

Email from Other Persons' Representor 14 – 27/01/2020

Hi Angela,

Thank you very much for your time this afternoon.

Please find attached additional evidence in the form of photographs and location plans. I understand that there is no need to supply the original documents but if that is not the case, please let me know before tomorrow lunchtime.

The document states that one of the fire exits into the courtyard area is from the Evil Eye Lounge but we have now discovered that is not the case. The door in question is marked Fire Exit but we haven't had the chance to find out which premises use it as their Fire Escape. Please can this be noted as part of our representations.

Kind Regards
