ANNEX G

| In Support | |
|---|--|
| Pleased that the consultation supported the | Noted |
| scheme and look forward to the implementation. | |
| The situation in Finsbury Street has worsened | |
| Strong support for the extension of R58C to | The advertisement is for a 'zone' with entry |
| include Finsbury Street etc. I would suggest a | signage this gives an automatic period of |
| limited period of 30m but no longer as this may | 10minutes for loading and unloading which will |
| encourage people to still park for Rowntree Park | prevent parking for any length of time. |
| Support the scheme. This should result in an | Noted |
| improvement to grass verges and ensure refuse | |
| collections are unhindered. Could also benefit | |
| park & ride. Would be lovely to live in a | |
| residential area again instead of a free car park | |
| Support the scheme. This will make it possible to | Noted |
| park again and will result in an overall | |
| improvement in the environment to residents. | |
| An excellent initiative that adheres to 'The | |
| Council Plan 2015 to 1019' A Council that listens | |
| to residents (67% in support/33% against) | |
| 100% behind the councils decision for 24/7 | Noted |
| residents parking in Finsbury Avenue. Sometimes | |
| it is barely possible to drive into the avenue due | |
| to cars on corners and grass verges. Scheme | |
| must go ahead s.a.p | |
| | |
| | |
| Against Bishopthorpe Road section 230 - 274 | |

If a petition was received from the 'odd' numbered properties along Bishopthorpe Road |

| The week side of Dishaudhard David (U.) | If a matrice and the second second second |
|---|--|
| The west side of Bishopthorpe Road will be | If a petition was received from residents on the |
| directly impacted as cars from the east side park | west side of Bishopthorpe Road then this would |
| on both sides of the road. If restrictions are | be considered in the same way. |
| implemented on one side then visitors and | |
| second cars will be parked on the west side with | |
| the west side residents not being able to park on | |
| the east of Bish Rd. If restrictions are imposed | |
| then residents on both sides should be able to | |
| use the proposed residents parking areas. | |
| The proposed scheme seems totally unnecessary | Noted |
| and imposes undesirable restrictions on | |
| residents. There is plenty of parking on this | |
| section of Bishopthorpe Road and have never | |
| had problems in parking. This area is beyond the | |
| range for people walking to town so little | |
| demand on parking. Visitors have never had | |
| problems with parking nearby. One of the | |
| reasons I moved to this address was the | |
| available on street parking without restrictions. | |
| The scheme makes living in the area less | |
| attractive. | <u> </u> |
| Reside within the odd numbered section of | Noted |
| Bishopthorpe Road and vehemently oppose the | |
| extension. It will cause chaos on all sides, any | |
| chance of getting a space on my side will cease | |
| as residents will park opposite. Don't have a | |
| problem parking so why create one. | |
| Object to the proposal. The consultation had | Residents parking prices are set at full council |
| flaws. The meeting was held during the day so | committee within a budget report on an annual |
| residents who work etc were unable to attend. | basis. |
| Consultation did not include 177 – 211 | Datition in alcohol and an arrangement in the contract |
| Bishopthorpe Road even though they will be | Petition included as an annex within report. |
| directly affected. Majority of my neighbours and | |
| I do not feel this section has a parking problem. | |
| Permit prices are disproportionate compared to | |
| the rest of Yorkshire and visitor permits are the | |
| most expensive I've found. Petition is included from this section of residents | |
| who are against the scheme. | |
| who are against the schelle. | |
| General objection | |
| Object to making more street along the river | Noted |
| permit parking. There is a lovely walk but if | , noted |
| people are not lucky enough to live nearby | |
| where are they going to park. Rowntree car park | |
| is not an option as coming from Woodthorpe | |
| direction the amount of traffic to sit in, which | |
| does not need cars added to it, means this is not | |
| an option. What options are now available to | |
| walk by the river. | |
| walk by the fiver. | |
