

Wellington/Gordon/Willis/Wolsey Streets Petition Front Sheet

Petition: Residents Parking

We call for the introduction of a 'residents only' parking scheme for Wellington, Gordon, Willis and Wolsey Streets to stop commuter parking outside our homes.

(NB. Rules now allow a zone approach, without marked bases or the loss of parking spaces. A council run ballot of every household would take place before any decision to introduce regulations. Residents without a car can vote and are allowed to buy daily visitor permits as required).
