Good morning Lesley,

Below is a pro form of how we would like to incorporate the increase on the Hackney carriage fare chart for 2021. The calculation of 2.91% from last year's offer (which we took no further for obvious reasons) and the 0.99% offered this year equates to 3.90% it is still our desire to request a 4.00% increase as shown below.

We would also like to request that multi seater journeys (5 people or more except where children under 14 years of age are involved ) be charged at premium rate which will bring those journeys in line with private hire rates for the same service.

Digitax who have calculated the increase for us advised that we change to a 20p trip rather than the current 10p as the time & distance is becoming quite small again this is set out below.

We are hoping that if possible the new fare could come int effect from the 1st may.

We hope this is sufficient to support our request.

If you require any further information please don't hesitate to get in touch.

Kind Regards.

Robin Sargent. YHCA
