30. Code of Conduct Complaint Received in Respect of a City of York Councillor (3:06pm)

Members considered a report which set out a Code of Conduct complaint received in respect of a City of York Councillor. Details of the complaint were presented in the private report referred to above.

Members were asked to decide whether to:

- A. rule that the complaint is out of scope, or
- B. rule that the complaint is in scope and choose either to:
 - i) take no further action
 - ii) seek to resolve the matter informally, or
 - iii) refer the matter for investigation.

Having considered all the information provided, and the advice of the Independent Person at the meeting, it was

Resolved: That Option B(ii) be approved.

Reason: The assessment sub-committee concluded that the matters complained of were capable of constituting breaches of the Member Code of Conduct and the complaint was consequently in scope.

The sub-committee concluded that inappropriate language had been used, but that this was symptomatic of a wider issue within current political discourse. It was decided that an advisory note be issued to all political groups and to the independent member.

Cllr C Runciman, Chair
