Dear Zoe,

Thank you for your email and for letting me know about the work, I hope it all goes to plan.

I will circulate the advice to fellow residents.

Best wishes,

Ray

Dear Ray

Just a courtesy email to let you know that we will be closing for the day on Monday 7th to carry out some internal works.

We intend to use the courtyard as a workshop area between the hours of 8am and 7pm during which time there will be intermittent use of power tools.

Either Tim or I will be on site all day so if there are any problems please come down to see us, alternatively please ring 01904 809565.

I have made the assumption that you are still the representative for the residents committee and would ask you to share this email with the other owners and tenants. If this is no longer the case it would be appreciated if you could let me have a new contact.

Kind regards
