

Feedback from Consultation Meetings with Tang Hall Residents

The following were issues of concern to residents or changes to provision that they would like to see. They are printed in no particular order.

Improved youth facilities, e.g. a skate park

Improvements to the Library which is part of two communities, Tang Hall and Osbaldwick.

A greater profile for Glen Gardens.

A swimming pool on the family centre site.

There are currently few open spaces in Hull Road Ward.

A sports centre on Melrosegate playing fields with an all-weather football pitch on part of the site.

More plots needed on the allotment site.

Part of the playing fields could be used for houses.

The Heworth family centre site could be used for health or social services.

Improvements and refurbishment of Community Centre and development of field as a games area.

Children's play area on playing field.

Youth workers in the area.
