EXECUTIVE FORWARD PLAN

What is the Executive Forward Plan?

The Executive Forward Plan is a list of all non-key and key decisions the Authority intends to take during the next four month period. The Plan is updated weekly, every Monday and is available to view on-line at www.york.gov.uk

What is a non-key decision?

For the purposes of the Plan, a non-key decision is defined as a 'decision of normal importance' which:

- the Executive can collectively take as set out in Part 3 of the council's constitution
- which any Executive Member can take individually in line with the Council's Scheme of Delegation

What is a key decision?

A key decision is defined as a decision which is likely:

- to result in the Council incurring expenditure, or making savings, which are significant having regard to the Council's budget for the service or function to which the decision relates i.e.:
 - make a saving of more than 10% of the budget for a particular area - or be more than £500,000
 - require spending that is more than 10% of the budget for a particular area - or be more than £500,00
- to be significant in terms of its effects on communities

Such 'key decisions' can only be taken by the Executive, unless they have been **specifically** delegated to an Executive Member or Officer, or unless the Leader or Chief Executive is exercising their urgency powers.

What information does the Forward Plan contain?

In relation to each issue entered on the Forward Plan, there are details of:

- the date on which or time period within which the decision will be taken;
- the wards affected;
- how to make representations on the issue in hand; and
- what the consultation will be taking place, where applicable.

If I have a query about an entry on the Forward Plan, who do I contact ?

Wherever possible, full contact details are listed in the individual entries in the Forward Plan. If you are unsure how to make contact or have any general enquiries about the Forward Plan, please ring Democratic Services on Tel No. 01904 551031

Item Type: Executive Decision - of 'Normal' Importance

Title of Report: Council's Response to the Independent Flood Inquiry Report and Investment for Floods in the City's Infrastructure

Description: Purpose of Report: Members will receive the Independent Flood Inquiry report and the proposals on how we will respond. The proposals will highlight the improvements and the engagement process with the public and the Environment Agency on the appropriate governance structure around the programme of work that will enable the city to steer and shape the decisions on investment and projects.

Members will be asked to review and approve the Council's proposal on how we will respond to the Independent Inquiry report and to approve our engagement process on the governance structure.

This item has been deferred to February's Executive meeting. The Chair of the Independent Flood Inquiry has advised the publication of the report will be slightly delayed. This is to allow key relevant Agencies to check the report for factual accuracy before it is formally published.

FORWARD PLAN ITEM

Meeting: Executive

Meeting Date: 09/02/17

Item Type: Executive Member Decision - of 'Normal' importance

Title of Report: Steps Towards a Single Health & Safety (H&S) Organisation - Options for Change

Description: Purpose of Report: The Joint Head of H&S for York and North Yorkshire Councils has spent time reviewing and implementing best practice across both H&S services. To ensure resilience and best use of resources staff have started working informally as one workforce so resources and skills can be moved/shared across both services.

On 9th May 2016 the Executive Member for Environment agreed the establishment of closer organisational arrangements supported by formal secondment agreements for City of York Council (CYC) staff to North Yorkshire County Council (NYCC) supported by an service level agreement (SLA) to ensure that the form, resilience and quality of H&S service received by CYC is at least maintained if not improved. In November 2016 he will receive a progress update report to ensure progress is as expected and delivering planned benefits of closer working.

It was agreed in May 2016 that this arrangement would be short term to last no more than a year, and during this time an options paper and business case will come to the CYC and NYCC Executives to set up a formally constituted shared organisation with the options around the various service delivery models available to do so, including 'no change'. It is planned to bring the options paper to the Executives in January 2017.

Due to an administrative inputting error this item will be considered by Executive on 9 February 2017 and not by the Executive Member for Environment at his Decision Session on 9 January 2017.

Implications

Level of Risk:

Reason Key: A decision which is likely to result in the Council incurring expenditure, or making savings which are significant having regard to the Council's budget for the service or function to which the decision relates. The savings or expenditure are significant if they are equal to or greater than £500,000 or equal to or greater than £100,000 where the savings or expenditure exceeds 10% of the budget for the service plan area whichever is the less. Expenditure in excess of these levels will not constitute a key decision if

such expenditure is made as part of the implementation of a decision which itself was a key decision e.g. the award of a contract.

Making Representations: Residents and other stakeholders.
Independent sector care home providers.
Ward Members.

Process: The Older Persons' Accommodation Programme has been the subject to extensive public and stakeholder engagement concerning the use of current council-run care homes and the need and wish to encourage the building of new care homes in the city. As part of this, independent care providers are regularly engaged to seek interest in the provision of new care accommodation in York.

Title of Report: Highways Digital Survey Proposals

Description: Purpose of Report: To give an overview of possibilities to improve our highway inspection, work identification and works realisation through the adoption of a remote survey and highway asset management system. A preferred product and route to procurement will be detailed in the report.

The Executive Member is asked to consider the possibilities detailed in the report and comment on its aims and approach and endorse the route to procurement that has been identified.

This item was deferred from 8 September to 8 December 2016 and then 9 February 2017 as the initial scope of the survey had been expanded and needed further analysis before a report could be presented.

It has now been deferred to the decision session on 9 March 2017, as the relevant information is still being collated and discussions taking place. Unfortunately the proposals will not be ready in time for the reporting deadlines in respect of the 9 February 2017 decision session.

Implications

Level of Risk:

Reason Key: A decision which is likely to result in the Council incurring expenditure, or making savings which are significant having regard to the Council's budget for the service or function to which the decision relates. The savings or expenditure are significant if they are equal to or greater than £500,000 or

equal to or greater than £100,000 where the savings or expenditure exceeds 10% of the budget for the service plan area whichever is the less. Expenditure in excess of these levels will not constitute a key decision if such expenditure is made as part of the implementation of a decision which itself was a key decision e.g. the award of a contract.

Meeting Date: 27/04/17

Item Type: Executive Decision - of 'Normal' Importance

Title of Report: Adults Transport – Options and Approaches

Description: The Adults Transport Vision (as agreed in March 2015) proposed that CYC should consider implementing a more personalised approach to transport whereby existing adult customers are able to exercise greater choice and control over their transport arrangements - in line with the principles of the Care Act 2014. Prevention is a primary aim, ensuring new adult customers only access commissioned transport provision as an option of last resort.

The Executive is asked to approve a recommended option for the future provision of transport for adult customers.

This item has been deferred to the April Executive in order to carry out further research and analysis.
