Dear Resident

Request for a Residents' Priority Parking Scheme (Respark)

I am writing to you in response to a petition, received in September 2017, from residents of Pasture Farm Close asking us to introduce a Respark scheme. The request was placed on a waiting list and has now reached the top of the list.

The attached plan indicates the extent of the consultation area and the proposed boundary. We have included properties with vehicle access from Pasture Farm Close – this is standard procedure.

We are proposing a scheme which would operate on entry zone signage. This type of scheme does not require extensive signing and lining and would allow residents, when displaying the required permit, to park anywhere on Pasture Farm Close so long as no obstruction to the carriageway or private accesses is being caused. Entry/exit signs would be erected at the entrance to Pasture Farm Close and smaller repeater signs would be placed on existing lamp columns. A similar scheme can be seen on Maple Grove.

Generally we require a 50% response rate from the consultation. From the returns we require a majority in favour to take this forward and initiate the legal consultation process (when formal objections can be made). Hence, it would be much appreciated if you would take the time to complete the attached questionnaire and return it in the pre-paid envelope provided before Friday 22nd February 2019.

Consultation documents

The following information and documents are enclosed:

1. A plan of the proposed Respark boundary and scheme
2. How a Resident Parking Scheme Works
3. The cost of permits
4. Questionnaire/Freepost Envelope

We can only accept one completed sheet from each household. **Please complete and return to us in the Freepost envelope provided by Friday 22nd February 2019**

If you prefer you can email your response to highway.regulation@york.gov.uk Please give the information we have asked for on the questionnaire, including your name and address. Because your preferences will determine whether we take this forward and initiate the legal process to amend the Traffic Regulation Order, it is important you return your questionnaire preferences.

You can add and return any comments you wish to make. For example, we would like to know if any of the following circumstances apply to you:

- You have special needs/circumstances that you believe would be disadvantaged by the introduction of a Respark scheme
- If you rent your property, please write the contact details of the owner (if known) or managing agent on your return. You should still let us know your preferences. We will contact the owner separately.

The results of the consultation will be reported to the Executive Member for Transport and Planning at a Public Decision Session who will decide the way forward on this issue depending on the information returned to us. We will contact you with the date of this meeting to give you the opportunity to attend. Residents can also arrange to speak at this meeting if they wish to make representation.

Please contact me if you wish to discuss this further

Yours faithfully

Sue Gill - Traffic Project Officer

A Residents' Priority Parking Scheme: R20 Extension

In January 2012, the Department for Transport amended Road Traffic Regulations. The amended regulations permit us to reserve a road for permit holders during an indicated period (or 24 hours) where parking bays are not marked. These are suitable for cul-de-sacs or enclosed areas where the witnessed problems associated with inconsiderate parking are due to the level of non-resident parking.

Because of the changes, we can now offer residents a Residents' Priority Parking Scheme (Respark) where the resident has more control. You can park anywhere on street as long as you are not parked on any yellow lines, across a dropped kerb placed for the purpose of vehicle or pedestrian access/crossing or cause an obstruction.

Signs are mounted at the beginning of the restricted area to inform drivers that parking is reserved for permit holders. The scheme can operate full time, or on a part-time basis depending on resident preference. The timing on the shown sign is an example: – please indicate your preferred times of operation on the questionnaire sheet enclosed. Outside any specified times the street would be available for any vehicle to park. A Mon-Fri, 9am to 5pm scheme gives residents and their visitors more flexibility on an evening and weekend. A full time scheme is more beneficial if non-resident parking remains at significant levels during evenings and weekends.

Our Respark schemes cannot guarantee a space will be available. A scheme is introduced to give residents priority over available space within the boundary of the scheme. In areas of high density housing, pressure for space can still occur.

There would be no parking allowed for any non-permit holders whilst the scheme is in operation. Any visitors to your property would require a visitor

permit, even for a short duration (except for those activities that are listed below).

Exemptions within the Traffic Regulation Order

A Resident Parking scheme is a parking restriction; it does not prevent access. Non residents can wait on street in order to undertake one of the following activities.

1. Loading and unloading, including passengers. For example, you would still be able to get goods delivered, move house, or a friend arrive to collect you or drop you off without the need to display a permit. Our Civil Enforcement Team wait for approximately 5 to 10 minutes to ensure no loading activity is occurring before issuing a penalty charge notice to a vehicle which does not display a valid permit.
2. Vehicles displaying a valid disabled permit (blue badge).
3. Vehicles used for medical requirements, or for weddings and funerals.
4. Vehicles which belong to emergency services, statutory bodies or vehicles being used for highway works.

If you are having work done on the house, your builder or other tradesman can use a visitor permit or purchase a "builders permit" from parking services.

Enforcement

If a vehicle parks without a permit, the driver becomes liable for a Penalty Charge, issued by our Civil Enforcement Team.
