Report of the Night Time Economy CSMC Task Group

Night-Time Economy Scrutiny Review – Draft Final Report**Summary**

1. This report presents the findings from the corporate scrutiny review of York's Night Time Economy (NTE), incorporating the findings from the individual scrutiny reviews carried out by the four standing overview & scrutiny committees.
2. This report also takes account of:
 - The findings from a 'Yorkafter5' survey carried out in support of the review (see paragraph 10 below & Appendix 1)
 - The proposals for a new city marketing organisation -NewCo (see paragraph 17 below and Appendix 2)
 - The ongoing work of Safer York Partnership through their multi-agency task group AVANTE (see paragraph 18 below and Appendix 3)
 - Additional evidence provided by CYC Policy & Performance (see paragraphs 19 - 23 below)

Introduction

3. The evening economy is one of the most important elements of York's local economy. Bars, restaurants and clubs together provide 6.9% of city-centre employment, and contribute almost a quarter of a billion pounds to the city's economy - £220 million in direct spend, which with the multiplier effect amounts to £300 million per annum (the multiplier effect being the additional increase in spending indirectly associated with an initial spend, for example the amount spent on wages for staff leads to those staff spending wages in the city's economy).
4. The table below shows the importance of York's late night economy compared with other places. York has the second-highest reliance on the

evening economy for employment in the UK, second only to Bournemouth, and well ahead of cities such as Edinburgh, Sheffield and Manchester.

Area	Total in Employment in "Evening Economy" sectors (2012)	Proportion of total in Employment in "Evening Economy" sectors (2012)	Percentage point change since 2009

Source: Business Register and Employment Survey 2012

- The percentage of employment in the evening sector is increasing, whereas in some other cities (e.g. Leeds) the level is decreasing. York has long been a popular destination for day-time visitors, but there is an increasing focus on converting day visitors into overnight stays, given the difference in comparative spend.
- According to recent statistics from Visit York, annual visitor spending is up by £163 million from £443 million to £606 million. Visitor numbers have remained constant at 7 million – an estimated 6 million leisure visits and 1 million business visits. Overnight visitors account for the lion's share of the value of tourism, contributing £399m compared to £207m from day visitors (66% v 34%).

7. The previous strategy for the Night Time Economy was written in 2007, with a particular focus on tourism. This strategy is now due for revision, and in light of Visit York's work on increasing the visitor economy, the emphasis of this revision has been on capturing the views of residents.

Background to Review

8. At a meeting on 24 June 2013, this committee considered a number of possible topics for review in this municipal year, including two topics which cut across the remits of all the scrutiny committees (Improving York's Night time Economy, and Impacts of Mental Health). It was recognised that both topics would support the Council's current key priorities in its Council Plan 2011-2015.
9. In July 2013, this Committee received a briefing report on the suggested night time economy theme and having acknowledged its suitability for corporate scrutiny review, instructed each of the Overview and Scrutiny Committees to carry out a NTE related review in line with their individual terms of reference.

Consultation

10. To support the corporate review an online survey "Yorkafter5" was undertaken, running from 14 October 2013 to 29 November 2013. The survey included questions in support of all the reviews, except the health review and the response was good (472 responses). A report on the findings from the Yorkafter5 Survey is shown at Appendix 1.
11. Subsequently, in order to further explore some of those survey findings, the Policy, Performance & Innovation Team held a number of focus group meetings, gathered the views of City of York Council staff, and discussions were held with members of the licensed retail trade – the findings supported the views of the public identified through the online survey, and were reported to Corporate & Scrutiny Management Committee at its meeting on 7 April 2014.

Information Gathered

12. The standing Overview and Scrutiny Committees agreed to investigate the following topics – links have been provided at the end of this report to each of their final reports:
 - Economic & City Development – to encourage longer retail opening hours and enhance evening access in and out of the city centre

- Health – to identify the impact of the night-time economy on the Emergency Department at York Hospital at peak times
- Community Safety – to examine ways to improve the attractiveness and cleanliness of the city centre in the evening
- Learning & Culture – to identify an improved cultural offer up to 8pm in order to extend the tourist day and encourage more tourists to stay for longer or overnight, with a particular emphasis on families

Conclusions Arising From Scrutiny Reviews

13 Economic & City Development

- Whilst evidence showed that residents have an appetite for extending retail opening hours in the city centre, retailers were wary as this was not borne out in support for late-night opening in the run up to Christmas 2013.
- A coordinated approach to changes in retail opening hours would be needed with retailers working closely with CYC and transport operators.
- Any change will need to be properly promoted so residents know when shops will be open and when buses will be running
- As in other cities, special events in the city centre were a catalyst for attracting people into the centre and that should be encouraged.
- The reliability of public transport services was key and those providers were doing everything they could to review their operations to match the demand.
- There appears to be an encouraging level of cooperation between retailers and transport operators and a willingness to work together to promote measures that will benefit the city centre.

14. Learning & Culture

- A partnership approach will be required between cultural and entertainment providers, retailers and transport providers to achieve improvements in the city centre early evening economy, as no one organisation can achieve it alone.
- Increasing the number of events and activities would over time encourage more visitors to come and more residents to participate.

- Better collaboration between existing providers of all sizes is required to increase the number of events being run in tandem, to help generate the critical mass needed and the footfall that retailers and transport providers are looking for to extend their services
- There is a lack of awareness of what is already on offer. Therefore better promotion/marketing is needed e.g.:
 - There is a need in York for more free marketing opportunities and a single, comprehensive listings service or publication
 - the city centre lacks a focal point where residents and visitors can find information on what's on each day
- Some of the heritage and larger cultural venues in York may be suitable for alternative cultural use after their close of normal business which would be one way of helping to bridge the gap between 5-8pm
- a new concept is required, to be run over a number of weeks rather than on consecutive nights in order to create a precedent for visitors and locals to stay in the city centre in the early evening

15. Community Safety

- The negative impact on the cleanliness and attractiveness of the city centre created by both the presentation of city centre businesses commercial waste and the inappropriate distribution of flyers etc needs addressing as a matter of urgency if the Council is to improve the aesthetics of the city centre and help reduce opportunities for anti-social behaviour.

16. Health

- While the Committee recognised the adverse effects of alcohol consumption on the work of health partners and the patients they are caring for, it was not possible to identify where the alcohol was being consumed although there was some anecdotal evidence from Street Angels of people preloading before coming into the city centre.
- The huge influx of people frequenting licensed premises in the city centre at the weekend was having a significant bearing on the hospital attendance figures – particularly alcohol related attendances.
- The high number of alcohol related attendances at night was putting an unnecessary strain on hospital staff, their time, beds and cubicles, and waiting times at the Emergency Department and on the Ambulance Service.

- The cost of running a local alcohol awareness campaign could not be justified given the number of wide-reaching national campaigns
- The ongoing problem of broken glass in the city centre as a result of anti-social behaviour needed to be addressed.
- The value of the good working relationships between the key organisations including Police, ambulance staff, Street Angels and door staff, working in the city centre was acknowledged.

Additional Information Gathered

17. To support the Committee's consideration of the recommendations arising from all of the reviews, information was provided regarding the proposals for a new city marketing organisation (NewCo) being developed to build on the way York is promoted as a visitor destination and business location. A report setting out the specific productivity challenges the city faces went to Cabinet in November 2013, recommending the development of a number of new approaches to attracting investment. One of which was a new approach to delivering marketing, culture, tourism and business development for the city. The Corporate & Scrutiny Management Committee considered the detailed aim and outcomes for this new approach at its meeting in March 2014 - see Appendix 2.
18. In addition, as none of the reviews focussed specifically on anti-social behaviour in the city centre and its effect on the night time economy, Corporate & Scrutiny Management Committee received a detailed report on the work of Safer York Partnership through their multi-agency task group AVANTE - see Appendix 3.
19. Finally, in early April 2014 the Committee received a supporting report from CYC's Policy, Performance & Innovation Team detailing the work already underway/planned in York to help address some of the issues identified by the scrutiny reviews.
20. For example, in regard to retail opening hours and transport, the Committee were informed of:
 - Development work in the Micklegate Quarter, including a memberships scheme, retailer discount, work on attracting new businesses, including new cafe
 - A review of the council's Markets strategy to increase offer/ positioning/ footfall, aligned with investment through Invigorate York

- A commercial study commissioned to look at overnight accommodation needs for the visitor economy
- Trustees Saving Bank award application for digital innovation in the high street
- Fashion City York – events scheduled for May 2014
- A review of car parking fees and a trial of a pay-on-exit barrier to be installed at a pilot site - the cost of doing so means that the effectiveness will need to be tested before further roll-out.
- Ongoing work with the Quality Bus Partnership, including activity to make bus fares more affordable via through-ticketing and weekly tickets
- An investigation of the use of different media for ticketing such as smart phones or smart cards
- Bus interchange works
- Bus network review
- itravel – increasing awareness of different modes of transport and their availability
- Reinvigorate York proposals to extend foot street hours to include Fossgate, to make walking an attractive option.

21. In regard to cultural opportunities in the early evening, the Committee learnt that:

- Visit York has adopted a new visitor strategy, which includes the promotion of York as a year-round city, using the many festivals in the city as part of the strategy.
- This year in particular there is a programme of events leading up to the Tour de France.
- The WoW partnership is looking to embed cultural strategy within economic plans.
- Reinvigorate York is improving outdoor spaces currently used as open-air performance spaces e.g. King's Square.
- The Guildhall is being developed as a centre for digital arts, and could form a suitable venue for early evening digital arts events

22. The report also provided information on lessons learnt from elsewhere and examples of good practice that may be transferable i.e.:

- Norwich's "Head Out Not Home" campaign, aimed at workers in the city
- Norwich has set up a "Norwich Evenings" Facebook page as the official source of information for evening entertainment, where other Facebook users can post details of their events

- Oxford's "Alive After Five" campaign included work with retailers to extend opening hours in the city centre, and an increase in evening bus services (including the Park and Ride to 11.30 pm on Fridays and Saturdays)
- Hull undertook a review of city centre street lighting, increasing lighting in certain areas to improve perceptions of safety
- Colchester has a non-profit volunteer initiative called "Slackspace" that uses empty premises as community art spaces, some of which are open in the early evening to capture the post-work visitor.

23. Finally, the Committee were informed that some local authorities have introduced Business Improvement Districts (BIDs); others have successfully achieved Purple Flag Status - a quality kitemark for evening safety which assesses a range of criteria including appeal, attractiveness, cleanliness, and culture. In the course of accreditation, cities need both private and public sectors to work together to promote a safe environment.

Concluding the Work on the Review

24. In March 2014, Corporate & Scrutiny Management Committee set up a Task Group to consider all of the evidence gathered and the findings from the individual scrutiny reviews. The Task Group met twice during late March / early April with the intention of considering the recommendations arising from those reviews and looking at how best to package those recommendations, in light of the additional information provided.
25. The Task Group acknowledged that the evening economy in York was flourishing later into the night but recognised there is a disconnect between day and night. With this in mind they were pleased to note that many of the arising recommendations were aimed at addressing the dead period in the city centre between 5 – 8pm.
26. They accepted that based on the remit set for the corporate scrutiny review it had not been possible for the Health Overview & Scrutiny Committee to directly review issues affecting the city's night time economy. However, they recognised that many of the Health Committee's findings were related to alcohol and anti-social behaviour in and around the city centre which for many is seen as being a barrier to people visiting the city centre at night. The findings from Community Safety Overview & Scrutiny Committee also addressed factors that increase opportunities for anti-social behaviour, which it felt could be dealt with through a co-ordinated approach by CYC services.

27. The remaining two Committees focussed on improving the city centre economy primarily between 5pm and 8pm and the Task Group agreed with the overall view that without a coordinated approach to extending retail opening hours, public transport availability and parking, and cultural opportunities, it would not be possible to achieve significant and sustainable long term improvements.
28. The Task Group also noted the partnership arrangements of the new marketing organisation, recognising that the Council would not have sole control in setting its specification.
29. With all of that in mind, the Task Group acknowledged the hard work of all the overview and scrutiny committees and agreed to make four key recommendations:
 - i. That CYC Economic Development Unit work with partners to introduce a pilot scheme in the Coppergate Shopping Centre area on Friday evenings, incorporating the following elements:
 - Extended retail opening hours until 8pm.
 - Extended opening hours for Cultural offer providers in and around the centre until 8pm
 - Opening hours for a number of Park & Ride sites be extended to 8:30pm during pilot period
 - The Council's city centre car parks to be free to residents from 5pm (instead of 6pm at present) during pilot period
 - Opening times of CYC secure city centre car parks be extended until 8.30pm during pilot period
 - A marketing and promotional package be developed in support of the pilot scheme
 - Buskers and street entertainers be encouraged to perform in open spaces in and around Coppergate Centre during the pilot period
 - Pop-up market stalls and food outlets to be encouraged to trade in the Coppergate Centre during pilot period
 - ii. That the Council, Safer York Partnership and health partners investigate the establishment of a city centre treatment and recovery centre to operate on Friday and Saturday nights to provide both clinical care and a place of safety

- iii. In an effort to improve the city centre aesthetics and help reduce opportunities for anti-social behaviour, CYC Officers in Public Realm, Waste Services and Legal Services work together with Safer York Partnership to identify an optimum way of preventing city centre businesses from presenting their commercial waste on the streets between 7pm - 6am.
 - iv. In regard to the new city marketing organisation currently being proposed for the city to promote inward and visitor investment - following its formation, NewCo to liaise with city centre businesses and relevant cultural providers to assess the success of the pilot - see Recommendation (i), and assuming a level of success:
 - a) Formulate a plan for a staged roll out across the city
 - b) Work with relevant city centre businesses and cultural providers to develop promotions and advertising that promote the early evening economy between 5-8pm.
30. To encourage a more joined up collaborative approach to cultural/retail provision in York in the future, the Task Group also agreed to recommend that:
- v. NewCo consider including within its specification:
 - A sub-strategy for helping to develop smaller festivals and supporting independent promoters to assist them in progressing new ideas, including providing and/or signposting possible funding for promotion/marketing.
 - Encouraging all heritage, cultural and creative providers to work collaboratively and share information.
 - Investigating the development or commissioning of a comprehensive listings service / publication.
 - Encouraging city centre businesses and attractions to clearly display their opening and closing times for each day of the week.
 - Promoting the use of the city centre's open spaces for a more diverse range of open air performances in the early evening period.
 - Encouraging Festival providers to extend the running times for Festivals and markets to cover the early evening lull up to 8pm,

and encourage Buskers and street entertainers to perform throughout that period.

vi. Cabinet to:

- a) Encourage relevant parties to support the revival of 'dry' discos for young teenagers, whilst recognising and addressing the reasons for their demise, in particular the issue of safety outside venues.
- b) Instruct the Sustainable Transport Operations Manager to invite Park & Ride operators to consider later closing times of two Park and Ride sites either side of the city, subject to the assessment of the pilot scheme
- c) Instruct officers in Public Realm to identify the best option for dealing with the use of flyers in York - either a flyer consent scheme or a No-flyer Zone
- d) Encourage York's heritage and cultural venues to offer up their spaces for use by York's other smaller independent entertainment providers (and by those based elsewhere in the country), outside of their normal opening hours,
- e) Introduce of a number of high quality managed poster boards, strategically and sensitively placed throughout the city centre, in line with planning and heritage guidance

Council Plan

31. The corporate review supports the following priorities identified by the Council in its Plan for 2011-15:

- Create jobs and grow the economy;
- Build strong communities;
- Get York Moving;
- Protect vulnerable people.

Implications

32. Specifically in regard to Recommendation (i):

- **Financial –**
 - Extending the opening hours for Park & Ride sites to 8:30pm during the pilot period - First York Ltd has provided approximate figures which would suggest an additional cost of £2.5k for an

extended service on a Friday evening only for the 12 week pilot period – First York can provide a more detailed breakdown if and when required.

Outside of this First York Ltd has already taken the decision to extend the running times of the Monks Cross Park & Ride site in line with the opening of the new Vanguard shopping centre on 13th April 2014:

- Extended Service will run Monday to Friday;
 - First bus from town to site - 6:30am;
 - Last bus from town to site - 9:05pm
 - Last bus from Monks Cross through Park & Ride site and back into town - 9:33pm.
 - Site will close once the last bus has left the site.
- Extending the opening times of CYC secure city centre car parks until 8.30pm during the pilot period could be achieved within current resources.
- Taking five random Fridays from last year and looking at the average impact on income by bringing forward the evening parking for residents to 5pm (instead of 6pm at present), the lost income for the parking account would be around £160 per day x 12 weeks – approximately £2k. If this were limited to just Piccadilly and Castle car parks, the lost income for the parking account would be around £60 per day for residents.

Legal – Implications information has been requested from a Legal Officer and will be tabled at the meeting.

HR & Other – There are no other known recommendations.

33. Should Recommendations (ii) & (iii) be approved, the financial and legal implications associated with the establishment of a city centre treatment and recovery centre and the introduction of alternative arrangements for commercial waste presentation will be fully investigated and reported on.
34. In Regard to Recommendation (vi – e) There will clearly be costs associated with the introduction of a number of poster boards which will need to be fully evaluated as part of the procurement process.
35. There are no other known implications associated with the recommendations arising from this review.

Risk Management

36. In regard to Recommendation (i) - There will be an element of risk to all those involved in the pilot as there is no guarantee it will attract the necessary additional footfall to make it viable. However full and proper promotion and marketing of the recommended pilot scheme, will help to mitigate that risk.
37. Any risks associated with the remaining Recommendations will be identified as part of the required investigative work.

Recommendations

38. After taking into consideration all of the information contained within this report, its annexes attached, and the individual review final reports (viewable on the Council's website), the Corporate & scrutiny Management Committee is recommended to:
- i. Note the contents of this report and all the supporting documentation provided in support of this review
 - ii. Agree any changes required to this report prior to its presentation to Cabinet in May 2014
 - iii. Agree the recommendations to be made to Cabinet in May 2014

Night Time Economy Corporate Scrutiny Review

Findings from 'York After 5' Survey

1. There were a total of 472 responses to the 'Yorkafter5' survey. For those we have the following equalities breakdown:

Gender: 395 provided their gender
(77 did not respond)

Age: 388 provided their age
(84 did not respond)

Ward: 342 provided a complete postcode which can be matched to a York ward. An additional 53 respondents provided a partial postcode which can be identified as York but not to a particular ward (77 did not provide a postcode).

Responses to Generic Questions

2. Qu.1 - Do you use the city centre after 5pm?

There were 469 responses to the question. Of those, a majority indicated that they use the city centre between 5pm and 11pm, with 44% using the city centre at some time between 11pm and 5am.

	<u>5-7pm</u>	<u>5-8pm</u>	<u>8-11pm</u>	<u>11pm-5am</u>	<u>Do not use</u>
Overall	51%	75%	89%	44%	6%
Male	48%	75%	84%	51%	5%
Female	56%	78%	80%	38%	4%
18-25	54%	64%	85%	84%	1%
26-35	55%	75%	85%	43%	5%
36-45	48%	84%	79%	38%	6%
46-60	56%	80%	77%	26%	7%
60+	31%	83%	83%	0%	3%

3. It should be noted that a proportion of the people who responded positively to using the city centre between 5pm and 7pm and 5pm and 8pm could be making their way home from work in the city centre.

4. Qu.2 – Why do you to visit the city centre after 5pm?

There were 452 responses to question 2. Responders were given a number of options and asked to tick all that applied:

	<u>No.</u>	<u>Social</u>	<u>Cultural</u>	<u>Business</u>	<u>Other</u>
Overall	452	92%	72%	16%	8%
Male	186	89%	69%	19%	11%
Female	198	93%	79%	12%	6%
18-25	93	98%	67%	19%	8%
26-35	101	94%	76%	17%	8%
36-45	77	94%	78%	12%	5%
46-60	78	92%	74%	14%	12%
60+	28	57%	79%	18%	11%

5. In regard to the 8% (35 responders) who indicated 'Other', the following reasons were indicated:

- Shopping/banking
- Attending Meetings

- Live in the city centre
- Commuting
- Work
- Fishing
- Transporting others in and out of the city centre

6. Qu.20 - In your opinion, what is good about the city centre and the activities in York after 5pm?

There were 284 responses to question 20 - specific feedback is shown at Annex 5.

7. There were many positive comments about the city centre including its attractiveness, its compact nature, the large variety and good quality of its restaurants and bars, its safe and friendly atmosphere up to 8-9pm, and its uniqueness. Whilst specific annual one-off events were mentioned, some negative comments were made regarding the city centre's lack of evening activities for families, lack of evening coffee bar culture, and the limited number of alternative activities outside of visiting bars and restaurants. Some respondents liked the fact that the shops were closed after 6pm highlighting that it resulted in a more relaxed atmosphere in the city centre. Whilst others thought shops opening later would encourage city centre workers to remain in the centre and partake in the rest of the evening offer. A small number expressed the view that there was little or nothing to do in the city centre in the evening and that the city centre was dying. Also that the current offer is mainly aimed at tourists and not residents.

8. Qu.21 - Suggestions for what might improve your use or enjoyment of the city centre?

There were 286 responses to question 21 – specific feedback is shown at Annex 6. Many responders suggested similar improvements –see summary list below:

- Less drunk people
- Shops opening later
- More non-alcohol related things to do
- Later Park & Ride services
- More open air activities
- Transport improvements including cheaper buses and free central parking in the evening
- Improved lighting
- Cleaner streets
- More visible policing
- Attractions open later
- Coffee shops and cafes staying open later

Questions Specific to Economic & City Development Overview & Scrutiny Committee NTE Review

Annex 1

What new social and cultural activities/events would encourage you to visit the city centre after 5pm?

1	Perhaps some good talks.
2	Been able to drive around MY city
3	Concerts and other music events
4	Quality restaurants
5	Galleries, jazz
6	Any events would be welcome. Evening events are few and far between and when they exist they tend to be poorly advertised
7	More cafes open as opposed to bars
8	Open air music events in the parks and gardens, either live or on big screen. Major sports events on big screen in parks and gardens.
9	Arts centres/galleries open late, more live music venues
10	Anything different, new or unusual
11	Music concerts, cinema, comedy
12	Shops open later, an adult adventure playground near the city centre, night events such as street entertainers.
13	I don't need any more encouragement! Perhaps I'm the wrong person to be doing this survey...
14	Coffee shops being open ie non alcoholic drink venues
15	Better live music. Better variety of clubs.
16	Longer opening hours in shops and banks
17	Shops and cafes open late
18	Fairs and late night markets.
19	Shops open later?
20	Fruit & veg market in early evening hot food market like Singapore hawker centres, concerts or theatre in unusual venues street artists
21	Music events (Oxjam style), promenade theatre, secret cinema, pop up shops and cinemas.
22	Shops open longer, more choice in cinemas and theatre shows.
23	Events in the gardens Fairs, fireworks
24	Late night shopping, art galleries/museums opening late some evenings, more theatre

25	Later shopping!
26	Live music venues
27	Outdoor cinema in the summer,
28	Open air theatre, night market, gigs
29	Evening cycle racing
30	Street performances/ events
31	More pubs serving food later than 8pm to avoid the need to visit restaurants for food.
32	More night markets and outside activities such as Blood and Chocolate
33	Festivals, fireworks, street performances
34	Concert venue suitable for bigger-name musical artists (comparable to locations in Leeds) More casual food options (i.e. not sit-down, table reservation-style) open later
35	There should be more non-alcoholic places to go. There are a lot of new international students that arrive at York and we don't drink. If we don't want to drink then we don't have many places to go. The only things open are pubs. Nowhere to really socialise.
36	Music concerts
37	Bazaar
38	Cheaper drinking.
39	Clubs, themed nights, open mic evenings, karaoke, open air cinemas, bar crawls, theatre shows (all at student prices)
40	More live music events
41	Less chain bars and pubs, more unique
42	Coffee shops open until 7 as want a coffee but restaurants and pubs not ideal.
43	Shops staying open later
44	More lectures and exhibitions. Also more art-house type film shows.
45	Jazz club Larger salsa/dance venue Arts centre activities Late night shopping
46	Evening open air barbecues, food stalls, etc. Festivals. Firework displays.
47	A better bus service in the evenings would help
48	More cultural activities

49	Ones that celebrate the history of York and are sympathetic to its cultural heritage. It's easier to say what should NOT be encouraged, namely: - stag and hen parties - loud music venues - places that encourage excessive drinking
50	More events such as the light shows and outdoor events (sports, theatre, etc.)
51	Free parking
52	Shopping
53	A decent nightclub for a more discerning clientele!
54	Better music venues
55	I would love the art gallery (when reopened) to do a late evening once a month or something, like some of the big museums like the V&A, Met Museum of Art etc. I know these are massive institutions in large cities, but I believe there might be a market for some sort of paid entry evening event that is cultural, rather than booze based. I would go.
56	More festivals and musical events. It's difficult to find the time to visit things such as food festivals, farmers markets etc. when you work full time. Weekends get taken up by other things most of the time
57	Better shop opening hours, so can go shopping after work. More places to go to relax or meet friends that don't involve alcohol - more coffee/tea lounges open. Events like Illuminating York and food festival are brilliant after 5 activities.
58	I wish coffee shops were open later in the evening.
59	Outdoor activities in summer
60	Visual art, music, some disposable income
61	More theatre and concerts. Premises that provide for non alcoholic drinking - such as coffee bars. The provision of late(r) closing of coffee shops might also encourage some to go for coffee after shopping rather than straight to drinking - with less drunks wondering around in the early evening.
62	More cafe type venues and late night opening shops - I'd like to be able to socialise after the shops are shut but do not particularly like the atmosphere of pubs, especially on a Saturday night when York has a surprisingly 'rough' atmosphere. The assumption that we all want to get drunk is very annoying! Visits to America always make me envious that you can meet friends in Starbucks, book shops etc after work. We used to have Borders for that but not anymore. York tends to have a dead atmosphere after 6pm in the week and a horrible drunk atmosphere at the weekend!
63	More cafes open, perhaps with singers more for over-30s

64	Shopping
65	New festivals, new music and new theatre. Outdoor productions that make the most of York's historical architecture in a new way.
66	More late night cafés. Fewer bars. More free wi-fi. Places to while away an hour waiting for friends
67	Late opening shops
68	More festivals, markets and events like Blood and Chocolate
69	Well lit cycle ways, secure well lit cycle parking, not tripping over piles of retail waste left on pavements to be collected by council the next day
70	Outdoor events in summer evening shopping events
71	Art/museum late openings. Live music.
72	Later opening of cafes and coffee-shops.
73	Fashion/music shows
74	One-off events e.g. Illuminating York
75	Swimming pool. Continental style street cafes (outdoor heating).
76	More activities in Parliament Street (e.g. as per food festival) would be good, but activities finished too early (9pm) this year.
77	New? Why new?
78	None
79	Concerts, talks, events
80	Reduced bus fares into York
81	Shopping
82	More cafes open after 5pm, not just bars and pubs.
83	More music events, more restaurants.
84	Arthouse cinema
85	I don't know what new events would bring me in but I like to come for the festivals and evening fairs and markets
86	Food and drink festivals staying open later in the evening Street theatre and music events Shops open later
87	More late night cafes, street performance - music/theatre
88	None. York already has enough venues, bars, activities and events in the evening.
89	Outdoor events/exhibitions, Christmas markets in the evenings,
90	More music events/gigs, perhaps better jazz nights or evening fairs/markets
91	Late night shopping Food markets
92	Better clubs/bars - fewer like Salvation/Tokyo

93	More places I could drop in to with my daughter (and occasionally the dog!). Unless we are going out for dinner the city centre shuts down at 5 for families. More street food, places to buy snacks/puddings open till 8 like on the continent, markets (food festival/continental etc) open till 8. Late night shopping monthly.
94	Music events / festival.
95	New and different variety of events like the minster in light was good
96	Late opening shops and cultural offers.
97	More bars that open very late and offer something different. Seems to be an odd running trend of bars blasting music louder than conversation. These are all bars without dance floors, so why do they make it so hard for people to converse in them? Often end up hanging outside in the freezing cold smoking section (I don't smoke) just to chat. Sotanos has been a much needed addition to the evening drinking options, although it is expensive and it would be good to see cheaper alternatives.
98	Bands, festivals, fairs, exhibitions
99	More non alcohol options open late, more late-night cafes. More cultural events that use city centre space and create different social dynamics
100	Outdoor seating for bars and restaurants, for a more lively feel!
101	Markets Indie popup shops Music
102	I'd like to see the Arts Centre resurrected.
103	Late night shopping!!!
104	Free live music.
105	In summer more late night cafe style bars with outdoor eating
106	Happy with the current offer
107	Late night museum /gallery openings Art events like Illuminate York. Minster events
108	Family events such as Illuminating york
109	More buskers/entertainers, more outdoor eating areas. Restrict traffic to make it family friendly. Discounted buses for local residents after 6pm.
110	Shopping
111	Evening events such as comedy nights, book signings and late opening cafes.
112	More things like Illuminate York
113	Fireworks back in Clifford's Tower

114	Late night markets (themed one), pop up bars and restaurants as well as city wide open-air festivals (that are accessible - not too high minded)
115	Late shopping opening times. Outdoor concerts. Markets.
116	More cultural events such as the recent Blood and Chocolate, the light display or musical events
117	Less buses so I can get there
118	I already do visit the city centre after 5pm, but it would be good to have more shops open later.
119	Cinema, pubs, restaurants, gigs, would go more often if there were more on
120	The short film festival is very good model. Businesses diversify by screening the short films.
121	Festivals, open air events
122	Evening markets. Events during the week for those who work weekends
123	Late opening museums
124	Later markets in city centre
125	Pubs serving food after 9.
126	Festivals, evening markets, open-air cinema / theatre
127	More retail and cultural offerings open later to offer alternatives to dining and drinking culture
128	Comedy mid week, live music, lectures
129	Music events, historical
130	More good dining More like Blood and Chocolate. Shops open later
131	National or sports events
132	Buskers and late street markets
133	A new nightclub or night time attraction would be good for York. Another cinema in the city centre, also more night-time activities like the illuminations are good at pulling in visitors and tourists and boosting up the economy in the area.
134	More cultural entertainment, music, arts, exhibitions. Shops open.
135	I would encourage more events for a wider range of people so that the venues do not become unbearably crowded.
136	More family friendly non threatening activities like recent Illuminating York, Blood and Chocolate etc
137	More displays in the style of Illuminate york

138	Places you can go for a coffee and sit and chat easily with friends without having to shout over bar noise/music etc
139	Better theatre and bands. York seems to only attract third rate performers.
140	Reducing the number of stag/hen parties. I won't go into town at the weekend because it is so noxious.
141	A comedy club
142	More live music, in particular open air in museum gardens. Why not a last night at the proms; brass band or even local bands.
143	Outdoor theatre productions
144	More activities like Illuminating York - it was good to see so many people/families enjoying our beautiful city
145	Non-alcohol related. We've dozens of coffee shops - some should be open later
146	Shops and cafés to stay open later
147	Book events with authors?
148	Generally I like gigs and nightclubs. There are a good number of both live music venues and nightclubs in York, but not lots of variety. When visiting other cities - for example Leeds, Manchester, Liverpool - there are whole pedestrianised nightlife areas which feel safe and vibrant places to be. Swinegate in York has something of this vibe, but I can see potential for this in other areas, particularly the area around Micklegate, Toft Green, Rougier Street.
149	Folk clubs, pub quizzes, theatre
150	Multiplex cinema, large comedy club
151	Shops to be open for longer to compete with Monks Cross, Pavement cafes to stay out for longer into the evening and more of them.
152	If there were more cafes serving coffee/hot chocolate/ice cream/light meals. I came to the Illuminations on Wednesday and we couldn't find any where other than pubs or bars to go for a drink - Betty's was open and very busy, there was City Screen but I didn't remember this at the time. We thought Costa Coffee or Cafe Nero might have been open given the special event that was taking place but they weren't. I was very disappointed that I couldn't find anywhere to sit and have a drink - I have difficulty walking and standing for any length of time and in the end we went to a pub. I enjoy City Screen and the odd concert or book reading at the library but don't really go to any other events - if there were any galleries open that would be somewhere to go too. I'm not keen on the loud behaviour later on in the city so tend to say away
153	More shows at the theatres.

154	I think York has most things covered I am interested in.
155	Shows/ early evening time buskers
156	Shops open
157	None. It's not a place we'd want to be after 5
158	Alcohol free venues - to encourage more divers, groups to socialise together, e.g. more coffee bars serving drinks and light meals in the evening. There are bars serving coffee etc., but those who are unable to use venues serving alcohol (e.g. for religious/cultural reasons) are excluded. Also, tourists to the city expect more variation in venues to encourage them to use evening venues - sometimes visitors looked shocked on our streets at night. A more diverse economy would discourage the extremes of alcohol fuelled behaviour.
159	There are already a lot of things to do after 5 in the city centre
160	A better selection of social areas that cater for more mature people and that are child friendly. I think a lot is focused on young people and elderly people. But if you are like myself in your 40s then it lacks in many areas. York has restaurants in abundance, but I don't eat out very often, its too expensive. So I'm left with Micklegate - wouldn't take a dog that side after 5pm, or bars like Kennedy's - grossly over priced, snobby and for the under 30's. Where in York caters for my age group?? It's lagging behind other cities, I would rather go away for the weekend and socialise elsewhere, or have friends round to my house than have a night out in the city I live in. Sad really!!
161	More theatre and culture.
162	Live music events.
163	More good quality pubs
164	Nothing
165	Ones that are child friendly
166	Covered markets/arts or music events such as run by The Arts Barge
167	Food events and festivals. Tasting evenings and live music. Christmas market
168	Shops staying open later - less alcohol related entertainment
169	Places to socialise and congregate in the dry without money grubbing Northerners around every corner demanding half of our student loan for poor service and alcohol we could just as easily go down to Asda and buy
170	Events at bars/ restaurants and landmarks
171	Outdoor plays/music/shows. Places to eat. Places to sit and chill with friends without a clear obligation to buy something.

172	Better evening bus service (back to Selby). Less drunkenness on the streets, can range from unpleasant to intimidating, even early on. Not having to come to work the next morning :-)
173	Later opening cafes, music events
174	More open air theatre/events like Illuminating York, free cultural events
175	A swimming pool
176	Good sized music entertainments centre
177	Large screen TV events
178	Live bands.
179	If my bus service ran past 8pm, and was more frequent than every 30 minutes at the best of times, far worse at less ideal times.
180	More music
181	More art/cultural places to be open
182	Late markets-outdoor theatre/music -buskers into the evening Outdoor cafes in dry weather
183	Open air theatre during the summer/early autumn, like the recent Blood + Chocolate. Themed events/lectures/discussions on York related issues eg history. The cost of these things would be a major factor, and keeping it reasonable would probably require a lot of sponsorship from commercial bodies.
184	Better retail facilities. Cultural activities starting earlier, more family friendly events, Late night specialist markets, more learning facilities in city centre rather than out at schools
185	Music events theatre etc. Shops being open until 8 pm as on the continent
186	Shops open later, more free/open events. Late closing of the special markets?
187	Theatre, concerts, cultural events

188	<p>More family friendly activities such as the Illuminate York or the Blood + Chocolate show or even just that shops open longer. Events that discourage the hen and stag dos and make the city centre a nicer place to be for the entire family. I finished a meeting at York St John last week at 5pm, walking back to my office on the other side of town I could not find one independent coffee shop to stop for a drink, why is this? I don't want a clinical coffee from a chain, all those lovely coffee shops on Gillygate and not one was still open! Why do shops not realise that if they stay open people will stop on their way home from work and spend? Recently we were in Spain and in an evening whole families are out enjoying the city. We come back to York and despite this being such a tourist hotspot after about 3pm in an afternoon the city is full of drunks, making it a nasty, intimidating place to be. Coming back to York from holiday I realised if I was visiting I would be disappointed by York's evening offering.</p>
189	Festivals, alternative markets open
190	<p>An extension of the Illuminating York festival with temporary light art installations, more social activities for young adults in the city besides drinking - this could include video gaming societies or other such hobbies and clubs, and any interesting retail opportunities that could be opened during this time.</p>
191	Special events
192	<p>More events at the library or more family focussed events. We currently nearly always come in after 5 just to go to the cinema or the theatre, very rarely go out to the pubs and restaurants</p>
193	<p>Events in the newly refurbished Parliament Street, especially family orientated events, outdoor theatre of some sort.</p>
194	<p>I would really like to see the shops/cafes stay open later. Especially from April to Sept/Oct. I am often in town after the shops have closed and there are so many people and tourists still wandering around. There could be a really nice later evening atmosphere in town if the whole place stayed open later. Make a shopping/cafe culture that could rival the boozy hen/stag culture that is growing.</p>
195	None

196	York already has a really strong presence in terms on festivals and theatre, but it would be nice to see more of this. Site specific performances in unused buildings for instance (subject to health and safety) would help to make use of these sites and would give residents a reason to visit them. More child-friendly activities in the early evening would maybe also prove beneficial - if these are available already then I don't know where to find them (Full disclosure I've only been living back in York for 4 weeks). I remember a few years ago there was a lovely arts project which projected coloured lights onto the ground opposite Coopland's bakers in town - everyone loved it and it just made using the city more fun. On a personal note it would be really great if there was a non-alcohol serving coffee bar or something which opened until later on in the evening (10pm?) as I don't always want to drink, but after a certain time there are limited opportunities for friends to meet.
197	Less hen and stag parties and drunken people would entice us back into the centre.
198	Keeping the park and ride open later even with a skeleton service
199	Bars with a Parisienne feel
200	Social activities that do not include the York drunks.
201	Things suitable for families, in a warm dry environment and away from pubs!
202	Events such as Illuminate York
203	More comedy club type activities, such as the Hyena cafe in Newcastle which has a wide range of attendees and keeps an eye out for any troublemakers which are escorted out.
204	Night markets and other attractions that allow all of the community to get involved: http://www.standard.co.uk/goingout/attractions/nighttime-food-markets-in-london-8709621.html There is far too much emphasis on meeting the demand of a small section of society at night for example...18-25 year olds / tourists / stag do's. Local events such as ire, vibes and other music nights put on by the working men's clubs are thriving and do not cause trouble or even have bouncers. These venues are crying out for fresh faces and desperate to find ways of engaging the community. So we have venues, workers and talent available - what is stopping our city become more diverse at night????
205	A wider variety of cafe bars and restaurants which are not targeted at hen parties and stag dos

206	I enjoy the family events, such as the forthcoming event in Museum Gardens 5.30-6.30 about outdoor and night-time subjects. Festivals etc.
207	Drive in movies/outdoor screenings Free events
208	Concerts
209	Larger pubs with more entertainment going on in them - like in Newcastle. More well-known names at the theatres instead of the old ones. Restaurants with entertainment or something going on
210	More live music - jazz - classics - gospel - acoustic more affordable drama
211	None
212	There is already plenty of activity
213	Late night outdoor cafe areas in the summer, more live music events in small venues and an ice rink in the winter.
214	More live music of all varieties.
215	Nothing
216	Recent events like Blood and Chocolate have been great - more creative and imaginative than usual. More art events. More music events
217	Open air evening concerts, evening markets
218	Events in the city Centre
219	The City is becoming increasingly popular for stag and hen parties on weekends. From 3pm the streets are full of drunken people which is very intimidating especially if you have a small family. I don't visit the City after 3pm on a weekend if I'm with my family. Last week I visited the theatre with my grandmother and we went for a quick drink prior to this, it was very uncomfortable in the public house as there were lots of drunken people. I find it a great shame York is getting a reputation of a good place to drink. The difference between York and say, for example, Nottingham is the size. York can't accommodate tourists, visitors and drinkers together, we don't have the space. Other cities have different places for drinking, visiting and shopping, in York we mix all three together very badly.
220	I think the range of organised social/cultural events is good, and there are plenty of venues for these types of 'curated activity'. What we lack are spaces for groups to gather and meet after work that aren't restaurants or pubs. You would be hard-pressed, for example, to find a coffee shop that was open after 5pm; the only exception being a handful of chains open till 6 or 6.30.

221	I think the level of social and cultural activities and events is quite good. What would encourage me to visit the city centre more and stay after 5pm would be a reduction in the often aggressive and drunken behaviour that is present after 11pm.
222	More "must see" events like Illuminating York and the Blood and Chocolate shows. Also, late night opening for shops in the summer would be a boon.
223	Cafes open later
224	Evening market. Shops open. Open air activities during the summer months.
225	Evening shopping Cafes open till 9pm More arts type events
226	The town centre is geared up far too much for students and tourists - I don't want to spend my evenings sitting in a pub or restaurant full of drunken 18 yrs old. Where's the encouragement to locals to come out
227	Late night opening shops and cafes
228	Cinema, sporting events, musical events, theatre.
229	A nightclub that doesn't allow 12 year old in. A decent cinema chain (not Picturehouse). Better parking to the north and west of the walls. It's abysmal.
230	Night time markets
231	Family friendly eating. Cafes and ice-cream parlours. Continental markets food festival etc.
232	Sections of the city with better policing of acceptable behaviour - sometimes York doesn't feel particularly welcoming at night (beggars, drunks, etc.)
233	More productions like Blood and Chocolate, Illuminations. Later shopping in summer, live bands and musicians, various types or themes in evenings eg Parliament Square eg a jazz week a folk week etc
234	More real ale pubs and cheaper restaurants.
235	Music events, evening markets, Christmas carols, winter wonderland
236	More live music
237	I go for cinema and theatre and to eat out mainly
238	No idea
239	Theatre, outdoor theatre, art projects, museum special events
240	Shops and markets open after 5pm to complement the bars, cinemas etc. and late night buses to take us home safely.
241	Cultural activities, with a provision for parking

242	Parliament Street Market, Farmers Market, Outdoor music dance
243	Shops, cafes (tables outside) and museums open later. Street entertainment.
244	More music, bands, opera, ballet things like that, and some better venues
245	A full time LGBT venue
246	A proper music festival somewhere suitable for wheelchairs
247	If its not a regular night out I only come into the city at night for things such as Illuminating York or the festival of angels, these outdoor / street events are most interesting to me
248	None. I would be encouraged to use the city more at night if it wasn't full of drunks.
249	Better resident parking and access to city centre is the only thing we need.
250	Clean streets and many fewer drunks
251	More music / bands maybe
252	Live music
253	Wider range of better (non-chain) restaurants. Pubs (rather than bars/clubs) open after midnight. Wider range of more challenging theatre.
254	Theatre, cinema, eating, drinking, social
255	Better live music venues with better music. We often don't visit pubs in the city centre at the weekend due to being unable to get in on account of copious amounts of stag and hen dos. We'd spend more time in the city centre if we could get around that.
256	Early evening cultural events Evening classes that start at 5.30 or 6 pm
257	Cheaper bus fares
258	Longer retail opening hours or additional late night shopping nights. More fun activities e.g. bowling. The Ice rink at Xmas should be brought back into the centre. Some of the special markets could be run in the evening to encourage more visitors. Street plays etc

91	How late it is. Whether I'm drinking.	Heworth

92	The bus timetable is a big deciding factor. I much prefer to travel in to the city by bus, but the lack of availability for a late night bus for the return journey makes this impossible, so I either choose to drive or to go somewhere more local. I live near Selby and my last bus is 6.30pm during the week, with only 1 late bus on a Saturday (11.00pm) with more cuts in the future this will make it even less likely that I will choose to travel to York in the evening. The trains suffer for the same time tabling issues.	N/A

228	Plans for evening - drinking etc	Clifton
229	I live close to the city centre so always cycle or walk. However, why does the Park & Ride shut so early?? If you want to go to the theatre, see a film or have a meal later than 7pm, and use the Park & Ride you can't. Many friends who work in the city centre and use the Park & Ride are frustrated by this. Surely the car parks (and the bus services) should operate until at least 11pm! Otherwise, people are deterred from the city centre in the evening, or park in the city centre, adding to congestion.	Micklegate
230	Poor bus facilities and over priced taxis.	Clifton
231	I live close to York	Holgate
232	Weather. Bus frequency and reliability	Huntington & New Earswick
233	Car parking is awful expensive. Roads are poorly designed, as are ideas such as the Lendal Bridge closure. Very anti-cars. Buses and trains very overpriced.	Clifton
234	I have no bus service and live too far out to travel otherwise!	Wheldrake
235	Bus timetables, personal safety	Heworth Without

240	Parking charges are too high	Skelton, Rawcliffe & Clifton Without
241	Frequency... Need more buses to and from the University at later hours. Even if it is at least on a seasonal basis. Winter is grim when you're waiting!	Hull Road
242	Prefer to travel by bus because have an annual season ticket for commuting so effectively free, but occasionally use car where more convenient (eg combining with other journey). Driving costs and parking charges discourage me from using the car without good reason.	N/A
243	None, I live close by so walk/cycle	Micklegate
244	I live 30 minutes walk from town so I usually walk or cycle, although if I am travelling in the dark I will often drive to avoid having to walk in poorly lit areas	Holgate
245	Who is going with me - bus fares expensive for a family compared to the cost of parking. Purpose of visit and likely time will be returning. Buses infrequent after 8pm and none to and from the station.	Fishergate

260	Don't like walking after dark. Would use bus more to travel in and out if more frequent service (only every half hour then hourly).	Holgate
261	The weather - I will walk in unless it's pouring with rain! I would prefer to catch a bus home but the buses to my area don't run very late. I don't like to walk home later on at night so will get a taxi.	Heworth

277	I don't walk on my own in the dark as I have been followed on a number of occasions, so if buses are running I use them but if not I have to get a taxi.	Heworth
278	Unfortunately the bus lines to Fulford do not run late. This makes it hard to get out of the City Centre after 7 pm. From about 5-6 pm it is impossible to get from the centre to Fulford because the roads are incredibly congested. Therefore we avoid using the car at those hours.	Fulford
279	The park and ride closes too early to spend the afternoon and evening in York without worrying about parking. It would be better if the park and ride stayed open later but with fewer buses say one every 30mins instead of every 10mins like the daytime	Derwent
280	Not a very good bus service	Huntington & New Earswick
281	If drinking will use bus / taxi...often cheaper for family to get taxi than all get bus, plus bus frequency can be hit and miss after 6pm	Westfield

294	Which is the most convenient at the time and the weather	Dringhouses & Woodthorpe
295	Price and frequency of buses are not good enough. Our bus firm changes after 7 so it is not possible to get a return ticket, therefore it makes sense for us just to get a taxi! Absolute nonsense. Bus times are not frequent enough or reliable enough to get anywhere for the times you want. Bus prices too high for the short journey we have to make.	Acomb
296	Weather - will walk if not raining	Acomb
297	Bus availability. I would stay in the city centre longer if buses ran longer timetables.	Derwent
298	Taxi fares are too expensive, buses are too infrequent, taxi drivers are rude and frightening. If its raining or I am alone I have to get a taxi but am frightened waiting in the queue and of the driver	Hull Road
299	If it is after 6 I will usually take the car (free parking). Getting home on the buss is a bit hit and miss	Dringhouses & Woodthorpe

313	Cost of bus. For my family it cost £14, you can get a taxi for cheaper	Westfield
314	I live within 20 minutes walk of the city centre. Public transport towards my home (just off Burton Stone Lane) is irregular so it wouldn't occur to me to use it.	Clifton

315	I live in a village outside of York. A bus journey takes too long and is inconvenient. I prefer to bring my car so that I can get home without having to wait for a bus. Although York has many bus stops, not many are sheltered sufficiently for the weather in the winter. This makes it uncomfortable for my family and I. York would benefit from a proper transport hub - but I appreciate this is difficult to deliver in a medieval city.	N/A
316	Buses are too slow and expensive. I don't want to support First by giving them any of my money, since they do not have good customer service.	Guildhall

334	There is no bus service in Rawcliffe Lane. If I walk to where the bus goes and catch it the journey does so many detours it's quicker to walk. Park and Ride is useful but last bus from town is 8.10 pm so is quite restrictive no other option but to walk after 8pm	Skelton, Rawcliffe & Clifton Without

Annex 3

What improvements, if any, would you like to see?

1	Keep The Gangs of Students out of the city centre Screaming & Carrying On Alarmingly
2	Pavements should we washed clean
3	Ban stag and hen parties, happy hours and student nights, then close cheap bars and cut price restaurants and replace with quality establishments
4	Emptying the river of debris. More bins.
5	More lighting and cleaning
6	More street lighting
7	The cleanliness declines as the evenings wear on due to fast food outlets and drunken people. I strongly believe that pubs and clubs should use their profits to pay for street cleaning and security; particularly the ones that encourage excess drinking with 'happy hours' and price promotions.
8	Cleaning teams out at night, more bins for 'takeaway' rubbish
9	More art works. More music (buskers?) Less drunkenness.
10	I would like to see in some areas no uneven pavements unless it is a historic pavement like the Shambles.
11	More lighting
12	I'd welcome initiatives to tackle disposable packaging, esp. from street food vendors.
13	Door staff fully enforcing licensing conditions around their premises. There are several venues where due to inaction of security staff I no longer have any desire to visit.
14	Interesting lighting - everything looks a bit stark.
15	Generally, more potted plants/trees would improve the attractiveness of the city.
16	More late night coffee shops and upmarket take away places that serve quality food
17	A better atmosphere... it even somehow feels dangerous in the late evening.
18	I like it as it is.
19	Re-pedestrianisation of Coney Street, Davygate, New Street, Stonegate, Petergate, Swinegate after deliveries etc have been made

20	More spaces open later, events taking a lead from bigger cities like Manchester and Leeds.
21	Maybe slightly more lighting in the older parts of the city
22	Less building work, but I guess that's unavoidable.
23	Get rid of stag/ hen culture. Reduce gangs of drinkers ... inappropriate behaviour too early on streets The homeless should be provided for in shelters Get rid of fast food vans selling trash food. I find pub culture clashes with culture of cinema, coffee bars, theatre....
24	Later at night there is a lot of waste from takeaway boxes etc. Not sure how much can be done about this - more bins, fines for littering, incentives for cutting down amount of packaging?
25	None
26	Removal of bin bags and litter
27	Less drunk people wandering the streets.
28	Better lighting, independent of storefront lighting, after dark
29	A lot of garbage because people are drunk heading home late and they litter a lot. The city is not pretty after 10pm.
30	n/a
31	Cheaper drinking.
32	More security, better lit side streets, taxi rank in the centre
33	Night buses.
34	Not to see every shop's rubbish bags out. More bins would help with litter as well.
35	Litter bins cleared out more often so they are not overflowing when you walk into town the next morning. Pavements cleaned up so you don't have to avoid vomit Why shouldn't those who "throw up" be made to pay a fine like those who throw down litter
36	Less/ no neon
37	Modernised lighting - especially the Minster and the bridges
38	Good street lighting in all city centre streets.
39	Would like to see less people vomiting / urinating in the streets.
40	Get rid of the pee smelling doorways - rank !
41	Less sick in the streets and pathways.
42	More illuminated buildings and features
43	Discourage people from - drinking in the street - assembling in loud intimidating groups Remove mobile burger vans and the like: they cause untold mess: discarded packaging; food smeared on car windows and left on windowsills. Active police presence in the evening. Wardens to keep students safe (like the pyjama wardens during freshers week) A night-time lorry ban Rules about the removal of waste (when it can be left out, picked up, etc) being

	enforced. A ban on bottle banks being used at night. Attractive and effective street lighting
44	Less vomit. Pedestrian control on the Ouse Bridge. Often feels dangerous to cross, particularly as drunk crowds outside pub spread onto street with oncoming vehicles.
45	The later it gets, the messier it looks, drunk people falling out of the bars on my walk in along Micklegate, sometimes rubbish to be collected. Later on it is rubbish from the drinkers thrown on the floor.
46	Clean streets
47	Control of hen dos and stag events from Thursday onwards. Our delightful city is fast becoming a no-go zone
48	I am not interested in bars/clubs/pubs as part of my social life, but in summertime when I maybe have a walk along the riverbank, I would like to sit and enjoy a coffee somewhere in the city centre.
49	Make more use of river frontage, extend raised river walkways, new footbridge near cinema, soften Park Inn hotel with planting or video projections. Demolish front part of Stonebow, make new Colliergate Square, keep tower part & turn into hanging gardens. More bins, street cleaners, instil more pride / respect for the city & environment. Ban chewing gum in city centre shops
50	Less drunk people. Less stag and hen parties
51	Get rid of the drunks and need for heavy policing! I've lived here for over ten years and am kind of used to it (though don't like it) but I know many people newer to the area that find it intimidating and off-putting so that you have to plan cinema, theatre trips etc to avoid the weekend. This isn't right.
52	No rubbish left in town.
53	Less clutter. Better lighting. More atmosphere
54	Better management of rubbish from shops and street litter - recycling points for bottles (plastic and glass) to help reduce waste filling the bins and going to landfill
55	Cleaning up all the trade waste left out for collection, fining people who leave litter or smash bottles/glasses on pavement or vomit all over the pavement
56	More lighting near taxi queue areas
57	More litter bins. Art on display e.g. the wallpaper applied to the derelict hotel on Piccadilly. Imaginative use of open space
58	Development and smartening of Piccadilly area.
59	More responsible landlords not serving very drunk people ergo less litter and vomiting and general ASB.
60	Fewer lairy drunken scum shouting and fighting. Close that

	McDonald's.
61	None
62	More buses to Fulford after 8pm and more shops open later
63	Need to open the pubs back up to the mainstream York public. Whilst not being old, there is a generation drinking at home then coming into town. Having more decent people around and able to enjoy a drink at a reasonable price provides a far better atmosphere. The only effect of expensive drinks in York is for the supermarkets to gain the revenue and the city to pick up the cost later on. Most people can enjoy a few pints without bother and it would be harsh to penalise the sensible drinker at the expense of those solely there to get more drunk than sensible.
64	Cleaner streets. Later opening for shops. More street events lasting into the early evening. Longer opening hours for the market.
65	Night time wardens to help and assist people around the city, if they are lost, need medical assistance or a police officer they could be a link, (are these Street Angels!?) I never see them! Ordinary people need tending to also not just the Micklegate drunk and can't get home end of town
66	Better offering of street food
67	Safe cycle storage facilities, perhaps in an enclosed staffed area.
68	Not so many lairy people about
69	More Christmas lights in the evening! Also lighting up the Minster at night.
70	City centre kept clean overnight particularly around taxi stands, bins etc
71	No vomit on the streets.
72	Less gangs of drunken people - wouldn't we all? More bins throughout the city.
73	Higher police profile and the abolishment of cheap evening trains back to the North East. York at the weekend has become nothing more than a beer garden for the North East.
74	More street cleaning after the shops have closed. Often commercial waste left out which gets kicked around by drunkards.
75	Rubbish outside shops been collected
76	The city itself is beautiful and very attractive.
77	Better policing and cleaning, control of antisocial behaviour
78	Bins emptied, look less grey and closed up!
79	Improved lighting and public spaces. Less drunks
80	More street cleaners
81	Cleaner, more litter bins and better street lighting
82	Nicer food outlets staying open later.

83	Litter tends to build up after midnight from flyers and takeaways foods. The council do a good job at clearing this up around 4am
84	Closure of internal supermarkets that sell cheap alcohol
85	Streets need to be cleaned
86	Generally, my 'poor' rating above applies after 8 - 9pm, when the drunks, takeaways, etc. get going.
87	Less drunk people
88	Shops opening even a little later- ie not closing at 17:30!
89	Parts of York can be intimidating or unattractive for families, especially at weekends (including weekend afternoons). Improving the management of this would help.
90	Impossible to solve, but commercial waste bags/bins look dreadful, especially as many appear in the little alleys that the City is famous for.
91	Less public urination
92	Fewer drunks.
93	I would like to be able to walk half a mile from my home and not see endless cigarette butts, vomit and/or blood on the street, bits of postcards advertising nightclubs, rubbish and dog mess. The city streets are absolutely filthy, visitors comment on it and I am ashamed and disgusted by the lack of care demonstrated by CYC towards street cleanliness. It is particularly bad on a weekend.
94	Designated safe areas - somewhere you can go on a night out if you lose your friends/your phone dies/need to ring a taxi.
95	More PCSOs to ensure those enjoying a night out stay in control
96	Sandblast the streets
97	Less hen and stag dos. Over the past few years I have become more intimidated to go into town later because of the increase on these!
98	Cleaner pavements and more attractive lighting (also a security thing as well as showing the old buildings) but mainly more control of stag/hen parties and drunken behaviour
99	Less buses and free parking. Small buses would also make the traffic move quicker.
100	The smell near Boots. Litter near Kuda/Subway
101	It's looks horrible along Coney street when shops have piled their rubbish bags outside for collection, and then worse when drunk people throw them about.
102	Better help for bars/pubs. Often seem to be left to deal with issues without police or council help and then blamed/punished if problems escalate.
103	Better lighting on the walking routes in and out of town would make

	me feel safer.
104	The main problem is stag and hen dos leaving takeaway wrappers, puddles of vomit and general detritus around on the weekend. I know it's a massive job and has to be done late at night when obviously it's harder to get workers
105	More rubbish collection and street cleaning
106	Some areas around clubs, eg Rougier Street, Tanner Row, are messy with vomit and some broken glass and discarded takeaways
107	Cleaner streets
108	Restaurants which encourage locals not tourists by giving consistent service or affordable bistros. More pubs that serve snack food.
109	Less stag and hen dos
110	Broken glass is awful around the city - I'd like that to be cleared up before the morning. The smell of urine in some of the alleyways is also bad. Perhaps pop-up urinals would be possible?
111	Better lighting, more litter bins, cleaning crews picking up rubbish as found on the continent
112	More cultural activities taking place in the city centre offering alternatives to drinking culture
113	Measures to control those who drop litter. CYC to re-assess waste bin needs to avoid overflowing locations
114	More street lighting, more police, less drunkenness. The amount of drinking and drunken people is frightening. We moved here from London last year and never experienced the same numbers of drunken people.
115	More bins, especially on Blake Street and area
116	Fewer 'wet bars' that encourage stag and hen parties - and localising the nightclub culture to a small part of city.
117	Bins emptied when full. Decorative lighting
118	More street cleaning
119	More business cleaning front of premises. Limit times rubbish is put out on the street
120	More pavement cleaning (It can be very grimy in places and it gives York a bad image to daytime tourists)
121	Answer to question above depends on day of weekend, time of night - on a Friday or Saturday night it is much less clean and attractive
122	More street cleaning /rubbish /vomit cleaning and lots of alleys used as outside toilets
123	The sewers/drains often smell very bad, especially in the evenings along Coney Street.

124	Fewer stag and hen parties. It really puts me off going into the city at the weekends
125	More parking spaces available in the city centre and either free or very low cost.
126	Clearing out the drunkards, splatters of vomit and stinking doorways where blokes go to pee.
127	Bin collections not being left out in the main streets on an evening
128	Better more effective lighting.
129	Less licences to sell alcohol granted to the numerous supermarkets that are opening in the centre and are magnets for anti-social behaviour. A reduction in the number of visiting drunken groups.
130	More bins, more enforcement of litter and other forms of anti-social behaviour, more street litter control notices requiring pubs, clubs and eating places to ensure the area around their premises is kept free of litter and rubbish.
131	Litter bins emptied
132	Proper policing to deal with drunks/gangs
133	Again citing other cities like Manchester and Liverpool - they embrace their nightlife culture rather than merely tolerating it. Better lighting, pedestrianised areas, colourful street signs, better signage in general to nightlife economies.
134	York needs to be cleaner - certain streets are covered in sick some morning after the students/race goes and stag/hen parties have been out!
135	More 'cafe type' bars open later.
136	Less people spilling out of the bars onto the pavements
137	As stated above
138	Cleaner streets, more shops staying open, more street vendors
139	If possible more cleaning of streets during the evening/ early hours.
140	A removal of the bouncer cartel in town.
141	More uplighting on buildings.
142	Greater outside cafe culture extended into the night
143	No stag and hen parties
144	TOO MANY BARS AND DRUNKS
145	Attractive lighting. Better use of Parliament Street. Some areas of the city are more attractive - e.g. the Minster area (because of the lighting) - better use of lighting to enhance the city would be good.
146	Some of the "Hen" and "Stag" parties York attracts at the weekend do nothing to promote couples or families to visit the city centre. We tend to visit during the week.
147	Reduced amounts of sick and food mess from the previous nights revellers

148	Less hen and stag dos, there has been a notable increase in large groups of men and women arriving on the train on a Thursday or Friday afternoon for weekends away in York. They can be intimidating and rowdy and lower the general tone of the city. Cheap hotels are, I am sure, a draw and these should be minimised.
149	Earlier (and more often?) cleaning of the streets the following day, including bin emptying. All too often the city centre (and surrounding areas) are full of over-flowing bins etc. from the previous evening and aren't emptied until late in the day.
150	This is a county wide problem not just York, but binge drinkers falling all over the place and generally making a scene puts me off coming out in York after dark. Because it's a small city the problem seems bigger, as you don't have the choice or distance to get away from the binge drinking culture that is a problem everywhere. Smaller the city the more concentrated the problem becomes.
151	Fewer drunken teenagers and groups of drunks thinking they are having a good time.
152	Streets and pavements need a good clean/wash
153	No cars or lorries in main centre pedestrian zone till after 5:30 when shops shut. Proper cycle paths away from pedestrians that are properly marked. ie. outside the Minster where there is no clear signage and cyclists are a nuisance.
154	Fewer stag/hen parties which create a poor atmosphere
155	York is now being overrun by large groups coming here with the only purpose of getting very drunk. I have primary school age children and am unable to bring them into town on a evening for a family meal as the centre of York is not family friendly after 5pm
156	More creative lighting, more street cleaners Micklegate/Rougiers St areas. More family friendly environment - too many lairy smokers outside bars etc even early on in the evening
157	Free parking for workers on a night time. The people that keep York going on a night time still having to pay to park, when the town is empty.
158	Later opening hours for shops
159	More overt policing presence. Better lighting. More establishments open other than pubs and restaurants
160	More flashing lights, not only at Christmas, but year round. Some city centres have little lights in the ground that come on at night, like a lit road to guide you between the different districts of nightlife
161	Better street cleaning and police presence to feel safe
162	Less litter from takeaways and flyers, not as many drunk hen and stag parties, better lighting up of attractive buildings

163	Better lighting in areas people walk e.g. by the riverside, more police visible to combat anti-social behaviour
164	Litter clearance during Friday and Saturday evenings and at special events so that bins are not overflowing. Early morning street washing every Saturday/Sunday morning and during festivals. Recycling bins with round holes at key locations eg near McDonald's for plastic bottles and cans Close Coney Street off at night to exclude cars taking short cut at inappropriate speed
165	Spot fines for individuals dropping litter to act as a deterrent to others.
166	Bins emptying near burger vans
167	Cleaner streets, less litter
168	Less dirt, fewer beggars, fewer drunks, fewer rowdy hen and stag parties
169	Increased litter collection
170	Reduce the indignities, and unruly behaviour. The last time I was in, a habitual drunk was yelling obscenities at Rougier Street.
171	Streets cleared of rubbish. Pavements washed. Cigarette butts removed. Greenery tended and cleared of bottles, cans and fast-food containers.
172	Less litter and less large gangs of group just milling around, very intimidating
173	Police / PCSOs etc patrolling areas like Coney St / Bridge St on Saturday evening as I often see drunken people causing trouble, urinating down alleyways / by the river etc. Better parking enforcement. E.g. on Swinegate cars park on double yellows, causing other cars/taxis/lorries to have to squeeze past or mount the kerb, putting pedestrians at risk.
174	Too much litter and dirty streets/footpaths after the normal working day.
175	Generally the city centre after 5pm is attractive and clean however when the races are on it becomes a different city. It is often very dirty and an uncomfortable place to be.
176	More things happening in the evening outside but that would need extra litter teams, good lighting and extra people (police officers) patrolling to feel safe and secure. Ban hen and stag parties.
177	The salmonella wagons around the city generate a lot of mess. Don't know if these could be monitored more effectively?
178	More people around (and not drunk ones!) would make it feel safer, More shops open, cannot believe how early some shops close.
179	Bin emptied litter removed
180	More control of litter/drunks residents by bars/restaurants, etc.

181	Less litter, better lighting
182	PLEASE PLEASE PLEASE do something about the groups of single sex drinkers in the city. 8.45pm last Saturday night and a large group of drunken men were shouting the most grotesque language across Micklegate. I cannot take my nephews into the city at night as the behaviour and language is awful, I don't want to expose them to this and it is such a shame. York is being ruined by this.
183	Emptying of bins in the evenings, in Europe the streets are jet washed in the early hours this would be great
184	I would honestly like to see a greater effort on cleaning up the city centre following the weekend when reputational damage is far more likely to be incurred through tourists observing vomit stains and other unattractive reminders of the night life while walking the streets. I'd like to see more lighting and bins utilised across the city centre (bins could be temporary night life usage).
185	More litter and recycling bins in public places and litter bins emptied more frequently. Areas near bus shelters cleaned during the day and evenings
186	More Street cleaning day & evening
187	Cleaner in the shared public spaces. More litter and recycling bins. More ambient lighting around the city.
188	More ambient lighting
189	I would really like to see a massive increase in city centre recycling bins. I would like to see recycling bins as an option at every waste bin. Often waste bins are overflowing in Parliament Street. I would like to see shops and cafes stay open until 8pm to prompt change in the way the city centre is used after 5pm. And also this may have a good impact on large bus queues clogging up the pavements and traffic building up at 5:30 when there is a mass exodus from town.
190	Less pubs and late night venues
191	York looks tired and many areas are full of litter graffiti and vandalised.
192	I think a really good job is done by the services there to keep our city looking nice.
193	It is difficult to shift emphasis of York from its current trend of hen and stag parties and drunks to an environment that is also attractive to families. Not sure how that can be achieved.
194	More bins more public toilets
195	Increase in coffee shops open after 6pm, fewer Hen and Stag parties.

196	I don't like drunken gangs of men and women shouting and swearing and being offensive. I also dislike all the takeaway rubbish on the floor in the evenings
197	Better lighting the centre is very dark and improved pavements often uneven and awkward especially in wet weather
198	Less vomit and fewer kebab boxes
199	Areas cleaned up after drunks have left broken glass etc.
200	There needs to be more lighting, it is very dark and quite scary for small children. Especially since York is governed by drunk people from 7pm and 2pm on weekends. They jump out from everywhere.
201	More street cafes, more seating
202	Many of the streets and alleys are dirty, with general litter, cigarettes or sick (or sick stains) & urine evident. All streets should be kept clean, as you would find in other major European destinations.
203	Light up the dark corners such as on Daveygate and Bootham
204	Build on successful evening activities such as City Screen, Piano and Pitcher etc. well lit and looked after. How about students putting on music activities in places to give them practice and some financial reward by charging small fees to listen to them in places such as Deans Court or Kings Manor hall?
205	More street art and inclusive areas - maybe a city park for children, more live performance, buskers at night- music/bands, a stage or bandstand in the centre.
206	Buildings and empty shops look run down and uncared for. There is often litter around from fast food places.
207	Less vomit on the streets ... The trees around town always look lovely when they have the fairy lights in. It generally feels a very safe city to walk in late at night, this is helped by seeing PCSOs etc walking around.
208	BEING KEPT CLEAN AND SAFE
209	We visited Ilkley recently, they had some areas lit up with special lighting, looked fab. York could improve Parliament Street area, make the most of the trees, light it up, make it a spectacle. Make York somewhere pleasant to walk around in the evening .
210	Bins need to be emptied more frequently especially on the river walks Graffiti teams out all the time - see Paris as example More rubbish bins
211	More attractive lighting No children in pubs. Pubs without people eating
212	Better lighting
213	Earlier collection of rubbish bags from shops

214	Reduction of drunken behaviour in the streets, especially before 10pm. If you are sick in the street you should have to pay to clean it up. Also, stricter policing of drinking and drug taking on the streets. I appreciate it is up to people to report it but I would not feel comfortable calling 999 if I saw (as I recently have done) drug taking in a public area. So perhaps some way of reporting anti-social that is easier than calling 999.
215	More bins and better cleaning on a weekend
216	Pavements around night clubbing areas unclean. Level of the 'very drunk' much higher than it used to be, pavements and alleyways smell of urine/vomit.
217	Remove it
218	Secure bike parking
219	REGULAR STREET CLEANING. FINES FOR THOSE CAUSING LITTER.
220	The amount of A-boards and adverts on the pavements are really excessive and really cause harm to the appearance of the City.
221	Better lighting, less trees, more shops opening later or cafes staying open
222	Less litter around streets
223	In the morning there are lots of vomit piles, mainly on weekends
224	The city centre has 'worked hard' through the day, and the wear, tear and debris of day visitors can make the streets less appealing. Litter bins are often full and overflowing. The main thoroughfares, like Coney Street, and Parliament Street get stacked up with rubbish from the shops and are reopened to traffic. It makes everything look 'closed for business', as though there is nothing to stay around for.
225	More lighting. York in general is not a well lit city. Also, signage and painting on roads are generally poor.
226	More lighting. More activities. Cleaner public areas.
227	More shops/cafes open Places to go that are not overwhelmed by loud/drunken people particularly groups of men. Improved lighting of the squares
228	Better litter picking, less drunken students - not worth coming into town to have to deal with all the nuisance they cause
229	Fewer drunken people!
230	Early morning street cleaning like in Paris.
231	Banning hen and stag parties
232	Main issue with cleanliness is due to weekend revellers, stag/hen parties & race days.

233	More street entertainers on an evening. Possibly something that would encourage audience participation.
234	Ban hen/stag parties
235	More businesses open.
236	Dissuading the drinking culture - make the streets feel safer to walk along later at night. Anything that would improve behaviour generally or create an area for events that felt safe.
237	Some way of controlling the behaviour of large number of hen stag type parties at weekends. Even before 5pm there is rowdy behaviour. The gatherings of people on Blake Street at all times of the day but especially at weekends and evenings. Sometimes the gatherings are so large it can be difficult to pass and can feel intimidating if I am walking on my own
238	Better Christmas and decorative lighting
239	Quicker rubbish removal, pavement pizza's cleaned up sooner
240	I have no issues
241	More activity encourages even more activity.
242	More lively and vibrant events and less hen and stag party crowds
243	Crack down on the large groups of rowdy and intimidating drunks that frequent the city centre on a night and particularly at weekends and race days.
244	Clean the streets, wash pavements, have men out on the streets all hours employ more men to clean.
245	No chewing gum on the pavement.
246	Something other than bars and restaurants - particularly for visitors with younger children.
247	Fewer drunk Geordies
248	Keep it clean (more bins, some they seem to have disappeared recently!) and light the centre well but attractively to show off the buildings unique architecture at their best.
249	Stopping piles of rubbish outside businesses!
250	Get the bins emptied more
251	Drunken people are often sick and urinating in the street, this needs to be cleaned and dealt with asap.
252	Give the street scene crews more resource / budget to enable them to hose down the pavements in key areas that get the nightclub slip out. Sweeping up the cig ends and sick on the streets I think should be a priority as it's the only things that lets the image of the city down
253	Vomit and cigarette ends cleaned up.
254	Employ more cleaners. Better street lighting as it is positively dangerous.

255	No company store rubbish at the front of shops/cafés.
256	CLEAN THE STREETS!
257	Clean the streets! It's becoming a dump....
258	More bins for takeaways, always overflowing come Sunday morning!
259	More decorative lighting. More bins (more frequently emptied).
260	PLEASE reduce the number of drunken stag and hen groups in the city - it really makes the city unattractive in the evenings. Also, on race nights the atmosphere goes from happily tipsy to nastily drunk.
261	Ease traffic congestion
262	More street cleaning and more penalties imposed for littering, vomiting in the street etc
263	Street cleaning beginning earlier, improved lighting to avoid black spots, greater deterrent for anti social behaviour
264	The city centre is a horrible place on Saturday afternoons / evenings with hoards of drunks coming to the city for the day
265	Less takeaway wrappers etc left lying around and no commercial waste outside shops in Coney street as sometimes it is kicked down the street or blown down the street and the road ends up covered in polystyrene and plastic etc

Annex 4

Do you have any comments on safety issues in the city centre after 5pm?

1	Street Angels do a great job.
2	More CCTV
3	Seems to be all down to alcohol
4	York is a relatively safe city but there are times especially during race days when I feel quite threatened by drunken louts of both sexes.
5	More police on foot would help
6	I think that the antisocial behaviour is mainly drink-fuelled high jinx and do not feel concerned for my personal safety. However, it does influence where I might go in the city and which route home I will take. I have driven through the city in the late evening / early morning and find this very difficult. Drunk people often walk out in front of me into the road; sometimes deliberately and sometimes without being aware that traffic is approaching.
7	The better the environment and more used it is by ordinary people/families the less likely it is to be swamped with drunkenness and antisocial behaviour
8	I like to see a police presence when they walk around the city.
9	It can occasionally be a bit hairy, but not seriously (this is York after all). They're not lowlife, they're just people having a good time.
10	As previously mentioned, better trained door staff could have avoided the incidents I have experienced directly outside venues
11	Problems are mainly large groups of drunken people commenting loudly on other people.
12	In general, city centres are less safe in evening hours. But I think York does not have any serious safety problems that are noteworthy.
13	I've seen a couple of fights in McDonald's and Salt and Peppers in the early hours of the morning, but less fighting than in other cities at this time.
14	On a Friday and Saturday night maybe slightly more police on the streets might help improve safety

15	Feel safe
16	I find drunken people scary, but there's nothing you can do about that.
17	It's about changing an entrenched British culture.....
18	York overall seems very safe compared to other places I have lived. The lighting down some of the more narrow streets does not seem adequate though.
19	There seems to be an increase in muggings
20	To be honest - the problem starts before 5pm on some days of the week/year but there is an incredible amount of horrendously drunk people around. I am from continental Europe and even though I have lived in York for 5 years and worked in multiple 'evening and late night' businesses it still disgusts and scares me. It makes me uncomfortable going places, especially if I am alone. Because of my job I commute back home after midnight and the amount of times I have been approached by strangers, commented at, and screamed at is not acceptable.
21	Every time it has been locals not students. Don't blame them
22	Particularly around the club areas and in the queues outside the club it can feel quite threatening.
23	If there's drunk people it's to be expected, not a problem
24	The emergency services do a fine job.
25	Having to explain to my child why people are lurching into us due to their being drunk. This is also not just after 5pm but in the run up to Christmas is often from lunchtime onwards!!
26	Taxis driving like lunatics late at night.
27	Not as bad as many cities but there are definite problem areas.
28	Lighting again - but a busier city centre would automatically make it safer
29	Some streets seem worryingly empty at times, and at other times full of groups on a night out and not behaving very sensibly.
30	Mainly related to alcohol, homelessness and clubs near Clifford's Tower
31	Where are the police at that time?
32	Went in 26/11 - groups of lads fighting / really frightened my little - the lads were off their heads drunk it was only 5.30 pm
33	The problem is drunkenness. One is always wary of drunks, whether alone or in groups, because there is always the possibility that they will become violent.

34	I don't think you're necessarily in harm's way in the evening in York, but you can't risk it with children in tow. You never know when a drunk is going to think you've looked at them the wrong way. Usually a visitor on a night out who doesn't know when to stop drinking.
35	See previous comment about pedestrian control.
36	There is a significant minority who come in to York looking to get very drunk and cause trouble. We all know the types of bars they attend and know to avoid them. More bars/clubs with a focus on more 'high brow' entertainment (eg. quality music, less emphasis on cheap drink and random snogging!) would make it less socially acceptable for the idiots to behave as they do.
37	I have lived in York all my life aside from going away to university. I am not a wallflower, and I am pretty assertive and very open minded. I HATED being aggressively flashed by a group of really drunk women at 6pm on a Friday night down Micklegate while I was 8 months pregnant. It was vile and shouldn't happen. They shouldn't have been served. I have seen people being punched and people chasing others, all along the Micklegate run area, it is just awful, and it is unsafe.
38	It's just like any other city centre, being able to handle other people's 'rowdiness' is just a life skill everyone should have....
39	People in York get very drunk, very early in the evening. It makes the environment really unpleasant. You don't see a mix of age groups out in the evening, it's mainly drunken younger people.
40	Street Angels seem to have good influence. Slow traffic down in city centre & semi pedestrianised streets
41	I think we need to tighten up on serving alcohol - when someone is drunk they should not be served - this clearly does not happen at the moment. I was shoved and yelled at whilst walking down the road at 4.45pm on Saturday

42	See previous answers. I used to cycle but got fed up of drunks staggering across the road in front of me. On race days I have been deliberately pushed off my bike by jobs for no reason! The large groups of men that tend to go around are very intimidating and unpleasant - shouting, weeing everywhere, etc. How about on the spot fines for urinating in public? I used to live near the racecourse (Albemarle Road) but had to move as I got fed up of men weeing in my front garden! I would never go into town after 5pm on a race night but feel that we shouldn't have to give our town up on days like this!
43	Police patrolling the car parks would be very helpful as I have come across anti social behaviour here many times and if I am returning to my car alone (as there are no buses!) it puts me off travelling alone.
44	Avoid coming in on race days and if there is a football match
45	A more visible police presence might discourage the rowdy drunks, who are violent towards innocent passersby
46	Large groups of men on nights out can be very intimidating for women, especially as catcalling and sexual harassment is very common. Campaigns in the city centre (e.g. "Catcalling is not a compliment") would be a starting point in addressing this behaviour.
47	My experiences of anti-social behaviour in the city centre are only marginally worse than during the day time, and generally I feel safe in the city centre after 5pm. I feel *less* safe than during the daytime purely because of the more limited range of places which I can duck into in order to avoid anti-social or dangerous behaviour.
48	Better than most places, only seen a few fights which were broken up relatively quickly by police
49	Too weighted towards drinking culture. Ignorance of drug use amongst those also drinking
50	Large groups of drunken people moving through the streets en masse shouting at passersby is very intimidating
51	The 'Street Angels' and presence of Police are great. Big groups of lads/girls are an issue I think. My sister came to York for a hen do once (she's been to visit me loads of times and loves the city), and she said "God, I'm never going out in York at a weekend again, it was horrible, a typical chavvy northern city, really rough".

52	While I say "it has not affected my future decisions to visit" this is because I'm determined not to let drunken vermin ruin my life. However, it does make me less happy about going out at night and I certainly know a number of residents who say they DON'T go into the city at night because of anti-social behaviour. York really needs to get a grip of this. It is getting out of hand.
53	It can be noisy but we feel quite safe and rather enjoy seeing what's going on
54	Saturday afternoons + early evenings are awful
55	These questions aren't particularly helpful as clearly it's going to be less of a safe environment when the majority of people are out drinking than it is in the day. Generally I find if you don't cause bother, you don't get it. Always the odd idiot about though.
56	Again, buses that would run later would make me feel more comfortable getting home on an evening. I am not always comfortable waiting on my own for a taxi, or having to get a taxi on my own.
57	Close to Micklegate there are often drunk people who behave inappropriately.
58	Generally policing on race days is very good. However policing activity tends to "drop off" in the winter months. As the evenings get darker I would prefer to see more police presence (on foot) between 8pm and midnight - Friday/Saturday. More street lighting at taxi ranks and perhaps noticeable CCTV with signage at those ranks would be good too, this includes the railway station.
59	Some groups of drunk lairy people I don't really like and I can see that some visitors may be put off. I'm not scared or intimidated and I've not seen any ASB associated with them. They're just young people having a laugh for the most part, but might be nicer if they were fewer. I particularly dislike the racegoers as they have been drinking *all day* and I do think when the races are on the city centre is slightly different. My daughter 17 feels particularly intimidated by lairy racegoers when walking back from south bank through town to our northside house, so I do think it is a problem. I read somewhere that in cricket they close the bars for a few hours in the afternoon to stop people getting so drunk, and I think the racecourse should consider doing this, or it be a condition of their licence that CYC imposes this on them.
60	Better lighting needed. Some areas are very dark
61	Too many rowdy stag/hen dos sometimes, makes town pretty unpleasant

62	Nope. It happens. Just have to be aware of your own surroundings.
63	We need more police especially on a Thursday to Saturday
64	Where do we start? York City centre is a disgrace on a weekend evening after 5pm. As a business we take a huge dip in audience attendees on race meeting days.
65	Too many drunks - pubs still serving people who've had too much (contravening their licences). Too many drink promotions (3-for-1 etc) leads to too much / too soon. Not enough police visible on foot as a deterrent.
66	I think that like any city there are good areas to go to and bad areas. The Micklegate run is infamous for attracting aggressive, lairy types who can be problematic but they usually burn themselves out fairly early. If I was a girl I would be more concerned about safety, but staying in groups with friends can usually solve this and I haven't seen too many issues.
67	It's intimidating
68	We don't do enough to manage the influx of hen and stag parties No or little visible police presence. Certain areas are worse than others
69	Noise from drunken students is likely to have an impact on their safety; someone will sooner or later have a go at them when awoken at 3am for the fifth time in a week
70	I often don't feel hugely safe if I'm on my own - there's too many drunken people!! I actively avoid passing certain areas (bottom of Micklegate, parts of Coney Street) after 9pm if I can.
71	Everyone be happy.
72	More police foot patrols would be good
73	It's safe ... drunks / revellers not a problem, we've all been young, leave them to it
74	I have ticked the 'no' box above, as I have no choice about deciding to visit because I live there. I do, however, intend to move house because of the rowdiness and anti-social behaviour. In my opinion the root cause of the anti-social behaviour is drink, not helped by York being seen as a 'destination' for hen and stag parties.
75	Some issues are caused by low alcohol prices from supermarkets and some pub operators ie Wetherspoons
76	Race days are worse and weekends
77	I think it is quite safe but it doesn't always feel that way. Also, some language and behaviour I would prefer not to encounter whilst walking through the streets with children.

78	Same as any city. Licensing in York is done pretty well though. Wouldn't ever avoid city on an evening (except some race days), but more selective on the parts I'd visit.
79	Key trouble areas should have stronger enforcement against anti-social behaviour and the businesses that are causing this should be liable. Not every late opening bar should be penalised for the behaviour of people just in certain bars/area, especially looking at round bottom of Micklegate and Bridge Street.
80	It is fine if it is contained to Micklegate because I know to just avoid that area
81	Too many drunken louts.
82	It is only to be expected that things will kick off in the later hours, especially on a weekend and the door staff and police respond quickly to trouble. I have witnessed fights in the Rougier Street area on many occasions that have always been dealt with effectively so I don't feel unsafe if I end up alone.
83	Stop homeless people begging in the City centre
84	Without doubt the encouragement of large groups drinking excessively causes issues
85	Too many buses make it difficult to access the city centre
86	Poor question. I've experienced anti-social behaviour both before and after 5pm, especially on a Saturday during the daytime (before 5pm) and Bank Holidays. Pretty sure anyone everywhere has experienced antisocial behaviour after 5pm in a city centre. Question feels loaded towards being used as explanation for late night levy so refused to answer.
87	There are too many drunken people. This survey reads like I'm a tourist. I live in York. I do not 'visit' York. I'm a local, we do not visit. We just go into town.
88	I feel much less safe as a woman on my own when there are large groups of drunken men on stag nights or parties - they tend to gather in the main streets and I either take a different route to avoid them or end up getting harassed as I walk past.
89	It always feels exceptionally safe
90	Do not like going into the city on Saturday or Friday nights
91	Too many drunk people crowding onto Ouse bridge and Ousegate
92	I would not choose a night in York on a Saturday or Bank Holiday weekend due to the large number of drunken groups dominating bars.

93	More police presence, patrolling would be nice, or PCSOs.
94	It's horrible outside McDonald's late on
95	York usually feels like one of the safer cities I have lived in.
96	Drink-related, often focussed around closing times, outside pubs and McDonald's on Blake Street
97	In the most part police are around and accessible, however there are times as a female that certain routes and areas are to be avoided at night time
98	24 hr drinking culture and being a city with high student population
99	At the weekend parts of the city are no-go areas because of the number of drunks.
100	Alcohol fuelled revellers are biggest issues, so need to discourage stag and hen parties and race goes through licensing restrictions on key dates-
101	Street Angels do have a calming and reassuring presence.
102	York is one of the safest cities in the UK
103	There seems to be a large group of what people call "Louts" that congregate inside and outside McDonald's in the centre, it can be a little intimidating when large, loud groups gather and you have to walk by them. I've heard of a few thefts after 5pm when working. (People saying bikes, purses and bags have been stolen) but haven't ever witnessed any thefts. That is quite un-nerving to hear. Night-life wise it's mainly Clifford Street that sees a lot of drunken people blocking taxis and going too far, more police (Special Constables or Street Angels) would make everyone feel safer.
104	Discourage hen and stag parties drinking all day....
105	Lots of large groups of stags /hens often not appropriately dressed and with blow up dolls etc OFTEN GROUPS OUT BY 5PM AND DRUNK
106	More police patrolling would be an improvement, as I have been verbally harassed several times, even with a large group of friends.
107	An increased police presence around club areas and bars etc. would be very beneficial
108	Ease of access to alcohol for young people seems to be the main cause of antisocial behaviour issues. If there were more activities available that would interest young people and less cheap drink maybe that would help.
109	Try talking to the homeless guys about what they see on the streets at night. Truly disturbing.

110	The large number of groups of men and women that visit the city to get drunk in the city centre is a real problem. I have witnessed their intimidating behaviour in early evenings on a weekend in front of families and it is not pleasant. It makes me wonder what people think of our city.
111	Too many drunken people.
112	More police/specials visible on the streets
113	It happens every week. Unpleasant, loud drunken gangs with little visible policing
114	More commercial activity and evening events would reduce perceptions of less safe environment and encourage more family visits
115	At weekends the throngs of well inebriated "clubbers" who seemingly take over the city centre make the place feel "uncomfortable" for those not so engaged.
116	In general police, security staff and Street Angels do an excellent job in York and are always very visible. The city centre is very well lit. Though you will see anti-social behaviour (this will always be the case in night time economies) I never feel unsafe in York.
117	Believe that for a city that has a pretty good night life and evening economy that ASB is going to happen however compared to other cities that I have lived in this seems to be focussed to certain areas of the town and that overall I always feel safe in the city after 5pm.
118	No
119	There is a lack of Police Officers patrolling on foot in York City Centre. (Not Community Support Officers). On a Friday and Saturday nights only on rare occasions do you see police officers on foot in the city centre. They are a visible deterrent and are needed in the city centre every night after 8pm.
120	York is much safer than most cities, but if there are bars serving alcohol there is always going to be occasional trouble, especially with so many stag and hens coming to York. This would not affect my decision to go out, as it is part of the risk you take going out anywhere, and reduced if you know which areas to avoid
121	Just jobs on bikes outside McDonald's
122	More law enforcement on the streets
123	REDUCE THE BARS AND INCREASE THE POLICE PRESENCE

124	The best way to change people's culture of alcohol fuelled ASB and violence is to stimulate their natural internal inhibitors, and to ensure there are pro-good behaviour influences around. Heavy policing simply adds to the feeling of fear. More families, older people etc. would encourage improved behaviour on the part of those who currently have no curbs on their excesses.
125	Too many parties of people who seem to have the whole intention of getting drunk
126	More police presence needed in evenings for reassurance
127	Again large groups of men and women intent on nothing more than getting very, very drunk leads to verbal abuse as a regular occurrence. It is by no means the worst city for this, but we are in danger of losing the core attraction and values of York if this is allowed to continue
128	Areas of town are avoided due to stag and hen parties and general drunken idiocy
129	I think York is a very safe city, including evening and night-times. However, I can well understand that the large number of very drunk people (usually loud, sometimes good-natured, but sometimes more aggressive/violent) puts off many other people. I do think York's good reputation is being tarnished by its popularity as a stag and hen destination.
130	I think the bars and pubs need more accountability in allowing someone/anyone to drink themselves into oblivion. It's quite clear to anyone when someone has had enough and needs to go home. If you can't stand up straight and speak without slurring your words then it's definitely time to go home.
131	Please put the drunks into sobriety tanks
132	There appears to be an atmosphere, especially at weekends, of the place being on the edge of violence caused by the large numbers of groups wandering around having had too much to drink.
133	More arrests/fines, etc, needed for anti-social behaviour. Deterents needed for hen and stag parties.
134	Personally I feel safe, but it is not safe for others - younger / females alone / etc.
135	Often feels threatening
136	There should be better police presence

137	The majority of safety issues and anti-social behaviour appear to be down to drunkenness, usually from large single-sex groups. There needs to be better enforcement of the prohibition on bar staff serving alcohol to people who are already drunk, and THIS MUST INCLUDE THE RACECOURSE.
138	It's not nice to see so many people drunk and being loud especially when children and families, some from overseas, are present. There always seems to be an undercurrent or at least a feeling of impending violence
139	Generally most of the city feels safe although I think there are some areas that people would give a wide berth e.g. Micklegate, outside Stonebow (although this can be bad during the day with anti-social people gathering) and sometimes along the river or in the parks.
140	Would generally avoid Rougier St /Micklegate areas on a Friday/ Saturday evening, especially after 11pm and on race days. Would avoid all of city centre on race days after the races have finished
141	Consider the city centre no less safe than say 20 / 30 years ago.
142	Drinking levy might help
143	Generally it is still a safe city.
144	Is fine usually until 11 onwards when there are more drink related problems, which all cities experience.
145	There are certain no-go areas which I will not frequent - certainly George Hudson Street and Rougier Street area I will not go near. There is a noticeable amount of rowdy groups around town from lunchtime onwards on Friday/Saturdays - I tend to avoid shopping at these times too now.
146	Not enough visible police presence, too many badly or unlit small streets and doorways, rowdy hen and stag parties should be monitored
147	Increased police patrols should help
148	Complete lack of police presence. Gangs of drunken males. Loud mouthed hen parties. Intimidating youths hanging around fast food outlets. People drinking on the streets.
149	As the previous comments. The city centre has a completely different feel to it on race weekends and we often decide not to go into the city centre at that time as a result. (Additionally, the only anti-social behaviour I have witnessed other than those weekends has been from stag & hen parties/other large groups)

150	Bus stops feel unsafe after dark. Taxi queues feel better as usually more people about, albeit there's sometimes anti-social behaviour. Crowds of drunken young people outside places like McDonald's etc very off putting.
151	Problems are generally alcohol fuelled and concentrated in certain areas. It can be unpleasant. I think the main safety issues are away from the actual city centre itself. However, I think we need to keep a sense of proportion as the problems in York are far less than in many other city and town centres.
152	Most of the stag and hen parties are fine. It's the groups of wandering young men (not usually stag parties who are usually good natured) who get drunk, foul mouthed and aggressive. Although the language used is not physically hurtful it's not something I want to expose my children to. PCSOs don't seem to intervene when there are just these verbal slanging matches going on but it really is off putting.
153	Can sometimes feel quite unsafe with the sheer number of highly drunk individuals wandering/staggering/shouting around.
154	If I didn't have mobility problems, I would be a lot braver in my after dark visits to the city centre.
155	It's not safe, it's not friendly, it's not attractive. York after 5pm is a totally different creature to that before 5pm and I don't know why it is such a magnet for large groups of drinkers from the North East.
156	Where are the Police?
157	I find from personal experience that other than fashion and noise, hen parties rarely cause any major crimes, but that the majority of incidents I've witnessed have come about from smaller groups and 2 guys fighting over 1 girl - those sort of scenarios
158	No
159	We have seen so many drunks and gangs of hen and stag parties in the town. I wouldn't go quite so far as to use the word "marauding" but they certainly give the city a bad name especially if they are excessively drunk and aggressive.
160	If I go to town 8-11 on a weekend I perhaps feel slightly less relaxed in terms of being more aware of not looking at the groups of girls/boys in case they shout something. Not a big deal but just a little more on guard perhaps.
161	Drinking culture is a national problem

162	The main issue is, obviously, alcohol. I've been followed by men as I try to get home, and I have witnessed some of my friends being threatened with violence (usually my male friends suffer this). However, I think York is probably the same or even slightly better than some cities in this regard (I used to live in Leeds) and I am always reassured to see quite a police presence in the area at these times, as well as students from YSJ doing charity night time patrols.
163	It just does not feel very safe. I am ashamed to take our guests from abroad into town but they get great entertainment out of watching the antics of people on the street. Unfortunately this only applies if they are safely within a restaurant. It is not very nice walking amongst these crowds.
164	I think there should be a better police presence and all anti social behaviour should be treated seriously
165	There is no obvious Police presence in the city centre. There is little actual violence thankfully but plenty of rowdy, abusive and threatening behaviour which makes you think twice about bringing visitors or the elderly into town. The bars surrounding City Screen attract a very dubious and drunk clientele making it an ordeal on occasion to go there.
166	Actually it starts from lunchtime Saturday- not just after 5pm.
167	It is mainly again from drunk people!! It does make you want to go out of York for a nice evening where there are little or no pubs.
168	It's a city centre; what do you expect
169	Have spaces better lit such as Newgate Market and other dark places where people take drugs, drink etc. and cause problems.
170	Because there is not a diversity of ages and people on the street at night there is a feeling that anything goes and becomes a no-go area for families, non-drinkers, people looking to drink less. Obviously a greater police presence would be beneficial but that can also be intimidating. York needs to set an example to the rest of the country and reclaim the streets for everyone, encouraging all of its residents to come out and enjoy attractions at night. This would make money for York and bring people together whilst creating more healthy social norms, changing what is acceptable behaviour on the streets.

171	Again, this has to be about numbers, density of pub choice, long opening hours etc. Race days are another example of the situation I'm referring to - my family and friends feel like many press reports of violence in the City this year have involved people who have travelled here from out of the area - although at least they do seem to get caught!
172	Race events make the city centre horrible evenings for residents - drunkenness from early on and irresponsible behaviour
173	I am concerned over the drunkard behaviour of stags, hens and race goers.
174	Feel safer in the town centre as more police. Feel less safe walking home as people are attacked on Melrosegate etc
175	Street Angels seem to have made a lot of difference. I am more confident when they are on duty
176	Too many drunks
177	There is a very well established binge drinking culture in York that makes it quite unsavoury on weekends and sometimes even during the week. I would say this is largely not students but young males mid twenties to 30s who feel that they can do whatever they like while they are 'out on the town' in York. Hen parties seem to fall into the same category. How people can be served alcohol when they are beyond even standing up is just incredible. Some students can be rowdy, messy litter creating gangs but apart from endangering their own lives I do not feel they add to an unsafe environment. I also think there is a strong presence of vagrants in the city centre.
178	The level of alcohol consumption affects the City.
179	Are Police off duty after 5pm?
180	Too many drunks / stag and hen parties, drunken race goers etc
181	Really dislike stag and hen parties and people being excessively drunk, like race goers. Think it gives bad impression to foreign visitors and makes local residents avoid going into town on a weekend evening. Think there should be reduction on cheap drink offers- I know from my children who are young adults that its cheaper to have doubles/ trebles at some bars. I also think bars should not serve people who are drunk.
182	The biggest issue is caused by alcohol, particularly when combined with Race Days or Stag and Hen parties
183	Too many stag & hen do's
184	No issue

185	York is like two different cities, before and after 5pm. It's a big issue that needs to be addressed. I'm very proud of the city but we are being known as a drinking city. I have had 4 friends (who live outside of York) organising stag nights here, this is because of the York's reputation. This shouldn't be what we are known for.
186	I consider the city to be generally quite safe. As a lone woman I don't have any concerns about walking home after dark.
187	The City Centre changes quite suddenly after 5pm and the drunken behaviour post 11pm is quite intimidating, loud and aggressive.
188	When walking through town at night, I do pick my route carefully to ensure that I avoid "hotspots" where you can be easily outnumbered, such as Willow or McDonald's. I think that stricter enforcement of not allowing bars and clubs to serve customers who are very much intoxicated would go a long way.
189	Groups of youths around the car parks - especially Foss Bank where in the past I have had to ask someone to go to my car with me. There are cameras in the car park but the parking people obviously do not study them.
190	I generally feel fairly safe in the city centre at most times. By my experience this is not the case for young men. I do have issue with hens/stags carrying lewd items around the town during the day
191	See previous comments
192	The later it gets, the more people are drunk and rowdy. A police presence helps, but it won't stop as people tend to pre-load before going out these days.
193	Too many idiot children hang around McDonald's throughout the evening.
194	There is not enough of a visible police presence.
195	If more places were open more families would visit and would hopefully see less anti-social behaviour.
196	I'm sure York is safer than many places at night, but I still don't feel safe, let alone welcomed, in York at night
197	I don't consider the city to be any more unsafe than any other city
198	Would like to see more police
199	York is as safe as it gets. Stop worrying about it. If you live in the centre like I do you have to expect the odd bit of trouble. Shouting drunks are not a safety issue. Police and councillors tend to over play problems. Be more worried about how dead it is most Fridays nowadays compared to Leeds .

200	I've experienced anti-social behaviour both before and after 5pm. But I've lived in York for 40 years and it's no better or worse than many other places. A late night culture in the UK would be great.
201	More policing and not promoting York as a Stag and Hen Party capital, even if it reduces the tourist traffic.
202	Large parts of the city centre are becoming no go areas after dark, populated only by the drunk and antisocial staggering from bar to bar. As a resident I find it unacceptable and I dread to think what tourists make of it.
203	More police on the streets
204	Far too many stag and hen parties, out of control with alcohol. Bars and clubs should be forced to take more responsibility on turning away people that have already had too much to drink
205	I get anxious reading in the news about homeless young violent gang attacks. i.e. the river walk near the rail station.
206	Don't feel there is any real danger, but as a ghost trail guide wouldn't feel safe walking home in a top hat or takings in my pocket.
207	I think its pretty safe compared to a lot of UK cities but, like most UK cities on Friday/Saturday and Sundays people drink too much and there's a lot of shouting and rowdiness, most of its in fun but after 10 it can get a bit desperate as some people have had way too much by then. I wouldn't go down Micklegate if you paid me on any of those nights, the last time I went down there on a Sunday (about 7pm) bank holiday there where people fighting outside Slug, people so drunk they could hardly walk staggering about the road stopping the traffic, people arguing and screaming at each other outside O'Neills, some police breaking up an argument on Lendal Bridge, it was like the end of the world (at SEVEN PM!) not a great advert for the city.
208	York, compared to other major cities I've visited, appears to have very little anti social behaviour!
209	Cars parking where the kerb is dropped. As a wheelchair user I have to go further round sometimes on the road but it's safer being pushed in a wheelchair on the road in Goodramgate than travel on the up and down uneven paths.
210	There is obviously a good police presence but there are far too many drunken idiots causing problems and making a mess.

211	I always feel safe in my city but there is always police milling around close by on an evening whether on foot or in a van there is a low key presence in the city
212	Stag and hen parties are intimidating.
213	We must have more and better street lighting.
214	Large drunk groups can feel very intimidating. Lack of police/PCSO presence at night.
215	The anti-social agenda of York Council is over-hyped. It's fine, the young get drunk, have fun, argue, kiss .. nothing i didn't do when I was in my teens and 20s, even 30s... I'm now 50+, never felt threatened...
216	Feels about the same as other towns/cities of similar size.
217	It's the drunkenness that causes the problems. If we could only prevent that / encourage more sober activities... Also, some of the antisocial behaviour seems to be caused by people travelling into York for an evening, they have less respect for locals who might live nearby.
218	York seems to be a destination city and it attracts large groups of same sex groups. This can get super rowdy and intimidating but I'm not sure what you can do about that.
219	Centred around Rougier St/Micklegate. Often caused by drink, would help if clubs closed at different times. Also trouble tends to flare at takeaways and taxi ranks. Increased number of taxis would help disperse people quicker. Rarely many available taxis at Rougier St rank after 12.30am
220	ASB happens everywhere, it is a fact of life,

In your opinion, what is good about the city centre and the activities in York after 5pm?

1	Nothing
2	Very little
3	Between 5.30pm and 7pm it is dead
4	Unique shops and the ability to support local trades people
5	Theatre cinema and restaurant
6	Very pretty, particularly in the winter and at Christmas
7	A pleasant city to walk round (if you keep away from the Micklegate end), decent pubs and restaurants, always something going on.
8	Great selection of pubs. The recent illuminating York festival was really good. York Explore library is open till 8pm which is very convenient. The new evening bus ticket on First buses is a good idea.
9	The City is still beautiful, well lit and has good cultural events
10	Good variety
11	The clubs and some shops that are open late. Some of the activities such as illuminating York.
12	Good atmosphere up to around 9pm
13	Beautiful city
14	It can be a really lively and convivial place. All sorts of different people are out on the streets - theatregoers, clubbers, buskers, the homeless, Food Not Bombs...
15	Good range of pubs
16	The buzz and atmosphere; it's a beautiful city by night and there's lots to do from a social point of view.
17	Restaurants and live music
18	The city centre always looks really pretty all lit up and there are lots of nice little bars. However all the cafes and shops are shut and there are never any evening markets or stalls or things to visit.
19	Density and variety for a small city
20	Plenty of nice restaurants, pubs and bars, as well as clubs. Also, they shut off all the roads except to taxis and buses.
21	The town is dead usually as so much is closed. I'd like more cafés and places like Borders used to be. Lots of live music.

22	There are a wide variety of restaurants bars and pubs open till late.
23	Lots of pubs
24	Very good pubs, bars and restaurants
25	The bars and clubs available.
26	Clubs are OK, pubs are fantastic!
27	Restaurants and bars and cinema (City screen)
28	Nightlife.
29	It's beautiful, especially towards Christmas as all the lights and decorations go up.
30	No shoppers Mid week can be calm and when light York looks fabulous and I'm proud to live her
31	Wide variety of activities available.
32	Quite a compact area for drinking and eating out.
33	Good variety
34	Very calm, picturesque and relaxing.
35	Day tourists have left and there's a more localised atmosphere
36	York ik beautiful in the dark - especially with the lighting! It should be enjoyed much more!
37	Lots of restaurants.
38	It's pretty and the pubs/etc are very good
39	After work.
40	Things are close together so it's easy to get around.
41	The choice of pubs is superb. There are also many great restaurants.
42	It's dense enough to have that "bustling" feeling.
43	Theatre and City Screen
44	The festivals and choice of places to eat and drink.
45	Choice
46	Restaurants and the theatre
47	Increase in cafes/restaurants opening until later.
48	Restaurants and bars
49	Very little - the cinema on Coney Street?
50	Musical concerts Wide range of restaurants
51	Lots of restaurants / coffee shops
52	The outdoor cultural shows are great (Museum Gardens, Illuminating York). They are also very child-friendly, so we attend those.

53	I LIKE that shops close at 5-6pm. Appreciate that there is a range of cultural activities - plenty of theatres, live music.
54	There are some very nice pubs!
55	I like restaurants, and there are some nice ones in town. There is also more live music available than many people credit York for, at the Basement, Fibbers, Duchess, Barbican as well as pubs, and this I like.
56	There is a good mix of things for people of all ages and interests
57	plenty of pubs and bars, plenty of people, all good
58	At the moment, very little. Special events like Illuminating York and the food festival are great.
59	Best things are the theatres.
60	Lively. varied pubs. Music scene getting better.
61	I particularly like the evening events aimed at everyone including families - such as Illuminating York and the walking around theatre type events - where there is a nice, friendly atmosphere
62	Xmas late night shopping - markets etc tend to give the place a nice glow and friendly atmosphere. Events such as Illuminating York facilitate a more family-friendly atmosphere.
63	Liveliness
64	Restaurants and cocktail bars
65	Lots of bars and restaurants. Proximity to everything.
66	The range of festivals, places to eat, bars and theatre.
67	Not a lot.
68	Good range of restaurants bars and cinemas/Theatre
69	The ability to cycle through the centre, it is a shame York cannot be more like European cities that conveniently and safely allow cyclists to cycle pedestrian areas all day
70	Large range of pubs, bars and restaurants
71	It's still quite busy after 5pm going into the evenings which is a bonus!
72	York has a vibrant cultural life after 5pm, with various bars and restaurants and cinemas and theatres. It is also a beautiful city in which to take a walk after 5pm.
73	Nice pubs
74	Variety of options available
75	The City Screen is great, as is Bettys.
76	Nice pubs and restaurants

77	It is compact and easy to get around on foot.
78	Good variety of restaurants . Live music in pubs. There is a buzz about.
79	The city is very attractive at night.
80	Cafés are still open
81	Good choice of pubs, plenty of people generally still about.
82	There are plenty of bars and restaurants to choose from.
83	Lots of nice pubs/bars.
84	Nice restaurants
85	There is plenty of variety in places to eat and drink and having the cinema is good too.
86	The range of festivals and events - though most of these happen in the winter months is seems
87	It feels safe to walk around compared to larger cities I have lived in such as Manchester
88	There is a lot, perhaps more than many cities of a similar size. Plenty of club/society friendly pubs which people can gather, many events (theatre, dance, art, live music).
89	Yes late night shopping would be great. It would help with restaurants too, and would be good if it was Wednesday or Thursday. Would also draw in a different crowd of people and 'dilute' the number of club goers etc, so they wouldn't appear so bad perhaps?
90	Lots of pubs, restaurants, clubs.
91	The City Screen is great for both films and gigs, however, if you find yourself in York after 8pm there really isn't a lot to do other than go to a pub or club. It's a shame!
92	Number of pubs and restaurants in the vicinity.
93	Lots of nice pubs
94	Not much. It's just a place to hang out and meet friends.
95	There are a lot of restaurants
96	Pubs, bars, restaurants, theatres.
97	The variety of restaurants, cocktails bars, pubs and clubs
98	The different bars, pubs and restaurants are good and varied.

99	The pubs are a brilliant part of the city and if they stayed open late I would happily spend all evening in them rather than the bars which open later. More Cafes should stay open later to offer alternatives, although City Screen is a good place to go if you want a chat and a brew.
100	The centre is beautiful and full of great places to eat and visit
101	Energy, excitement, sense of occasion - the night life of the city is a good thing it just needs to be balanced with other ways of being in the city centre. We don't want to gentrify York beyond recognition - just create a range of options and different ways of being out at night in York.
102	Great food and social scene
103	Not much
104	Real ale pubs and the local pub scene is great
105	Lots of choice so catering for all people
106	There is a diversity of offers
107	It's just a city centre.... nothing special..and that's fine
108	An excellent example of what I feel York should be like after 5pm was seen in the recent "illuminating York" festival - a good-natured throng of all ages, enjoying themselves. Unfortunately the usual rowdiness returned after 9 pm.
109	It is better than most towns. It would be good to have a more cafe society
110	Good choice of new bars in Minster Quarter. Decent Restaurants
111	Atmosphere of the city, social activities - food and drinks, cinema etc. It's a shame shops close so early because it means people leave the city early.
112	The city centre is very attractive after dark and there is a good selection of pubs and the restaurants seem to be improving. There is very little outside of that.
113	Good selection of craft beer bars
114	Live entertainment, lots of options for pubs, easy to walk around
115	Great range of cultural activities - the city screen in particular is fantastic

116	When shops are open later it encourages those who work in the city centre to shop later. I would be happy to shop later in the evening, especially in the summer months when it is lighter late on.
117	That it's full of bars and restaurants
118	Good bars and restaurants
119	Restaurants
120	The Cinema and theatres plus many of the restaurants and pubs do offer great variety and service
121	None, there needs to be more bike racks if you want people to bike into the city centre.
122	Great independent bars and restaurants. Theatre has good shows every now and again. Plus the opera house has good touring shows.
123	Restaurants and the arts venues
124	More shops seem to be opening later in the evenings until 6pm (e.g. Boots, H&M, Lush)
125	Looks nice, always safe, good events on Parliament St,
126	Lots of good places to eat
127	Generally easy to walk around and admire. Those small express shops help make the centre useful at night
128	Variety of activities
129	Currently the Christmas Lights add to the ambience Good theatres Choice of restaurants
130	Restaurants
131	Good variety of night life in terms of bars/restaurants but not much cultural activity except very rarely ie illuminate York, late museum openings etc, not many shops open
132	York is quite pretty in the dark too - I like the central cinema & nice pubs. I like that there's a bit of variety in the type of pub you can go to.
133	Vibrant and lively (although very drink focussed)
134	There is a vibrant and sociable atmosphere in the city at night
135	Shops open, lively restaurant culture and bar culture, cinema, live music, live comedy, lectures.

136	It would be hard to expect shops to stay open later regularly due to costs of staffing and heating etc. I can see that some would like a little longer though and would then possibly stay for food, drinks or cinema/theatre. If so the Park & Ride times would need extending, as they should be to help the city remain open
137	Nicely lit - some streets in the historical areas very attractive after dark
138	Ambience and general York historic buildings
139	It is an attractive and lively place and better than other comparable sites in Tyne/Tees/Yorkshire
140	Vibrant and historic - valid reason to promote tourism
141	Currently the good things about it after 5pm are, the pubs, clubs and bars. Also the cinema and various restaurants. Not a lot else shopping wise as everything closes at 5:30.
142	It is quiet on weekdays but that's not a good thing...
143	THE ACTIVITIES ALREADY MENTIONED BUT NOT ENOUGH AND TOO MUCH EMPHASIS ON THOSE WHO COME JUST TO DRINK AND GET DRUNK
144	Bars, clubs and restaurants are fantastic, and York is an ideal and rather beautiful place to visit in the evenings.
145	The city centre cinema; late night shopping at Christmas;
146	The fact that shops are not open late creates a different ambience to the night time city, it feels much more relaxed and sociable. Allowing later opening times in retail would spoil that atmosphere and make it less attractive.
147	Picturehouse Cinema. Great choice of places to eat and drink. Pubs have a good selection of quizzes, music etc.
148	Cinema, the places on Walmgate, things off the stag and hen party slalom. The theatre is great and Illuminating York this year brought the city to colourful life. This is a beautiful city - behaviour controls need bringing in.
149	Being a small city York does feel relatively safe on an evening and it is a pretty city whether on a summers evening or when decorated with Christmas lights so it is usually attractive. I also like it when you come across something unexpected like finding artwork hanging from the bar walls or the Minster lit up with lasers.
150	It is very picturesque, compact and full of wonder. However, we do not do our best to show the best parts off.

151	The pubs of the city are of national standing and are, on the whole, very well managed and very safe, pleasant places to have a social evening.
152	Lots of good pubs and restaurants, cinema and the theatre.
153	Very little. City screen is only thing that comes to mind
154	Many make the Most of the environment eg illuminating york, st Nicholas fair etc.
155	Poor
156	It is picturesque with plenty of eating, drinking and entertainment
157	The number of bars and experiences to be found in York is inexhaustible, and York attracts many people from outside the city meaning you can be guaranteed an eventful night.
158	Some varied activities at certain times of the year.
159	No activities for families
160	York is a beautiful city which buzzes at all times. It has plenty of venues and activities to suit all ages and tastes at night but one that surprises me is that the coffee bar chains close so early.
161	Bars and restaurants
162	Walking round the centre when it is less busy with shoppers to see the sights. But after 8pm, we do not stay in the centre if out for a walk, due to the drunken yobbish behaviour often seen.
163	Lots of variety, good bars, good cultural activities such as theatre and good venues for music, as well as interesting events throughout the year.
164	Pretty and so many cafes and bars. Still things to see in the streets
165	It's a safe and vibrant city centre.
166	Increasingly diverse eating and drinking experience that has emerged over last 2 decades.
167	NOTHING

168	When the shops/markets are open late, the atmosphere is completely different. York traders currently waste the opportunity that other European cities do not. I know the weather in the UK does not lend itself to Mediterranean style living, but the vibrancy of the Xmas shopping/market opportunities show that people are up for it. So, what is good are the evenings when more people are out, enjoying a range of activities, not just (predominantly) young people out boozing. What is poor is the lack of choice year round - I tried to get a cup of coffee (not in a pub) on Goodramgate on a weekday at 5pm, and failed.
169	There are lots of good attractions - places to eat, theatre, cinema
170	VARIETY
171	There are lots of nice pubs and bars all close together and in well lit safe areas
172	Early dinner offers and the abundance of cultural offerings
173	Lots of things to do, in a beautiful and pretty safe location.
174	I don't really use the city after 5pm. Once I have finished work I usually head home.
175	Markets in Parliament St. Festivals. Number of restaurants and bars giving a choice of different experiences.
176	One-off events like Blood and Chocolate Theatre.
177	Choice of beer and pubs
178	Not much
179	Late night shopping at Christmas is good, although the shops still are not open long enough!
180	Good selection of restaurants and bars, cinemas, theatres
181	Variety of activities
182	Theatre, Grand Opera House
183	The other students who make you feel like your among peers in a safe atmosphere
184	Great Bars and Restaurants
185	It's a pleasant surprise when shops stay open.
186	Stonegate area has a nice feel, particularly in the summer when can use outside seating areas.
187	Not much, unless there is a specific thing on I proactively avoid York city centre most evenings and weekends.

188	Generally safe and plenty of people around, generally good natured. Pedestrian streets and riverside is attractive setting especially in summer for wide range of activities. Festivals and artistic offer gives attractive range of activities
189	Good mix of restaurants, pubs, theatres and cinemas.
190	Variety
191	Plenty of variety in a relatively safe setting.
192	Good mix of bars and restaurants.
193	Bars and restaurants.
194	Many restaurants now make it easier to just walk in and get a table on spec.
195	Plenty of pubs and reasonable restaurants. Theatres OK but now difficult to access due to traffic restrictions and adequate parking for larger events
196	The sheer beauty and history.
197	Restaurants are of good quality and events such as illuminate York good for all the family
198	The real ale pubs and some of the restaurants
199	Plenty of choice, friendly.
200	Lots of theatre choice.
201	It is a very attractive place at night, and it is stil comparatively safe and pleasant.
202	Cultural event, Libraries open late so why not Galleries? Good bars and food offer, City Screen wonderful. All your Festivals especially Illuminating York - my kids love that and the atmosphere changes in the city at night time when that is on. Christmas events especially when the retailers open late for it. York is magical at Christmas times.
203	Range of activities.
204	I don't have an opinion as I rarely come
205	Good night life
206	Special events are good quality and very enjoyable, more please!
207	The first late night shopping days just before Xmas were great, nearly everyone open entertainment on the streets - interesting and bubbling its not just the shops that need to be open but there needs to be entertainment places bars and cafes more family friendly

208	Theatres etc.
209	The night life is much more vibrant then other local towns such as Selby and Doncaster and the setting is much more pleasant to enjoy. Plus there is a wider spread of cultured activity around the city than in other local areas.
210	Early evening offers various attractions
211	Currently, the cinema and the theatre.
212	Currently, not enough goes on in the centre after 5pm. It really feels like 5 o'clock rolls round and the city centre just stops.
213	It gives more options for people who are at work till 5 and also fo tourists to stay in the city longer and enjoy it.
214	Wide range of bars, restaurants both theatres are good but not having a venue for bigger acts is disappointing
215	There is often something happening, be that a festival by the market or a theatrical performance somewhere. It means that there is often something to do, and somewhere different to meet friends. Having a city like this improves the work-life balance.
216	City Screen
217	Eateries are good, but the centre looks drab because most of the shops are closed...if some of the bigger stores were open there would be less emphasis on drinking and getting drunk, and more focus on getting out and about
218	Not much unless you drink to excess.
219	There is little actually. If it wasn't for the fact that York is so beautiful in the dark, I would not venture in
220	Theatres.
221	Not a lot.
222	There are many good quality bars and restaurants in the city centre which seem to mainly what attracts me and others in the evening.
223	Places to eat and drink and the theatre and cinema
224	York can be vibrant and exciting, such as illuminating York, Ghost walks, and Plays in the Park but it is not viable to have these all the time. Not sure I would use late night shopping personally. Great theatres and plays but buses don't run after 8pm which means driving in or taking a taxi.
225	Pubs, cinema

226	We do have some particularly nice bars and eateries. It is a pleasure to live in such a place which is steeped in history, with amazing buildings and architecture.
227	I HAVE ALWAYS FOUND THE SOCIAL LIFE IN YORK TO BE GOOD ESPECIALLY THE PUBLIC HOUSES
228	Its mainly the nice restaurants and city screen cinema that brings us in Think about late night shopping on a Thursday like other cities. Xmastime really needs late night opening more
229	The nicer bars and restaurants.
230	Nothing much. All for tourists not residents
231	The city centre is dying, without good shops it has no future except as a tourist place. Without a radical change of plans by the council to encourage business it has no future
232	It's my home city - there's so much on offer, restaurants, entertainment, pubs, bars and cafes
233	I like that York is quite a busy town and that there is a mixture of old and new streets to walk along in the evening. For eating out, I think that York has got a good and growing foodie culture. Also, though there are issues with behaviour and safety in York, I still think it is a comparatively safe place to live and work in, and also to be out in during the evening. I have lived here for three years now and though I have had some not so nice experiences, they have not been too serious.
234	Good selection of pubs/bars/restaurants/theatres
235	Good range of cultural activities and restaurants and pubs, but atmosphere in City centre completely dominated by those drinking excessively.
236	Nothing apart from everything closing
237	Very wide range of pubs open
238	Good pubs and restaurants
239	City screen is excellent but there is no where else to go early evening. Shame bookshops don't even stay open late as Borders used to. Think many people who work in city would spend money in clothes shops etc if they were open til 7 pm as they are in other cities, as Weekends can be very busy.
240	Pubs restaurant's theatre pictures
241	Choice of pubs and restaurants, plus city screen and theatres
242	Plenty of pubs and restaurants, central cinema and theatres
243	Not a lot

244	There is a good range of options to take part in arranged activities, e.g. talks, walks, launch events. I appreciate have a city centre cinema, and the theatre. There is an excellent range of places to eat and to have a drink with friends; I particularly like the variety of venue from traditional pub to cocktail bar.
245	In summer, York is a lovely place to wander about and admire before the sun sets. There are some very good restaurants, regardless of season.
246	Nothing
247	Many different events going on. Lot of choice about where to go. Feels safe.
248	Nothing
249	Good range of pubs and restaurants
250	Some shops are open until 6pm or later. There's a great range of restaurants, bars and pubs to choose from.
251	The Minster looks nice when it's lit up. Stonegate can be quite nice as well.
252	It looks pretty
253	Nice to stroll around but not much to do.
254	City Screen is a great cinema with a good atmosphere & facilities, putting on a good variety of films and events
255	Variety of restaurants and other places to eat/drink three venues for shows/plays etc
256	Good selection of bars and restaurants
257	Mostly activities for adults
258	When it's not dead it's a lively city full of good pubs nice city centre to live in night and day
259	Number and variety of pubs and restaurants.
260	It's really nice to walk through the city centre in the evenings, the lighting is good and looks enchanting on the river and on the Guildhall and Minster. We have good theatres and now that the Barbican is open again we are getting good acts again. Activities that set us apart like The Mystery Plays, The light show at the Castle Museum, Ebor Vox and Blood and Chocolate make events interesting and want to attend. We have some fabulous restaurants and bars which are independent and welcoming.
261	The vibrancy of certain areas
262	Not much

263	Not a great deal, 1 cinema, 1 decent theatre, other than that, its bars and restaurants
264	The lighting on the cobbled streets. The cafe/bars. The trees in Parliament Street. The views from cafe windows. The cinema and theatre.
265	Swinegate area seems to do well, but the rest of the city is a bit bleak after 5.
266	York's pubs are excellent but shops should stay open till 8 or so
267	I actually love York between about 6pm and 8pm because it's at its quietest in the centre, it's really beautiful and you can walk around with plenty of space and few people about, it's nice to go sit by the river or have a drink at that time especially in spring/summer. It's that time where most people go home, leave college or go back to their hotels so it's really lovely, everyone comes out again after 8. I love a good night out but it's nice for a small city centre like York to have a couple of hours where there is a bit of space and quiet! I think it would be a bad idea to extend opening hours, shops are open 7 days a week, do we need anymore? Has anyone actually got any money to spend?
268	Vast array of eateries
269	City centre shops are shut more seating is available in parliament street.
270	Beautiful city with many nice places to go. It's the visitors that often cause the issues.
271	I think there is a good tea time bar scene, with major offices and in the city centre, these workers use the bars and restaurants after work and the bars actively advertise things such as 241 cocktails and dinner offers to them to pull them in.
272	The theatres. Restaurants are good, but if the children are with us, we would rather go out of town.
273	It can be quieter, and easier to move around.
274	Good variety of bars with quiz's and events. Excellent city centre cinema. Nice restaurants. Generally good touring productions/comedians at the theatre.
275	Theatres, cinema, restaurants
276	its fine, just let businesses do their thing....
277	The range of pubs and restaurants.
278	Good pubs

279	York is such an accessible city - small enough to traverse in a few minutes, small enough to care. It has some lovely, interesting, independent restaurants and bars.
280	Cultural, tradition and historical nature
281	York has excellent restaurants, and excellent pubs. I just wish we could use the pubs more at the weekend.
282	Plenty of theatre and cinema, and some good restaurants
283	Caters for all tastes, some fantastic bars and pubs with great character and personality
284	Its compact, don't have far to walk to get around. Lots of nice restaurants & bars

Please give one suggestion of what might improve your use or enjoyment of the city centre after 5pm?

1	Summer jazz cafe - open air.
2	Freedom to use all of the Roads & Streets & I am not just on about Lendal Bridge but I do think we use too many unnecessary traffic lights, for instance prior to the Lendal change when the lights at the end of Gillygate/Bootham/Exhibition Square are off the traffic runs much smoother.
3	Stop pushing York to become Blackpool and more like London. Create pedestrian areas with outside bars and tables with heated areas
4	Shops opening later, films starting earlier
5	More things to do: museums, galleries, shopping, etc.
6	Shops open later
7	Less drunken people
8	Stop cars travelling in at night
9	If the park and ride buses ran later into the evening.
10	Street vendors/singers/events.
11	More open shops
12	As previously stated at the beginning of this survey.
13	Less drunk people
14	A slower speed limit - 30mph outside of foot street hours is crazy.
15	More non-pub opening
16	Better public transport. Not particularly relevant given how close I currently live to the city centre, but when I lived just slightly further out the fact that buses stopped running quite early often deterred me from visiting the city centre.
17	I would love to see shops open after 5pm. I don't understand why they would not stay open later. It seems that many people would like to shop after work, but can't. There is potential business being lost.
18	Allow for other activities than just drinking alcohol.
19	An evening market!!
20	Shops open later, more options for cinema in the town centre etc
21	Extended pedestrian hours on foot streets
22	More lighting in the older part of the city
23	More buses

24	More live music venues, shops opening later would be nice.
25	More frequent buses.
26	I would love to see occasional night markets - food related especially.
27	More police presence in the centre
28	Better maps/ information
29	Better lighting in some areas
30	More (social) control and policing of alcohol abuse. I am not referring to people drinking in public, but the people wandering around drunk looking for places to drink.
31	Late night shopping, I often don't finish uni until 6 so cannot enjoy shopping in York until the weekends when it is not enjoyable because it is crowded with tourist
32	More to do other than eat and drink.
33	Longer opening hours of shops, more deals on restaurants etc
34	Cheaper drinking.
35	More bars and clubs should be opened to develop York's nightlife. There are a lot of pubs, but these don't always cater to students.
36	Night buses.
37	More bars that aren't chain bars.
38	Get attractions opening later as well
39	More evidence of purposeful evening activities, including more shops being open until 7-8 pm-ish.
40	Better shows at the theatres - not much to choose from currently. No decent dance clubs eg. jazz or salsa, unless you want to go clubbing
41	Less drunkenness.
42	More frequent and later running buses Shops open longer on a couple of days a week
43	Start by opening Lendal Bridge
44	More non alcohol based establishments opening later.
45	Cheaper bus fares
46	Find some way to stop hordes of drunk young men shouting abuse, and inebriated women being sick on the street
47	I would prefer it if there were less bars and fewer drunk people.
48	Better parking

49	Bring back The Arts Centre (formerly at the bottom of Micklegate) or establish an equivalent space that supports serious clubbing culture (as opposed [offensive] culture of York on a Friday/Saturday night).
50	See earlier answer.
51	More live "street" entertainment. Maybe a monthly or bi-monthly event showcasing local musical talent. Could be with in conjunction with The Duchess, Fibbers, Basement Bar, MOR Music and other local businesses
52	Clean the streets!!!
53	More places to go where you don't have to drink alcohol - there are very few alternatives.
54	Later cafe opening times
55	Late night coffee shops. Few places to take kids for refreshment that wasn't a pub. eg. No where to go after illuminating York apart from rowdy McDonalds.
56	Clamp down on drunken people - particularly men who seem to think it is Ok to shout obscenities, urinate in public etc etc
57	Have more things open that aren't pubs (cafes, shops, library, museums, etc).
58	More shops and cafes open
59	More retail shops open later.
60	Opening supermarkets later in the night.
61	Buses to get home up until 11.30 at night both Friday and Saturday as a minimum, but preferably throughout the week.
62	Everything open later. Places to sit down and relax that aren't bars, pubs, or restaurants
63	More frequent evening bus service after 8pm serving both Railway Station and Fulford - why not keep the park and ride running every 20 mins on Friday and Saturday evenings?
64	Making the environment feel safer for women
65	Later opening hours for cafes and coffee shops - I am unlikely to be tempted into the city by later retail shopping opening hours, but options for places to meet that are not bars or restaurants would tempt me in, and bring more enjoyment.
66	Shops staying open later. Less traffic restrictions!

67	Cheaper public transport More buses after 8pm More taxis available in evening, better lit and more secure taxi ranks. Discounts for local residents Binge drinking & low-level drug taking culture tackled effectively
68	Developing Piccadilly/Parliament Street for family friendly cafe culture
69	Shops staying open later.
70	Less anti-social behaviour - shouting and screaming, [urinating] in doorways, fighting etc...
71	More late shops
72	Later shopping hours
73	More visible policing later on.
74	I would appreciate shops being open past 5pm as it would make it a lot easier for myself to do shopping after work.
75	Arthouse cinema
76	More variety of types of things to.
77	More events in the summer targeted at residents not tourists
78	Food markets summer and winter
79	It is very off putting to to go to the city centre on race days. Sometimes I do not venture into the city because of this. Too many drunk, loud, rowdy and sometimes aggressive race goers. However I'm not sure if the Council are able to make any measures to improve the situation and you hopefully know this is a common complaint of York residents. It cannot be a matter of control, as this would be exclusive, but I think a matter of behaviour of a minority of people travelling to York specifically for the race days. Although I think the policing is very good, the problem seems to either be the same or worse. Perhaps more policing is required on race day evenings? My cousin came through York by train on her way back to Newcastle. She was absolutely disgusted by the behaviour of the people on the train (they all had got on at York, from the races). Perhaps BTP should travel on these trains (like they do at football matches). To be honest I don't think York Racecourse do enough to support either the police or the City Council to help to improve the situation in the city centre or the railway station. Perhaps they should be thinking about providing their own city centre / railway station security patrols?
80	Fewer lairy people
81	Longer shopping hours,

82	Later opening for shops. No one who works full time can manage to get into the centre to shop before they close! Therefore I go out of town to Monks Cross/Clifton Moor. Would be better to keep the business in the centre surely?
83	More interesting clubs
84	Free buses to the city centre.
85	More family friendly activities
86	Abolishing cheap late night trains back to the North East. Make the last train that stops in York on a Friday and Saturday night 8pm and see an instant change for the better. It's not rocket science!
87	More cleaning & more Police, fewer drunks.
88	Later opening hours of shops would mean that I would stay in the city centre longer and more likely stay out for tea and a few drinks
89	Less hen parties!
90	The support of subculture. For a city which could be arts diverse York is very restricted by a facile choice between bars that all offer the same thing. For anybody who wants an alternative there currently isn't one.
91	The centre needs to be a safe, family friendly place that encourages good behaviour and discourages anti social behaviour
92	More cafes, low key music venues, different cultural offers
93	More for younger people to do, a place to go and meet friends that's warm and 'cool'
94	Improved safety
95	Making it illegal for students to spend 12 hours getting [drunk] every night
96	More shops being open to say 7pm
97	Live music, even if it's just coffee house sessions once a week.
98	More bars, not clubs with later licenses
99	Stop supermarkets opening in the evening selling cheap alcohol
100	Clean the streets
101	Limit alcohol sales.
102	Less drunks
103	Shops open later even one night a week
104	More regular shops open late
105	See previous answer, plus more variety of family entertainment and events.

106	Not much that a council can do about it but... more coffee shops staying open in to the evening would be great. 5pm is a misleading time, most people finish work at 6-6:30pm, so there evening is generally 7pm-10pm. Too many events etc stop at 7pm.
107	More Craft Beer Bars Less mass produced lager drinking Barns
108	Open the shops
109	A better atmosphere. It seems as though the city belongs to the drunks once the evening starts. I'd say 5 pm is not a good cut off; the drunks don't start that early, except on weekends.
110	Clean the footpaths. Don't mind the stag/hen do's per se, they're just having a good time, but the physical evidence left behind - the dirt, the vomit, the blood, the rubbish - is disgusting. Have seen no evidence of street cleaning in the 9 years I've lived here.
111	Pubs that don't play really loud music - early on, people are there to chat and socialise rather than dance so it doesn't really create a good atmosphere, it just ends up with everyone shouting to be heard. I love going out for dinner and drinks with friends but we find ourselves sticking to our local pub out of York as we can't hear each other talk.
112	More bars and restaurants and a bit of street entertainment
113	As above and also stop hen dos
114	See above about drinking control and cleanliness
115	Making the city centre more accessible with less buses would improve it dramatically.
116	If shops and cafes were open later.
117	York has a vibrant local art/music/bar/cinema culture and currently the council make it very hard for this to flourish due to lack of interest and punishing good local businesses for the faults of large chains, cheap deals in supermarkets and alcohol day-trippers.
118	More shops open! I prefer shopping in the week to on the weekend when the city is usually horrendously busy, so if even more shops opened later I would definitely visit them.
119	Opening shops longer would be the main thing. I work 9-5.30, Mon-Fri, it's impossible to buy a new shirt for work or any other non-supermarket item during the week unless I rush about at lunchtime. Even till 7pm would make a massive difference. And it's a virtuous circle, if there were more shops open, you'd have more people around the place buying stuff.

120	More police on the streets at the weekend
121	Clamp down on the rowdiness of clubs and late bars
122	More shops open later
123	Later buses so can stay out later or not have to walk home from work
124	Getting rid of stag and hen do's. Diverting race goes out of the city.
125	Cleaning up the broken glass.
126	Have stores stay open longer - especially for the holidays!
127	Better public transport, travel to work by Park & Ride but the sites close too early to leave the car there and this means a trip home and then back in by car, very few buses in the evening.
128	Improve access for cars and increase car parking spaces whilst reducing parking charges
129	More late night shopping, more cafes and coffee shops open in the early evening. More to do
130	More cultural festivals like Illuminating York that kept families involved in the city centre longer, moving around the city and adding the cultural vibrancy and feel of the city.
131	Free car parking on streets in all streets after 6pm til midnight except where emergency vehicles would be impeded. Europe has this in similar cities. Park & Ride should operate til much later-midnight and later on Fri/sats. This would encourage broader demographic and might encourage retailers to stay open later which would make city more popular.
132	Less drunkenness please.
133	During festive periods, improved Xmas lighting and evening events. More visible presence of security eg police/community support
134	Shops open till 8pm
135	Encourage more volunteers to join the Street Angels
136	Free park and ride after 6.00pm and extend certain routes after midnight
137	Have a few more shops and cafe's open in the centre, it would make things a little more exciting after finishing work.
138	If more shops were open, as I used to live in Newcastle and there all the shops are open until at least 8pm.

139	More shops open, more activities and cultural events. Need an arts, exhibition, entertainment and cultural centre (Bonding Warehouse would be ideal venue)
140	Later opening hrs for shops /more family friendly evening markets /street performers like at Covent Garden. Zero tolerance on drinking in the street. Clean up the Micklegate run. Have Street Angels/police to prevent anti social behaviour. York illuminated is so beautiful make the most of this
141	Extending opening hours of larger shops and smaller cafes.
142	Fewer drunks!
143	More activities
144	More parking space available at free or very low cost. It would greatly improve accessibility for more frequent visits and more time spent on the available activities. It may encourage new activities to become available if people knew they could access them easily and not have late night buses to wait around for, reduce the sense of vulnerability etc.
145	Stop the drunkards!
146	More lighting
147	More city centre activities, but not related to food or markets.
148	A reduction in the number of visiting groups that get drunk in the city.
149	Make it cleaner.
150	Properly manage the licences of pubs. Stop them serving drunk people. Shops open later. Cafés open later
151	Longer shop hours and free parking or improved bus links, park and ride opening later etc.
152	Better control of the drunken hoards later at night.
153	York very much attracts people whose main aim is to get drunk. It's very much a stag-do and hen-party destination. If York was able to create a strong after-hours identity - like Manchester or Liverpool - with a vibrant community atmosphere it would be much more attractive to other revellers from outside the city. Free outdoor festivals are an excellent way to make this happen. Hull Freedom Festival is an excellent example of an event which has helped to define a city's nightlife economy.
154	It needs to be cleaner - a lot cleaner and less sick!
155	Better transport options in and out of the city after 11pm - other than taxi's or driving myself in and out of town.

156	Free parking
157	If I was able to use public transport to get in and out of the city.
158	Installation of temporary portable urinals
159	Summer - pavement cafe/restaurants/bars open for longer - street entertainment (organised not blaring out same stuff all night) more relaxed atmosphere after finished work.
160	Already given
161	As previously stated re police uniform patrols on foot in city centre.
162	Apart from the over zealous bouncers I am very happy with all aspects of York on a night
163	More buskers and later shopping
164	Cheaper parking
165	Bigger 'cafe culture'
166	GET RID OF THE DRUNKS
167	Later opening of non-alcohol venues - I include shops and cafes in that suggestion.
168	Somehow - and I appreciate this will be difficult - but persuade less "hen" and "stag" parties to visit the city.
169	More late/all night takeaways, cheaper pubs and bars
170	Greater variety of shops open late.
171	Less ASB
172	Later opening hours of shops and cafes. Why not open an hour later and shut an hour later? If you work in the centre and have to hang around for, say, an exercise class there are very few places open after 5, unless you want to go to a pub (the library being a notable and welcome exception). Illuminating York is great at getting people into the city in the evening, but each year I wonder why the shops don't stay open (how about a very early Christmas Thursday evening late night shopping?) and why the cafes aren't open and doing a roaring trade in hot drinks and mulled wine!!
173	A better cinema - City Screen is great if you like alternative films, but it doesn't show many of the main stream films my son would like to see, I have to hike up to Clifton Moor to Vue. This costs me bus fare and is time consuming. I think it could do with a leisure centre for kids with activities aimed at getting them moving about. Somewhere you could leave them for a couple of hours whilst you shopped in peace. People would be prepared to pay for that luxury. Kids hate shopping and parents hate bringing their kids shopping. No brainer!!

174	Enforcement of law that says people shouldn't be served with alcohol if they are already drunk.
175	More things for younger people and non-drinkers. Cheaper pubs.
176	Discourage stag/hen parties and other big, often drunken, groups somehow
177	If the centre of York had a more safe, and family friendly feeling on an evening that would help.
178	More protective factors, PSCOs? Lighting
179	Better public bus service from Bishopthorpe/South Bank area
180	Less threatening atmosphere from drinkers particularly
181	If locals were more open and welcoming to their students population
182	Open shops later - retail argue they are losing money to Internet shopping but a lot of people now work full time and the shops are only open when you are at work. Open late and you will encourage more people to come into town and shop and then stay to drink and eat
183	More shops open for longer.
184	Get rid of the drunks.
185	More cafes, museums being open and more focus upon family/dining than getting smashed up on Mickelgate.
186	In Newcastle, many of the city centre shops are open until 8pm on Thursdays all year round. If a similar scheme operated in York I think it would help residents and tourists alike, who often feel stranded after 5pm. At present, the main use of York city centre after 5pm is for eating and drinking. If there were, for example, non-alcoholic options available (cafes, non-alcoholic bars), there would be a more 'family-friendly' feel and hopefully less drunkenness and anti-social behaviour.
187	Remove vehicular traffic entirely from key streets so operate more like Stonegate
188	Less rowdy and drunken behaviour.
189	Things are fine as they are.
190	Night buses, cheaper means of getting home after a night out.
191	Better public transport, but also to surrounding areas
192	Less tolerance of group dos? Is this possible?
193	More family orientated area/s. Better policing, particularly in winter

194	Improve bus services, more frequent and running later.
195	That the city and people using the facilities be treated with respect. Not having rude loud-mouthed drunks parading the streets.
196	Less stag and hen parties please but that's probably just my age creeping up on me
197	Better policing of licensing laws
198	Difficult to say as it is unrealistic to have greater enforcement on large groups.
199	Ban stag and hen parties - places selling cheap alcohol
200	If more cafes would stay open later so you don't just have to go to pubs for refreshment. This might encourage more families to use the city after 5pm with a corresponding change in atmosphere.
201	Later retail offer, including the Parliament Street markets
202	Shops open later
203	If only I could feel less apprehensive
204	Keep more cafes/coffee shops open for people that don't want a full blown meal but want a coffee and a snack with work colleagues/friends/partner. Not everyone wants to go straight to the pub and get leathered. Look at what Newcastle does, Live after Five.
205	The German bar in Parliament St was very good. More of that, the food festival staying open later
206	Higher crackdown on anti-social behaviour, gangs of youths, stag and hen parties all ruining the city.
207	Pop up bars, cafes, activities - temporary but effective and adds really difference and ingenuity to York's night life that Leeds and Sheffield don't have presently. Perhaps a pop-up film club that screens films in different exciting locations across the city?
208	Extended shopping hours and more pavement cafes
209	Removal of car parking charges at 5pm
210	More events like open air theatre performances and "moving theatre" like Blood & Chocolate would be more than welcomed.
211	Allow shops to stay open till 7pm year round not just during late night shopping up to Christmas.
212	Shops open later.
213	Make it look better because of high rents and business rates tenants cannot afford to look after their premises

214	If some of the shops stayed open longer - even on specific nights of the week if all the time wasn't feasible - it would mean that a lot of people who work in the city (for Aviva, the council, as well as lots of the shops and restaurants) would be able to make best use of the time. I work in the city centre but often end up going to Monks Cross to do my shopping after work because I finish at 5 and there just isn't enough time left in town. Also, this might cut down problems at the weekend a little bit, because people like me wouldn't try to come in on busier days if we could just as easily come in on a weeknight.
215	Later opening hours of shops. More residential areas within the centre
216	Guests visiting the city have to return to their cars at the park and ride by 8pm in summer and are reluctant to return to eat out of the city. If the buses ran later they would remain in town to eat. This is the comments I have received from guests and friends
217	More child friendly environments...some places don't welcome children after 6pm or 8pm...very different to Europe where families are made to feel welcome
218	Better offerings at the theatres, perhaps street entertainers - fire jugglers, singers. Late night shopping.
219	Just more open. Especially restaurants
220	Ban Hen/Stag parties.
221	Cafes staying open later, family events away from pubs and cheaper deals when eating.
222	Outside areas to sit to read, have a drink(coffee/or alcohol)
223	Free parking.
224	Being able to come to work on the park and ride and then go for a spontaneous drink after work without worrying about catching the 8 o clock last bus or being locked in the P & R. 8 o clock is far too early.
225	Not sure as more activities may not necessarily draw more people in, especially in the dark winter months when many just want to go home after work. There is already an excellent selection of pubs and restaurants in the city. Less anti social behaviour would certainly encourage more people to stay but a difficult one to address.

226	Shops, markets street art, buskers, street performance, music, film, non alcoholic communal drinking areas, dance halls, parks, river cruises, cafe culture, zero tolerance anti social behaviour fines, fairgrounds, free parking
227	I think it's a fine line between attracting the business of hen/stag parties and race-goers whilst maintaining civility and safety in the town centre after dark. Our City is a small place and with the best will we can't expand the pub scene to the four corners of it. However, in an ideal world, I would like to see a reduction in fun pubs and an expansion of the Stonegate Quarter
228	Lighting, like I have said before about Parliament Street area, make it into a spectacle and somewhere to visit. Improve lighting across the city centre and improve bus services. Improve train times too and from Harrogate. Improve bus services to and from outlying villages. The food festival was fab, champagne tent and real ales in Parliament Street was brilliant. Do something like this more often with additional activities encouraging people to visit. In summer that space could be used so much better.
229	Residents only evening offers
230	Later buses.
231	More pubs with entertainment for older people
232	Employ someone to organise "events/activities" in the city centre
233	Fewer drunks
234	I think that stricter policies on not serving customers who are already drunk would be good. It is not about how long people stay out for, it's what they do in that time. I don't think that places need to shut earlier or that there needs to be less pubs/clubs just tighter control on drinking.
235	As I work until 5 it would be good if coffee shops and shops staying open later.
236	Less excessive drinking, cleaner environment.
237	Greater police presence to deal with jobs
238	Good bookshop cafe to go and browse in and more shops open. Reduction in hen and stag dos and reduction in loud abusive drunks
239	Fewer Stag and Hen parties - they are giving York a bad reputation on Saturday nights. If I had a young family I would not take them near York city centre on a Saturday night for this reason.

240	On-street parking
241	Change the hours the shops are allowed to take deliveries
242	Friendly family to go areas, where drinkers aren't welcome
243	More businesses open after 5.30pm, especially coffee shops. Less rubbish in the street.
244	More events like the food festival in Parliament Street
245	In summer, York is still very much busy at 17:00 when a lot of shops are closing. A large campaign to extend opening hours to 18:00 could prove to be very beneficial to both customer and shopkeeper.
246	Less hen dos
247	Later Market, Open Shops, More activities other than drinking.....
248	A place like City Screen that is warm to sit in between October and April!
249	More events for locals
250	Later opening shops and cafés
251	Less beggars.
252	Later opening for shops; ban hen and stag parties, on-the-spot fines for drunkenness and lewd behaviour,
253	A decent cinema chain. Better parking on the north/west side. More active policing outside McDonald's. More outdoor entertainment.
254	Street food stalls.
255	Making the city feel safer and more pleasant to walk around at night
256	Visibility of security in terms of actual people be they police or others on foot
257	More events or things to do
258	Shops opening later as in bigger cities would encourage more shoppers and make it less drinking focused.
259	More coffee shops open
260	I can't
261	Public transport after 8pm in the Rawcliffe area
262	Better late night buses
263	A safer, more family friendly atmosphere with less antisocial and drunken behaviour.
264	Keep shops open
265	Being allowed to park right in the city centre after 6pm

266	No tramps in doorways. Sign posts with times of music/events/busking in the city that day and the next, at the entrance of the bar walls. The buskers would earn more as some are only on for less than an hour.
267	Shops and museums open later: until 8-8.30 at least. Something to keep Parliament Street alive; at least a cafe with tables where families could sit. Tourist information open later.
268	More street drinking like in London and Europe
269	Discourage stag and hen nights
270	Just keep it clean and tidy and light the place nicely, check out some European towns (Bruges, older areas of Paris) they light the places creatively and it can be very attractive, it brings the best out of the unusual or older architecture, it wouldn't necessarily cost much more. Maybe keep some of the coffee shops open a bit later? There's not really anywhere in the centre where you can sit outside and have a coffee after 5.30 they all seem to shut, its fine by the river but it would be nice to have that outside cafe culture that the Europeans have all day. York seems to have a bit of it but then it disappears about 5pm and turns into an English pub town.
271	LGBT Venue
272	Less street cafes during the day. York gets that full you can't get free seating all taken up by others but plenty of seats in street cafes but if you want to sit there you have to buy something. This affects the wife more, she is disabled. My carer and pushes me in the wheelchair. I have difficulty accessing most shops not having a standard wheelchair. There must be more like me.
273	Less [idiots].
274	The Swinegate area has nice feel to it, similar to that of Jesmond in Newcastle with the fairy lights / street lights all year round. It would be nice to see this sort of feel in the corner of pitcher piano/ revs city screen. Perhaps something in the dead space of that central area?
275	Less drunks and antisocial behaviour.
276	Better parking for residents - we do not use as much as we could due to there being extremely limited parking and not everyone rides cycles or uses dirty unreliable buses.
277	Feeling safer. Cleaner!!
278	Abandoning all the anti-car measures put in place over the last few years

279	Clean the rubbish off the streets
280	Better, more decorative lighting to lighten the streets (even main areas are quite dark sometimes).
281	Large bookshop (but Borders has gone)
282	It would be lovely to be able to have a coffee past 6pm in the city. Events like Blood and Chocolate are great for bringing people to the city in the evenings.
283	In the week York is fine and is a great place to be. The weekends are a different story due to huge rowdy same sex groups. Might I add the groups are not students - they are much older.
284	More things happening between 5 -8
285	Closure of Salvation! That plus the opposite takeaway = disturbances waiting to happen.
286	Would welcome more varied activities in the city centre. Shops to stay open later

Night Time Corporate Economy Scrutiny Review

Information on New City Marketing Organisation

A new city marketing organisation is being developed to build on the way York is promoted as a visitor destination and business location (referenced at paragraph 52 of the scrutiny review report for the Task group meeting on 25 February 2014).

A report setting out the specific productivity challenges the city faces went to Cabinet in November 2013, recommending the development of a number of new approaches to attracting investment. One of which was a new approach to delivering marketing, culture, tourism and business development for the city.

The aim and outcomes

The aim of pursuing this new approach is to build on the city's strong quality of life, culture and people assets to attract more investment and visitors to the city – creating a more professional and dynamic approach to promoting and securing interest in doing business in, visiting and living in the city of York.

The proposed outcomes are:

- To deliver greater inward investment, and thus market share, for York in its key growth sectors, including those sub-sectors in which the city has a strength of assets, particularly life science – related industries, high-tech industries and business services
- To increase the value of the visitor economy through promoting innovation and higher quality in the existing offer and encouraging high value visitor economy investment
- To achieve a stronger coordination and promotion of the city's profile and cultural offering underpinning that profile

The principles

A new way forward is sought on the basis of the following principles:

- **A joined up approach to “Brand York”** – Although there is a need for different marketing strategies to different audiences, the new model will

seek to coordinate those various “sub-brands” and strategies to align and work together to the overall “Brand York”

- **A joined up offer for business and visitors** – The new model will provide a truly joined up, professional and supportive front door for the city for visitors and business looking to explore what the city has to offer them. However, there are a multitude of agencies and organisations working in markets beyond the city every day, and it is recognised that a business or visitor should feel as welcome and get the right message at whatever point of contact they make.
- **Coordination not duplication** – the new model will establish a framework within which partners can come together to promote the city as a destination for living, working and visiting, and creating a coordinated offer.
- **The culture of the place is fundamental** – Culture, including the full spectrum of creative and cultural industries, including the heritage of the city, the arts, and innovation which is quickly developing in the city, is the city’s distinguishing asset and the golden thread that links both the visitor and business economy.
- **Commercial viability** – Whilst the Council and other public sector bodies may currently be able to support the activities envisioned in the new model, there is a growing recognition that the public purse is facing further constraints in future, such that any new model will need to develop commercial viability, partially in the short term but much more so in the future. This commercial basis can be derived from a number of income streams, several of which are explored later in this report and will be explored fully in the development of a new model.

From the outset the new model will deliver against the following remits:

Branding

- Develop and manage a **strong, clearly identifiable destination brand** that will help us to attract investment, talent, students and tourists. Engage all businesses and organisations as brand ambassadors along similar lines to what has been achieved with I Amsterdam
- Lead on a **proactive marketing strategy for the city** that will increase York’s share of domestic and international markets – both in terms of the visitor and wider economies

Culture

- **Attract / facilitate high impact, strategic cultural events commensurate with developing York as a world-class destination** - pulling in the cultural events function currently provided within the Council
- Coordinate and champion the development and delivery of a **city cultural strategy and ambition**, for the benefit of residents, businesses and visitors alike, including the development of a framework for monitoring performance and progress
- **Take a proactive role in “curating” a cultural programme that will deliver against the city’s cultural strategy**, directing strategic programmes and identifying key projects and partners to deliver them

Business and Leisure Visitor Economy

- Deliver an exceptional world-class service for leisure and business visitors using digital, telephone and face-to-face **communication**,
- Establish a joined-up approach to **product development** involving tourism, cultural and leisure businesses to generate investment in the city
- Deliver a city-wide approach to **lead generation for conference activity** –creating a “York sales team” to win convention and meetings business and resourcing a full conference desk support service
- Provide a **city-centre management function** to ensure the best quality environment for visitors, residents and businesses

Business development

- Where appropriate, coordinate **support to and encourage innovation with businesses** through local, regional and national partners
- Provide **proactive lead generation in inward investment** for the city, acting as a first point of contact for interested businesses, investors and developers looking to invest in or locate in the city.
- Scope and engage with **potential new domestic and international markets** for the city of York to target for business opportunities and connections – whether inward investment, joint venture or other such opportunities.

- **Provide sector intelligence** to the Council and other partners shaping public and other services for business.

This will be a **highly proactive, private-public sector led approach** fitting with the York Economic Partnership's aim to create the environment for business growth. It will sit alongside the proposed joint venture for development, which will target the establishment of the hard infrastructure – sites and physical infrastructure, including roads, rail, digital and energy provision.

Report of the AD Housing & Community Safety

Safer York Partnership Update on the Work of AVANTE**Summary**

1. This report presents updated information on the work of Safer York Partnership's Alcohol & Violence in the Night Time Economy (AVANTE) multi-agency task group in support of the corporate scrutiny review into York's Night Time Economy.

Background

2. At its meeting on 24 June 2013, CSMC expressed interest in developing a theme around the Night Time Economy worthy of 'corporate review', and received a briefing paper in support.
3. The briefing suggested a number of possible areas for review associated with the Night Time Economy which would support the Council's current key priorities in its Council Plan 2011-2015. They agreed to proceed with the theme and requested each of the Overview and Scrutiny Committees identify a suitable review remit in line with their individual terms of reference.
4. The Community Safety Overview and Scrutiny Committee received an initial briefing from Tanya Lyon, Crime Reduction Manager, Safer York Partnership on the work that the Alcohol and Violence in the Night Time Economy (AVANTE) task group was delivering in relation to tackling crime and anti-social behaviour resulting from excessive alcohol consumption.
5. This report provides an update on the work of AVANTE.

11. Data Analysis

There is a decrease in reported violent crime with a predicted 250 decrease compared to last year. In the current CIZ, 46 crimes were recorded in December which was a slight increase on previous months, however there is no clear emerging pattern. ASB levels remain similar to last year with noise nuisance relatively low. MEDACS data (obtained from the police custody suite) is being monitored to build an evidence

base to support a possible Rest and Recovery Centre or static ambulance unit within the city centre. No problem premises have been identified, although data obtained from the Ambulance Service shows a high demand for service in Blake Street.

PREVENTATIVE ACTIVITIES IN RELATION TO VIOLENT CRIME/RISKY BEHAVIOUR ASSOCIATED WITH ALCOHOL MISUSE

12. Operation Safari

This is a multi-agency operational model to combat alcohol related violence and disorder at key times of the year e.g. Freshers Week, races, public holidays etc remains in place. A new contract has been awarded to APEX Radio Systems Ltd to run the Storenet/Nightsafe radio scheme. This is a new digital radio system with a host of new features allowing better monitoring of the radio usage by the police. The contract is due to begin at the beginning of April in time for the start of the tourist season.

13. Operation Erase

This is a multi-agency operation to tackle the large number of people coming to York from the North East at weekends and consuming large amounts of alcohol, is to be revamped with a view to achieving greater impact. Options are being sought to fund police overtime and support from West Yorkshire's mounted section

14. Pubwatch

Work is underway through Pubwatch to look at the issue of 5pm-8pm closure of businesses in the city and ways to encourage visitors to visit or remain in the city at this time. Police licensing are looking at ID confiscation and an operational standard for drinks promotions/pricing. Whilst it is not mandatory to attend Pubwatch, all licensees are encouraged to attend meetings. Much of the current discussion at Pubwatch is centred on the forthcoming Tour de France and ensuring that licensees are involved in work to ensure visitors and residents are safe in the city.

15. Links to the Universities

Work continues with the universities and Student Unions to provide preventative advice on campus and improve co-ordination of activity around key student social events. Successful bids for funding from the PCC and SYP have resulted in the launch of a crime prevention campaign entitled 'Call it in'. The aim is to increase students' willingness to report crime and suspicious activity. By improving dialogue between

students, police and campus security, this provides help and support for students who have been victims of crime. The funding received is being used to provide an educational film, leaflets and victim crime packs. York University Students Union is also working with the Street Angels to introduce a similar initiative for their students on Club Nights. It is hoped this will ease pressure on NYP and the Emergency Department at York Hospital. There has been an increase in reports of drink spiking with students both on and off campus. Anti-spiking tops are being given out but as incidents have not been reported to the police, the increase is not showing in police data sets.

16. **Rest and Recovery**

A multi-agency meeting was held at the hospital Emergency Department before Christmas to discuss the problems caused by those in drink, particularly during the St Nicholas Fayre weekend. At that meeting there was universal support for diverting those 'in drink' away from the ED and police custody by providing somewhere safe for them to be monitored whilst they sober up. A meeting was held on 22nd January to discuss this further and agreed that an initial evidence base for such a centre should be identified from police custody records and other relevant data sets. SYP's Crime Reduction Manager met with the Yorkshire Ambulance Service on 11th February to look at the possibility of establishing a static ambulance unit in the city centre which would be deployed each weekend at a regular time (until the early hours of the morning). This would allow agencies to signpost individuals to this facility and is based on a successful initiative in Leeds City Centre.

17. **Street Angels**

Work continues with Street Angels with a pilot scheme using their Night Bus located in the city centre Friday and Saturday nights from 2130 until 0230. The bus will be clearly branded and will be located in Parliament Street. It is intended that one of the Street Angels team of three will be deployed on the bus to assist with 'rest and recover' and another team member will patrol the city. It has been suggested that the bus move location to Rougier Street later in the evening. Street Angels will be provided with a nightsafe radio under the new contract. *Further information on the work of Street Angels is included in the Health Scrutiny Review final report included elsewhere on the agenda for this meeting.*

18. **Restriction on Sales of Super Strength Alcohol**

This is an initiative which has been successfully implemented in Ipswich and involves the banning of sales of super strength alcohol by Suffolk

Police as a mechanism to tackle problematic street drinking. A presentation will be given at the Institute of Licensing meeting on 4th March by a representative from Wakefield to talk about their experience of implementing such a scheme.

ENFORCEMENT ACTIVITY

19. Refresh of City of York Council's Licensing Policy

A report has been submitted to the Licensing Committee and has gone out to consultation until 7th February. The final stage is for the report to be submitted to full Council for approval in March. Work is underway to refresh the whole policy, including the inclusion of safeguarding services. The policy will refer specifically to the off license trade and include reference to possible sanctions that can be imposed on those businesses who fail to meet the requirements of the policy. These could include restriction on % alcohol sold or restricted hours.

20. Alcohol Restriction Zone (ARZ - previously Designated Public Place Orders)

The ARZ has been approved. Legal notices are to go out and signage has been ordered funded by SYP. The ARZ will formerly be implemented on 31st March 2014 with associated PR to include British Transport Police and York Railway Station. The new ARZ covers the area within the Bar Walls. This will ensure simplify the current DPPO landscape, making it more obvious to the police where the powers to seize alcohol apply. Under the development of the joint police/City of York Council Anti-social behaviour Hub, Council Enforcement Officers will also have the power to seize alcohol granted by the Chief Constable under the Community Safety Accreditation Scheme.

21. Cumulative Impact Zone Review

CIZ consultation is currently ongoing with a view to including off licence premises and extending the area of the current CIZ. Data from the CIZ has shown that this initiative does impact in reducing incidents of crime and ASB within the zone. The CIZ currently covers premises within the City Centre/Micklegate area but will be extended to include the Back Swinegate area, expansion to the Goodramgate area and expansion into the Fossgate area as well as inclusion of missing properties in Spurriergate.

22. Alcohol Referral Projects

Lifeline, the organisation contracted by the DAAT to provide drug and alcohol treatment is currently in the process of recruiting a worker to

support the implementation of an Alcohol Referral Project. Alcohol referral is based on the evidence gathered from the Drug Intervention Programme that short term educational and awareness interventions are successful in changing behaviour associated with substance misuse (both alcohol and drugs). The Clinical Commissioning Group has funded two link workers who are working with street drinkers and the ED through Arclight. These drinkers are being encouraged into treatment services and accommodation. The posts are only being funded for three months however, it is hoped that there may be an option to increase the service as it is proving successful.

23. Under-age drinking/test purchase operations

A Christmas campaign was recently run whereby ten premises were visited with one illegal sale. The Test Purchasing Enforcement Policy on under-age sales has been approved.

24. Irresponsible Drink Promotions

This has been discussed at recent Pub Watch meetings where those in attendance were of the view that all venues would prefer not to be doing this. Further consultation is taking place with venues on this subject. Venues were, however, keen to stress that supermarkets were also responsible for cheap alcohol contributing to the culture of pre-loading.

25. Intervention Programme

This is a long term initiative being driven by Dr Gill Kelly at York Hospital to run an intervention project from the ED at York Hospital. Development of a business case is ongoing and this is very much a long term aspiration at this stage.

Implications

26. The implications associated with the information contained within this report form part of ongoing progress reports to O&S Committee.

Risk Management

27. There are no direct risks at this stage associated with recommendations in this report. Any risks associated with any implications which will be reported to the O&S Committee in future update reports.

Council Plan 2011-15

28. This review relates to the following key element of the Council Plan 2011-2015: 'to protect vulnerable people'.

Report Recommendations

- 29 Corporate & Scrutiny Management Committee are recommended to:
- i. Note the ongoing work of Safer York Partnership's AVANTE Task Group when considering the findings from the other Night Time Economy related scrutiny reviews detailed elsewhere on this agenda.
 - ii. Consider the ongoing work of the AVANTE Task Group when making their commendations to Cabinet, to ensure there is no duplication of that ongoing work.

Reason: To conclude the work on this Review in compliance with scrutiny procedures, protocols and workplans.
