### **Background to Disabled Access Scrutiny Review**

3. In June 2014 this Committee agreed to proceed with a scrutiny topic proposed by Cllr Neil Barnes to review disabled access to York's heritage and cultural offer, with the aim of improving access for all. The following objectives were agreed for the review:
  - i. To understand legal requirements & identify best practice from elsewhere
  - ii. To assess current levels of access for those with a range of impairments
  - iii. To identify possible improvements and barriers
  - iv. Facilitate the sharing of good practice across York's network of providers
4. A Task Group was formed and at the same time they were undertaking the review, the Council was in the process of developing a new approach to delivering marketing, culture, tourism and business development in the city, which led to the creation of a new organisation - 'Make it York'. As a result, in March 2015 when the final report was presented to the Learning

& Culture Overview & Scrutiny Committee, some of the recommendations were designated for the Council - these were approved by Cabinet in April 2015. The remaining recommendations were endorsed by the Cabinet and subsequently presented to 'Make it York' for their consideration.

5. This Committee received its first update on the implementation of the recommendations in March 2016, which resulted in a number of the recommendations being signed off as fully implemented. The Committee requested a further update on the remaining recommendations be provided in six months time – see Annex A.

### **Options**

6. Members may choose to sign off any individual recommendation where implementation has been completed, and can:
  - a. Request further updates and the attendance of the relevant officers at a future meeting to clarify any outstanding recommendations
