Dear Resident

Consultation Results; Residents' Priority Parking Scheme (ResPark)

I am writing to inform you about the results of the consultation we undertook in your area last year.

The Executive Member for Transport and Planning, Councillor Peter Dew, considered the consultation results on the 25th October 2018 at a Public Decision Session. I have attached the full results for your information. The Executive Member resolved:

- a) To advertise an amendment to the Traffic Regulation Order to introduce a new Residents' Priority Parking Area to operate Monday to Friday, 9am to 5pm in the Danesmead Estate as outlined on plans included as Annex I. To be allocated the zone number (R63).
- b) Not to proceed with Residents Priority Parking area on Fulford Cross at the present time, but to undertake further consultation in this area and to report the results of this consultation back to the Executive Member at a future decision session
- c) No further action to be taken for Broadway West and Westfield Drive at this time. If residents of these streets provide additional evidence of support within 18 months of implementation of a scheme on neighbouring streets then we seek authorisation to re-consult with these areas at that time.

Reason: To progress the majority views of the residents consulted.

Further to this decision, we are advertising a proposal to introduce Resident Priority Parking on your street. Notices have been placed on street and the proposal will be in today's edition of The Press.

I have attached a copy of the legal notice of proposals for your information. If you wish to make representation to the proposal, in support or objection, please write with details, to the Director of Economy and Place at the West Offices address, or by email to highway.regulation@york.gov.uk by the 1st March 2019.

If no objections are received, we will implement the scheme as advertised. If objections are received, all representations to the proposal will be included within a report for the consideration of the Executive Member for Transport and Planning at a Public Decision Session (we will write to you all again with details of this meeting).
