4. Public Rights of Way - Proposal to Restrict Public Rights over the following Alleyways Using Public Spaces Protection Order Legislation; Knavesmire Crescent/Curzon Terrace and Curzon Terrace/Albemarle Road

Resolved: That the Executive Member agrees not to seal the Public Spaces Protection Orders to restrict public rights over the alleyways between Knavesmire Crescent /Curzon Terrace and Curzon Terrace/Albemarle Road in the Micklegate Ward.

Reason: The number of objections received would suggest that this scheme would not be appropriate for this area, and the money saved could be better used. Previous schemes had shown that where gates have been installed, without the full support of all residents, it can lead to gates being misused and local tensions between supporters and objectors.

5. Public Rights of Way – Proposal to Restrict Public Rights over the Alleyway between Brunswick Street/South Bank Avenue, Micklegate Ward, Using Public Spaces Protection Order Legislation

Resolved: That the Executive Member agrees not to seal the Public Spaces Protection Order to restrict public rights over the alleyway between Brunswick Street/South Bank Avenue in the Micklegate Ward.

Reason: The nature of the objections received would suggest that this scheme would not be appropriate for this area. Previous consultations for this alleyway have found that residents are not in favour of alley gating, and the results of this consultation reflect this. The complicated layout of this alleyway and the waste collection changes that would be required, lead officers to recommend that this scheme would not be appropriate.

6. Public Rights of Way - Proposal to Restrict Public Rights over the following Alleyway Using Public Spaces Protection Order Legislation: Brownlow Street/Eldon Street (Guildhall Ward)

Resolved: That the Executive Member agrees to:

- (i) Seal and make operative the Public Spaces Protection Order for Brownlow Street/Eldon Street in the Guildhall Ward.
- (ii) Note the completion of the current capital funded alley gating programme.

Reason: No formal objections or representations have arisen as a result of the formal consultation and the scheme appears to have the full support of the community and Ward Councillors.
