EXECUTIVE FORWARD PLAN

What is the Executive Forward Plan?

The Executive Forward Plan is a list of all non-key and key decisions the Authority intends to take during the next four month period. The Plan is updated weekly, every Monday and is available to view on-line at <u>www.york.gov.uk</u>

What is a non-key decision?

For the purposes of the Plan, a non-key decision is defined as a 'decision of normal importance' which:

- the Executive can collectively take as set out in Part 3 of the council's constitution
- which any Executive Member can take individually in line with the Council's Scheme of Delegation

What is a key decision?

A key decision is defined as a decision which is likely:

- to result in the Council incurring expenditure, or making savings, which are significant having regard to the Council's budget for the service or function to which the decision relates i.e.:
 - make a saving of more than 10% of the budget for a particular area or be more than £500,000
 - require spending that is more than 10% of the budget for a particular area - or be more than £500,00
- to be significant in terms of its effects on communities

Such 'key decisions' can only be taken by the Executive, unless they have been **specifically** delegated to an Executive Member or Officer, or unless the Leader or Chief Executive is exercising their urgency powers.

What information does the Forward Plan contain?

In relation to each issue entered on the Forward Plan, there are details of:

- the date on which or time period within which the decision will be taken;
- the wards affected;
- how to make representations on the issue in hand; and
- what the consultation will be taking place, where applicable.

If I have a query about an entry on the Forward Plan, who do I contact ?

Wherever possible, full contact details are listed in the individual entries in the Forward Plan. If you are unsure how to make contact or have any general enquiries about the Forward Plan, please ring Democratic Services on Tel No. 01904 551031

.	ision Session - Executive Member for Finance, Performance, Major ects, Human Rights, Equality and Inclusion 16/01/25
Item Type:	Executive Member Decision - of 'Normal' importance
Title of Report: Description:	14 New Lane: Proposal to incorporate the land back into West Bank Park, Acomb Purpose of Report: 14 New Lane was until the 1980's the West Bank Park parkkeepers' accommodation. In the early 1990's the current boundary fence was erected reinforcing its separation from rest of park.
	During the 1990s and 2000's it was used by Housing Association tenants. After which the property was unoccupied until 2016 when a major fire seriously damaged the building resulting in its partial demolition.
	Following the fire, a payment was received from the council insurers which has been used to fund site safety and clearance. Demolition should be completed later this summer.
	The report will seek approval to incorporate the land upon which 14 New Lane stood into West Bank Park following final site clearance and allocate any remaining insurance budget to projects within West Bank Park such as improving the toilets, creating a fully accessible toilet, and/or improving play equipment.
	The Executive Member will be asked to:
	 i. Incorporate the land upon which 14 New Lane stood into West Bank Park. ii. Allocate any remaining insurance budgets to projects within West Bank Park.
	Executive Members for Finance, Performance, Major Projects, Human Rights, Equality and Inclusion in consultation with Executive Members for Environment and Climate Emergency will make the decision.
	The original action date for this item was 21 November 2024. This item has been deferred to 12 December 2024 in order to allow more time for consultation.

Item Type:	Executive Member Decision - of 'Normal' importance	
Title of Report:	Proposed diversion of public bridleway, Heworth (Without) 1 and 2	
Description:	Diverting a section of public bridleway Heworth (Without) 1 and 2 away from Cow Moor Farm buildings, on to a wider and longer route mainly passing through mixed woodlands.	
	The application to divert the public bridleway has been made by the land owner because moving the bridleway away from its current alignment, next to farm buildings will streamline farming operations.	
	This report was approved by the Executive Member for the decision session scheduled for the 5 December 2024. The item was deferred by officers on the 3 December 2024 as further discussions were required with the landowner regarding the alignment of the path. These issues have now been resolved.	
Wards Affected:	The Executive Member will be asked to authorise the making of a public path order to divert public bridleway Heworth (Without) 1 and 2 and if no objections are received, or if received are subsequently withdrawn, authorises the confirmation of the order. Heworth Without Ward

It was presented to Full Council by Councillor Hook on 21 October 2021 and reported to decision session on 18 January 2022 and thereafter added to the Danger Reduction programme for review.
