4. CITY OF YORK COUNCIL RESPONSE TO CONSULTATION ON SELBY DISTRICT COUNCIL 'PRE-SUBMISSION PUBLICATION LOCAL PLAN CONSULTATION

Resolved: That the response to the Selby District Council for the formal consultation on the pre-submission Selby District Local Plan be agreed and submitted, including:

- a. Objections to the evidence base regarding transport impacts to CYC.
- b. Concerns about the approach to education provision and the potential impact to CYC students.
- c. Concerns regarding the deliverability of the Heronby allocation given the lack of evidence on the site's viability.
- d. Objection to the selection of Heronby as the site for a new settlement when assessed against the two other preferred options and, more specifically, against Church Fenton.
- e. Objection to the level of engagement SDC has had with CYC in developing the evidence base and on strategic matters that cross administrative boundaries with regard to the significant adverse impacts the allocation of Heronby would have on CYC under Duty to Cooperate.

Reason: CYC has been formally consulted under Regulation 19 of The Town and Country Planning (Local Development) (England) Regulations 2012 (as amended).
