Reason for Leaving - Other

Left the area and associated employment

Relocation to SE England owing to my husband's promotion

Headteacher retired. Decided time for me to go

I began working away from home for an extended period and couldn't attend meetings

Lowfield School merged with Oaklands to create York High School - I served on the temporary Gov to YHS until its start September 2007

School closed as part of reorganisation of West of York secondary provision

I didn't know I had been sacked - no reason to leave at all

Other commitments

Disagreement over the management and suspension of teacher

Lowfield School merged with Oaklands to create York High School

Moved to Oaklands School to promoted post

House move

I have given 20 years service as a Governor. Creation of York High School provides opportunity to withdraw

Wanted to support Lowfield School, first as a parent then to support school and local community. Did not agree with decision to close the school

End of Lowfield School - felt that I was too old to do two terms which I thought desirable to establish continuity with new school. Left Carr Governors after term ran out and my children left junior school

School closed

Having served for 10 years as a Governor I decided that I would like a change to alternative community work to community archaeology at Hungate. I still

occasionally go into Millthorpe to helping History

I had no respect for current Chair and didn't like the direction she was taking the board

Oaklands School closed summer 2007

Moved away from york

Additional Information Regarding Support Received As A Governor

If you didn't attend training, please tell us why:

Never offered - not necessary

As a newly retired village school head, I felt I could offer support without (Church and school links)

This Gov did attend training and commented "I'd rather state the positives - that I always found the School Governor Support and Development Service, and the staff and others very helpful, during some difficult times at Haxby Road

If you didn't find the termly mailout useful, please tell us why:

A lot of non-relevant information

Can't remember enough to pass comment

If the call did not resolve your query, please tell us why:

If you would not consider being a Governor again, please tell us why:

I have done it twice (primary school in Devon before). I work as a volunteer counsellor at Relate so there is a limit as to how many hours I volunteer

Time for others to have an input

Grandparent duties and occasional ill health

Little chance to have an impact

This is a voluntary unpaid activity and being a school Governor is very time consuming particularly if you retired when there is a constant demand for involvement with pupil discipline cases

I am moved away from that part of York - and have retired

From a personal development point of view and as a teacher, I learnt a lot but I don't really think Governors add any value

Would need a reason to want to support a particular school

Too old

Could not make the time commitment to a school where I would have no connection Long term illness. Also I'm more hands on and prefer to help in class with the children

What did you enjoy about being a Governor?

Making a contribution

Working together

Friendship of colleagues and staff

Having an inside knowledge of how a truly innovative school worked

Contributing to the life of the school

Satisfaction at "putting something back into the community"

I felt I represented the staff and was called on many times to express their feelings and explain things to other Governors

The people, the role, the school

Sitting on the appeal panels - pupil exclusion, etc. Meeting and dealing with the headmaster and staff

What did you enjoy about being a Governor? (Cont...)

- Promoting links during the church's year. Christmas stories by candlelight (infants - KS1). Helping during new head appointment
- Contribution to development of school and pupils with particular emphasis on the Christian values
- The involvement in whole school process
- Trying to do one's best for the school
- Being involved in a school (secondary) - getting to know the procedures
- Getting to know the school and seeing the children thrive and develop
- Seeing that I was welcomed by teachers and staff and that the input and support appreciated. Learning about trends in education
- Contact and team effort with other school Governors, Head Teacher and Teaching Staff
- Being involved in the decisions affecting school/staff and pupils
- Contact with school staff and children - helping to "make a difference"
- Being involved in the creation of a new school
- Contributing to and acting as a critical friend in the school
- Training, experience running committees
- Cared about the school (staff and pupils) therefore wanted to support in any way I could
- Being involved in trying to improve quality of local schools
- The Governing Body were a very special group of people - the school was well run by a dynamic head and an interesting and committed team, and was doing excellent work
- Being involved in the inner workings of a school
- Great for learning more about the strategic management of schools and feeling contribution welcomed and useful
- The community spirit, being part of an establishment that had challenges and success's
- Seeing how schools work; making a contribution to the community; working as a team with Governors, teachers and other parents; occasional teaching; support from yourselves - especially Annual Ed Lectures
- Being part of a team which worked together for the benefit of the pupils
- Taking an active part in the direction the school was going and working with the Head and staff to improve the school and provision for the children

What did you not enjoy about being a Governor?

- The long delay before the papers went through after I was asked to be a Governor. It felt a bit like an old body's club when I started and fellow Governors were not welcoming. It think it improved over the year.
- Not being able to commit enough time to the school and my departmental links
- Too much unnecessary paperwork
- The amount of time taken up with sub Committees then going over it again at full Gov
- Some of the decisions that had to be made
- Nothing
- Paperwork

What did you not enjoy about being a Governor? (Cont...)

Selective inclusion by the Headteacher in the decision making process

The workload/legal duties/responsibilities. To-ing and fro-ing of decision making

Little effect you can have

Working through financial details

Feeling that as a Governing Body we did not always have the required

expertise/skills for some of the decisions required

Excessive demands on time available. I already have an ongoing 26 year voluntary service commitment with York Lions Club (with additional activities in Yorkshire and UK)

As Chair of Governors, the responsibility and knowledge required was increasingly suggestive of a part-time appointment

Translating "professional language" used in too many reports

Feeling that you're not sure there's any real point to what you're doing. Takes up too much time

Far too much paperwork to read from Government and York Council - a lot of it worded in jargon difficult to understand, unnecessary bureaucratic documentation - overwhelming

Lowfields: Struggling with a deficit budget;

The painful end to it all

Long meetings!

Nothing

The paperwork!

Occasionally feeling that I was not being shown the whole picture - I would have liked more (and varied) opportunities to be involved in the work of schools

I thoroughly enjoyed my years as a Governor until the appointment of the current Chair - as my term was coming to an end I reluctantly decided to call it a day

Anything else about being a Governor?

Workload is what you make it

Oerrated in my view

Best thing I did in the last seven years

I thoroughly enjoyed my time as a Governor, I felt I played an important role representing staff but also in my own right as part of appointment panels including for headships (though this occasioned a lot of pressure).

One of the most worthwhile experiences I have undertaken. Totally different to my working life, made to feel useful

I always wanted to be involved with school and Church services, but am dubious about Governors moving "jobs" like a cabinet, when some of us have experience and expertise in the slot we were chosen for

Arising out of being a school Governor, I trained to be a Pupil Mentor, a commitment I enjoyed greatly and I have been invited to return to York High School to resume this activity now that CRB check has been cleared

Anything else about being a Governor? (Cont...)

Format of finance reporting - top down driven - most conform with centralist dictat, rather than respond to cost centres appropriate to a devolved school

Over my years as a governor, paperwork increased in amount and complexity - experience did not help in dealing with this

Lowfields: I was only able to really pull my weight after my retirement as a member of Pupil Welfare Committee. We had great help from LA Link Advisor

It was very pleasant and probably thus unrepresentative!

Would consider doing secondary school - All Saints

On occasion, it would have been useful to provide childcare for some daytime meetings eg like the Surestart Local Action group meeting. Thanks

I asked to move from Scarcroft to St Paul's because I wanted to see how smaller denominational schools differed from larger community schools.

I really loved being a Governor most of the time but the task became more and more onerous and time consuming - at times almost like a full-time job, But extremely rewarding

I would have welcomed more support when Oaklands was having inspection difficulties

At one stage the school was very disorganised about advanced papers - the LA clerking service made a major positive benefit in resolving this.

The work put in by the Governance Service in supporting the establishment of York High School was very good - professional and helpful

Very Regarding! Gave me experience that enhanced my CV that I would not have gained at work

Being a Governor was another chore in a busy life. I didn't feel I contributed anything significant and I missed meetings I didn't have time to attend.
