EXECUTIVE FORWARD PLAN

What is the Executive Forward Plan?

The Executive Forward Plan is a list of all non-key and key decisions the Authority intends to take during the next four month period. The Plan is updated weekly, every Monday and is available to view on-line at www.york.gov.uk

What is a non-key decision?

For the purposes of the Plan, a non-key decision is defined as a 'decision of normal importance' which:

- the Executive can collectively take as set out in Part 3 of the council's constitution
- which any Executive Member can take individually in line with the Council's Scheme of Delegation

What is a key decision?

A key decision is defined as a decision which is likely:

- to result in the Council incurring expenditure, or making savings, which are significant having regard to the Council's budget for the service or function to which the decision relates i.e.:
 - make a saving of more than 10% of the budget for a particular area - or be more than £500,000
 - require spending that is more than 10% of the budget for a particular area - or be more than £500,00
- to be significant in terms of its effects on communities

Such 'key decisions' can only be taken by the Executive, unless they have been **specifically** delegated to an Executive Member or Officer, or unless the Leader or Chief Executive is exercising their urgency powers.

What information does the Forward Plan contain?

In relation to each issue entered on the Forward Plan, there are details of:

- the date on which or time period within which the decision will be taken;
- the wards affected;
- how to make representations on the issue in hand; and
- what the consultation will be taking place, where applicable.

If I have a query about an entry on the Forward Plan, who do I contact ?

Wherever possible, full contact details are listed in the individual entries in the Forward Plan. If you are unsure how to make contact or have any general enquiries about the Forward Plan, please ring Democratic Services on Tel No. 01904 551031

Meeting: Executive Member for Finance and Performance

Meeting Date: 14/11/22

Item Type: Executive Member Decision - of 'Normal' importance

Title of Report: Regular update on routine procurements and approval of ICT procurement over £250k

Description: Purpose of Report: To present a regular update on routine procurements as laid down in the council's contract procedure rules:

"7.7 - Where the aggregate contract value (including any extension) is between £250,000 and less than £500,000 then the decision to enter the contract requires the approval of an Executive Member or the Executive unless the procurement is treated as Routine as defined in clause 7.9.

7.8 - Where the aggregate contract value (including any extension) is £500,000 or more the decision will be regarded as a Key Decision unless the Chief Finance Officer acting in consultation with the Monitoring Officer has approved the procurement as Routine.

7.9 - A Routine procurement is any arrangement that represents a low commercial and legal risk to the Council and relates to procurement of goods, services or works with a clearly defined specification and that clearly relate to the routine day to day operation of the Council. Routine procurements will be limited to items such as utilities, insurance or stationery. Where Officers consider a procurement process may be Routine, they are required to liaise with Commercial Procurement who will advise on the relevant paperwork to be submitted to the Chief Finance Officer. Authorisation to treat a procurement as Routine must be sought before the procurement process commences. A Director may enter a Contract where the procurement has been treated as Routine. An updated register of routine procurement must be presented regularly to the Executive Member for Finance and Performance."

The Executive Member will be asked to note the routine procurements and approve any non-routine ICT procurements planned over £250k to £500k.

FORWARD PLAN ITEM

Meeting: Executive

Meeting Date: 22/11/22

Item Type: Executive Decision - a 'Key Issue' - decision with significant effects on communities

Title of Report: 10 Year Strategies

Description: As a Council, we are following a strategic approach to developing the city's ambitions for the decade ahead, considering the interdependencies between actions that affect the environment, society, and the economy. Particularly recognising the Council's existing commitment to achieving zero carbon by 2030, and the impact that climate change is already having locally, through ever increasing extreme weather events. The Covid pandemic has also further highlighted the importance of cohesive and urgent action that would address the longer term challenges and take advantage of the opportunities for developing skills and infrastructure needed to tackle the shift to a sustainable and inclusive economy. To this end, three strategies have been developed, covering health and wellbeing, economic growth and climate change to inform city-wide direction over the next decade.

The purpose of the report is to present the Economic Strategy, and the Climate Change Strategy for consideration by Executive as to whether to adopt these on behalf of the city.

The Health and Wellbeing Strategy is provided as an annex to note interdependencies; however the Health and Wellbeing Strategy is separately considered for approval by the Health and Wellbeing Board.

A city-wide engagement process has informed the development of the draft 10 year strategies, and resident and stakeholder feedback will be shared with the report. Relevant scrutiny committees have also contributed and reviewed the strategies.

The Executive are asked to:

- Approve the Climate Change Strategy 2022-2032 and the Economic Strategy 2022-2032
- Consider whether to adopt the Climate Change and Economic Strategy on behalf of the city, or whether to defer the decision to Full Council
- Review the resident and stakeholder feedback that informed the development of these strategies.
- Review the draft 10 year plan

Decision due date for Executive changed from 06/10/2022 to 22/11/2022. Reason: Because of the sad demise of Her Majesty Queen Elizabeth II and the subsequent postponement of Climate

Emergency Policy and Scrutiny Committee and the Health and Wellbeing Board, we have postponed the 10 year strategies item on Executive. This is to provide sufficient time for the strategies to be reviewed prior to commencing to Executive for approval of the Climate Change Strategy and endorsement of the Health and Wellbeing Strategy.

Making Representations:

Process:

The 10 Year Strategies were developed over a period of 18 months by speaking to residents, businesses, community groups and partners.

The resident engagement plan for the strategies was approved at Executive on Thursday, 22 April 2021 (item 123).

The Our Big Conversation attitudinal survey helped us understand what's important for the people who live, work and study in our city.

Over 2,000 participants, including residents and businesses, took part to tell us about different aspects of living in the city, which helped inform our 10 Year Strategies.

We helped shape the strategies and covered different aspects of climate change through a mixture of technical and industry roundtable meetings, focused stakeholder and partner discussions and through business groups, and health and wellbeing workshops.

The York Big Question took place during winter 2021 to 2022, engaging residents and third sector groups in what good health and wellbeing looks like to them.

Several key co-production projects have fed into the development of the Health and Wellbeing Strategy, such as the Community Mental Health Transformation Programme.

In May 2022 the Health and Wellbeing Board members held a workshop to agree the outline contents, building on this engagement and on the statutory Joint Strategic Needs Assessment, recently refreshed by the Public Health Team.

More targeted focus groups to explore strategic themes with target demographics took place throughout May and June 2022.

These targeted groups invited participation from residents who

did not engage in Our Big Conversation to make sure we had a blend of perspectives shaping the strategies.

Residents, businesses and stakeholders were invited to review the draft 10 Year Strategies and tell us what they think about what it will be like to live in the city in 2032 through the Our Big Conversation: 10 Year Strategies Consultation.

Scrutiny Committees and decision sessions discussed different aspects of the strategies as they developed throughout the last 18 months, with joint Scrutiny Committees scheduled for July and September to consider the interdependencies between the strategies.

Consultation feedback will be shared with this report.

Meeting Date: 22/11/22

Item Type: Executive Decision - a 'Key Issue' - decision leading to savings or expenditure of £500,000 or above

Title of Report: SEND Capital Plan, 2023-25

Description: Purpose of Report: The report will present proposals to use SEND capital to support projects to address the outcomes of the Inclusion Review. The Inclusion Review focused on the sufficiency of provision for children and young people with special educational needs and disabilities and the SEND Capital Plan identifies capital projects to improve the sufficiency of provision in the City of York.

Implications

Level of Risk:

Reason Key: A decision which is likely to result in the Council incurring expenditure, or making savings which are significant having regard to the Council's budget for the service or function to which the decision relates. The savings or expenditure are significant if they are equal to or greater than £500,000 or equal to or greater than £100,000 where the savings or expenditure exceeds 10% of the budget for the service plan area whichever is the less. Expenditure in excess of these levels will not

constitute a key decision if such expenditure is made as part of the implementation of a decision which itself was a key decision e.g. the award of a contract.

Making Representations:

Process: The Inclusion Review involved a city-wide consultation in 2020 and a series of parent/carers and young people engagement events in 2021/22. Schools have been consulted through the York Schools and Academies Board and School Forum. The planning phase of capital projects will involve consultation with all stakeholders.

Title of Report: Bus Network Review

Description: Purpose of Report to inform the Executive of options to stabilise the local bus network (as government support post Covid ends and within the context of a national driver shortage), whilst maintaining the objective to enhance the network within York's Bus Service Improvement Plan.

The Executive will be asked to agree Actions to Stabilise the Bus Network within York.

Decision due date for Executive changed from 22/11/2022 to 22/12/2022. Reason: The report is being deferred in order that Executive can consider the outcome of a significant number of applications for service changes that have been made in the last few days, further discussions with the bus industry will help to inform the appropriate response at December Executive to the current significant challenges that the whole bus network is facing.

Title of Report: Germany Beck Flood Alleviation Scheme

Description: Purpose of Report: Flooding of properties in the Fordlands community occurred in 2000 and has been managed through pumping operations in 2012, 2015 and February 2020. Significant road flooding occurs to Fordlands Road and the A19 in large flood events leaving the Fordlands community isolated and causing significant impact on many 1000's of resident, commuter and tourist journeys. A scheme to increase the resilience of the A19 to flooding was delivered by the contractors completing the access road to the Germany Beck housing development.

A holistic scheme has been identified that would provide a pumping station to increase flood resilience to properties, maintain access via Fordlands Road and further reinforce the works on the A19. A funding package has been drawn together to develop this scheme, design and appraisal works have been carried out to develop the project further.

The scheme is being developed alongside the wider Environment Agency led programme of works in the city, Executive have previously agreed that the Executive Member for the Environment and Climate Change would monitor and assure the delivery of the programme. A paper taken to the Executive Member's 12 August 2020 decision session resolved that the development of the next stage of appraisal should be commenced – including detailed design and all permissions including planning approval. A paper will be brought to the Executive to update on all progress and request approvals for the next stages of the project.

The Executive will be asked to:

- Endorse the work carried out to date.
- Approve the project to be taken through the planning process.
- Resolve to receive a future paper detailing the approach to the construction phase costs, procurement and delivery model and to approve the continued delivery of the project.

Title of Report: York 2032 - Strategy and Policy Framework

Description: Purpose of Report:

1. The country is experiencing significant change. Now, more than ever, we need to work together across the city to consider how best to enhance our way of life, adapting to regional opportunities, learning and building on our response to the pandemic whilst mitigating the ongoing effects of Climate Change to achieve net zero carbon by 2030.
2. The council has co-designed the 10 year plan with city partners which has been informed by the ambitions articulated in the 10 Year Strategies, together with the resident engagement process that informed them, both considered by Executive in November.
3. The 10 year plan is part of the strategy and policy framework that Executive will be invited to consider before making recommendations to Council.

Executive will be invited to adopt the 10 year Strategy and Policy Framework which is comprised of the 10 year plan, Climate Change Strategy 2022-2032, Economic Strategy 2022-2032 and Health and Wellbeing Strategy 2022-2032, making recommendations to Council to approve it for adoption on behalf of the city. The report will be tabled at Full Council on the 15 December 2022.

It has not been possible to give 28 clear days' notice of the intention to make the Key Decision. The reason why compliance has not been possible in this instance is that the 10 year plan has been co-designed with partners and is now at the stage when it can now be shared with Executive prior to Full Council. As part of the constitution, Council are required to take on board the recommendations of Executive when considering the 10 year Plan and therefore it will need to be first considered by Executive. Dates for Executive in December have only just been finalised, which has led to the 10 year Plan being considered in December. February's Council is Budget Council and then we are likely to be in the pre-election period.
