59. **Declarations of Interest**

Members were invited to declare at this point in the meeting any personal interests not included on the Register of Interests, any prejudicial interests or any disclosable pecuniary interests they might have in the business on the agenda.

It was noted that the Monitoring Officer had confirmed that Government guidance stated that Members did not have a disclosable pecuniary interest in the business of setting the council tax and that the Council's Code of Conduct also confirmed that Members did not have a prejudicial interest in that business on the agenda.

The following **personal** interest was declared:

<u>Councillor</u>	<u>Agenda Item</u>	<u>Description of Interest</u>
Reid	6 – Recommendations of Executive on the Council's Capital and Financial Strategy & Treasury Management Strategy Statement & Prudential Indicators 8 – Council Tax Resolution	Son is a Council tenant

60. **Civic Announcements and Announcement of Lord Mayor and Sheriff Elect**

The Lord Mayor reported that following his visit to China in October, that the city would be welcoming a senior business and state delegation from the city of Nanjing on the 24th and 25th March. He confirmed the focus for the visit being around tourism, education and business collaboration.

The Lord Mayor then invited Cllr Looker to nominate the Lord Mayor Elect for the 2017/18 Municipal Year. Cllr Looker nominated Cllr Barbara Boyce as the Lord Mayor Elect and this nomination was unanimously agreed.

Cllr Boyce confirmed that she would be honoured to accept this office for the 2017/18 Municipal Year with the assistance of her Consort Valerie Clark. She also announced Gill Bryan as her Sheriff and Ann Bush as Sheriff's Consort for the 2017/18 Municipal Year.

61. **Public Participation**

The Lord Mayor announced that there had been six registrations to speak at the meeting.

Peter Richardson spoke in relation to the decision, to be taken later in the meeting, to set the Council Tax for 2017/18. He referred to the additional social care precept which local authorities, with responsibilities for adult social care, had been given the flexibility to charge to fund adult social care and suggested that this should form a separate charge rather than be included as part of the Council Tax.

Richard Bridge spoke in relation to Council tax billing and in particular to the recent option to pay Council tax in 12 monthly instalments. He requested the inclusion of this information in the same size print on all 2017 Council tax bills.

Gwen Swinburn referred to the public sector equality duty and the need for fuller consultation on the Council's budget. She highlighted consultation undertaken by other local authorities.

Anne Leonard, speaking on behalf of Defend our NHS referred to Government plans to integrate health and social care which also included cuts to budgets. She confirmed the need for financial support to assist both the Clinical Commissioning Group's current deficit and support health and social care.

Tom Franklin spoke as Co-Chair of the York Green Party to express his concerns regarding the budget cuts and the effects of these on services and, in particular, vulnerable people. The results of which he felt would increase NHS costs and he therefore asked Members to support the Green Party amendment.

Hazel Palmer, representing York People's Assembly confirmed her support for the investment being made in mental health services and drainage improvements. However she expressed concern at cuts being made to over 50's sessions, the healthy child service, transport for disabled children and to the Citizens Advice Bureau debt advice service.

62. **Petitions**

The Lord Mayor stated that he had not received notification of any petitions to be presented to Council in relation to the setting of the Council's budget.
