Scrutiny Annual Report

Members received a report which set out the initial draft of the Annual Scrutiny Report for 2005/6 which constitutionally Scrutiny Management Committee was responsible for producing every year, as part of its performance reporting and monitoring function.

It was noted that some submissions from former Chairs for Scrutiny Boards were still outstanding and further deadlines had been given for completion of their outstanding contributions. The final Annual Report would be submitted to Council in October.

RESOLVED: That the progress to date with the preparation of the Annual Report be noted, the content as currently included be approved and the final proposed version be agreed in consultation with the Chair and Vice-Chair, as previously approved, for onward submission to full Council in October.

REASON: To enable the Annual Report to be published and constitutional requirements to be met.
