[See also under Part A]

The Corporate Director of Customer & Corporate Services (Deputy Chief Executive) presented a report which set out the out-turn position on the council’s capital budget for the 2017/18 financial year and the re-stated programme for 2018/19 to 2022/23.

An out-turn of £70.809m was reported on the approved 2017/18 budget of £88.586m; a net variation of £17.777m. This comprised requests to re-profile £20.514m to future years and adjustments of £2.767m to schemes in 2017/18. However, the overall programme continued to operate within budget.

The level of re-profiling reflected the scale of the programme, which contained a number of major schemes. Variations and re-profiling requests under each portfolio area were set out in paragraphs 11 to 73 of the report and in Annex A. Details of the 2018/19 – 2022/23 programme, updated to reflect these changes, were provided in paragraph 77 and in Annex A.

**Recommended:** That Council approve the re-stated 2018/19 to 2022/23 capital programme of £302.185m, as summarised in Table 3 at paragraph 77 of the report and detailed in Annex A.

**Reason:** To enable the effective management and monitoring of the council’s capital programme.
