Council Plan Priorities relating to Climate Change

A Greener and Cleaner City

- A new climate change strategy
- A road map to zero carbon by 2030
- Review of waste collection options
- Align strategies to protect the environment
- Supplementary Planning Guidance on zero carbon buildings
- Review of single use plastics
- Mitigate and adapt to extreme weather events

An Open and Effective Council

- Use procurement approaches to address climate emergency

Getting Around Sustainably

- Identify options to move fleet to low/zero carbon
- Expand York's electric vehicle charging point network
- Work in partnership to deliver low/zero carbon public transport
- Implement York's first Clean Air Zone and closely monitor air quality
