Our reports are prepared in the context of the Audit Commission's 'Statement of responsibilities of auditors and audited bodies'. Reports and letters prepared by appointed auditors and addressed to members or officers are prepared for the sole use of the Authority and we take no responsibility to any member or officer in their individual capacity or to any third party.

Mazars LLP is the UK firm of Mazars, the international advisory and accountancy organisation. Mazars LLP is a limited liability partnership registered in England with registered number OC308299.

Summary of audit progress

Objection to the 2013/14 accounts

There are no further updates since the last meeting of the Audit and Governance Committee.

Follow up of 2013/14 recommendations

Members will recall that in the 2013/14 Audit Completion Report we identified issues in relation to the Council's bank reconciliation. The issues were identified as resulting from an extremely complex bank reconciliation process with historic matching issues within the general ledger.

At the point of giving our audit opinion on the 2013/14 financial statements, we were satisfied that the impact of these issues would not be material, but recommended that officers clear any outstanding issues in 2014/15.

We have continued to follow up these issues with officers, and officers are seeking to resolve them, including the remaining unreconciled differences, ahead of the production of the 2014/15 financial statements.

2014/15 Audit Planning

We have now completed our audit planning and our Audit Strategy Memorandum is also on the agenda for this meeting. This document sets out the risks we have identified for both the opinion on the financial statements and the value for money conclusion, and our overall approach to the audit.

Our detailed work is now underway.

Accounts workshops for officers

In February 2015, Mazars provided a workshop for finance staff on accounting and auditing issues relating to the closedown and preparation of the 2014/15 statement of accounts. The Authority's officers were represented at the workshop.

Emerging issues and developments

It is not long since the last Audit and Governance Committee meeting, so there are relatively few developments to refer to.

The Audit Commission closes on 31 March 2015.

Pages 7 to 9 below are an extract from the Audit Commission's website which explains how its current functions will be discharged after it closes from 1 April 2015.

Future of Local Audit

In August 2010, the Department for Communities and Local Government (DCLG) announced plans to put in place new arrangements for auditing England's local public bodies.

Local Audit and Accountability Act 2014

The Act received Royal Assent on 30 January 2014. The Act makes it possible for the Audit Commission to close, in line with Government expectations, on 31 March 2015, 30 years after it was established.

Several of the Commission's functions will continue after its closure.

Management of audit contracts

An independent company created by the Local Government Association (Public Sector Audit Appointments Limited) will be responsible for overseeing the Commission's current external audit contracts with audit firms from 1 April 2015 until December 2017 or up to 2020. It will manage the contracts and exercise statutory powers to appoint auditors, set and determine fees, and to make arrangements for housing benefit subsidy certification.

The professional conduct of auditors will continue to be regulated by the professional accountancy bodies. From 2017 or up to 2020, Recognised Supervisory Bodies will determine the eligibility of local public auditors and register them and, in turn, they will be recognised and supervised by the Financial Reporting Council.

The Financial Reporting Council's Audit Quality Review team will monitor the local public audits carried out by auditors through new regulatory arrangements.

Grant certification

The role of making arrangements for housing benefit subsidy certification will transfer to Public Sector Audit Appointments Limited from 1 April 2015. It is intended that this role will continue until housing benefit is rolled into Universal Credit, or until the audit contracts end – whichever happens first. The independent company will not have a role in relation to the certification of other grant claims.

Code of Audit Practice

The National Audit Office will produce and maintain the Code of Audit Practice and provide supporting guidance to auditors from 1 April 2015.

Whistleblowing

The Comptroller and Auditor General will be a prescribed person to whom whistleblowing disclosures can be made in respect of local public bodies under the Public Interest Disclosure Act 1998 from 1 April 2015. Appointed auditors retain their status as a prescribed person under the Act.

National Fraud Initiative

The Audit Commission powers to conduct the National Fraud Initiative will pass to Cabinet Office on the 1st of April 2015, and the NFI will run under Cabinet Office powers from that date onwards. The NFI matches data provided by some 1,300 participating organisations from across the public and private sectors against data provided by other participants, and key data sets provided by government departments and other national agencies, to prevent and detect fraud.

Counter fraud

To preserve the legacy of the Audit Commission's counter-fraud work we will publish relevant counter-fraud tools and outputs online with open access before the Commission closes at the end of March 2015.

Provision of information about audit

The National Audit Office will publish information previously provided by the Audit Commission. The NAO will become the owner of *Council Accounts: A Guide to Your Rights*, often referred to as the guide to the electorate's rights with regard to the audit of their local authority. Public Sector Audit Appointments Limited will continue to publish Auditing the Accounts and quarterly and annual reports on auditor compliance and audit quality.

Analytical tools

Three of the Audit Commission's analytical tools that are primarily maintained to support audit contracts will transfer to Public Sector Audit Appointments Limited and will continue until the end of the current audit contracts: the two Value for Money Profiles Tools (for councils and for fire authorities), and the Audit Fees Comparator Tool. The Financial Ratios Tool is also likely to continue, although arrangements are yet to be finalised.

National value for money studies

Building on its existing work, including in the Health sector, the National Audit Office now also carries out studies which consider the value for money of services delivered by the local government sector.

Best value inspections

The power to carry out Best Value inspections (not exercised by the Audit Commission since 2010) transferred to the Secretary of State for Communities and Local Government on 4 April 2014.

Audit Commission historic reports and information

The National Archives preserves copies of the Audit Commission's website and these are available at http://webarchive.nationalarchives.gov.uk/*/http://audit-commission.gov.uk/pages/default.aspx. For copies of the Commission's past reports you may view these on the National Archives website.
