Annual Council Meeting

Report of the Assistant Director, Governance & ICT

Allocation to Seats and Appointments to the Council Structure and Outside Bodies for 2012/13

Summary

1. At its Annual General Meeting, Full Council considers the allocation to seats on Committees and other bodies every year and makes appropriate appointments for the coming Municipal Year.

Background

2. Council is now asked to makes those appointments and to allocate those places on the committees and other bodies that it wishes to set up, in accordance with the political balance requirements under the 1989 Local Government & Housing Act.

3. Following the enactment of the Local Government and Public Involvement in Health Act 2007, which requires councils to adopt new executive arrangements, the Cabinet Leader is now appointed for his full term of office and is empowered to appoint the members of Cabinet and to approve their portfolios. 4. As Members are aware a recent departmental restructure has resulted in some changes in the allocation of functions between Directorates. Members are advised that consequential changes will be made by the Monitoring Officer to job titles and to functions attached to posts described in the Officers Delegation Scheme.

Allocation of Seats

5. Under agenda item 5(b), Full Council is asked to approve appointments to those available seats to which the political balance rules must be applied under the terms of the Local Government & Housing Act 1989. Council is also asked to consider applying the rules to the remaining bodies it chooses to set up, in accordance with previous practice. Full details are contained in Annex A to this report.

Practice Relating to Substitutes

6. It is proposed to continue with the flexibility of the new substitute system introduced following last year’s Annual Meeting. In the first instance Members who need a substitute must approach a named substitute appointed by Council. As usual, Members should approach the first named substitute and only if that person is not available can they approach the second, and so on. If, however, no named substitute is available, the Chief Executive and the Monitoring Officer will be authorised to make changes to the membership of the Committee by appointing another member of the group as substitute for a specific meeting. That appointment will be made in accordance with an instruction of the relevant political group.
Appointments to Committees, Working Groups, Outside & Partnership Bodies

7. Further to the allocation of seats referred to above, under agenda item 5, Full Council is asked make appointments to those Committees and other bodies set out in Annex B. These include outside and partnership bodies, together with Chairs and Vice Chairs of Committees and membership of Ward Committees.

8. Council is asked to note that it is being asked to approve appointments to the current Statutory Standards Committee and to a non statutory Joint Standards Committee. The Statutory Committee will be abolished from the 1st of July in line with the provisions of the Localism Act 2011. From that date the Joint Committee will begin to operate. Council has already approved the establishment of a Joint Standards Committee made up of three parish Councillor representatives and four City Councillors including a member from each of the political groups represented on the Council. Nominations for the Parish representatives have been obtained through the York Local Councils Association. Council is asked to note that the proposed City Council membership does not comply with the strict proportionality rules. The law allows Councils to depart from the rules provided that no Member votes against the proposal.

Consultation

9. In accordance with the usual process for gathering nominations to available places at the Annual Council Meeting, all party Groups have been consulted on and provided with the necessary information on available places.

Options

9. Options open to the Council are:

(i) to approve or not approve the allocation of seats in accordance with the arrangements set out in Annex A;
(ii) to make the appointments to Committees and other bodies set out in Annex B, or propose alternatives;
Council Plan 2011-15

10. Establishing an appropriate decision making and scrutiny structure, contributes to the Council delivering its core priorities set out in the Council Plan, effectively.

Implications

11. There are no known implications in relation to the following in terms of dealing with the specific matter before Members, namely to consider the allocation of seats and places and the nominations to the Cabinet, Cabinet Leader and other bodies:

- Financial
- Human Resources (HR)
- Equalities
- Crime and Disorder
- Property
- Other

Legal Implications

12. The Council is statutorily obliged to make appointments to committees, advisory committees, sub Committees and certain other prescribed bodies in accordance with the political balance rules. These rules may only be waived where no Member votes against the proposal.

Risk Management

13. In compliance with the Council’s risk management strategy, there are no known risks associated with the recommendations in this report, other than the failure to meet the above legal requirements and the risk of a Council operating with no agreed political management arrangements (in the form of a decision making and scrutiny structure) should Annual Council fail to make any such arrangements.
Recommendations

14. Members are asked to consider the annexes attached to this report and:

(i) Note the constitutional amendments as set out in paragraph 3 and 4 above;

(ii) Agree the allocation of seats in accordance with Annex A; and

(iii) Approve appropriate nominations to Committees and outside or partnership bodies, as well as appointments to Chairs and Vice-Chairs.
