

# Corporate Strategy 2009/2012

# What is this?

The City of York council have made a 3 year plan.

We call this our Corporate Strategy.

This is about the work we are doing for our communities.

# Why?

We want to make the City of York a wonderful place for everyone.

We will make sure everyone at the Council works together to make this happen.

We want to talk to you to find out what you think should be in our plan.

We have spoken to lots of people already to find out what they think should be in our plan .

These are some of the things  
people said the City of York  
should be :

City of York Council will make York a

# Thriving City

Make sure people  
have jobs, keep  
them and find new  
jobs in York.

opportunities.

City of York Council will make York a

# Sustainable City

Help people to respect the environment and produce less rubbish, so that we all live in a beautiful green city now and in the future.

City of York Council will make York a

# Safer City

Make York a safe city, where everyone is happy and feels safe now, and will carry on feeling safe in the future.

City of York Council will make York a

# Learning City

Help local people get good education training and skills, to help York continue to be a great place to live work and play.

City of York Council will make York an

# Inclusive City

Make sure that everyone can access the services they need. Make sure that people are not left behind because of their sex, age, disabilities, race, religion and belief and their sexuality.

Fight poverty.

City of York Council will make York a

# City of Culture

Help everyone to be creative. Provide excellent facilities for sport leisure and culture, like parks, swimming pools, festivals etc

City of York Council will make York a

# Healthy City

Make sure people live healthy and independent lives, by helping them to make healthy life-style choices and providing the care they need as soon as they need it.

We shall make City of York Council an

# Effective Organisation

**Make sure the  
Council does its job  
right.**

# What do you think?

Are these  
actions right?

Anything else  
you think we  
should be  
doing?

# How can SIWG get involved?

Tell us how you would like to get involved.

Workshops?

Doing something with your group?
