LICENSING ACT 2003 SUB – COMMITTEES PROCEDURE FOR REMOTE LICENSING HEARINGS

Introduction

1. During the coronavirus pandemic emergency period it will be necessary for licensing hearings to be dealt with remotely. This procedure sets out how City of York Council will deal with such hearings. This procedure must be considered in conjunction with the Council's Delivery of Remote Meetings document which sets out how all meetings, including licensing hearings will be held in York.
2. The procedure adopted at a licensing hearing is at the discretion of the Sub-Committee but will normally follow the pattern outlined below.
3. The Council's hearings procedure is based on regulations made by the Secretary of State under the Licensing Act 2003. The procedure is intended as a general framework to ensure natural justice and a fair hearing. The Sub-Committee has a duty to view all evidence presented before them impartially. The Sub-Committee is not bound by the formal rules of evidence. Nevertheless, Members must carry out their duty placing what weight they feel is appropriate given the nature of the evidence and the manner in which it was obtained, and communicated.
4. The Council will provide a record of the hearing in a permanent and intelligible form and keep it for 6 years from the date of determination or disposal of any Appeal. The Hearing will be recorded and the recording placed on the Council's website.

Preparation for the Remote Licensing Hearing

5. The Sub-Committee will use the video-conferencing platform when the hearing is in public session. Clear instructions will be provided to participants on how to join the remote hearing. The Sub-Committee may exclude the public from all or part of a hearing if it considers it is in the public interest to do so. Should any part of the hearing need to be held in private session, a separate private online meeting will be convened by the Sub-Committee. This video-conferencing platform will also be used for decision making in private. All paperwork relevant to the hearing will be published online on the Council's

website, 5 working days before the remote hearing. The documents will be produced in PDF format and will be paginated to permit ease of reference during the remote hearing. Name and address details of those making representations will be made public. Telephone numbers, email addresses and signatures will be omitted.

6. 5 working days before the remote hearing is due to take place, the Council will contact the parties with a list of issues they would like any party to specifically address them on or clarify at the hearing.
7. If in light of the Council's list of issues any party wishes to produce any further documentary evidence they should submit this to the Council by email three working days before the hearing.
8. Any documentary evidence that is not submitted to the Council by email three working days before the hearing will not be admitted without the agreement of all parties. If it is essential to a party's case that the material be admitted, then the Sub-Committee will consider adjourning the remote hearing to allow all parties a fair opportunity to consider it.
9. Should any party wish to rely on any points of law, specific references in the s.182 Guidance, specific references in the Council's Policy or any other external resources, these should be set down in an electronic document and submitted to the Council by email three working days before the hearing.

The Remote Licensing Hearing

10. The Applicant is permitted to speak at the remote hearing (see below). Ward Councillors, responsible Authorities and Representors are only permitted to speak if they have made written submissions during the consultation period. Any party to a hearing may be assisted or represented by any person, legally or otherwise.
11. All parties will be given a fair hearing and each party will have the same amount of time in which to address the Sub-Committee and question each other. Each party will have 15 minutes to address the Sub-Committee and call any witnesses and 5 minutes for questions.

12. However, where there are groups of individuals with a common interest, for example local residents making similar representations either for or against an application, consideration should be given to nominating a spokesperson. Otherwise the Sub-Committee may impose a time limit for such representations where there is pressure on the Sub-Committee to hear numerous applications in a short period of time or for any other valid reason.
13. If any Representors fail to attend the hearing, the Sub-Committee will normally proceed but will consider their written representation. In considering written evidence in the absence of a Representor, appropriate weight will be attached, given that the person cannot be questioned by Members.
14. **The Sub-Committee is required to disregard any information given or evidence produced by a party or witness which is not relevant to the application, representations, or notice, and the promotion of the licensing objectives.** Duplication should be avoided. Comments must be confined to those points already made, although the parties may expand on their written submissions. The Sub-Committee will have read and familiarised themselves with all the written submissions and the issues prior to the hearing, and therefore do not require the points to be made at length.
15. A Representor **may not** introduce any new ground or objection not referred to in their written submission. Additional representations which do not amount to an amplification of the original representation will not be considered by the Sub-Committee.
16. Any person behaving in a disruptive manner will be asked to leave the hearing. However, if this occurs, that person will be entitled to submit in writing any information they would have been entitled to give orally.

5. Minutes

Resolved: That the minutes of the Licensing Hearing held on 23 May 2022 be approved as a correct record, to be signed by the Chair at a later date, subject to the following amendment:

- in paragraph (vii) under 'Reasons', replace '*no evidence*' with '*insufficient evidence*'.

6. The Determination of a Section 18(3)(a) Application by Tesco Stores Ltd. for a Premises Licence in respect of 45 - 49 Gillygate, York, YO31 7EA (CYC-070642)

Members considered an application by Tesco Stores Ltd. for a premises licence in respect of 45-49 Gillygate, York YO31 7EA.

In considering the application and the representations made, the Sub-Committee concluded that the following licensing objectives were relevant to this Hearing:

1. The Prevention of Crime and Disorder
2. The Prevention of Public Nuisance

In coming to their decision, the Sub-Committee took into consideration all the evidence and submissions that were presented, and determined their relevance to the issues raised and the above licensing objectives, including:

1. The application form.
2. The papers before it, including the additional papers published in the Agenda Supplement and the written representations.
3. The Licensing Manager's report, and her comments at the Hearing.

The Licensing Manager outlined the report and the annexes, correcting two errors in paragraph 5 of the report and confirming that the licensable activities applied for included the supply of alcohol **off** the premises, and late night refreshment. She noted that the premises were not in the cumulative impact area and confirmed that the Applicant had carried out the consultation process correctly. She highlighted the additional conditions agreed by the Applicant with North Yorkshire Police, noting that the Police had subsequently withdrawn their objections. She drew attention to the two representations received from local residents, as set out in Annex 3. Finally, she advised the Sub Committee of the options open to them in determining the application.

4. The representations made by Hardish Purewal, Licensing Manager for Tesco, on behalf of Tesco Stores Limited (the Applicant).

Ms Purewal stated that this was a new application for premises due to open in October 2022. The premises would operate as a smaller convenience format or 'Express' store, with a range of approximately 5,000 lines targeted to the area. Alcohol was just a small, though important, part of this range. The Store Manager, Emma Martin, had a wealth of experience, having been with Tesco for 15 years and a store manager in York for 6 years, currently at Goodramgate. The store would employ about 20 colleagues and 3 shift managers and would provide roles for people in the local community, with a mixture of experienced and new staff. The recruitment process would take place 8 weeks before opening. There would be a range of carefully selected lines in store and alcohol miniatures would not be sold except in gift packs. Tesco took pride in being a good neighbour in the community and had awarded over £172,000 to groups and charities in the local area.

Ms Purewal went on to say that Tesco had a good relationship with the statutory authorities and she herself chaired a Retail Alcohol Standards group that advised on best practice across the industry and offered free guidance to smaller shops. Emma Martin was involved in the Pubwatch scheme, meeting with the local police and PCSOs; there had also been talk of a Retailwatch scheme in which she would be happy to take part. The training offered by Tesco was endorsed by the BII; training on alcohol sales and security was provided to staff twice a year as well as on joining. This included training on proxy sales and how to spot someone who was drunk. Conflict training was also provided on how to manage people who were drunk. Tesco operated a strong 'Think 25' policy and a 'you say no, we say no' rule, whereby a manager would not over-rule a decision by a member of staff to refuse a sale. CCTV Panic alarms, tags on high value items, bodycams, and headsets for quick communications between teams were all part of the security provided in stores. Central support was also provided, and the shop would be tested 4 times per year by an external audit

company to ensure it was following Think 25. Promotions were all set nationally. The application for late night refreshments was needed for the Costa coffee machine, for which payment was taken at the checkout.

With regard to the representations, Ms Purewal confirmed that the Applicant was happy to work with local community organisations to nip any problems in the bud, and that they already co-operated with police and rangers in the city in refusing alcohol to people involved in anti-social behaviour. The police were working on a multi-agency plan and the Applicant would fit in with that. Under the council's policy and the S182 guidance, permission was generally granted for shops to sell alcohol during their operating hours unless there was a reason not to; in this case there was no evidence to suggest any reason to refuse permission. The police had agreed conditions and the Applicant would work with them on any new issues that arose. The closing times of other premises were not relevant, as each application must be considered on its own merits.

In response to a question from the Chair, Ms Purewal said she was not aware of the recent decision to introduce a Public Space Protection Order in the area covering Gillygate, but that Tesco already operated a number of premises in other PSPO areas and would be happy to work with police on this.

Ms Purewal was then given to opportunity to sum up. She referred to the points already made in her submission, which she hoped had demonstrated that Tesco was an excellent operator with all the necessary policies and procedures in place, and stated that there was no evidence to suggest that the application should not be granted.

The Chair sought clarification with regard to the condition in the operating schedule relating to CCTV. Ms Purewal confirmed that the Applicant would be happy for this to include a requirement to make CCTV footage available to the responsible authorities on request.

In respect of the proposed licence, the Sub-Committee had to determine whether the licence application

demonstrated that the premises would not undermine the licensing objectives. Having regard to the above evidence and representations received, the Sub-Committee considered the steps which were available to them to take under Section 18(3) (a) of the Licensing Act 2003 as it considered necessary for the promotion of the Licensing Objectives:

- Option 1: Grant the licence in the terms applied for. This option was **rejected**.
- Option 2: Grant the licence with modified/additional conditions imposed by the licensing committee. This option was **approved**.
- Option 3: Grant the licence to exclude any of the licensable activities to which the application relates and modify/add conditions accordingly. This option was **rejected**.
- Option 4: Refuse to specify a person on the licence as premises supervisor. This option was **rejected**.
- Option 5: Reject the application. This option was **rejected**.

Resolved: That Option 2 be approved and the licence be granted with modified / additional conditions imposed by the Sub-Committee, as set out below:

Activity	Timings
Supply of alcohol – off the premises	Monday to Sunday 06:00 – midnight
Late night refreshment	Monday to Sunday 23:00 – midnight
Opening hours	Monday to Sunday 06:00 – midnight

The additional/modified conditions are as follows:

- (i) There shall be no sale of single cans of beer, lager or cider from the premises and no sales of single bottles of beer,

lager or cider in vessels of less than 500ml with the exception of premium craft products.

(ii) There will be no display of alcohol within 5 metres of the store entrance.

(iii) The premises licence holder or designated premises supervisor is responsible for risk assessing the need for door staff at the premises. Where engaged, door staff shall be licensed by the Security Industry Authority.

(iv) Viewing of CCTV images shall be made available immediately upon request of a Police officer or authorised officer of the Licensing Authority throughout the entire 31 day retention period [referred to in the CCTV condition in the operating schedule submitted by the Applicant].

No conditions have been removed from the operating schedule submitted by the Applicant.

Reasons: (i) The Sub-Committee must promote the licensing objectives and must have regard to the Guidance issued under section 182 of the Licensing Act 2003 and the Council's own Statement of Licensing Policy.

(ii) The Sub-Committee notes the local residents' concerns that the application would lead to crime and disorder and public nuisance and in particular that there has been a problem with street drinkers in the area.

(iii) They also note the conditions offered in the operating schedule to promote the licensing objectives, that there had been no objection to the application from the Responsible Authorities and that the Police had agreed conditions with the applicant to address potential issues relating to crime and disorder and anti- social behaviour.

(iv) The Sub-Committee considers that it has received sufficient assurances from the applicant in order to have a high level of confidence that the premises will be operated responsibly and that it can, with the imposition of suitable conditions,

operate without adding to or causing alcohol related problems in the area.

(v) The Sub-Committee considers that the grant of the application with the above mandatory and additional conditions will not undermine the promotion of the licensing objectives.

15. Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

Documents which demonstrate entitlement to work in the UK

- A birth or adoption certificate issued in the UK, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A birth or adoption certificate issued in the Channel Islands, the Isle of Man or Ireland **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.

- A certificate of registration or naturalisation as a British citizen, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A **current** passport endorsed to show that the holder is allowed to stay in the UK and is currently allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity.
- A **current** Biometric Immigration Document (Biometric Residence Permit) issued by the Home Office to the holder which indicates that the named person can currently stay in the UK and is allowed to work relation to the carrying on of a licensable activity.
- A **current** Residence Card issued by the Home Office to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights or residence.
- A **current** Immigration Status Document containing a photograph issued by the Home Office to the holder with an endorsement indicating that the named person may stay in the UK, and is allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A Certificate of Application, **less than 6 months old**, issued by the Home Office under regulation 18(3) or 20(2) of the Immigration (European Economic Area) Regulations 2016, to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence.
- Reasonable evidence that the person has an outstanding application to vary their permission to be in the UK with the Home Office such as the Home Office acknowledgement letter or proof of postage evidence, or reasonable evidence that the person has an appeal or administrative review pending on an immigration decision, such as an appeal or administrative review reference number.
- Reasonable evidence that a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence in exercising treaty rights in the UK including:
 - evidence of the applicant's own identity – such as a passport,
 - evidence of their relationship with the European Economic Area family member – e.g. a marriage certificate, civil partnership certificate or birth certificate, and
 - evidence that the European Economic Area national has a right of permanent residence in the UK or is one of the following if they have been in the UK for more than 3 months:

- (ii) self-employed e.g. contracts, invoices, or audited accounts with a bank,
- (iii) studying e.g. letter from the school, college or university and evidence of sufficient funds; or
- (iv) self-sufficient e.g. bank statements.

Family members of European Economic Area nationals who are studying or financially independent must also provide evidence that the European Economic Area national and any family members hold comprehensive sickness insurance in the UK. This can include a private medical insurance policy, an EHIC card or an S1, S2 or S3 form.

Original documents must not be sent to licensing authorities. If the document copied is a passport, a copy of the following pages should be provided:

- (i) any page containing the holder's personal details including nationality;
- (ii) any page containing the holder's photograph;
- (iii) any page containing the holder's signature;
- (iv) any page containing the date of expiry; and
- (v) any page containing information indicating the holder has permission to enter or remain in the UK and is permitted to work.

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.

Home Office – Guidance Issued Under Section 182 of the Licensing Act 2003

Section 16 Regulated Entertainment

Overview of circumstances in which entertainment activities are not licensable

16.5 There are a number of exemptions that mean that a licence (or other authorisation¹⁸) under the 2003 Act is not required. This Guidance cannot give examples of every eventuality or possible entertainment activity that is not licensable. However, the following activities are examples of entertainment which are not licensable:

- activities which involve participation as acts of worship in a religious context;
- activities in places of public religious worship;
- education – teaching students to perform music or to dance;
- the demonstration of a product – for example, a guitar – in a music shop;
- the rehearsal of a play or performance of music for a private audience where no charge is made with a view to making a profit;
- Morris dancing (or similar)
- Incidental music – the performance of live music or the playing of recorded music if it is incidental to some other activity;
- Incidental film – an exhibition of moving pictures if it is incidental to some other activity;
- A spontaneous performance of music, singing or dancing;
- Garden fetes – or similar if not being promoted or held for purposes of private gain;
- Films for advertisement, information, education or in museums or art galleries;

audience does not exceed 500 and the organiser (a) gets consent to the screening from a person who is responsible for the premises; and (b) ensures that each such screening abides by age classification ratings.

- Indoor sporting events: no licence is required for an event between 08.00 and 23.00 on any day, provided that those present do not exceed 1000.
- Boxing or wrestling entertainment: no licence is required for a contest, exhibition or display of Greco-Roman wrestling, or freestyle wrestling between 08.00 and 23.00 on any day, provided that the audience does not exceed 1000.
- Live music: no licence permission is required for:
 - a performance of unamplified live music between 08.00 and 23.00 on any day, on any premises.
 - a performance of amplified live music between 08.00 and 23.00 on any day on premises authorised to sell alcohol for consumption on those premises, provided that the audience does not exceed 500.
 - a performance of amplified live music between 08.00 and 23.00 on any day, in a workplace²⁶ that does not have a licence, provided that the audience does not exceed 500.
 - a performance of amplified live music between 08.00 and 23.00 on any day, in a church hall, village hall, community hall, or other similar community premises, that is not licensed by a premises licence to sell alcohol, provided that (a) the audience does not exceed 500, and (b) the organiser gets consent for the performance from a person who is responsible for the premises.
 - a performance of amplified live music between 08.00 and 23.00 on any day, at the non-residential premises of (i) a local authority, or (ii) a school, or (iii) a hospital, provided that (a) the audience does not exceed 500, and (b) the organiser gets consent for the performance on the relevant premises from: (i) the local authority concerned, or (ii) the school or (iii) the health care provider for the hospital.
- Recorded Music: no licence permission is required for:
 - any playing of recorded music between 08.00 and 23.00 on any day on premises authorised to sell alcohol for consumption on those premises, provided that the audience does not exceed 500.
 - any playing of recorded music between 08.00 and 23.00 on any day, in a church hall, village hall, community hall, or other similar community premises, that is not licensed by a premises licence to sell alcohol, provided that (a) the audience does not exceed 500, and (b) the organiser gets consent for the performance from a person who is responsible for the premises.
 - any playing of recorded music between 08.00 and 23.00 on any day, at the non- residential premises of (i) a local authority, or (ii) a school, or (iii) a hospital, provided that (a) the audience does not exceed 500, and (b) the organiser gets consent for the performance on the relevant premises from: (i) the local authority concerned, or (ii) the school proprietor or (iii) the health care provider for the hospital.
- Cross activity exemptions: no licence is required between 08.00 and 23.00 on any day, with no limit on audience size for:

- any entertainment taking place on the premises of the school where the entertainment is provided by or on behalf of the school proprietor; and
- any entertainment (excluding films and a boxing or wrestling entertainment) taking place at a travelling circus, provided that (a) it takes place within a moveable structure that accommodates the audience, and (b) that the travelling circus has not been located on the same site for more than 28 consecutive days.

- 16.7 The deregulatory changes mean that, for example, an indoor sporting event that takes place between 07.00 and 23.30 on a particular day is licensable in respect of activities taking place between 07.00-08.00 and 23.00-23.30. Similarly, where the audience for a performance of dance fluctuates, those activities are licensable if, and for so long as, the number of people in the audience exceeds 500. If organisers are uncertain as to audience sizes or if audience migration is likely, it might be easier and more flexible to secure an appropriate authorisation. Examples of where a Temporary Event Notice (TEN) could still be required include if the activity is the playing of recorded music or the exhibition of a film that requires an authorisation; or if the entertainment is not authorised by an existing licence or certificate and its conditions.
- 16.8 Of course, anyone involved in the organisation or provision of entertainment activities – whether or not any such activity is licensable under the 2003 Act – must comply with any applicable duties that may be imposed by other legislation relevant to the event (e.g. in areas such as crime and disorder, fire, health and safety, noise, nuisance and planning). Any such person should take steps to be aware of relevant best practice, and may find responsible authorities a useful source of expert support and advice.

Annex 5 - Representations

1.

Dear Sir / Madam,

I am writing to object about the Application for a new premises liquor licence at 16A York Street. I have only just noticed the application placed in the menu card by the front door which is not very visible.

We strongly object to the Cafe becoming a licenced premises; it is a residential street, surrounded by residential properties in close proximity which include our young children.

Our property of [REDACTED] York Street is next to the cafe and we would ultimately suffer from disturbed sleep with noise disturbance from people leaving the cafe, particularly after drinking alcohol to the late hour of 11pm as most of the bedrooms are located to the front of the property.

Yours faithfully

2.

Dear Sir / Madam,

I have asked my neighbour, Catherine to email on my behalf as my wife and I are in our late 90's and do not use email.

I would like to object to an alcohol licence being granted to the cafe at 16A York Street. My wife and I live opposite the cafe at [REDACTED] York Street and do not wish to be disrupted by people leaving the cafe at a late hour.

Please feel free to call me on: 01904 [REDACTED]

Yours faithfully
