Report of the Director of Governance

Schedule of Petitions

Summary

Members of this Committee are aware of their role in the initial consideration of petitions received by the Authority. The current petitions process was considered by the Audit and Governance Committee on 2 October 2014 and endorsed by Council on 9 October 2014. This process aims to ensure scrutiny of the actions taken in relation to petitions received either by Members or Officers.

Background

This report provides information on Petitions received by the Council since January 2020. The Committee did receive regular reports containing the schedule of Petitions prior to the sequence of Covid 19 lockdowns, however, prioritisation during this time came to more essential business during the pandemic.

The schedule is a reduced version, the full e-petitions schedule is publicly available on the Council's website:
