## LICENSING ACT 2003 SUB – COMMITTEES PROCEDURE FOR HEARINGS

### Introduction

The procedure outlined below will be followed at all Licensing Hearings.

As Licensing Hearings are quasi-judicial the Sub-Committee will, in effect, act like a Court and the rules of natural justice will apply. The Sub-Committee will be guided by legal principles in determining whether evidence is both relevant and fairly admitted. Committee Members have a duty to view all evidence presented before them impartially. Members of the Licensing Sub-Committee have all received relevant training and are used to making decisions of this type. No matter how strong local opinion may be, Committee Members can only make decisions based on relevant licensing issues as set out before the Sub-Committee in determining applications.

The hearing will be in public session. However, the Sub-Committee may exclude the public from a hearing if it considers it in the public interest to do so. However, the decision will be made in private.

The purpose of the hearing is

- To enable those with a right to appear to advance their point of view and to test the case of their opponents
- To assist the Sub-Committee to gather evidence and understand the relevant issues

**In view of the requirement to hold hearings within specified times, the Licensing Authority will generally be unable to enter into discussions to identify dates convenient to all parties concerned. In exceptional circumstances, the Licensing Authority will consider applications to adjourn hearings to a later date.**

### Representations at Licensing Hearings

The Applicant, Ward Councillors, and Representors who have made written submissions will be allowed to speak at the Sub-Committee. At

any hearing of an application, the Applicant and any Representors shall attend in person wherever possible. Any party to a hearing may be assisted or represented by any person, legally or otherwise.

All parties will be given a fair hearing and each party will have the same amount of time in which to address the Sub-Committee. A time limit has been set because of the pressures on the Sub-Committees to hear so many applications in a short period of time. **Each party will have 15 minutes to address the Sub-Committee, give any further information, and call any witnesses.** If any party considers this time to be insufficient then a request in writing may be made to the Democracy Officer for an extension of time at least 2 working days before the hearing. However, this will not be automatically granted and will be at the discretion of the Sub-Committee.

The Sub-Committee may take into account any documentary evidence or other information in support of the application, representations or notice, either before the hearing or, with the consent of all other parties, at the hearing.

If any Representors fail to attend the hearing, the Sub-Committee will normally proceed but will consider their written objection and hear and consider any evidence and argument in relation to it put forward by the Applicant. In considering written evidence in the absence of a Representor, appropriate weight will be attached, given that the person cannot be questioned by the Applicant and Members.

**The Sub-Committee is required to disregard any information given or evidence produced by a party or witness which is not relevant to the application, representations, or notice, and the promotion of the licensing objectives.** Duplication should be avoided. Comments must be confined to those points already made, although the parties may extend or expand on their written submissions. The Sub-Committee will have read and familiarised themselves with all the written submissions and the issues prior to the hearing, and therefore do not require the points to be repeated or made at length. The Applicant and Representors cannot raise substantial new information at a hearing which has not been seen previously by the other parties.

A Representor **may not** introduce any new ground or objection not referred to in the written submission. Additional representations which do not amount to an amplification of the original representation may not be made at the hearing.

Any person behaving in a disruptive manner will be asked to leave the hearing. If this does occur, that person may, before the end of the hearing, submit in writing any information which they would have been entitled to give orally.

### **Procedure prior to the Hearing**

The Members sitting on the Sub-Committee will meet prior to the hearing to note the matters that are to be presented. They will only be accompanied by the Democracy Officer and Legal Advisor (*if present*). Attention will only be drawn to the nature of the application and the premises or person to which it relates. The actual application will not be discussed.

At any hearing of an application, the Licensing Officer, the Applicant and any Representors or representatives will report to reception and be asked to wait in reception until the democracy officer calls them through to the committee room.

### **Procedure at the Hearing**

1. Members of the Sub-Committee will appoint a chair.
2. The Chair introduces the Committee Members and officers [*Democracy Officer, Legal Advisor to the committee (if present) and the Licensing Officer*], welcomes the Applicant and Representors (or their representatives), and establishes the identity of all who will be taking part.

the Sub-Committee will make a decision on conclusion of the hearing and only the Democracy Officer and the Legal Advisor to the Sub-Committee (*if present*) will remain in the room with the Committee Members. These officers will not comment on the merits of the application, but will be present to provide advice on legal and procedural points and to record the decision.

21. If the decision has been made, all the parties will be invited back into the committee room by the Democracy Officer. The Chair will announce the decision including reasons together with, if appropriate, details of any conditions to be attached to the grant of the licence. This decision will then be communicated in writing to the Applicant and Representors within 3 working days of the hearing. There can be no further questions or statements.
