation would be allowed on the additional items on the agenda as well as on the business associated with setting the council's budget for the coming financial year.

All speakers spoke on Agenda Item 8: Recommendations of Executive on the Council's Financial Strategy 2024/25 to 2028/29, Capital Budget 2024/25 to 2028/29, Capital Financing and Investment Strategy and the Treasury Management Strategy Statement, as follows:

Flick Williams raised concerns regarding the cuts affecting the reduction in webcasting which would reduce accessibility of participation by members of the public in the decision-making process.

Gwen Swinburn raised concerns regarding the inadequate consultation and lack of equalities impact assessments around the

budget setting process. She also addressed concerns regarding the reduction in webcasting and she asked the Monitoring Officer to confirm where the blanket member interest dispensation notice, in respect of Council Tax decisions, was lodged.

Denise Craghill spoke as Chair of the York Green Party and raised concerns regarding the cuts to library services. She noted the benefits and key roles of libraries and the value they provided to the community.

Jenny Layfield raised concerns on the reductions to the contract sum for Explore Libraries and Archives. She highlighted the uniqueness of each library and how each venue supported local communities. She also clarified the terms and impact of contract reductions.

Diane Geogheghan-Breen spoke in support of the green waste charge proposed. She noted that this service was not a statutory requirement and other local authorities had introduced the charge.

Luke Charters, a parliamentary candidate for York Outer constituency, expressed his concerns and the challenges faced regarding the significant budget pressures City of York Council were facing due to inadequate central government funding.

Carolyn Frank expressed the Federation of Small Businesses' views on the council budget proposals. They agreed that decisions were required that continued the resilient trend for the businesses in the city, and the wider city economy, balanced alongside protecting the council finances. They requested a small business impact assessment to be undertaken to understand the impact the proposals had on small and micro businesses as well as the self-employed.

Brian Watson briefly raised concerns with the proposed green waste and council tax charges, and cashless car parking payments. He then spoke on Agenda Item 6, CYC Scheme of Member Allowances: Report of the Independent Remuneration Panel (IRP) where he made reference to sections of the IRP report, and he also acknowledged the role of the Lord Mayor.

The Lord Mayor thanked all the public participants and confirmed that their comments had been noted and would be taken into account when Council debated those proposals and made its decisions.

63. **Petitions (7:17 pm)**

Under Rule B5 2, the following petitions were presented for reference to the Customer and Corporate Services Scrutiny Management Committee, in accordance with the Council's petition arrangements:

- i) A petition presented by Cllr Hollyer, on behalf of residents, regarding the proposed green waste charge.¹
- ii) A petition presented by Cllr Hollyer, on behalf of residents, regarding the proposed reduction in funding to York Explore.²

The Lord Mayor confirmed receipt of the petitions and stated that they would be considered by Members when they debated the budget proposals.

Action Required

1. Add the petition regarding the proposed green bin charge to the petitions log for referral to CCSSMC. SS

2. Add the petition regarding the proposed reduction in funding to York Explore to the petitions log for referral to CCSSMC. SS

64. **CYC Scheme of Member Allowances: Report of the Independent Remuneration Panel (7:19 pm)**

The Monitoring Officer advised Members that he recommended that this item be deferred to the next Council meeting, due to be held in March 2024, in order that some outstanding matters be clarified. It was noted that the Chair of the Independent Remuneration Panel would be invited to present the Panel's report at that meeting.

The Lord Mayor thanked the Panel for their hard work and commitment in producing the report.

Following debate and on being put to the vote, the recommendation to defer this item was declared CARRIED and it was
