Meeting Audit and Governance Committee

Date 28 July 2021

Present Councillors Pavlovic (Chair), Fisher (Vice-Chair), Lomas, Mason, Wann, Webb And Carr

Apologies

11. **Declarations of Interest**

Members were asked to declare any personal interests not included on the Register of Interests, any prejudicial interests or any disclosable pecuniary interests which they may have in respect of business on the agenda. None were declared.

Cllr Fisher noted that while not a prejudicial or any disclosable pecuniary interest he noted that he had worked as a unpaid zero hours employee of a company that had received a Covid Support Grant.

12. **Minutes**

Resolved: That the minutes of the meeting held on 16 June 2021 be approved and then signed by the Chair as a correct record.

Members enquired about funding to carry out the Action Plan in relation to the Public Interest Report (PIR) and it was confirmed that funding had not yet been identified. Officers also confirmed that as part of the next review of Key Corporate Risks (KCR) that the PIR would be included in KCR 2.

13. **Public Participation**

It was reported that there had been 3 registrations to speak at the meeting under the Council's Public Participation Scheme.

Gwen Swinburn highlighted that the Committee had been without an independent member for over two years and was concerned that applicants were expected to have Financial

expertise but were not required to have Governance expertise. She raised concerns about the Council's handling of governance issues and the ability to carry out the Action Plan associated with the Public Interest Report, noting what she considered to have been failures to fully carry out previous similar action plans.

Andrew Mendus raised questions about the minutes of the 16 June 2021 meeting. He noted that the Committee had requested external involvement in the implementation of the Action Plan, but that the minutes stated officers would explore external peers to review progress. He noted that there was no Agreed Annual Settlement Agreement report on the Committees work plan. He also spoke about the appointment of an independent person and suggested two individuals to ensure Governance also had an external expert on longer terms.

Cllr Douglas noted her support for the adoption of LGA Model Code of Conduct, however, she raised concerns that it was part of the Action Plan. That is was part of the Action Plan she suggested implied that the Leader of the Council didn't understand or realise when he should of declare an interest in relation to discissions around the exit of the former Chief Executive. She noted that the current Code of Conduct was clear enough for a long standing member to understand when they would have an interest to declare and highlighted the financial cost incurred to the Council due to optional payments to the former Chief Executive as part of their exit, expert external governance work, and additional audit costs.

14. Corporate Governance Report

Officers introduced the report providing a update on the Council's governance. Discussion focused on a number of areas including complaints and requests for information from the Council. It was noted that the Information Commissioners Office (ICO) had often found the Council to correctly withhold information when it choose to do so, however, members enquired about the meeting of deadlines to complete responses. Officers noted that there had been capacity issues within the Council that had affected responding in time, however, the four C's approach of the Council's had improved how the Council responded to complaints and requests for information. It was confirmed the four C's approach does not include all of adults and childrens social care complaints as there is legislation in

those two areas that means that some complaints in those areas have to be dealt with by the legislative process.

Resolved:

- i. To note the details contained in this report;
- ii. To provide feedback on the options for future reporting.

Reason: To ensure the Committee are kept updated on Corporate Governance.

15. Draft Statement of Accounts

Officers introduced the draft 2020/21 Statement of Accounts before they are audited, for the Committee to consider and review prior to auditing. Discussing took place regarding the Council's financial position and Members enquired about the use of the Councils reserves and overspends. Questions were raised about whether Local Government reorganisation could impact the business rates and Council tax, officers did not expect this to be the case. In relation to business rates Members enquired as to the benefits to being a part of the business rates pool. Officers confirmed that the Council could pay business rates to central government but by paying into the pool investment remains within the region.

Resolved:

- i. Noted the draft pre-audit statement of accounts, for the financial year ended 31 March 2021.

Reason: To ensure that, in line with best practice, Members have had the opportunity to review the draft pre-audit Statement of Accounts.

16. Mazars Audit Progress Report

The Mazars Audit Manager introduced the report outlining Mazars progress on audit to date for the year ended 31 March 2021 and noted an update on national publications. Members enquired about Mazars not issuing a Qualified Value for Money Assessment for the Council and Mazars confirmed that they would work with the Council and would communicate concerns to the Council via this Committee. Mazars confirmed they were

currently completing Field Work and anticipated the Mazars Annual Audit Letter being ready for 29 September 2021 subject to information from external sources such as pensions valuation.

Resolved:

- i. Note the matters set out in the Audit Progress Report presented by the external auditor.

Reason: To ensure the proper consideration of the progress of the external auditor in respect of the annual audit of accounts and review of the council's arrangements for ensuring value for money.

17. Monitoring Officer's Update

The Monitoring Officer provided the Committee with an update outlining amendments made to the Council's Constitution which were undertaken due to Government issued regulations in relation to Covid-19.

Resolved:

- i. To note the Monitoring Officer's amendments to the Council's Constitution.

Reason: To ensure the Committee remain updated on amendments to the Council's Constitution.

18. Progress Against the Action Plan

Officers provided an update on the work undertaken against the Action Plan. It was confirmed that the Local Government Association (LGA) had agreed to support the Council in delivery of the Action Plan, it was also confirmed they would be happy to meet with the Chair and Vice Chair of Audit and Governance to discuss the delivery of the plan.

Members discussed proposed training for members and how these would be used to ensure issues highlighted in the Public Interest Report (PIR) were not repeated. Officers highlighted the work of the Joint Standards Committee around the new Model

Code of Conduct. It was confirmed that the new Model Code of Conduct would not necessarily prevent the issues from the PIR but it would allow the Council to update its practices and match the best practice set out by the LGA.

Members enquired about whether budgets had been identified for the implementation of the action plan and any costs associated to accessing the LGA's support. Officers confirmed that a budget had not yet been confirmed for the delivery of the action plan, however, the support of the LGA was confirmed to be part of the Council's membership and would not have additional costs.

The Council's use of business case documents highlighted in the PIR as requiring improvement and what work would be undertaken to improve this. Officers confirmed that the document was a internal Council document and would remain under review by the Section 151 officer.

Resolved:

- i. Noted the progress made in respect of delivery of the Action Plan.

Reason: To ensure the Committee remain updated in respect of delivery of the Action Plan.

19. Work Plan

The Committee discussed their work plan for 2021/22. Members discussed the use of an additional meeting in September to have a first consideration of the draft constitution. Members requested that a copy of the draft constitution be shared as early as possible with Committee members to ensure enough time to consider it prior to the Meeting, it was confirmed that a digital copy would be shared as soon as possible. Members also discussed when a possible final sign off could take place and it was noted that it would be brought back to Audit and Governance before going to Full Council.

Considering other items on the Committee work plan Members confirmed the Key Corporate Risks monitor 2 item be moved from the Committee's September to October meeting.

Resolved:

- i. The Committee agreed to a in person meeting on 8 September 2021 to consider the draft Constitution.
- ii. The Committee agreed to move the Key Corporate Risks monitor 2 to the Committees October meeting.

Reason: To ensure that the Committee manages its work plan effectively.

Councillor M Pavlovic, Chair

1. Definitions:

Settlement Agreements – (formerly known as Compromise Agreements)	A legally binding agreement signed by employer and employee resolving a dispute between them, such as the terms on which the employee’s employment is ended.
Special Severance Payments	Additional payments made to employees beyond what they are entitled to under their contracts of employment or statutory law.
Confidentiality Clause (often referred to as non-disclosure agreements or ‘NDAs’)	A clause in a Settlement Agreement that prevents the unauthorised disclosure by the employee of confidential information relating to their employment or its termination.
Statutory elements of pay	Those elements of pay that the employee is owed as a matter of statutory law applicable to all employees in the UK. For example, the right to be paid for annual leave or the right to receive a minimum amount when made redundant (so-called ‘statutory redundancy’)
Contractual Payments	Those elements of pay that the employee is owed under their contract of employment. For example, the normal remuneration paid for work done.
Best Value Duty	The best value duty, as set out in section 3 of the Local Government Act 1999 (“the 1999 Act”), provides that “ <i>A best value authority must make arrangements to secure continuous improvement in the way in which its functions are exercised, having regard to a combination of economy, efficiency and effectiveness</i> ”. The best value duty is relevant to local authority duties to deliver a balanced budget (Part 1 of the Local Government Finance Act 1992), provide statutory services (including adult social care and children’s services) and secure value for money in spending decisions. This will include decisions to make Special Severance Payments.

3. Introduction

- 3.1 There are numerous reasons why people leave employment, from normal resignation by the employee through to dismissal of the employee by the employer.
- 3.2 The majority of the cases are straight forward, follow normal processes and do not result in any additional payments (Special Severance Payments). However, there are a smaller number of cases where the contract of employment is terminated through dismissal by the employer or more complicated circumstances where the contract is terminated by mutual consent of the employer and employee.
- 3.3 It is in these cases where the council must ensure that any additional payments (Special Severance Payments) being made, over and above Contractual and statutory payments, are in line with legislation and the 'Best Value Duty'.
- 3.4 There are contractual and statutory elements of pay that have to be paid upon an exit, regardless of the reasons for the exit. Examples include outstanding annual leave and the minimum statutory redundancy payment, where the post held by the employee is being made redundant.
- 3.5 Special Severance Payments do not fall into the category of payments that the council is obliged to pay a departing employee and do not usually represent value for money. As such, they should only be used in truly exceptional circumstances and after following due process. The size of any Special Severance Payment must be kept as small as possible in order to provide value for money for the taxpayer and the economic

rationale for the payment must be clear. Where a Special Severance Payment is made there must be complete transparency about that fact and the reasons why it is being made.

- 3.6 The council should not be using Special Severance Payments as a soft option. For example, to avoid management action or disciplinary processes against an employee, unwelcome publicity, embarrassment or reputational damage for the council.
- 3.7 As a council we need to ensure that before making a Special Severance Payment we follow the correct approval process and that those making the decision have all the relevant the information upon which to make a properly informed decision.
- 3.8 Where a Special Severance Payment is to be made to an employee, the council will agree a written Settlement Agreement with that employee. Any Settlement Agreement may include a Confidentiality Clause, but only where legal advice is to the effect that it is proportionate, reasonably necessary and in the best interests of the council to do so. The precise contents of a Confidentiality Clause will vary from case to case. A Confidentiality Clause cannot be used to prevent an employee from making a protected disclosure (so-called 'whistleblowing').
- 3.9 The purpose of this guidance then is to:
 - Set out the Council's view that Special Severance Payments do not usually represent value for money and should only be considered in truly exceptional circumstances
 - Set out the criteria that the Head of Paid Service should consider in deciding if there are exceptional circumstances in which it may be appropriate to make a Special Severance Payment, in conjunction with the Section 151 Officer and Monitoring Officer.
 - Clarify the approval process for making a Special Severance Payment
 - Clarify the disclosure and reporting requirements where Special Severance Payments are made.

4. Reasons for Leaving

4.1 Employees can leave employment through a number of routes, the primary one being resignation. However, there are occasions where staff will be dismissed by the employer or where there is a mutual agreement between employer and employee to end the employment relationship.

4.2 *Resignation*

Where an employee has resigned, this exit will be progressed through the completion of the leaver's paperwork, found [here]. In terms of payment, the employee will usually only be entitled to their normal earnings up to the date of their resignation and any outstanding holiday entitlement. Line Managers are encouraged to work with employees who are resigning to

use their annual leave prior to their leave date. Payment of outstanding leave should be by exception.

4.3 **Retirement**

Where an employee retires and has access to their pension with no discretion, this exit will be progressed through the completion of the leaver's paperwork found here. As with a resignation, the employee is usually entitled to their normal earnings up to the date of their retirement and any outstanding holiday entitlement.

Where staff retire and have access to their pension with a discretion the Pension Discretion policy should be followed.

<https://colin.york.gov.uk/besupported/hr/leaving-the-council-1/pension-discretions/>

4.4 **Ill Health Retirement**

Where a member of staff retires through ill health, there is a discrete process to follow. This is explained in the Manager's Toolkit which is found in the Attendance Management page:

<https://colin.york.gov.uk/besupported/hr/absence-leave-and-flexible-working/attendance-management/>

4.5 **Dismissal**

Where an employee has been dismissed following a disciplinary/dismissal process hearing, the employee will usually receive all statutory and contractual pay elements. Where an employee is dismissed, it will usually be with notice although the employer may instead elect to make a payment in lieu of notice ('PILON'). This is where the employer pays the employee what they would have received during the notice period without the employee being required to work. Where the employee is dismissed for gross misconduct, they will not usually be entitled to be dismissed with notice or to receive PILON.

There may be instances following a dismissal where it is appropriate to enter into a Settlement Agreement with the employee. For example, to prevent the employee bringing a claim before an Employment Tribunal and receiving compensation from such. This may give rise to the making of a Special Severance Payment to the employee dependent upon the circumstances and the protection of the council.

4.6 **Mutual termination of contract of employment**

There are instances where both parties wish to terminate the contract of employment. In these cases of mutual termination there will usually be a Settlement Agreement reached between the parties and this may include the making of a Special Severance Payment. As part of a mutual termination the council is normally required to pay contractual and statutory pay elements to the employee.

5. Special Severance Payments

5.1 Special Severance Payments are paid to employees outside of normal

statutory or contractual entitlements when leaving employment in public service, whether they resign, are dismissed or there is a mutual termination of employment.

- 5.2 Special Severance Payments are any payments on termination of employment which do not correspond to an established contractual, statutory or other right. The types of payments which are Special Severance Payments will vary according to an employees' circumstances, and therefore the examples below are illustrative only. In the case of any doubt as to whether a payment constitutes a Special Severance Payment, approval should be sought from the Employment Law adviser.
- 5.3 Any payment in respect of which the right to payment is disputed by the employer, in whole or in part, should be treated as a Special Severance Payment which requires approval.
- 5.4 The following types of payments are likely to constitute Special Severance Payments:
- Any payments reached under a Settlement Agreement other than those amounting to statutory elements of pay or contractual payments. For example, payments proposed to be made in return for the employee not bringing legal proceedings or discontinuing existing proceedings;
 - The value of any employee benefits or allowances which are allowed to continue beyond the employee's agreed exit date;
 - Write-offs of any outstanding loans;
 - Any paid special leave, such as gardening leave;
 - Any honorarium payments or gifts;
 - Any hardship payments;
 - Any payments to employees for retraining related to their termination of employment.
- 5.5 The following types of payments may constitute Special Severance Payments, depending on the terms of the individual's contract, relevant statutory provisions, any non-statutory applicable schemes and other relevant terms and conditions:
- Pay in lieu of notice (PILON), depending on the contractual basis for the payment;
 - Pension strain payments arising from employer discretions to enhance standard pension benefits.
- 5.6 The following do not constitute Special Severance Payments:
- Statutory redundancy payments;
 - Contractual redundancy payments, whether applicable to voluntary or compulsory redundancy, and whether agreed by

collective agreement or otherwise;

- Payment for untaken annual leave;
- Payments ordered by a court or tribunal.

6. CYC Approval Process

6.1 Special Severance Payments when staff leave employment of the council should be exceptional. They require Statutory Officer (Head of Paid Service, Section 151 and Monitoring Officer) approval because they are novel, contentious and potentially repercussive.

6.2 Where the Special Severance Payment is being made for a Chief Officer, approval is required from the Statutory Officers mentioned above and from the Staffing Matters and Urgency Committee.

6.3 Where the Special Severance Payment is being made for the Head of Paid Service, the Monitoring Officer will lead through the process, seeking approval from the Section 151 and Staffing Matters and Urgency Committee. Where the Special Severance payment is for the Monitoring Officer or Section 151 then the Head of Paid Service will lead through the process. In both cases supported by the Head of Human Resources.

6.4 ***Process for Approval***

It is important to ensure that Executive Member approval is sought before any offers of a Special Severance Payment, whether oral or in writing, are made to an employee. The process required to seek approval is as follows:

6.4.1 Chief Officer completes the Business Case at Annex A.

6.4.2 The form requires approval from the relevant Executive Member and Officers, Finance Manager, HR Manager, Head of Paid Service, Chief Finance Officer and Monitoring Officer.

6.4.3 Where the Special Severance Payments relates to a Chief Officer, following the completion and approvals at Annex A, the form including the details upon which to make a decision is submitted to the Staffing Matters and Urgency Committee for its approval.

6.5 The council must ensure that Special Severance Payments are transparent and negotiated avoiding conflicts of interest. This is especially important in respect of Chief Officers.

6.6 ***Criteria for the assessment of cases***

The Business Case (Annex A) must be completed in full before any approval and decision is made. This business case must be

sufficiently strong to be subject to scrutiny and all relevant information included upon which a decision can be made.

6.7 Completion of the Business Case (Annex A)

The Business Case must include consideration of the matters set out below.

6.7.1 Overview of the department / team in which the individual works, including:

- a) Key deliverables
- b) Size of workforce

6.7.2 The terms of employment and any contractual clauses relevant to the proposed Special Severance Payment.

6.7.3 The business reasons for the proposed Special Severance Payment, eg to settle a grievance or employment tribunal claim.

6.7.4 Key dates and decisions that led to the need of a Special Severance Payment.

6.7.5 The total cost of the exit payment proposed to be made to the employee, clearly stating the Special Severance Payment separately to contractual and statutory elements of pay.

6.8 Financial Considerations

There must be evidence that the cost of the Special Severance Payment represents value for money and that the Best Value Duty will be fulfilled. The economic rationale for the Special Severance Payment should be clear and include consideration of:

- a) Whether the departure of the employee from the council can be achieved at a lower cost to the council, including whether the employee would be prepared to leave receiving statutory and contractual payments only;
- b) Any efficiency savings from workplace reform, such as reduction in posts etc.;
- c) Associated repercussive risks / conduct issues to the delivery of the organisation's objectives.

6.9 Where relevant, legal assessment of an organisation's chances of winning or losing an employment tribunal claim and the potential value of any award that may be made.

6.10 Non-financial considerations

There must be evidence that all options other than Special Severance Payments have been exhausted including:

- a) Evidence that, where relevant, a performance improvement plan in line with internal performance management processes has been considered and not unreasonably discounted. Special Severance Payments should not be used to avoid performance management processes.
- b) Evidence of good performance of the individual if the exit is not performance related.
- c) Evidence of other measures to prevent the exit, including full efforts made to perform reasonable adjustments or where relevant, redeployment within the council.

6.11 Consideration should be given to the number of other Special Severance Payments agreed in the last 12 months and those the payment of which is pending.

6.12 ***Repercussive Risk***

There should be evidence of consideration of the wider impact on the council of the proposed Special Severance Payment and whether it is likely to set a precedent for future cases. For example:

- a) Evidence that the Special Severance Payment represents a one-off cost (to resolve a specific issue);
- b) Evidence of consideration of the impact of making a Special Severable Payment on the wider workforce, including whether such is likely to encourage further claims by employees;
- c) Evidence of the completion of a lessons learnt exercise and measurable improvement plan (including dates) to reduce the risk of the council having to make further Special Severance Payments.

6.13 ***Particular considerations for Special Severance Payments***

Any payment proposed as part of a Settlement Agreement in excess of contractual, statutory and other entitlements is a Special Severance Payment and authorisation must be given by Statutory Officers and/or the Staffing Matters & Urgency Committee before such a settlement is agreed.

6.14 Where there is a dispute between the council and employee or ex-employee, the council should consider, at an early stage, the likelihood of an employment tribunal or other claim and seek legal advice on the potential costs involved. The council must first consider non-financial avenues to resolve disputes in collaboration with the parties involved.

6.15 Proposals for Special Severance Payments, should consider the following (where appropriate):

- a) Evidence of attempts to resolve grievance before it escalates to an employment tribunal claim.

- b) Precedents from other parts of the public sector may not always be a reliable guide in any given case;
- c) Legal advice that a Special Severance Payment appears to offer good value for the council may not be conclusive since such advice may not take account of the wider public interest;
- d) Even if the cost to the council of defeating an apparently frivolous or vexatious appeal will exceed the likely cost of the proposed exit payment to the employee, it may still be desirable to take the case to formal proceedings given :
 - Winning such cases will discourage frivolous or vexatious claims and demonstrate that the council does not reward such claims.
 - Where claims are genuine, this will ensure that prompt action is taken to ensure further grievances do not arise.

6.16 The council's default approach is not to settle, we must ensure Special Severance Payments are only made in exceptional circumstances and represent value for money. Special Severance Payments will only be considered if: Attempts to settle the dispute without Special Severance Payments have been made and either

- (a) Legal advice has been sought and clearly recommends settling the claim with the making of the proposed Special Severance Payment; or
- (b) Where legal advice is finely balanced, there is a clearly evidenced value for money case and settling is clearly the best course of action, satisfying the best value duty.

6.17 It is especially important that those individuals within the council who are the subject of complaints brought by an employee play absolutely no role in deciding whether a Special Severance Payment should be made to that employee. Special Severance Payments must not be used to avoid the dealing with complaints/grievances or to avoid unwelcome publicity or embarrassment.

7.0 Recording of Special Severance Payments

7.1 All approved Special Severance payments will be recorded within Finance. Any exit payment must be recorded and reported on an annual basis to central government.

8.0 Audits of Special Severance Payments

8.1 Staffing Matters and Urgency will approve or not, via the Business Case

(Annex A) any Special Severance Payment for Chief Officers

- 8.2 All approved Special Severance Payments for any employee, excluding Chief Officers, will be noted at Staffing Matters and Urgency. Staffing Matters and Urgency will receive in private session a copy of the Business Case, Annex A.
- 8.3 Internal Audit will carry out a six monthly review of the Special Severance Payments made in the council and will report their findings to Audit & Governance on an annual basis.
- 8.4 Audit & Governance will receive an annual report from Internal Audit on the council's compliance with this framework and therefore the use of Special Severance Payments by the council.
- 8.5 This guidance will be reviewed by the Corporate Consultation/Negotiating committee (CCNC) on an annual basis and any amendments will be reported to Staffing Matters and Urgency. This process will incorporate **consideration of the information mentioned above** collated by Internal Audit **and Audit and Governance**.

AUDIT & GOVERNANCE COMMITTEE**8 September 2021**

Report of the Director of Governance & Monitoring Officer

Review of the Council's Constitution**Summary**

This report sets out the proposed revisions to the Council's Constitution for consideration by the members of the Audit & Governance Committee and makes a recommendation that draft Constitution be referred to a future meeting of Full council for approval and immediate implementation. The amendments undertaken by Audit & Governance Committee on 11th March 2020, and subsequently approved by Full Council in October 2020, have been incorporated into this revision.

Recommendations

The Audit & Governance Committee is invited to consider the following recommendations:

1. That the proposed revised Constitution as set out in the annex to this report be approved and referred to a future meeting of Full Council for approval and immediate implementation;
2. That the proposed amendments to the terms of reference for the Audit & Governance Committee as detailed at Appendix 9 of the revised Constitution be approved;
3. That the Director of Governance & Monitoring Officer liaise with the Council's Corporate Management Team to ensure that each service area has in place a scheme of delegation to deliver the consistent compliance with the requirements of the revised Constitution that relate to delegated decisions taken and recorded by Officers;
4. That the Director of Governance & Monitoring Officer in consultation with the Group Leaders and the Corporate Management Team provide training to Members and Officers to

improve the understanding across the Council of the purpose and requirements of the Constitution;

5. That the Audit & Governance Committee will commit to undertake and annual review of the Council's Constitution to ensure it remains fit for purpose.

Reasons for the recommendations

To ensure that the Council Constitution is accurate and is fit for purpose to effectively support the service delivery and decision making responsibilities of the Council in a lawful and financially compliant manner.

Options

The Audit & Governance Committee can choose to disregard the recommendations contained within this report, in which case the Council's existing constitution will remain in force. However, should this occur, the existing constitution will need to be reviewed in any event to ensure it is a fit for purpose document.

Background

Purpose of the Constitution

Since 2000, the Council has been required to make publicly available a constitution which sets out key requirements relating to service delivery, decision-making principles and protocols, i.e. this is a document that assists the public in describing the functions of the council and how it proposes to carry out those functions. To support Council's at that time, the Secretary of State produces a modular (or template) constitution which offered a degree of consistency as to what was required to be included. However, the decision as to format of the presentation of the constitution remains at the discretion of the Council and so as to ensure the document is easy to read and can be updated.

The Council operates an executive or "strong leader" model [as opposed to a committee system] as its governance framework and therefore the constitution acts to advise the reader as to the division of decision making responsibilities, i.e. which decisions are made by the Executive as opposed to those which remain the responsibility of Council.

Revisions to the Constitution previously approved by Audit & Governance Committee on 11th March 2020

The recommendations considered and approved by Audit & Governance Committee have been fully incorporated into the revised Constitution. Details of these amendments can be found in the report and accompanying documents considered by the Committee as part of its agenda on 11th March 2020.

The revised Constitution

Format

The revised constitution is broken down into two separate sections:

1. Articles:

Each Article describes a particular function or role and responsibility. The Articles are grouped by theme, for example a regulatory theme, a governance theme etc. In a transparent manner, these detail the decision making framework for the Council i.e. the various committees, the varied roles and responsibilities of Members and key Officers and the commitments the Council makes to ensure it maintains a robust oversight of its governance framework. Where possible, each committee has its own Article, for example, Article 9 relates solely to the role and responsibility of the Audit & Governance Committee.

2. Appendices:

These are detailed and set out how the Council proposes to deliver the functions as described in the Articles. This section of the revised constitution also includes the numerous protocols referenced to the Committee as part of the review undertaken in early March 2020. The appendices section also includes more recently developed protocols such as those required during the Coronavirus Pandemic and the Internal Travel protocol developed by the Joint Standards Committee.

Approach taken to review the constitution

The aim of the review has been to increase awareness and understanding and ultimately the transparency of the constitution. Officers from Legal Services and Democratic Services have consulted with Members and members of the Corporate management Team and

reviewed the operation of the constitution both prior to and during the national lockdown. The observations detailed in the Public Interest Report received by Council on 4th May 2021, have also been fully taken into account.

Comparison with the Existing Constitution

The existing constitution is written following the modular constitution and as advised in March 2020, it has not been reviewed and or updated for a significant period of time.

Due to the change in format, a cross referencing document has been provided at Appendix 1 which serves to demonstrate how, where possible, the existing content has been transposed into the revised version.

Wherever possible, the aim has been to retain as much of the existing text/language as possible so as to maintain consistency of understanding. However there are some areas which have not been reviewed as part of this process as they will be included as part of a future review, these include:

1. Members Code of Conduct - this Appendix and others which reference the Members Code of Conduct will be reviewed if Full Council approves the adoption of the Model Code of Conduct at its meeting in October 2021;
2. Terms of reference for the Health and Wellbeing Board – this will be reviewed as part of the development of the health alliance project;
3. Officer Code of Conduct – this has not been reviewed and is subject to a future review with the Trade Unions;

The terms of reference for the Overview and Scrutiny Committees (as detailed in Article 8) have not been reviewed however the delivery of the Council's scrutiny function as developed during the national lockdown has been included and is detailed within Appendix 5.

What is “new” to the revised Constitution?

Articles

Many of the Articles detail information which was already contained within the existing constitution however they may, the face of it appear to

be “new” additions as the various functions have now been broken down to separate areas. However:

1. Article 15B provides for the creation of an Investigating and Disciplinary Committee and an Appeals Committee for statutory chief officers;
2. Article 19 details the revised proposed constitution for York SACRE (Standing Advisory Council for Religious Education). This document cannot be approved by Council until such time as it is formally approved by SACRE;
3. Article 20 – York’s Commitment to Corporate Parenting publicises City of York Council’s commitment to its children and young people.

Appendices

Many of the appendices are “new” additions as these now include reference to the various protocols which did exist as part of the Council’s governance framework but had not been formally adopted into the constitution.

Some Appendices have also been re-written including Appendix 1 to provide for a much more detailed approach to the scheme of delegation compared to the existing high level approach. Others have also been included by way of good practice, for example the inclusion of an Ethics Statement at Appendix 13, Appendix 18 - Guidance to Councillors and Officers Appointed to Outside Bodies and Appendix 28 – Protocol on the production and content of Minutes of Meetings.

Implications

Financial

There are no financial costs associated with the Council’s Constitution however it should be noted that both the Contract Procedure Rules and the Financial Procedure Rules are both key core documents incorporated into the Constitution. Both of these Rules are reviewed by the Council’s s151 Officer and updates are provided to the Audit & governance Committee.

Human Resources (HR)

There are none directly associated with this report. However the Officer Code of Conduct is a key core document of the Council’s

Constitution. The Member Code of Conduct and Member Allowances Scheme are also key core documents contained in the Constitution. Training will be provided to both Members and Officers in respect of the constitution.

Equalities

The Council's Constitution is a public document and steps must be taken to ensure that it is easily accessible on the Council's website. Wherever possible the revised constitution has been written in plain English to ensure that it is capable of being easily understood.

Legal

The Local Government Act 2000 requires the Council to have in place a constitution which set out key principles such as various codes of conduct, standing orders, contract standing orders and scheme of delegations. The Local Government Act 2000 (Constitutions) (England) Direction 2000 offered additional clarity as to the core requirements for the basis of a constitution and also provided a modular constitution which councils could adopt. The Council's current constitution followed the format of the modular constitution. The Council does have discretion in respect of the format of its constitution.

It is good practice to ensure that, once adopted, the constitution is reviewed by the Audit & Governance Committee on an annual basis so as to ensure that it remains fit for purpose to support effective delivery of council services and promote robust decision-making principles.

The Council's Constitution is a public document and steps must be taken to ensure is it is accessible on the Council's website.

Crime and Disorder, Information Technology and Property

There are no crime and disorder or property implications associated with this report. The Constitution will be provided to Members and Officer electronically and the will be available on the Council's website to ensure it is publicly accessible, however printed copies can be provided on request.

ARTICLE 12 – SHAREHOLDER COMMITTEE

1 Purpose

- 1.1 The Shareholder Committee has been established by the Executive specifically to discharge the shareholder functions of the Council, in relation to those companies of which the Council is a shareholder.
- 1.2 The shareholder in this context is always the City of York Council, not the members of the Shareholder Committee themselves, or any Directors appointed to represent the Council on the boards of these companies.
- 1.3 The Shareholder Committee does not have day-to-day operational control over any of the companies of which the Council is a shareholder. The decisions which the Shareholder Committee is required to make in relation to a company are set out in the Shareholder Committee terms of reference, which is set out below and the Shareholder Agreement for each company. All decisions regarding the day-to-day operation of each company are the responsibility of the Directors of each company. In addition, the day-to-day liaison with the companies will be between the relevant client service of the Council and the Managing Director of each company.
- 1.4 There are two classifications of companies, which the Shareholder Committee regularly deals with:
 - 1.4.1 “*Teckal Companies*” – these are companies that meet all of the following three criteria:
 - a) There is no direct private capital participation in the company; in other words, either:
 - i. the Council is the sole shareholder in the company; or
 - ii. the shareholders are made up exclusively of public sector bodies, including the Council.

- b) The Council (either acting as the sole shareholder, or together with the other public sector owners) exercises effective control over the company's affairs; in other words, the same as the relationship between the Council (and the other public sector owners where applicable), and one of their internal directorates.
- c) The company must be inward not outward focussed; in other words, at least 80% of the activity of the company – that is, over 80% of its turnover – must be for the Council, and where applicable its other public sector owners.

1.4.2 “*Non-Teckal Companies*” – these are companies that fall outside the definition of a Teckal Company, as summarised above.

Due to their very nature, Teckal Companies require a much greater deal of oversight from the Shareholder Committee than their Non-Teckal counterparts.

2 Meetings of the Shareholder Committee

2.1 The Shareholder Committee will hold the following Meetings each year, each for the following purpose:

Purpose of Meeting	Frequency of Meeting	Does this apply to Teckal Companies?	Does this apply to Non-Teckal Companies?
To receive annual reports and annual accounts from companies	Once per annum	Yes	Yes
Performance Monitoring (subject to any alternative monitoring)	Twice per annum, as a minimum.	Yes	Yes (once per annum)

requirements set out within any shareholder agreement or contracts for goods/services/ works with the company)			
--	--	--	--

2.2 Any other Meetings of the Shareholder Committee will be called as and when required to deal with company business.

2.3 Minutes, Notices and Agenda of Shareholder Committee Meetings shall be sent to Shareholder Committee members at least 5 working days prior to the Meeting.

3 Composition of the Shareholder Committee

3.1 The Shareholder Committee is a Committee of the Executive, comprised of Executive Members appointed to it by the Executive. These individuals will be appointed to the Shareholder Committee in accordance with the Council Procedure Rules set out within the Constitution. Only members of the Executive who are not already appointed as directors on the boards of any companies in which the Council is a shareholder or the sole shareholder will be eligible to sit on the Shareholder Committee.

3.2 Only members of the Executive may sit and vote on any business laid before the Shareholder Committee.

3.3 A Chair and Vice-Chair will be appointed in accordance with the Council Procedure Rules set out within the Constitution.

3.4 A quorum of two and a maximum number of two Executive Members will be appointed to the Shareholder Committee. For the avoidance of any doubt, only members of the Executive who are not already appointed as directors on the boards of any companies in which the Council is a shareholder or the sole shareholder will be eligible to sit on the Shareholder Committee.

- 3.5 Substitutes, who must also be Executive Members, may be permitted at the discretion of the Chair.
- 3.6 In line with the arrangements for Executive meetings, the Leaders of each of the opposition groups, or their nominated substitute, will be invited to attend Meetings and be given full rights to participate in Meetings, although they will not be entitled to vote on any business laid before the Shareholder Committee.
- 3.7 A co-opted independent person will also be allowed to attend in the same capacity as set out above for opposition group Leaders or the substitutes, they too will not be entitled to vote on any business laid before the Shareholder Committee. The role of the independent person will be purely to provide a wider range of commercial and governance expertise to the Shareholder Committee.
- 3.8 The Chief Operating Officer, the Section 151 Officer and the Monitoring Officer (or their Deputies) will be in attendance as and when necessary unless their attendance is in the capacity as a Link Officer. A legal advisor from the Council's Legal Services team will attend as an advisor to the Shareholder Committee.
- 3.9 A CYC client officer ('Link Officer') will be nominated for each company and will undertake the activities set out in Annex 1. The Link Officer in relation to each company will attend meetings of the Shareholder Committee.
- 3.10 The Chair of the Shareholder Committee may from time-to-time ask other Officers to attend Meetings of the Shareholder Committee to present and provide expert advice on specific issues to the rest of the Committee. The Chair and/or those Officers may invite the additional advisors for this purpose. Again, if any such officers and/or advisors are asked to attend a meeting of the Shareholder Committee, they shall not be entitled to vote on any business laid before the Shareholder Committee.

3.11 The Executive Procedure Rules as at Appendix 4 of this Constitution apply to procedures and decision taking at meetings of the Shareholder Committee.

ARTICLE 19 - STANDING ADVISORY COUNCIL FOR RELIGIOUS EDUCATION

This is currently being considered by SACRE. Full Council is not able to adopt this in the absence of SACRE's confirmation.

The Constitution of the Standing Advisory Council for Religious Education (SACRE)

1 Membership of SACRE:

1.1 The Education Act 1996, provides for two forms of membership on SACRE, namely those nominated by the appropriate sponsoring Groups and formally appointed by the local authority, and who fall within one of the 4 Groups below; and those co-opted by SACRE.

1.2 The 4 Groups are as follows:

Group A:

Such Christian denominations and other religious denominations as, in the opinion of the Authority, will approximately reflect the principal religious traditions in the area.

In respect of Group A, section 390(6) Education Act 1996 states:

The number of representative members appointed to any representative group under subsection (4)(a) [referred to as Group A] to represent each denomination or religion required to be represented shall, so far as consistent with the efficient discharge of the group's functions, reflect broadly the proportionate strength of that denomination or religion in the area.

It is the responsibility of City of York Council to determine who should be included in Group A but this would ordinarily follow consultation with local faith communities and existing SACRE

members before a decision is made. SACRE does not have a legal right to veto the ultimate decision of the City of York Council however.

Membership of Group A (as at June 2021) is as follows:

- Bahai'i
- Humanist
- Jewish
- Methodist
- Muslim
- Religious Society of Friends/Quakers
- Catholic
- Salvation Army
- The Church of Jesus Christ for Latter Day Saints

Group B:

A groups of persons representing The Church of England.

Section 390(5) Education Act 1996 states:

“Where a representative group is required by subsection (4)(b), [referred to as Group B] the representative group required by subsection (4)(a) [referred to as Group A] shall not include persons appointed to represent the Church of England.”

Group C:

A group of persons to represent such associations representing teachers as, in the opinion of the authority, ought to be represented, having regard to the circumstances of the area.

Group D:

A group of persons representing the City of York Council. In this case of Elected Members appointment to this group should ensure political balance and state which political group they

Commented [SM1]: I agree that it makes sense to move from 3 to 2

Commented [BJ2]: Need to specify how many members are in this group

Commented [OS3R2]: There are currently 3 places
 Olivia Seymour
 Katharine harper
 1 vacancy

If it is helpful we could explore having 2 places rather than 3 as it is a single vote anyway

Commented [SM4]: We could ask for a representative from YSAB and I think it would be helpful to have an ITT rep

Commented [BJ5]: Need to specify how many members are in this Group

Commented [OS6R5]: I think it would be helpful to have something such as 'up to 5' this would enable a good cross section of primary/secondary/maintained and academy representation.

NASACRE handbook says The members of this group are usually representatives of professional teacher associations. It is usual for there to be representation also from the head teacher associations. It is the local authority that decides which associations will be invited to be represented. They will usually approach the teacher unions, but local associations of RE teachers may also be asked to provide a representative. Sometimes someone from a local teacher training establishment is also invited to be a member of this group, or someone representing the interests of local Academies or Free schools. Group

Commented [SM7]: I wonder if we did add in a school governor as the focus is on religious education – we have a governor on schools forum

Commented [SM8R7]:

Commented [BJ9]: Should this remain at 4?

represent. As an alternative, the Council may appoint representatives such as a governors association.

2 Term of Office

2.1 All Members of each Committee of SACRE shall sit for a 4 year term of office (unless they leave for the reasons as stated below) and will be subject to re-election by agreement of SACRE at its next meeting.

2.2 A member of the SACRE appointed by the City of York Council may be removed from membership by the Council if:

a) In the opinion of the Council, that person ceases to be representative of the denomination or association which s/he was appointed to represent or (as the case may be) of the Authority.

b) S/he is absent for a period of three consecutive meetings without reasonable grounds.

2.3 Any member of the SACRE may at any time resign his/her office by giving notice in writing to the Clerk of the SACRE.

2.4 Membership shall be continuous unless a member resigns by writing to the Clerk.

Note: Before appointing a person to represent any denomination or association as a member of SACRE, the City of York Council shall take all reasonable steps to assure themselves that a person so appointed is representative of the denomination or association in question.

3 Co-Opted Members of SACRE

3.1 SACRE shall have the right to co-opt to its non-voting membership such persons as it wishes; such co-options shall be for a period not exceeding three years.

4 Confirmation of Appointments by City of York Council

Commented [BJ10]: Should substitutes be allowed to attend

Commented [OS11R10]: It is rare for a SACRE constitution to include this. I have not come across it before in any SACRE I have sat on or worked with and there is a mixed message in some NASACRE documentation. I think it is challenging to allow substitutions particularly as it is hard to ensure any substitutes understand the legal framework they would be operating under and could cause challenges in voting situations.

Commented [SM12]: I agree let's not go with substitutes makes it difficult to achieve consistent attendance

Commented [BJ13]: I am going to presume that we do not support substitute members for any of the Committees

Commented [BJ14]: New addition to add clarity of length of appointment

Commented [SM15]: Do we want to have a process for inviting expressions of interest from prospective members of SACRE?

Commented [BJ16]: Do co-opted Members have voting rights? See below under Voting..

Commented [OS17R16]: It is not common for co-opted members to have voting rights and depending on the context of co-option could cause some issues given each committee only has one vote. This could mean 1 co-opted member has 1 vote and 8 full committee A members still only have 1 vote because of the legal framework for voting

The NASACRE handbook says Co-opted members may co-opt other members who have a particular expertise or represent a small local faith or belief community. Many bring in a Humanist representative, currently technically prevented by law from becoming full members of Group A. Co-opted members do not have voting rights

City of York Council Constitution
 Article 19: Standing Advisory Council for Religious Education

4.1 In accordance with the Council's Constitution, confirmation of appointments of SACRE Members shall be made by Full Council at its Annual Council meeting. Thereafter any changes or amendments to membership of SACRE will be considered by the Staffing Matters and Urgency Committee which has the appropriate council delegations for such matters.

5 Chair and Vice Chair

5.1 SACRE shall by election each year determine the Chair and Vice-Chair of the Committee from amongst its representative membership.

Commented [C1C18]: Not sure that this is how we are working? And it probably directly conflicts with 5.2

Commented [BJ19R18]: Yes this will need amending if we agree the terms of reference section -

5.2 The posts shall be held for a maximum period of four years (unless their membership of SACRE ends earlier as per the reasons stated in the Terms of Office section above). The Vice-Chair shall be a member of a different Group from that of the Chair. The election shall take place at the autumn meeting.

Commented [BJ20]: Content with this?

Commented [OS21R20]: I think there needs to be a mechanism for re-election. This can be helpful if there are members not engaging or contributing but causes a number of challenges if for example a Committee A member has to step down after 3 years but there isn't another member of that faith that can support. We have some members that have contributed to SACRE for a long time that you wouldn't want to lose. In the case of Committee B the DBE always includes the RE adviser as member of its SACREs to endure the link with RE advice and support for VC schools in SIAMS. Membership has always been an issue and I think this could exacerbate it

5.3 The Vice Chair shall have the following responsibilities:

- a) To preside over the meetings in the absence of the Chair;
- b) To participate in the agenda setting for each meeting.

Commented [BJ22R20]: Thanks Olivia – are your comments just limited to the 3 year term for the chair and vice chair? For example if a Ctee D CYC Councillor was to be the Chair then this could be for a maximum period of 4 years as he/she may lose the seat at the next election.

6 Voting

6.1 Where a vote is required, each Group will be allocated one vote. In order to facilitate this the Chair will consider a short adjournment in the proceedings to allow the members of each Group to meet, debate their views and propose how they wish to vote as the Group.

I am happy to write details under the Terms of Office Section that all Members of the Committee of SACRE shall sit for a 4 year term (unless they leave for the reasons as stated) and will be subject to re-election by agreement of the Committee at its next meeting etc? would that help?

Commented [OS23R20]: I think that works well, thanks Janie

Commented [BJ24R20]: Noted – see new additional wording in term of office section

6.2 Voting will be held on any item of business where it is proposed and seconded that a vote shall take place.

6.3 Determinations will always be decided by vote; a majority decision will be carried.

6.4 Where possible, decisions shall be by consensus. Voting may be by a show of hands, committee by committee, or where requested by any member, by secret ballot.

- 6.5 Where voting is tied, a no-decision vote will be recorded. Where there is a no-decision vote, at the Chair's discretion, further discussion and a further vote, may be allowed.
- 6.6 On any question to be decided by the SACRE only the representative groups shall be entitled to vote and each group shall have a single vote.
- 6.7 When any member asks that a decision be taken through the committee structure, SACRE shall break into its groups and each group shall determine how its representative shall vote in SACRE.

7 Functions and Duties

- 7.1 The main function of SACRE is to advise the local authority on collective worship in community schools or foundation schools which do not have a religious character and on religious education, to be taught in accordance with York's agreed syllabus.
- 7.2 It is the duty of SACRE to:
- a) Support the teaching of RE in accordance with the agreed syllabus through the provision of advice on, for example, methods of teaching, the choice of materials and the provision of training for teachers.
 - b) Such advice being made available to the head teachers of all schools in York.
 - c) Request a review of any agreed syllabus adopted by the authority through the convening of an Agreed Syllabus Conference.
 - d) Consider applications made by a head teacher that the requirement for collective worship in community schools and foundation schools which do not have a religious character to be wholly or mainly of a broadly Christian character shall not apply to the collective worship provided for some or all of the pupils in that particular school and to review such

determinations at the request of the head teacher or, not later than, a period of 5 years.

- e) Monitor the provision of a daily act of collective worship in all community schools and foundation schools which do not have a religious character and advise on the action to be taken to improve such provision.
- f) Report annually on the work of SACRE, a copy of the report being sent to Full Council. As well as the work undertaken, the report will also include details of:
 - o any matters in respect of which SACRE has given advice to the authority,
 - o broadly describe the nature of the advice given, and
 - o where any such matter was not referred to SACRE by the authority, give SACRE's reasons for offering advice on that matter.

8 Procedure

8.1 Conduct of Meetings

8.2 The procedures for the conduct of SACRE meetings are defined in the Standing Orders at Appendix of this Constitution

[NEED TO STATE HERE WHICH MEETING WILL BE THE ANNUAL MEETING – IS IT THE FIRST ONE OF THE YEAR]

9 Extraordinary Meetings

9.1 Extraordinary meetings will be arranged when requested by at least four individual members of SACRE. This request should be in writing and should give the reasons for holding such a meeting. At least seven days' notice will be given of any such meeting.

9.2 The Chair may also call an extraordinary meeting when required.

10 The Agreed Syllabus for Religious Education

Commented [OS25]: If this is linked to the annual report cycle and electing chair it is usually the autumn term meeting in most SACREs

Commented [SM26]: We've usually presented the annual report in November/December to link with school data

- 10.1 In accordance with current legislation SACRE may request, and will ensure, that the process for the review of the agreed syllabus for Religious Education, which is required to take place every 5 years, should commence.
- 10.2 Membership of the Agreed Syllabus Conference, which is in itself a separate legal entity, will consist of four committees representing:
- a) Christian denominations and other religions which reflect principal religious traditions in the area.
 - b) Church of England.
 - c) Teacher Associations as represented in York
 - d) City of York Council representatives
- 10.3 Any sub-committees appointed by the conference shall have at least one member from each committee constituting the Agreed Syllabus Conference.
- 10.4 SACRE will recommend to the Local Authority, and will oversee, the establishment, process and outcomes of the Agreed Syllabus Conference.
- 10.5 SACRE will monitor the Agreed Syllabus, provision and standards in RE. The outcomes of this process will help constitute the basis of revision of the Agreed Syllabus, which will be presented to the Agreed Syllabus Conference.
- 10.6 Any proposed modification of the Agreed Syllabus will require the reconstitution of the Agreed Syllabus Conference in accordance with 8.1 – 8.3 above.

11 Review of the Constitution and Code of Conduct

- 11.1 There will be an annual review of the SACRE constitution and code of conduct to ensure they remain fit for purpose.

Commented [OS30]: In other SACRES in the region the agenda is usually clerk, chair, vice chair and officers to SACRE. That has been the practice in York recently too

Commented [BJ31]: Content with this?

Commented [OS32R31]: I think this is helpful in case any legal advice/professional RE advice is needed

Commented [CIC33R31]: Is there a provision for 'urgent' as opposed to 'any other' business. I'd be content with these coming up to the day before the meeting.

- 4.2 Determinations will be accepted or rejected on a majority decision of each constituent committee and by a majority vote by SACRE.
- 4.3 If SACRE requires modification to a determination the school will be informed in writing and the modified application will be considered at the next SACRE meeting. An interim 'Chairs action' can be taken.

DRAFT

APPENDIX 2

An introduction to City of York SACRE

Why is there a SACRE?

In 1944, Local Education Authorities were empowered by law to set up a Standing Advisory Council for Religious Education (SACRE). In 1988, the Education Reform Act made it a legal responsibility for them to do so. The Education Act 1996 governs the constitution for SACRE which includes membership and roles and responsibilities.

What are the duties of SACRE?

The SACRE must:

- a) advise the LA on RE given in accordance with the agreed syllabus, collective worship, and on matters related to its functions, whether in response to a referral from the LA or as it sees fit
- b) have regard to any circumstances relating to the faith backgrounds of the pupils which are relevant for deciding what character of collective worship is appropriate when a school makes application for a determination
- c) publish an annual report on its work and on actions taken by its representative groups, specifying any matters on which it has advised the LA, broadly describe the nature of that advice, and set out reasons for offering advice on matters not referred to it by the LA
- d) send a copy of the report to NASACRE (National Association of SACRE's)
- e) meet in public unless confidential information is to be disclosed
- f) make minutes of its meetings available for inspection at the LA's offices (so far as the minutes relate to the parts of meetings that were open to the public). There are also provisions about public access to the agenda and reports for meetings.

The SACRE should:

- a) monitor the provision and quality of RE taught according to its agreed syllabus, together with the overall effectiveness of the syllabus, and collective worship
- b) provide advice and support on the effective teaching of RE in accordance with the locally agreed syllabus; provide advice to the LA and its schools on methods of teaching, the choice of teaching material and the provision of teacher training
- c) in partnership with its LA, consider whether any changes need to be made in the agreed syllabus or in the support offered to schools in the implementation of the agreed syllabus, to improve the quality teaching and learning of RE
- d) offer advice to the LA, and through the LA to schools, concerning how an existing agreed syllabus can be interpreted, and collective worship provided, so as to fit in with a broad, balanced and coherent curriculum.

The SACRE may:

- a) require its LA to review the agreed syllabus and, if after discussion a vote is taken on this matter, the LA group on SACRE is not entitled to cast a vote. A majority decision by the three other committees is sufficient
- b) decide to advise the LA on matters related to its functions to the LA – equally, an LA may decide to refer matters to its SACRE
- c) co-opt members who are not members of any of the four groups – such co-opted members may provide educational expertise, young peoples' views or religious and non- religious views that reflect a diverse multi-cultural society.

Attendance at meetings

SACRE members are expected to attend all meetings where possible and send apologies to the clerk when they are unable to attend. A SACRE member who fails to attend three consecutive meetings and does not send apologies will be

asked to stand down and an alternative representative will be sought.

Who sits on the SACRE?

The composition of the SACRE is defined by law. It is made up of four committees. Each local authority (LA) must establish a permanent body called a Standing Advisory Council on Religious Education (SACRE). It must appoint representatives to each of four committees, representing respectively:

- a) Group A: Christian denominations and such other religious and religious denominations as, in the authority's opinion, will appropriately reflect the principal religious traditions in the area
- b) Group B: The Church of England
- c) Group C: Teacher Associations
- d) Group D: The LA

Membership of each of the four groups which constitute the York SACRE are:

- a) Group A: Baha'i, Humanist, Jewish, Methodist, Muslim, Salvationist, Sikh, Society of Friends (single representative for each)
- b) Group B: Three representatives nominated by the Diocese of York.
- c) Group C: Teachers for religious education
- d) Group D: Four elected members of the LA.

What is the distinctive contribution of each committee?

Everyone shares the responsibility to put children's' learning before personal interest.⁵

Members of Groups A and B, each of whom represents a faith community within the locality: ⁶

Commented [BJ34]: This needs updating in line with the revised constitution

Commented [OS35]: It would be helpful if this section mirrored the wording in the NASACRE handbook which is updated. It is not very different but there are some changes
https://nasacre.org.uk/file/nasacre/SACRE_members_handbook-1.pdf

⁵ NASACRE Members Handbook

⁶ NASACRE Members Handbook

- a) should present and foster a positive image of their religion, so that negative stereotyping is avoided. They must also make clear any grounds on which they may differ from each other, whilst showing respect for each other's viewpoints, since such convictions and mutual understanding both lie at the heart of effective classroom RE;
- b) can create opportunities within SACRE meetings to raise awareness of issues of sensitivity in the teaching of RE to the children of their faith community, and also in the presentation of their particular faith and religious tradition within school RE, always taking an educational approach;
- c) should appreciate the difficulties schools are facing in the area, support their best endeavours, and act, where necessary, as a link between schools and the faith communities;
- d) should be aware of other local minority faith communities not represented amongst their number. Some SACREs address this by co-opting representatives from these communities.

Members of Group C, representing teacher associations and education, should:⁷

- a) have a real and positive interest in RE in primary, secondary or special schools;
- b) ensure that the needs of schools and teachers are considered by the SACRE in their discussions;
- c) provide the SACRE with information about the context in which RE is taught in the schools in the local authority;
- d) ensure that the bodies they represent are informed about the work of the SACRE and about RE in local schools;
- e) create opportunities for other teachers to learn more about the work of the SACRE and give them the opportunity to have their views expressed at SACRE meetings;
- f) consult their colleagues on matters of particular importance to the work of the SACRE;
- g) can bring 'public' dimensions to the debate about RE provision and support.

Members of Group D, representing the local authority: ⁸

⁷ NASACRE Handbook

⁸ NASACRE Handbook

- a) can bring to the meeting the breadth of educational issues and concerns which elected members are wrestling with, and place RE's role within it;
- b) can be the supporters of RE within the various committees and structures of the local authority;
- c) can give political support to enable locally determined RE to flourish within each LA, including advisory support etc.;
- d) can appreciate the issues raised by a multi-faith, multi-cultural society for the education of children in RE, and reflect these issues in support of RE in the relevant council structures, including Scrutiny Committee, Executive, etc.;
- e) can particularly support the efforts of the SACRE to be effective through publicising its work with fellow elected members and officers of the local authority, ensuring it is taken seriously and is appropriately funded and supported.

Voting

On any question to be decided by the SACRE, its constituent groups each have a single vote, but co-opted members do not have a vote.

Decisions within a group do not require unanimity.

Each group must regulate its own proceedings, including provision for resolving deadlock.

Election of chair and vice-chair

Members of groups A, B, C and D shall vote individually for the election of a chair and vice- chair from within their collective membership at the first SACRE meeting of a new school year.

How often must a SACRE meet?

There are no requirements to meet for a certain number of times but meetings are usually held once a term. More meetings may be scheduled if the business is considered to be urgent or requiring more discussion time than is possible in the regular meeting/s.

Commented [BJ36]: Ensure this is consistent with the revised constitution

Commented [BJ37]: The constitution indicates will meet 3 times each year

It is important to attend because no decisions can be made unless there is at least one person present from each committee in order to cast that committee's single vote. Co-opted members do not have a vote.

How is the SACRE managed?

It is the LA's responsibility to set up a SACRE and this implies it also has a duty to fund it. Funding for SACRE's varies across the country, but in this authority there is no specified budget. The SACRE applies for funding as and when it identifies a need.

The SACRE is serviced by a clerk, provided by the City of York Council Democratic Services Team who is a contact within the authority for SACRE matters, takes minutes of the meetings and provides administrative support.

The LA can make the decision on how the chair of SACRE may be appointed or it may allow the SACRE to choose the chair from amongst their members.

This SACRE is serviced by a Local Authority adviser from York's Effectiveness and Achievement Team, **who:**

- a) may advise the SACRE and LA
- b) ensures that the decisions of the SACRE are moved forward
- c) oversees the monitoring of RE and collective worship in schools
- d) oversees the development of the Agreed Syllabus and its implementation
- e) offers support and advice to teachers and schools through training and consultancy
- f) writes the SACRE annual report.

What is an Agreed Syllabus Conference (ASC)?

An ASC is convened in order to produce an Agreed Syllabus for RE. It is a separate legal entity from a SACRE.

Although a review of the locally Agreed Syllabus is required within five years of the last review, if the majority of the committees

Commented [SM38]: From September I'll be picking this up - I covered it before Mike J took it on

Commented [BJ39]: Check who this is from Education Service

Commented [OS40R39]: If there is not a professional RE adviser the LA adviser would need to fulfil or look at who fulfils those aspects
<https://nasacre.org.uk/file/nasacre/SACRE%20officers-1.pdf>

(other than Committee D) ask the LA in writing to reconsider its Agreed Syllabus it must convene a conference for that purpose.

An ASC:

- a) Is a separate legal entity in itself
- b) Contains the same committees as the SACRE
- c) Can be made up of SACRE members but need not do so
- d) There is no provision for co-opted members
- e) The chair of the ASC can be appointed by the LA or the LA may allow the ASC to choose its own Chair.

The LA's responsibility to convene the ASC implies a duty to provide funds for its work.

What other activities might the SACRE be involved in?

- a) convene working parties of SACRE members and teachers
- b) produce guidelines for schools, such as: schemes of work; programmes of study; assessment guidance; resource lists including visits and visitors; policy documents; teaching and learning strategies; RE and the early years; RE and post 16; RE and SEN; SMSC; recording and reporting
- c) keep up to date with Ofsted reports; what is happening with SACREs in other areas (NASACRE and Analysis of SACRE reports)
- d) monitor action plans
- e) receive reports on local activities such as exam results; displays; exhibitions; 'special days';
- f) acknowledge schools on their achievements and encourage those who need it through visits; certificates; letters; invitations to talk to SACRE; listening
- g) visit schools to: experience an RE lesson or an act of worship;
- h) presentations to SACRE by teachers
- i) find out more about the faiths or non-faith stances of: members of SACRE; the faiths identified in the agreed syllabus
- j) recognise and seize opportunities to raise the profile and status

Commented [SM41]: I think this would be for the SACRE handbook/guidance document rather than here

Commented [BJ42]: Is this correct?

Commented [OS43R42]: It's not in any of the official NASACRE documentation. Although some of these are good ideas I wonder if it needs to be in here?

of RE

- k) ensure schools are kept up to date with both local and national initiatives and information which will support them in their situation
- l) address the issue of schools' non-compliance with legal requirements
- m) organise SACRE training days and lectures
- n) ensure that the LA are fully aware of the duties and responsibilities of SACRE so that they may make informed decisions regarding policy and budget
- o) ensure that SACRE is represented on national bodies and at national courses/conferences
- p) write a development plan to ensure the SACRE 'moves forward' and is effective in carrying out its duties and tasks.

APPENDIX 3

- d) support the work of SACRE by representing its interests in City of York Council

Commented [SM45]: I think that these sections should come out and we go with the general principles in this document

Commented [BJ46]: Is this still relevant and to be included or just happy with the general principles?

Commented [OS47R46]: I think this is a helpful reminder to members about their role and responsibilities. It is also helpful as part of inducting new members

Commented [BJ48]: Is this still relevant or content with general principles?

ARTICLE 20 - YORK'S COMMITMENT TO CORPORATE PARENTING**1 Introduction**

- 1.1 City of York Council looks after a number of children and young people who are unable to remain in the care of their parents. When a child comes into our care the tasks of their parents become the corporate responsibility of the Council. This is known as 'corporate parenting' and it is the collective responsibility of the Council to prioritise the needs of children in care and seek for them the same outcomes any good parent would want for their own children.

2 Purpose of the Board

- 2.1 To actively listen to the views of our children and young people so that the Council is able to adapt its corporate parenting in line with their wishes, feeling and needs.
- 2.2 To act as a forum where our young people are able to hold Members and Officers to account as their parents.
- 2.3 To raise the awareness of the Council's Corporate Parenting responsibilities and knowledge among elected Members and officers.
- 2.4 To support and make recommendations to relevant Council bodies on matters related to corporate parenting.

3 York Vision for Children and Young People in Care and Care Leavers

- 3.1 We are committed to York being an effective, caring, and ambitious corporate parent and we will do everything we can to make sure that children in our care and care leavers receive the best possible care and support.
- 3.2 The overarching vision of City of York Council is "A better start for children and young people" and we look to achieve this

through our mission statement; “every conversation starts with the child.”

The Council highly values their experiences and we are committed to acting on what they tell us and involving them in decisions that affect their lives.
- 3.6 Our Corporate Parenting and Children in Care Strategy sets out our ambition for our children and young people and care leavers and how we intend to fulfil our corporate parenting responsibilities and strategic priorities in a way which puts children and young people and care leavers at the centre of improvements in the planning, delivery and evaluation of our services.

Appendix 1 – Responsibility for Functions / Scheme of Delegation

Introduction

1. The Council has adopted the Leader and Executive (executive) (England) governance model. The Executive consists of the Leader of the Council (who is appointed by full Council and may be removed by it) and 2 or more councillors appointed to the Executive from time to time by that Leader. The executive of City of York Council is described as 'the Executive'.
2. In accordance with the law, any function of the Council which is not otherwise specified in legislation is an 'executive function' and is the responsibility of the Leader and Executive. The Leader and Executive are responsible for all of the Council's functions (including local area functions), except those which are required by the law or this Council's Constitution, to be the responsibility of the Council itself, or any other non-Executive part of the Council. Executive functions are regarded as exercisable by the Executive (or officers or individual Executive Members) on behalf of the Council and may not be exercised by the Council.
3. Such Executive functions may be discharged in accordance with provisions made by, or under, this Constitution or the law, in particular the Local Government Act 2000, Public Involvement in Health Act 2007, Localism Act 2011 and associated Regulations.
4. Legislation specifies particular non-executive functions which cannot be the responsibility of the Executive, and also local area functions which may be allocated to be the responsibility of the Executive, but do not need to be. All local choice functions which are not otherwise allocated under this Constitution are the responsibility of the Leader and Executive.
5. The Leader may personally discharge functions which are the responsibility of the Executive or arrange for their discharge by the

Executive, another member of the Executive, a committee of the Executive, a joint committee or by an officer. The Leader may change these arrangements from time to time. Unless the Leader otherwise directs, the Executive itself may also arrange for the discharge of any of its functions by a committee of itself, a joint committee, individual Executive Member or by an officer.

6. This scheme reflects the assignment of functions by either the Council (in respect of matters which are not executive functions) or by the Leader of the Council or Executive (in respect of matters which are the responsibility of the Executive as appropriate to the particular function. In relation to delegation to officers, the scheme does not distinguish between the two sources of delegation.
7. Responsibility for the functions of the Council and Executive is delegated or assigned as set out in the following provisions of this scheme as updated from time to time, and such delegation/assignment includes the power to do anything which is calculated to facilitate or is conducive to the discharge of those functions.
8. The provisions of this scheme take account of the requirements of the Local Government Act 2000, the Local Government and Public Involvement in Health Act 2007, Localism Act 2011 and relevant legislation including Regulations in the assignment of functions to the Council itself, to the Leader/Executive, to other Committees or Panels. They take account of any prohibitions, restrictions or local choice in the assignment of these functions.
9. The Council, the Leader of the Council, Executive, individual Members, Committees or Panels to which functions are assigned, shall act in accordance with the law and the provisions of the Council's Constitution, including any Standing Orders, Procedure Rules, Financial Regulations and protocols approved from time to time (except those joint committees or any other member bodies regulated by separate constitutions).

10. Those functions reserved to the full Council itself are not to be delegated or assigned except as permitted under the law or this Constitution.
11. Each body or person having decision-making powers (a 'Delegate') shall implement and act within the policies of the Council, having regard to the advice of the Director of Governance who is the council's Chief Legal Officer and Chief Finance Officer as necessary.
12. Each Delegate shall have the power to delegate further to an officer all or any of the functions delegated to it. Subject to a written scheme of delegation recording this and being shared with the Monitoring officer
13. A Delegate may decide not to exercise any function in relation to a particular matter and invite the Council, Leader of the Council or Executive (depending upon whether the function is the responsibility of the Executive or any other appropriate body as the case may be to do so instead.
14. The functions, powers and duties are delegated to Officers in accordance with the scheme of delegation to Officers.
15. Meanings:
 - a) Executive (executive) functions shall mean those functions that by law must be the responsibility of the Executive.
 - b) Non-Executive functions shall mean those functions that by law must not be the responsibility of the Executive.
 - c) Local Choice functions shall mean those functions that the Council may decide to exercise itself or delegate to any part of the Council including the Executive.
 - d) Responsibility of the Executive shall include those matters which are Executive (executive) functions, or local choice functions which have been delegated to the Executive.

Principles of Delegation

16. The principles guide the allocation of responsibility for decision-making at Executive Member and Chief Officer Level.
17. In respect of matters delegated from Executive to individual Executive Member, the focus would be on policy issues within the policy and expenditure frameworks agreed by Council/Executive:-
 - a) Policy matters, internal to the service, and required to provide guidance to officers to ensure significant policy decisions are implemented
 - b) Details of policy matters delegated by Executive once principles have been agreed
 - c) Expenditure items not specifically detailed within Service Plans but not sufficiently significant in scale to refer to Executive
 - d) Responses to consultation documents not referred to Executive.
18. In respect of matters delegated from Executive to Chief Officers in consultation with Executive Members, the focus would be on service management issues with policy or political implications (no surprises policy).
 - a) Significant management decisions which could have an adverse or controversial impact on the delivery of services or achievement of agreed targets
 - b) Development of Service Plans and Policy Statements for consideration by Executive
19. In respect of matters delegated from Executive to the Chief Operating Officer or Chief Officer these would relate solely to the management of services and resources covering:-
 - a) Management of services within the framework of the Council Plan, Service Plans and Council policies and standards agreed by Members

- b) Management of resources within the framework of the corporate strategies (i.e. Financial, Information & Communications Technology, Procurement, Human Resources and Asset Management) agreed by Members.

Scheme of Delegation

Aims

- 20. Democratic accountability should be the key aim of the Scheme of Delegation together with:
 - a) Member authority for policy/strategic decisions
 - b) Effective scrutiny of policy/strategic issues
 - c) Officer responsibility for service delivery
 - d) Effective monitoring of service performance.

Member Advantages

- 21. The Scheme of Delegation details below the decisions to be taken at the different levels. For Executive Members it will deliver the:-
 - a) Ability to control key/strategic decisions in Council and Executive
 - b) Opportunity to consider and shape policy within the Executive
 - c) Involvement in Council Plan/Budget formulation.

- 22. For individual Executive Members the advantages are:-
 - a) Enhanced authority and responsibility to implement policy within agreed frameworks
 - b) Increased ability to take speedier policy decisions
 - c) Greater involvement in shaping service delivery in line with policy
 - d) Improved information on service activities and executive decisions

- e) Protection of personal positions and interests through collective responsibility in Council/Executive and support from Chief Officers.

23. Other Councillors will see improvements through:

- a) Greater involvement, given the range of decisions proposed for Council
- b) An enhanced role through membership of Overview and Scrutiny Committees
- c) More responsibility for inspecting and monitoring service delivery within their local area
- d) Increased influence in shaping partner organisation activity.

Member-Officer Relationships

24. The Scheme of Delegation will only work effectively if there is mutual understanding and trust between Members and Officers. However, to support the Scheme of Delegation and particularly where matters are delegated from Executive to Executive Member and Chief Officers, it is suggested that:

- a) 'Service Plans' should be of sufficient detail to provide an effective framework for decisions
- b) Information on service delivery should be enhanced to ensure that members know what is going on without having to ask
- c) Protocols, or sets of criteria, for the detailed implementation of specific policy or service areas should be agreed between the Executive Member and Chief Officers
- d) The principle is reinforced that Chief Officers err on the side of caution in informing members of decisions that might have political implications, including any advice given to Members. Decisions delegated to officers within departments are dealt with in a structured way with proper records and audit trails so it is clear who is responsible and what the reasons were for the decisions.

Officer Scheme of Delegation

General Principles of Officer Delegations

1. The delegations set out below apply to both Executive functions and non-Executive functions.
2. Functions delegated to officers are to be exercised in compliance with other parts of the Constitution (including the restrictions on use of delegated powers set out in this Appendix of the Constitution) and in accordance with the budget and policy framework.
3. Functions delegated to officers shall also be exercised having full regard to:
 - a) Any advice given by the Chief Operating Officer & Head of Paid Service;
 - b) Any financial advice given by the Chief Finance Officer appointed under section 151 of the Local Government Act 1972;
 - c) Any legal advice given by the Director of Governance & Monitoring Officer; and
 - d) Any statutory codes or guidance, and any policies or protocols as may be approved by the Council and Executive.
4. “Function” is to be construed broadly and includes the doing of anything which is calculated to facilitate or is conducive or incidental to the discharge of any of the specified functions. Where functions are delegated, these should be taken to include all powers and duties necessary to carry out those functions under all present and future legislation and all incidental powers including power to serve statutory notices (after consultation with the Director of Governance & Monitoring Officer) where specified, and carry out works in default.
5. The Chief Operating Officer and Chief Officers are not required to exercise all delegations personally and may authorise officers of suitable experience and seniority to exercise delegated powers on his/her behalf. The Chief Operating Officer and Chief Officers must maintain a list of all such authorisations, as part of a comprehensive Directorate Scheme of

Delegation and a copy of which must be shared with the Director Governance & Monitoring Officer.

6. The fact that a function is delegated to the Chief Operating Officer and Chief Officers under this scheme does not preclude the Executive or an Executive Member (for Executive functions) or the Council or a Committee (for non- executive functions) from exercising the function in question.
7. The Chief Operating Officer and Chief Officers may refer any matter to Full Council, the Executive, an appropriate Committee of the Council or an Executive Member for decision at their discretion. The Chief Operating Officer and Chief Officers should exercise this discretion if in their opinion:
 - a) the matter is of significant political impact where Members might be expected to be accountable to the electorate for the decision;
 - b) it is a matter of substance relating to a key or significant project;
 - c) where significant risks have been identified in proceeding with the issue;
 - d) where there is a significant deviation from the original intention of a proposal previously reported to Members; or
 - e) the decision could have significant consequences for another directorate.
8. The Chief Operating Officer and Chief Officers have responsibility to report to Council, Executive, the appropriate Committee or Committee Chair or appropriate Ward Members matters that are of particular significance where that body or person is not required to make a decision but where it is proper for them to be aware of the position.
9. In the absence or the unavailability of an officer, any function delegated to that officer may be exercised by an Officer acting as their deputy either generally or in relation to a particular service area.

10. For the purposes of this Constitution, the reference to Chief Officer shall include the Chief Operating Officer, a Corporate Director, Director and Assistant Director only.

Restrictions on the use of Delegated Powers

11. All delegated decisions must be taken in compliance with the Constitution, the budget and policy framework, Financial Procedure Rules and Contract Procedure Rules. All decisions are recorded by the Democratic Services.
12. The Chief Operating Officer and Chief Officers may, within the approved budget, therefore, exercise all matters of day-to-day administration and operational management of the services and functions for which they are responsible to the Council, the Executive or a committee which delegation shall include taking and implementing decisions including in particular any decision which is not a key decision and which is concerned with maintaining the operation or effectiveness of those services or with a matter incidental to the discharge of the Council's functions or which falls within the scope of a policy decision taken by the Council.
13. The scheme does not delegate to Chief Officers or any Officer any key decisions or delegate matters to individual Members of the Council's Executive. Key decisions are defined in Article 7 of this constitution.
14. All powers and duties that the Chief Operating Officer or any Officer is authorised to exercise or perform must be exercised or performed on behalf of and in the name of the Council and in accordance with the Constitution.
15. Where any matter involves professional or technical considerations not within the sphere of competence of the Chief Operating Officer and Chief Officers or other Officers they must consult the appropriate professional or technical Officer of the Council before authorising action.
16. Appointments to act as authorised or proper Officers must be made by the Director of Governance & Monitoring Officer unless specified later in

this Scheme.

17. The Director of Governance & Monitoring Officer is appointed to act as authorised or proper Officer for the purposes of any Act of Parliament or statutory instrument where qualified to do so and another Officer has not been appointed.
18. The Director of Governance & Monitoring Officer may appoint other Officers to act as authorised or Proper Officers for the purposes of any Act of Parliament or statutory instrument and to appear on behalf of the Council in proceedings before the Magistrates or County Court.

Appendix 2 - Petitions Scheme

- 1 City of York Council is committed to involving local people in its decision making. For some years, it has been operating a public participation scheme enabling members of the public to attend meetings and speak on an issue. It has also responded to petitions from the public, received in an number of ways e.g. through a Ward Councillor submitting a petition on behalf of a constituent or by a resident submitting one direct to a council office by post/hand. As part of its approach to petitions, the Council has also introduced an ePetitions facility, providing another way in which a particular issue can be brought to the attention of Councillors.

- 2 Through this Petitions Scheme, the Council is making a commitment to:
 - Enable anyone who lives, work or studies in the local authority area to organise and submit a petition either on paper or electronically
 - Respond to the concerns raised within a petition
 - Review its handling of a petition where a lead petitioner believes it has not been dealt with in accordance with this scheme.

- 3 To support the scheme, the Council has:
 - Set a low threshold of ten signatures on the number of petitioners to enable as many valid local opinions to be heard as possible
 - Provided an ePetitions facility to enable those who want to, to create their petition on line and allow others to sign it electronically

4 Petitions Not Covered By This Scheme

4.1 This scheme does not cover petitions which:

- a) Relate to a planning or licensing application – in this case a petition will be referred to the relevant decision maker
- b) Relate to matters where there is a legal right to seek a review or appeal
- c) Respond to a public consultation organised by the Council – in this case a petition will be referred to the decision maker
- d) Relate to matters which are of a defamatory or discriminatory nature, personal attacks on identifiable individuals or disclosure of confidential or personal information, particularly where appropriate the lead petitioner will be directed to the most appropriate route for raising such concerns with the Council.
- e) The Council's Monitoring Officer, acting in consultation with the Chief Operating Officer, considers to be vexatious i.e. a petition with insufficient substance to merit action and the use effective use of public resource, abusive or otherwise inappropriate

4.2 In addition to these rules where a petition has resulted in a debate at a meeting of Full Council, the Council will not hold a further debate in response to a petition which the Lord Mayor considers to be substantially similar within a period of two years.

4.3 During the period leading up to a local or national election the Council may temporarily suspend the hosting of e-petitions or delay holding debates.

5 Submitting a Petition

Paper Petitions

- 5.1 Paper petitions can be submitted via a number of routes e.g. via a Ward Councillor, by post or hand delivered to the Council Offices.
- 5.2 Paper petitions handed in to a Ward Councillor are normally presented at Full Council and then passed to a senior officer within the relevant Directorate and referred to the Customer and Corporate Services Scrutiny Management Committee. Those that come directly into the Council Offices are also referred to the Customer and Corporate Services Scrutiny Management Committee.
- 5.3 Paper petitions should contain the details of the petition on the front of each sheet so that it is clear that each signatory has responded to identical wording.

6 ePetitions

- 6.1 All ePetitions submitted to the Council must:
- a) Include a clear and concise statement covering the subject of the Petition.
 - b) State what action the petitioners wish the Council to take.
- 6.2 The ePetition organiser will need to provide us with their name, postal address including postcode, email address and contact telephone number. The name of the petition organiser (but no other contact details) will be published alongside details of the petition.
- 6.3 The ePetition organiser will also need to decide how long their petition will be open for signatures. Most ePetitions run for six months, but it can be a shorter or longer timeframe, up to a maximum of 12 months.

- 6.4 When an ePetition is created, it may take up to five working days before it is published online. This is because we have to check that the content of the ePetition meets the guidelines before it is made available for signature.
- 6.5 The relevant Executive Member will be advised of the publication of any e-petition relating to his or her service area.
- 6.6 If a petition does not follow the guidelines set out above, or if we need clarification on any issues raised within an ePetition, we will contact the ePetition organiser within 5 working days of receipt to explain.
- 6.7 We will also contact the ePetition organiser if we feel we cannot publish an ePetition for any reason, and where possible, we will offer assistance to change and resubmit it.
- 6.8 If the required clarification is not provided, or if an ePetition that we cannot publish is not re-submitted within 14 days, a summary of the ePetition and the reason why it has not been accepted will be published under the 'rejected petitions' section of the Council's ePetitions facility.

7 How to 'sign' an ePetition

- 7.1 An individual wanting to sign an ePetition, will be asked to provide their name, address and postcode, plus a valid email address. They will then receive an email containing a link which they must click on in order to confirm their email address is valid. Once this step is completed their 'signature' will be added to the ePetition.

NB: Anyone viewing an e-petition will only be able to see the names of those who have signed - no contact details will be visible.

- 7.2 All ePetitions currently available for signature on the Council's website can be viewed at:
<http://democracy.york.gov.uk/mgePetitionListDisplay.aspx?bcr=1>

8 How will the Council respond?

- 8.1 Within 5 days of a petition being received or of an ePetition being closed to signatories, we will send acknowledgement to the petition organiser, providing information on when they can expect to hear from us again and what process needs to be followed.
- 8.2 Our response will depend on what the petition/ePetition asks for and how many people have signed it but details of the petition will be referred to our Customer and Corporate Services Scrutiny Management Committee (CCSMC) who may decide a range of potential actions, including:
- a) Requesting a detailed report on the issues;
 - b) Noting receipt of the petition and proposed action;
 - c) Requiring the Executive Member or person taking any decisions on the matter to attend a meeting and answer questions;
 - d) Undertaking a detailed scrutiny review, gathering evidence, hearing from witnesses and making recommendations to the appropriate person or Member making the decisions;
 - e) Referring the matter to Full Council for debate according to the significance of the issues
- 8.3 CCSMC will have the right to call for reports and undertake reviews in relation to petitions where it is concerned that they have not been dealt with properly.
- 8.4 The relevant Executive Member may also be required to consider the petition to agree appropriate actions, depending upon the

issues raised.

- 8.5 If the petition/ePetition is about something over which the council has no direct control e.g. the local railway or hospital, we may refer it to the Council's relevant partner organisation, and where appropriate, may work with them to respond to the petition.

9 Getting Involved When Your Petition Is Considered

- 9.1 A petitioner may choose to attend any meeting where their petition/ePetition is to be considered to listen to the debate, or register to speak at the meeting via the Council's Public Participation Scheme. This scheme enables participants to address Councillors before they debate the issues raised.

10 What happens next?

- 10.1 The petition/ePetition organiser will receive notification of the outcome of their petition. Where a petition/ePetition has been considered at a public meeting, information on the related decisions will be made available electronically via the meeting minutes published online. It will also be possible to track the implementation of any actions arising from them, via the online committee management system.

- 5.13 The agenda for each meeting of an individual member of the Executive will follow the same format as that for a meeting of the Executive including the same arrangements for items which require the exclusion of the press and public.

6 Publication of Agendas

- 6.1 Unless otherwise prescribed by this Constitution, all Agenda's will be published in accordance with the legislative requirements and the Access to Information Rules at Appendix 7 of this Constitution.

7 Consultation

- 7.1 All reports to the Executive on proposals relating to the budget and policy framework must contain details of the nature and extent of consultation, and the outcome of that consultation.
- 7.2 Reports about other matters will set out the details and outcome of consultation as appropriate. The level of consultation required will be appropriate to the nature of the matter under consideration.

8 Items on the Executive agenda

Items from Officers

- 8.1 All reports presented to the Executive for a decision will be in the name of the relevant Chief Officer and the relevant Portfolio Holder.
- 8.2 All reports must contain relevant information and professional advice or opinion of appropriate officers including the statutory officers.

Items from the Leader of the Council

- 8.3 The Leader of the Council may place on the agenda, (following the published procedures contained within this constitution relating to publication, format of reports etc.) of any Executive meeting any matter which s/he wishes, whether or not authority has been delegated to the Executive, a committee of it or any member or officer in respect of that matter.
- 8.4 The Chief Operating Officer will comply with the Leader's requests in this respect.

Items from Executive Members

- 8.5 Executive Members may place items on the agenda, with the consent of the Leader of the Council.

Items required by statutory officers

- 8.6 The Monitoring Officer and/or the Section 151 Officer may include an item for consideration on the agenda of an Executive Meeting and may require the Chief Operating Officer to call such a meeting in pursuance of their statutory duties.
- 8.7 If there is no meeting of the Executive soon enough to deal with the issue in question, then the person(s) entitled to include an item on the agenda may also require that a meeting be convened at which the matter will be considered.

Appendix 5 - Scrutiny Procedure Rules

1 Quorum

- 1.1 Customer & Corporate Services Scrutiny Management Committee and all other scrutiny committees will not transact any business unless at least four members are present.

2 The Party Whip

- 2.1 The party whip is defined as *“any instruction given by or on behalf of a political group to any Councillor who is a member of that group as to how that Councillor shall speak or vote on any matter before the Council, committee or other body appointed by it, or the application or threat to apply any sanction by the group in respect of that Councillor should s/he speak or vote in any particular manner.”*
- 2.2 When considering any matter in respect of which a member of an overview and scrutiny committee is subject to a party whip the member must declare the existence of the whip, and the nature of it before the commencement of the committee’s deliberations on the matter. The declaration, and the detail of the whipping arrangements, shall be recorded in the minutes of the meeting.

3 Chairs of overview and scrutiny Committees

- 3.1 The Council will appoint the Chairs and Vice-Chairs of Overview and Scrutiny Committees.
- 3.2 Chairs and Vice-Chairs of Sub-Committees will be appointed by the Committee establishing them.
- 3.3 Where the Committee establishes a Sub-committee or Working Group, the Committee will appoint a Chair (and, if necessary, a Vice-Chair).

- 3.4 Membership of a Sub Committee or working Group will be from Members of the parent Scrutiny committee.

Proportionality

- 3.5 All Scrutiny committees and Sub-Committees will be established in accordance with the political proportionality principles. However any informal Working Groups will not be the subject of proportionality.

- 3.6 Government Statutory Scrutiny Guidance (2019) promotes the four core principles for effective scrutiny originally proposed by The Centre for Governance and Scrutiny namely:

- a) Provide constructive 'critical friend' challenge;
- b) Amplify the voices and concerns of the public;
- c) Be led by independent people who take responsibility for their role;
- d) Drive improvement in public services.

- 3.7 Each Committee within the existing structure will meet in public on a staggered, quarterly basis. These quarterly meetings will principally be focused on the 'overview' function, e.g. receiving performance & monitor type reports and identifying areas for further work.

- 3.8 Informal meetings will continue but will be re-designated as Forums rather than Committees and will take place quarterly between public Committee meetings. The initial Forum of each municipal year will be used as an opportunity for the Committee to meet with the relevant Executive Member to discuss the development of a work programme for the forthcoming year. Thereafter Forums can be utilised as these can be used as task groups to undertake work to inform a work topic or piece of

research as part of a committees' work programme.

- 3.9 There will be two additional slots every month for potential public Scrutiny meetings. One will be dedicated for a 'commissioned' policy development / pre-decision scrutiny and the second will be used for CSMC Call-ins or a second 'commissioned' meeting. Call-in will continue to function in the usual way and must be requested using the call-in pro forma. The additional public Scrutiny meetings will be commissioned through CSMC following discussion with Executive Members, Corporate Management Team (CMT) and Scrutiny Chairs.
- 3.10 A Scrutiny Chairs' and Vice Chairs Forum will meet bi-monthly to discuss work-plans after these have been agreed by the Committee.
- 3.11 The Forums will be a place in which the members of the Corporate Management Team and Executive Members can speak about their plans longer term and identify potential areas for policy development and pre-decision Scrutiny. Forums will discuss and manage their Quarterly Committee's work plans and make recommendations for policy development and pre-decision input to CSMC.
- 3.12 Scrutiny Chairs, in liaison with CMT and Executive will identify the most appropriate timescales to recommend pre-decision and policy development meetings on particular topics and CSMC will then 'commission' a Scrutiny Committee to undertake a discreet piece of work which will either come back to CSMC or make a recommendation to a meeting of the Executive or Executive Member Decision Session.
- 3.13 Executive Members, CMT and appropriate Officers will attend Forums and Committee meetings as required.
- 3.14 Reports will be published in advance of meetings wherever possible. Where this is not possible (e.g. due to short notice) this

will be with the agreement of the Chair / Vice Chair.

- 3.15 Reports and Information will be provided to Members in advance of Forum meetings wherever possible but this cannot be guaranteed.

4 Agreeing New Scrutiny Topics

- 4.1 In order for a scrutiny review to be carried out Councillors must complete a topic registration form outlining the reasons behind the need for the review. Councillors can do this in writing or online through their 'Work to Do' area on the Council intranet.

- 4.2 New topics are added to the scrutiny committees work plan for consideration at a Scrutiny Chairs Forum, which is coordinated and support by CSMC.

- 4.3 For each topic the Scrutiny Chair's and Vice Chair's Forum may decide, with the coordination and support of CSMC, to:
- a) defer a decision until such time as further information is available which may influence that decision.
 - b) decide not to carry out a review of the registered topic. In which case, the reasons will be recorded in the minutes of the meeting to inform any decisions about topics registered in the future.
 - c) decide to proceed with a review. The new review will be added to the committee's work plan following consultation with the Chair and Vice Chair of the CSMC.

5 Carrying Out a Scrutiny Review

- 5.1 Common Practice
- 5.2 All scrutiny committees can:

- a) carry out a review or appoint a task group from within their membership, to carry out the review on their behalf. Alternatively a task group can be formed to examine specific aspects of a review and report back its findings to the Committee.
- b) appoint non-voting co-optees for the duration of a review. Such co-optees will be chosen for their relevant professional knowledge, expertise and/or where their involvement will ensure that the views of local residents or interested parties are represented. All co-opting arrangements shall be subject to periodic review by the Customer & Corporate Services Scrutiny Management Committee.
- c) seek the advice of an Expert Advisor (one who has previously been identified to support the work of the Scrutiny Committee based on their relevant academic knowledge), and may pay them expenses for doing so.
- d) hold enquiries, go on site visits, conduct public surveys, hold public meetings, commission research and do all other things that they reasonably consider necessary to inform their deliberations, subject to budget availability.
- e) ask any external consultants / witnesses to attend to address them on any matter under consideration and may pay them a reasonable fee and expenses for doing so - see Witness Charter in Annex 4.
- f) require any Councillor (including Members of the Executive) or Officers to attend a meeting to explain about matters within their remit. It is the duty of those persons to attend if so required and they may be

required to answer questions relating to:

- any particular decisions or series of decisions;
- the extent to which the actions taken implement Council policy;
- their performance.

Note: *All attendees (Councillor or officer) must be informed of why they have been asked to attend, the date and time of the scheduled meeting, what they need to prepare i.e. produce a report or provide statistical information, and be given enough time in which to do so. All such Councillors and Officers will be treated fairly and considerately in accordance with the Witness Charter. Where, in exceptional circumstance, an attendee is unable to attend on the required date then the Scrutiny Officer in consultation with the Chair shall arrange an alternative date for attendance.*

6 Councillors Rights to Access Information

- 6.1 In addition to their rights as Councillors, members of scrutiny committees have additional right to documents and to notice of meetings if they can claim a ‘need to know’ basis in law – see the Access to Information Procedure Rules at Appendix 7 of this Constitution.

7 Co-opted Voting Members

- 7.1 The Children, Education & Communities Policy & Scrutiny Committee shall include in its membership such co-opted voting Members as are required by statute for scrutinising educational matters. These will include the following representatives:
- a) one Church of England diocese representative
 - b) one Roman Catholic diocese representative

c) two parent governor representatives

7.2 These statutory co-optees will be invited to attend meetings of the Children, Education & Communities Policy & Scrutiny Committee whenever educational issues are being discussed and scrutinised. They will not be expected to attend meetings when the published agenda does not contain education related matters.

7.3 All co-opted voting Members are required to abide by the standards set out in the Council's Code of Conduct for elected Councillors, and appointments do not take effect until such an undertaking has been given.

8 Cycle of Meetings

8.1 On commencement of a scrutiny review, the committee will consider a scoping report. If required, the Committee may agree some additional formal public meeting dates in order to progress the ongoing review and these will be added to the Committee's workplan. .

8.2 Councillors can also hold a number of informal Forum meetings to ensure the review remains on focus. These meetings are usually supported by a briefing note to update Members on the review's progress.

9 Producing Scrutiny Reports

9.1 A scrutiny committee may produce an interim report to update Customer & Corporate Services Scrutiny Management Committee during an ongoing review. Once the review has been completed and the recommendations have been formed, scrutiny committees must prepare a final report and submit it for consideration to the Executive and/or Council. If requested, it may also be presented to Customer & Corporate Services

Scrutiny Management Committee for their consideration.

9.2 Where a scrutiny committee cannot agree on one single final report to Customer & Corporate Services Scrutiny Management Committee then the report with the support of the greatest number of Members of the scrutiny body shall be the report of that.

9.3 The final report shall be added to the Executive Forward Plan for consideration by the Executive within one month of it being submitted (or at the earliest available meeting if there is not a meeting scheduled within one month).

10 Pre-Decision Scrutiny

10.1 The Council has established a Pre-Decision Scrutiny Protocol which is Annex 1 to these Rules.

11 Post-Decision Call-in

11.1 When a decision is made either by an Executive Member or the Executive it is published in a decision list online and circulated to all Councillors. In the case of an Officer key decision this is published online and all Councillors receive electronic notification.

11.2 Within two days of the decision being made, the decision lists and electronic notifications bear the date on which they are published and will specify that the decision will come into force, and may then be implemented on the expiry of 5 working days after the publication of the decision, unless it is called-in under these procedures.

11.3 Not fewer than 3 named Councillors must lodge a written notice using the Call-In Request Form at Annex 2 of these rules of their wish to call-in a decision with Democratic Services not later than 4pm five working days after the decision has been taken.

11.4 The Monitoring Officer will then consider the completed Call-In Request form and may take one of the following options:

- a) Accept the Request for a Call-In as valid in which case arrangements will be made for a meeting of the Customer & Corporate Services Scrutiny Management Committee using the next available published Call-In meeting slot;
or
- b) Reject the Call-In for one or more of the following reasons:
 - i. The request is relating to a decision of a non-executive function;
 - ii. The decision was a non-key decision taken by an Officer under delegated powers;
 - iii. The decision was an urgent decision taken under the urgent decision procedures;
 - iv. The issue has been the subject of a call-in within the last 6 months of the date of the decision being made;
 - v. The issue was the subject of pre-decision scrutiny in accordance with the Pre-decision scrutiny Protocol
 - vi. The decision relates to the formulation of a policy or budget matter that requires Full Council approval;
 - vii. The decision was, or is a decision, requiring a decision of Full Council;
 - viii. The request is vexatious in that there are no, or insufficiently detailed, reasonable grounds which could justify the call-in request being accepted;
 - ix. The request for a call-in was received after the expiry of the five working days of the decision being made.

- 11.5 In the event that the Monitoring Officer is absent when a call-in request is received, the matter shall be referred to the Chief Operating Officer for consideration.
- 11.6 If, having considered the decision, the Customer & Corporate Services Scrutiny Management Committee is still concerned about it, then it may exercise the powers set out in the Local Government Act 2000 which will usually be by a referral to the Executive. If referred to the decision maker they shall then reconsider the decision, amending the decision or not, before adopting a final decision.
- 11.7 If, following an objection to the decision, the Customer & Corporate Services Scrutiny Management Committee does not meet in the period set out above, or does meet but does not refer the matter back to the decision making person or body, the decision shall take effect on the date of the Customer & Corporate Services Scrutiny Management Committee meeting.
- 11.8 The call-in procedure shall not apply where the decision being taken is urgent. A decision will be considered urgent if any delay likely to be caused by the call-in process would, for example, seriously prejudice the Council's or the public's interests. The record of the decision, and notice by which it is made public shall state whether in the opinion of the decision making person or body, the decision is an urgent one together with the reason for urgency, and therefore not subject to call-in.
- 11.9 The operation of the provisions relating to call-in and urgency shall be monitored annually, and a report submitted to Customer & Corporate Services Scrutiny Management Committee with proposals for review if necessary. This will be incorporated as part of the six monthly and annual review of the constitution.
- 11.10 There may be requirements for changes and/or additions to these procedures in the future. Any such changes are subject

to the approval of Council for inclusion in or amendment of the constitution.

Procedure to be followed by the Customer & Corporate Services Scrutiny Management Committee when considering a Call-In request

12 Procedure to be Adopted When a Decision is Called-In

- 12.1 Democratic Services will check that the call-in notice [completed Call-In Request Form] is signed by at least three Members. The call-in notice must identify which principle(s) and give reasons. This requirement will be checked by the Director of Governance or the Chief Operating Officer.
- 12.2 If the Call-In Request has been accepted by the Monitoring Officer, Democratic Services will arrange a meeting of the Corporate Management Scrutiny & Policy Committee, for the next published / scheduled call-in meeting in consultation with the Chair. This meeting will be scheduled within 14 working days of the Call-In request being received if an appropriate date has not already been diarised.
- 12.3 Democratic Services will acknowledge the call-in request and notify all Executive Members.
- 12.4 Democratic Services will invite all of the signatories to the call-in request, the relevant Executive Member(s) and the relevant Chief Officer to attend the call-in meeting. All of the call-in signatories and the relevant Executive Member or their nominee would be expected to attend. The relevant Chief Officer may nominate an officer to attend in his / her place. If none of the call-in signatories attend, the Committee will decide whether to proceed. If the Committee decides not to proceed, then the call-in will be determined on the basis that the Committee does not have any concerns it wishes to refer to the Executive, and the Executive will not be required to reconsider the decision.

- 12.5 Democratic Services will send copies of the completed Call-in Request Form, decision notice (or minute) of Executive and any associated reports to Members of the Committee with the agenda for the meeting, or to follow if the agenda has already been issued.
- 12.6 Democratic Services will liaise with the Chair and Vice Chair of CSMC over any other appropriate arrangements for the call-in, e.g. additional information, witnesses etc. If the Chair or Vice Chair(s) have signed the call-in notice, Democratic Services will liaise with another Member of the Committee nominated by the Chair or Vice Chair.
- 12.7 The aim of the Committee meeting when the call-in is considered should be inquisitorial not adversarial. The Meeting Procedure for a Call-in of an Executive decision will be adopted which is detailed within these Rules.

13 The role of the Chair

- 13.1 This Meeting Procedure for a call in shall be implemented at the meeting by the Chair and any deviation from this procedure will be at the discretion of the Chair. The Chair will advise attendees at a Call-in meeting of any reasonable intention to deviate from the procedure at the start of the meeting where possible.
- 13.2 In the absence of the Chair, the meeting will be led by the Vice-Chair. In the absence of both, the Monitoring Officer or his/her representative shall facilitate a vote of Members so that a Chair is appointed. The appointed Member will chair for the duration of the meeting or until the Chair or Vice-Chair is present.
- 13.3 Where the Chair is in attendance, the Vice-Chair shall be treated in the same way as every other Member of the Committee.

14 Role of signatories to the Call-in notice and the Executive Member

- 14.1 Signatories to the completed Call-in Request Form will be invited to provide evidence to the CSMC, in terms of a presentation of their reasons supporting the call-in and by answering questions put to them by the Committee. The Executive Member will be invited to respond to the call in and provide reasoning and evidence supporting the subject decision.
- 14.2 There is no provision for either the signatories to the Call-in or the Executive Member to question each other, either directly or through the Chair.

15 Role of Officers in attendance

- 15.1 Supporting Officers will be present from Democratic Services (providing advice to the Chair and Committee as required and recording decisions). The Monitoring Officer or their representative will also be present and may undertake any of these duties in addition to providing any legal advice if required.
- 15.2 Chief Officers and or Heads of Service may provide support to the Executive Member and contribute to the meeting as required by advising the Committee on the strategic, financial, legal, technical or operational basis of decisions taken or considerations given relevant to the Call-in, or by responding to questions referred by the Executive Member to them.

16 Procedure at the meeting

- 16.1 Public Participation as per the Public Participation Protocol at Appendix 8 of this constitution will be included as part of the agenda for a meeting of CSMC solely focussed on considering a Call-In Request. Any contributions from

members of the public are to be directed towards the topic of the call-in only.

- 16.2 The signatories will nominate a lead spokesperson and all three signatories to the Call-in notice will be invited to address the Committee on the Call-in, and will be required to focus on justifying why they considered the core principles set out in the Call In Request Form have been breached as raised in the signed Call-in Notice lodged with the Monitoring Officer. Signatories shall limit their contributions to the reasons for the call-in. The time allowed for the signatories to state their case is limited to 10 minutes in total.
- 16.3 After all signatories have made their contributions, members of the Committee will be invited to put questions to the signatories and receive responses to those questions. As a guide it is anticipated that this should not exceed 20 minutes in total.
- 16.4 The Executive Member will then be invited to address the Committee on the Call-in by the Chair and will be required to respond to the assertions relating to the failure to meet the principles as set out in the Call-in notice. The Executive Member may in some instances require the input from Officers for example in respect of technical, financial or legal matters. The time allowed for the Executive Member to respond to the call-in is limited to 10 minutes.
- 16.5 After the Executive Member has made their contribution, Members of the Committee will be invited to put questions to the Executive Member. In the event of being asked an operational or technical question, the Executive Member shall be entitled to refer questions put to them to the Officers supporting them. There is no other opportunity for the Members of CCSMC to ask questions of these Officers present.

- 16.6 By way of summing up, the nominated lead signatory shall be invited to make a further statement to the Committee, lasting no more than five minutes, summarising the signatories' case for the call in.
- 16.7 By way of summing up, the Executive Member shall be invited to make a further statement to the Committee, lasting no more than five minutes, responding to the Call-in
- 16.8 There shall be no further contributions from signatories to the Call-in notice, Executive Member or Officers attending in support of the Executive Member.

17 Contributions by Members of the Committee

- 17.1 The Chair, following any observations he/she may have in direct response to acknowledge any concessions made by the Executive Member and lead signatories during the meeting which have directly arisen during the debate in the call in meeting, shall invite Members of the Committee to make any contributions they may wish prior to the vote being taken. Each Member of the Committee shall be permitted to make one speech lasting no more than five minutes.

18 Voting on whether core principles have or have not been breached

- 18.1 The Chair shall then ask each Member in turn to state whether they consider the core principles identified in the Call-in Request were, or, were not, breached giving reasons if they so wish. There is no requirement to seek a recommendation which is seconded to enable a vote to be taken.
- 18.2 The Chair may, at their discretion, state whether they believe the core principles identified in the Call-in Request were or were not breached, giving reasons if he or she so wishes.

18.3 The vote to be taken will be by a show of hands.

19 Finding of no breach

19.1 In the event that a majority of Members consider that there was not a breach, the Chair will state that the Committee has resolved that the Executive decision identified in the Call-in Request did not breach the core principles and immediately close the meeting.

20 Finding of a breach

20.1 In the event that a majority of Members consider that there was a breach, the Chair will declare the outcome and the resultant resolution and close the meeting referring the decision in full back to the next appropriate meeting of the Executive.

21 Consideration of multiple Call-in notices in relation to one decision of Executive

21.1 In the event that more than one Call-in notice is received in relation to a single matter, the Chair will use his/her discretion to vary the procedure accordingly to afford signatories to all Call-in Requests equal opportunity to state their case.

Annex 1 - City of York Council Pre-decision scrutiny Protocol

- 1 The Leader and relevant Portfolio Holders attend the relevant Overview and Scrutiny Committee to outline their aims and objectives for the year and issues likely to be in the Forward Plan.
- 2 From this the Overview and Scrutiny Committee considers areas where Overview and Scrutiny may wish to contribute and via the Chair and Vice Chair of each Committee share their agreed preferences with the Chair and Vice Chair of the Customer and Corporate Services Scrutiny Management Committee for consideration of the Council's Scrutiny Annual Work Programme.
- 3 The Overview and Scrutiny Committee determines which items it would like scrutiny input into, based on strategic impact, relevance to the Committee's work programme, public interest and/or financial implications, and the Democratic Services Officer, on behalf of the Chair of CCSMC and Chair of the relevant scrutiny committee advises the relevant Corporate Director and or Chief Officer of the Overview and Scrutiny Committee's request for pre-decision Scrutiny. The Chief Officer will consider the request, in particular in respect of timings and will then provide a response to the Chair of CCSMC and Chair of the relevant scrutiny committee via Democratic Services. The request for pre-decision Scrutiny also requires the agreement of the Leader or relevant Portfolio Holder.
- 4 The Chief Officer and Portfolio Holder will attend the Forum meeting or (formal) Committee meeting to discuss the issue and set out the nature of the matter under consideration, the key issues identified, any constraints, timescale for a decision, intended impact and a summary of progress to date.
- 5 The Overview and Scrutiny Committee discusses the issue and identifies any points, by way of recommendations, it would like addressed in the final report. These are minuted.

- 6 The report author drafts the final report for Executive, clearly identifying points/recommendations raised by the Overview and Scrutiny Committee and demonstrating how they have been addressed, or alternatively giving reasons as to why these recommendations were not able to be taken forward for example, legal, financial or technical issues. This will clearly demonstrate how Overview and Scrutiny is contributing to better cross-party decision-making.
- 7 The Overview and Scrutiny Committee would not usually have an input at this stage, although they would retain the right to call-in the decision after it had been made on specific grounds (using the Council's call-in request form).
- 8 Where it was felt appropriate for the Overview and Scrutiny Committee to consider a draft final report for Executive, it must be approved for release by the relevant Corporate Director, the Leader or the relevant Portfolio Holder, before submission to the Overview and Scrutiny Committee. If the Overview and Scrutiny Committee consider a draft report, the item will not be subject to call-in procedures.
- 9 The final report is submitted to Executive with any relevant Minute and/or recommendation from the Overview and Scrutiny Committee formally recorded with the report as appropriate.

Annex 2 - Call-in Request Form

This form must be completed and signed by THREE City of York Councillors and MUST be returned to Democratic Services within 5 working days of the decision being published (*not including the day of publication*).

Annex 3 - Councillor Call for Action (CCfA) Guidance for Councillors and Officers

<p>Introduction</p>	<p>Ward Councillors play a central role in the life of a local authority, as a conduit for discussion between the Council and its residents and as a champion for local concerns. To strengthen Councillors' ability to carry out this second role the Government has enacted in the Local Government and Public Involvement in Health Act 2007, provisions for a "Councillor Call for Action" (CCfA). This provides Councillors with the opportunity to ask for discussions at Scrutiny Committees on issues where local problems have arisen and where other methods of resolution have been exhausted.</p>
<p>Background & context</p>	<p>For some time the Government has been pursuing the aim of giving more power to local people and local Ward Councillors. This aim has run through both 2006's 'Strong and Prosperous Communities' and 2008's 'Communities in Control' White Papers.</p> <p>Recent legislation has given more powers for overview and scrutiny functions to work more closely with partners and across organisational boundaries. These include powers to scrutinise a wide range of national, regional and local bodies, some of which were not previously subject to local authority challenge. This means that scrutiny is in a stronger position to resolve a wide range of policy issues. CCfA needs to be viewed in this context.</p>

Principles	<p>The successful operation of CCfA relies on several broad principles being recognised and supported in local authorities. These principles are:</p> <ul style="list-style-type: none">• Transparency in decision making and the involvement of scrutiny in the decision making process at some level;• A willingness to identify mistakes and shortcomings and the recognition of the need to resolve problems through discussion;• An understanding (among senior Officers and Executive Members) of the role that scrutiny can play to help the Council improve its services;• An understanding and a wish to bolster and support the role that Ward Councillors play as champions and leaders of their communities.
-------------------	---

<p>How can CCfA be used?</p>	<p>CCfA is a tool that can be used by Councillors to tackle problems on a neighbourhood or ward specific basis that it has not been possible to resolve through the normal channels.</p> <p>A CCfA should represent genuine local community concerns and should focus on neighbourhood and ward issues, specifically the quality of public service provision, both by the Council and its partners. CCfA is a means of last resort when all other avenues have been exhausted and the Council has been unable to resolve the issue.</p> <p>It is important to recognise that CCfA is not guaranteed to solve a problem. What CCfA can provide is:</p> <ul style="list-style-type: none"> • Recognition that an issue is significant enough for time, attention and resources to be spent in trying to resolve it; • A public forum for discussion of the issues; • An opportunity to discuss the issues in a neutral environment; • An opportunity to discuss a problem with the explicit and sole aim of solving it; <p>A high profile process owner by the Ward Councillor.</p>
<p>What CCfA is not</p>	<p>CCfA should not be regarded as merely a scrutiny process. It is a whole council approach which can help councillors to resolve issues and problems on behalf of their residents.</p> <p>CCfA is not:</p> <ul style="list-style-type: none"> • About a Councillor's everyday casework; • Appropriate for dealing with individual complaints; • To be used for dealing with issues that relate to individual quasi-judicial decisions (e.g. planning or licensing) or to council tax and non-domestic rates as these are subject to their own statutory appeals

	<p>process.</p> <p>Any member can bring a CCfA on any issue they choose, however there are certain exceptions for example if a CCfA is:</p> <ul style="list-style-type: none"> • Vexations, not reasonable and/or persistent – whether the request is likely to cause distress, disruption or irritation without any proper or justified cause; • Discriminatory – implying a group of people or an area receives better or worse services on account of that group’s predominant religion, race, sex or other characteristic. <p>It does not replace the corporate complaints procedure or petitions to Council.</p>
<p>What kind of issues can be tackled?</p>	<p>Issues should be genuine local community concerns which focus on the quality of public service provision at a local level. It can include any function of the authority which affects the Councillor’s ward and constituents. It can also include issues relating to crime and anti social behaviour.</p> <p>Issues that can be tackled by CCfA are usually persistent and have remained unresolved for a long period of time. They may be issues that the Councillor is aware of from their work within their ward or they may decide to champion a request on behalf of the public.</p>
<p>What does championing a request mean?</p>	<p>Championing a request will mean taking the issue up on behalf of the resident(s) concerned and trying to resolve the problem by liaising with council services, the Executive and/or outside agencies.</p>

<p>What if a councillor doesn't want to champion a request from a member of the public?</p>	<p>If a Councillor decides not to champion a request, no further action will be taken under a CCfA. There is not a right of appeal by a member of the public.</p>

Annex 4 – Scrutiny Witness Charter

Attending a Scrutiny Committee meeting as a witness is voluntary and often a new experience for people. The City of York Council recognises the need to support witnesses. We will keep witnesses informed throughout the scrutiny process to try and ensure that the experience is as stress free as possible.

The Council will:

- 1 inform the witness of the time, date and place of the scrutiny meeting at which their evidence is to be taken.
- 2 inform the witnesses of the matters about which the scrutiny committee wish to ask them. Inform the witnesses of any documents that the scrutiny committee want the witness to produce or provide to them
- 3 provide reasonable notice of all of the requirements of the scrutiny committee to enable the witness to respond in full at the earliest opportunity.
- 4 provide copies of all relevant reports, papers and background information.
- 5 arrange for the Chair of the scrutiny meeting to introduce him/herself to the witness prior to the proceedings.
- 6 ensure that all witnesses are treated with courtesy and respect and that all questions to witnesses are made in an orderly manner as directed by the Chair of the meeting.
- 7 ensure where appropriate that the witness is provided with information about claiming expenses.
- 8 following the proceedings, write to the witness and where appropriate, inform them of the outcome.

- 9 the Council's protocol on Officer/Member relations will apply to all internal witnesses.

Notes of Guidance for Witnesses

- 1 Who will be at the scrutiny meeting?

All formal scrutiny meetings are held in public and the press and media may be present. In practice, unless it is a high profile issue it is rare for there to be more than one journalist taking notes. Members of the public are always welcome, but are not usually present in large numbers. Members of the scrutiny committee will be elected Councillors and possibly one or two co-opted Members e.g. from the voluntary sector. A Scrutiny Officer will be present (usually the person you've had contact with about attending the meeting), and a Democracy Officer will minute the meeting. Other Officers with an interest in the scrutiny topic(s) on the agenda may also be present.

- 2 What happens when I arrive to attend a scrutiny meeting?

Upon arrival at the venue for the scrutiny meeting you will normally be met by someone from the Scrutiny team. The Scrutiny Officer will make contact with you prior to the meeting to confirm the arrangements, and where possible give you an indication of when your evidence is likely to be heard and explain the format for the meeting. If you have any particular anxieties or questions then you should not hesitate to raise these with the Scrutiny Officer. The Chair of the scrutiny meeting will also introduce him/herself to you before the start of the meeting.

- 3 What happens when I give evidence?

Witnesses are welcome to attend the entire meeting or can wait at reception until needed. When you are called you will be shown to a seat at the table with the Members of the scrutiny committee. Members of the scrutiny committee will ask you questions in an orderly and respectful manner as directed by the Chair of the meeting. Remember:

- Take your time and speak slowly and clearly;
- Ask for questions to be repeated if you don't understand or cannot hear;
- If you are not sure of the answer then say so.

After you have finished giving your evidence you are free to leave if you wish to do so.

4 Can I claim expenses?

If you have incurred any “out of pocket” expenses when asked to attend a scrutiny committee, where possible obtain receipts for them. If you would like to claim for your expenses, please ask the Scrutiny Officer and they will provide a form for you to make your claim. The Council does not reimburse the expenses of witnesses employed by the City of York Council.

16. A registered speaker may speak about an item on the published agenda for that meeting or issues which fall within the remit of that committee.
17. In exercising their public participation rights a member of the public is entitled to express views positive or negative about the Council but must not:

18. The following rules apply to all meetings of the Council except for Licensing Sub Committee Hearings, Planning Committee and Planning Sub-Committee meetings which are set out in Part B.
19. If you are unable to be present or speak at the meeting at which you have registered to speak a written representation may be submitted for consideration at the meeting. The statement must be sent to Democratic Services using the contact details on the

21. If all or part of the written representation is defamatory, discriminatory or relates to confidential information or exempt information including personal information, the Chair, in consultation with the Monitoring Officer, shall have the right to redact those parts of the written representation prior to circulation to Members and publication with the agenda or rule the written representation out of order in which case it shall not be circulated to Members and shall not be published with the agenda.

Only exceptions to the rules in Part A are set out in Part B. For all other matters the rules remain the same as those in Part A.

Where public meetings are held remotely or in hybrid form, the provisions for Public Participation will be in accordance with the Council's Procedure Rules and Guidance for Remote Meetings contained in Appendix 23 of the Constitution. Meetings of Council chaired by the Lord Mayor

25. Public participation at all meetings of Full council will occur in accordance with the Council Procedure Rules at Appendix 3 of this constitution.

Planning Committee and Area Planning Committee

26. The applicant, their advisor and members of the public may register their wish to speak on the matters or applications to be considered by members by contacting Democratic Services using the contact details on the published agenda for the relevant officer or, alternatively by emailing democratic.services@york.gov.uk no later than 5pm two working days before the meeting takes place. If the meeting is being held remotely or in hybrid form, clear instructions will be provided to public speakers who have registered to speak on how to join the meeting remotely.
27. Members of the public that have registered to speak remotely are strongly encouraged to email the points they wish to make to the Committee to Democratic Services as set out in paragraph 24

above prior to the meeting taking place so that in the event of technology difficulties, they can still be taken into consideration at the meeting. These will not be circulated to the members of the Planning Committee unless technical difficulties are experienced during the meeting meaning that public participation of one or more registered public speakers is not possible. This is to ensure all views are taken into consideration within the Planning Committee meeting itself and there is no discussion outside the meeting.

28. It will be at the Chair's discretion as to the limit on the number of speakers at that particular committee meeting and speakers will be registered on a first come first served basis. Each speaker will be invited to make their representation and will be allowed a maximum of 3 minutes each to speak and may subsequently be asked questions by Members.

31. At any time it may be necessary for officers to address the Committee to answer questions asked or to comment or clarify any points (including public participation) that have been raised during consideration of the application or to advise the Committee.
32. Any dispute or question as to procedure at the Committee, including the operation of this public participation protocol, will be determined by the Chair, whose decision on all matters will be final.

Licensing Committee meetings

33. The rules on public participation at Licensing Committee meetings are as set out in Part A.

General Licensing Sub-Committee and Taxi Licensing Sub-Committee hearings

34. The rules on public participation at General Licensing Sub-Committee and Taxi Licensing Sub-Committee hearings is set out in Annex 1 to this document.

**ANNEX 1 – GENERAL LICENSING SUB – COMMITTEE AND
TAXI LICENSING SUB COMMITTEE
PROCEDURE FOR LICENSING HEARINGS**

1. The procedure adopted at licensing hearings is at the discretion of the Sub-Committee but will normally follow the pattern outlined below.
2. The Council's licensing hearings procedure is based on regulations made under the Licensing Act 2003. The procedure is intended as a general framework to ensure natural justice and a fair hearing. The Sub-Committee will be guided by legal principles in determining whether evidence is both relevant and fairly admitted. Sub-Committee Members have a duty to view all evidence presented before them impartially. No matter how strong local opinion may be, Sub-Committee Members can only make decisions in the context of the licensing objectives as set out in legislation as follows:
 - The prevention of crime and disorder
 - Public safety
 - The prevention of public nuisance
 - The protection of children from harm
3. The licensing hearing will be in public session and this involves the publication of all paperwork relevant to the hearing on the Council's website. This includes letters of representation either in support or objection. Name and address details of those making representations will be made public. Telephone numbers, email addresses and signatures will be omitted. The Sub-Committee may exclude the public from a hearing if it considers it in the public interest to do so. However, the decision will be made in private.
4. In view of the requirement to hold hearings within specified timescales (usually 20 working days from the last date for representations), the Council is unable to enter into discussions to identify dates convenient to all parties concerned. In exceptional circumstances, the Council will consider applications to hold hearings at a later date.
5. The Council will provide a record of the hearing in a permanent and intelligible form and keep it for 6 years from the date of determination

or disposal of any Appeal. The live stream of the Hearing will be recorded and the recording placed on the Council's website.

Representations at Licensing Hearings

6. The Applicant is permitted to speak at the hearing. Ward Councillors, responsible Authorities and Representors are only permitted to speak if they have made written submissions during the consultation period. The Applicant and any Representors shall attend in person wherever possible. Any party to a hearing may be assisted or represented by any person, legally or otherwise.
7. All parties will be given a fair hearing and each party will have the same amount of time in which to address the Sub-Committee and question each other. Each party will have 15 minutes to address the Sub-Committee and call any witnesses and 5 minutes for questions.
8. However, where there are groups of individuals with a common interest, for example local residents making similar representations either for or against an application, consideration should be given to nominating a spokesperson. Otherwise the Sub-Committee may impose a time limit for such representations where there is pressure on the Sub-Committee to hear numerous applications in a short period of time or for any other valid reason.
9. The Sub-Committee may take into account any documentary evidence or other information in support of the application or representations either before the hearing or, with the consent of all other parties, at the hearing. For remote meetings the procedure set out in paragraphs 14 to 18 below will be followed.
10. If any Representors fail to attend the hearing, the Sub-Committee will normally proceed but will consider their written representation. In considering written evidence in the absence of a Representor, appropriate weight will be attached, given that the person cannot be questioned by the Applicant and Members.
11. The Sub-Committee is required to disregard any information given or evidence produced by a party or witness which is not relevant to the

application, representations, or notice, and the promotion of the licensing objectives. Duplication should be avoided. Comments must be confined to those points already made, although the parties may expand on their written submissions. The Sub-Committee will have read and familiarised themselves with all the written submissions and the issues prior to the hearing, and therefore do not require the points to be made at length. The Applicant and Representors cannot raise substantial new information at a hearing which has not been seen previously by the other parties.

12. A Representor **may not** introduce any new ground or objection not referred to in their written submission. Additional representations which do not amount to an amplification of the original representation will not be considered by the Sub-Committee.
13. Any person behaving in a disruptive manner will be asked to leave the hearing. However, if this occurs, that person will be entitled to submit in writing any information they would have been entitled to give orally.

Procedure prior to the Hearing - remote and hybrid meetings

14. Where the meeting is held remotely or in hybrid form the Sub-Committee will use a video-conferencing platform when the hearing is in public session. Clear instructions will be provided to participants on how to join the remote hearing. The Sub-Committee may exclude the public from all or part of a hearing if it considers it is in the public interest to do so. Should any part of the hearing need to be held in private session, a separate private online meeting will be convened by the Sub-Committee using a secure video-conferencing platform. This video-conferencing platform will also be used for decision making in private.
15. All paperwork relevant to the hearing will be published online on the Council's website, 5 working days before the remote hearing. The documents will be produced in PDF format and will be paginated to permit ease of reference during the remote hearing. Name and address details of those making representations will be made public. Telephone numbers, email addresses and signatures will be omitted.

16. 5 working days before the remote hearing is due to take place, the Council will contact the parties with a list of issues they would like any party to specifically address them on or clarify at the hearing.
17. If in light of the Council's list of issues any party wishes to produce any further documentary evidence they should submit this to the Council by email three working days before the hearing.
18. Any documentary evidence that is not submitted to the Council by email three working days before the hearing will not be admitted without the agreement of all parties. If it is essential to a party's case that the material be admitted, then the Sub-Committee will consider adjourning the remote hearing to allow all parties a fair opportunity to consider it.
19. Should any party wish to rely on any points of law, specific references in the s.182 Guidance, specific references in the Council's Policy or any other external resources, these should be set down in an electronic document and submitted to the Council by email three working days before the hearing.

Procedure prior to the Hearing – Physical Meetings

20. The Members sitting on the Sub-Committee will have a briefing prior to the hearing, usually in the meeting room where the hearing is to take place. They will only be accompanied by the Democratic Services Officer and the Council's Legal Advisor. During the briefing, attention will only be drawn to the nature of the application and the premises or person to which it relates and any procedural matters.
21. At any hearing of an application, the Licensing Officer, the Applicant and any Representors or representatives will report to reception and be asked to wait in reception until called into the meeting room. Please arrive 15 minutes before the advertised start time.

37. When all the evidence has been heard, the Chair will declare the hearing closed and ask the Licensing Officer, the Applicant and Representors (or their representatives) plus any witnesses present to leave the committee room and the Sub-Committee will consider the evidence. Where the meeting is being held remotely or in hybrid form the Sub-Committee will withdraw to consider their decision in a separate private on line meeting.

38. The Legal Adviser and Democratic Services Officer will remain present during the decision making process. These officers will not comment on the merits of the application, but will be present to provide advice on legal and procedural points and to record the decision.

39. Unless expressly stated by the Sub-Committee in the hearing, the Sub-Committee will not invite the parties back into the committee room or return to the public online meeting to announce their decision. The Sub-Committee will provide an outline of their decision in writing to the Applicant and Representors on the day of the hearing concluding, unless further time is required to deliberate.  - a) submit a revision of the estimates or amounts as amended by the Executive ("revised estimates or amounts"), which have been reconsidered in accordance with the authority's requirements, with the Executive's reasons for any

amendments made to the estimates or amounts, to the authority for the authority's consideration; or

- b) inform the authority of any disagreement that the Executive has with any of the authority's objections and the Executive's reasons for any such disagreement.

9 When the period specified by the authority, referred to in paragraph 8, has expired, the authority must, when making calculations (whether originally or by way of substitute) in accordance with the sections referred to in paragraph 7, or issuing a precept under Chapter IV of Part I of the Local Government Finance Act 1992, take into account –

- a) any amendments to the estimates or amounts that are included in any revised estimates or amounts;
- b) the Executive's reasons for those amendments;

Appendix 10 - Financial Procedure Rules

1 Introduction

- 1.1 These Financial Regulations (Regulations) provide the governance framework for managing the Council's financial affairs. They apply to every Member and Officer of the Council and to anyone acting on its behalf.

2 Observing these regulations

- 2.1 These Regulations apply across all parts of the whole organisation, including all Member fora and Directorate services, as well as all arms length organisations, agencies and partnerships with whom the Council does business and for whom the Council is the relevant accounting body. Where the Council is not the relevant accounting body, but is a responsible partner, officers must ensure that the accounting body has in place adequate Regulations and proper schemes of delegation. Schools are bound by these Regulations unless the School Standards and Framework Act 1988 (SSFA98) specifically exempts them from any particular provisions set out herein (e.g. financial thresholds, if the Framework provides differently).
- 2.2 All Council members and staff have a general responsibility for taking reasonable action to provide for the security of the assets under their control and for ensuring that the use of these resources is legal, properly authorised, provides value for money (VFM) and achieves best value (notwithstanding the delegated authorities of any given committee or officer). In doing so, proper consideration must be given at all times to matters of probity and propriety in managing the assets, income and expenditure of the Council.

3 Maintaining these regulations

- 3.1 The Council operates a system of managerial and financial control whereby the Chief Finance Officer (CFO) has overall responsibility for the proper management of the finances of the Council as a whole and is responsible for issuing advice and guidance to underpin the Regulations that Members, Officers and others acting on behalf of the Council are required to follow.

The responsibility for the day-to-day financial control and administration in each Directorate is devolved to the Corporate Director. Corporate Directors are responsible for ensuring that all staff in their departments are aware of the existence and content of the Authority's financial regulations and that they comply with them.

- 3.2 The overall responsibilities of the CFO in respect of these regulations are therefore to:
- a) maintain these Regulations and submit any additions or changes necessary to Full Council for approval in consultation with the Monitoring Officer (MO);
 - b) issue explanatory advice and guidance to underpin these Regulations as necessary. Where such advice and guidance is issued, members, officers and others acting on behalf of the Council are required to comply with it in accordance with the general provisions of these Regulations;
 - c) require any officer to take any action deemed necessary (as is proportionate and appropriate) to ensure proper compliance with these Regulations;
 - d) report, where appropriate, any breaches of these Regulations to Members;

- 3.3 These regulations have been drafted with a view to avoiding any uncertainty or ambiguity as to the principles, standards and procedures to be observed. Should any uncertainty or dispute arise pursuant to these Regulations, the matter must be referred to the CFO for interpretation and/or arbitration.

4 Sanctions & remedies for non-compliance

- 4.1 Compliance with these Regulations is mandatory. Those with responsibility for fulfilling their duties in line with the Regulations are required to maintain ongoing knowledge and awareness to ensure compliance. It will be the responsibility of officers to address non-compliance promptly and in the most appropriate way according to the circumstances. Concerns can also be raised anonymously in line with the Council's whistleblowing procedure. Failure to comply with any part of these Regulations may constitute misconduct and lead to formal disciplinary action.

Status of Financial Procedure Rules

Introduction

- 1 These Financial Regulations (Regulations) provide the governance framework for managing the Council's financial affairs. They apply to every Member and Officer of the Council and to anyone acting on its behalf.

Observing these regulations

- 2 These Regulations apply across all parts of the whole organisation, including all Member fora and directorate services, as well as all arms length organisations, agencies and partnerships with whom the Council does business and for whom the Council is the relevant accounting body. Where the Council is not the relevant accounting body, but is a responsible partner, officers must ensure that the accounting body has in place adequate Regulations and proper schemes of delegation. Schools are bound by these Regulations unless the School Standards and Framework Act 1988 (SSFA98) specifically exempts them from any particular provisions set out herein (e.g. financial thresholds, if the Framework provides differently).
- 3 All Council Members and Officers have a general responsibility for taking reasonable action to provide for the security of the assets under their control and for ensuring that the use of these resources is legal, properly authorised, provides value for money (VFM) and achieves best value (notwithstanding the delegated authorities of any given committee or officer). In doing so, proper consideration must be given at all times to matters of probity and propriety in managing the assets, income and expenditure of the Council.

Maintaining these regulations

- 4 The Council operates a system of managerial and financial control whereby the Chief Finance Officer (CFO) has overall responsibility for the proper management of the finances of the Council as a whole but the responsibility for the day-to-day financial control and administration in each directorate is devolved to the Corporate Director.
- 5 The overall responsibilities of the CFO in respect of these regulations are therefore to:
 - a) maintain these Regulations and submit any additions or changes necessary to Full Council for approval in consultation with the Monitoring Officer (MO);
 - b) issue explanatory advice and guidance to underpin these Regulations as necessary. Where such advice and guidance is issued, Members, Officers and others acting on behalf of the Council are required to comply with it in accordance with the general provisions of these Regulations;
 - c) require any officer to take any action deemed necessary (as is proportionate and appropriate) to ensure proper compliance with these Regulations;
 - d) report, where appropriate, any breaches of these Regulations to Members;
- 6 These regulations have been drafted with a view to avoiding any uncertainty or ambiguity as to the principles, standards and procedures to be observed. Should any uncertainty or dispute arise pursuant to these Regulations, the matter must be referred to the CFO for interpretation and/or arbitration.

Sanctions & remedies for non-compliance

- 7 Failure to comply with any part of these Regulations may constitute misconduct and lead to formal disciplinary action.

Part A

Financial Management Standards

Introduction

- 1 This Part of the Regulations set out the overall framework of financial management responsibilities at the Council, including the accounting policies, standards, record keeping and financial statements the organisation is required to maintain in managing its finances and financial affairs.
2. All Members and Officer have a common duty to abide by the highest standards of probity and propriety when making decisions about the use of public monies. It is important for the way in which this is done to be transparent, properly accounted for in respect of the correct accounting year and reported in accordance with recognised accounting standards, conventions and policies

Member roles & responsibilities

3. Member responsibilities for the overall management of the Council's financial affairs are exercised through:
 - **Full Council**, which is responsible for the Council's overall Policy Framework and for setting the Budget within which the Executive will operate (See Constitution Appendix 9).
 - **The Executive**, which is responsible for proposing policy and the Budget to the Full Council.
 - **The Audit & Governance Committee**, which is responsible for approving the statement of accounts.

The Chief Finance Officer (CFO)

4. The functions and responsibilities of the CFO are directed in the first instance by legislation that imposes statutory duties on the CFO for the proper management, financial administration and stewardship of Council assets and the fiduciary interests of local tax payers. These statutory responsibilities cannot be overridden and arise from:
 - Section 151 of the Local Government Act 1972;
 - The Local Government Acts 2000 & 2003;
 - The Local Government Finance Act 1988;
 - The Local Government and Housing Act 1989;
 - The Accounts and Audit Regulations 2003, as amended by the Accounts & Audit (Amendment) (England) Regulation 2006

5. These responsibilities include:
 - a) the preparation of the Council's annual statement of accounts and the compilation and retention of all supporting accounting records and working papers, in accordance with the proper professional practices and set out in the format required by the Code of Practice on Local Authority Accounting in the United Kingdom: A Statement of Recommended Practice - the SORP (CIPFA/LASAAC). The financial year observed by the Council runs from 1 April to the following 31 March;

 - b) the proper administration of the Council's financial affairs, systems and procedures;

 - c) setting and monitoring compliance with financial management standards and controls;

- d) ensuring proper professional practices are adhered to in acting as the head of profession in relation to the standards, performance and development of all finance Officers across the organisation;
- e) providing advice on the key strategic controls necessary to secure sound financial management (including the operation of an effective internal audit function);
- f) ensuring that financial information is available to enable accurate and timely monitoring and reporting;
- g) determining the contents of all financial procedure manuals and ensuring compliance with the requirements of the Financial Regulations;
- h) ensuring a Local Council Tax Support scheme is maintained;
- i) in the event of a disaster or other civil emergency affecting the City then subject to overall council funding limits the CFO has the power to authorise all necessary expenditure required to support the Chief Operating Officer in exercising their lawful power. The CFO can also delegate this authority to any Chief Officer acting as their nominated deputy with a limit of £50K. The nominated deputy should at all times endeavour to seek authorisation from the CFO where practical before committing expenditure.

6. The CFO can choose to delegate his day-to-day responsibilities in respect of his/her functions and responsibilities as defined by these Regulations in accordance with the Council's Schemes of Delegation. The CFO may delegate his/her responsibilities to an appropriate representative(s). Where this is the case the delegation and officer responsibilities must be clearly documented in the relevant scheme of delegation and be kept under regular review by the CFO further to these Regulations.

The Chief Internal Auditor (CIA)

7. The CIA is designated by the CFO as part of his/her Directorate Scheme of Delegation further to Appendix 1 of this Constitution and plays a key role in providing assurance to the Members, the CFO, the Head of Paid Service and Corporate Management Team about the practical deployment and effectiveness of financial management arrangements across the organisation.
8. The CIA has rights of access to information and data held by Officers or Members of the Council at all reasonable times and is responsible for the overall management and deployment of internal audit resources at the Council. He/she also has the right to report on any relevant matter of concern to senior management and Members of the Council outside normal line management arrangements should he/she deem this necessary in protecting the interests of the Council and/or local tax payers.

Corporate Directors

9. Whilst the CFO has overall responsibility for the finances of the Council, Corporate Directors and directors are responsible for the day-to-day management of their directorate's finances. Their responsibilities in relation to financial management include:

- a) promoting and ensuring compliance with the financial management standards and practices set by the CFO in their directorates;
- b) consulting with the CFO on any matter which is liable to materially affect the resources of the Council. This must be done before any commitment is incurred, or a report made to an Executive Member or to a committee for decision;
- c) ensuring that Executive Members are advised of the financial implications of all proposals and that these have been agreed by the CFO or his/her nominated representative;
- d) signing contracts on behalf of the Council in accordance with the contract procedure rules set out in Part D of these Regulations;
- e) reporting suspected fraud and irregularities to the CIA for investigation and referral to the police as necessary;
- f) ensuring that the common officer delegations relating to financial management and administration as set out in the Council's scheme of delegation within their directorates are exercised with due regard to the detailed requirements of these Regulations;
- g) implementing the management recommendations of the internal audit provider and external auditors agreed with the Corporate Director and/or the relevant Chief Officers and heads of service.

Part B

Financial planning & budgeting

Introduction

- 1 The purpose of financial planning is to set out and communicate the organisations objectives, resource allocations and related performance targets and to provide an agreed basis for subsequent management control, accountability and reporting.
- 2 The Council's budget sets agreed parameters around the annual activities and functions of directorates and their services. The Council's Financial Strategy represents a financial plan to address those issues which have medium to long term financial implications for the organisation.

Budget Planning

- 3 The revenue budget must be constructed so as to ensure that it properly reflects the priorities of the Council and service plan considerations. Budgets are needed so that the Council can plan, authorise, monitor and control the way money is allocated and spent. It is illegal for the Council to budget for a deficit.
- 4 The budget process must ensure that resources are:
 - required in accordance with the law and properly authorised;
 - used only for the purpose intended to achieve approved policies, objectives and service priorities;
 - held securely for use when required;
 - used with the minimum level of waste, inefficiency or loss.

- 5 The CFO in consultation with each corporate director is responsible for:
- a) ensuring that an annual revenue budget is prepared in the context of a medium term financial strategy for consideration by the Executive and its recommendation to Full Council.
 - b) maintaining a resource allocation process that properly reflects all due consideration of the Council's policy framework, ambitions and priorities;
 - c) advising the Executive on the format of the budget for approval by Full Council;
 - d) allocating central budgets for example inflation and superannuation;
 - e) providing advice and guidance to the Executive further to its responsibility for issuing guidance on budget preparation to take all due account of:
 - legal requirements;
 - medium term planning prospects and known issues;
 - the Council Plan;
 - available resources
 - spending pressures;
 - government initiatives and public policy requirements;
 - internal policy directives;
 - cross cutting issues and Council priorities.
 - f) determining the detailed form of revenue estimates consistent with the budget approved by Full Council after consultation with the Executive and corporate directors;
 - g) reporting to the Executive on the aggregate spending plans of directorates and on the resources available to fund them, identifying any implications for council tax levies;

- h) advising on the medium term implications of spending decisions and funding options;
- i) encouraging the best use of resources and value for money by working with corporate directors and other Chief Officers to identify opportunities to improve economy, efficiency and effectiveness and by encouraging good practice in conducting financial appraisals of growth or savings and developing the financial aspects of effective service planning;
- j) where relevant and appropriate seeking to recover the cost of the service overheads when 'trading' with other organisations;
- k) advising the Full Council on the Executive's budget proposals in accordance with his/her responsibilities under S151 of the Local Government Act.

6 Corporate directors and directors are responsible for ensuring:

- a) budget estimates of income and expenditure are a realistic reflection of agreed corporate and service priorities, and that they are submitted to the Executive as part of the overall budget setting process. These estimates must be consistent with any relevant cash limits, the annual budget cycle and prepared in line with guidance issued by the Executive on the advice of the CFO. In drawing up draft budget plans corporate directors and directors must have regard to;
 - spending patterns and pressures revealed through the budget monitoring process;
 - legal requirements;
 - policy requirements as defined by Full Council and set out in the policy framework;

- initiatives already under way.

- b) effective budgetary control within their directorates, establishing detailed budgets for each service area in advance of the financial year and requiring such budgets to be properly managed by responsible named budget holders;

- c) financial and budget plans are integrated into service planning.

- d) If corporate directors or directors are unable to keep within their agreed budget limits they must consult with the CFO, who has a statutory duty to report any significant issues to Members.

Budget monitoring and control

- 7 The Council budget sets an annual cash limit. To ensure the Council does not exceed its budget, each service area is required to manage its own income and expenditure within the cash limited budgets allocated to them to be spent on agreed service activities and functions.

- 8 The CFO is responsible for establishing a robust framework of budgetary management and control that ensures that:
 - a) budget management is exercised within annual cash limits;

 - b) appropriate and timely financial information is available to Chief Officers and budget holders that enables budgets to be monitored and controlled effectively;

 - c) expenditure is committed only against approved budget heads and associated structure of detailed cost centres;

 - d) all officers responsible for committing expenditure comply with these Regulations;

- e) each cost centre is delegated to a named budget holder to be determined by the relevant Chief Officer (budget responsibilities should be aligned as closely as possible with those making day to day decisions to commit expenditure);
 - f) significant variances from budget are investigated and reported by budget holders on a regular basis.
- 9 The CFO must monitor and control the level of income and expenditure against budget allocations overall. He/she must ensure that monitoring reports are provided through the finance and performance monitoring framework for Members to consider on a regular basis throughout the financial year (to be determined and advised by the CFO) and a report after the year end setting out the revenue outturn. Budget monitoring reports must include:
- a) explanations of all variations to service budgets where deemed appropriate by the CFO;
 - b) explanations of financial implications and material considerations such as:
 - part and/or full year consequences of variances;
 - one off and/or recurring costs and income;
 - total scheme costs and sources of funding;
 - asset rental costs or leasing effects;
 - costs associated with staffing matters including the costs of redundancy and effects on the pension fund;
 - service plan implications and impact on service delivery (both within the service plan

area and across other services or portfolios as appropriate).

- 10 Reports containing budget monitoring information must be reviewed by the CFO, or by his/her nominated representative(s) (where not otherwise prepared by his/her nominated representative in directorates) at least 5 working days in advance of the relevant committee distribution date.
- 11 Any overspending on service estimates in total on budgets under the control of a director must be reported by the CFO to the Executive. Where overspending is such that it appears the overall budget will be exceeded, and there is a need for an additional call on the council reserves the CFO must report the issue to full council.
- 12 Schools' balances will be available for carry forward to support the necessary expenditure of the school concerned. Where an unplanned deficit occurs, the governing body shall prepare a detailed financial recovery plan for consideration by the corporate director for people and the Executive Member concerned in consultation with the CFO.
- 13 Schools must prepare a plan to recover the deficit within a defined period. In exceptional circumstances schools may seek to incur expenditure to be financed by anticipating future year budgets. Any such arrangement must be approved by the relevant Executive Member and proposals to do so accompanied by a detailed plan setting out how the arrangement is to be accommodated as a first call on their future budget share.
- 14 The CFO is also responsible for:
 - a) reporting to the Executive and Full Council in consultation with the relevant Corporate Director if he/she is unable to balance expenditure and resources within their existing budgets and a supplementary estimate is required;

- b) reporting to the Executive regarding virements which are in excess of £500,000 (either as individual items in-year or when taken in aggregate across the same category of budgeted income or expenditure in a particular service plan in any one financial year);
- c) reporting regularly to the Executive (as determined and advised by the CFO) on the overall revenue budget position and the Council's available contingencies, balances and reserves.

15 It is the responsibility of Corporate Directors and Directors to:

- a) ensure effective budgetary control arrangements exist and are observed within their own directorates in accordance with these Regulations;
- b) ensure spending remains within the relevant cash limits by controlling income and expenditure within their directorate, monitoring performance and taking corrective action where significant variations from budget are forecast, taking account of any financial information and/or advice provided by the CFO or his/her nominated representative(s).
- c) regularly report performance and variances within their own areas and take action to avoid exceeding their budget allocation, alerting the CFO to any known or expected budget problems;
- d) report to the Executive and Full Council as necessary the financial implications of any new in-year proposal or amendment that will:
 - create financial commitments in future years;
 - change existing policies, initiate new policies or result in existing policies ceasing to operate;

- materially extend or reduce the Council's services.

- 16 Further guidance is available in the Budget manager guidelines which form part of the supplementary guidance to these regulations:

Medium term financial planning

- 17 Medium term financial planning allows the Council to think beyond the constraints of any given financial year and annual budget and prepare for future events. The CFO is delegated as part of the final accounts process to make proper provision for known future commitments, and approve carry forward of budgets, which are consistent with agreed budgetary and/or policy framework.
- 18 The CFO is responsible for reporting a financial strategy to the Executive for recommendation to Full Council. This will set out the overall medium term financial issues facing the Council, and consider the actions the council may need to take.

Schemes of virement

- 19 The term virement refers to transfers of resources between or within approved cost centres for both revenue and capital purposes. A virement does not create additional budgetary liabilities. Instead the virement mechanism exists to enable the Executive, Chief Officers and their Officers to manage their budgets with a degree of flexibility within the overall policy framework and budget set by Full Council, thereby optimising the use of resources throughout the financial year. The virement schemes for revenue and capital do not exist as a means of remedying poor budgetary control or financial planning for known commitments and service priorities, or otherwise excuse Chief Officers and budget holders from the need to manage their budgets prudently and responsibly. Nor may virements be effected after the year end to

retrospectively fund over or under spends unless approved in advance by the CFO.

- 20 It is important that the scheme is carefully controlled within guidelines established by Full Council and administered by the CFO. Any variation from those guidelines must be approved by Full Council. All virements must:
- not commit the Council to any on-going additional expenditure in future years unless virements are permanent redirections of resources;
 - be notified in writing to the CFO or his/her nominated representative;
 - be reported in budget monitoring reports to the Executive in accordance with the scheme of virement operated by the Council
 - be recorded in the Council's financial systems.
- 21 The scheme of revenue virement and agreed thresholds for delegated decision making purposes is set out below. Further guidance is available for Finance Teams within the Virement Policy which forms part of the supplementary guidance to the financial regulations.

Scheme of revenue virement delegations

Decision maker	Delegated powers & authority	Thresholds

	To approve virements from within existing Service Plans or between Service Plans within their Directorates into new or otherwise unplanned functions and activities if savings are available to vire into the new activity. The Capital Programme

- 22 The capital programme is a plan that sets out the resource allocations to be made to capital schemes that have the approval of Full Council. Capital expenditure involves acquiring or enhancing fixed assets with a long term value to the organisation, such as land, buildings, major items of plant, equipment or vehicles
- 23 The Regulations and standards relating to budgetary management and control of the revenue budget apply equally to capital expenditure and any changes to revenue budgets arising out of changes to the capital programme must be dealt with accordingly. All capital expenditure is incurred or committed on a scheme by scheme basis. Capital expenditure must be reported gross of any funding and controlled at that level.
- 24 No expenditure may be incurred on a project unless it has been approved as part of the capital programme. Equally, no scheme requiring Government sanction or funding either in full or in part may begin until the sanction and/or funding has been officially confirmed. All credit agreements must be referred to the CFO for approval prior to schemes being included in the programme.
- 25 All capital expenditure must be incurred by 31 March of the financial year for which it is approved, although approvals can be slipped provided the position is

reported to the Executive, unless there is an external requirement to spend within any given year. Where schemes are part of a rolling programme or span a number of years, approval is required for each year's expenditure when the scheme is approved for inclusion in the Programme.

- 26 As with the revenue budget, it is possible to vire between schemes within the approved capital programme where known funding shortages and/or underspends have arisen. The same rules and principles set out in paragraphs 19-21 above for revenue virement apply to the capital programme. If shortfalls in funding or overspends cannot be met by transferring resources between schemes within the agreed capital programme, requests of additional funding from reserves must be prepared by the relevant Corporate Director in consultation with the CFO for approval by the Executive. The scheme of capital virement and thresholds for delegated decision making purposes is set out in the table below.

Scheme of capital virement delegations

Decision maker	Delegated powers & authority	Thresholds
The Executive	To approve individual virements between schemes in excess of £500k	Over £500k
	To re-phase approved scheme expenditure between years in excess of £500k for each scheme	Over £500k
Corporate Directors	To approve individual virements between schemes in excess of £100K up to a maximum of £500k in consultation with the relevant Executive Member. Any virement	Over £100K and Up to and including £500k

that affects the council's policy framework will be referred to full council

To approve individual virements between schemes up to a maximum of £100k

Up to and including £100k

- 27 In relation to the capital programme the CFO is responsible for:
- a) ensuring that an annual capital programme is prepared for consideration by the Executive for recommendation to Full Council;
 - b) reporting to the Executive on income, expenditure and resources compared with approved estimates;
 - c) issuing guidance on capital schemes and controls and defining what will be regarded as capital having proper regard to Government regulations and accounting conventions;
 - d) ensuring that all schemes relying on the use of prudential borrowing powers for funding purposes are properly appraised on the basis of a robust business case as part of the CRAM process.
 - e) managing the CRAM process;
 - f) maintaining a record of the current capital budget and expenditure on the Council's financial systems.
- 28 In relation to the capital programme Corporate Directors and directors are responsible for:
- a) complying with the guidance issued by the CFO regarding capital schemes and controls;

- b) ensuring that all capital schemes put forward for consideration in the CRAM process have been properly appraised and that each scheme and estimate includes a proper project plan, progress targets and sets out the sources of funding for the scheme including all associated revenue expenditure;
- c) preparing regular reports reviewing the capital programme provisions for their services;
- d) ensuring adequate records and audit trails are maintained in respect of all capital contracts;
- e) monitoring capital expenditure and receipts against approved capital budgets on a scheme by scheme basis and reporting to the relevant Executive Member on a regular basis in accordance with the standard revenue budget monitoring arrangements set out above;
- f) reporting to the Executive if proposed sources of funding are not secured (if planned funding from linked assets sales or external grants and contributions cannot be realised, corporate funding support must be sought).

Reserves & balances

- 29 Financial reserves and balances are maintained as a matter of prudence against unforeseen events and future contingencies. The CFO is responsible for advising the Executive and Full Council on prudent levels of reserves and balances for the Council as part of the annual budget setting process based on a reasoned assessment of risk.
- 30 The Council must decide the level of its general reserves in determining the level of council tax. The purpose, usage and basis of transactions must be clearly set out in respect of each of the reserves and balances held by the Council.

The Venture Fund

- 31 The Council maintains a venture fund as part of its reserves designed to provide some capacity to support one-off 'invest to save' type initiatives that might otherwise struggle to secure funding in the annual budget setting process.
- 32 Officers are able to bid for venture fund monies with a view to any advances from the venture fund being repaid within a 7 year period at an internal borrowing rate fixed in relation to the councils consolidated rate of interest to be determined by the CFO. All bids to the Venture Fund must be made in the form of a business case setting out the nature and purpose of the proposal, forecast income and expenditure and payback period.
- 33 CFO has delegated authority to approve bids up to £100,000 from the venture fund, in consultation with the leader. Delegated decisions will be advised to the Executive as part of the budget monitoring and reporting process. Bids in excess of £100,000 must be referred to the Executive for approval.

Prudential Borrowing

- 34 In addition to the venture fund, in accordance with Local Government Act 2003 and the Prudential Code, departments can put forward business cases for prudential borrowing. This is for schemes of a capital nature only and would normally be approved as part of the annual capital programme budget process. However, there will be opportunities that arise during the year where a capital scheme can be approved using prudential borrowing outside of this process.
- 35 All bids are referred to the Executive for approval. The required interest rate is the consolidated rate of interest of the loans portfolio. The length of the prudential borrowing will be supported by the business case, taking into consideration the life of the asset.
- 36 The CFO has delegated authority to approve the length of the repayment period for all borrowing to ensure that borrowing matches the asset life. This will ensure value

for money allowing prudential borrowing repayment periods to alter as asset life changes.

Part C**Audit & Risk Management****Audit & inspection**

- 1 Audit is a key management tool that Members and Chief Officers should rely on to provide an independent and objective assessment of the probity, legality and value for money of Council arrangements. It examines, evaluates and reports on the adequacy of internal systems of control in the proper, economic, efficient and effective use of resources. Legislation requires that the Council provides for the function of both internal and external audit services.
- 2 The statutory requirement for the Council to maintain "*an adequate and effective system of internal audit*" is set out in Regulation 5 of the Accounts and Audit Regulations Act 2003, as amended by the Accounts & Audit (Amendment) (England) Regulation 2006 and further to S151 of the Local Government Act 1972.
- 3 In summary, the service exists to:
 - a) provide assurance to Members, Chief Officers and the general public on the effective operation of governance arrangements and the internal control environment operating at the Council;
 - b) objectively examine, evaluate and report on the probity, legality and VFM of Council arrangements for managing all items of income, expenditure and safe-guarding assets;
 - c) review arrangements for ensuring proper accounting controls, systems and administration are maintained and make recommendations for action and improvement;
 - d) help to secure the effective operation of proper controls to minimise the risk of loss, the inefficient use of resources and the potential for fraud and other wrongdoing;

- e) act as a means of deterring all fraudulent activity, corruption and other wrongdoing, conducting investigations into any matter referred to it for investigation by management or officers and members of the public and reporting its findings to Corporate Directors and Members as appropriate for action;
- f) undertake the prioritised investigation of all instances of alleged housing benefit fraud and prosecute those cases where fraud has been identified to protect the Council and fiduciary interests of the community and the public purse;

- j) review the Council's arrangements for ensuring the income and expenditure of the organisation is properly and regularly monitored in line with the budget setting, monitoring and reporting requirements set out in these Regulations;
- k) advise Officers and Members of value for money issues and/or the poor or inappropriate use of Council resources and make recommendations for improvement;

- l) review the optimisation of income generation opportunities from grants and subsidies monies available from Government;
 - m) advise the CFO of any appropriate action necessary to safeguard the fiduciary interests of the Council and current and future council tax payers.
- 4 The council's audit & fraud provider is a wholly local authority owned company (Veritau) in which the council has two director appointments (CFO & portfolio holder)
- 5 The internal audit & fraud provider and the external auditors must be allowed to act independently and objectively in their planning and operation without undue influence by either Directors or Members.
- 6. The CIA is designated by the CFO. He/she, or his/her nominated representative(s), has rights of direct access and reporting to the CFO, the client officer for the audit & fraud provider (nominated by the CFO), all Corporate Directors and Members. CIA staff have rights of access to all Council buildings and properties, information and data at all reasonable times.
- 7. The Public Sector Audit Appointments Ltd (PSAA) is responsible for appointing external auditors to Councils, an appointing person under provisions of the Local Audit and Accountability Act 2014, which also sets out the duties of the external auditor. These variously include rights of access and the right to report publicly on their findings and recommendations. The external auditors must comply with the provisions of a Code of Audit Practice in planning and conducting their work. This includes the audit of the Council's financial statements, the financial aspects of corporate governance and performance management. The work of the council's auditors is reported to the Executive and Full Council in his/her annual audit letter.
- 8. The Council may also be subject to audit, inspection or investigation by external bodies such as HM Revenues

& Customs, and various other Inspectors of service at any time.

Preventing fraud & corruption

9. The Council will not tolerate fraud or corruption in the administration of its responsibilities, whether perpetrated by Members, Officers, customers of its services, third party organisations contracting with it to provide goods and/or services, or other agencies with which it has any business dealings. There is a basic expectation that Members and all Officers will act with integrity and with due regard to matters of probity and propriety, the requirement to act lawfully and comply with all rules, procedures and practices set out in legislation, the Constitution, the Council's policy framework and all relevant professional and other codes of practice. To that end the Council has adopted an anti-fraud and corruption strategy, fraud prosecution policy, anti-money laundering policy and whistle-blowing policy along with codes of conduct governing the behaviour of Members and Officers.
10. All Officers and Members of the Council must inform the CIA immediately if they suspect or know of any impropriety, financial irregularity, fraud or corrupt practice. The CIA is responsible for determining the nature of any investigation work required in respect of any allegation of wrong doing, and/or any other action required and may refer matters to the police or other appropriate external body as he/she sees fit in consultation with the contract client officer (as nominated by the CFO)
11. The internal audit & fraud providers are required to investigate all referrals of fraud at the direction of the CIA and client manager and in doing so have:
 - a) rights of access to all Council premises and property, all data, records, documents, and correspondence relating to any financial matter or any other activity of the Council;

- b) the right to require any Officer or Member to provide any information or explanation needed in the course of their investigations;
- c) the right to prosecute cases of benefit related fraud in the courts;
- d) the right to refer investigations to the police in consultation with the relevant Chief Officer(s), client manager and CFO.

12. In addition, the CIA should to:

- a) refer cases directly to the police if he/she believes that normal consultation practices would compromise the integrity of the investigation against the interests of the Council or the general public;
- b) notify the council's auditors of any matter that they would rightly expect to be informed of in order to support the function of an effective and robust external audit service;
- c) require any Officer or Member to:
 - make available such documents relating to the accounting and other records of the Council that are necessary for the purpose of the audit;
 - supply any information or explanation considered necessary for that purpose.

Managing risk

13. Risk management is inherent to good management practice and essentially; it is concerned with identifying potential events (risks), establishing what could go wrong (threats) and the potential for success (opportunities) with the aim of trying to achieve the right balance between the two. The outcome from proper risk consideration ensures that managed controls are in place and the effective prioritisation and allocation of

potentially scarce resources to the most appropriate area (high risk), to ensure service continuity and performance improvement.

14. It is essential that robust, integrated systems are developed and maintained for identifying, evaluating and managing all significant strategic, project and operational risks to the Council. This should include the proactive participation of all those associated with planning and delivering services
15. The CFO is responsible for preparing the Council's risk management policy & strategy and for promoting it throughout the Council.
16. It is the responsibility of Chief Officers to ensure there are regular reviews of risk within their areas of responsibility having regard to advice from the Council's risk management service and other specialist officers (e.g. health and safety).
31. Full details of the way that the Council manages its risks are set out in the risk management policy and strategy and form part of the supplementary guidance to these regulations.

Insurance

18. The Chief Finance Officer is responsible for:
 - effecting all relevant insurances and dealing with all claims;
 - operating an internal insurance account(s) for some risks or elements of risk not covered by external insurance policies and is authorised to charge the various Council service budgets with the cost of contributions to this account;
 - reviewing, at least annually, all insurances.
19. It is the responsibility of Chief Officers to:
 - advise the CFO of all new risks, properties, vehicles or potential liabilities for which insurance

may be required; and of any changes affecting existing risks or insurance cover required;

- notify the CFO in writing without delay of any loss, liability or damage or any event likely to lead to a claim, and shall provide such information and explanations required by the CFO or the Council's insurers;
- ensure that employees, or anyone covered by the Council's insurances, do not admit liability or make any offer to pay compensation that may prejudice the assessment of liability in respect of any insurance claim.

Part D

Systems & procedures

Introduction

- 1 Good systems and procedures are essential to the effective management and administration of the Council's financial affairs. This section covers:
 - Accounting systems
 - Income
 - Expenditure
 - Banking arrangements
 - Treasury management
 - Taxation
 - Stock & stores
 - Trading accounts

Accounting systems

- 2 The Council relies on a variety of different financial and accounting systems in controlling and administering the finances of the organisation. It is vital that these systems ensure information is recorded accurately, completely and in a timely manner and that all necessary controls are in place to ensure that all transactions are properly processed and any errors detected promptly and rectified.
- 3 The CFO is responsible for:
 - determining the Council's main accounting system for the preparation of the Council's accounts and for monitoring all income and expenditure. The main accounting and budgeting system used at the Council is known as the financial management system (FMS);
 - determining any other key financial systems which may sit outside the FMS;

- ensuring that all financial systems are sound and properly integrated and interfaced;
 - issuing advice, guidance and procedure notes on the use and maintenance of FMS and related financial systems and for ensuring that all finance Officers are trained and competent in the using financial systems.
- 4 Corporate Directors have devolved responsibility for the finances of their directorates and must ensure that proper accounting and financial systems exist and incorporate adequate internal controls to safeguard against waste, loss or fraud. They must also ensure that officers in their Directorates are aware of and have access to copies of these Regulations and any supplementary advice and guidance issued by the CFO.
- 5 Further to this, Corporate Directors are specifically responsible for:
- a) ensuring all accounting records are properly maintained and held securely, including any supporting vouchers, documents, contracts etc with financial implications;
 - b) ensuring FMS is used as the prime means of monitoring expenditure and income in their departments and for comparing spend against budgets, except and unless the CFO advises or agrees that alternative arrangements may be made;
 - c) ensuring that FMS is used to accurately record the financial transactions of their departments in accordance with the advice and guidance given by the CFO and in a way that ensures compliance with all legal requirements, proper accounting practice and enables returns to be made to central government, taxation authorities and other relevant bodies and provides a complete audit trail;

- d) the effective operation of financial systems within their own directorate to the extent that they are operated and controlled within their directorate;
- e) ensuring regular reconciliations between other departmental systems of financial administration with the Council's financial management systems (FMS);
- f) reporting systems failure to the CFO and consulting with him/her about any changes or new developments;
- g) ensuring there is a documented and tested disaster recovery plan as part of an agreed business continuity strategy for financial administration;
- h) ensuring that systems are documented and all Officers have been properly trained in their use.

Income

- 6 Income can be a vulnerable asset and effective income collection systems are necessary to ensure that all income due is identified, collected, receipted and banked properly. It is preferable to obtain income in advance of supplying goods or services as this improves the Council's cash flow in line with the Council's income policy that forms supplementary guidance to these regulations.
- 7 The council has moved away from accepting cash except where this is unavoidable any cash received must be acknowledged by the issue of an official receipt and all monies then accounted for and paid directly into an approved bank account. Details of all cash receipted on a local basis must be forwarded to the CFO for allocation to the correct accounts.
- 8 Income must never be used to directly fund expenditure (i.e. all transactions must be shown separately in the ledger, both income and expenditure). Officers are directly responsible for the safe custody of any money

received until it has been paid into the bank or handed over to another officer. Receipts should be given and retained in such circumstances.

9. Procedures for writing off debts shall be as follows. Further guidance is available in the Corporate Debt Policy which forms part of the supplementary guidance to these regulations:

Decision maker	Delegated powers & authority	Thresholds
The Executive	Amounts exceeding £200,000 may only be written off on the authority of the Executive. The CFO shall maintain a record of all such write-offs showing attempted recovery action taken and the justification for non-recovery.	Over £200k
Executive Member	Amounts over £100,000 and not exceeding £200,000 on the authority of the Executive Member (Corporate Services) in consultation with the CFO. The CFO shall maintain a record of all such write-offs showing attempted recovery action taken and the justification for non-recovery	Over £100k and up to and including £200K
CFO	Amounts up to and not exceeding £100,000 on the authority of the CFO. The CFO shall maintain a record of all such write-offs showing attempted recovery action taken and the justification for non-recovery.	up to and including £100k
Chief Officers	Amounts up to and not exceeding £5000 may be written off by any Chief Officer in consultation with the CFO, who shall maintain a record of	up to and including £5k

all such write-offs showing attempted recovery action taken and the justification for non-recovery.

- 10 The CFO has the power to award discretionary rate relief up to the state aid limit in consultation with Executive. In the case of urgency the decision can be made by the CFO in consultation with the relevant Executive Member. The fully Government funded business rate relief awards announced at regular intervals (usually in the Autumn Statement) can be awarded by the CFO or his nominated officer.
11. The CFO is responsible for making arrangements for the collection of all income due to the Council and approving the procedures, systems and documentation used in its collection in line with the corporate debt management policy. Regularly reviewing all fees and charges levied by services and ensuring they are set with due regard to comparable market rates, the legal responsibilities of the organisation, the income policy and any relevant social or economic policy objectives set out in the Council's policy framework
12. Corporate Directors and Directors are responsible for:
 - a) collecting income for which there is budget provision within the budgets for which they are responsible;
 - b) using the systems for the collection and recording of cash and credit income provided by the CFO unless they have the approval of the CFO to make alternative arrangements;
 - c) the proper separation of duties between Officers raising accounts and those responsible for income collection;

- d) collecting all income and initiating all appropriate recovery action for debts that are not paid promptly where local arrangements for doing so have been agreed with the CFO;
- e) requiring at least two Officers to be present when post is opened to ensure any money received in that way is properly identified, recorded and safeguarded;
- f) issuing official receipts as necessary and maintaining all other documentation for income collection purposes and ensuring controlled stationery is securely stored;
- g) keeping all income received in secure storage and ensuring cash holdings do not exceed insurance limits;
- h) ensuring all income is paid fully and promptly into approved bank accounts in the form in which it is received and that all details are properly recorded on paying in slips which are retained for audit trail purposes. Money collected and deposited must be reconciled to the bank account on a regular basis;
- i) ensuring income is not used to cash personal cheques or used to make other payments;
- j) supplying the CFO with all details relating to works done, services supplied or other amounts due to be raised through the corporate invoicing system;
- k) using the councils charging policy for the supply of goods and services levied by their directorate's services and ensuring all fees and charges are set with due regard to income policy, the legal responsibilities of the organisation and any relevant social or economic policy objectives set out in the Council's policy framework;
- l) assisting in the collection of debts originating from their directorates by providing information and

taking any recovery action necessary on a local basis with the agreement of the CFO;

- m) recommending to the CFO all debts to be written off and maintaining records of all sums written off. Once raised on the accounting system, no bona fide debt can be cancelled except by full payment or by being formally written off in the accounts. Credit notes can only be issued to correct a factual inaccuracy or administrative error in the calculation and/or billing of the original debt and must not be used for any other purpose;
 - n) notifying the CFO of any outstanding income due in relation to the previous financial year as soon as possible in line with the annual timetable for the closedown of the accounts determined by the CFO.
13. All officers are responsible for the safe custody of any money received until it has been paid into the bank or handed over to another officer.
14. Full details of the way that the Council manages its income is set out in the Income Policy which forms part of the supplementary guidance to these regulations.

Expenditure

15. Expenditure may be incurred provided there is funding available through normal ordering and invoicing processes, entering into a contract arrangement, through the payment of salaries, wages and allowances, purchase cards or in exceptional circumstances through raising a payment requisition. Corporate Directors, or their nominated representatives, are authorised to incur expenditure on works, goods and services where there is an approved budget for which they are responsible, provided such expenditure is legally incurred and within the policy framework. All foreign travel to be approved by the CFO, except for: - where it is a director of the council (Chief Operating Officer to determine) or where it is the Chief Operating Officer (leader of the Council to determine). The decision should consider the total cost,

including the extent of external funding where applicable, and the overall anticipated benefits from the trip. Expenditure must be shown separately to income and expenditure proposals that attract amounts of income must be shown gross in the accounts. The determination of any financial thresholds or bandings referred to by these Regulations must therefore be done with reference to the gross amount.

Ordering works, goods and services

16. Corporate Directors must use the FMS system except in the case of emergencies or if approval has been given by the CFO to an alternative arrangement.
17. Official purchase orders must be issued for all purchases including those under contract except:
 - where the supplier is on the official list of suppliers exempt from using official purchase orders;
 - purchases made through petty cash;
 - those allowed under the councils Government Procurement Card (GPC) Policy;
 - those made using a council prepaid card.
18. Official orders electronic or otherwise must be in an approved form as determined by the CFO. They may only be authorised by signatories up to the limits of their delegation as set out in the relevant directorate schemes of delegation. This record must be accurate, complete and kept up to date. If it is necessary for an oral order to be placed for any good reason, it must be followed up by an official order as soon as it is possible to do so. Orders must be clear and specific (i.e. they should state quantity, price, and nature of the goods or service etc. so that meaningful comparison between what was ordered and what has been received can be made and the invoice can be matched to the order). Official orders may not be raised for personal or private purchases. Schools have their own ordering procedures

and must abide by the regulations set out in the local management of schools scheme.

Payments for works, goods and services

19. Payments for works, goods and services must only be made:
 - on receipt of an invoice or contract certificate which satisfies VAT regulations, or;
 - where the liability for payment is clearly established and evidenced;
 - in accordance with contractual commitments;
 - in accordance with the council's policy of "no purchase order, no payment".

20. All Corporate Directors must use the FMS system unless they have the approval of the CFO to make alternative arrangements. Officers must ensure payments for works, goods and services are not made unless:
 - they are supplied in accordance with an official order, or contract, and the invoice amount/contract certificate is correct;
 - payment is in respect of a periodic account or for a service regularly supplied and the amount invoiced is properly payable;
 - a valid exception to the no purchase order no payment policy has been approved and quoted by the supplier.

21. Council purchase cards can be used for procuring goods, works and services when approved through the GPC policy. The individual transaction limit and aggregate spend limit must be approved by the CFO or his delegated representative. All transactions must be entered onto the councils FMS systems and proper separation of duties between officers ordering and/or

procuring and those authorising must be maintained. The individual transaction limit must not exceed that set out under the financial scheme of delegation unless agreed by the CFO or his delegated representative.

22. Payments in advance must be avoided except where this is the accepted practice for the type of expenditure involved (e.g. leasing payments, training, travel or conference facility fees) or where use of a council purchase card has been authorised. Advance payments in excess of £5,000 can only be made with the approval of the CFO. All sums below this amount, which are not accepted practice, can be approved by the relevant director. Where interim or part payments form part of a contract, interim certificates or part invoices must be authorised for payment only after the value of the work done or goods or services received has been confirmed.
23. A proper separation of duties must be maintained between Officer responsible for requisitioning or creating contractual commitments for works, goods and services and those authorising the commitment. Officers that authorise a requisition through the councils purchasing system (FMS) must not be responsible for receiving and checking works, services and goods (GRN) where this is required. Directors must agree alternative arrangements with the CFO if it is not practically possible to maintain an adequate separation of duties for any reason.
24. All invoices and receipts must be original documents which comply with VAT regulations (invoices and receipts scanned through the Councils EDRMS system are accepted as original documents). Invoice coding slips for use in exceptional circumstances must be properly completed detailing the correct VAT code, finance ledger codes, sufficient narrative description to allow invoices to be matched and properly described in the ledger and all necessary signatures electronic or otherwise for authorisation and payment.
25. The CFO must ensure that payments are made in an appropriate timescale that will not unduly disadvantage the Council's cash flow, result in the Council incurring

late payment penalties or prejudice the financial position of those to whom the payment is to be made. The performance standard for the payment of invoices is 30 days. This is a local performance Indicator that is monitored by CMT and reported to Executive.

Contracting for works, goods and services

26. The contract procedure rules are issued as a supplementary guidance document to these regulations and set out the specific procurement rules and procedures to be observed in contracting for the provision of works, goods and services.

Payments of salaries, wages & allowances

27. Officer costs form the largest item of expenditure made by the Council. It is important that payments are accurate, complete, timely and made in accordance with what is due consistent with the individual conditions of employment and/or the terms of any Officer or Member allowance scheme and that such payments are fully recorded and accounted for in the accounting system.
28. The CFO is responsible for providing a corporate payroll system for recording all payroll data and generating payments to employees and Members. The system must allow for the proper calculation of all pay and allowances, national insurance and pension contributions, Income Tax and all other deductions. Corporate Directors must use the corporate payroll system for all payments to employees and are responsible for ensuring that all information relating to an employee's entitlement to pay and/or the payment of allowances are forwarded to the payroll team within agreed timescales All supporting evidence of entitlement must be provided to payroll at the same time (i.e. signed timesheets, appointment forms, changes in pay scales, approval for responsibility payments etc). Schools are permitted to make their own payroll arrangements but if they choose to do so they must provide the CFO with all necessary information to provide assurance to the auditors that any alternative

system is well controlled, managed and resulting in the correct payments being made to the correct Officer.

29. All posts that are designated in legislation as being officers of the council e.g. adoption panel Members **must** be paid through payroll as the council is legally liable for tax and national insurance contributions.

Petty cash and disbursements

30. The CFO will provide petty cash floats only in exceptional circumstances to a maximum amount agreed with Corporate Directors for the purpose of meeting minor expenses where there is no alternative method of payment. Corporate Directors are responsible for ensuring all petty cash monies are securely stored and are only used for the purposes intended. VAT receipts must be provided with requests for reimbursements. All receipts and vouchers must be retained and regular reconciliations carried out and recorded by the Officer responsible for managing petty cash floats.

Detailed advice on the use and operation of school bank accounts is given in the Council's "Local Management of Schools" finance manual.
33. The CFO is responsible for ensuring regular reconciliations are carried out on at least a quarterly

- k) arranging the secure administration of funds held on behalf of third parties and partnerships ensuring that the systems and controls for administering such funds are approved by the CFO and subject to regular audit.

Leasing

- 37. All contracts that contain a 'Right of Use' asset that the Council has entered into up to 31 March of the financial year for which they are approved, (such as contracts that have the formal status of a lease arrangement and service contracts that contain an asset that the Council has use and control of throughout the contractual period) need to be reported to the CFO. This is to enable a register of such assets to be maintained to ensure that the correct accounting treatment is applied. All 'Right of Use' assets will count towards the Council's Capital Financing Requirement (CFR) and have the same implications for the Council as the addition of capital assets financed by prudential borrowing.
- 38. Where contracts above the £10,000.00 capital limit are entered into that contain a 'Right of Use' asset, Officers and Budget Managers with delegated responsibility for signing such contracts will be required to report these to

They are responsible for the receipt and custody of stock items and for writing off any items of stock. Directors must take VFM considerations into account in holding stocks and stores and ensure unnecessarily high levels of stocks are not allowed to accumulate. The value of stocks and stores held at the year-end must be certified by and authorised officers and forwarded to the CFO.
42. Procedures for the disposal of redundant stocks and equipment are set out in the guide to the disposal of assets which forms supplementary guidance to these regulations.

Inventories & asset management

43. The Council holds tangible assets in the form of property, vehicles, equipment, furniture and other items worth many millions of pounds. It also makes use of other non-tangible assets such as intellectual property. It is essential to the financial health and wellbeing of the Council that these assets are safeguarded and used efficiently and effectively in supporting the delivery of Council services. All Officers are responsible for safeguarding the assets and information used in their day to day activities and must ensure they are aware of their responsibilities in respect of the Data Protection Act, software copyright legislation, and the security of the Council's information systems. Part E

External arrangements

Introduction

- 1 The Council exercises an important community leadership role, helping to orchestrate the contributions of various stakeholders in discharging its statutory responsibilities for promoting and improving the economic, social and environmental well-being of the area.

Partnerships, joint working & grant funding

2. A grant can be defined as a contribution or subsidy (in cash or in kind) given by the Council to another organisation for a specified purpose. Grants must be conditional upon the delivery of specified standards or outputs and be subject to the production of regular monitoring reports and the delivery of agreed outcomes.
- 3 The CFO must satisfy him/herself that the accounting arrangements for all partnerships and joint ventures are proper and appropriate, including all audit and inspection requirements. He/she must also consider overall corporate governance arrangements and any legal and taxation issues when partnerships are arranged with external bodies. He/she must ensure all known risks are appraised before entering into agreements with external bodies and seek to ensure VFM is obtained.
- 4 The CFO is also be responsible for advising on the funding and financing of a project including:
 - a) financial viability in current and future years;
 - b) risk appraisal and risk management arrangements;
 - c) resourcing and taxation;

- d) audit, security and control requirements;
- e) carry forward arrangements.

5 Corporate Directors are responsible for:

- a) maintaining local registers of partnerships and entered into with external bodies in accordance with procedures specified by the CFO and providing information about those to the Head of Paid Service as required;
- b) ensuring that a risk management assessment has been carried out before entering into agreements with external bodies;
- c) ensuring that such agreements and arrangements do not impact adversely upon the services provided by the Council;
- d) ensuring that all agreements and arrangements are properly documented;
- e) providing appropriate information to the CFO to enable relevant entries to be made in the council's statement of accounts concerning material items;
- f) ensuring that the appropriate approvals are obtained before any negotiations are concluded in relation to work with external bodies.
- g) ensuring that for all instances of grant/loan funding there is:
 - i) proper consideration of the relevant interest rate payable agreed and approved by the CFO;
 - ii) an appropriate 'state aid' de minimis declaration made by the recipient organisation;
 - iii) in respect of loans a process of monitoring on at least a six monthly basis providing an update to the relevant lead officer (<=£100K), all loans above £100K will be

reviewed as part of the finance monitoring reports to Executive, to ensure delivery of outcomes and value for money

- iv) a service level agreement in place to protect the Council. (Separate guidance is available on the mandatory format, content and review of this service level agreement).

h) all grants/loans:

- i) must have prior budgetary approval, typically through the budget process;
- ii) over £100k must be approved by the Executive & CFO and must have a legally binding grant funding agreement (GFA) rather than an SLA;
- iii) must be raised using the prescribed financial ledger codes;
- iv) must use the relevant charge code and recovery route (in respect of loans);
- v) below £100,000 must be notified to the CFO who will determine whether there is existing delegation that provides authority to award the grant, or if it requires Executive approval. Where the grant is an annual grant, approval as part of the budget process will be sufficient;

External funding

- 6 External funding can prove a very important source of additional income to an authority, but funding conditions need to be carefully examined before entering into any agreement to ensure they are compatible with the aims and objectives of the Council. Councils are being encouraged to provide seamless service delivery by working closely with other agencies and service providers (both public and private). Funds from external agencies such as the National Lottery can provide additional resources for services. However, whilst the scope for funding has increased, it is usually linked to increasingly tight specifications and may not be flexible

enough to meet the aims and objectives of the Council ambitions and plans.

- 7 The CFO is responsible for:
 - a) ensuring that all external funding is received and properly recorded in the Council's accounts;
 - b) match funding requirements are considered prior to entering into any agreement and that future revenue budgets reflect these requirements;
 - c) ensuring all audit requirements are met.
 - d) Provision of standard application documentation for discretionary grants.
- 8 Corporate Directors are responsible for ensuring that:
 - a) all claims for funds are made by the due date;
 - b) the project progresses in accordance with the agreed project plan and all expenditure is properly incurred and recorded.
- 9 Full details of the way that the Council manages its external funding and grants is set out in the external funding and grants policy which form part of the supplementary guidance to these regulations.

Work for third parties

- 10 Current legislation enables the Council to provide a range of services to other bodies. Such work may enable a unit to maintain economies of scale and existing expertise. Arrangements must be put in place to ensure that any risks associated with undertaking such work is minimised and that the work is done *intra vires*. All work should be properly costed in accordance with the advice and guidance of the CFO and done on the basis of a proper contract according to the contract procedure rules set out as supplementary guidance to these Regulations.

- 11 The relevant Executive Member(s) are responsible for approving the contractual arrangements for work undertaken on behalf of a third party or external bodies. The CFO is responsible for issuing guidance with regard to the financial aspects of any third party contracts and the maintenance of the contracts register. Corporate Directors are responsible for:
- a) ensuring that appropriate insurance arrangements have been made;
 - b) ensuring that the Council is not put at risk from any bad debts;
 - e) ensuring that no contract will be subsidised by the Council;
 - f) ensuring that the service has the appropriate expertise to undertake the contract;
 - g) ensuring that such contracts do not impact adversely upon the services provided to the Council;
 - h) providing appropriate information to the CFO to allow entries to be made in the council's final statement of accounts.
 - i) ensuring that there is no conflict of interest with any third party provider

Contract Procedure Rules

These Contract Procedure Rules (CPRs) set out the key responsibilities and actions that Officers and Directors must follow when undertaking procurements.

All procurements and contracting arrangements made by or on behalf of the Council must be carried out in accordance with these CPRs. Rule 25 sets out the only circumstances in which the other Rules are specifically excluded or may be waived. Appendix A contains a series of definitions. Any term which is defined is shown in the CPRs beginning with a capital letter.

Maintained Schools

Where Maintained Schools enter into Contracts, they do so as agents of the Council. Accordingly Maintained Schools must follow these CPRs in addition to the York Scheme for Financing Schools (the **Scheme**), except where specifically stated otherwise. Where any conflict exists between these CPRs and the Scheme, the rules of the Scheme shall prevail.

Specific governance thresholds for Maintained Schools are set out in Appendix B. These are to be used in place of the thresholds contained at Rule 8.

For the purposes of these CPRs, the Authorised Officer for a Maintained School shall be the Head Teacher and the Chief Officer and/or Director shall be the Governing Body.

1. Basic Principles and Compliance

All procurement procedures and every Contract entered into by the Council must:

- 1.1 realise value for money by achieving the optimum combination of whole life costs, and quality of outcome;
- 1.2 be consistent with the highest standards of integrity;
- 1.3 operate in a transparent manner;
- 1.4 ensure fairness in allocating public contracts;

-
- 1.5 comply with all legal requirements including the Procurement Regulations and any other applicable international treaty principles of proportionality, mutual recognition, transparency, non-discrimination and equal treatment;
 - 1.6 comply with the Council's Constitution, these CPRs and the Council's Financial Regulations;
 - 1.7 comply with the Council's strategic objectives and policies, including the Council's Procurement Strategy and the Council's Employee and Member Codes of Conduct; and
 - 1.8 comply with the guidance set out in the Procurement Toolkit which should be read in conjunction with these CPRs;

These CPRs are applicable to the contracting activities of any Strategic Partnership for which the Council is the Accountable Body unless the Council expressly agrees otherwise.

2. Officer Responsibilities

2.1. Authorised Officers

2.1.1 Authorised Officers must comply with these CPRs, the Council's Constitution and all UK and applicable international legal requirements. Authorised Officers must ensure that any agents, consultants and contractual partners acting on their behalf also comply with these requirements.

2.1.2 Authorised Officers must:

- (i) ensure, in relation to any proposed procurement, that the proposed procurement expenditure is contained in a Forward Procurement Plan and contained within a approved budget secured prior to commencement of the procurement in accordance with the Financial Regulations;
- (ii) keep the records required by Rule 5 of these CPRs;
- (iii) take all necessary procurement, legal, risk & insurance, financial, data protection and

-
- professional advice, taking into account the requirements of these CPRs;
- (iv) prior to carrying out a procurement process or letting a Contract on behalf of the Council, check whether:
 - (A) the Council already has an appropriate Contract in place in the Contracts Register; or
 - (B) an appropriate national, regional or other collaborative contract is already in place.
 - (v) ensure that if the Council already has an appropriate Contract in place, that it is used, (unless it can be established that the Contract does not fully meet the Council's specific requirements (to be determined on a case by case basis)), following consultation with Commercial Procurement and Legal Services;
 - (vi) ensure that if an appropriate national, regional or collaborative contract is available, consideration is given to using this, provided the contract offers Best Value. Authorised Officers must consult with Commercial Procurement to discuss;
 - (vii) ensure that when any employee, either of the Council or of a Supplier, may be affected by any transfer arrangement, then any TUPE issues are considered and legal and HR advice from within the Council is obtained prior to proceeding with the procurement exercise;
 - (viii) consult with all relevant stakeholders including Members, trade unions and service users where TUPE may apply to identify and assess all options to ensure the Council's required outcomes are achieved;
 - (ix) in consultation with Commercial Procurement establish a written specification and evaluation

criteria (where competition is involved) and procurement methodology which must be formally approved at the relevant governance thresholds outlined in Rule 8 - Powers and Key Decisions (note the relevant decision making body as identified in the governance thresholds may give Authorised Officers written delegated authority to define the specification and evaluation criteria themselves);

- (x) consult and seek advice from Commercial Procurement and Legal Services prior to beginning a procurement where:
 - (A) TUPE applies; and/or
 - (B) the procurement exceeds £100,000 in aggregate for the whole contract period (including any extensions).
- (xi) register all completed procurements with a value of £5,000 or more on the E-Sourcing System.

2.1.3 Failure to comply with any of the provisions of these CPRs, the Council's Constitution, UK law or other applicable international legal requirements will be brought to the attention of the Monitoring Officer, Head of Internal Audit, or relevant Director as appropriate. Depending on the nature of the non-compliance this may result in disciplinary action being taken.

2.2 Chief Officers

Chief Officers must:

- 2.2.1 ensure their service area complies fully with the requirements of these CPRs;
- 2.2.2 ensure contracts are recorded in the Contracts Register as held and maintained by Commercial Procurement;
- 2.2.3 work with Commercial Procurement to identify the total expenditure relating to a particular category of spend by developing a Category Plan;

- 2.2.4 ensure that their service area provides the requisite information to allow Commercial Procurement to maintain and update the Forward Procurement Plan;
- 2.2.5 ensure all procurement activity is undertaken by suitably skilled and experienced staff;
- 2.2.6 report any breaches of these CPRs to the Monitoring Officer and Chief Finance Officer.

3. Relevant Contracts

3.1 All Relevant Contracts must comply with these CPRs. A Relevant Contract is any arrangement made by, or on behalf of, the Council for the carrying out of works or the provision of supplies or services. These include arrangements for:

- 3.1.1 the supply or disposal of goods;
- 3.1.2 the carrying out of building or engineering works
- 3.1.3 the hire, rental or lease of goods or equipment;
- 3.1.4 the delivery of services, including (but not limited to) those related to:
 - (i) the recruitment of staff;
 - (ii) land and property transactions;
 - (iii) financial and consultancy services.

3.2 The following will not be classed as Relevant Contracts:

- 3.2.1 contracts of employment which make an individual a direct employee of the authority;
- 3.2.2 subject to Rule 3.3, agreements relating solely to the acquisition, disposal, or transfer of land (to which the Financial Regulations apply);
- 3.2.3 subject to Rule 4, the payment of grants to third parties;
or

3.2.4 those contracts/arrangements which are specifically excluded in accordance with Rule 25.9 below.

3.3 Any acquisition, disposal, or transfer of land which involves elements requiring the supply of works, goods and/or services to or on behalf of the Council will be treated as Relevant Contract and these CPRs apply to all aspects of the procurement of those works, goods and/or services. Officers must ensure that they consult with Legal Services as appropriate to ensure compliance with this Rule 3.3.

4. Grants

4.1 Where the Council is required to carry out works or deliver goods or services, the Council cannot elect to award a Grant where the sole purpose for doing so would be to avoid conducting a competitive tender process in accordance with these CPRs.

4.2 Taking into account Rule 4.1 above, Directors shall consider when procuring the provision of services, supplies or works whether a Grant would be a preferable means to achieving its objectives rather than following a competitive bid process.

4.3 A Grant may only be awarded in circumstances where:

4.3.1 there is the legal power to make a Grant for the purpose envisaged; and

4.3.2 the making of the Grant does not contravene UK, EU or any other applicable international rules on state aid.

4.4 Where the value of a Grant is less than [£175,000] over 3 years, the Director shall have the discretion to conduct a competitive application process for the award of that Grant if doing so demonstrates best value for the Council. If a Director is not conducting a competitive application process then the Best Value Form must be completed to capture the rationale for the decision.

4.5 Where the value of the Grant exceeds [£175,000] over 3 years but is less than the relevant Procurement Threshold a competitive grants process must be completed. The opportunity must be advertised on the E-Sourcing System.

- 4.6 Where the value of a Grant exceeds the relevant Procurement Threshold, a competitive process must be completed and the opportunity must be advertised on the E-Sourcing System.
- 4.7 The Authorised Officer shall take all such steps as are appropriate to monitor and review the performance of the Grant agreement, having regard to its value, nature, duration and subject matter. As part of the Grant monitoring and review process the Authorised Officer shall maintain adequate records of performance and details of review meetings with the Grant recipient.

5. Records

- 5.1 The Procurement Regulations require Contracting Authorities to maintain the following comprehensive records of procurement activities:
- 5.1.1 contract details including value;
 - 5.1.2 selection decision;
 - 5.1.3 justification for use of the selected procedure;
 - 5.1.4 names of bidding organisations, both successful and unsuccessful;
 - 5.1.5 reasons for selection and rejection;
 - 5.1.6 reasons for abandoning a procedure;
 - 5.1.7 details of sub-contractors;
 - 5.1.8 conflicts of interest identified and action taken.
- 5.2 The outcome of any competitive procurement process must be recorded in electronic format on the E-Sourcing System. Information from the E-Sourcing System will also be used for the tracking of procurement savings, sustainability benefits, and other data.
- 5.3 Commercial Procurement maintains the Contract Register which records key details of all Contracts (including contract reference numbers) with an aggregate value of £5,000 or more.

- 5.4 Where a Contract has not been awarded using the E-Sourcing System, Officers must ensure full details of that Contract are passed to the Chief Procurement Officer for inclusion in the Contract Register where the aggregate value of the Contract is £5,000 or more. Decisions as to why the E-Sourcing System was not used must be recorded in writing and sent to Commercial Procurement.
- 5.5 Full records of all contract documentation, quotations, estimates, tenders and any other correspondence pertinent to the award or acceptance of a Contract must be kept by Commercial Procurement for the duration of the Contract and a minimum of six years after the Contract has expired or twelve years after the Contract has expired where it is executed under common seal as a deed.
- 5.6 It is the responsibility of Chief Officers to ensure that all Contracts are properly entered into, administered and controlled to safeguard the Council's interests, secure Best Value and minimise the risk of theft, fraud and corruption.
- 5.7 Officers must comply with any Council requirements to record decisions on the Officer Decision Log.

6. Risk Assessment

- 6.1 All procurements which require an Invitation to Tender and/or Requests for Quotation (see Rule 11 below), must be supported by a risk assessment (where appropriate). This risk assessment must be carried out at the start of the procurement process and, where appropriate, will include a Financial Appraisal in accordance with Rule 17.2.
- 6.2 The risk assessment process will identify where further specialist advice should be sought.
- 6.3 The approved risk log and matrix are available from Commercial Procurement.

7. Advertising

- 7.1 Officers must liaise with Commercial Procurement to ensure that the minimum advertising requirements are met in line with the

Procurement Regulations when conducting any procurement process (including Framework Agreements or Dynamic Purchasing Systems). Officers should refer to the further guidance in the Procurement Toolkit.

7.2 Where Contracts with a value of £25,000 and above are advertised **anywhere**, they must also be advertised on Contracts Finder. This applies to Contracts that otherwise fall outside the scope of the Procurement Regulations.

7.3 Where Contracts have a value above the Procurement Threshold they must also be advertised on Find a Tender.

8. Powers and Key Decisions

8.1 This Rule does not apply to Maintained Schools, who must consult the governance thresholds contained at Appendix B.

8.2 In consultation with the Monitoring Officer, Directors must ensure that the Council has the legal power to enter into any Contract.

8.3 Directors must ensure that they have delegated powers to enter into any Contract or to grant another Officer authority to do so.

8.4 No Contract will be entered into unless an adequate budget is in place.

8.5 Rules 8.5 to 8.10 outline the governance thresholds required for all aspects of governing a procurement process.

8.6 Where a decision has already been made by Executive or an Executive Member and the budget is in place to permit a course of action then further approval is not required to award Contracts necessary to implement that decision.

8.7 Where schemes are included in the Capital Programme this has already been approved and further Executive approval is therefore not required. However, a copy of the relevant report must be sent to Commercial Procurement for audit purposes.

8.8 It is recommended that any approval sought includes a specific delegation to the Authorised Officer to award the Contract at the conclusion of the procurement. In other circumstances the procedure set out in Rules 8.9 to 8.11 below must be followed.

-
- 8.9 Where the aggregate contract value (including any extension) is £250,000 or less Directors may agree or authorise another Officer to enter a Contract under their delegated powers.
- 8.10 Where the aggregate contract value (including any extension) is between £250,000 and £500,000 then the decision to enter the contract requires the approval of an Executive Member or the Executive unless the procurement is treated as Routine as defined in Rules 8.12 and 8.13 below.
- 8.11 Where the aggregate contract value (including any extension) exceeds £500,000 the decision will be regarded as a Key Decision unless the Chief Finance Officer acting in consultation with the Monitoring Officer has approved the procurement as Routine in accordance with Rules 8.12 to 8.13 below.
- 8.12 A Routine procurement is any arrangement that represents a low commercial and legal risk to the Council and involves the procurement of goods, services or works with a clearly defined specification that clearly relate to the day to day operation of the Council.
- 8.13 Routine procurements will be limited to items such as utilities, insurance or stationery, without which the Council would be unable to operate. A procurement which relates to the carrying out of a statutory function of the Council shall not be considered Routine.
- 8.14 Where Officers consider a procurement process may be Routine, they must liaise with Commercial Procurement who will advise on the relevant paperwork to be submitted to the Chief Finance Officer. Authorisation to treat a procurement as Routine must be sought before the procurement process commences.
- 8.15 A Director may enter into a Contract where the procurement has been treated as Routine.
- 8.16 A register of Routine procurements will be maintained and reported to the Executive Member for Finance and Performance.
- 8.17 In relation to all Key Decisions, Authorised Officers must ensure that all authorisations are in place before the procurement process begins.

8.18 Notice of every Key Decision must be published on the Council's Forward Plan.

8.19 The Executive scheme of delegation requires that all Key Decisions (are reserved to the Executive unless specifically delegated to an Executive Member or an Officer or where the Leader and Chief Executive are acting in case of urgency.

8.20 This Rule 8 applies to all Relevant Contracts and all call-offs from Framework Agreements or Dynamic Purchasing Systems.

9. Pre-Tender Market Testing, Consultation and Deciding on the appropriate Procurement Route

9.1 The Council may consult potential Suppliers, prior to the issue of the Invitation to Tender or Request for Quotation, in general terms about the nature, level and standard of the supply, contract packaging and other relevant matters, provided this does not prejudice any other potential Supplier.

9.2 When engaging with potential Suppliers, the Council must not seek or accept technical advice from them on the preparation of an Invitation to Tender or Request for Quotation where this may prejudice the equal treatment of all potential Suppliers or otherwise distort competition.

9.3 In the case of the re-procurement of an existing Contract sufficient care must be taken to ensure that the process is fair and is seen to be fair. The objective is to ensure a level playing field for all potential Suppliers, whilst acknowledging that any incumbent Supplier has an inherent advantage due to having previously worked for the Council. Advice must be sought from Commercial Procurement to ensure the specification is clear and unambiguous.

9.4 In undertaking any market testing activities or consultation with potential Suppliers, the Authorised Officer responsible should refer to any guidance contained in the Procurement Toolkit.

9.5 Guidance on choosing the appropriate procurement route can be found in the Procurement Toolkit.

10. Framework Agreements

- 10.1 A list of available, appropriate Framework Agreements and Dynamic Purchasing Systems (including those established by other public sector bodies to which the Council has access) for certain requirements can be obtained from Commercial Procurement along with guidance on how these Framework Agreements and Dynamic Purchasing Systems are to be used.
- 10.2 Call-off contracts or orders made under Framework Agreements or Dynamic Purchasing Systems must be operated in accordance with these CPRs and/or the requirements of the Framework Agreement or Dynamic Purchasing System themselves. **Further advice must be sought from Commercial Procurement or Legal Services.**
- 10.3 Where a Framework Agreement provides an option for a direct call-off to one Supplier, this can only be done if all the following conditions are met:
- 10.3.1 The Framework Agreement's process for doing so is followed;
 - 10.3.2 The aggregate Contract value (including any extension) is less than £500,000;
 - 10.3.3 Where the aggregate Contract value (including any extension) exceeds £50,000, the relevant Chief Officer has approved the direct call-off method after advice from the Authorised Officer and Commercial Procurement; and
 - 10.3.4 The Authorised Officer believes that it represents Best Value for the direct call-off method to be used.

Establishment of Framework Agreements and Dynamic Purchasing Systems

- 10.4 Authorised Officers (in conjunction with Commercial Procurement and Legal Services) may establish a Framework Agreement or Dynamic Purchasing System. The Chief Procurement Officer and relevant Assistant Director must agree to the establishment of any Framework Agreement or Dynamic

Purchasing System prior to any selection or procurement processes being undertaken. The Framework Agreement or Dynamic Purchasing System is otherwise treated as any other procurement and will follow the same levels and process as required by the value and object of the Framework Agreement or Dynamic Purchasing System. Note, there are additional requirements under the Procurement Regulations for the establishment and further use of a Framework Agreement or Dynamic Purchasing System, and advice must be sought from Commercial Procurement and Legal Services to ensure the Procurement Regulations are adhered to.

10.5 A Framework Agreement or Dynamic Purchasing System can be established jointly with other Contracting Authorities.

10.6 Any future call off from the established Framework Agreement or Dynamic Purchasing System requires authorisation in accordance with the governance thresholds set out in Rules 8.9 to 8.11.

10.7 Where a Framework Agreement has been established by the Council, any extension or termination thereto shall be governed by Rules 20 and 21 below in addition to the Procurement Regulations.

11. Procurement Competition Requirements

11.1 Competition Requirements

11.1.1 The Authorised Officer must establish the total value of any Contract, including whole life costs, annual cost and incorporating any potential extension periods which may be awarded. The value of the Contract must be considered as the sum of all payments made to the Supplier during the whole life of the Contract, including extensions. The Authorised Officer must have particular regard to the rules relating to aggregation contained within the Procurement Regulations (further details on which can be found in the Procurement Toolkit).

11.1.2 Authorised Officers must ensure that values are not split in an attempt to avoid the applicability of these CPRs or the Procurement Regulations.

11.1.3 Based on the value of the Contract, quotations or tenders must then be invited in line with the following financial thresholds:

- (i) Up to and including £5,000 – Best Value
- (ii) Over £5,000 and up to and including £100,000 – at least **three** written quotations (this threshold may be lower where Officers deem there is additional risk associated with the project; in such cases advice must be sought from Commercial Procurement.)
- (iii) Over £100,000 – Invitation to Tender. At least four written tenders with completed Form of Tender and Declaration of Non-Collusive Tendering.

11.1.4 Where the estimated Contract value meets the appropriate Procurement Threshold (details of which can be obtained from Commercial Procurement), the Authorised Officer must consult Commercial Procurement at the outset to determine the correct procedure for conducting the procurement exercise. In these instances, the Procurement Regulations will apply in addition to these CPRs.

11.1.5 These rules are subject to the overriding requirement that a Contract of any value which is likely to have ‘cross border’ interest (ie to be of interest to contractors outside the UK) must be advertised.

11.2 Contract value up to and including £5,000

11.2.1 All purchasing up to and including £5,000 must be procured using an Internal Service Provider or through an existing Contract arrangement or via a suitable approved Framework Agreement or Dynamic Purchasing System where they exist.

11.2.2 It is the responsibility of the relevant Authorised Officer to check whether a suitable Internal Service Provider, existing Contract, Framework Agreement or Dynamic Purchasing System exists or not. Where no appropriate Internal Service Provider, existing Contract, Framework

Agreement or Dynamic Purchasing System exists, and the estimated value of a Contract is up to and including £5,000 the invitation of quotations is not mandatory but should be invited where appropriate.

11.2.3 If the Authorised Officer believes that it represents Best Value for the Council to make a direct appointment without the need for competition, they may do so providing a written record of the decision (including reasons) is kept by them.

11.3 Contract value over £5,000 and up to and including £100,000

11.3.1 In relation to all Contracts with a value between £5,000 up to and including £100,000 Officers should, in conjunction with Commercial Procurement, consider whether there is an appropriate Internal Service Provider, existing Contract, Framework Agreement or Dynamic Purchasing System which can be used.

11.3.2 Where no appropriate Internal Service Provider, existing Contract or approved Framework Agreement or Dynamic Purchasing System exists, if the estimated value of a Contract exceeds £5,000 but does not exceed £100,000 a minimum of three written quotations must be invited from suitable potential Suppliers. Efforts should be made to ensure that a diverse group of Suppliers are asked to quote using the following principles:

- (a) Where possible, ensuring Small and Medium Enterprises (SMEs) are invited to quote;
- (b) Where possible, ensuring local Suppliers are invited to quote;
- (c) Where possible, not just inviting the same group of Suppliers who have previously quoted for this or previous similar work;
- (d) Where possible, looking for novel or new Suppliers.

11.3.3 The written quotations must be obtained and documented in accordance with proper record keeping set out in Rule 5 and in accordance with the requirements of Rule 13.

11.3.4 All potential Suppliers invited to submit quotations will be provided in all instances with identical information and instructions.

11.3.5 The evaluation of the quotations will be carried out by Authorised Officers.

11.4 Contract value over £100,000

11.4.1 In relation to all Contracts with a value in excess of £100,000 Officers should, in conjunction with Commercial Procurement, consider whether there is an appropriate Internal Service Provider, existing Contract or Framework Agreement or Dynamic Purchasing System which can be used.

11.4.2 Where no appropriate Internal Service Provider, existing Contract, approved Framework Agreement or Dynamic Purchasing System exists, competition is required for Contract with a value over £100,000.

11.4.3 Where there are sufficient numbers of potential Suppliers, at least four written tenders must be invited. Efforts should be made to ensure that a diverse group of potential Suppliers are asked to tender using the following principles:

- (a) Where possible, ensuring Small and Medium Enterprises (SMEs) are invited to quote;
- (b) Where possible, ensuring local Suppliers are invited to quote;
- (c) Where possible, not just inviting the same group of Suppliers who have previously quoted for this or previous similar work;
- (d) Where possible, looking for novel or new Suppliers.

11.4.4 The tendering process must be conducted in accordance with the Council's detailed procedure rules set out in the Procurement Toolkit. Authorised Officers must consult with Commercial Procurement to establish the most appropriate tendering process/procurement route which will be determined on a case by case basis (depending on a number of factors including but not limited to the scope, value and technical requirements of the procurement).

11.5 Contract value over the Procurement Threshold

11.5.1 Where the estimated Contract value reaches the relevant Procurement Threshold, Officers are required to procure the Contract in accordance with the Procurement Regulations and these CPRs. In all such circumstances appropriate advice must be sought from Commercial Procurement.

11.5.2 The current Procurement Thresholds are available from Commercial Procurement.

11.6 Assets for Disposal

Assets for disposal must be dealt with in accordance with the Financial Regulations.

11.7 Concession Contracts

11.7.1 Concession Contracts may be established by Authorised Officers in conjunction with Commercial Procurement. Generally, Concession Contracts will result in an income to the Council. The thresholds set out in Rule 8 will also apply to Concession Contracts.

11.7.2 For the purpose of Rule 8 the value of a Concession Contract is defined in the Concession Contracts Regulations. That is the value shall be the total turnover of the concessionaire generated over the duration of the Contract, net of Value Added Tax, as estimated by the Council, in consideration for the works and/or services which are the object of the Concession Contract and for the supplies incidental to such works and services.

11.7.3 Contracts below the relevant thresholds defined in the Concession Contracts Regulations may be let using a three quotation process as outlined in Rule 11.3. Contracts above the relevant thresholds must be let in accordance with the process outlined in the Concession Contracts Regulations. Commercial Procurement will advise on the appropriate route and process to follow when letting Concession Contracts.

12. Evaluation Criteria and Standards

12.1 Evaluation Criteria

12.1.1 In any procurement exercise (regardless of overall Contract value) the successful tender must be the one which offers either:

- (i) the most economically advantageous tender based on “price or cost” using a cost effectiveness approach, such as, life cycle costing; or
- (ii) the most economically advantageous tender balanced between quality and price.

In the latter case, the Council will use criteria linked to the subject matter of the Contract to determine that an offer is the most economically advantageous, for example: price, quality, technical merit, aesthetic and functional characteristics, environmental & sustainability characteristics, social value (including but not limited to compliance with wider Council obligations such as membership of the Living Wage Foundation and sourcing fair trade where appropriate), running costs, cost effectiveness, after-sales service, technical assistance, delivery date, delivery period and period of completion. The price element of the evaluation will always be 40% or greater unless a waiver has been given for alternative weightings (in accordance with Rule 26.3) or, if using a Framework Agreement or Dynamic Purchasing System, an alternative weighting system is provided for under that Framework or Dynamic Purchasing System.

12.1.2 Issues that are important to the Council in terms of meeting its corporate objectives can be used to evaluate tenders provided that such criteria relates to the subject matter of the Contract and is objectively quantifiable and non-discriminatory. The criteria can include, for example, sustainability considerations, support for the local economy or the use of sub-contractors. The potential Suppliers' approaches to continuous improvement and setting targets for service improvement or future savings could also be included.

12.1.3 The procurement documentation must clearly explain the basis of the evaluation decision to potential Suppliers, making it clear how the evaluation criteria specified in the process will be applied, the overall weightings to be attached to each of the high-level criteria, how the high-level criteria are divided into any sub-criteria and the weightings attached to each of those sub-criteria.

12.1.4 There is no scope to change the evaluation criteria once quotations or tenders have been received. If quotations or tenders received mean the original evaluation criteria are no longer able to achieve the most economically advantageous tender then the procurement process must be abandoned and treated as market engagement before a new procurement exercise is established with new evaluation criteria. In such a case, no award will be made from the original procurement exercise and Commercial Procurement and Legal Services must be consulted.

12.2 Standards

Relevant British, EU and International standards which apply to the subject matter of the Contract and which are necessary to properly describe the required quality must be included within the procurement documentation, the specification, and the Contract. Officers should refer to further guidance set out in the Procurement Toolkit.

13. Invitation to Tender / Request for Quotation

13.1 Invitations to Tender/Requests for Quotation must be issued in accordance with the requirements of these CPRs.

13.2 All procurement documentation must be issued electronically. All procurements with a value over £25,000 must be conducted through the E-Sourcing System.

13.3 Where the E-Sourcing System is used, all communications with Suppliers must be undertaken exclusively through the E-Sourcing System. This includes any clarification questions asked by the potential Suppliers and responses provided by the Council.

13.4 In exceptional cases, where specific circumstances mean that a procurement process cannot be carried out electronically or, for example, where there is a failure of the E-Sourcing System, permission to conduct a procurement process by alternative means must be obtained from the Chief Procurement Officer.

14. Submission, Receipt and Opening of Tenders / Quotations

14.1 Opening of Tenders and Quotations

14.1.1 Tenders and Quotations, except those which have been approved as exempt from electronic tendering in accordance with Rule 13.4, must be submitted electronically via the E-Sourcing System. Tenders submitted by any other means must not be accepted.

14.1.2 Detailed procedure notes on tendering requirements and protocols are set out in the Procurement Toolkit.

14.2 Hard Copy Arrangements

14.2.1 In the event that approval to conduct a tender process outside the E-Sourcing System has been obtained in accordance with Rule 13.4 and “hard copy” tenders are to be accepted, these must be submitted, sealed, in the envelope provided with the procurement documents and addressed to the Chief Procurement Officer without any mark revealing the bidding organisation’s identity.

14.2.2 All hard copy tenders will be held by the Chief Procurement Officer until the tender opening date/time has been reached.

- 14.2.3 All hard copy tenders for the same Contract will be opened at the same time by a representative of the Chief Officer who invited the tenders and a representative from Commercial Procurement. A register of tenders received will be kept by Commercial Procurement and will be initialled on each occasion by the Authorised Officers who are present at the opening of the tenders.
- 14.2.4 In the event that approval to conduct a quotation process outside the E-Sourcing System has been obtained in accordance with Rule 13.4 and hard copy quotations are to be accepted these must be submitted in a plain envelope marked "Quotation for ..." followed by a description of the goods, works or services being procured.
- 14.2.5 All hard copy quotations must be opened together once the official return date/time has been passed.

15. E-auctions

- 15.1 Where a tender is to be carried out by way of a collaborative e-auction process the following procedures will apply:
- 15.1.1 approval for this approach must be sought in advance of the auction from the relevant Chief Officer and Chief Procurement Officer;
 - 15.1.2 the auction must be provided through a recognised managed service provider approved by the Chief Procurement Officer;
 - 15.1.3 the process for selecting potential Suppliers must be agreed in advance with the Chief Procurement Officer;
 - 15.1.4 the tender evaluation process must be agreed in advance with the Chief Procurement Officer;
 - 15.1.5 the time limit for the auction must be set in advance, clearly notified and be appropriate to the nature of the auction;
 - 15.1.6 a minimum of two Authorised Officers must be in attendance at the managed service provider's viewing

room to ensure the process is conducted fairly and in accordance with the Procurement Regulations. One of the Authorised Officers must be an independent observer and have had no involvement with the exercise. They should not leave the room during the auction.

15.1.7 prior to start of the auction, Officers attending must satisfy themselves that the correct quality weightings (if applicable) have been loaded into the software and that the software is working correctly;

15.1.8 the final scoring of all the bidders needs to be documented and counter signed by each Officer immediately after the close of the auction;

15.1.9 the e-auction summary report which is normally produced by the e-auction provider (within a week of the auction) must be cross referenced to the Officers own records and both must be kept on file;

15.1.10 a signed copy of both these records must be passed to Chief Procurement Officer and copied to the Monitoring Officer;

15.1.11 if the lowest price bidder is not successful approval for the award of a Contract must be sought in line with these CPRs.

15.2 The application of these e-auction procedures exempts the tender from the opening rules set out at Rule 14. It does not exclude compliance with any other regulations as set out elsewhere in these CPRs.

15.3 The Council will arrange for award notices to be sent to the successful Supplier (following a 10 day Standstill Period) and brief the losing Providers. A copy of the award notice must be kept on file.

15.4 The Council must ensure that a discrete Contract complying with the Council's standard terms and conditions is put in place with each successful Supplier.

16. Clarification Procedures

16.1 The Council can ask bidding organisations for clarification of any details submitted as part of their bid. However, any such clarification must not involve changes to the basic features of the bidding organisation's submission.

16.2 When requesting clarification, the Authorised Officer must follow any guidance contained in the Procurement Toolkit. It must not be used to negotiate or re-negotiate Contract terms. Authorised Officers are required to take all necessary procurement and/or other relevant professional advice if they are in any way unsure of what may or may not constitute a 'clarification' under the Procurement Regulations.

17. Evaluation, Financial Appraisal, Award of Contract and Debriefing of Organisations

17.1 Evaluation

The evaluation of bids must be conducted in accordance with the evaluation criteria set out in the relevant procurement documents (see Rule 12 above) provided to bidding organisations, and in line with any guidance detailed in the Procurement Toolkit.

17.2 Financial Appraisals

Financial Appraisals must be completed in respect of all third parties submitting bids for Contracts in excess of £100,000. It is the responsibility of the Authorised Officer in consultation with the relevant Finance Manager to take all steps reasonably necessary (having regard to the subject matter, value and duration of the Contract and any other relevant factors) to complete a risk assessment of the potential Supplier's financial stability and to ensure this is done to a standard required by the Finance Manager.

17.3 Award of Contract

17.3.1 The Council is required to notify successful and unsuccessful bidders of the outcome of a procurement process, in writing, in as timely a fashion as possible.

17.3.2 Where procurement is subject to the Procurement Regulations (see Rule 11.5 above), a Standstill Period must be included in the procurement timetable and observed before the Contract can be awarded. Authorised Officers should refer to the guidance in the Procurement Toolkit and must consult with Commercial Procurement and, where appropriate, Legal Services in relation to the Standstill Period requirements and associated documentation to be issued to bidders. Where a Standstill Period applies, successful and unsuccessful bidders will be sent a Contract award letter containing all the debrief information required under the Procurement Regulations. A copy of the Contract award letter must be kept on file. Following successful completion of the Standstill Period the successful bidder(s) will be issued with their Contract to sign.

17.3.3 Provided the winning bid:

- (i) is the most economically advantageous;
- (ii) is within the financial budget made for it;
- (iii) complies with the Council's proposed terms and conditions; and
- (iv) meets the Contract specification,

it may be accepted by the relevant Authorised Officer.

17.3.4 Where a tender is not:

- (i) the most economically advantageous (if payment is to be made by the Council); or
- (ii) the highest tender (if payment is to be received by the Council),

the award of the Contract must be passed to the Chief Finance Officer for decision clearly setting out the reasons why this is required.

17.3.5 Once approved, all proposed Contract awards over £100,000 must be recorded in the Officer decision log on the mod.gov system.

17.3.6 The approval of the relevant Executive Member and Chief Finance Officer must be given if a tender received as part of a capital scheme results in the scheme or project exceeding the approved financial budget by 10% or £50,000 (whichever is the lower) and this cannot be accommodated within the original financial budget.

17.4 Debriefing

The Authorised Officer will, as part of good practice, offer feedback to all tenderers who submitted a bid about the characteristics and relative advantages of the successful bid. This will usually include:

17.4.1 how the award criteria were applied;

17.4.2 the prices or ranges of prices submitted, but not in either case correlated to the tenderers; and

17.4.3 the names of their competitors and whether there were three or more competitors taking part in the tendering exercise.

Authorised Officers must refer to the guidance set out in the Procurement Toolkit and consult with Commercial Procurement prior to issuing any feedback to bidders.

18. Post Tender Negotiation

18.1 Post tender negotiations must not be undertaken where the value of the Contract exceeds the relevant Procurement Threshold.

18.2 Post tender negotiations with selected Suppliers, where the value of the Contract is below the relevant Procurement Threshold, may be carried out where:

18.2.1 permitted by law; and

18.2.2 the Director in consultation with Commercial Procurement and Legal Services considers that added value may be obtained; and

18.2.3 the post tender negotiations are conducted by a team of suitably experienced officers approved by the Director and who have been trained in post tender negotiations. Commercial Procurement and Legal Services must be invited to attend any negotiation; and

18.2.4 a comprehensive, written record of the negotiations is kept by the Council; and

18.2.5 a clear record of the added value to be obtained as a result of the post tender negotiations is incorporated into the Contract with the successful Supplier.

19. Contract Documents

19.1 Form of Procurement Documents

The Council's standard procurement documents will be used wherever possible and appropriate. Where there is any deviation from these, the documents to be used must be reviewed by Legal Services before being issued. These documents are available from Commercial Procurement.

19.2 Form of Contract

19.2.1 Contractual commitments can only be made by Officers who are formally authorised to do so in the relevant directorate scheme of delegated authority. An up to date record of delegated authorities across the Council is kept by Commercial Procurement.

19.2.2 All Contracts made on behalf of the Council must be evidenced in writing in an appropriate format approved by Legal Services.

19.2.3 Every Contract must be made by either:

- (i) the issue of a purchase order and accompanying standard terms and conditions for the purchase or supply of goods, services and/or works with an

aggregate Contract value (including any extensions) of not more than £100,000.

- (ii) the preparation of formal written contracts for the purchase or supply of goods, services and/or works with an aggregate Contract value (including any extensions) of £100,000 and above or lower where the nature of the Contract requires a formal written contract.

19.3 Deeds

All Contracts:

- 19.3.1 in excess of £500,000; or
- 19.3.2 where the subject matter warrants an extended period of twelve years' protection; or
- 19.3.3 for nil consideration; or
- 19.3.4 which novate, assign, vary or extend an existing Contract; or
- 19.3.5 where there is a legal requirement for the Contract to be executed as a deed;

must be executed as a deed under common seal by Legal Services in accordance with Article 24: Finance, Contracts and Legal Matters, except where indicated in Appendix B.

19.4 Contract Signature/Sealing

19.4.1 Contracts must:

- (i) where the Contract is in the form of a deed, be made under the Council's seal and attested as required by the Constitution; or
- (ii) where the Contract is in the form of an agreement it will be signed by a Chief Officer authorised as required by the Constitution.

19.4.2 When submitted to Legal Services for signing or sealing, all Contracts must be accompanied by an Authorisation to Sign or Seal Form setting out the decision-making process and authority. This form can be obtained from Legal Services.

19.5 Legal Services Review of Tenders and Contracts

19.5.1 To ensure the integrity of the procurement process:

- (i) all proposed Invitations to Tender, where they are not in compliance with the Council's standard documentation, must be reviewed by Legal Services;
- (ii) any proposed Invitations to Tender which are subject to the Procurement Regulations, or which are deemed to be of high risk, must be reviewed by Legal Services;
- (iii) all proposed Contracts, where they are not in compliance with the Council's standard documentation, must be reviewed by Legal Services
- (iv) any proposed Contracts which are subject to the Procurement Regulations, or which are deemed to be of high risk, must be reviewed by Legal Services.

19.5.2 Officers must consult with Legal Services as appropriate to ensure compliance with this Rule 19.5.

19.6 Bonds and Liquidated & Ascertained Damages

19.6.1 Chief Officers (in consultation with Commercial Procurement and Legal Services) will consider whether to include provision for payment of liquidated & ascertained damages by a Supplier for delay or breach of contract where appropriate, taking into account the subject matter and risk associated with the Contract. Such consideration will be recorded in writing.

19.6.2 When considered appropriate by a Chief Officer the Supplier will be required to provide a performance bond to secure the performance of the Contract. Such performance bonds should provide for a sum of not less

than 10% of the total value of the Contract or such other sum as the Authorised Officer (in consultation with a Finance Manager) considers appropriate.

20. Contract Extension and Variation

20.1 Extensions

- 20.1.1 Commercial Procurement and Legal Services must be consulted in relation to any proposed Contract extension.
- 20.1.2 Contract extensions shall only be permitted if they are put in place before the Contract expiry date and where the proposed extension is in accordance with the contract terms.
- 20.1.3 Where the terms of a Contract do not expressly permit an extension, Legal Services shall advise whether it is possible to otherwise agree an extension by way of variation to the Contract. Any variations shall be carried out in accordance with Rule 20.2 below.
- 20.1.4 Approval for the extension must be given by an Officer with the appropriate level of delegated authority. This process must be recorded in writing.
- 20.1.5 Prior to seeking approval from the relevant Chief Officer to take up a contract extension the Authorised Officer must establish whether the extension will deliver Best Value.
- 20.1.6 Before taking an extension, the Authorised Officer must check the original spending authorisation decision (obtained in accordance with Rule 8) to confirm that authorisation to extend the Contract is in place. Where the original decision does not contain authorisation for an extension of the Contract, further authorisation may be sought under Rule 8. The value of the decision used to determine the authorisation requirement shall be the original Contract value plus the value of the proposed extension.

20.1.7 All extensions to any Council contracts must be in writing and reported to the Chief Procurement Officer in order that the E-Sourcing System can be updated.

20.2 Variations

20.2.1 Variations will be dealt with in accordance with these CPRs and the Procurement Regulations. Further guidance must be sought from Legal Services.

20.2.2 All Contract variations must be carried out:

- (i) within the scope of the original Contract. Contract variations that materially affect or change the scope of the original Contract are not permitted; and
- (ii) following consideration as part of the Category planning process.

20.2.3 All Contract variations must be in writing (in the form specified by the Contract where applicable) and signed or sealed by both the Council and the Supplier. Approval for the Contract variation must be given by the by the Monitoring Officer and Chief Procurement Officer or their delegated officers.

20.2.4 Where appropriate (taking into account any change in contract value, contract term, range of services provided etc), Contract variations must be reported to the Chief Procurement Officer in order that the E-Sourcing System can be updated.

20.2.5 A new procurement will be required in case of material change where one or more of the following conditions are met:

- (i) the variation introduces conditions which, had they been part of the initial procurement exercise, would have allowed for the admission of Suppliers other than those initially selected or for the acceptance of an offer other than that originally accepted or would have attracted additional participants in the procurement procedure;

- (ii) the variation increases the value of the Contract or the Framework Agreement substantially in favour of the Supplier in a manner which was not provided for in the original Contract or Framework Agreement;
- (iii) the variation extends the scope of the Contract or Framework Agreement considerably.

Further guidance must be sought from Legal Services where the Chief Officer considers there is any possibility that the proposed variation might fall under this Rule 20.2.5.

21. Termination of Contract

21.1 **Prior to terminating any Contract, Officers must consult Legal Services.** It will only be possible for Contracts to be terminated early, where provided for within the Contract and if this action is authorised by the relevant Chief Officer through a Delegated Decision. A copy of the report and decision for termination of any Contract exceeding £100,000 in aggregate for the whole of the contract period (including any extensions) must be sent to the Chief Procurement Officer for monitoring purposes. All termination letters under this Rule must be drafted and issued via Legal Services in conjunction with the Authorised Officer.

22. Prevention of Corruption

22.1 Rules and regulations pertaining to the prevention of corruption are outlined in the Financial Regulations and must be adhered to at all times.

23. Declaration of Interests

23.1 To ensure that persons involved in the procurement process are aware of and adhere to the principles of impartiality and professional standards when dealing with, and completing commercial undertakings, a Conflict of Interest and Confidentiality Undertaking Declaration form is required to be completed for all procurement processes which identifies actual and potential conflicts of interest. This must be completed by all Officers involved in the procurement process prior to commencement of the procurement process. If an actual or

potential conflict of interest arises during the procurement process a new Conflict of Interest and Confidentiality Undertaking Declaration form shall be immediately completed and submitted by the Officer concerned and the Monitoring Officer and the S151 Officer shall be notified in accordance with Rule 23.2.

23.2 If it comes to the attention of a Member, Authorised Officer or other Officer that a Contract in which they have an interest (determined in accordance with the Members' and/or Officers' Code of Conduct as appropriate) has been or is proposed to be entered into by the Council, they shall immediately give written notice to the Monitoring Officer and the S151 Officer.

24. Contract Management / Monitoring

24.1 All Contracts must have an appointed contract manager for the entirety of the Contract. The responsible Chief Officer must ensure a contract manager is designated prior to contract award.

24.2 Contract management, monitoring, evaluation and review must be conducted in line with guidance detailed in the Procurement Toolkit.

25. External Body Grant Funding

25.1 Where a procurement process is funded, in whole or part, by grant funding which has been awarded to the Council by an external funding body, the Authorised Officer must consult with Legal Services to ensure that any rules or conditions imposed by the funding body are adhered to in addition to the requirements of these CPRs.

25.2 Where there is any conflict between these CPRs and the rules or conditions imposed by the funding body, the stricter requirement should be followed.

26. Waiver and Exemptions

Waivers

26.1 Except where the Procurement Regulations apply, the Executive has the power to waive any requirements within these CPRs for specific projects upon request.

26.2 Additionally, except where the Procurement Regulations apply, these CPRs may be waived where the circumstances are certified by the Chief Finance Officer or their deputy advised as appropriate by the Monitoring Officer and Chief Procurement Officer as meeting any of the following criteria:

26.2.1 for works, supplies or services which are of such special character that it is not possible to obtain competitive prices;

26.2.2 for supplies purchased or sold in a public market or auction;

26.2.3 for the execution of works or services or the purchase of supplies involving specialist or unique knowledge or skills;

26.2.4 with an organisation which has won a Contract for an earlier phase of work via a competitive process and where the work forms part of a serial programme and has previously been identified as such;

26.2.5 with an organisation already engaged by the Council for a similar and related procurement and where there is significant benefit to extending the Contract to cover this additional requirement, without exposing the Council to unacceptable risk;

26.2.6 for works, supplies or services which are only available from one organisation (due to their specialised nature);

26.2.7 involving such urgency that it is not possible to comply with the CPRs;

26.2.8 for the purchase of a work of art or museum specimen, or to meet the specific requirements of an arts or cultural event which cannot be procured competitively due to the nature of the requirement;

26.2.9 in relation to time limited grant funding from an external body, where the time limitations will not allow a competitive procurement process to be completed and where the grant conditions allow this;

- 26.2.10 in relation to external grant funding that has been awarded on the condition that a specific Supplier be appointed by the Council;
- 26.2.11 where relevant UK or other applicable international legislation not otherwise referred to in these CPRs prevents the usual procurement process from being followed;
- 26.2.12 In relation to the price quality ratio (Rule 12.1.1) where, after consultation with Commercial Procurement, the client team wishes to use a price percentage lower than 40%; or

Annex 1

Disciplinary Procedure for the Head of Paid Service (Chief Operating Officer) and Statutory Chief Officers: the Monitoring Officer and Chief Finance (s151) Officer (the Statutory Chief Officers)

1 Scope of Procedure

- 1.1 This disciplinary procedure is based on that set out in the Joint Negotiating Committee for Local Authority Chief Executives National Salary Framework and Conditions of Service Handbook (the JNC Handbook) as updated on 13 October 2016. It applies to City of York Council's (the Council) Head of Paid Service (Chief Operating Officer), Monitoring Officer and Chief Finance Officer (the Statutory Chief Officers).
- 1.2 This procedure has been adopted by the Council for the purposes of dealing with disciplinary, capability and other substantial issues in relation to the Statutory Chief Officers. For the avoidance of doubt, this procedure also applies to a breakdown in trust and confidence between the Statutory Chief Officers and the Council.
- 1.3 Minor conduct issues can often be resolved informally. Formal steps will be taken under this procedure if the matter is not resolved, or if informal discussion is not appropriate (for example, because of the seriousness of the allegation).
- 1.4 The objective of this procedure is to:
 - a. Encourage Officers to achieve and maintain acceptable standards of behaviour;
 - b. Provide a fair and consistent method of dealing with alleged failure to maintain acceptable standards of behaviour;
 - c. Minimise disagreements about disciplinary matters; and
 - d. Reduce the need for disciplinary action and dismissals.

- 1.5 Save where alternative arrangements have been agreed in advance between the Council and the Statutory Chief Officer, the steps set out in this procedure should be followed. The parties recognize that it may be necessary to depart from the procedure, from time to time, according to the particular circumstances of a case. In such circumstances, both parties agree to give fair consideration to reasonable proposals to modify the procedure accordingly.
- 1.6 This procedure does not form part of a Statutory Chief Officer's contract of employment and it may be amended at any time, subject to overall compliance with the Local Authorities (Standing Orders)(England) Regulations 2001 (as amended).
- 1.7 Any disciplinary matters will be dealt with sensitively and with due respect for the privacy of any individuals involved. All individuals involved must treat as confidential any information communicated to them in connection with an investigation or disciplinary matter.

2 Initial Filter Stage

- 2.1 If an allegation of potential misconduct against a Statutory Chief Officer is made, the Head of HR in conjunction with the Head of Paid Service (or the Monitoring Officer and Leader if the allegation is against the Head of Paid Service) will conduct a filter process of the allegations.
- 2.2 The Head of Paid Service with the Head of HR (or Head of HR, Monitoring Officer and Leader, where the allegation is against the Head of Paid Service) will determine whether the allegations should be filtered out of the process on the basis that they are clearly unfounded, trivial, can be dealt with informally or can best be dealt with under some other procedure.
- 2.3 The Head of Paid Service with the Head of HR (or Head of HR, Monitoring Officer and Leader, where the allegation is against the Head of Paid Service) shall also consider whether early informal resolution of the issues with the Statutory Chief Officer is appropriate, any final

decision as to early resolution of the issues will be made by the Head of Paid Service in conjunction with the Head of HR.

- 2.4 Head of Paid Service with the Head of HR (or Head of HR, Monitoring Officer and Leader, where the allegation is against the Head of Paid Service) will conduct an initial review of the allegation, which includes speaking with the Statutory Officer about whom the allegation is made.
- 2.5 This review will be considered by the Head of Paid Service with the Head of HR (or Head of HR, Monitoring Officer and Leader, where the allegation is against the Head of Paid Service), where this can be resolved informally a meeting will be held with the statutory officer to agree the resolution.
- 2.6 Where an informal resolution is not appropriate, the draft filter report will be shared with the Head of HR and the Chair of the IDC for comment. The Head of Paid Service (or Monitoring Officer is the compliant is against the Head of Paid Service) will finalise the filter report and will take into consideration the views of the Head of HR and the Chair of the IDC, however, the filter decision is an officer decision for the Head of Paid Service (Monitoring Officer where its against the Head of Paid Service) to determine.
- 2.7 If the Head of Paid Service (or Monitoring Officer is the compliant is against the Head of Paid Service) decides that the allegations should be filtered out of the process, this shall be the end of the procedure and the Statutory Chief Officer will be sent a letter informing him or her of the decision as soon as possible.
- 2.8 If the Head of Paid Service (or Monitoring Officer is the compliant is against the Head of Paid Service) decides that the allegations should be progressed, the filter report and evidence considered should be finalised and presented to the IDC.

3 Informal resolution

- 3.1 In accordance with recommendations in the JNC Handbook the Council and the Statutory Chief Officer should seek an informal resolution before formal disciplinary proceedings are commenced. The Head of HR will be responsible for seeking an informal resolution with the Statutory Chief Officer. If informal resolution is not possible, the Head of Paid Service (with Head of HR or Monitoring Officer if it is about the Head of Paid Service) will inform the Chair of the IDC of the complaint/allegation made against the Statutory Chief Officer and the failure to achieve an informal resolution.

4 Formal Resolution

- 4.1 At all stages of the disciplinary process, the Council will refer the JNC Handbook for Chief Executives for procedural guidance.

5 Roles and Responsibilities

9.1 The procedure does not generally incorporate prescriptive timescales as it is recognised that these could be impracticable to achieve in the circumstances of a particular case. Where time limits do apply, they are included within the relevant section of this procedure. However, it is implicit that all stages of the procedure be operated expeditiously by all parties in order to avoid unnecessary delay and prejudice to the interests of all parties.

10 Suspension

- 10.1 Suspension is not regarded as disciplinary action under this procedure but as a neutral act which may be implemented where it is envisaged that the Statutory Chief Officer's continuing presence at work might compromise the investigation or otherwise impair the efficient exercise of the Council's functions.
- 10.2 Suspension may also be necessary if an allegation is such that, if proven, it would amount to gross misconduct.
- 10.3 The decision to suspend a Statutory Chief Officer will rest with the Investigating and Disciplinary Committee. Appendix 13 - Ethics Statement

- 1 City of York Council works with private, public and non-profit sectors to provide a range of services to the community. Accordingly, organisations, service providers, small businesses and individuals can expect high standards of ethical behaviour from Officers. Underpinning these expectations are our organisational values. They drive our behaviour and reflect how we conduct ourselves in our business.
- 2 This Statement provides guidance regarding the standards of ethical behaviour that organisations, service providers, small businesses and individuals can expect from Officers and that are expected of them, in their dealings with Council. Our values guide our actions in conducting business in a socially responsible and ethical manner.
- 3 As an organisation, and as individuals, we respect, apply and comply with the law, support human rights and equal opportunity, protect the environment, achieve operational excellence and work for the benefit of our communities. Officers will, at all times, act with honesty and integrity in an open and transparent manner, performing their roles efficiently, effectively and fairly, thereby attracting the highest level of confidence from our community.
- 4 The Council's Code of Conduct for Officers sets the requirements of conduct in carrying out their functions. The Code of Conduct has been developed to assist Officers to:
 - a) Understand the standards of conduct that are expected of them;
 - b) Enable them to fulfil their duty to act honestly and exercise a reasonable degree of care and diligence; and

- c) Act in a way that enhances public confidence in the integrity of local government.

5 Key Principles

5.1 This statement is based on a number of key principles and sets out standards of conduct that meet these principles and statutory provisions applicable to local government activities.

5.2 The key principles are:

- a) Integrity

We must not place ourselves under any financial or other obligation to any individual or organisation that might reasonably be thought to influence us in the performance of our duties.

- b) Leadership

We have a duty to promote and support the leadership of the Council in order to maintain and strengthen the public's trust and confidence in the integrity of the Council. By doing so we promote public duty to others in the Council and outside, by our own ethical behaviour.

- c) Selflessness

We have a duty to make decisions in the public interest and not act in order to gain financial or other benefits for ourselves, our family, friends or business interests. This means making decisions because they benefit the public, not because they benefit the decision maker or someone associated with the decision maker.

- d) Impartiality

We should make decisions on merit and in accordance with our statutory obligations when carrying out public business. This includes the

making of appointments, awarding of contracts or recommending individuals for rewards or benefits. This means fairness to all, impartial assessment, merit selection in recruitment and in purchase and sale of Council's resources, considering only relevant matters.

e) Accountability

We are accountable to the public for our decisions and actions and should consider issues on their merits, taking into account the views of others. This means recording reasons for decisions, submitting to scrutiny, keeping proper records, establishing audit trails and conducting audits.

f) Openness

We have a duty to be as open as possible about our decisions and actions, giving reasons for decisions and restricting information only when the wider public interest clearly demands. This means recording, giving and revealing reasons for decisions, revealing other avenues available to the client or business, when authorised, offering all information, communicating clearly.

g) Honesty

We have a duty to act honestly. We must declare any private interests relating to our duties and take steps to resolve any conflicts arising in such a way that protects the public interest. This means obeying the law, following the letter and spirit of policies and procedures, observing the Council's Code of Conduct for Employees and exercising any delegated authority strictly for the purpose for which the authority was delegated.

h) Respect

We must treat others with respect at all times. This means not using derogatory terms towards others,

observing the rights of other people, treating people with courtesy and recognising the different roles others play in local government decision-making.

- 5.3 In making our business decisions, we strive to obtain the best value for money. Depending on the circumstances, our decision-making takes into account many things including upfront costs, on-going costs, suitability, quality, reliability, availability, experience, reputation, safety, legal compliance, social value and environmental sustainability. While we strive to obtain the best price for goods and services, we do not necessarily buy at the cheapest price, nor sell at the highest price.
- 5.4 The Council is required to balance all relevant factors, including initial cost, whole-of-life costs, quality, reliability and timeliness in determining true value for money.
- 5.5 Although Council business dealings must be transparent and open to public scrutiny, there will be times when information on the Council's relationships with private sector suppliers of goods and services, cannot be made publicly available. However we will always act fairly in our decision-making. That means we are objective, reasonable and even-handed. It does not mean that we can satisfy everyone all of the time. We will publicly support our decisions unless we have to maintain confidentiality or protect privacy.

6 Reporting Unethical Behaviour

- 6.1 The Council is committed to promoting ethical behaviour. Allegations of unethical behaviour can be made to the Council's Monitoring Officer.

The Monitoring Officer is a senior officer of the City Council who is responsible for administering the system in respect of complaints of Councillor Misconduct.

So that we have all the information which we need to be able to process your complaint, we ask that you complete our complaint form, which can be downloaded from the authority's website and is available on request from the Democratic Services team at West Offices.

This complaints procedure allows for a Councillor to refer themselves if they so desire, or if they feel it is in the interests of clarity. The referral will be dealt with in the same way as a complaint made by anyone else using this procedure.

The Monitoring Officer will normally acknowledge receipt of your complaint within 7 working days of receiving it, and will keep you informed of the progress of your complaint, including reasons as to why they decide to close the complaint or not progress further. Regardless of the outcome of your complaint or the stage the complaint is concluded, you will be advised as to the outcome of the complaint.

Privacy

We ask you to provide your name and a contact address or email address, so that we can acknowledge receipt of your complaint and keep you informed of its progress. This also guards against malicious complaints. The Council does not normally investigate anonymous complaints, unless there is a clear public interest in doing so. We only use the information you provide for the purposes of dealing with your complaint.

Your contact details will not normally be shared unless it is essential for the handling of the complaint – such as where knowing your address is important to understanding the context of the complaint.

The Monitoring Officer will normally share your name with:

- a) The Councillor concerned;
- b) The Independent Persons who advise on the handling of complaints;
- c) The Parish clerk if the councillor concerned is a member of a Parish Council;

- d) Any investigator appointed to deal with the case;
- e) Members of any Committee or Sub Committee of the Council who are handling the case;
- f) Any witnesses to the allegations where that is necessary to enable a proper investigation.

We may be required or permitted, under data protection legislation, to disclose your personal data without your explicit consent, e.g. if we have a legal obligation to do so, such as law enforcement, regulation and licensing, criminal prosecutions and court proceedings.

If you are concerned about your identity being revealed please advise the Monitoring Officer and he/she will discuss this with you before processing the complaint.

The identity of the Councillor who is the subject of the complaint should remain confidential, particularly during the assessment and investigation stages of the complaints process. This is vital to ensure that the investigation is not prejudiced; therefore, you should not divulge the identity of the Councillor, nor the nature of the complaint to the public whilst the complaint is being investigated. The Monitoring Officer will also request that the Councillor maintains privacy and confidentiality, particularly in relation to your personal details whilst the complaint is being investigated.

You should note that if your complaint is investigated and results in a hearing these are usually conducted in public, that would mean your identity or personal data would be in the public domain.

We will retain details of standards complaints for 6 years and will then delete or destroy those details securely.

You can find more information about your rights at <https://www.york.gov.uk/privacy> and further information is available from the Information Commissioners Office (ICO) <https://ico.org.uk/for-the-public/>

If you have any questions about this privacy information, want to exercise your rights, or if you have a complaint about how your information has been used, please contact us at foi@york.gov.uk or on 01904 554145 or write to:

The Data Protection Officer
West Offices, Station Rise
York, YO1 6GA.

Will your complaint be investigated?

The Monitoring Officer will review every complaint received. He/she may ask you to clarify aspects of it before deciding whether to accept it as a formal complaint.

The Monitoring Officer will then take a decision as to whether the complaint merits formal investigation. Where the Monitoring Officer feels that the case does merit formal investigation, he/she will consult with 1 of the Independent Persons in order to provide an external oversight. This decision will usually be taken within 7 working days of your complaint being accepted. The Monitoring Officer will also notify the Councillor involved in the complaint within 7 working days of your complaint being accepted. Before reaching a decision, the Monitoring Officer may request further information from you or obtain information which is readily available to him/her such as notes of Council meetings. If the complaint relates to a Parish Councillor the Monitoring Officer may consult the Parish Council. If they consider it appropriate to do so, the Monitoring Officer may put the complaint to the Councillor involved and seek their comments.

In appropriate cases, the Monitoring Officer may seek to resolve the complaint informally, without the need for a formal investigation. If a Councillor makes a reasonable offer to settle a complaint informally, but you are not willing to accept that offer, the Monitoring Officer will take account of this in deciding whether the complaint merits formal investigation.

The Monitoring Officer will advise you whether he/she intends to investigate your complaint. If the Monitoring Officer decides not to he/she will explain why. There is no right of appeal against this decision but the Monitoring Officer reports their decisions to the Council's Joint Standards Committee so there is oversight of how these matters are dealt with.

If there is evidence that a crime may have been committed the Monitoring Officer has the power to report matters to the Police and other regulatory agencies.

Occasionally, the Monitoring Officer may decide that the decision as to whether a complaint should be investigated should be made by members of the Joint Standards Committee. In this case a small Sub Committee of 2 Members of the Joint Standards Committee which consists of City and Parish Councillors will meet to consider your complaint. At least 1 Independent Person will be present or will be consulted ahead of the Sub Committee considering your complaint.

Examples of matters which the Sub Committee will consider include multiple complaints made about the same Councillor, counter complaints made by Councillors about each other, vexatious or repeated complaints or where special procedures may need to be implemented to classify complaints.

In the rest of this procedure we have assumed that the Monitoring Officer will use their powers to make decisions but any Sub Committee appointed will have the same powers as the Monitoring Officer.

If the Monitoring Officer makes the decision to investigate your complaint, he or she will advise you of this within 7 working days. If the decision has been referred to a Sub Committee, a decision will be made as soon as is practicable.

How is the investigation conducted?

If the Monitoring Officer decides that a complaint merits formal investigation, he/she will appoint an Investigating Officer. The Investigating Officer may be another officer of the authority, an officer of another authority or an external investigator.

The Investigating Officer will usually need to speak to you to discuss your complaint and may need to see relevant documents or interview other witnesses. You will be able to suggest what documents and which witnesses the Investigating Officer should consider seeing.

The Investigating Officer will also normally see the Councillor and provide him or her with the same opportunity to identify sources of evidence. Unless the case is very straightforward, at the end of his/her investigation, the Investigating Officer will produce a draft report and share it with you and the Councillor concerned on a confidential basis.

You will both then be able to identify any matter in that draft report with which you disagree or which you think need more consideration. The Investigating Officer will consider any comments you make before sending his/her final report to the Monitoring Officer.

Investigations will be completed within 3 months of the investigator being instructed. There may be very good reasons why this is not possible, for example, where the case is complex or witnesses are not available. Where there are delays, this will be reported to the Chair of the Standards Committee, the complainant and the Councillor who is the subject of the complaint prior to the end of the 3 month period.

The complainant and Councillor are expected to keep the circumstances of the complaint confidential and failure to do so could have a detrimental impact on the complaint or the complaints process.

What happens if the Investigating Officer concludes that there is no evidence of a failure to comply with the Code of Conduct?

The Monitoring Officer will review the Investigating Officer's report and may ask for further investigation to take place if he/she feels that is needed. The Monitoring Officer will consult the Independent Persons on the draft report and following such consideration, if he/she is satisfied that the report is sufficient and accepts the finding, the Monitoring Officer will send a copy of the Investigating Officer's final report to you and the Councillor concerned. If the case concerns a Parish councillor he/she will also send a copy to the Parish Council concerned. That will be the end of the matter.

It is possible that the Monitoring Officer may accept that the report is complete but does not accept the Investigating Officer's judgment that there has been no breach of the Code. In that case the Monitoring Officer may refer the case for a hearing following the procedures set out below.

What happens if the Investigating Officer concludes that there is evidence of a failure to comply with the Code of Conduct?

The Monitoring Officer may either send the matter for local hearing before the Hearings Panel or, after consulting the Independent Persons, seek local resolution.

Local Resolution

If the Monitoring Officer thinks that the complaint can reasonably be resolved without the need for a hearing he/she will consult with the Independent Persons and with you and seek to agree what you consider to be a fair resolution. It is important though that any resolution also helps to ensure higher standards of conduct for the future. Possible local resolutions might include the Councillor accepting that his/her conduct was unacceptable and offering an apology or a Councillor voluntarily giving up a position on a particular body. If the Councillor complies with the suggested resolution, the Monitoring Officer will report the matter to the Joint Standards Committee (and the Parish Council, where relevant) for information, but will take no further action.

Although the complainant's views will be carefully considered the decision as to whether a complaint can be resolved without a hearing rests with the Monitoring Officer if the breach is minor.

Local Hearing

If the complaint is not resolved through the local resolution process, then the Monitoring Officer will report the Investigating Officer's report to the Hearings Panel. Ordinarily a Sub Committee will be chaired by the Chair or Vice-Chair of the Joint Standards Committee and comprise of other members of the Joint Standards Committee. At least one Member will be a Parish Councillor where the complaint relates to a Parish matter. Subject to that, Hearings Panels are appointed by approaching Members of the Standards Committee in rotation with the Member being appointed if they are available to attend the hearing. 1 or more Independent Persons will be present at the hearing.

The Hearings Panel will take evidence and reach a decision. This is not a Court process but, in order to be fair to everyone, formalities are followed so that a proper decision can be reached. A detailed hearings procedure is available to view.

The Hearings Panel is not bound to accept the Investigating Officer's finding that the Code has been breached but if it does conclude that the Councillor failed to comply with the Code of Conduct, it will consider what

action, if any, should be taken. In doing this, the Hearings Panel will consult the Independent Person(s).

What action can the Hearings Panel take where a Councillor has failed to comply with the Code of Conduct?

The Hearings Panel may –

- Censure the Councillor;
- Formally report its findings to the City Council or Parish Council for information;
- Recommend to the Councillor's Group Leader (or in the case of ungrouped Councillors, recommend to Council or to Committees) that he/she be removed from any or all Committees or Sub Committees of the Council;
- Recommend to the Leader of the Council that the Councillor be removed from the Cabinet, or removed from particular Portfolio responsibilities;
- Recommend to Council that the Leader be removed from Office;
- Instruct the Monitoring Officer to (or recommend that the Parish Council) arrange training for the Councillor;
- Remove (or recommend to the Parish Council that the Councillor be removed) from all outside appointments to which he/she has been appointed or nominated by the authority (or by the Parish Council);
- Withdraw (or recommend to the Parish Council that it withdraws) facilities provided to the Councillor by the Council, such as a computer, website and/or email and Internet access.

The Hearings Panel has no power to suspend or disqualify the Councillor or to withdraw Councillors' basic or special responsibility allowances. If the Panel decides to withdraw facilities from the Councillor it must ensure that

the Councillor is not thereby prevented from undertaking his/her representative duties.

What happens after the hearing?

The Monitoring Officer will prepare a formal decision notice in consultation with the Chair of the Hearings Panel, and send a copy to you, the Councillor and if applicable, to the Parish Council. The decision notice will be available for public inspection.

Who are the Hearings Panel?

The Hearings Panel is a Sub Committee of the Council's Joint Standards Committee. It normally consists of 3 Members.

The Independent Persons are invited to attend all meetings of the Hearings Panel and their views are sought and taken into consideration before the Hearings Panel takes any decision on whether the Councillor's conduct constitutes a failure to comply with the Code of conduct and as to any action to be taken following a finding of failure to comply with the Code of Conduct. The decision is that of the Hearings Panel, however, if the Independent Person's advice is contrary to the Panel decision, this will be recorded.

Appeals

There is no internal right of appeal for either the complainant or for a Councillor against a decision of a Monitoring Officer, however, if, as a complainant you feel that the authority has failed to deal with your complaint properly, you may make a complaint to the Local Government Ombudsman.

There may also be the possibility of an application for Judicial Review of the decision.

Appendix 15 - Officers' Code of Conduct

"Officers will maintain conduct of the highest standard such that public confidence in their integrity is sustained."

(National Joint Council Conditions of Service, Section 2.1)

1 Introduction

- 1.1 The Council recognises that Officers undertake their duties with integrity, probity and honesty. The public expect the highest standard of conduct from public servants.
- 1.2 The Council recognises that Officers do uphold the standards of this Code in their day to day work. However, the misconduct of any one Officer can affect us all as it can be very damaging to public perceptions. It is important to make clear that failure to observe the Code could render an Officer liable to disciplinary action.
- 1.3 The Code will not apply directly to schools but it will be adapted by the People Directorate, with the same principles being used for school based staff.
- 1.4 This Code of Conduct should be read together with the Protocols developed to support the decision making system in the Council. These Protocols cover issues such as Officer/Member relations, financial issues and contact with the media. The Code should also be read together with the Council's policy on Whistleblowing.

2 Standards

- 2.1 City of York Council Officers will give the highest possible standard of service to the public. Officers will provide advice to Members and fellow Officers with impartiality.

3 Disclosure of Information

- 3.1 The Council actively seeks to promote openness in government. The law requires that certain types of information must be made available to members, auditors, government departments, service users and the public.
- 3.2 However there are certain categories of information which Officers must not disclose. Examples include sensitive information which could damage the interests of the Council or its customers. Officers should seek guidance from their line manager on information that cannot be disclosed.
- 3.3 Officers should avoid using information obtained through their job for personal gain or pass it on to others who might benefit from it.
- 3.4 Personal information received about a Member should not be disclosed without their approval except when it is required or sanctioned by law.
- 3.5 Officers should ensure that disclosure of personal data conforms to the principles of the Data Protection Act 2018, supplemented by the General Data Protection Regulations and any related guidance and codes of practice relating to the processing of personal data and privacy. Officers can disclose personal information if they have written authority from the individual concerned or if the Council is registered to do so under the Data Protection Act. If Officers are in any doubt as to whether information may be disclosed they should check with their line manager.

4 Raising concerns

- 4.1 Officers should inform their line manager if they are aware of any problems with the service, impropriety or breach of procedures.
- 4.2 The Council has a separate Whistleblowing Policy that Officers can refer to if they have concerns they wish to raise.

5 Political Neutrality

- 5.1 Officers work for the City of York Council and as such all Members are entitled to the same quality of advice and support. The individual rights of all Members should also be respected.
- 5.2 If Officers are required to attend political group meetings, they should receive clearance from their Chief Officer beforehand and should maintain their neutrality.
- 5.3 Officers should not allow their personal or political opinions to interfere with their work. Restrictions are placed on Officers in politically restricted posts, refer to Annex 1.
- 5.4 Political assistants appointed on fixed term contracts in accordance with the Local Government and Housing Act 1989 are exempt from the standards set in paragraphs 5.1 to 5.3 above.

6 Relationships

6.1 With Members

- (a) Mutual respect between Officers and Members is essential to good local government. Officers should be aware that close personal familiarity between Officers and Members going beyond the normal employer/employee relationship can be misinterpreted and should be treated with caution
- (b) Following the implementation of the Executive decision making system, a Protocol on Officer/Member Relations has been developed to provide guidance on issues such as dealing with scrutiny. This is available from Democratic Services.

6.2 With colleagues

- (a) Mutual respect between fellow Officers is also essential to maintaining constructive working relationships and providing

a high quality service to the community. It is also a key part of the Council's Equalities statement.

6.3 With local people

- (a) Officers will seek to deliver a courteous, efficient and impartial service to the community and to treat all citizens and customers with respect. All members of the community should be treated fairly and with respect in accordance with the Council's Equalities statement. Officers will ensure that they are always fit to perform their duties effectively and will not allow standards to be impaired in any way (for example, by the use of drugs or alcohol).

6.4 With contractors, suppliers and partner organisations

- (a) Orders and contracts should be awarded on merit after fair competition with other tenders. No special favour should be shown to businesses run by, for example, friends, partners or relatives in the tendering process.

7 Employment Matters

7.1 The Council wishes to employ talented people and thus it is important that recruitment and selection decisions are based on merit and the best person for the job appointed. It is unlawful to discriminate in recruitment on the grounds of age, gender reassignment, being married or in a civil partnership, being pregnant or on maternity leave, sex, race, religion or belief or disability. To avoid accusations of bias, Officers should avoid being involved in an appointment if they are related to, or the partner of, an applicant. Officers should consider the Recruitment and Selection Guidelines regarding avoiding discrimination.

7.2 Officers should also avoid being involved in decisions relating to discipline, promotion or pay for another Officer who is a relative or a close personal friend.

- 7.3 Full time Officers should not normally take outside employment as this may have a detrimental effect on their job performance and health and safety. All Officers graded above grade 7 or equivalent need Chief Officer approval to take outside employment. All requests should be discussed with the appropriate Chief Officer, or the Directorate Human Resources Manager.
- 7.4 The Council accepts that Officers may make minimal personal use of Council facilities such as telephone, internet and fax. Managers should make sure this is not abused. The use of these Council facilities should be exercised with integrity, for example it is acceptable for an Officer to use the Internet at their workstation during their lunch break but not during work hours or outside normal working hours.

8 Personal Interests

- 8.1 It is important that Officers are protected from accusations of impropriety. In accordance with the Council's Declaration of Interests Policy, Officers should declare in writing (using the Declaration of Interest Form) to their Chief Officer any financial or non-financial interests which they consider could conflict with the interests of the Council or adversely affect the performance of their duties.
- 8.2 Officers should also declare to their Chief Officer membership of any secret societies. The definition of "secret society" is:
- "Any club, lodge, chapter, society, trust or regular gathering or meeting which:
- i. is not open to members of the public who are not members and;
 - ii. includes in the granting of membership a requirement of the member to make a commitment (whether by oath or otherwise) of allegiance and;

- iii. includes, whether initially or subsequently, a commitment (whether by oath or otherwise) of secrecy in regard to rules, membership or conduct.”

8.3 For detailed guidance on financial and non-financial information that should be declared Officers should refer to the Declaration of Officer Interests policy.

9 Equality Issues

9.1 All who come in to contact with the Council, whether Officer, customer or citizen should be treated fairly and with respect in accordance with the Council's Equalities Statement.

10 Relationships with contractors

10.1 Officers who work with contractors and other organisations where the Council operates in partnership should maintain a professional working relationship. Officers who have both a client and contractor responsibility should be aware of the need for accountability and openness.

10.2 Officers should exercise fairness and impartiality when dealing with customers, suppliers, contractors, sub-contractors and partner organisations. No special favour should be shown to current or recent Officers, their partners, close relatives or friends in awarding contracts to businesses run by them or employing them in a senior position.

10.3 Officers will avoid disclosing confidential information on tenders or costs to any unauthorised party or organisation.

11 Use of Financial Resources

11.1 Officers should use public funds in a responsible and lawful manner. They should strive to achieve value for money and to avoid legal challenge to the Council. Officers should refer to the Council leaflet *'How to Safeguard Public Money'* which includes details of a confidential reporting line.

- 11.2 Officers should, at all times, be honest when claiming money or other resources from the Council (such as Housing Benefits or student grants). Any fraudulent claims will be reported to the Officer's Chief Officer and will be treated as a disciplinary offence.
- 11.3 Managers should refer to the Audit Section's guidance manual on *'Managing Financial Risks'* to ensure adequate controls are in place to minimise risks to staff and resources. They should also refer to the Protocol on financial matters that supports the Executive decision making system. All Officers should comply with standing orders and financial regulations, as well as any other guidance and procedures issued within their own department.

12 Gifts and Hospitality

- 12.1 Officers should act with caution when accepting or giving gifts or hospitality and always seek approval from their line manager. All gifts and hospitality received or given must be declared in the departmental register. Officers who corruptly receive gifts will face disciplinary action. Officers should read the guidance notes on Gifts & Hospitality, which are available in this section, on the intranet or can be obtained from your departmental Human Resources Team.

13 Sponsorship

- 13.1 When an outside organisation wants to sponsor a local government activity, whether by invitation, tender, negotiation or voluntarily, the basic conventions concerning acceptance of gifts or hospitality apply.
- 13.2 If the Council wants to sponsor an event or service, Officers, their partner, spouse or relatives should not benefit directly without full disclosure to the appropriate Chief Officer. Similarly, where the Council gives sponsorship to a community project via a grant, Officers should ensure there is no conflict of interest.

14 Contact with press and media

- 14.1 Officers should refer to the City of York Council Media protocol, which has been developed to support the Executive decision making system.

In the main, the Chief Operating Officer, Chief Officers, and the Corporate Communications Team will be responsible for dealing with the press and media. No Officer should give a view which is contrary to or critical of Council policy. Officers should seek authorisation from their Chief Officer prior to speaking to the media.

- 14.2 Outside working hours, an Officer is entitled to voice their opinion on issues affecting the local community e.g. at a neighbourhood forum meeting. However, Officers have a general duty of care to avoid a conflict of interest and should not criticise, damage or act in any way against the Council.
- 14.3 A trade union official or member may be asked to comment by the media on, for instance, an industrial dispute. Any opinion expressed should be clearly given in their capacity as a Trade Union official or member.

Annex 1 – Politically Restricted Posts

The Local Government and Housing Act 1989 set certain restrictions on the political activity of designated post holders. Posts are politically restricted either because the particular post is listed in the legislation or because of the responsibilities of the post.

The specific posts which will always mean that the Officer is politically restricted are as follows:

- The Head of Paid Service;
- Statutory Chief Officers, namely the s151 Officer and the Monitoring Officer, Director of Children's Services, Director of Adult Social Services, Director of Public Health;
- Deputy Chief Officers;
- Assistants to political groups;
- Other Officers exercising delegated powers i.e. persons whose posts are for the time being specified by the Council in a list maintained.

The posts which are politically restricted because of the nature of the duties performed are posts which are not included in the list above are:

- Posts where the duties involve regularly giving advice (other than mere factual information) to the Council or a Committee, sub-Committee or Joint committee;
- Posts where the duties involve speaking on behalf of the council to journalists or broadcasters on a regular basis.

Effect of a post being politically restricted

Politically restricted Officers will not be allowed to undertake the following activities:

- Stand as a candidate for election as a Member of (a) the House of Commons, or (b) the European Parliament, or (c) a Local Authority

- Act as an election agent or sub agent for a candidate for election as a member of (a), (b) or (c) above.
- Canvass on behalf of a political party or on behalf of a person who is or proposes to be a candidate as above.
- Hold office in a political party or branch of a political party if the post holder will be required to:
 1. take part in the general management of the party or branch; or
 2. act on their behalf of the party or branch in dealings with persons other than members of the party.
- Speak to the public with the intention of gaining support for a political party.
- Officers may not speak to the public or a section of the public with the intention of affecting public support for a political party.

However, mere membership of a political party is not affected.

Officers may not publish or cause, authorise or permit any other person to publish any artistic work of which they are the author, co-author or editor, if the work appears to intend to affect support for a political party.

For Political Assistants these last two provisions do not apply but the following apply instead:

- Political Assistants may not speak to the public at large or to a section of the public in circumstances or terms which are likely to create the impression that they are speaking as an authorised representative of a political party whether they are authorised to do so or not;
- Political Assistants may not publish or cause, authorise or permit any other person to publish any written or artistic work of which he is the author, co-author or editor in circumstances which are likely to create

the impression that the publication is authorised by a political party, whether or not it is so authorised.

These restrictions form part of the Officers' terms and conditions of employment.

Appeals

There is no right of appeal against political restriction where the post is one of those specifically listed in the legislation. There is a right of appeal where the post is being treated as politically restricted because of the nature of the duties. Appeals are made to the Chief Operating Officer. To grant the appeal, the Chief Operating Officer must be satisfied that the post does not involve giving advice on a regular basis to Members or regularly speaking on behalf of the Council to journalists etc.

The Chief Operating Officer must consult with the Monitoring Officer before making any decision.

To check if a post is politically restricted, contact a member of the HR Team.

Appendix 16 - Protocol on Officer/Member Relations

1 Introduction and Principles

- 1.1 The purpose of this protocol is to provide a set of principles to guide Members and Officers of the Council in their relations with one another in such a way as to ensure the smooth running of the Council.
- 1.2 This Protocol should be read in conjunction with the Members' Code of Conduct, Officers' Code of Conduct, the Council's Constitution, Whistle-blowing Policy and any guidance issued by the Joint Standards Committee, Audit and Governance Committee and/or the Monitoring Officer.
- 1.3 Certain Officers, e.g. Head of Paid Service, Monitoring Officer, Chief Financial Officer (Section 151 Officer) and the statutory Chief Officers have responsibilities in law over and above their obligations to the Council and its Members that they must be allowed to discharge.

2 The Relationship: General Points

- 2.1 Both Members and Officers are servants of the public, and they are indispensable to one another however their roles and responsibilities are different.
- a) Members are responsible to the electorate and serve only so long as their term of office lasts. Members are representatives of the ward constituents and they also develop policies which will be implemented by the Officers.
 - b) Officers are responsible to the Council as a whole, they are employed by and ultimately responsible to the Chief Operating Officer as Head of Paid Service. Their job is to provide professional advice and support to relevant parts of the Council in developing and implementing the policies and decisions.

- 2.2 These are very different roles and this may in some circumstances give rise to tensions and, as such, it is essential that the working relationship between Officers and Members is business-like and founded upon mutual respect.
- 2.3 Member/Officer relationships should be conducted in a positive and constructive way. Therefore it is important that any dealings between Members and Officers should observe standards of courtesy and that neither party should seek to take unfair advantage of their position or seek to exert undue influences on the other party.

3 Expectations

3.1 What can Members expect from Officers:

- a) Political neutrality;
- b) A commitment to act in the interests of the Council as a whole and not to any one political group;
- c) A professional approach to the working relationship;
- d) An understanding of their role and its pressures;
- e) Timely response to enquiries;
- f) Professional advice;
- g) Confidentiality where appropriate;
- h) Courtesy and respect;
- i) Compliance with the Officers' Code of Conduct.

3.2 What can Officers expect from Members:

- a) An understanding of the requirements of their roles and an appreciation of competing calls on their time;
- b) A partnership working approach;
- c) Courtesy and respect;
- d) Political leadership and direction;
- e) Not to be bullied, harassed or subjected to inappropriate pressure;
- f) Respect for their professional advice.
- g) Members shall act within the Code of Conduct at all times.

4 Specific Issues

- 4.1 Officer advice and preparation of reports: – The provision of advice and the preparation of reports are central to the roles of many Senior Officers and they are under a duty to give their best advice in the interests of the Council as a whole. When carrying out these duties it is essential that Officers feel able to give full and frank advice even where this may not be supportive of a particular policy or decision promoted by a Member. Members must not seek to unduly influence the content of any report or try to persuade an officer to change their professional advice when drafting their reports.
- 4.2 Social contact between Members and Officers:- Mutual respect between Officers and Members is essential to good local government. Close personal familiarity between Officers and Members that transcends the normal employer/employee relationship can potentially undermine Members' confidence in the political neutrality or even-handedness of an Officer, therefore, care should be exercised.

5 When Things Go Wrong

- 5.1 Procedure for Members: From time to time the relationship between a Member and an Officer may become strained for various reasons, including the tensions mentioned above. In such circumstances, it is essential that the Member should not raise such matters in a manner that is incompatible with the objectives of this protocol. An Officer has no means of responding to such criticisms in public. If a Member feels he/she has not been treated with proper respect, courtesy, or has any concerns about the conduct or capability of an Officer he/she should raise the matter with the respective Chief Officer. The Chief Officer will then look into the facts and report back to the Member. If the Member continues to have concerns then he/she should report the facts to the Chief Operating Officer. Any action taken against an officer in respect of a complaint will be in

accordance with the provisions of the Council's Disciplinary Policy and Procedures.

- 5.2 Procedure for Officers: Where an Officer feels that he/she has not been properly treated with respect and courtesy by a Member, he/she should raise the matter with his/her Head of Service, Chief Officer or the Chief Operating Officer as appropriate, especially if they do not feel able to discuss it directly with the Member concerned. In these circumstances the Head of Service/ Chief Officer or the Chief Operating Officer will take appropriate action either by approaching the individual Member and/or Group Leader or by referring the matter to the Director of Governance for advice on how to proceed.
- 5.3 If the Officer continues to have concerns then he/she may wish to make a complaint to the Council's Monitoring Officer, if the conduct falls within the remit of the Members Code of Conduct (see Appendix 14 of this Constitution).

6 Officer Support: Member and Party Groups

- 6.1 It must be recognised by all Officers and Members that in discharging their duties and responsibilities, Officers serve the Council as a whole and not any political group, combination of groups or any individual Member of the Council.

Party groups are a recognised part of the Council and it is common practice for such groups to give preliminary consideration to matters of Council business in advance of such matters being considered by the relevant Council decision making body. Officers may properly be called upon to support and contribute to such deliberations by party groups but must at all times maintain political neutrality.

- 6.2 In providing this support to party groups certain points must be understood by both Officers and Members:

- a) Officer support must be limited to providing information and advice in relation to matters of a Council business. Officers must not be involved in advising on matters of party business. It is recommended that Officers are not present at meetings or parts of meetings where matters of party business are to be discussed.
- b) Party group meetings, whilst they form part of the preliminaries to Council decision making, such meetings do not empower those attending to make decisions on behalf of the Council. Conclusions reached at such meetings do not therefore rank as Council decisions and it is essential that they are not interpreted or acted upon as such.
- c) Where Officers provide information and advice to a party group meeting in relation to a matter of Council business, this cannot act as a substitute for providing all necessary information and advice to the relevant committee or sub-committee when the matter in question is considered.

6.3 Special care needs to be exercised whenever Officers are involved in providing information and advice to party groups or other meetings which include persons who are not Members of the Council or Elected Members. Such persons are not bound by the Members' Code of Conduct (in particular, the provisions concerning declarations of interest and confidentiality) and, for this and other reasons, Officers may not be able to provide the same level of information and advice as they would to a Member only meeting.

6.4 Officers must respect the confidentiality of any party group discussions at which they are present in the sense that they should not relay the content of any such discussion to another party group, but Officers must have regard to a Member's right of access to information and Council documents which are referred to in Section 9 below. However the confidentiality of information discussed in the presence of an officer cannot be guaranteed in all cases as it may be subject to the Freedom of Information Act.

6.5 In relation to budget proposals;

- a) The administration shall be entitled to confidential discussions with Officers regarding options and proposals. These will remain confidential until determined by the Administration or until published in advance of the Executive /Council meetings, whichever is the earlier;
- b) The opposition groups shall be entitled to confidential discussions with Officers to enable them to formulate alternative budget proposals. These will remain confidential until determined by the respective opposition groups or until published in advance of Executive/Council meetings, whichever is the earlier.

6.6 Any particular difficulty or uncertainty in this area of officer advice to party groups should be raised with the Chief Operating Officer who will discuss them with the relevant Group Leader(s).

7 Officer Support: The Executive

7.1 It is important that there should be a close working relationship between Executive Members and the Officers who support and/or interact with them. However such relationships should never be allowed to become so close, or appear to be so close, as to bring into question the Officer's ability to deal impartially with other Members and other party groups.

7.2 Whilst Executive Members will be consulted as part of the process of drawing up proposals for consideration or the agenda for a forthcoming meeting, it must be recognised that in some situations an Officer will be under a professional duty to submit a report. A Chief Officer will always be fully responsible for the contents of any report submitted in his/her name. This means that any such report will be amended only where the amendment reflects the professional judgement of the author of the report.

7.3 Under Executive arrangements, individual Members of the Executive may, in some situations, take decisions. The Council has put in place mechanisms to ensure that the individual

Executive Member seeks advice from relevant Members and Officers before making a decision with his/her delegated authority. This includes taking legal advice, financial advice and professional officer advice as well as consulting the Monitoring Officer where there is doubt about powers to act.

- 7.4 Officers will continue to work for and serve the Council as a whole. However, as the majority of functions will be the responsibility of the Executive it is likely that in practice many Officers will be working to the Executive for most of their time. The Executive must respect the political neutrality of the Officers. Officers must ensure that their political neutrality does not appear to be compromised.

8 Officer Support: Overview and Scrutiny

- 8.1 It is not the role of scrutiny to act as a disciplinary tribunal in relation to the actions of Members or Officers. Neither is it the role of Officers to become involved in what would amount to disciplinary investigations on a panel's behalf. This means:

- a) Overview & Scrutiny's questioning about the conduct of individuals should be in the sense of establishing the facts about what occurred in the making of decisions or implementing of Council policies, not to imply criticism or blame;
- b) In these circumstances, it is for the Chief Operating Officer to institute a formal enquiry, and Overview & Scrutiny may ask (but not require) him to do so.

- 8.2 Overview & Scrutiny should not act as a "Court of Appeal" against decisions or to pursue complaints by individuals, as other procedures exist for this. These are internal, eg the Corporate Complaints Procedure, and external/statutory, eg Local Government Ombudsman or appeal to the Courts. However:

- a) Overview & Scrutiny may investigate the manner in which decisions are made but should not pass judgement on the merits of a decision in individual cases;
- b) They can comment on the merits of a particular policy affecting individuals.

8.3 Wherever possible Overview & Scrutiny should provide written questions or details of indicative topics to someone invited to appear before a panel to ensure they have adequate time to prepare for the meeting. In addition, invitees ought to be told the general line that further questioning is likely to take. Questioning should not stray outside the subject area that the Panel has previously indicated.

9 Members' Access to Information and to Council Documents

9.1 Members need to have access to information held by the Council in order to perform their roles but their rights to access are not absolute (as detailed within Appendix 7 of this Constitution. The starting point is that Members have the same rights as any other person and, as such, they are entitled to copies of any published information held by the Council. They can also make a request under the Freedom of Information Act 2000 if they wish.

9.2 Members also have additional legal rights to access information held by the Council which would not normally be made public. They are given these extra rights of access in order to enable them to undertake their roles as Members. However, care should be exercised in this regard as Members are only entitled to confidential information where they either, have a right under S.100 of the Local Government Act 1972 or, where they can show that they have a 'need to know' the information in order to conduct their council duties.

9.3 S.100(F) LGA 1972.

This provides that any document held by the Council containing material relating to any business to be transacted at any meeting of the Council, committee or sub-committee must be available for

inspection by any member of the Council unless it is deemed by the proper officer to fall within certain categories of 'exempt' information as defined by Schedule 12A to the Local Government Act 1972. This applies to all categories of exempt information except those under paragraph 3 (except to the extent that the information relates to proposed terms of a contract), and paragraph 6 of Schedule 12A.

9.4 Need to Know

Even where the above statutory rights do not apply to the information in question the Member also has a common law right to inspect information which it is necessary for them to inspect in order to carry out their function as a Councillor. This will normally cover all the information

9.5 In cases of doubt Members should approach the Director of Governance for assistance.

9.6 The common law rights of Members are based on the principle that any Member has a right to inspect Council documents so far as his or her access to the documents is reasonably necessary to enable the Member properly to perform his or her duties as a Member of the Council. This principle is commonly referred to as the "need to know" principle.

9.7 The exercise of this common law right depends upon an individual Member being able to demonstrate that he or she has the necessary "need to know". In this respect a Member has no right to a "roving commission" to go and examine documents of the Council. Mere curiosity is not sufficient. The crucial question is the determination of the "need to know". This question must be determined by the particular Chief Officer with advice from the Director of Governance.

9.8 In some circumstances the Member will be expected to justify the request to inspect a document. In addition there will be a range of documents, which, because of their nature are either not accessible to Members or are accessible only by the political

group forming the administration and not by the other political groups. An example of this latter category would be draft documents compiled in the context of emerging Council policies and draft Committee reports, the premature disclosure of which might be against the Council's and/or the public interest.

9.9 Any Council information provided to a Member must only be used by the Member for the purpose for which it was provided, i.e. in connection with the proper performance of the Member's duties as a Member of the Council. Therefore, for example, early drafts of Committee reports/briefing papers are not suitable for public disclosure and should not be used other than for the purpose for which they were supplied, i.e. to brief the Member.

9.10 The Members Code of Conduct also contains specific rules about confidential information held by the Council which prohibit Members from disclosing such information unless it can be shown that it is in the public interest to do so.

10 Correspondence

10.1 Correspondence between an individual Member and an officer should not be copied (by the officer) to any other Member. Where exceptionally it is necessary to copy to another Member, this should be made clear to the original Member.

10.2 Official letters and electronic communications on behalf of the Council should be sent in the name of the appropriate officer, rather than in the name of the Member. It may be appropriate in certain limited circumstances (eg, representations to a Government Minister) for a letter to appear in the name of an Executive Member or the Leader, but this should be the exception rather than the norm. Letters which, for example, create legal obligations or give instructions on behalf of the Council should never be sent out in the name of a Member.

11 Communication of Officer Delegated Decisions

11.1 Notwithstanding the rights of Members to information and to

Council documents set out in this protocol, Officers taking decisions under delegated authority from the Executive must ensure that relevant Members have prompt information regarding the decision, the reasons for the decision and the impact of the decision.

11.2 For the purposes of this protocol “relevant Member” will include:

- a) Members of any Ward upon which the decision is likely to impact.
- b) Members of the Executive where the decision falls within their portfolio area.
- c) Members of any relevant Committee where if it was not for delegation to Officers, the decision would be taken by that Committee.
- d) All Members of the Council where the decision is likely to have a corporate impact.

11.3 If any Member becomes aware that they have not been provided with the information in accordance with this protocol the matter should be raised with the appropriate Director and/or the Chief Executive.

12 Media and Communications

12.1 The Council is accountable to their electorate. Accountability will be promoted by the Council, explaining its objectives and policies to the electors and customers. The Council will use publicity to keep the public informed and to encourage public participation.

12.2 Publicity is a sensitive matter in any political environment because of the impact it can have. Expenditure on publicity can be significant. It is essential to ensure that decisions on publicity are properly made in accordance with the Code of recommended Practice on Local Authority Publicity and the Council’s Media

Protocol which outlines the principles and processes governing communications with media outlets. The Protocol applies to all Members and Officers and has been produced to provide guidance and clarify good practice relating to the effective management of media relations at the Council. Press releases or other communications are not issued by the Council on behalf of political groups.

- 12.3 Every effort will be made to ensure that Members do not hear important information about the Council from other sources first. Members or Officers quoted or named in a news article will be provided with a copy before it is published, so that they are able to digest and consider the issue prior to any media enquiry.
- 12.4 The social media policies provide clear advice and guidance on the acceptable use of social media by Officers. Members should consult the Local Government Association's social media best practice guidelines and refer to the Members Code of Conduct. The Council's electronic communications policy applies to Officers and Members to ensure that all electronic forms of communication are used appropriately within the workplace, whether that be in a Council office or remotely.
- 12.5 Officers and/or Members should seek advice from the Council's Communications Department of the Director of Governance when making decisions on publicity, and particular care should be paid to any publicity used by the Council around the time of an election.

13 Involvement of Ward Members

- 13.1 Whenever a public meeting is organised by the Council to consider a local issue, all the Members representing the Wards affected should as a matter of course, be invited to attend the meeting. Similarly, whenever the Council undertakes any form of consultative exercise on a local issue, the Ward Members should be notified at the outset of the exercise. In addition Officers should consider whether other policy or briefing papers, or other topics being discussed with an Executive Member should be

discussed with relevant Ward Members. Officers should seek the views of the appropriate Executive Member(s) as to with whom and when this might be done.

14 Monitoring and Review

- 14.1 The application and implementation of this Protocol will be monitored and reviewed by the Council's Joint Standards Committee in consultation with the Council's Monitoring Officer.

Appendix 17 – Code of Good Practice for Councillors involved in the Planning Process

1 Summary

1.1 One of the key purposes of the planning system is to balance private interests in the development and use of land against the wider public interest. Planning necessarily affects land and property interests and as such is often highly contentious. It is important therefore that planning decisions are made openly, impartially, with sound judgement and for justifiable planning reasons. The aim of this Code of Good Practice is to promote public confidence in the planning decision making process.

1.2 If Members do not abide by this Code of Good Practice, they may put:

- the Council at risk of proceedings on the legality or maladministration of the related decision; and;
- themselves at risk of being the subject of a standards complaint; or; if the failure is also likely to be a breach of the Localism Act 2011, a complaint being made to the Police to consider criminal proceedings.

2 When does this Code apply?

2.1 This Code of Good Practice applies to Members at all times when they are involved in the planning process. This includes both Planning Committee meetings, any meetings of the full Council when exercising the functions of the Planning Authority, and less formal occasions, such as meetings with officers or the public and consultative meetings. It applies to planning enforcement matters or site specific policy issues as well as to planning applications. Although much of the Code applies only to members (including substitute members) of the Planning Committees, some aspects affect any Member who becomes involved with a planning matter.

- 2.2 This Code of Practice supplements the Council's Code of Conduct for Members, and gives detailed advice on dealing with planning issues.
- 2.3 If Members have any doubts about the application of this Code to their own circumstances they should seek advice early, from the Monitoring Officer or Deputy Monitoring Officer, and preferably well before any meeting takes place.

Advice to Members:

Do apply the rules in the Members' Code of Conduct first.

Do then apply the rules in this Planning Code of Good Practice, which seek to explain and supplement the Members' Code of Conduct for the purposes of planning control.

Do seek early advice if in doubt.

3 Dealing with Interests under the Members' Code

- 3.1 Members must always declare personal, prejudicial and disclosable pecuniary interests in accordance with the Members' Code of Conduct. All Members must follow these rules, not just members of the Planning Committees.
- 3.2 A personal interest arises where the business affects the Member, somebody with whom the Member has a close association, one of the outside bodies referred to in the second schedule of the Code of Conduct or someone from whom the Member has received a gift or hospitality valued at £50 or more. Members must declare these interests unless they appear on their register of interests.
- 3.3 A prejudicial interest arises where a Member has a personal interest and a member of the public with knowledge of the relevant facts would reasonably regard it as so significant that it would be likely to prejudice the Member's judgement of the public interest. Members should not participate in the debate or vote where they

have such an interest and, if the interest arises in a decision making meeting, they should leave the room. Simply being a member of an outside body will not automatically amount to a prejudicial interest but Members need to think about whether their involvement is more significant than that and consider taking specific advice prior to attending a meeting.

Advice to Members:

Do disclose the existence and nature of your interest at any relevant meeting, including informal meetings or discussions with Officers and other Members. Disclose your interest at the commencement of discussion on that particular matter.

Where your interest is a prejudicial interest and you have not obtained a dispensation:-

Don't participate, or give the appearance of trying to participate, in the making of any decision on the matter by the Planning Authority.

Don't get involved in the processing of the application*.

Don't use your position to discuss the proposal with Officers or Members when other members of the public would not have the same opportunity to do so.

*A Councillor who has a prejudicial interest in a matter is permitted to seek to persuade Planning Officers of the merit of the application in the same way as a member of the public but should be careful to avoid placing pressure on an officer for a particular recommendation. See also paragraph 5.4 for advice on speaking at meetings in these circumstances.

- 3.4 A disclosable pecuniary interest arises where the business relates to one of the interests prescribed by law and referred to in the first schedule of the Code of Conduct. It is a criminal offence to participate in a Council meeting if Members have such an interest and have not been granted a dispensation.

Advice to Members:

Do disclose the existence and nature of your interest at any relevant meeting, including informal meetings or discussions with Officers and other Members. Disclose your interest at the commencement of discussion on that particular matter.

Where your interest is a disclosable pecuniary interest and you have not obtained a dispensation:-

Don't participate, or give the appearance of trying to participate, in the making of any decision on the matter by the Planning Authority.

Don't get involved in the processing of the application*.

Don't use your position to discuss the proposal with Officers or Members when other members of the public would not have the same opportunity to do so.

*A Councillor who has a disclosable pecuniary interest in a matter is permitted to seek to persuade Planning Officers of the merit of the application in the same way as a member of the public but should be careful to avoid placing pressure on an officer for a particular recommendation. See also paragraph 5.4 for advice on speaking at meetings in these circumstances.

4 Keeping an open mind

4.1 Councillors need to avoid bias or predetermination or any appearance of bias or predetermination before making a decision on a planning matter. Members of a Planning Committee must not make up their minds before they have all relevant material and arguments before them at a Planning Committee meeting. The use of a political whip is not permitted for decisions on planning applications.

- 4.2 Members of a Committee are entitled to feel predisposed towards a particular decision before it comes to Planning Committee, but must still be willing to consider and weigh all material planning considerations presented at the meeting before deciding on how to vote. Pre-determination arises when Members' minds are closed (or reasonably perceived to be closed) to the consideration and weighing of the relevant factors. The test is that a member of the public with knowledge of the relevant facts would reasonably regard it as closed. That risks making the whole decision vulnerable to legal challenge. It also risks a public perception being created of unfairness in the planning process.
- 4.3 The Localism Act 2011 has built on clarification of the law provided by the Courts in a number of cases and Members can take some comfort that they will not be taken to have had a closed mind when making the decision just because they have previously done or said anything to indicate their view in respect of the matter. Nevertheless it remains the case that Members must not have closed their mind to possible alternative decisions and must be prepared to consider representations made and the advice of officers and listen to the debate before reaching a final view. A Member in this position will always be judged against an objective test of whether the reasonable onlooker, with knowledge of the relevant facts, would consider that the Member was predetermined or biased.

Advice to Members:

Don't make up your mind, or appear to have made up your mind, on how you will vote on any planning matter until you have heard the officer's presentation and all the evidence and arguments at the Planning Committee when the matter will be considered. If you have predetermined your position or have given that impression, you should not take any part in the decision on that matter.

- 4.4 A member of a Planning Committee who is also a Parish Councillor may already have been consulted on a planning application at a Parish Council meeting. It is permissible to express a view at a Parish Council meeting on a matter and still participate at a Planning Committee so long as a Member has not closed their mind to reaching a different view. It is good practice in these cases for the Member to:
- make it clear during the discussion at the consultee body that their views are expressed on the limited information before them only; and
 - reserve judgement and the independence to make up their own mind when it comes before the Planning Committee and to hear all of the relevant information; and
 - not in any way commit themselves as to how they or others may vote when the proposal comes before the Planning Committee; and
 - disclose the personal interest regarding their membership of the Parish Council when the Planning Committee comes to consider the proposal
- 4.5 If a Member has already made up their mind they must not speak or vote on the business but they are not legally required to withdraw from the meeting (unless they also have a prejudicial or disclosable pecuniary interest). However, they may prefer to do so for the sake of appearances. If they decide to stay in the meeting they should explain that they do not intend to speak and vote because they have (or could reasonably be perceived as having) judged the matter elsewhere, so that this may be recorded in the minutes.
- 4.6 Executive Members may have been involved in promoting a particular development in their role as Executive Members for the Service. Whilst a Member of a Planning Committee would not be required to withdraw simply because they are also an Executive Member, if an Executive Member also sits on Planning Committee it may be difficult for them to demonstrate objectivity in dealing with an application relating to that development. They must consider

whether they have an interest or degree of involvement with the proposals that could give the impression of bias or predetermination. Indeed, the Member may be seen as advocate on behalf of the Council for the development in question. In those cases the best course of action would be for the Executive Member to withdraw from the Planning Committee for that matter.

5 Contact with Applicants, Developers and Objectors

- 5.1 Members of a Planning Committee should discourage applicants or agents from approaching them in any way, should minimise social contacts with known developers and agents and should refrain altogether from such contacts when developments are contemplated or a planning application has been received.
- 5.2 All Members should refrain from involving themselves in discussions with developers or potential applicants at the pre-application stage of proposals unless such discussions are part of structured and recorded arrangements with Officers and comply with this Code and rules on bias and predetermination.
- 5.3. If an approach is received from an applicant/agent in relation to a particular planning application or a matter that may give rise to a planning application, the Member should:
- Refer the applicant or agent to the relevant officers of the Council, and notify officers of the approach.
 - Avoid giving any commitment or impression of a commitment or that they hold any particular view about the development or the future of the site in question.
 - Confine themselves to providing information on the Council's general planning policies or procedures only, where the Member is fully aware of these.
 - If they do express an opinion they should make it clear that they have not committed themselves to vote in accordance with those views and will only be in a position to take a final decision after having heard all the relevant information and arguments at committee.

- 5.4 When any Member speaks at a meeting of the Committee on the subject of a particular planning application, they should disclose the fact that they have been in contact with the applicant/agent, if this is the case. Members are able to articulate their own views on proposals, but should not speak on behalf of the applicant or the agent who will have their own opportunity to speak to Committee.
- 5.5 Any written information received by a Member of the relevant Committee from the applicant or agent, objectors or any other third party, should be passed or copied immediately to the relevant Planning Officer and declared at the start of the consideration of the particular application.

Advice to Members:

Do seek to minimise social contacts with known developers particularly when the developer is known to be contemplating development in the City.

Do refer an applicant, developer or objector who approaches you about a planning application to Officers, if they need planning, procedural or technical advice.

6 Contact with neighbours, objectors, supporters, third parties or fellow Councillors

- 6.1 In order for the planning system to work effectively public concerns must be adequately aired. It is an important part of a Member's role to listen to residents' views and put these views forward within the Council. However, it is important that Members of the Planning Committees make decisions based on the full facts having considered all representations made and all other relevant considerations. Members will usually need a report from officers to help them to do this.
- 6.2 Members of a Planning Committee should not give the impression that they have made up their mind about a particular matter in

advance of the meeting. Discretion is always advisable. A good approach is to say something like: “From what I know at the moment I support (or have reservations about) this application, but I won’t make a final decision until I have all the facts before me at Planning Committee”.

- 6.3 All Members should advise anyone lobbying them that the Committee can only effectively consider representations if they are made in writing to the Director of Environment, Highways & Transport. Members can also advise objectors of the rights they have for speaking at meetings. If there are technical issues or alternatives to be considered, then Members should either ask the applicant/objector to raise these matters with Officers or ask officers to consider such matters when reporting to Committee.
- 6.4 No Member should accept gifts or hospitality of any value from anyone who is involved or affected by a planning proposal. Members should inform the Monitoring Officer if they feel they have been exposed to undue or excessive lobbying or approaches (including inappropriate offers of gifts or hospitality).
- 6.5 No Member should take part in negotiations with applicants or potential applicants regarding their proposals for development except where such negotiations are part of a structured arrangement with officers.

Advice to Members:

If you are lobbied:

Do explain that you are not in position to express a firm intention to vote one way or the other.

Do explain how representations can be made formally.

Don’t accept any gifts or hospitality.

7 Lobbying by Members

- 7.1 Members are quite entitled to join general interest groups which may have an interest in planning matters such as the Civic Society

or the Victorian Society. If Members are present at a Committee meeting where a group to which they belong has adopted a view on a particular matter then they need to declare a personal interest when the matter is discussed.

- 7.2 There may be circumstances where a political group has a policy commitment to a particular development. It may have been contained within the party's manifesto. This alone does not prevent a Member participating in decision making so long as they have not closed their mind to considering the planning arguments and have the independence to make up their own mind on the planning proposal.
- 7.3 If a Councillor, whether or not a member of the Planning Committee, speaks on behalf of a lobby group at a Committee meeting they should withdraw from the meeting after the public speaking session.

8 Site Visits

- 8.1 Site visits can play an important role in ensuring that Members make decisions on a sound understanding of the relevant issues. However care must be taken to ensure that site visits are not misused as a lobbying device to help ensure a particular outcome in respect of controversial applications or to defer consideration of an application to a subsequent meeting. Site visits should only be requested where there is a clear and substantial benefit in having one.
- 8.2 Members will have the opportunity to ask questions of officers, the applicant and objectors at the site visit but they should avoid expressing opinions at this stage.
- 8.3 In addition it is important for officers and Members to hear all the discussion and visit all parts of the site as a single group so as to ensure that any information which they gained from the site visit can be reported back to the Committee, and that all Members have the same information.

- 8.4 While visiting sites Members must not accept any form of gift, hospitality or refreshment.
- 8.5 Members of a Planning Committee should not normally accept invitations to visit a site unless this is in the company of a planning officer. This does not prevent Members from going alone to view a site from public land.
- 8.6 Councillors have no rights to enter on private land. A Councillor might be invited to enter the site by the owner. It is not good practice for a member of a Planning Committee to do so as this may give the impression of bias. If a Member feels that they need an explanation of the proposal then they should request a formal site visit by contacting the Case Officer at least 10 days before the Committee meeting.

Advice to Members:

Don't request a site visit unless you feel it is strictly necessary.

Do ensure that you treat the site visit only as an opportunity to seek information and to observe the site.

Do ask the Officers at the site visit questions or seek clarification from them on factual matters which are relevant to the site inspection.

Don't express opinions or views on the proposal to anyone.

Don't enter a site which is subject to a planning application unless you can comply with the good practice rules in this Code.

9 Presentations to Members

- 9.1 It may be that on larger, more complex, or design sensitive applications, it would be appropriate for a prior presentation to be made to the relevant Committee. The presentation will not form part of the formal Planning Committee meeting.

9.2 If so, such presentations will not be held less than two weeks in advance of the meeting. This is to allow Members due time for reflection on the proposal, and to allow any questions and issues to be followed up by officers and covered in the agenda report to Members at the subsequent Committee.

9.3 The role of Members at such presentations is to listen to the presentation, and to raise questions on the details presented. Under no circumstances will there be a debate on the merits of the relevant planning application. It is important that Members do not promote or oppose the application at this stage, since not all the relevant information may be before them.

10 Decision Making

10.1 The Council's Constitution specifies that certain applications must be brought before the Committee and others may be determined by officers. Members, including those who are not on the Committee, can request that a particular application should be brought to Committee rather than being determined by officers under delegated powers.

10.2 Members should ensure that they only request that an application be brought to Committee in accordance with Constitutional requirements, and for proper planning reasons which are reported to the Committee.

10.3 In making decisions on planning applications, the law requires the application to be determined in accordance with the development plan and the requirement to comply with national planning guidance unless material considerations indicate otherwise. Adequate planning reasons must be given for any decision/conclusion. It is particularly important to ensure that these are fully articulated and recorded prior to the vote and must be recorded where a decision is made contrary to an officer recommendation or contrary to established policy. Where a decision is made contrary to policy it is Members' responsibility to

explain their reasons in full. Pressure should never be put on officers to “go away and sort out the planning reasons”.

- 10.4 Members must come to a decision after due consideration of all the information reasonably required, upon which to base a decision. Members should not participate in a vote if they have not been present for the full presentation and debate. Members should not attempt to answer e-mails, monitor or contribute to social media discussions or engage in any other activity during the meeting which may distract them from giving the proceedings their full attention.
- 10.5 Members should ensure that they have had sufficient time to digest any new material which has been presented. Members may need to ask for an adjournment to do so. Occasionally it may be necessary to defer an item to allow for proper consideration or for additional information to be obtained. However, the Council has a duty to process applications without undue delay and applications should not be deferred as a delaying tactic or to put off making a decision because of the number of objectors to the proposals.
- 10.6 Messages should not be passed to individual committee members either from other Members or members of the public. This could create an impression that a Member is being improperly influenced.

Advice to Members:

Do come to meetings with an open mind and demonstrate that you are open-minded.

Do make decisions in accordance with the Development Plan unless material considerations indicate otherwise.

Do come to your decision only after due consideration of all of the information reasonably required.

Do make sure that if you are proposing, seconding or supporting a decision that you clearly identify the planning reasons leading to this conclusion and can identify the supporting evidence

11 Officers

- 11.1 Members, whether or not they sit on a Planning Committee, must not put improper pressure on any officer to put forward a particular recommendation and should not do anything which compromises or is likely to compromise his or her professional integrity and impartiality. Doing so may be a breach of the Code of Conduct.
- 11.2 Planning Officers must act within officer and professional codes of conduct. The Royal Town Planning Institute requires its members to fearlessly and impartially exercise their independent professional judgment to the best of their skill and understanding. Accordingly there may be occasions where officers make recommendations which may be contrary to the views and wishes of Members.

Advice to Members:

Do not apply improper pressure on Officers to make a particular recommendation.

Do respect the professional obligations of planning Officers.

12 Members as developers or applicants

- 12.1 If a Member has an interest in land that may be the subject of re-designation or other decision in the Development Plan process, or if a Member, or someone with whom they have a close association is making a planning application to the Council, then they should discuss this at the earliest opportunity with the Assistant Director of Planning and Public Protection. The planning application should contain a declaration (in the form of a covering letter) of the Member's position in relation to the planning application, so that all those consulted are aware of the relationship. The Assistant Director of Planning and Public Protection will oversee the consideration of the application with the case officer, including any discussions that may involve other Members.

- 12.2 Any application by a Member will be reported to the Planning Committee or the Planning Area Sub-Committee as appropriate and will not be dealt with by an officer under delegated powers. The Member's interest should be made clear at the Committee.
- 12.3 If a Member's planning application comes before the Planning Committee they will have a disclosable pecuniary interest in relation to the application. This must be declared and means that the Member may not participate in the discussion or vote on the application. Government guidance suggests that the prohibition on discussing the item would prevent Members making representations to the Committee as an ordinary member of the public. While some lawyers have questioned this guidance there is a degree of uncertainty and the safest option would be for the Member to either seek a dispensation allowing them to make representations or ask someone else to make those representations on their behalf.

13 Enforcement cases

- 13.1 Planning enforcement is particularly sensitive since it can ultimately result in Court proceedings. All Members are encouraged to report breaches of planning control to officers or to support their constituents in doing so. They may seek updates on progress which is being made to resolve matters but should avoid playing too pro-active a role such as by involving themselves in meetings between enforcement officers and developers.

14 Member Training

- 14.1 In order to ensure that Members are fully aware of the requirements placed on them when sitting on Planning Committees it is the policy of the Council to require Members to attend prescribed training before sitting as a Member or Substitute Member.

2 Appendix 18 - Guidance to Councillors and Officers Appointed to Outside Bodies

1 Introduction

- 1.1 This guidance sets out the main issues which Councillors and Officers should consider when appointed by the Council to serve on outside bodies.
- 1.2 In the context of this guidance ‘outside bodies’ include trusts, companies, charities, school governing bodies, industrial and provident societies and community associations. Councillors or Officers may be involved as a director, trustee, governor or member (with or without voting powers).
- 1.3 Councillors and Officers who are involved in the management of outside bodies have responsibilities to that body that must be acted upon. Their role, responsibilities and potential liabilities will depend upon the legal nature of the organisation and the capacity in which they have been appointed. Failure to act in a proper manner may give rise to personal liability or liability for the Council.
- 1.4 With the increasing emphasis on partnership working, Councillors, as community leaders, have an important role to fulfil in supporting and advising outside bodies. However, this can give rise to conflicts of interest, particularly where the organisation is seeking or receiving funding from the Council. Councillors and Officers always need to be clear about their roles and be alert to potential conflicts of interest in order to ensure transparency and public confidence in local democracy.
- 1.5 The purpose of this guidance is to assist Councillors and Officers in the discharge of their responsibilities on outside bodies clearly and effectively. It covers, primarily, the position of Councillors and Officers appointed by the Council to serve on outside bodies, though much of the advice applies equally to Councillors and

Officers who are involved with outside bodies in a private capacity. In those situations, however, the Council's insurances will not apply.

- 1.6 This guidance is general and Councillors and Officers should contact the Monitoring Officer for further advice if they have any particular issues of concern.

2 Issues to consider before appointment

- 2.1 Before accepting an appointment to an outside body Councillors and Officers should check the following:

- a) The legal status of the organisation, e.g. company, trust, charity, unincorporated association;
- b) The capacity in which the Councillor or Officer is to be appointed, e.g. director, trustee,
- c) Whether the Councillor or Officer will have voting rights or observer status;
- d) The purpose of the organisation and how this relates to the Council's functions and objectives;
- e) The relationship between the Council and the body and the likelihood and extent of any conflicts of interest;
- f) The requirements of the organisation's governing instrument, e.g. constitution; trust deed; memorandum and articles of association, both as a member and generally;
- g) The financial status of the organisation;
- h) governance and decision-making arrangements, including the management of risk;
- i) Any code of conduct for members of the outside body;
- j) Any potential liabilities;
- k) Extent of any insurance cover for members of the outside body.

- 2.2 Having checked the above, Councillors and Officers should consider carefully whether they are willing to be appointed to participate formally in the management of the external organisation

e.g. as a director, trustee or voting member, or whether their role as a representative or Officer of the Council may be more effectively discharged as a non-voting member with observer status only. Bearing in mind the potential liabilities that may be incurred through formal involvement in an organisation, Councillors and Officers are generally advised to seek appointment as members with observer status only, unless there are exceptional reasons for more formal participation.

- 2.3 Councillors and Officers are encouraged to seek advice from the Monitoring Officer where any of the above issues are unclear.

3 Application of the Council's Code of Conduct for Members

- 3.1 The Council's Code of Conduct for Members at Appendix 14 and the Council's Code of Conduct for Officers at Appendix 15 of the Constitution, place specific obligations on Councillors and Officers when acting in that capacity in their dealings with outside organisations. The Code will, in particular, apply where a Councillor or Officers is acting as a representative of the Council on an outside body.
- 3.2 Apart from the general duty to promote and support high standards of conduct, the following duties of the Code are particularly relevant in this context:
- a) act solely in the public interest and never improperly confer an advantage or disadvantage on any person or act to gain financial or other material benefits for yourself, your family, a friend or close associate;
 - b) Avoid placing yourself under a financial or other obligation to outside individuals or organisations that might seek to influence you in the performance of your official duties;
 - c) Make all choices, such as making public appointments, awarding contracts or recommending individuals for rewards or benefits, on merit;

- d) Declare any private interests, both pecuniary and non-pecuniary, that relate to your public duties and take steps to resolve any conflicts in a way that protects the public interest.
- e) Comply with the statutory requirements on the registration and declaration of interests.

3.3 Councillors and Officers who have a direct or indirect disclosable pecuniary interest in any business at a meeting of the Council, e.g. award of a contract, must not participate in any discussion of the matter or, in the case of a Councillor, vote on it, unless a dispensation has been obtained. Failure to comply with these requirements without reasonable excuse may result in prosecution.

3.4 Councillors and Officers who serve on more than one body, in particular, need to be mindful of potential conflicts of interest and always act in an open and transparent manner in carrying out their respective roles. For example, where a Councillor is at a council meeting considering an application for a grant or a community asset transfer request from a parish council or other public body of which they are a member, they should declare the existence and nature of their interest. Having done so, they may, generally, take part in the discussion of that item and vote, unless there are particular reasons why this would not be appropriate. It is also advisable as a matter of transparency, to include details of the interest in their register of interests.

3.5 The same principle will generally apply where Councillors are appointed to serve as school governors, but it is always necessary to have regard to the nature and extent of any conflict of interest in deciding whether to participate or vote. Where the governing body is considering a matter which is likely to have a material effect on the Councillor or a member of their family, it would be advisable to declare an interest and take no further part in the proceedings.

3.6 Councillors and Officers appointed to serve on outside bodies should be mindful of their legal obligations regarding disclosure of confidential information and in case of doubt should seek advice from the Monitoring Officer.

4 Predetermination and Bias

4.1 Aside from the Code of Conduct, under common law, Councillors must be careful to avoid any pre-determination or bias in their decision-making. Predetermination occurs where someone has a closed mind so that they are unable to apply their judgement fully and properly to the issue requiring a decision. This can lead to legal challenges and decisions being set aside.

4.2 The Localism Act 2011 clarified the rules on predetermination. It makes it clear that a Councillor is not deemed to have had a closed mind on an issue just because they have indicated what view they have taken or may take before the issue is decided. A Councillor is not, for example, prevented from participating in discussion of an issue, or voting on it, if they have campaigned on the issue or made public statements about their approach to it.

4.3 The general position remains however, that, whatever their views, members must approach their decision-making with an open mind in the sense that they must have regard to all material considerations and must be prepared to change their views if persuaded that they should.

4.4 Councillors need to be aware that decisions may be challenged and set aside on the grounds of bias. Under common law, bias involves some element of partiality or personal interest in the outcome of a case, as a result of a close connection with the parties, or the subject matter of the dispute, or because of a tendency towards a particular shared point of view.

4.5 The relevant test for bias is whether the fair-minded and informed observer, having considered the facts, would conclude that there was a real possibility that the decision-maker was biased. The risk of a successful challenge on these grounds may be overcome by proper observance of the requirements of the Code of Conduct and particularly the provisions set out above.

5 Legal status, capacity, duties and liabilities

5.1 Where a Councillor or Officer is appointed to an external organisation by the council, the Councillor or Officer will be representing the interests of the Council. However, they will also have duties to the organisation. The extent of these duties will depend on the type of organisation and the nature of the position that the Councillor or Officer is appointed to.

5.2 If the Councillor or Officer is serving in a decision-making capacity, or has a position of management or control on the external organisation, they will owe duties to that organisation that are distinct and separate from their duties as Councillor or Officer.

5.3 In contrast, where the Councillor or Officer is appointed to an external organisation as an observer only and is not required to participate in the organisation's management or governance other than to attend and vote at annual or general meetings, it is likely that the Councillor or Officer will, for the most part, be acting as a representative of the Council and would not have the same duties in respect of the governance of the organisation referred to above.

5.4 The specific responsibilities of Councillors and Officers will depend upon the legal status of the outside body and the capacity in which they have been appointed. The position of Councillors and Officers in relation to various types of outside body, is summarised in the appendices to this note as follows:

- Appendix A - Director of Limited Liability Company

- Annex 1 – Summary - Executive, Shareholder Committee and Companies
- Appendix B - Trustee of Trust or Charitable Trust
- Appendix C - Member of Unincorporated Association
- Appendix D - Member of Steering Group, Joint Committee or Partnership Body

5.5 The key point to note, is that where Councillors or Officers are carrying out their duties as a trustee, director, or management committee member, they may take account of the wishes of the Council, but their primary duty is to act in the best interests of the organisation to which they have been appointed.

6 Liability, Insurance and Indemnity

6.1 Councillors and Officers can incur personal civil and criminal liability from formal participation in outside bodies. However, under section 265 of the Public Health Act 1875 (as applied by Section 39, Local Government (Miscellaneous Provisions) Act 1976), Councillors and Officers enjoy statutory immunity from civil liability where they act within the powers of the authority, in good faith and without negligence.

6.2 This immunity does not apply however, where they act beyond the powers of the council or act in bad faith (i.e. with dishonest or malicious intent) or negligently, and it does not protect them from criminal liability, for example for fraud where they exercise managerial responsibilities.

6.3 City of York Council has a wide insurance provision to protect its assets and liabilities. Within these provisions the Council has extended its cover to protect its elected and co-opted members of outside bodies when carrying out duties in connection with the business of the Council. Those afforded the protection are:

- a) Elected Members of the Council or co-opted members of any Committee or Sub-Committee;
- b) Members of committees, schemes or associations formed to assist in the activities of the Council.

6.4 Further assistance on the issues covered in this guidance may be obtained from the Council's Monitoring Officer.

Appendix A – Duties and Responsibilities of a Director of Limited Liability Company (both Teckal and Non-Teckal)

1 Directors Duties

1.1 Directors owe a number of duties to their company, which are set out in the *Companies Act 2006*. These duties are to:

- a) Act within powers (*section 171*) - see paragraph 2 '*Acting within powers - Consequences of exceeding authority*'.
- b) Promote the success of the company (*section 172*).
- c) Exercise independent judgement (*section 173*) - see paragraph 3 '*Duty to act for the company and risk of local authority becoming a shadow director*'.
- d) Exercise reasonable skill, care and diligence (*section 174*) – see paragraph 4 '*Requirement for appropriate level of skill and expertise*'.
- e) Avoid conflicts of interest (*section 175*) – see paragraph 5 '*Avoid conflicts of interest – Council vs Company*'.
- f) Not accept benefits from third parties (*section 176*).
- g) Declare interest in a proposed transaction or arrangement with the company (*section 177*).

1.2 Councillors and Officers appointed as directors should be aware of these duties, particularly those which could lead to:

- a) A conflict with their role as a Councillor or Officer (for example, the duties to promote the success of the company, to exercise independent judgement, and to avoid conflicts of interest).
- b) Personal liability for the debts of the company.

2 Acting within powers - Consequences of exceeding authority

2.1 Directors must ensure that they act within the company's constitution (its memorandum and articles of association) and must only exercise these powers for their proper purpose. If a director acts outside of their powers a company can still be bound by the unlawful actions of their Officers / Directors (unlike statutory

corporations, such as local authorities). Third parties acting in good faith can rely on decisions made by directors acting outside their authority, but the company may recover any resulting loss from the director personally.

3 Duty to act for the company and risk of local authority becoming a shadow director

3.1 Councillors and Officers appointed to external corporations must ensure that they take decisions in accordance with their personal convictions; **they must not act on behalf of, or in promotion of, the local authority.** As a director, the Councillor or Officer has a statutory duty to promote the success of the company and exercise independent judgement. If the Councillor is unable to do this without compromising their duty to the authority, they should resign their post. However, an Officer's duty to the authority is contractual, and so the authority can waive their contractual obligations if appropriate.

3.2 Furthermore, if the Councillor or Officer is a mere conduit for the local authority's viewpoint, the local authority risks being held to be a shadow director of the company. A shadow director is a person in accordance with whose directions or instructions the directors of a company are accustomed to act.

3.3 If the local authority is found to be a shadow director in an insolvency situation, it could be liable for the debts of the company where it knew, or ought to have concluded, that the company could not avoid insolvency but did not prevent it from continuing to trade (wrongful trading).

4 Requirement for appropriate level of skill and expertise

4.1 A director must exercise the care, skill and diligence which would be exercised by a reasonably diligent person with both:

- a) The general knowledge, skill and experience that may reasonably be expected of a person carrying out the functions carried out by the director in relation to the company (the "objective" test).
- b) The general knowledge, skill and experience that the director actually has (the "subjective" test).

4.2 So, at a minimum, a director must display the knowledge, skill and experience set out in the objective test, but where a director has specialist knowledge, they must meet the higher subjective standard. Therefore, a Councillor or Officer should consider, along with the appointing local authority, whether they have the skills necessary to run a company; it is not enough that an individual has the time and enthusiasm. In addition, individuals with specialist skills will be expected to apply those skills to their role as director.

Liabilities arising from insolvency of company or association

- 4.3 The need to have the necessary expertise to manage the company's finances is particularly important if the company is struggling financially. A director who does not scrutinise and understand the company's accounts risks incurring personal liability to the company's creditors for wrongful trading under section 214 or Section 246ZB of the Insolvency Act 1986 if they continue to trade when they knew, or ought to have concluded, that there was no reasonable prospect that the company would avoid becoming insolvent.
- 4.4 It is important to recognise that liability arises whether or not the director understood the company's financial position or intended any harm; if they should have known the company could not avoid insolvency, they were obliged to take every step to minimise its creditors' losses.

5 Avoid conflicts of interest – Council vs Company

- 5.1 A Councillor or Officer appointed as a director to a company will owe specific duties to the company in that capacity under both

statute and common law. Councillors and Officers are under a duty to exercise independent judgement when they are making decisions on behalf of the council. However, as a director of an external organisation they will also have a duty to exercise independent judgement and to act in the best interests of the company to which they are appointed.

- 5.2 This means that if the Councillor or Officer finds themselves in a situation where the interests of the council arise, the Councillor or Officer must disclose that interest. If they simply act or vote in line with the Council's position, the Councillor or Officer would not be acting in the best interests of the company and would be in breach of their duties as a director and could incur personal liability for their actions. Where a potential or actual conflict of interest arises, the Councillor or Officer may have to resign from either the company or the council.
- 5.3 A summary regarding potential conflicts of interest for Councillors who are members of Executive and/or the Shareholder Committee is set out in Annex 1 (Summary - Executive, Shareholder Committee and Companies) to this Appendix 1.

6 Other responsibilities

- 6.1 Directors must also be aware of how acts and decisions of other individuals may bind the company, for example:
- a) Company directors may have powers delegated to them by the company, but they also have ostensible authority to act on behalf of the company, and their actions will bind that company, so that a third party dealing in good faith with a company's director may rely on the actions of that director even if they were not actually authorised by the company.
 - b) Employers have vicarious liability for the tortious acts of employees carried out in the course of their employment. This can include discrimination against one employee at the hands of another, as well as breaches of health and safety.

Annex 1: Summary - Executive, Shareholder Committee and Companies

1 General

1.1 The shareholder of a company owned by the Council is always the City of York Council, not the members of the Executive or the Shareholder Committee themselves, or any Council Directors appointed to represent the Council on the boards of these companies.

2 Executive

2.1 Purpose in relation to companies:

2.1.1 The Executive will make decisions in relation to a company of which the Council is a Shareholder that are reserved to the Executive in the terms of reference of the Shareholder Committee as set out in the Constitution at Article 12: Shareholder Committee.

2.1.2 These are decisions that involve:

- a) changes to company governance e.g. including amending a company's articles of association, or its shareholder agreement;
- b) agreements to any amalgamation, merger, joint venture, profit sharing or similar arrangements; and
- c) approving steps to wind up a company.

2.2 Conflicts:

2.2.1 A member of the Executive can also be a director of a company. However, in the context of the Council being a shareholder of various companies and members of the

Executive also being Directors of various companies there is potential for conflicts to arise.

- 2.2.2 Councillors who have a direct or indirect disclosable pecuniary interest in any business at a meeting of the Council, e.g. award of a contract, must not participate in any discussion of the matter or vote on it, unless a dispensation has been obtained. Failure to comply with these requirements without reasonable excuse may result in prosecution.

3 Shareholder Committee

3.1 Purpose:

- 3.1.1 The Shareholder Committee has been established by the Executive specifically to discharge the shareholder functions of the Council in relation to those companies of which the Council is a shareholder. The Shareholder Committee does not have day-to-day operational control over any of the companies of which the Council is a shareholder.
- 3.1.2 The decisions which the Shareholder Committee is required to make in relation to a company are set out in the Shareholder Committee terms of reference as set out in the Constitution at Article 12: Shareholder Committee and the Shareholder Agreement for each company.

3.2 Conflicts:

- 3.2.1 In law, a shareholder of a company can also be a director of a company – this is often the case in small family-run companies. However, in the context of the Council being a shareholder of various companies and members of the Shareholder Committee also being Directors of various companies there is potential for conflicts to arise.
- 3.2.2 Councillors who have a direct or indirect disclosable pecuniary interest in any business at a meeting of the

Council, e.g. award of a contract, must not participate in any discussion of the matter or vote on it, unless a dispensation has been obtained. Failure to comply with these requirements without reasonable excuse may result in prosecution.

4 Director

4.1 Purpose:

4.1.1 A member who is appointed as a director of a company will be involved in all decisions regarding the day-to-day operation of that company. Directors owe a number of duties to their company which are set out in the Companies Act 2006:

- h) Act within powers
- i) Promote the success of the company
- j) Exercise independent judgement
- k) Exercise reasonable skill, care and diligence
- l) Avoid conflicts of interest
- m) Not accept benefits from third parties
- n) Declare interest in a proposed transaction or arrangement with the company

4.2 Conflicts:

4.2.1 Council decision making

Where a member of Shareholder Committee and/or the Executive is also a director of a company and the Shareholder Committee or the Executive is being asked to make a decision in relation to that company, e.g. award of a contract, the member should declare a direct or indirect disclosable pecuniary interest and must not participate in any discussion of the matter or vote on it, unless a dispensation has been obtained. Failure to comply with these

requirements without reasonable excuse may result in prosecution.

4.2.2 Company decision making

On the flip side if the Councillor finds themselves in a situation in relation to the company where the interests of the Council arise, the Councillor must disclose that interest. The Councillor has a duty to exercise independent judgement and to act in the best interests of the company to which they are appointed. If they simply act or vote in line with the council's position, the Councillor would not be acting in the best interests of the company and would be in breach of their duties as a director and could incur personal liability for their actions.

5 Simple checklist:

If in doubt, consider the following questions:

1. Are you a member of the Executive and/or the Shareholder Committee?
2. Are you a director of the company in relation to which the Executive and/or Shareholder Committee is being asked to make a decision?

If the answer is 'yes' to both a potential conflict could arise and the member should declare this and not participate in any discussion of the matter or vote on it.

Appendix B – Duties and Responsibilities of a Trustee of Trust or Charitable Trust

Additional duties and responsibilities placed upon Trustees include making sure that the body acts in accordance with the overriding duty to all beneficiaries of the Trust. Beneficiaries may be people within the City of York or a specific category of persons for whose benefit the Trust was originally established. The Trustee Act 2000 contains most of the duties upon the Trustees; the Act also includes a statutory duty of care which applies when a Trustee is:

- Exercising a general power of investment or any specific power of investment arising from the Trust;
- Making investments arising in line with the Standard Investment Criteria under Section 4 of the Act or taking independent advice on investments under Section 5;
- Exercising the power to acquire land or deal in land;
- Appointing agents, custodians or nominees or in reviewing their obligations;
- Compounding liabilities under Section 15 of the Trustee Act 1925;
- Insuring Trust property;
- Dealing with reversionary interests, valuations or audits.

The standard of care expected of Trustees is that which is reasonable in the circumstances, taking into account any particular skills or competencies possessed by the individual, e.g. the standard of care will be higher for someone with an accounting qualification in relation to financial matters than someone without such a qualification.

Duties and responsibilities applicable to charities are even more extensive, as charitable Trustees have additional responsibilities under the Charities Acts. Information on this can be found on the Charity Commission website, or by using the attached link:

<https://www.gov.uk/guidance/charity-commission-guidance>.

In many cases the Charity Commission needs to be consulted before a charity takes action or decides on a particular course of action involving charity property.

Appendix C – Duties and Responsibilities of a Member of Unincorporated Association

Unincorporated associations and partnerships are not separate legal entities which means that the individuals who are represented on the management committee are personally liable for all acts and omissions of the body. Each of the individuals are jointly and individually liable for what the organisation does. Partnerships and voluntary organisations often have this legal status, however, such associations and partnerships should still have a written constitution setting out the procedural rules which need to be followed and governing how it operates.

An unincorporated association may be charitable and may register as a charity, if this is the case then the duties and responsibilities set out in Appendix B must be considered.

Appendix D – Duties and Responsibilities of a Member of Steering Group, Joint Committee or Partnership Body

The Council may establish joint arrangements with one or more local authorities and/or their Executives to exercise functions, which are not Executive functions in any of the participating authorities, or advise the Council. Such arrangements may involve the appointment of a joint committee with these other local authorities and a Councillor may be appointed to such a joint committee. A Member of the Executive may not be a Member of any joint committee established to carry out the Council's scrutiny functions.

The Council's Executive may establish joint arrangements with one or more local authorities to exercise functions which are Executive functions. Such arrangements may involve the appointment of joint committees with these other local authorities.

The council may delegate non-Executive functions to another local authority, or in certain circumstances, the Executive of another local authority. The decision whether or not to accept such a delegation from another local authority shall be reserved to the meeting of Full Council.

The Access to Information rules in Part 5A of the Local Government Act 1972 will apply to joint committees established under this Appendix.

Appendix 19 – Protocol for use of ICT by Members/Use of Resources

1. Introduction

- 1.1 This protocol sets out to support Members to carry out their role effectively with the Information Communication Technology (ICT) provided whilst protecting the Council and its Members from the risks associated with its use. The protocol helps Members to stay compliant with the law and good security practice and is intended to assist and enable them in carrying out their activities.
- 1.2 This protocol must be used in conjunction with agreed policies and procedures around ICT security and use of systems such as internal email. Any breach of the requirements of the protocol or the agreed policies and procedures may amount to a breach of the Members' Code of Conduct and the removal of access to the Council's assets, systems and resources.

2. ICT Equipment

- 2.1 Members are provided with equipment to support their needs. Support is available from ICT to help Members understand what each item can and cannot support and to match the device to the Member's individual requirements, such requirements may include a laptop, tablet or mobile phone. Printers will not be supplied.
- 2.2 All items are procured through the standard ICT procurement process and will be covered by standard warranty and insurance policies. All equipment issued belongs to and will remain the property of City of York Council. The equipment provided must be used for all democratic work, including use at Council meetings, reading/annotating agendas, reports, minutes and

accessing City of York Council emails and for constituent work related to the Council and Council business. It is not to be used for purely political purposes or private business purposes. Where members are also appointed to other bodies, arrangements may be made to share equipment.

- 2.3 All reasonable steps must be taken to ensure that equipment is kept secure and protected from theft/damage. Particular care must be taken to ensure that equipment is not left on view in cars or in public transport, etc. In the event of theft, loss or damage to any part of the equipment, members must inform the ICT Service Desk, by telephone (01904 552222) or email (ictservicedesk@york.gov.uk) immediately. In the event of theft of the equipment, the theft must be reported to the Police without delay in order to obtain an Incident Number and then provide this information to the ICT Service Desk and Insurance @ insurance.claims@york.gov.uk.
- 2.4 The member will only grant access to any equipment to an authorised employee or agent of the Council for the purpose of service, repair or audit and will make the equipment available at reasonable notice and in working hours. Use by family/friends or any other third party is not permitted, family members can provide assistance to members in the use of the equipment as long as the Member remains in overall control and does not divulge their user name or password.
- 2.5 If a member ceases to be a Member of the Council, the equipment must be returned to the Council within 10 working days and in such an event access to Council systems will be disabled within 10 working days.

Lending any equipment to a third party is strictly forbidden.

3. Software

- 3.1 Members ICT equipment is configured to comply with the Council's ICT Security Policy and to meet the requirements of the Public Services Network. Any unauthorised changes may contravene these policies therefore configurations must not be changed and Members must not attempt to add additional hardware or software to any equipment.
- 3.2 If any additional applications are required, these can be requested by contacting the ICT Service Desk. Each request will be evaluated on its merits. Members should never delete any of the Council supplied software or any applications.
- 3.3 In the event of any maintenance or updates becoming necessary, the ICT Service desk may be able to do this upon request remotely, but where this is not possible the equipment must be returned to West Offices at an agreed time for such works to be carried out.
- 3.4 If there is a suspicion of a virus infecting any equipment or any notifications of untoward activity, this must be reported immediately to the ICT Service Desk. Do not ignore warnings as this could lead to more widespread infections and serious disruption to Council ICT systems.
- 3.5 All software provided by the Council with any equipment remains the property of the Council, or the licensing organisation and may not be shared or copied to another computer/device.

4. Access to Systems

- 4.1 Access to the Council's systems is via a username and password and individual applications may need their own

username and password. Members are required to adhere to the Council's password policy. Regular audits of all passwords are undertaken as part of the security audits of the Council. Care must be taken to keep passwords secure and passwords must not be disclosed to anyone and must be changed when required by ICT should security concerns be identified.

- 4.2 Systems and equipment must only be used for Council business. ICT equipment left unattended must be locked or logged off. Members are responsible for all activity undertaken when logged onto the equipment and must not allow any unauthorised person access to the Council's systems.
- 4.3 Members are permitted to connect their equipment to their home or third party Wi-Fi, subject to any provisions of the Council's ICT policies.

5. Storage

- 5.1 Various places are available to store electronic data and specific guidelines will be provided as part of Member training/Member induction. All council meeting papers will be accessible by Modern.gov. Members are discouraged from printing off meeting papers. Members are encouraged to be as paperless as possible and should only print essential material.
- 5.2 Any data stored locally on equipment is not backed up and will be lost in the event of loss or damage to the equipment. All data that you need to retain should be moved where possible to central storage. Council data should not be transferred to removable media, should it be necessary only City of York Council items that are provided by the Council and are encrypted are to be used and this must not then be transferred to personal or third party equipment

without the necessary permissions from the Corporate Governance Team.

6. Internet Access

- 6.1 Do not access any area that could be construed as unfit, obscene or would otherwise be considered inappropriate for a Member of the Council. All internet sites visited by any user (Member or Officer) when connected via Council equipment will be recorded, monitored and if necessary will be available for audit purposes. If you accidentally visit any area that could be construed as unfit, obscene or inappropriate you must leave it immediately and inform the Monitoring Officer.
- 6.2 Care must be taken when downloading files via the internet. Computer viruses may be contained in files and/or emails and can severely damage the operation of the equipment and the Council's systems. If in doubt, do not click on links or download files.
- 6.3 The equipment provided to Members should not be used to access personal social media sites such as Facebook or Twitter. It is however permissible for Members to use the equipment provided for social media for legitimate Council reasons such as communicating with residents or maintaining corporate sites. It is recommended that Members have separate social media accounts for Council business. Members are required to adhere to the provisions of any Council ICT policies around social media. Passwords for social media accounts must never be the same as the passwords used for logging onto the device or any CYC system.

7. Email

- 7.1 Members will be allocated a Council email address for use on Council business. This email must not be used for personal or political purposes. If you receive any unsolicited emails (e.g. junk or chain mail) do not forward to any other recipients and delete them or move them into the junk folder.
- 7.2 You must not use anonymous emailing services to conceal your identity when sending emails, falsify emails to make them appear to originate from someone else, or provide false information to any internet service which requests a name, email address or other details.
- 7.3 Members must not automatically forward emails from a Council email account onto a webmail account hosted on the internet by a third party, for example Google, Yahoo, Hotmail, etc. and should not manually do so as a matter of course as this can lead to Council data being placed on an insecure domain.
- 7.4 All Council ICT policies are available on the Council's Intranet. These policies must be adhered to at all times.

8. Cameras

- 8.1 Any camera on ICT equipment must not be used to take inappropriate, illicit or sexually explicit photographs or videos, nor be used to embarrass anyone in any way. Members must use their judgement on appropriate use of cameras. Good practice is to ensure that any person to be photographed has given their consent.

9. Monitoring

- 9.1 The Council has the capability to monitor all use of the internet and intranet and retains logs of all use. The reason

that monitoring takes place is to ensure compliance with legislation and the standards and rules set by the Council. We record and monitor:

- Details of websites visited or attempted to be visited;
- Pages accessed;
- Files downloaded;
- Graphic images examined;
- Any file attachments (e.g. pictures or Word documents).

9.2 The Council has the capability to monitor, log and retain email correspondence. Any email and internet traffic being sent or received through the Council system will be scanned for potential viruses.

10. Complying with legislation

10.1 The following is a summary of areas to be aware of:

- a. Data Protection - You are responsible for complying with the Data Protection Act 2018, which covers information held in electronic and paper-based form about individuals. It is a criminal offence to collect and process personal data on your ICT equipment unless the use is registered with the Data Protection Registrar. The Director of Governance has copies of all of the Council's Data Protection registrations and can give Members advice if necessary.
- b. Computer Misuse – The Computer Misuse Act 1990 covers unauthorised or malicious use of any computer system. It is the law used to prosecute hackers and people who write and distribute computer viruses deliberately. It is a criminal offence to access or attempt to access any computer system you are not authorised to access. The law protects against

employees and members of the public who deliberately cause damage to systems and data. The Act also makes it illegal for a person to deliberately delete data or sabotage systems to the detriment of the Council.

- c. Harassment – The Protection from Harassment Act 1997 covers harassment either by using email to send a harassing message to someone or by downloading and distributing material from the Internet which constitutes harassment because it creates an intimidatory working environment.

Harassment and discrimination are unlawful under the Protection from Harassment Act 1997, the Sex Discrimination Act 1975, the Disability Discrimination Act 1995 and the Race Relations (Amendment) Act 2000. As with any form of harassment under the anti-discrimination legislation, the intention of the parties is irrelevant. The problem with email is that, written communication can be misinterpreted and offence may be caused where none was intended.

- d. Obscene Material – Publishing legally “obscene” material is a criminal offence under the Obscene Publications Acts 1959 and 1964. This includes electronic storing and/or transmitting obscene materials that would tend to deprave and corrupt or paedophilic material.
- e. Defamation or False Statements – The liability for defamation or false statements applies to electronic communication just as it does to more traditional forms of communication. Anyone who emails a libellous or false email message or posts such a message on the Internet will be responsible for it and liable for any damage it causes to the reputation of the victim. In addition to the liability of the individual who made the

libellous or false statement, the Council may also be held liable. This could be either under the normal principles of:

- **Indirect Liability** – because the Council is considered responsible – known as “vicarious liability”; or;
- **Direct Liability** – as a publisher because of providing the link to the Internet and email system.

An untrue statement that damages the reputation of a person or company by causing people to think worse of them will generally be defamatory. Similarly, a false statement intended to cause damage to a person or their economic interests can bring a claim for damages.

Do not put anything on an email or an attachment, which you would not put in a normal letter on Council headed paper. Treat email as you would a postcard going through the open post.

- f. Copyright – Although any material placed on the Internet or in public discussion areas is generally available, the originator still has moral and, possibly, legal rights over it. You should not copy it without acknowledging the original source and, where appropriate, gaining their permission. This applies even if you modify the content to some extent. Please note that any official material placed on a website is subject to copyright laws.

Copyright laws are different for each piece of software. In general, the copyright to every piece of software run on a system is owned by whichever company or person who wrote it. The Council has a legal duty to make sure sufficient licences of the correct type are present to

cover the use of all software. Members must be aware of these issues and make sure that the Council has correct licences for any software used.

- g. Contracts – Electronic communication, such as email, is generally regarded as an informal means of communication but it is, nevertheless, capable of creating or varying a contract in just the same way as a written letter. You should be careful not to create or vary a contract accidentally.
- h. Disclaimer – despite putting confidential disclaimers and, where appropriate, personal disclaimers, on external communications, there is still nevertheless a legal connection to the Council. Always remember that any statement you make may still be construed as representing the Council.

11. Points of Contact

- 11.1 The ICT Service Desk is the first point of contact for all ICT enquiries, queries and support problems. Calls can be logged via the ICT Self Service Portal icon that you will see on your CYC desktop or by telephoning 01904 552222
- 11.2 Further assistance on the issues covered in this protocol may be obtained from the Council's Monitoring Officer or the Council's Head of ICT, or by consulting the ICT Policies page on the Council's Intranet website.

- 3.10 The Council will pay or reimburse approved travel or subsistence expenses for Members in accordance with HMRC recommended rates or such other national guidance as may be applicable.
- 3.11 No travel allowance is payable for travel within the area of the city unless the Member has medical or other special needs requiring the use of taxis on approved duties.
- 3.12 When travelling by public transport preference must always be given to the cheaper fare whenever possible.
- 3.13 When using a Councillor's/co-optee's own vehicle the amount claimed for travel must not exceed the value of a 2nd class rail ticket for the same journey, where that comparison is possible.
- 3.14 All travel and subsistence claims should be made within two months of the meeting attended.

-
- 3.15 Tea and evening meal allowances cannot be claimed in the same evening. Tea or evening meal allowances will only be paid if absence is continuous.

Meals provided free of charge

- 3.16 The claim shall be reduced by an appropriate amount in respect of any meals provided free of charge by an authority or body in respect of the meal or the period to which the allowance relates, e.g. should a Councillor/co-optee attend a seminar/meeting and lunch is provided free of charge, a subsistence claim for lunch would not be acceptable.

Travel by Taxi

- 3.17 Councillors/co-optees may claim taxi fares provided that the journey is necessary to undertake an approved duty of the Council outside of the area of the city and where no public transport is reasonably available.
- 3.18 Expenses incurred on taxi travel within the area of the city will only be payable where a Member has a medical or other special need requiring the use of taxis in order to carry out approved duties.

Parking Passes and Cycle Allowances

- 3.19 Councillors are entitled to choose one of the following:

a) Option 1 - Councillors Parking Pass

Allows Councillors to park in most Council car parks with the exception of 'The Shambles', 'Marygate' and 'Coppergate Centre' within the permitted time limits of that car park.

Appendix 21 - Urgent Decision Making Protocol

- 1 In accordance with the Constitution, the Council undertakes its business via a range of functions, namely Council meetings (Full Council, Executive and Regulatory committees), Scrutiny meetings, Executive Member Decisions and Officer Decisions.
- 2 In response to national advice and guidance (as experienced during the COVID-19 Pandemic), where the Council is unable to sustain the above mentioned functions and an urgent Scheme of Delegation is required to enable business as usual decision making to still take place safely and as transparently as possible. This allows for there to be a mechanism in place which can ensure the Council can make urgent decisions so as to fully protect and meet the best interests of the Council, its Officers and residents.

Decisions to be taken using the Urgent Powers of the Chief Operating Officer

- 3 The Chief Operating Officer or their nominated deputy (see below) has the following delegations:
 - a) To take such immediate action as they consider necessary to implement the Council's peace time emergency planning scheme, or to take such decisions in the event that a constitutionally prescribed decision making meeting cannot be convened within the required timeframe or in direct response to Central Government guidance or direction;
 - b) The power to take any decision, including a key decision, in a situation where the matter is urgent and does not allow time for a report to be considered by the Council, the Executive, the relevant Executive Member or the appropriate Committee. Wherever possible, in the case of any key decisions, such decisions shall be made in consultation with the Leader of the Council or the Deputy

Leader. The decision shall be reported to the next appropriate and available meeting.

- 4 A nominated deputy to the Chief Operating Officer has the following powers:
 - a) The Chief Operating Officer will designate one of the Corporate Directors as the deputy to the Chief Operating Officer. Such designation shall carry with it the delegation to exercise all and any of the Chief Operating Officer's specific delegated functions, during any period where the Chief Operating Officer is absent in the sense that he/she is not in a position to exercise the powers of the Chief Operating Officer, for example due to sickness, incapacity, a position of conflict or being out of contact in the case of emergency.
- 5 Please note this excludes those decisions which are required to be made by the following Officers in their statutory capacity:
 - a) Corporate Director for People
 - b) Chief Finance Officer (s151)
 - c) Director of Governance (Monitoring Officer)
 - d) Director of Public Health

Process to be followed

- 6 When considering each decision, the Chief Operating Officer and / or their deputy will receive a sufficiently detailed report from the relevant/appropriate Chief Officer. As a mandatory minimum, each report will detail implications relating to Finance, HR, Legal and Public Health.
- 7 The Chief Operating Officer and / or their deputy prior to making the decision will consult with:
 - a) The Leader of the Council and in their absence the Deputy Leader;

- b) The Chief Finance Officer (s151 Officer);
 - c) The Director of Governance (Monitoring Officer);
 - d) Head of HR (where relevant and appropriate);
 - e) Director of Public Health (where relevant and appropriate).
- 8 Once the decision has been taken, the decision record and the detailed report will be provided to the Monitoring Officer and in their absence the Head Civic, Democratic and Scrutiny Services, and arrangements will be made for the decision to be published on the Council's website. The decision template will record the views offered by the Leader of the Council (or Deputy Leader) and other consultees.
- 9 All decisions made will be reported on a retrospective basis by the Monitoring Officer to the relevant Committee.

Appendix 22 - Protocol for Webcasting, Filming and Recording of Council Meetings

1 Background

- 1.1 The main purpose of webcasting is to promote openness and accountability, and to support greater participation in local democracy by giving members of the public, elected members, officers and other interested parties the opportunity to view meetings without having to attend in person.
- 1.2 Live webcasting and the retention of recordings online for later viewing does not replace the formal record of the meeting and the decisions made. The only formal record of any meeting of a Local Authority is its minutes and agendas which are required to be maintained and retained for a number of years.

2 Operating Procedure for Filming/Webcasts

- 2.1 At the start of each meeting to be filmed, an announcement will be made to the effect that the meeting is being webcast, and that the Chair may also terminate or suspend the webcasting of the meeting, in accordance with this protocol. This will be confirmed by the Chair making the following statement: *“I would like to remind everyone present that this meeting will be broadcast live to the internet and will be capable of repeated viewing.”*
- 2.2 Webcasts will only commence at the beginning of a meeting when the Chair opens the meeting and will finish when the meeting is closed. During any adjournments or parts of the meeting where press and public are excluded video and audio will be switched off and a holding screen displayed for those viewing live.

- 2.3 The Chair of the meeting shall have the discretion to terminate or suspend the webcast if:
- a) The meeting is adjourned;
 - b) A resolution is lawfully passed to exclude the press and public from the meeting or a specific portion of the meeting;
 - c) There is a public disturbance;
 - d) Webcasting may lead to a potential infringement of the rights of any person or other breach of law, subject to legal advice; or
 - e) The Chair considers that continuing to webcast would prejudice the proceedings of the meeting, subject to agreement by the majority of Members attending the meeting.
- 2.4 Anything that is outside of the scope of the meeting will not be filmed. This includes reaction shots, walkouts etc. Where an operator is unsure on what to film or is in an unfamiliar situation, the operator should select a camera shot of the Chair of the meeting.
- 2.5 Webcasts or parts of webcasts may be removed if, in the reasonable opinion of the Monitoring Officer, it may prejudice the Council's or the public's interests.
- 2.6 Content may also be removed if the Monitoring Officer considers it necessary because all or part of the content of the webcast is or is likely to be in breach of any statutory provision or common law, for example Data Protection and Human Rights legislation or provisions relating to confidential or exempt information. The reason for any decision to edit a webcast will be logged and published.

- 2.7 Council anticipates that the need to exercise this power will occur only on an exceptional basis.
- 2.8 Any elected Member who is concerned about any webcast should raise their concerns with the Head Civic, Democratic and Scrutiny Services.
- 2.9 Should the live webcast be halted for a technical reason the following procedure will be applied:
- a) The webcasting operator will inform the Democracy Officer and Chair as soon as practically possible
 - b) The Chair may agree a short adjournment to see if the problem can be resolved. **If after adjourning the problem still persists, the meeting should continue irrespective of it not being transmitted live. [*N.B. Not applicable under current legislation covering remote meetings. In this case the remainder of meeting would need to rescheduled]*
 - c) If the live webcast cannot be resumed a back-up recording will be published following the meeting
- 2.10 People under the age of 16 will not be filmed unless written parental permission has been provided.
- 2.11 Recordings of meetings will be made available to view online for a period of 6 years after which time they will be permanently deleted. Footage covering the meetings of Annual Council, which are mainly ceremonial, can be kept indefinitely for posterity.

3 Public Speakers and Audience Attendees

- 3.1 As part of the process for registering to speak at public council meetings, residents will be advised that the meeting will be streamed live on the internet made available to view later online.
- 3.2 If an attendee does not wish to be filmed whilst speaking to the committee, the webcast operator will:
- a) Give guidance to the best place to sit
 - b) Ensure no close-up images of the attendee will be taken
 - c) If the attendee is speaking, the webcast operator will focus the camera on the Chair or a camera view where the speaker will not be shown.
- 3.3 Guidance will be provided to people in the audience at public council meetings advising them to contact Democratic Services staff if they have concerns about being seen on camera.

4 Signage at Meetings

- 4.1 On signs to be displayed at the entrance to the meeting room and on the meeting agenda, there will be the following notice:

WEBCASTING NOTICE

Please note: this meeting may be filmed for live and /or subsequent viewing online - at the start of the meeting the Chair will confirm if all or part of the meeting is being filmed.

You should be aware that the Council is a Data Controller under the Data Protection Act. Data collected during this webcast will be retained in accordance with the Council's published policy.

The council avoids filming public seating areas where possible. If you have concerns about being seen on camera during the meeting please contact a member of the council's Democratic Services Team.

5 Filming by members of the public and press

- 5.1 Members of the public and press are permitted to film or record councillors and officers at any council meetings that are open to the public and press.
- 5.2 We may reasonably ask for the filming to be undertaken in such a way that it is not disruptive or distracting to the good order and conduct of the meeting. As a courtesy, attendees will be informed at the start of the meeting that it is being filmed; we recommend that those wanting to film liaise with council staff before the start of the meeting.

6 Tweeting or blogging by members of the public and press

- 6.1 The Council permits social media reporting of all its public meetings.

7 Photography

- 7.1 The Council permits photography at all of its public meetings.

Appendix 23 - Procedure Rules and Guidance for Remote Meetings

This appendix was suspended on 6th May 2021, however is retained within the constitution for transparency reasons.

1. These implement The Local Authorities and Police and Crime Panels (Coronavirus) (Flexibility of Local Authority and Police and Crime Panel Meetings) (England and Wales) Regulations 2020 (the “Regulations”) which became into force on 4th April 2020, and provide for alternative arrangements for Local Authority meetings which are required to be held between 4th April 2020 and 7th May 2021.
2. These arrangements will remain under review by the Monitoring Officer.
3. These Rules should be read in conjunction with Appendix 3 Council Procedure Rules.

Which meetings do the Regulations refer to?

4. The Regulations refer to the following:
 - Full Council;
 - Executive;
 - Committees;
 - Sub Committees; and
 - Annual Council (separate arrangements).

Full Council

5. There are no current arrangements planned to convene a meeting of Full Council unless one is deemed necessary. Should one be required, the Monitoring Officer will ensure it meets with the terms of the Regulations for remote meetings.

Annual Council

6. Separate guidance will be issued in due course.

Other Committees of the Council

7. Upon receipt of proposed items of business, the Monitoring Officer, in consultation with the relevant Portfolio Member and or Chair of a Committee and the Head of Paid Service and s151 Officer shall make arrangements for a remote meeting to take place in accordance with the Regulations using the risk assessment process meeting process being implemented.

Quoracy of Meetings

8. All remote meetings of the aforementioned meetings will operate with the minimum quoracy levels, which is as follows:
 - Annual Council – one quarter of the whole number of Members of the Council
 - Budget Council - one quarter of the whole number of Members of the Council
 - Full Council - one quarter of the whole number of Members of the Council
 - Executive – minimum of 4 Members;
 - Planning Committee – minimum of 4 Members (2 Liberal Democrat and 2 Labour); and
 - Licensing hearings held under Licensing Act 2003 – 3 Members.
9. In the event that a remote meeting starts quorate but, due to unforeseen circumstances, for example, IT issues, does not remain quorate, the Democratic Services Officer may temporarily suspend the meeting until the issue is resolved and the meeting can recommence. These circumstances will be fully reflected in the minutes produced for each meeting.

10. In order to avoid a meeting not being quorate should a Member experience IT issues and lose the connection to the remote meeting, there should be an additional two Members present above the minimum quoracy level for the relevant meeting.

Voting

11. All Members attending a meeting will be asked to enter a named vote where voting is required so as to aid clarity and transparency with the live streaming arrangements. To record a vote, the Democratic Services Officer will perform a roll call of all Members present and ask them to state their voting intention (For, Against, Abstain). The Officer will keep a clear note of the votes made. These will then be counted and recorded in the minutes. At the conclusion of the voting the numbers of votes cast for, against and abstentions will be announced as well as the outcome of the vote. In the event of any vote being equally divided the Chair will have a second or casting vote.

Access to documents

12. All agendas, reports and background papers will be available for public inspection by them being placed on and be available to view on the Council's website. There is no longer a requirement to produce a printed copy of an agenda for public distribution. (Regulations 15 and 16(4) and (5)).

Public Participation

13. The requirement to ensure that meetings are open to the public includes access by remote means, including video conferencing, live webcast and live interactive streaming. Where a meeting is accessible to the public through such remote means, the meeting is open to the public whether or not members of the public are able to attend the meeting in person.
14. The Council will endeavour to facilitate public participation where the meeting is being held remotely and where the IT platform allows for

this. There may be instances where the IT platform would not permit the number of public speakers who wish to speak, or, where there are unforeseen issues with IT. Any consideration to reduce public participation will take account of technical issues and fairness.

15. Remote meetings will have a standing item on the agenda regarding public participation. Members of the public may register to speak on an item on the agenda or an issue within the meeting's remit (but see Annexes 1 and 2 on licensing hearings and planning matters) by contacting Democratic Services using the contact details as set out in the agenda for the meeting no later than 5.00pm two working days before the meeting. Speakers will have a maximum of 3 minutes to speak and may subsequently be asked questions by Members. There is no public right of reply following the decision of the meeting.
16. For planning matters and licensing hearings, members of the public may speak on the matters or applications to be considered by members only. See the relevant Annex to this Appendix 22 for further detail. For Planning meetings, it will be at the Chair's discretion as to the number of speakers at that particular committee.
17. In exercising their right to public participation a member of the public is entitled to express views positive or negative about the performance of the Council but must not say anything which is defamatory or discriminatory, make any personal attack on an officer or disclose confidential or exempt information including personal information.
18. In the event that the Council are unable to facilitate public participation for a specific remote meeting, written questions for the public may be submitted for consideration at the meeting. Members of the public are strongly encouraged to email their comments in questions to the Democratic Services team prior to the meeting taking place so that in the event of technology difficulties, comments and views can still be taken into consideration at the meeting.
19. Meetings will be live streamed on the Council's YouTube website. Members of the public who wish to participate in meetings may need to familiarise themselves with the chosen video conferencing technology.

Arrangements for Confidential/Part II items of business

20. The Council have arrangements in place which will enable Members to go into a private session that is entirely separate to the public meeting to enable such matters to be dealt with in private.
21. Agendas will be organised so that such items are dealt with last, with the public excluded from that part of the meeting.
22. In the event there is a need to enter private session during the course of the meeting, for example to give Members the opportunity to seek legal advice, the meeting will be adjourned whilst Members and officers attend the private session. As soon as the private session has concluded, the public meeting will be re-opened so that business can be resumed. During this time, a “screen saver” will appear on the video-conferencing platform notifying anyone viewing of the short adjournment in the public element of the meeting.

Moving or cancelling remote meetings

23. The Monitoring Officer may, following consultation with the Chair of the relevant remote meeting move or cancel a remote meeting without notice.

Background Guidance

24. The Regulations allow Councils to devise arrangements to hold meetings remotely without all, or any, of the Members being physically present in a room. This allows for remote meetings through electronic, digital, virtual locations, live webcast, live interactive streaming, video and telephone conferencing. Authorities are empowered to make provision in their standing orders for remote attendance at meetings regarding, for instance, voting, member and public access to documents; and remote access of public and press

to a local authority meeting to enable their attendance or participation.

25. The Council have developed and implemented standing orders and other rules which can facilitate remote meetings which have now been incorporated into the Constitution in this Appendix 23:
 - a. Appendix 22 - Webcasting Protocol
 - b. Appendix 8 - Public Participation Rules
26. In the event that West Offices is in lockdown and remote meetings are being delivered in place of physical or hybrid meetings, the following will not occur:
 - Printed copies of an agenda will not be available;
 - Public inspection of any agenda items will be via the council website only.

Which ICT platform will City of York Council use to promote remote meetings that can be live streamed?

27. The ICT platform which the Council will use to facilitate remote attendance and access to its meetings may change during the course of a remote meeting, for example, going from public (Part I) to private (Part II) session. Factors, including securing and sharing data through these platforms will determine the platform used at any time. The platform used will enable the following to take place:
 - Contributions to be received from people using a wide variety of devices, not all of whom are on the Council network;
 - Being accessible to participants and members of the public who are either taking an active role or just observing; and
 - Presentations and documents (maps, plans, etc) to be displayed where required.
28. It should be noted that, wherever possible, local Officer Schemes of Delegation will continue to be fully promoted and utilised (i.e. Planning Area Sub-Committee), although it is recognised that this

may not be possible for some matters, i.e. certain licensing applications.

29. There may still be instances where urgent decisions are required. As such, the Council will continue to operate the Urgent Decision Making Guidance issued in March 2020 until further notice.
30. All meetings must be live streamed or live webcast (unless the meeting has resolved to go into private (Part II) session to deal with confidential or exempt information). They cannot be recorded and then uploaded to the Council's website at a later date.

What does "remote" meeting mean?

31. "Place" of a meeting is defined in Regulation 5(1) as:

"Where a meeting is held, to be held, includes reference to more than one place, including electronic, digital or virtual locations such as internet locations, web addresses or conference call telephone numbers".

32. Members are in remote attendance so long as they comply with all of the following conditions at the specific time (of the scheduled meeting) and are able to:
 - Hear, and where practicable see, and be so heard and where practicable be seen by, the other members in attendance;
 - Hear, and where practicable see, and be so heard and where practicable be seen by any members of the public entitled to attend the meeting in order to exercise a right to speak at the meeting; and
 - Be heard, and where practicable, be seen by any other members of the public attending the meeting.
33. Any reference to a member, or a member of the public is a member of the public attending the meeting and includes that person attending via remote access.
34. A member must therefore be able to fully engage with the meeting. No reference is made to officers who attend to advise Members.

However, they should be able to hear and be heard, and where practicable, seen, along with those other participants.

Remote access - Regulation 5 (6): Voting, Access to Documents, Public Participation

35. The regulations stipulate how remote meetings can be accessed and these require the Council to adopt revised standing orders. This includes provisions for:
- How Members vote at meetings;
 - How agendas and documents are accessed by Members, Officers and members of the public; and
 - How members of the public and press can remotely participate and attend meetings by electronic means including telephone conference, video conference, live webcasts or live interactive streaming.
36. Regulation 5 applies notwithstanding any prohibition or restriction in the Council's standing orders or other rules (Regulation 5(5)). It means that the Council does not have to draft revisions to its Constitution and have them approved by Full Council before commencing remote meetings. The Council is though empowered to change its standing orders and rules to address remote attendance but the legislation does not require it to do so. There will be a need to draw up some processes, in particular how public participation is facilitated, and to operate in a reasonable rational and fair manner. In the event that any remote meeting procedures conflict with the Council's constitution or standing orders, the provisions contained within this document takes precedence in relation to the governance of remote meetings.

Convening a Meeting

37. The Regulations have put alternative arrangements in place for the convening of a meeting including the flexibility of meetings taking place:

- Meetings can now be held on a date and time of the Council's choice;
 - The frequency of meetings can be altered; and
 - Meetings can now be held, moved or cancelled without requirement for further notice.
38. This means that the Council are not bound by the previously published meetings calendar and are free to schedule meetings much more flexibly to meet the local decision-making requirements. However, in the interests of fairness, the Council should give as much notice as possible.
39. It should be noted that hearings to determine licensing applications under the Licensing Act 2003 must be postponed or adjourned to a specified date notified to the parties, with stated reasons that are in the public interest. Please see Appendix 1 for further detail.

**ANNEX 1 – GENERAL LICENSING AND
TAXI LICENSING SUB – COMMITTEES
PROCEDURE FOR REMOTE LICENSING HEARINGS**

Introduction

1. This procedure sets out how City of York Council deals with remote hearings. This procedure must be considered in conjunction with Appendix 22: Procedure for Conduct of Remote Meetings which sets out how all meetings, including licensing hearings, are held in York.
2. The procedure adopted at a licensing hearing is at the discretion of the Sub-Committee but will normally follow the pattern outlined below.
3. The Council's licensing hearings procedure is based on regulations made under the Licensing Act 2003. The procedure is intended as a general framework to ensure natural justice and a fair hearing. The Sub-Committee has a duty to view all evidence presented before them impartially. The Sub-Committee is not bound by the formal rules of evidence. Nevertheless, Members must carry out their duty placing what weight they feel is appropriate given the nature of the evidence and the manner in which it was obtained, and communicated.
4. The Council will provide a record of the hearing in a permanent and intelligible form and keep it for 6 years from the date of determination or disposal of any Appeal. The live stream of the Hearing will be recorded and the recording placed on the Council's website.

Representations at Remote Licensing Hearings

5. The Applicant is permitted to speak at the remote hearing (see below). Ward Councillors, responsible Authorities and Representors are only permitted to speak if they have made written submissions during the consultation period. Any party to a hearing may be assisted or represented by any person, legally or otherwise.

6. All parties will be given a fair hearing and each party will have the same amount of time in which to address the Sub-Committee and question each other. Each party will have 15 minutes to address the Sub-Committee and call any witnesses and 5 minutes for questions.
7. However, where there are groups of individuals with a common interest, for example local residents making similar representations either for or against an application, consideration should be given to nominating a spokesperson. Otherwise the Sub-Committee may impose a time limit for such representations where there is pressure on the Sub-Committee to hear numerous applications in a short period of time or for any other valid reason.
8. The Sub-Committee may take into account any documentary evidence or other information in support of the application or representations either before the hearing or, with the consent of all other parties, at the hearing. The procedure set out in paragraph 14-18 will be followed.
9. If any Representors fail to attend the hearing, the Sub-Committee will normally proceed but will consider their written representation. In considering written evidence in the absence of a Representor, appropriate weight will be attached, given that the person cannot be questioned by Members.
10. The Sub-Committee is required to disregard any information given or evidence produced by a party or witness which is not relevant to the application, representations, or notice, and the promotion of the licensing objectives. Duplication should be avoided. Comments must be confined to those points already made, although the parties may expand on their written submissions. The Sub-Committee will have read and familiarised themselves with all the written submissions and the issues prior to the hearing, and therefore do not require the points to be made at length.
11. A Representor **may not** introduce any new ground or objection not referred to in their written submission. Additional representations which do not amount to an amplification of the original representation will not be considered by the Sub-Committee.

12. Any person behaving in a disruptive manner will be asked to leave the hearing. However, if this occurs, that person will be entitled to submit in writing any information they would have been entitled to give orally.

Procedure prior to the Remote Hearing

13. The Sub-Committee will use a video-conferencing platform when the hearing is in public session. Clear instructions will be provided to participants on how to join the remote hearing. The Sub-Committee may exclude the public from all or part of a hearing if it considers it is in the public interest to do so. Should any part of the hearing need to be held in private session, a separate private online meeting will be convened by the Sub-Committee using a secure video-conferencing platform. This video-conferencing platform will also be used for decision making in private.
14. All paperwork relevant to the hearing will be published online on the Council's website, 5 working days before the remote hearing. The documents will be produced in PDF format and will be paginated to permit ease of reference during the remote hearing. Name and address details of those making representations will be made public. Telephone numbers, email addresses and signatures will be omitted.
15. 5 working days before the remote hearing is due to take place, the Council will contact the parties with a list of issues they would like any party to specifically address them on or clarify at the hearing.
16. If in light of the Council's list of issues any party wishes to produce any further documentary evidence they should submit this to the Council by email three working days before the hearing.
17. Any documentary evidence that is not submitted to the Council by email three working days before the hearing will not be admitted without the agreement of all parties. If it is essential to a party's case that the material be admitted, then the Sub-Committee will consider adjourning the remote hearing to allow all parties a fair opportunity to consider it.

18. Should any party wish to rely on any points of law, specific references in the s.182 Guidance, specific references in the Council's Policy or any other external resources, these should be set down in an electronic document and submitted to the Council by email three working days before the hearing.

ANNEX 2: PROCEDURE FOR REMOTE PLANNING COMMITTEE AND PLANNING SUB-COMMITTEE MEETINGS

Introduction

1. This procedure sets out how City of York Council deals with remote Planning Committee and Sub-Committee meetings. This procedure is supplemental to, and must be considered in conjunction with, Appendix 22: Procedure for Conduct of Remote Meetings document which sets out how all meetings, including Planning Committee meetings, are held in York. Members must also continue to adhere to the Code of Good Practice for Councillors involved in the Planning Process at Appendix 17 of this Constitution.
2. The live stream of the meeting will be recorded and the recording placed on the Council's website.

Preparation for the Remote Planning Committee Meeting

3. The Planning Committee will use a video-conferencing platform when the meeting is in public session. Clear instructions will be provided to participants on how to join the remote meeting. A link for the general public to watch the meeting will be available on the Council's website.
4. The Committee may exclude the public from any part of a meeting if it considers there are commercially sensitive or 'exempt' matters to be discussed. Should any part of the meeting need to be held in private session, a separate private online meeting will be convened by the Committee using a secure video-conferencing platform.
5. All paperwork relevant to the Planning Committee meeting will be published online on the Council's website, 5 working days before the remote meeting. The documents will be produced in PDF format and will be paginated to permit ease of reference during the remote meeting.

Public Participation

6. The applicant, their advisor and members of the public may register their wish to speak on the matters or applications to be considered by members by contacting Democratic Services using the contact details set out in the published agenda for the meeting or, alternatively, by emailing democratic.services@york.gov.uk by no later than 5.00pm two working days before the meeting takes place. Clear instructions will be provided to public speakers who have registered to speak on how to join the remote meeting.
7. Members of the public that have registered to speak are strongly encouraged to email the points they wish to make to the Committee to Democratic Services as set out in paragraph 6, above, prior to the meeting taking place so that in the event of technology difficulties, they can still be taken into consideration at the meeting. These will not be circulated to the members of the Planning Committee unless technical difficulties are experienced during the meeting meaning that public participation of one or more registered public speakers is not possible. This is to ensure all views are taken into consideration within the Planning Committee meeting itself and there is no discussion outside the meeting.
8. It will be at the Chair's discretion as to the limit on the number of speakers at that particular committee. Each speaker will be invited to make their representation and will be allowed a maximum of 3 minutes each to speak and may subsequently be asked questions by Members.

Appendix 28 - Protocol on the Production and Content of Minutes of Meetings

1 Purpose

1.1 This protocol sets out formally:

- a) the principles and procedures for the drafting, clearing and publication of minutes of formal meetings of City of York Council; and
- b) guidance on the content of minutes.

2 Meetings to which the Protocol Relates

2.1 In this protocol “meetings” refers to meetings of the following bodies:

- a) City of York Council;
- b) those bodies to which Members are formally appointed at the Annual Meeting, i.e. the Executive and its committees and non-Executive Committees and their sub-committees; and
- c) any bodies of that nature established between Annual Meetings.

2.2 The records of meetings of working groups/parties and panels and task groups, or of joint meetings where City of York Council Democratic Services are responsible for the minutes, whether or not Members are appointed to them, need not follow the arrangements described in this protocol.

3 Production of Minutes

Responsibility

3.1 The production of minutes of meetings will be the responsibility of staff of Democratic Services only (referred to in this Protocol as the committee administrator”).

Timescales

- 3.2 The normal timescales for the production of minutes will be:
- a) draft minutes - within 5 working days of the meeting;
 - b) publication on the Council's website of the final draft – within 10 working days of the meeting.

 - c) another senior officer present at the meeting if neither (a) nor (b) was present.
- 3.4 No Member will be consulted on the wording of draft minutes.
- 3.5 In exceptional circumstances other officers who were present at the meeting may be consulted on a draft minute to clarify complex or technical information reported at the meeting which needs to be included in the minutes.
- 3.6 To avoid any uncertainty among those present at the meeting, it will be the responsibility of the committee administrator to seek clarification of any decision or amendment before or at the time of it being put to the vote or agreed, where, in the view of the committee administrator, there exists any doubt or confusion about what the committee has decided or has been asked to decide.

4 Status of published draft/approved minutes

- 4.1 The published minutes of a meeting will be regarded as an unofficial record of the meeting until they are formally approved by the next available meeting of the relevant body, although in the meantime the decisions taken will in normal circumstances have been implemented, subject to any post decision call in relating to Executive decisions.
- 4.2 Once formally approved by the body, the minutes will be regarded for legal purposes as the only formal record of the meeting. The committee administrator will, at that point destroy any notes he or she took at the meeting on which the minutes were based.
- 4.3 Where a change to the minutes is made at the meeting at which they are signed, the amended record will be published on the website and the changes written by hand on the paper copy signed by the Chair.

 - any additional information (either written or oral) presented at the meeting not contained in the report on the subject. This might be a full or summarised record of the information presented;
 - any amendments formally moved or seconded by Members and a note of whether or not they were approved;
 - apart from formal amendments, any general discussion on the subject which has a bearing on or which, in the view of the Monitoring Officer and/or representative of the Monitoring Officer when considering the draft minutes prior to publication will enhance a reader's understanding of the reasons for a decision.
 - f. if requested under the relevant Procedure Rules, a record of the vote taken on the subject or the names of members who indicate their wish that the minutes record how they voted; and
 - g. the full resolution on the subject, incorporating any amendments made to a recommendation or motion, and worded in such a way as to be clear, with minimal reference to other written records, the meeting's decision and intentions.

- 5.2 The names of individual members will not be recorded as part of the discussion on a subject unless they move or second a formal motion or amendment.

- 6.1 Where Members, who are not members of the body, are allowed to ask questions or make statements at the meeting, the minutes will provide a fair and coherent summary of any question and the response given. The names of individual members will not normally be recorded as part of the discussion. In the case of Council meetings, questions to Executive Members and the responses given will, as far as possible, be recorded in full.
- 6.2 A record of any questions asked or statements made by the public at a meeting will normally provide a brief outline of the question or statement and short but coherent summary of the response given.
- 6.3 In exceptional circumstances a question on a matter of particular importance or wide public concern, and the answer given to it, may justify a fuller record but this will be at the discretion of the Head of Democratic Governance in consultation with other relevant officers.

Appendix 29 – Joint Standards Committee Procedures

City Of York Council Standards Committee Hearing Procedure

General Matters

1. In this procedure the term “interested parties” is used to cover the complainant, the subject member and the investigating officer. The interested parties will all be invited to attend the hearing as potential witnesses.
2. The Independent Persons will also be invited to attend the hearing in an advisory, non-voting capacity. Their views will be sought as to whether the evidence establishes a breach of the code of conduct and, if so, as to what if any penalty should be imposed.
3. The Hearing Panel will be made up of members of the Standards Committee and there will normally be three members. The Panel will be supported by the Monitoring Officer or their representative and a Democratic Officer.
4. The meeting will be open to the press and public unless confidential or exempt information is likely to be disclosed. The Standards Committee considers that in general the public interest in seeing that complaints relating to Councillors are handled properly will outweigh any considerations relating to the privacy of the Councillor concerned but each case will be considered on its own merits including consideration of the privacy of other parties.
5. The hearing will normally follow the procedure set out below but the Chair has the discretion to vary it at any time. Such a variation may be considered where, for example, the Chair believes that doing so will be in the interests of fairness or help in establishing the facts of the case.
6. It will not usually be necessary for the Subject Member to be represented at a hearing but he or she may choose to

arrange such representation which may be by a solicitor, barrister or another person.

7. The Panel may take legal advice at any time during the hearing or during its deliberations. The substance of any advice given to the Panel will normally be shared with the parties.

Preliminary procedures

8. Prior to the hearing commencing the Panel may meet privately to review the material presented and to agree the main lines of enquiry.
9. At the start of the hearing, the Chair will arrange introductions of the Panel, its Officers, the Independent Persons and the interested parties. The Chair will briefly explain the procedure which the Panel will follow in the conduct of the hearing. The Chair will confirm that each interested party has seen the final report of the investigating officer and has had the opportunity to engage in the pre hearing procedures.
10. The Monitoring Officer will identify whether the pre hearing procedures have identified any significant disagreements about the facts contained in the Investigating Officer's report. The Panel will record the agreed facts and establish the facts in dispute which they will be required to rule upon.
11. If a party raises an issue which has not been raised previously then that party shall be required to give a full explanation to the Panel as to why it was not raised earlier. The Panel may then:
 - a) Consider whether or not to allow the issue that has been raised to be dealt with at the hearing
 - b) Consider whether the hearing should be adjourned for further investigations to take place.

Determining factual disputes

12. If there are disputed facts which the Panel consider relevant to establishing whether the Code has been breached or as to the seriousness of the breach then, the Panel will adopt an inquisitorial approach in establishing the facts. The Chair will invite members of the Panel to ask questions of the interested parties or any other potential witness present. The Monitoring Officer may also ask questions.
13. Once a witness has answered questions from the Panel then the Chair will ask the interested parties whether there are other issues which ought properly to be raised with the witness. The Chair (or another Member) may put any such issues to the witness him or herself or may allow the relevant party to ask questions directly.
14. The Panel must reach a decision as to the facts it finds to be proven. The Panel must also make a decision as to whether the proven facts (including those which are agreed) show a breach of the code of conduct. Depending on the complexity of the case the Panel may consider each of those issues separately or deal with them together. In either case the Chair will invite the parties to make representations on each matter before the Panel reaches its decision.

Panel deliberations

15. When the Panel is considering its finding of facts and whether those facts amount to a breach of the Code of conduct it will do so in private but in the presence of the Monitoring Officer, the Independent persons and the Democratic Services officer.
16. At the conclusion of the Panel's deliberations, the Chair will publicly announce the Panel's findings as to the facts and as to whether those facts show a breach of the code of conduct. The Panel will give reasons for their findings. It will be normal practice to share the substance of any advice given by the Monitoring Officer and Independent persons at this stage.

Determining Sanctions

17. If the Panel concludes that the Subject Member has failed to comply with the Code of Conduct, the Chair will invite representations from the interested parties as to what action, if any, it should take.
18. The Panel will then consider whether to impose a sanction, and, if so, what sanction to impose and when that sanction should take effect. It will do so in private but in the presence of the Monitoring Officer, the Independent persons and the Democratic Services officer.
19. The sanctions available to the Hearings Panel are to –
 - a) Censure the Councillor;
 - b) Formally report its findings to the City Council *or* Parish Council for information;
 - c) Recommend to the Councillor's Group Leader (or in the case of un-grouped Councillors, recommend to Council or to Committees) that he/she be removed from any or all Panels or Sub-Committees of the Council;
 - d) Recommend to the Leader of the Council that the Councillor be removed from the Cabinet, or removed from particular Portfolio responsibilities;
 - e) Recommend to Council that the Leader be removed from Office (if it is the Leader' conduct that is being considered)
 - f) Instruct the Monitoring Officer to [*or recommend that the Parish Council*] arrange training for the Councillor;
 - g) Remove [*or recommend to the Parish Council that the Councillor be removed*] from all outside appointments

to which he/she has been appointed or nominated by the authority [*or by the Parish Council*];

h) Withdraw [*or recommend to the Parish Council that it withdraws*] facilities provided to the Councillor by the Council, such as a computer, website and/or email and Internet access.

20. The Hearings Panel has no power to suspend or disqualify the Councillor or to withdraw Councillors' basic or special responsibility allowances. If the Panel decides to withdraw facilities from the Councillor it must ensure that the Councillor is not thereby prevented from undertaking their representative duties.
21. The Chair will publicly announce the decision of the Panel. The substance of any further advice given by the Independent Person and Monitoring Officer will also be shared. Written notice of the findings of the Panel will be given as soon as is reasonably practicable to the Subject Member. They will also be placed on the council's website. If the complaint was against the Subject Member as a parish Councillor, written notice of the findings of the Panel will be sent to the clerk to the parish council.

Other action

22. The Panel may also consider making any recommendations to the Council concerned with a view to promoting higher standards of conduct among its members.

Pre Hearing Procedure

1. Where a decision has been made that a complaint needs to be referred for a hearing then a Sub Committee meeting will be arranged for that purpose. The Sub Committee will sit as a Hearing Panel.
2. A copy of the final investigation report will be sent to the Subject Member, the complainant and to the Independent Persons. If the complaint relates to the Subject Member's conduct as a parish Councillor then a copy will also be sent to the Clerk to the Parish Council.
3. The Subject Member and the complainant will be asked to confirm within fifteen working days whether he/she:
 - a) Disagrees with any of the findings of fact in the report and the reasons for any disagreement
 - b) Wishes to be represented by a solicitor or barrister, or by any other person (such representation should not normally be necessary)
 - c) Wishes to attend the hearing
 - d) Wishes relevant witnesses to be called to give evidence to the Panel
 - e) Wishes any part of the hearing to be held in privateⁱ
 - f) Wishes any part of the Investigating Officer's report or other relevant documents to be withheld from the publicⁱⁱ
4. The Subject Member and the complainant will be informed that if, at the meeting of the Committee, he/she seeks to dispute any matter contained in the Investigating Officer's report without having previously notified the intention to do so, the Committee may refuse to allow the disputed matters

to be raised unless satisfied that there are good reasons why they have not been raised beforehand.

5. Upon receipt of the Member's and complainant's responses, the Investigating Officer shall be invited to comment on it within ten working days, and to say whether or not he/she:
 - a) Considers that the Committee should request other witnesses to give evidence or submit written or other evidence to the Committee
 - b) Believes any part of the hearing should be held in private
 - c) Believes any part of the report or other relevant documents should be withheld from the public
6. The Monitoring Officer will consider the responses and set a date for the hearing in consultation with the Chair of the Panel.
7. The Monitoring Officer together with the Chair of the Hearing Panel will consider which witnesses should be invited to attend. Witnesses may not be called if the number requested is unreasonable and it appears that some witnesses will simply be repeating the evidence of earlier witnesses, or else not providing evidence that will assist the Panel to reach its decision.
8. The Chair of the Hearing Panel may request the attendance of any additional witnesses whose evidence he/she considers would assist the Panel to reach its decision. The Panel does not though have powers to compel any witness to attend.
9. The Monitoring Officer will:
 - a) Confirm a date, time and place for the hearing

- b) Confirm the main facts of the case that are agreed
- c) Confirm the main facts that are not agreed
- d) Provide the Panel with a copy of the investigating officer's report
- e) Provide copies of any other written evidence to the relevant parties and the Panel
- f) Confirm which witnesses will be called by the parties
- g) Provide the parties with copies of the proposed procedure for the hearing.

ⁱ The Standards Committee's general position is that hearings should be held in public and that documents should be publicly available in advance of the meeting. However, there may be circumstances in which fairness to individuals dictates and the provisions of schedule 12A to the Local Government Act 1972 allow, information to be considered in private. The Proper Officer of the Council will decide whether papers should be publicly available in advance and the Sub Committee will determine whether all or part of the meeting should be in private.

Appendix 30: Major Projects Conflicts Protocol

1. Introduction

- 1.1. The Council is the Local Planning Authority for the City of York. It determines applications for planning permission and approves relevant planning policies in respect of development.
- 1.2. The Council is the Highway Authority for the City of York and makes decisions in respect of highway matters including the construction and adoption of roads servicing development.
- 1.3. Officers will have different roles in respect of development as professional advisers to promoters, policy makers and decision makers.
- 1.4. Members will have different roles in respect of development as promoters, advisers, policy makers and decision makers.
- 1.5. Where the Council has a material interest in a key, major development project within the City, for example as a landowner, potential investor or development partner, a clear distinction of the roles undertaken by the separate arms of the Council should be documented to ensure transparency of the governance arrangements – in particular in relation to Local Planning Authority and Highway Authority decision making.

2. Why have a protocol?

- 2.1. The Council would wish to avoid any perception that developments in which it has an interest are treated differently from those of any other developer.
- 2.2. The Council would also wish to ensure that Officers charged with providing professional and technical advice in respect of its regulatory functions understand that they are free to do so in line with their professional obligations and without feeling constrained by the Council's commercial interests.

- 2.3. The Council would wish to ensure that Members have a clear understanding as to the remit and forum within which they can take part in decision making
- 2.4. A clear protocol identifying the distinction between the Executive Members' role in actively promoting development and the independent role of Planning Committee Members when dealing with applications before them will assist Members' understanding and ensure that the processes robustly manage conflicts of interest, demonstrating fairness.

3. Key Controls

Planning applications

- 3.1. The Council's Constitution, at Appendix 1, sets out the Responsibility for Functions. This is framed so that direct delegation is given to the Director of Transport, Environment & Planning from Full Council. The Director is the Chief Planning Officer for the Council.
- 3.2. All planning applications made by or on behalf of the Council will, in accordance with normal practice, as detailed at Article 13 and Appendix 1 of this Constitution, be determined by the Planning Committee and not delegated to Officers unless of a minor nature.
- 3.3. For the avoidance of doubt, planning applications in relation to a major project promoted by the Council as a development partner will likewise be determined by the Planning Committee and not delegated to Officers, even when not submitted in the Council's name.

Role of Members

- 3.4. Where the Leader and the Deputy Leader are jointly responsible for promoting a major project they will not sit on Planning Committee when it is determining an application related to that major project.

- 3.5. Where an Executive Member may have input into the master planning of a major project, for example, Culture Leisure and Communities, they will not sit on Planning Committee when it is determining an application in respect of that major project.
- 3.6. Other members of the Executive may sit on Planning Committee when it is determining an application relating to a major project but should avoid participation in decision making on the scheme at meetings of the Executive. This is in line with the Council's Planning Code of Good Practice Appendix 17 in this Constitution.

“Executive Members may have been involved in promoting a particular development in their role as Executive Members for the Service. Whilst a Member of a Planning Committee would not be required to withdraw simply because they are also an Executive Member, if an Executive Member also sits on Planning Committee it may be difficult for them to demonstrate objectivity in dealing with an application relating to that development. They must consider whether they have an interest or degree of involvement with the proposals that could give the impression of bias or predetermination. Indeed, the Member may be seen as advocate on behalf of the Council for the development in question. In those cases the best course of action would be for the Executive Member to withdraw from the Planning Committee for that matter.”

- 3.7. Major planning applications can be the subject of Pre Committee Presentations to the Planning Committee. Members promoting the development at such meetings are likely to have difficulty in demonstrating objectivity at Planning Committee, and should not take part in the Planning Committee determining the application.

Officers

- 3.8. Where the Corporate Director of Place is responsible for promoting a major project in which the Council is the developer or a development partner a conflict may arise between the planning/highway functions of the Corporate Director of Place and their economic development and/or the estate management and property functions. Where such a conflict arises the Corporate

Director of Place will play no role in advising or taking decisions for the Council in respect of its functions as a planning and/or highway authority relating to that major project, including in relation to planning applications, or planning applications made by a development partner.

- 3.9. Any decision that a conflict exists between the planning/highway functions and the economic development and/or the estate management and property functions of the Corporate Director of Place will be made jointly by the Corporate Director of Place and the Chief Operating Officer and will be recorded in writing.
- 3.10. The Director of Governance shall determine any dispute regarding whether or not a conflict exists between the planning/ highway functions and the economic development and/or the estate management and property functions of the Corporate Director of Place.
- 3.11. The Director of Transport, Environment & Planning has overall responsibility for the advice given to the Council in its role as local planning and highways authority. His advice will not be subject to any undue influence or veto from any other part of the Council. His role in respect of advising the Council as a developer will be restricted to the giving of such advice as would be available to any other developer. Any concerns regarding undue influence can be raised with the Chief Operating Officer or the Director of Governance.
- 3.12. Where the Director of Transport, Environment & Planning has also been involved in the promotion of a particular major project he will play no role in advising or taking decisions for the Council in respect of its functions as a planning and highway authority, nor in relation to any planning applications or planning applications made by a third party relating to that major project where it is considered a conflict exists between the planning/ highway functions, and the economic development, estate management and property functions of the Director of Transport, Environment & Planning. In such circumstances the Chief Operating Officer will have overall responsibility for the advice given to the Council in its role as local planning and highways authority.

- 3.13. The Corporate Director of Place and the Director of Transport, Environment & Planning, or the Chief Operating Officer (as appropriate) will be responsible for ensuring that “ethical walls” are maintained to prevent information being shared inappropriately between those responsible for progressing the major project and those undertaking regulatory roles. Other parts of the Council, for example legal services, providing support to the scheme and to the regulatory arm will operate similar protocols.
- 3.14. Any conflicts of interest identified will be managed with the aim of removing them. If that is not possible the conflict shall be raised with the Monitoring Officer whose approval to the conflict and any mitigating measures will be required and will be recorded on the relevant file.
