

Suggested Remit for the Scrutiny of a Cultural Quarter for York (Linking the City Centre & the York North West Development Sites)

Overall Aim:

To contribute towards achieving a long-term direction for the area between the National Railway Museum, York Railway station and the Minster

Key Objectives

- i. To understand the Council's strategic approach, and that of its key partners, to the cultural design for the area
- ii. To contribute to a business plan for achieving the required funding for developing the area into a Cultural Quarter
- iii. To develop and establish some key principles for guiding a collaborative approach to cultural development in the future
