

# Proposed Best Practice 16 to 25 Accommodation Pathway

**Families First Principle - To Support Appropriate Growth to Independence and Reduce Risks of Dependence**  
 Long Term outcomes for young people are likely to have greater success through sustained relationships with their family members and important parts of their network. These relationships create a level of resilience that can not be replicated by services. The pathway will therefore maintain a relentless culture of prevention and restoration. **A return to Family Members should always be considered as a priority** upon initial presentation and every subsequent transition within it. All Services should have a proactive approach to restoring fractured relationships.
