Community Impact Assessment: Summary

1. Name of service, policy, function or criteria being assessed:

City of York Local Plan Further Sites Consultation

2. What are the main objectives or aims of the service/policy/function/criteria?

The Local Plan is a strategy for the future development of the City of York area. It will set out the opportunities for development in the City of York area and include clear policies on what will or will not be permitted and where.

The vision is that: *In the City of York area over the next fifteen years the Local Plan will deliver sustainable patterns and forms of development. These will support the delivery of the city's economic and social ambitions, whilst conserving and enhancing its unique historic and natural environmental assets.*

The plan will ensure that the vision and outcomes are delivered in a way that recognises the challenges of climate change, protects residents from environmental impacts and promotes social inclusivity.

The vision and outcomes are based on the following interconnected priorities: Create Jobs and Grow the Economy; Get York Moving; Build Strong Communities; and Protect the Environment.

The broad priorities of social inclusion and sustainability cut across all four of these themes.

Community Impact Assessment (CIA)

Community Impact Assessment Title: City of York Local Plan Further Sites Analysis and Consultation

What evidence is available **to suggest that the proposed service, policy, function or criteria could have a negative (N), positive (P) or no (None) effect** on quality of life outcomes? (Refer to guidance for further details)

Can negative impacts be justified? **For example: improving community cohesion; complying with other legislation or enforcement duties; taking positive action to address imbalances or under-representation; needing to target a particular community or group e.g. older people.** NB. Lack of financial resources alone is NOT justification!
