Any information entered in this section only may be copied and passed onto the owner of the property you are nominating. Definition of an asset of community value can be found in the guidance document.

Why do you feel the property is an asset of community value? Please give as much information as possible.

The Lendal Post office building was custom-built in 1884 and was one of the last surviving late Victorian purpose built post offices in use until 2019. The building is an asset to York Citizens (and those living in Guildhall), and visitors and should continue to be used for the good of the community as well as visitors to York. We want it to retain community-based use.
