LIFELONG LEARNING & CULTURE			
Libraries & Heritage			
SP01 - Library Stock Procurement Model (LCMDS7)			
York has been involved in work on a national stock procurement model - the	7	7	7
recent appointment of a new chief executive to MLA has led to a "strategic			
pause" and we are unsure of the direction this will take. However in the			
meanwhile, we are looking at sub regional, regional and trans regional models of			
delivery to maximise efficiency and can produce a small saving in staffing hours			
during next year.			
Parks & Open Spaces			
SP02 - Park Attendants Restructure (LCLS4)			
To create a seamless parks service with improved customer care. This involves	30	30	30
reviewing the role and number of park keepers, a comprehensive review of all			
budgets, line management and staff roles and responsibilities within Lifelong			
Learning & Leisure.			
SP03 - Parks Development Fund (LCHS9)	4-	4 =	4-
The saving represents 40% of the parks development fund which is used to		15	15
progress the Green Flag agenda to new sites e.g. Hull Road Park and bring land			
back into use on allotment sites e.g. Green Lane.			
Sport & Active Leisure SP04 - Edmund Wilson Creche Closure (LCHS12)			
	00	00	00
The creche is currently open 9am - 3pm Monday to Friday (27.5 hours per	26	26	26
week). This saving would mean an end to the service which employs 4 part time			
(1.7 fte) staff.			
SP05 - Sports Facilities Maintenance Budget Reduction (LCHS11)	10	10	10
This saving represents a third of the maintenance contingency budget which supports building and mechanical failures within the sports facilities. £10k	10	10	10
represents the projected ease in requirement following the Yearsley Pool			
refurbishment.			
SP06 - Sports SLAs & Grants (LCMS4)			
Cease the annual financial support for voluntary organisations delivering	10	10	10
competitive and representative school sport programmes (York & District School	. •		
Athletics Association), swimming and aquatics programmes (York City Baths			
Club), athletics development programmes (City of York Athletics Club) and			
sports zone development funding linked to Active York .			
Support Services			
SP07 - Swinegate Admin Support - Introduce Voicemail (LCHDS5)			
All staff at Back Swinegate to have voice mail with no forwarding of phones to		4	4
administrative staff or colleagues. This will enable support staffing to be			
reduced at Back Swinegate by 7.5 hours per week.
