

P E T I T I O N

We, the residents of Horner Street, Cromer Street and Wilberforce Avenue, are appalled and frightened at the speed with which cars are driving down our streets. A large number of young children live in the area, some of whom have already lost pets as a result of speeding cars.

Therefore, we demand, as a matter of urgency, that the City of York Council install traffic calming measures and if necessary block the roads to through traffic.
