New guidance is on the website and a new forum, chaired by the AD will enhance quality
	4	The Council will support the shared foundation partnerships by encouraging the operation of a flexible and affordable lettings policy for accommodating extended school and community activities.	The new Extended Schools Business Support Coordinator Post, currently held by Paul Shepherd within the Schools Business Support Service, will now be in a position to advance this work.
	5	The Council supports the clustering of schools in order to develop services and business support which extends provision.
