Appendix 1 – Responsibility for Functions / Scheme of Delegation

Introduction

1. The Council has adopted the Leader and Executive (executive) (England) governance model. The Executive consists of the Leader of the Council (who is appointed by full Council and may be removed by it) and a minimum of 2 but no more than a maximum of 10 councillors appointed to the Executive from time to time by that Leader. The executive of City of York Council is described as 'the Executive'.
2. In accordance with the law, any function of the Council which is not otherwise specified in legislation is an 'executive function' and is the responsibility of the Leader and Executive. The Leader and Executive are responsible for all of the Council's functions (including local area functions), except those which are required by the law or this Council's Constitution, to be the responsibility of the Council itself, or any other non-Executive part of the Council. Executive functions are regarded as exercisable by the Executive (or officers or individual Executive Members) on behalf of the Council and may not be exercised by the Council.
3. Such Executive functions may be discharged in accordance with provisions made by, or under, this Constitution or the law, in particular the Local Government Act 2000, Public Involvement in Health Act 2007, Localism Act 2011 and associated Regulations.
4. Legislation specifies particular non-executive functions which cannot be the responsibility of the Executive, and also local choice functions which may be allocated to be the responsibility of the Executive, but do not need to be. All local choice functions which are not otherwise allocated under this Constitution are the responsibility of the Leader and Executive.
5. The Leader may personally discharge functions which are the responsibility of the Executive or arrange for their discharge by the

Executive, another member of the Executive, a committee of the Executive, a joint committee or by an officer. The Leader may change these arrangements from time to time. Unless the Leader otherwise directs, the Executive itself may also arrange for the discharge of any of its functions by a committee of itself, a joint committee, individual Executive Member or by an officer.

6. This scheme of delegation [hereafter referred to as “the scheme”] reflects the assignment of functions by either the Council (in respect of matters which are not executive functions) or by the Leader of the Council or Executive (in respect of matters which are the responsibility of the Executive) as appropriate to the particular function. In relation to delegation to officers, the scheme does not distinguish between the two sources of delegation.
7. Responsibility for the functions of the Council and Executive is delegated or assigned as set out in the following provisions of this scheme as updated from time to time, and such delegation/assignment includes the power to do anything which is calculated to facilitate or is conducive to the discharge of those functions.
8. The provisions of this scheme take account of the requirements of the Local Government Act 2000, the Local Government and Public Involvement in Health Act 2007, Localism Act 2011 and relevant legislation including Regulations in the assignment of functions to the Council itself, to the Leader/Executive, to other Committees or Panels. They take account of any prohibitions, restrictions or local choice in the assignment of these functions.
9. The Council, the Leader of the Council, Executive, individual Members, Committees or Panels to which functions are assigned, shall act in accordance with the law and the provisions of the Council’s Constitution, including any Standing Orders, Procedure Rules, Financial Regulations and protocols approved from time to time (except those joint committees or any other member bodies regulated by separate constitutions).

10. Those functions reserved to the full Council itself are not to be delegated or assigned except as permitted under the law or this Constitution.
11. Each body or person having decision-making powers (a 'Delegate') shall implement and act within the policies of the Council, having regard to the advice of the Director of Governance who is the council's Chief Legal Officer, and Chief Finance Officer as necessary.
12. Each Delegate shall have the power to delegate further to an officer all or any of the functions delegated to it. Subject to a written scheme of delegation recording this and being shared with the Monitoring Officer.
13. A Delegate may decide not to exercise any function in relation to a particular matter and invite the Council, Leader of the Council or Executive depending upon whether the function is the responsibility of the Executive or any other appropriate body as the case may be to do so instead.
14. The functions, powers and duties are delegated to Officers in accordance with the scheme of delegation to Officers.
15. Meanings:
 - a) Executive (executive) functions shall mean those functions that by law must be the responsibility of the Executive.
 - b) Non-Executive functions shall mean those functions that by law must not be the responsibility of the Executive.
 - c) Local Choice functions shall mean those functions that the Council may decide to exercise itself or delegate to any part of the Council including the Executive.
 - d) Responsibility of the Executive shall include those matters which are Executive (executive) functions, or local choice functions which have been delegated to the Executive.

Principles of Delegation

16. The principles guide the allocation of responsibility for decision-making at Executive Member and Chief Officer Level.
17. In respect of matters delegated from Executive to individual Executive Member, the focus is on policy issues within the budget and policy frameworks agreed by Council/Executive:-
 - a) Policy matters, internal to the service, and required to provide guidance to officers to ensure significant policy decisions are implemented
 - b) Details of policy matters delegated by Executive once principles have been agreed
 - c) Expenditure items not specifically detailed within Service Plans but not sufficiently significant in scale to refer to Executive
 - d) Responses to consultation documents not referred to Executive.
18. In respect of matters delegated from Executive to Chief Officers in consultation with Executive Members, the focus is on service management issues with policy or political implications (“no surprises principle”).
 - a) Significant management decisions which could have an adverse or controversial impact on the delivery of services or achievement of agreed targets
 - b) Development of Service Plans and Policy Statements for consideration by Executive
19. In respect of matters delegated from Executive to the Chief Operating Officer or Chief Officer these will relate solely to the management of services and resources covering:-
 - a) Management of services within the framework of the Council Plan, Service Plans and Council policies and standards agreed by Members

- b) Management of resources within the framework of the corporate strategies (i.e. Financial, Information & Communications Technology, Procurement, Human Resources and Asset Management) agreed by Members.

Scheme of Delegation

Aims

- 20. Democratic accountability should be the key aim of the Scheme of Delegation together with:
 - a) Member authority for policy/strategic decisions
 - b) Effective scrutiny of policy/strategic issues
 - c) Officer responsibility for service delivery
 - d) Effective monitoring of service performance.

Member Advantages

- 21. The Scheme of Delegation details below the decisions to be taken at the different levels. For Executive Members it will deliver the:-
 - a) Ability to control key/strategic decisions in Council and Executive
 - b) Opportunity to consider and shape policy within the Executive
 - c) Involvement in Council Plan/Budget formulation.
- 22. For individual Executive Members the advantages are:-
 - a) Enhanced authority and responsibility to implement policy within agreed frameworks
 - b) Increased ability to take speedier policy decisions
 - c) Greater involvement in shaping service delivery in line with policy
 - d) Improved information on service activities and executive decisions

- e) Protection of personal positions and interests through collective responsibility in Council/Executive and support from Chief Officers.

Member-Officer Relationships

23. The Scheme of Delegation will only work effectively if there is mutual understanding and trust between Members and Officers. However, to support the Scheme of Delegation and particularly where matters are delegated from Executive to Executive Member and Chief Officers, it is suggested that:
- a) 'Service Plans' should be of sufficient detail to provide an effective framework for decisions
 - b) Information on service delivery should be enhanced to ensure that members know what is going on without having to ask
 - c) Protocols, or sets of criteria, for the detailed implementation of specific policy or service areas should be agreed between the Executive Member and Chief Officers
 - d) The principle is reinforced that Chief Officers err on the side of caution in informing members of decisions that might have political implications, including any advice given to Members. Decisions delegated to officers within departments are dealt with in a structured way with proper records and audit trails so it is clear who is responsible and what the reasons were for the decisions.

Officer Scheme of Delegation

General Principles of Officer Delegations

1. The delegations set out below apply to both Executive functions and non-Executive functions.
2. Functions delegated to officers are to be exercised in compliance with other parts of the Constitution (including the restrictions on use of delegated powers set out in this Appendix of the Constitution) and in accordance with the budget and policy framework.
3. Functions delegated to officers shall also be exercised having full regard to:
 - a) Any advice given by the Chief Operating Officer & Head of Paid Service;
 - b) Any financial advice given by the Chief Finance Officer appointed under section 151 of the Local Government Act 1972;
 - c) Any legal advice given by the Director of Governance & Monitoring Officer; and
 - d) Any statutory codes or guidance, and any policies or protocols as may be approved by the Council and Executive.
4. “Function” is to be construed broadly and includes the doing of anything which is calculated to facilitate or is conducive or incidental to the discharge of any of the specified functions. Where functions are delegated, these should be taken to include all powers and duties necessary to carry out those functions under all present and future legislation and all incidental powers including power to serve statutory notices (after consultation with the Director of Governance & Monitoring Officer) where specified, and carry out works in default.
5. The Chief Operating Officer and Chief Officers are not required to exercise all delegations personally and may authorise officers of suitable experience and seniority to exercise delegated powers on their behalf. The Chief Operating Officer and Chief Officers must maintain an up to date list of all such authorisations, as part of a comprehensive Directorate Scheme of Delegation and a copy of which must be shared

with the Director Governance & Monitoring Officer.

6. The fact that a function is delegated to the Chief Operating Officer and Chief Officers under this scheme does not preclude the Executive or an Executive Member (for Executive functions) or the Council or a Committee (for non- executive functions) from exercising the function in question.
7. The Chief Operating Officer and Chief Officers may refer any matter to Full Council, the Executive, an appropriate Committee of the Council or an Executive Member for decision at their discretion. The Chief Operating Officer and Chief Officers should exercise this discretion if in their opinion:
 - a) the matter is of significant political impact where Members might be expected to be accountable to the electorate for the decision;
 - b) it is a matter of substance relating to a key or significant project;
 - c) where significant risks have been identified in proceeding with the issue;
 - d) where there is a significant deviation from the original intention of a proposal previously reported to Members; or
 - e) the decision could have significant consequences for another directorate.
8. The Chief Operating Officer and Chief Officers have responsibility to report to Council, Executive, the appropriate Committee or Committee Chair or appropriate Ward Members, matters that are of particular significance where that body or person is not required to make a decision but where it is proper for them to be aware of the position.
9. In the absence or the unavailability of an officer, any function delegated to that officer may be exercised by an Officer acting as their deputy either generally or in relation to a particular service area.

10. For the purposes of this Constitution, the reference to Chief Officer shall include the Chief Operating Officer, a Corporate Director, Director and Assistant Director only.

Restrictions on the use of Delegated Powers

11. All delegated decisions must be taken in compliance with the Constitution, the budget and policy framework, Financial Procedure Rules and Contract Procedure Rules. All decisions are recorded and published by Democratic Services.
12. The Chief Operating Officer and Chief Officers may, within the approved budget, therefore, exercise all matters of day-to-day administration and operational management of the services and functions for which they are responsible to the Council, the Executive or a committee which delegation shall include taking and implementing decisions including in particular any decision which is not a key decision and which is concerned with maintaining the operation or effectiveness of those services or with a matter incidental to the discharge of the Council's functions or which falls within the scope of a policy decision taken by the Council.
13. The scheme does not delegate to Chief Officers or any Officer any key decisions or delegate matters to individual Members of the Council's Executive. Key decisions are defined in Article 7 of this constitution.
14. All powers and duties that the Chief Operating Officer or any Officer is authorised to exercise or perform must be exercised or performed on behalf of and in the name of the Council and in accordance with the Constitution.
15. Where any matter involves professional or technical considerations not within the sphere of competence of the Chief Operating Officer and Chief Officers or other Officers they must consult the appropriate professional or technical Officer of the Council before authorising action.
16. Appointments to act as Authorised or Proper Officers must be made by the Director of Governance & Monitoring Officer unless specified later in

this Scheme.

17. The Director of Governance & Monitoring Officer is appointed to act as Authorised or Proper Officer for the purposes of any Act of Parliament or statutory instrument where qualified to do so and another Officer has not been appointed.
18. The Director of Governance & Monitoring Officer may appoint other Officers to act as Authorised or Proper Officers for the purposes of any Act of Parliament or statutory instrument and to appear on behalf of the Council in proceedings before the Magistrates or County Court.
19. The Leader of the Council, the relevant Executive Member and the Chief Operating Officer must be consulted about responses to consultation papers issued by Government Departments or National or Regional Bodies.
20. The appropriate Executive Member must be consulted about responses to long term or strategic plans of neighbouring planning authorities.

Financial thresholds

21. An Officer may not make a key decision unless specifically authorised to do so under this Constitution or by the Executive.
22. An Officer may not award a contract with a value exceeding £250,000 except where the contract is treated as a routine procurement in accordance with the Contract Procedure Rules contained within this Constitution.

Planning Powers

23. An Officer may not exercise a power in respect of a planning matter where the power to take the particular decision is specifically delegated under this Constitution to the Planning Committee A or Planning Committee B.

24. Unless where circumstances are urgent or require immediate action, an Officer may not authorise the issuing of a planning enforcement or stop notice without consultation with the Chair and Vice Chair of Planning Committee B.
25. The request to bring an application to Planning Committee B be made:-
 - a) by a Ward Councillor for the site of the application, and
 - b) in writing to the Chief Planning Officer, and
 - c) within the consultation or re-consultation period, and
 - d) include the planning reason(s) for the request. (For the avoidance of doubt matters such as the loss of a private view, loss in value of a property or 'to allow the matter to be heard in a public arena' would not constitute valid planning reasons.
26. An Officer may only exercise powers in relation to the designation of a neighbourhood area under the Localism Act 2011 where the Council is statutorily obliged to designate the area specified in the application.

Licensing functions

27. An Officer may not exercise a Council function in respect of a licensing matter where the function has been specifically reserved under this Constitution to Council, a Committee or a Sub Committee.

Executive functions

28. An Officer may not exercise an executive function where the relevant Executive Member or the Leader of the Council has reserved the power to themselves by giving written notice to the officer holding the delegated power or to the Chief Operating Officer.

Legal Action

29. An Officer may only commence legal proceedings in accordance with an approved enforcement policy and / or with the approval of the Director of Governance.

Delegated Powers in respect of Academy Conversions

30. The Corporate Director of Children and Education and the Director of Governance, in consultation with the Executive Member for Children, Young People and Education, have delegated powers to negotiate and conclude the Commercial Transfer Agreements and Land Leases in future academy conversions where there are no proposals to change the designation of land currently used for educational purposes.

Appendix 2 - Petitions Scheme

- 1 City of York Council is committed to involving local people in its decision making. For some years, it has been operating a public participation scheme enabling members of the public to attend meetings and speak on an issue. It has also responded to petitions from the public, received in an number of ways e.g. through a Ward Councillor submitting a petition on behalf of a constituent or by a resident submitting one direct to a council office by post/hand. As part of its approach to petitions, the Council has also introduced an ePetitions facility, providing another way in which a particular issue can be brought to the attention of Councillors.
- 2 Through this Petitions Scheme, the Council is making a commitment to:
 - Enable anyone who lives, work or studies in the local authority area to organise and submit a petition either on paper or electronically
 - Respond to the concerns raised within a petition
 - Review its handling of a petition where a lead petitioner believes it has not been dealt with in accordance with this scheme.
- 3 To support the scheme, the Council has:
 - Set a low threshold of ten signatures on the number of petitioners to enable as many valid local opinions to be heard as possible
 - Provided an ePetitions facility to enable those who want to, to create their petition on line and allow others to sign it electronically

4 Petitions Not Covered By This Scheme

4.1 This scheme does not cover petitions which:

- a) Relate to a planning or licensing application – in this case a petition will be referred to the relevant decision maker
- b) Relate to matters where there is a legal right to seek a review or appeal
- c) Respond to a public consultation organised by the Council – in this case a petition will be referred to the decision maker
- d) Relate to matters which are of a defamatory or discriminatory nature, personal attacks on identifiable individuals or disclosure of confidential or personal information, particularly where appropriate the lead petitioner will be directed to the most appropriate route for raising such concerns with the Council.
- e) The Council's Monitoring Officer, acting in consultation with the Chief Operating Officer, considers to be vexatious i.e. a petition with insufficient substance to merit action and the use effective use of public resource, abusive or otherwise inappropriate

4.2 In addition to these rules where a petition has resulted in a debate at a meeting of Full Council, the Council will not hold a further debate in response to a petition which the Lord Mayor considers to be substantially similar within a period of two years.

4.3 During the period leading up to a local or national election the Council may temporarily suspend the hosting of e-petitions or delay holding debates.

5 Submitting a Petition

Paper Petitions

- 5.1 Paper petitions can be submitted via a number of routes e.g. via a Ward Councillor, by post or hand delivered to the Council Offices.
- 5.2 Paper petitions handed in to a Ward Councillor are normally presented at Full Council and then passed to a senior officer within the relevant Directorate and referred to the Customer and Corporate Services Scrutiny Management Committee. Those that come directly into the Council Offices are also referred to the Customer and Corporate Services Scrutiny Management Committee.
- 5.3 Paper petitions should contain the details of the petition on the front of each sheet so that it is clear that each signatory has responded to identical wording.

6 ePetitions

- 6.1 All ePetitions submitted to the Council must:
- a) Include a clear and concise statement covering the subject of the Petition.
 - b) State what action the petitioners wish the Council to take.
- 6.2 The ePetition organiser will need to provide us with their name, postal address including postcode, email address and contact telephone number. The name of the petition organiser (but no other contact details) will be published alongside details of the petition.
- 6.3 The ePetition organiser will also need to decide how long their petition will be open for signatures. Most ePetitions run for six months, but it can be a shorter or longer timeframe, up to a

maximum of 12 months.

- 6.4 When an ePetition is created, it may take up to five working days before it is published online. This is because we have to check that the content of the ePetition meets the guidelines before it is made available for signature.
- 6.5 The relevant Executive Member will be advised of the publication of any e-petition relating to their service area.
- 6.6 If a petition does not follow the guidelines set out above, or if we need clarification on any issues raised within an ePetition, we will contact the ePetition organiser within 5 working days of receipt to explain.
- 6.7 We will also contact the ePetition organiser if we feel we cannot publish an ePetition for any reason, and where possible, we will offer assistance to change and resubmit it.
- 6.8 If the required clarification is not provided, or if an ePetition that we cannot publish is not re-submitted within 14 days, a summary of the ePetition and the reason why it has not been accepted will be published under the 'rejected petitions' section of the Council's ePetitions facility.

7 How to 'sign' an ePetition

- 7.1 An individual wanting to sign an ePetition, will be asked to provide their name, address and postcode, plus a valid email address. They will then receive an email containing a link which they must click on in order to confirm their email address is valid. Once this step is completed their 'signature' will be added to the ePetition.

NB: Anyone viewing an e-petition will only be able to see the names of those who have signed - no contact details will be visible.

- 7.2 All ePetitions currently available for signature on the Council's website can be viewed at:

Appendix 5 - Scrutiny Procedure Rules

1 Quorum

- 1.1 Customer & Corporate Services Scrutiny Management Committee and all other scrutiny committees will not transact any business unless at least four members are present.

2 The Party Whip

- 2.1 The party whip is defined as *“any instruction given by or on behalf of a political group to any Councillor who is a member of that group as to how that Councillor shall speak or vote on any matter before the Council and any committee or sub-committee or the application or threat to apply any sanction by the group in respect of that Councillor should they speak or vote in any particular manner.”*
- 2.2 When considering any matter in respect of which a member of an overview and scrutiny committee is subject to a party whip the member must declare the existence of the whip, and the nature of it before the commencement of the committee’s deliberations on the matter. The declaration, and the detail of the whipping arrangements, shall be recorded in the minutes of the meeting.

3 Chairs of overview and scrutiny Committees

- 3.1 The Council will appoint the Chairs and Vice-Chairs of Overview and Scrutiny Committees.
- 3.2 Chairs and Vice-Chairs of Sub-Committees will be appointed by the Committee establishing them.
- 3.3 Where the Committee establishes a Sub-committee or Working Group, the Committee will appoint a Chair (and, if necessary, a Vice-Chair).

- 3.4 Membership of a Sub Committee or working Group will be from Members of the parent Scrutiny committee.

Proportionality

- 3.5 All Scrutiny committees and Sub-Committees will be established in accordance with the political proportionality principles. However any informal Working Groups will not be the subject of proportionality.
- 3.6 Government Statutory Scrutiny Guidance (2019) promotes the four core principles for effective scrutiny originally proposed by The Centre for Governance and Scrutiny namely:
- a) Provide constructive 'critical friend' challenge;
 - b) Amplify the voices and concerns of the public;
 - c) Be led by independent people who take responsibility for their role;
 - d) Drive improvement in public services.
- 3.7 Each Committee within the existing structure will meet in public on a staggered, quarterly basis as a minimum. These quarterly meetings will principally be focused on the 'overview' function, e.g. receiving performance & monitor type reports and identifying areas for further work.
- 3.8 Informal Forum meetings will take place quarterly between public Committee meetings. The initial Forum meeting of each municipal year will be used as an opportunity for the Committee to meet with the relevant Executive Member to discuss the development of a work programme for the forthcoming year. Thereafter Forum meetings will be utilised for horizon-scanning and scoping work, as task groups to undertake work which informs future agenda topics or for other such uses which inform

and contribute to the Committees' work programme.

- 3.9 There will be two additional slots every month for potential public Scrutiny meetings. One will be dedicated for a 'commissioned' policy development / pre-decision scrutiny and the second will be used for CSMC Call-ins or a second 'commissioned' meeting. Call-in will continue to function in the usual way and must be requested using the call-in pro forma. The additional public Scrutiny meetings will be commissioned through CSMC following discussion with Executive Members, Corporate Management Team (CMT) and Scrutiny Chairs.
- 3.10 A Scrutiny Chairs' and Vice Chairs Forum will meet bi-monthly to discuss work-plans after these have been agreed by the relevant Committee members, in conjunction with the Chair and Vice Chair of the Customer & Corporate Services Scrutiny Management Committee.
- 3.11 The Forums will be a place in which the members of the Corporate Management Team and Executive Members can speak about their plans longer term and identify potential areas for policy development and pre-decision Scrutiny. Forums will discuss and manage their Quarterly Committee's work plans and make recommendations for policy development and pre-decision input to CSMC.
- 3.12 Scrutiny Chairs, in liaison with CMT and Executive will identify the most appropriate timescales to recommend pre-decision and policy development meetings on particular topics and CSMC will then 'commission' a Scrutiny Committee to undertake a discreet piece of work which will either come back to CSMC or make a recommendation to a meeting of the Executive or Executive Member Decision Session.
- 3.13 Executive Members, CMT and appropriate Officers will attend Forums and Committee meetings as required.

3.14 Reports will be published in advance of meetings wherever possible. Where this is not possible (e.g. due to short notice) this will be with the agreement of the Chair / Vice Chair.

3.15 Reports and Information will be provided to Members in advance of Forum meetings wherever possible but this cannot be guaranteed.

4 Agreeing New Scrutiny Topics

4.1 In order for a scrutiny review to be carried out Councillors must complete a topic registration form outlining the reasons behind the need for the review. Councillors can do this in writing or online through their 'Work to Do' area on the Council intranet.

4.2 New topics are added to the scrutiny committees work plan for consideration at a Scrutiny Chairs Forum, which is coordinated and support by CSMC.

4.3 For each topic the Scrutiny Chair's and Vice Chair's Forum may decide, with the coordination and support of CSMC, to:

- a) defer a decision until such time as further information is available which may influence that decision.
- b) decide not to carry out a review of the registered topic. In which case, the reasons will be recorded in the minutes of the meeting to inform any decisions about topics registered in the future.
- c) decide to proceed with a review. The new review will be added to the committee's work plan following consultation with the Chair and Vice Chair of the CSMC.

5 Carrying Out a Scrutiny Review

5.1 Common Practice

5.2 All scrutiny committees can:

- a) carry out a review or appoint a task group from within their membership, to carry out the review on their behalf. Alternatively a task group can be formed to examine specific aspects of a review and report back its findings to the Committee.
- b) appoint non-voting co-optees for the duration of a review. Such co-optees will be chosen for their relevant professional knowledge, expertise and/or where their involvement will ensure that the views of local residents or interested parties are represented. All co-opting arrangements shall be subject to periodic review by the Customer & Corporate Services Scrutiny Management Committee.
- c) seek the advice of an Expert Advisor (one who has previously been identified to support the work of the Scrutiny Committee based on their relevant academic knowledge), and may pay them expenses for doing so.
- d) hold enquiries, go on site visits, conduct public surveys, hold public meetings, commission research and do all other things that they reasonably consider necessary to inform their deliberations, subject to budget availability.
- e) ask any external consultants / witnesses to attend to address them on any matter under consideration and may pay them a reasonable fee and expenses for doing so - see Witness Charter in Annex 4.

f) require any Councillor (including Members of the Executive) or Officers to attend a meeting to explain about matters within their remit. It is the duty of those persons to attend if so required and they may be required to answer questions relating to:

- any particular decisions or series of decisions;
- the extent to which the actions taken implement Council policy;
- their performance.

***Note:** All attendees (Councillor or officer) must be informed of why they have been asked to attend, the date and time of the scheduled meeting, what they need to prepare i.e. produce a report or provide statistical information, and be given enough time in which to do so. All such Councillors and Officers will be treated fairly and considerately in accordance with the Witness Charter. Where, in exceptional circumstance, an attendee is unable to attend on the required date then the Scrutiny Officer in consultation with the Chair shall arrange an alternative date for attendance.*

6 Councillors Rights to Access Information

6.1 In addition to their rights as Councillors, members of scrutiny committees have additional right to documents and to notice of meetings if they can claim a 'need to know' basis in law – see the Access to Information Procedure Rules at Appendix 7 of this Constitution.

7 Co-opted Voting Members

7.1 The Children, Education & Communities Policy & Scrutiny Committee shall include in its membership such co-opted voting Members as are required by statute for scrutinising educational matters. These will include the following representatives:

- a) one Church of England diocese representative
- b) one Roman Catholic diocese representative
- c) two parent governor representatives

7.2 These statutory co-optees will be invited to attend meetings of the Children, Education & Communities Policy & Scrutiny Committee whenever educational issues are being discussed and scrutinised. They will not be expected to attend meetings when the published agenda does not contain education related matters.

7.3 All co-opted voting Members are required to abide by the standards set out in the Council's Code of Conduct for elected Councillors, and appointments do not take effect until such an undertaking has been given.

8 Cycle of Meetings

8.1 On commencement of a scrutiny review, the committee will consider a scoping report. If required, the Committee may agree some additional formal public meeting dates in order to progress the ongoing review and these will be added to the Committee's workplan.

8.2 Councillors can also hold a number of Forum meetings to ensure the review remains on focus. These meetings are usually supported by a briefing note to update Members on the review's progress.

9 Producing Scrutiny Reports

9.1 A scrutiny committee may produce an interim report to update Customer & Corporate Services Scrutiny Management Committee during an ongoing review. Once the review has

been completed and the recommendations have been formed, scrutiny committees must prepare a final report and submit it for consideration to the Executive and/or Council. If requested, it may also be presented to Customer & Corporate Services Scrutiny Management Committee for their consideration.

- 9.2 Where a scrutiny committee cannot agree on one single final report to Customer & Corporate Services Scrutiny Management Committee then the report with the support of the greatest number of Members of the scrutiny body shall be the report of that.
- 9.3 The final report shall be added to the Executive Forward Plan for consideration by the Executive within one month of it being submitted (or at the earliest available meeting if there is not a meeting scheduled within one month).

10 Pre-Decision Scrutiny

- 10.1 The Council has established a Pre-Decision Scrutiny Protocol which is Annex 1 to these Rules.

11 Post-Decision Call-in

- 11.1 When a decision is made either by an Executive Member or the Executive it is published in a decision list online and circulated to all Councillors. In the case of an Officer key decision this is published online and all Councillors receive electronic notification.
- 11.2 Within two days of the decision being made, the decision lists and electronic notifications bear the date on which they are published and will specify that the decision will come into force, and may then be implemented on the expiry of 5 working days after the publication of the decision, unless it is called-in under these procedures.

- 11.3 Not fewer than 3 named Councillors must lodge a written notice using the Call-In Request Form at Annex 2 of these rules of their wish to call-in a decision with Democratic Services not later than 4pm five working days after the decision has been taken.
- 11.4 The Monitoring Officer will then consider the completed Call-In Request form and may take one of the following options:
- a) Accept the Request for a Call-In as valid in which case arrangements will be made for a meeting of the Customer & Corporate Services Scrutiny Management Committee using the next available published Call-In meeting slot;
or
 - b) Reject the Call-In for one or more of the following reasons:
 - i. The request is relating to a decision of a non-executive function;
 - ii. The decision was a non-key decision taken by an Officer under delegated powers;
 - iii. The decision was an urgent decision taken under the urgent decision procedures;
 - iv. The issue has been the subject of a call-in within the last 6 months of the date of the decision being made;
 - v. The issue was the subject of pre-decision scrutiny in accordance with the Pre-decision scrutiny Protocol
 - vi. The decision relates to the formulation of a policy or budget matter that requires Full Council approval;
 - vii. The decision was, or is a decision, requiring a decision of Full Council;
 - viii. The request is vexatious in that there are no, or insufficiently detailed, reasonable

grounds which could justify the call-in request being accepted;

- ix. The request for a call-in was received after the expiry of the five working days of the decision being made.

- 11.5 In the event that the Monitoring Officer is absent when a call-in request is received, the matter shall be referred to the Chief Operating Officer for consideration.
- 11.6 If, having considered the decision, the Customer & Corporate Services Scrutiny Management Committee is still concerned about it, then it may exercise the powers set out in the Local Government Act 2000 which will usually be by a referral to the Executive. If referred to the decision maker they shall then reconsider the decision, amending the decision or not, before adopting a final decision.
- 11.7 If, following an objection to the decision, the Customer & Corporate Services Scrutiny Management Committee does not meet in the period set out above, or does meet but does not refer the matter back to the decision making person or body, the decision shall take effect on the date of the Customer & Corporate Services Scrutiny Management Committee meeting.
- 11.8 The call-in procedure shall not apply where the decision being taken is urgent. A decision will be considered urgent if any delay likely to be caused by the call-in process would, for example, seriously prejudice the Council's or the public's interests. The record of the decision, and notice by which it is made public shall state whether in the opinion of the decision making person or body, the decision is an urgent one together with the reason for urgency, and therefore not subject to call-in.
- 11.9 The operation of the provisions relating to call-in and urgency shall be monitored annually, and a report submitted to Customer & Corporate Services Scrutiny Management

Committee with proposals for review if necessary. This will be incorporated as part of the six monthly and annual review of the constitution.

- 11.10 There may be requirements for changes and/or additions to these procedures in the future. Any such changes are subject to the approval of Council for inclusion in or amendment of the constitution.

Procedure to be followed by the Customer & Corporate Services Scrutiny Management Committee when considering a Call-In request

12 Procedure to be Adopted When a Decision is Called-In

- 12.1 Democratic Services will check that the call-in notice [completed Call-In Request Form] is signed by at least three Members. The call-in notice must identify which principle(s) and give reasons. This requirement will be checked by the Monitoring Officer or the Chief Operating Officer.
- 12.2 If the Call-In Request has been accepted by the Monitoring Officer, Democratic Services will arrange a meeting of the Corporate Management Scrutiny & Policy Committee, for the next published / scheduled call-in meeting in consultation with the Chair. This meeting will be scheduled within 14 working days of the Call-In request being received if an appropriate date has not already been diarised.
- 12.3 Democratic Services will acknowledge the call-in request and notify all Executive Members.
- 12.4 Democratic Services will invite all of the signatories to the call-in request, the relevant Executive Member(s) and the relevant Chief Officer to attend the call-in meeting. All of the call-in signatories and the relevant Executive Member or their nominee would be expected to attend. The relevant Chief Officer may nominate an officer to attend in their place. If none

of the call-in signatories attend, the Committee will decide whether to proceed. If the Committee decides not to proceed, then the call-in will be determined on the basis that the Committee does not have any concerns it wishes to refer to the Executive, and the Executive will not be required to reconsider the decision.

- 12.5 Democratic Services will send copies of the completed Call-in Request Form, decision notice (or minute) of Executive and any associated reports to Members of the Committee with the agenda for the meeting, or to follow if the agenda has already been issued.
- 12.6 Democratic Services will liaise with the Chair and Vice Chair of CSMC over any other appropriate arrangements for the call-in, e.g. additional information, witnesses etc. If the Chair or Vice Chair(s) have signed the call-in notice, Democratic Services will liaise with another Member of the Committee nominated by the Chair or Vice Chair.
- 12.7 The aim of the Committee meeting when the call-in is considered should be inquisitorial not adversarial. The Meeting Procedure for a Call-in of an Executive decision will be adopted which is detailed within these Rules.

13 The role of the Chair

- 13.1 This Meeting Procedure for a call in shall be implemented at the meeting by the Chair and any deviation from this procedure will be at the discretion of the Chair. The Chair will advise attendees at a Call-in meeting of any reasonable intention to deviate from the procedure at the start of the meeting where possible.
- 13.2 In the absence of the Chair, the meeting will be led by the Vice-Chair. In the absence of both, the Monitoring Officer or their representative shall facilitate a vote of Members so that a Chair is appointed. The appointed Member will chair for the

duration of the meeting or until the Chair or Vice-Chair is present.

- 13.3 Where the Chair is in attendance, the Vice-Chair shall be treated in the same way as every other Member of the Committee.

14 Role of signatories to the Call-in notice and the Executive Member

- 14.1 Signatories to the completed Call-in Request Form will be invited to provide evidence to the CSMC, in terms of a presentation of their reasons supporting the call-in and by answering questions put to them by the Committee. The Executive Member will be invited to respond to the call in and provide reasoning and evidence supporting the subject decision.

- 14.2 There is no provision for either the signatories to the Call-in or the Executive Member to question each other, either directly or through the Chair.

15 Role of Officers in attendance

- 15.1 Supporting Officers will be present from Democratic Services (providing advice to the Chair and Committee as required and recording decisions). The Monitoring Officer or their representative will also be present and may undertake any of these duties in addition to providing any legal advice if required.

- 15.2 Chief Officers and or Heads of Service may provide assistance to the Executive Member and contribute to the meeting as required by advising the Committee on the strategic, financial, legal, technical or operational basis of decisions taken or considerations given relevant to the Call-in, or by responding to technical or procedural questions referred by the Executive Member to them. Officers must not be

drawn into offering opinion or answering questions of political judgment.

16 Procedure at the meeting

- 16.1 Public Participation as per the Public Participation Protocol at Appendix 8 of this constitution will be included as part of the agenda for a meeting of CSMC solely focussed on considering a Call-In Request. Any contributions from members of the public are to be directed towards the topic of the call-in only.
- 16.2 The signatories will nominate a lead spokesperson and all three signatories to the Call-in notice will be invited to address the Committee on the Call-in, and will be required to focus on justifying why they considered the core principles set out in the Call In Request Form have been breached as raised in the signed Call-in Notice lodged with the Monitoring Officer. Signatories shall limit their contributions to the reasons for the call-in. The time allowed for the signatories to state their case is limited to 10 minutes in total.
- 16.3 After all signatories have made their contributions, members of the Committee will be invited to put questions to the signatories and receive responses to those questions. As a guide it is anticipated that this should not exceed 20 minutes in total.
- 16.4 The Executive Member will then be invited to address the Committee on the Call-in by the Chair and will be required to respond to the assertions relating to the failure to meet the principles as set out in the Call-in notice. The time allowed for the Executive Member to respond to the call-in is limited to 10 minutes.
- 16.5 After the Executive Member has made their contribution, Members of the Committee will be invited to put questions to the Executive Member

Commented [BJ1]: Full council is asked to determine if this is 20 minutes or 30 minutes. Please note that this is only a guide provided to offer informal time management for the overall length of the meeting

- 16.6 By way of summing up, the nominated lead signatory shall be invited to make a further statement to the Committee, lasting no more than five minutes, summarising the signatories' case for the call in.
- 16.7 By way of summing up, the Executive Member shall be invited to make a further statement to the Committee, lasting no more than five minutes, responding to the Call-in.
- 16.8 There shall be no further contributions from signatories to the Call-in notice, Executive Member or Officers attending in support of the Executive Member.
- 17 Contributions by Members of the Committee**
- 17.1 The Chair, following any observations they may have:
- in direct response to, and or
 - to acknowledge any concessions made by the Executive Member and lead signatories during the meeting which have directly arisen during the debate in the call in meeting,
- shall invite Members of the Committee to make any contributions they may wish prior to the vote being taken. Each Member of the Committee shall be permitted to make one speech lasting no more than five minutes.
- 18 Voting on whether core principles have or have not been breached**
- 18.1 The Chair shall then ask each Member in turn to state whether they consider the core principles identified in the Call-in Request were, or, were not, breached giving reasons if they so wish. There is no requirement to seek a recommendation which is seconded to enable a vote to be taken.

18.2 The Chair may, at their discretion, state whether they believe the core principles identified in the Call-in Request were or were not breached, giving reasons if he or she so wishes.

18.3 The vote to be taken will be by a show of hands where multiple breaches are alleged, a vote shall take place in respect of each potential breach.

Commented [BJ2]: Full Council is to determine if this addition is approved

19 Finding of no breach

19.1 In the event that a majority of Members consider that there was not a breach, the Chair will state that the Committee has resolved that the Executive decision identified in the Call-in Request did not breach the core principles and immediately close the call-in aspect of the meeting. Members of the committee, without re-opening the debate, may then continue the meeting to suggest any areas they consider worthy of future exploration via the scrutiny function. At the conclusion of this discussion, the meeting will formally end.

20 Finding of a breach

20.1 In the event that a majority of Members consider that there was a breach, the Chair will declare the outcome and the resultant resolution and close the meeting referring the decision in full back to the next appropriate meeting of the Executive.

21 Consideration of multiple Call-in notices in relation to one decision of Executive

21.1 In the event that more than one Call-in notice is received in relation to a single matter, the Chair will use their discretion to vary the procedure accordingly to afford signatories to all Call-in Requests equal opportunity to state their case.

Annex 1 - City of York Council Pre-decision scrutiny Protocol

- 1 The Leader and relevant Portfolio Holders attend the relevant Overview and Scrutiny Committee to outline their aims and objectives for the year and issues likely to be in the Forward Plan.
- 2 From this the Overview and Scrutiny Committee considers areas where Overview and Scrutiny may wish to contribute and via the Chair and Vice Chair of each Committee share their agreed preferences with the Chair and Vice Chair of the Customer and Corporate Services Scrutiny Management Committee for consideration of the Council's Scrutiny Annual Work Programme.
- 3 The Overview and Scrutiny Committee determines which items it would like scrutiny input into, based on strategic impact, relevance to the Committee's work programme, public interest and/or financial implications, and the Democratic Services Officer, on behalf of the Chair of CCSMC and Chair of the relevant scrutiny committee advises the relevant Corporate Director and or Chief Officer of the Overview and Scrutiny Committee's request for pre-decision Scrutiny. The Chief Officer discuss the request with the relevant Senior Officers and Executive Member(s), in particular in respect of timings and will then provide a response to the Chair of CCSMC and Chair of the relevant scrutiny committee via Democratic Services regarding the viability of the request. The Chair of CCSMC must give consideration to any such response when agreeing the future work plan of the Scrutiny Committees.
- 4 The Chief Officer and Portfolio Holder will attend the Committee meeting to discuss the issue and set out the nature of the matter under consideration, the key issues identified, any constraints, timescale for a decision, intended impact and a summary of progress to date.
- 5 The Overview and Scrutiny Committee discusses the issue and identifies any points, by way of recommendations, it would like addressed in the final report. These are minuted.

- 6 The report author drafts the final report for Executive, clearly identifying points/recommendations raised by the Overview and Scrutiny Committee and demonstrating how they have been addressed, or alternatively giving reasons as to why these recommendations were not able to be taken forward for example, legal, financial or technical issues. Where points or recommendations represent a political or judgment call, Officers will only make technical comment relevant to the decision and professional advice. This will clearly demonstrate how Overview and Scrutiny is contributing to better cross-party decision-making.
- 7 The Overview and Scrutiny Committee is not obliged to have an input at this stage, though early input in decision-making is encouraged, if practicable. Where no input has been provided, Members would retain the right to call-in the decision after it had been made on specific grounds (using the Council's call-in request form).
- 8 Where it was felt appropriate for the Overview and Scrutiny Committee to consider a draft final report for Executive, it must be approved for release by the relevant Corporate Director, the Leader or the relevant Portfolio Holder, before submission to the Overview and Scrutiny Committee. If the Overview and Scrutiny Committee consider a draft report, the item will not be subject to call-in procedures.
- 9 The final report is submitted to Executive with any relevant Minute and/or recommendation from the Overview and Scrutiny Committee formally recorded with the report as appropriate.

Annex 2 - Call-in Request Form

**Annex 3 - Councillor Call for Action (CCfA)
Guidance for Councillors and Officers**

Introduction	<p>Ward Councillors play a central role in the life of a local authority, as a conduit for discussion between the Council and its residents and as a champion for local concerns. To strengthen Councillors' ability to carry out this second role the Government has enacted in the Local Government and Public Involvement in Health Act 2007, provisions for a "Councillor Call for Action" (CCfA). This provides Councillors with the opportunity to ask for discussions at Scrutiny Committees on issues where local problems have arisen and where other methods of resolution have been exhausted.</p>
Background & context	<p>For some time the Government has been pursuing the aim of giving more power to local people and local Ward Councillors. This aim has run through both 2006's 'Strong and Prosperous Communities' and 2008's 'Communities in Control' White Papers.</p> <p>Recent legislation has given more powers for overview and scrutiny functions to work more closely with partners and across organisational boundaries. These include powers to scrutinise a wide range of national, regional and local bodies, some of which were not previously subject to local authority challenge. This means that scrutiny is in a stronger position to resolve a wide range of policy issues. CCfA needs to be viewed in this context.</p>

Principles	<p>The successful operation of CCfA relies on several broad principles being recognised and supported in local authorities. These principles are:</p> <ul style="list-style-type: none">• Transparency in decision making and the involvement of scrutiny in the decision making process at some level;• A willingness to identify mistakes and shortcomings and the recognition of the need to resolve problems through discussion;• An understanding (among senior Officers and Executive Members) of the role that scrutiny can play to help the Council improve its services;• An understanding and a wish to bolster and support the role that Ward Councillors play as champions and leaders of their communities.
-------------------	---

DRAFT

How can CCfA be used?	<p>CCfA is a tool that can be used by Councillors to tackle problems on a neighbourhood or ward specific basis that it has not been possible to resolve through the normal channels.</p> <p>A CCfA should represent genuine local community concerns and should focus on neighbourhood and ward issues, specifically the quality of public service provision, both by the Council and its partners. CCfA is a means of last resort when all other avenues have been exhausted and the Council has been unable to resolve the issue.</p> <p>It is important to recognise that CCfA is not guaranteed to solve a problem. What CCfA can provide is:</p> <ul style="list-style-type: none">• Recognition that an issue is significant enough for time, attention and resources to be spent in trying to resolve it;• A public forum for discussion of the issues;• An opportunity to discuss the issues in a neutral environment;• An opportunity to discuss a problem with the explicit and sole aim of solving it; <p>A high profile process owner by the Ward Councillor.</p>
What CCfA is not	<p>CCfA should not be regarded as merely a scrutiny process. It is a whole council approach which can help councillors to resolve issues and problems on behalf of their residents.</p> <p>CCfA is not:</p> <ul style="list-style-type: none">• About a Councillor's everyday casework;• Appropriate for dealing with individual complaints;• To be used for dealing with issues that relate to individual quasi-judicial decisions (e.g. planning or licensing) or to council tax and non-domestic rates as these are subject to their own statutory appeals

	<p>process.</p> <p>Any member can bring a CCfA on any issue they choose, however there are certain exceptions for example if a CCfA is:</p> <ul style="list-style-type: none"> • Vexations, not reasonable and/or persistent – whether the request is likely to cause distress, disruption or irritation without any proper or justified cause; • Discriminatory – implying a group of people or an area receives better or worse services on account of that group’s predominant religion, race, sex or other characteristic. <p>It does not replace the corporate complaints procedure or petitions to Council.</p>
<p>What kind of issues can be tackled?</p>	<p>Issues should be genuine local community concerns which focus on the quality of public service provision at a local level. It can include any function of the authority which affects the Councillor’s ward and constituents. It can also include issues relating to crime and anti social behaviour.</p> <p>Issues that can be tackled by CCfA are usually persistent and have remained unresolved for a long period of time. They may be issues that the Councillor is aware of from their work within their ward or they may decide to champion a request on behalf of the public.</p>
<p>What does championing a request mean?</p>	<p>Championing a request will mean taking the issue up on behalf of the resident(s) concerned and trying to resolve the problem by liaising with council services, the Executive and/or outside agencies.</p>

<p>What if a councillor doesn't want to champion a request from a member of the public?</p>	<p>If a Councillor decides not to champion a request, no further action will be taken under a CCfA. There is not a right of appeal by a member of the public.</p>	
	<p><i>Implications for Members</i></p>	<p><i>Implications for Officers</i></p>
<p>Who can raise a CCfA</p>	<p>The power to initiate a CCfA lies solely with a Councillor and it is up to them to determine which issues they want to take forward as a potential CCfA.</p>	<p>If a member of the public contacts an officer to say that they want to raise a CCfA, the officer should signpost them to their local Ward Councillor.</p>
<p>Initiating a CCfA</p>	<p>The first thing a Councillor should do is log a potential CCfA with the Scrutiny Team who will help them to decide if any issue is suitable for the CCfA process (see contact details below).</p>	
<p>If it is a CCfA, what next?</p>	<p>The Councillor will need to continue trying to resolve the concern themselves. They should keep the Scrutiny Team informed about the progress they have made, keeping them up to date with</p>	<p>As part of Councillors' attempts to resolve issues Officers may be asked to assist, for example by:</p> <ul style="list-style-type: none"> • Support Councillors through the usual

	<p>key developments. The scrutiny team will try to assist in resolving the concern by, for example:</p> <ul style="list-style-type: none"> • Providing advice to Councillors in approaching partner agencies such as the PCT, Police or relevant partnerships; • Helping to formally raise an issue with services/partner agencies. 	<p>complaint or enquiry processes;</p> <ul style="list-style-type: none"> • Attend meetings specifically set up to try and help Councillors resolve the issue.
<p>If the issue remains unresolved</p>	<p>At this stage the councillor should inform the Scrutiny Team who will discuss the issue and actions to date in more detail with the Councillor. A scrutiny officer will then prepare a feasibility report to the relevant Standing Policy and Scrutiny Committee which details the background and history of the issue.</p> <p>The Standing Policy and Scrutiny Committee will then consider the request to carry out a CCfA review. The Councillor is welcome to participate at the meeting and a decision will be made to either:</p> <ul style="list-style-type: none"> • Carry out the review; or • Identify possible courses of action that the 	<p>Officers may be asked to provide advice to the Scrutiny Team on action taken in relation to the issue. If the Councillor flags an issue as a potential CCfA, Officers might wish to consider more detailed recording of actions taken in case they are required to produce it for scrutiny purposes.</p> <p>Officers may also be asked to attend the relevant Standing Policy and Scrutiny Committee meeting.</p>

	<p>Councillor has not thus far pursued; or</p> <ul style="list-style-type: none"> • Request further information in order to make a decision; or • Determine that the issue is not suitable for the CCfA process and that no further action will be taken. 	
<p>The Scrutiny Committee has agreed to carry out a CCfA review – what happens now?</p>	<p>The CCfA will be added to the Scrutiny Committee's work plan. The Scrutiny Team will produce a scoping report and if appropriate the Councillor will be invited to participate in the review.</p>	<p>Officers may be required to provide technical support throughout the scrutiny review and/or to participate at relevant scrutiny meetings</p>
<p>What will happen after a CCfA review has been concluded?</p>	<p>A report will be produced together with a set of recommendations which will be presented to the Executive for consideration.</p> <p>Those recommendations approved by the Executive will be implemented and that implementation will be tracked by the Scrutiny Team and reported back to the Scrutiny Committee on a regular basis until completion.</p>	<p>Officers will be responsible for implementing agreed recommendations relevant to their service areas and providing update information as necessary to the Scrutiny Team.</p>

Annex 4 – Scrutiny Witness Charter

Attending a Scrutiny Committee meeting as a witness is voluntary and often a new experience for people. The City of York Council recognises the need to support witnesses. We will keep witnesses informed throughout the scrutiny process to try and ensure that the experience is as stress free as possible.

The Council will:

- 1 inform the witness of the time, date and place of the scrutiny meeting at which their evidence is to be taken.
- 2 inform the witnesses of the matters about which the scrutiny committee wish to ask them. Inform the witnesses of any documents that the scrutiny committee want the witness to produce or provide to them
- 3 provide reasonable notice of all of the requirements of the scrutiny committee to enable the witness to respond in full at the earliest opportunity.
- 4 provide copies of all relevant reports, papers and background information.
- 5 arrange for the Chair of the scrutiny meeting to introduce themselves to the witness prior to the proceedings.
- 6 ensure that all witnesses are treated with courtesy and respect and that all questions to witnesses are made in an orderly manner as directed by the Chair of the meeting.
- 7 ensure where appropriate that the witness is provided with information about claiming expenses.
- 8 following the proceedings, write to the witness and where appropriate, inform them of the outcome.

- 9 the Council's protocol on Officer/Member relations will apply to all internal witnesses.

Notes of Guidance for Witnesses

- 1 Who will be at the scrutiny meeting?

All formal scrutiny meetings are held in public and the press and media may be present. In practice, unless it is a high profile issue it is rare for there to be more than one journalist taking notes. Members of the public are always welcome, but are not usually present in large numbers. Members of the scrutiny committee will be elected Councillors and possibly one or two co-opted Members e.g. from the voluntary sector. A Scrutiny Officer will be present (usually the person you've had contact with about attending the meeting), and a Democracy Officer will minute the meeting. Other Officers with an interest in the scrutiny topic(s) on the agenda may also be present.

- 2 What happens when I arrive to attend a scrutiny meeting?

Upon arrival at the venue for the scrutiny meeting you will normally be met by someone from the Scrutiny team. The Scrutiny Officer will make contact with you prior to the meeting to confirm the arrangements, and where possible give you an indication of when your evidence is likely to be heard and explain the format for the meeting. If you have any particular anxieties or questions then you should not hesitate to raise these with the Scrutiny Officer. The Chair of the scrutiny meeting will also introduce themselves to you before the start of the meeting.

- 3 What happens when I give evidence?

Witnesses are welcome to attend the entire meeting or can wait at reception until needed. When you are called you will be shown to a seat at the table with the Members of the scrutiny committee. Members of the scrutiny committee will ask you questions in an orderly and respectful manner as directed by the Chair of the meeting. Remember:

- Take your time and speak slowly and clearly;
- Ask for questions to be repeated if you don't understand or cannot hear;
- If you are not sure of the answer then say so.

After you have finished giving your evidence you are free to leave if you wish to do so.

4 Can I claim expenses?

If you have incurred any "out of pocket" expenses when asked to attend a scrutiny committee, where possible obtain receipts for them. If you would like to claim for your expenses, please ask the Scrutiny Officer and they will provide a form for you to make your claim. The Council does not reimburse the expenses of witnesses employed by the City of York Council.

How do I do this and what are the rules?

12. Any member of the public living or working in the City of York Council area, or any appointed representative of any organisation operating within the council's area, may participate or register to speak. Anyone wishing to speak should register no later than 5pm two working days before the meeting takes place. You can register on the Council's website at <https://www.york.gov.uk/form/SpeakAtCouncilMeetings>.

13. Only the Lord Mayor chairing Full Council, or the Councillor chairing the meeting, has the authority to accept a late registration to speak at a meeting.
14. With the exception of Licensing Sub Committee Hearings, Planning Committee A and Planning Committee B meetings (see Part B, paragraph 27), there is a maximum period of 30 minutes at each meeting to listen to public speakers. Each person registered to speak is allocated a maximum time of 3 minutes and there will be a maximum of 10 registered public speakers at each meeting, registered on a first come first served basis.
15. Councillors will listen to each speaker but will not usually make any comments or seek to debate any issues raised at this stage other than occasionally to ask questions of clarification.
16. A registered speaker may speak about an item on the published agenda for that meeting or issues which fall within the remit of that committee.
17. In exercising their public participation rights a member of the public is entitled to express views positive or negative about the Council but must not:
 - Say anything which is defamatory or discriminatory;
 - Make any personal attack on an Officer and / or Member;
 - Disclose confidential information or exempt information including personal information.

Written representations from Members of the Public and those registered to speak at meetings

18. The following rules apply to all meetings of the Council except for Licensing Sub Committee Hearings, Planning Committee A and Planning Committee B meetings which are set out in Part B.
19. If you are unable to be present or speak at the meeting at which you have registered to speak a written representation may be submitted for consideration at the meeting. The statement must be

sent to Democratic Services using the contact details on the published agenda for the relevant officer or, alternatively by emailing democratic.services@york.gov.uk no later than 5pm two working days before the meeting at which it is to be raised takes place. Your name and address must be included along with the name of any group or organisation you are representing. Any written representations received will be published along with the agenda for the relevant meeting. If within the 2 day period of the meeting taking place you are unexpectedly unable to attend or speak at the meeting, you may submit your written representation to Democratic Services and the Chair will exercise their discretion as to whether to accept your representation.

20. Written representations shall be circulated to Members prior to the commencement of the meeting. No discussion shall be allowed upon written representations. Written representations may not be read out on your behalf.
21. If all or part of the written representation is defamatory, discriminatory or relates to confidential information or exempt information including personal information, the Chair, in consultation with the Monitoring Officer, shall have the right to redact those parts of the written representation prior to circulation to Members and publication with the agenda or rule the written representation out of order in which case it shall not be circulated to Members and shall not be published with the agenda.

City of York Councillors wish to speak at a meeting of which they are not a Member

22. City of York Councillors who wish to speak at a meeting of which they are not a Member may participate in meetings in any of the ways described in these rules. The rules in relation to public participation will apply to such City of York Councillors as they would to any member of the public.

PART B – Rules applying to specific meetings

General

23. The rules in Part A of this public participation protocol apply to all physical, remote and hybrid meetings other than for the specific exceptions set out in this Part B. Only exceptions to the rules in Part A are set out in Part B. For all other matters the rules remain the same as those in Part A.

Remote Meetings

24. Where public meetings are held remotely or in hybrid form, the provisions for Public Participation will be in accordance with the Council's Procedure Rules and Guidance for Remote Meetings contained in Appendix 23 of the Constitution. Anyone wishing to register to speak at a remote meeting will do so no later than 5pm two working days before the meeting takes place.

Meetings of Council chaired by the Lord Mayor

25. Public participation at all meetings of Full council will occur in accordance with the Council Procedure Rules at Appendix 3 of this constitution.

Planning Committee A and Planning Committee B

26. The applicant, their advisor and members of the public may register their wish to speak on the matters or applications to be considered by members by contacting Democratic Services using the contact details on the published agenda for the relevant officer or, alternatively by emailing democratic.services@york.gov.uk no later than 5pm two working days before the meeting takes place. If the meeting is being held remotely or in hybrid form, clear instructions will be provided to public speakers who have registered to speak on how to join the meeting remotely.
27. Members of the public that have registered to speak remotely are strongly encouraged to email the points they wish to make to the

Committee to Democratic Services as set out in paragraph 24 above prior to the meeting taking place so that in the event of technology difficulties, they can still be taken into consideration at the meeting. Subject to the Chair's discretion, these will not be circulated to the members of Planning Committee A and Planning Committee B unless technical difficulties are experienced during the meeting meaning that public participation of one or more registered public speakers is not possible. This is to ensure all views are taken into consideration within the Planning Committee meetings and there is no discussion outside the meeting.

28. It will be at the Chair's discretion as to the limit on the number of speakers at that particular committee meeting and speakers will be registered on a first come first served basis. Each speaker will be invited to make their representation and will be allowed a maximum of 3 minutes each to speak and may subsequently be asked questions by Members.
29. After each registered public speaker has finished speaking and Members have no further questions of them they will be asked to return to their seat but they may observe the remainder of the meeting. Public speakers who are attending the meeting remotely will be asked to leave the remote meeting platform and will be able to view the remainder of the meeting via the live webcast broadcast online.
30. After all registered public speakers have spoken and there are no further questions from Members, the Chair will invite Members to debate the application in question. At this point there will be no further public speaking.
31. At any time it may be necessary for officers to address the Committee to answer questions asked or to comment or clarify any points (including public participation) that have been raised during consideration of the application or to advise the Committee.
32. Any dispute or question as to procedure at the Committee, including the operation of this public participation protocol, will be determined by the Chair, whose decision on all matters will be final.

Licensing Committee meetings

33. The rules on public participation at Licensing Committee meetings are as set out in Part A.

General Licensing Sub-Committee and Taxi Licensing Sub-Committee hearings

34. The rules on public participation at General Licensing Sub-Committee and Taxi Licensing Sub-Committee hearings is set out in Annex 1 to this document.

DRAFT

ANNEX 1 – GENERAL LICENSING SUB – COMMITTEE AND TAXI LICENSING SUB COMMITTEE PROCEDURE FOR LICENSING HEARINGS

1. The procedure adopted at licensing hearings is at the discretion of the Sub-Committee but will normally follow the pattern outlined below.
2. The Council's licensing hearings procedure is based on regulations made under the Licensing Act 2003. The procedure is intended as a general framework to ensure natural justice and a fair hearing. The Sub-Committee will be guided by legal principles in determining whether evidence is both relevant and fairly admitted. Sub-Committee Members have a duty to view all evidence presented before them impartially. No matter how strong local opinion may be, Sub-Committee Members can only make decisions in the context of the licensing objectives as set out in legislation as follows:
 - The prevention of crime and disorder
 - Public safety
 - The prevention of public nuisance
 - The protection of children from harm
3. The licensing hearing will be in public session and this involves the publication of all paperwork relevant to the hearing on the Council's website. This includes letters of representation either in support or objection. Name and address details of those making representations will be made public. Telephone numbers, email addresses and signatures will be omitted. The Sub-Committee may exclude the public from a hearing if it considers it in the public interest to do so. However, the decision will be made in private.
4. In view of the requirement to hold hearings within specified timescales (usually 20 working days from the last date for representations), the Council is unable to enter into discussions to identify dates convenient to all parties concerned. In exceptional circumstances, the Council will consider applications to hold hearings at a later date.
5. The Council will provide a record of the hearing in a permanent and intelligible form and keep it for 6 years from the date of determination

or disposal of any Appeal. The live stream of the Hearing will be recorded and the recording placed on the Council's website.

Representations at Licensing Hearings

6. The Applicant is permitted to speak at the hearing. Ward Councillors, responsible Authorities and Representors are only permitted to speak if they have made written submissions during the consultation period. The Applicant and any Representors shall attend in person wherever possible. Any party to a hearing may be assisted or represented by any person, legally or otherwise.
7. All parties will be given a fair hearing and each party will have the same amount of time in which to address the Sub-Committee and question each other. Each party will have 15 minutes to address the Sub-Committee and call any witnesses and 5 minutes for questions.
8. However, where there are groups of individuals with a common interest, for example local residents making similar representations either for or against an application, consideration should be given to nominating a spokesperson. Otherwise the Sub-Committee may impose a time limit for such representations where there is pressure on the Sub-Committee to hear numerous applications in a short period of time or for any other valid reason.
9. The Sub-Committee may take into account any documentary evidence or other information in support of the application or representations either before the hearing or, with the consent of all other parties, at the hearing. For remote meetings the procedure set out in paragraphs 14 to 18 below will be followed.
10. If any Representors fail to attend the hearing, the Sub-Committee will normally proceed but will consider their written representation. In considering written evidence in the absence of a Representor, appropriate weight will be attached, given that the person cannot be questioned by the Applicant and Members.
11. The Sub-Committee is required to disregard any information given or evidence produced by a party or witness which is not relevant to the

application, representations, or notice, and the promotion of the licensing objectives. Duplication should be avoided. Comments must be confined to those points already made, although the parties may expand on their written submissions. The Sub-Committee will have read and familiarised themselves with all the written submissions and the issues prior to the hearing, and therefore do not require the points to be made at length. The Applicant and Representors cannot raise substantial new information at a hearing which has not been seen previously by the other parties.

12. A Representor **may not** introduce any new ground or objection not referred to in their written submission. Additional representations which do not amount to an amplification of the original representation will not be considered by the Sub-Committee.
13. Any person behaving in a disruptive manner will be asked to leave the hearing. However, if this occurs, that person will be entitled to submit in writing any information they would have been entitled to give orally.

Procedure prior to the Hearing - remote and hybrid meetings

14. Where the meeting is held remotely or in hybrid form the Sub-Committee will use a video-conferencing platform when the hearing is in public session. Clear instructions will be provided to participants on how to join the remote hearing. The Sub-Committee may exclude the public from all or part of a hearing if it considers it is in the public interest to do so. Should any part of the hearing need to be held in private session, a separate private online meeting will be convened by the Sub-Committee using a secure video-conferencing platform. This video-conferencing platform will also be used for decision making in private.
15. All paperwork relevant to the hearing will be published online on the Council's website, 5 working days before the remote hearing. The documents will be produced in PDF format and will be paginated to permit ease of reference during the remote hearing. Name and address details of those making representations will be made public. Telephone numbers, email addresses and signatures will be omitted.

16. 5 working days before the remote hearing is due to take place, the Council will contact the parties with a list of issues they would like any party to specifically address them on or clarify at the hearing.
17. If in light of the Council's list of issues any party wishes to produce any further documentary evidence they should submit this to the Council by email three working days before the hearing.
18. Any documentary evidence that is not submitted to the Council by email three working days before the hearing will not be admitted without the agreement of all parties. If it is essential to a party's case that the material be admitted, then the Sub-Committee will consider adjourning the remote hearing to allow all parties a fair opportunity to consider it.
19. Should any party wish to rely on any points of law, specific references in the s.182 Guidance, specific references in the Council's Policy or any other external resources, these should be set down in an electronic document and submitted to the Council by email three working days before the hearing.

Procedure prior to the Hearing – Physical Meetings

20. The Members sitting on the Sub-Committee will have a briefing prior to the hearing, usually in the meeting room where the hearing is to take place. They will only be accompanied by the Democratic Services Officer and the Council's Legal Advisor. During the briefing, attention will only be drawn to the nature of the application and the premises or person to which it relates and any procedural matters.
21. At any hearing of an application, the Licensing Officer, the Applicant and any Representors or representatives will report to reception and be asked to wait in reception until called into the meeting room. Please arrive 15 minutes before the advertised start time.

Procedure at the Hearing

22. The Chair introduces the Sub-Committee Members and Officers and welcomes the Applicant and Representors (or their representatives), and establishes the identity of all who will be taking part.

23. The Chair will outline the procedure to be followed.

24. The Chair will proceed with the order of business on the agenda.

Licensing Officer

25. When the agenda item relating to the application is reached, the Chair will invite the Licensing Officer to present the application.

The Application

27. The Chair will invite the Applicant and/or their representative to address the Sub-Committee, present information in support of the application and call any witnesses to support their application, one witness at a time [*maximum 15 minutes*].

28. The Chair will invite the Representors (who have registered to speak) and/or their representative to ask questions of the Applicant and/or their representative in the following order [*maximum 5 minutes each party*]

29. The Applicant and each of their witnesses may be questioned by:

- Members of the Sub-Committee;
- The Sub-Committee's legal adviser.

- (i) Police
- (ii) Other Responsible Authorities [each in turn]
- (iii) Ward Councillors [each in turn]

- Police
- Other Responsible Authority [each in turn]
- Ward Councillors [each in turn]
- Interested Parties [each in turn]
- Sub-Committee Members [each in turn]

32. Where there are groups of individuals with a common interest, for example local residents, presentation through an appointed spokesperson is preferred but not mandated.

Cross-examination

33. Cross-examination of another party is not normally permitted. However, the Sub-Committee will consider any application for permission to cross examine another party should any party wish to make such an application.

Summaries

34. The Chair will invite the Applicant and Representors (who have registered to speak) or their representative to summarise their case [*maximum 5 minutes each party*] in the following order:

- (i) Police
- (ii) Other Responsible Authorities [each in turn]

36. The Sub-Committee's legal adviser may seek points of clarification from the Applicant, Representors or their representative.

Determination

37. When all the evidence has been heard, the Chair will declare the hearing closed and ask the Licensing Officer, the Applicant and Representors (or their representatives) plus any witnesses present to leave the committee room and the Sub-Committee will consider the evidence. Where the meeting is being held remotely or in hybrid form the Sub-Committee will withdraw to consider their decision in a separate private on line meeting.

38. The Legal Adviser and Democratic Services Officer will remain present during the decision making process. These officers will not comment on the merits of the application, but will be present to provide advice on legal and procedural points and to record the decision.

39. Unless expressly stated by the Sub-Committee in the hearing, the Sub-Committee will not invite the parties back into the committee room or return to the public online meeting to announce their decision. The Sub-Committee will provide an outline of their decision in writing to the Applicant and Representors on the day of the hearing concluding,

unless further time is required to deliberate. The decision will then be communicated in full, in writing, including the reasons for the Sub-Committee's decision, to the Applicant and Representors, usually within 5 working days of the hearing concluding. The full decision letter will include information about the rights of appeal against the determination made.

40. In the event that the Sub-Committee do return to the public online meeting to announce their decision, the Sub-Committee will only announce an outline of their decision. There can be no further questions or statements from any party. The decision will then be communicated in full, in writing, including the reasons for the Sub-Committee's decision, to the Applicant and Representors, usually within 5 working days of the hearing concluding. The full decision letter will include information about the rights of appeal against the determination made.

Appendix 10 - Financial Procedure Rules

1 Introduction

- 1.1 These Financial Regulations (Regulations) provide the governance framework for managing the Council's financial affairs. They apply to every Member and Officer of the Council and to anyone acting on its behalf.

2 Observing these regulations

- 2.1 These Regulations apply across all parts of the whole organisation, including all Member fora and Directorate services, as well as all arms length organisations, agencies and partnerships with whom the Council does business and for whom the Council is the relevant accounting body. Where the Council is not the relevant accounting body, but is a responsible partner, officers must ensure that the accounting body has in place adequate Regulations and proper schemes of delegation. Schools are bound by these Regulations unless the School Standards and Framework Act 1988 (SSFA98) specifically exempts them from any particular provisions set out herein (e.g. financial thresholds, if the Framework provides differently).
- 2.2 All Council members and staff have a general responsibility for taking reasonable action to provide for the security of the assets under their control and for ensuring that the use of these resources is legal, properly authorised, provides value for money (VFM) and achieves best value (notwithstanding the delegated authorities of any given committee or officer). In doing so, proper consideration must be given at all times to matters of probity and propriety in managing the assets, income and expenditure of the Council.

3 Maintaining these regulations

- 3.1 The Council operates a system of managerial and financial control whereby the Chief Finance Officer (CFO) has overall responsibility for the proper management of the finances of the Council as a whole and is responsible for issuing advice and guidance to underpin the Regulations that Members, Officers and others acting on behalf of the Council are required to follow.

The responsibility for the day-to-day financial control and administration in each Directorate is devolved to the Corporate Director. Corporate Directors are responsible for ensuring that all staff in their departments are aware of the existence and content of the Authority's financial regulations and that they comply with them.

- 3.2 The overall responsibilities of the CFO in respect of these regulations are therefore to:
- a) maintain these Regulations and submit any additions or changes necessary to Full Council for approval in consultation with the Monitoring Officer (MO);
 - b) issue explanatory advice and guidance to underpin these Regulations as necessary. Where such advice and guidance is issued, members, officers and others acting on behalf of the Council are required to comply with it in accordance with the general provisions of these Regulations;
 - c) require any officer to take any action deemed necessary (as is proportionate and appropriate) to ensure proper compliance with these Regulations;
 - d) report, where appropriate, any breaches of these Regulations to Members;

- 3.3 These regulations have been drafted with a view to avoiding any uncertainty or ambiguity as to the principles, standards and procedures to be observed. Should any uncertainty or dispute arise pursuant to these Regulations, the matter must be referred to the CFO for interpretation and/or arbitration.

4 Sanctions & remedies for non-compliance

- 4.1 Compliance with these Regulations is mandatory. Those with responsibility for fulfilling their duties in line with the Regulations are required to maintain ongoing knowledge and awareness to ensure compliance. It will be the responsibility of officers to address non-compliance promptly and in the most appropriate way according to the circumstances. Concerns can also be raised anonymously in line with the Council's whistleblowing procedure. Failure to comply with any part of these Regulations may constitute misconduct and lead to formal disciplinary action.

Status of Financial Procedure Rules

Introduction

- 1 These Financial Regulations (Regulations) provide the governance framework for managing the Council's financial affairs. They apply to every Member and Officer of the Council and to anyone acting on its behalf.

Observing these regulations

- 2 These Regulations apply across all parts of the whole organisation, including all Member fora and directorate services, as well as all arms length organisations, agencies and partnerships with whom the Council does business and for whom the Council is the relevant accounting body. Where the Council is not the relevant accounting body, but is a responsible partner, officers must ensure that the accounting body has in place adequate Regulations and proper schemes of delegation. Schools are bound by these Regulations unless the School Standards and Framework Act 1988 (SSFA98) specifically exempts them from any particular provisions set out herein (e.g. financial thresholds, if the Framework provides differently).
- 3 All Council Members and Officers have a general responsibility for taking reasonable action to provide for the security of the assets under their control and for ensuring that the use of these resources is legal, properly authorised, provides value for money (VFM) and achieves best value (notwithstanding the delegated authorities of any given committee or officer). In doing so, proper consideration must be given at all times to matters of probity and propriety in managing the assets, income and expenditure of the Council.

Maintaining these regulations

- 4 The Council operates a system of managerial and financial control whereby the Chief Finance Officer (CFO) has overall responsibility for the proper management of the finances of the Council as a whole but the responsibility for the day-to-day financial control and administration in each directorate is devolved to the Corporate Director.
- 5 The overall responsibilities of the CFO in respect of these regulations are therefore to:
 - a) maintain these Regulations and submit any additions or changes necessary to Full Council for approval in consultation with the Monitoring Officer (MO);
 - b) issue explanatory advice and guidance to underpin these Regulations as necessary. Where such advice and guidance is issued, Members, Officers and others acting on behalf of the Council are required to comply with it in accordance with the general provisions of these Regulations;
 - c) require any officer to take any action deemed necessary (as is proportionate and appropriate) to ensure proper compliance with these Regulations;
 - d) report, where appropriate, any breaches of these Regulations to Members;

- 6 These regulations have been drafted with a view to avoiding any uncertainty or ambiguity as to the principles, standards and procedures to be observed. Should any uncertainty or dispute arise pursuant to these Regulations, the matter must be referred to the CFO for interpretation and/or arbitration.

Sanctions & remedies for non-compliance

- 7 Failure to comply with any part of these Regulations may constitute misconduct and lead to formal disciplinary action.

Part A

Financial Management Standards

Introduction

- 1 This Part of the Regulations set out the overall framework of financial management responsibilities at the Council, including the accounting policies, standards, record keeping and financial statements the organisation is required to maintain in managing its finances and financial affairs.
2. All Members and Officer have a common duty to abide by the highest standards of probity and propriety when making decisions about the use of public monies. It is important for the way in which this is done to be transparent, properly accounted for in respect of the correct accounting year and reported in accordance with recognised accounting standards, conventions and policies

Member roles & responsibilities

3. Member responsibilities for the overall management of the Council's financial affairs are exercised through:
 - **Full Council**, which is responsible for the Council's overall Policy Framework and for setting the Budget within which the Executive will operate (See Constitution Appendix 9).
 - **The Executive**, which is responsible for proposing policy and the Budget to the Full Council.
 - **The Audit & Governance Committee**, which is responsible for approving the statement of accounts.

The Chief Finance Officer (CFO)

4. The functions and responsibilities of the CFO are directed in the first instance by legislation that imposes statutory duties on the CFO for the proper management, financial administration and stewardship of Council assets and the fiduciary interests of local tax payers. These statutory responsibilities cannot be overridden and arise from:
 - Section 151 of the Local Government Act 1972;
 - The Local Government Acts 2000 & 2003;
 - The Local Government Finance Act 1988;

authorisation from the CFO where practical before committing expenditure.

6. The CFO can choose to delegate their day-to-day responsibilities in respect of their functions and responsibilities as defined by these Regulations in accordance with the Council's Schemes of Delegation. The CFO may delegate their responsibilities to an appropriate representative(s). Where this is the case the delegation and officer responsibilities must be clearly documented in the relevant scheme of delegation and be kept under regular review by the CFO further to these Regulations.

The Chief Internal Auditor (CIA)

7. DRAFT

Part B

Financial planning & budgeting

Introduction

- 1 The purpose of financial planning is to set out and communicate the organisations objectives, resource allocations and related performance targets and to provide an agreed basis for subsequent management control, accountability and reporting.
- 2 The Council's budget sets agreed parameters around the annual activities and functions of directorates and their services. The Council's Financial Strategy represents a financial plan to address those issues which have medium to long term financial implications for the organisation.

Budget Planning

- 3 The revenue budget must be constructed so as to ensure that it properly reflects the priorities of the Council and service plan considerations. Budgets are needed so that the Council can plan, authorise, monitor and control the way money is allocated and spent. It is illegal for the Council to budget for a deficit.
- 4 The budget process must ensure that resources are:
 - required in accordance with the law and properly authorised;
 - used only for the purpose intended to achieve approved policies, objectives and service priorities;
 - held securely for use when required;
 - used with the minimum level of waste, inefficiency or loss.

- 5 The CFO in consultation with each corporate director is responsible for:
- a) ensuring that an annual revenue budget is prepared in the context of a medium term financial strategy for consideration by the Executive and its recommendation to Full Council.
 - b) maintaining a resource allocation process that properly reflects all due consideration of the Council's policy framework, ambitions and priorities;
 - c) advising the Executive on the format of the budget for approval by Full Council;
 - d) allocating central budgets for example inflation and superannuation;
 - e) providing advice and guidance to the Executive further to its responsibility for issuing guidance on budget preparation to take all due account of:
 - legal requirements;
 - medium term planning prospects and known issues;
 - the Council Plan;
 - available resources
 - spending pressures;
 - government initiatives and public policy requirements;
 - internal policy directives;
 - cross cutting issues and Council priorities.
 - f) determining the detailed form of revenue estimates consistent with the budget approved by Full Council after consultation with the Executive and corporate directors;

- g) reporting to the Executive on the aggregate spending plans of directorates and on the resources available to fund them, identifying any implications for council tax levies;
- h) advising on the medium term implications of spending decisions and funding options;
- i) encouraging the best use of resources and value for money by working with corporate directors and other Chief Officers to identify opportunities to improve economy, efficiency and effectiveness and by encouraging good practice in conducting financial appraisals of growth or savings and developing the financial aspects of effective service planning;
- j) where relevant and appropriate seeking to recover the cost of the service overheads when 'trading' with other organisations;
- k) advising the Full Council on the Executive's budget proposals in accordance with their responsibilities under S151 of the Local Government Act.

6 Corporate directors and directors are responsible for ensuring:

- a) budget estimates of income and expenditure are a realistic reflection of agreed corporate and service priorities, and that they are submitted to the Executive as part of the overall budget setting process. These estimates must be consistent with any relevant cash limits, the annual budget cycle and prepared in line with guidance issued by the Executive on the advice of the CFO. In drawing up draft budget plans corporate directors and directors must have regard to;
 - spending patterns and pressures revealed through the budget monitoring process;

- legal requirements;
 - policy requirements as defined by Full Council and set out in the policy framework;
 - initiatives already under way.
-
- b) effective budgetary control within their directorates, establishing detailed budgets for each service area in advance of the financial year and requiring such budgets to be properly managed by responsible named budget holders;
 - c) financial and budget plans are integrated into service planning.
 - d) If corporate directors or directors are unable to keep within their agreed budget limits they must consult with the CFO, who has a statutory duty to report any significant issues to Members.

Budget monitoring and control

- 7 The Council budget sets an annual cash limit. To ensure the Council does not exceed its budget, each service area is required to manage its own income and expenditure within the cash limited budgets allocated to them to be spent on agreed service activities and functions.
- 8 The CFO is responsible for establishing a robust framework of budgetary management and control that ensures that:
 - a) budget management is exercised within annual cash limits;
 - b) appropriate and timely financial information is available to Chief Officers and budget holders that

enables budgets to be monitored and controlled effectively;

- c) expenditure is committed only against approved budget heads and associated structure of detailed cost centres;
- d) all officers responsible for committing expenditure comply with these Regulations;
- e) each cost centre is delegated to a named budget holder to be determined by the relevant Chief Officer (budget responsibilities should be aligned as closely as possible with those making day to day decisions to commit expenditure);
- f) significant variances from budget are investigated and reported by budget holders on a regular basis.

9 The CFO must monitor and control the level of income and expenditure against budget allocations overall. They must ensure that monitoring reports are provided through the finance and performance monitoring framework for Members to consider on a regular basis throughout the financial year (to be determined and advised by the CFO) and a report after the year end setting out the revenue outturn. Budget monitoring reports must include:

- a) explanations of all variations to service budgets where deemed appropriate by the CFO;
- b) explanations of financial implications and material considerations such as:
 - part and/or full year consequences of variances;
 - one off and/or recurring costs and income;

- total scheme costs and sources of funding;
 - asset rental costs or leasing effects;
 - costs associated with staffing matters including the costs of redundancy and effects on the pension fund;
 - service plan implications and impact on service delivery (both within the service plan area and across other services or portfolios as appropriate).
- 10 Reports containing budget monitoring information must be reviewed by the CFO, or by their nominated representative(s) (where not otherwise prepared by their nominated representative in directorates) at least 5 working days in advance of the relevant committee distribution date.
- 11 Any overspending on service estimates in total on budgets under the control of a director must be reported by the CFO to the Executive. Where overspending is such that it appears the overall budget will be exceeded, and there is a need for an additional call on the council reserves the CFO must report the issue to full council.
- 12 Schools' balances will be available for carry forward to support the necessary expenditure of the school concerned. Where an unplanned deficit occurs, the governing body shall prepare a detailed financial recovery plan for consideration by the corporate director for people and the Executive Member concerned in consultation with the CFO.
- 13 Schools must prepare a plan to recover the deficit within a defined period. In exceptional circumstances schools may seek to incur expenditure to be financed by anticipating future year budgets. Any such arrangement must be approved by the relevant Executive Member and proposals to do so accompanied by a detailed plan setting out how the arrangement is to be

accommodated as a first call on their future budget share.

- 14 The CFO is also responsible for:
- a) reporting to the Executive and Full Council in consultation with the relevant Corporate Director if they are unable to balance expenditure and resources within their existing budgets and a supplementary estimate is required;
 - b) reporting to the Executive regarding virements which are in excess of £500,000 (either as individual items in-year or when taken in aggregate across the same category of budgeted income or expenditure in a particular service plan in any one financial year);
 - c) reporting regularly to the Executive (as determined and advised by the CFO) on the overall revenue budget position and the Council's available contingencies, balances and reserves.
- 15 It is the responsibility of Corporate Directors and Directors to:
- a) ensure effective budgetary control arrangements exist and are observed within their own directorates in accordance with these Regulations;
 - b) ensure spending remains within the relevant cash limits by controlling income and expenditure within their directorate, monitoring performance and taking corrective action where significant variations from budget are forecast, taking account of any financial information and/or advice provided by the CFO or their nominated representative(s).
 - c) regularly report performance and variances within their own areas and take action to avoid

exceeding their budget allocation, alerting the CFO to any known or expected budget problems;

- d) report to the Executive and Full Council as necessary the financial implications of any new in-year proposal or amendment that will:
- create financial commitments in future years;
 - change existing policies, initiate new policies or result in existing policies ceasing to operate;
 - materially extend or reduce the Council's services.

- 16 Further guidance is available in the Budget manager guidelines which form part of the supplementary guidance to these regulations:

Medium term financial planning

- 17 Medium term financial planning allows the Council to think beyond the constraints of any given financial year and annual budget and prepare for future events. The CFO is delegated as part of the final accounts process to make proper provision for known future commitments, and approve carry forward of budgets, which are consistent with agreed budgetary and/or policy framework.
- 18 The CFO is responsible for reporting a financial strategy to the Executive for recommendation to Full Council. This will set out the overall medium term financial issues facing the Council, and consider the actions the council may need to take.

Schemes of virement

- 19 The term virement refers to transfers of resources between or within approved cost centres for both revenue and capital purposes. A virement does not create additional budgetary liabilities. Instead the virement mechanism exists to enable the Executive, Chief Officers and their Officers to manage their budgets with a degree of flexibility within the overall policy framework and budget set by Full Council, thereby optimising the use of resources throughout the financial year. The virement schemes for revenue and capital do not exist as a means of remedying poor budgetary control or financial planning for known commitments and service priorities, or otherwise excuse Chief Officers and budget holders from the need to manage their budgets prudently and responsibly. Nor may virements be effected after the year end to retrospectively fund over or under spends unless approved in advance by the CFO.
- 20 It is important that the scheme is carefully controlled within guidelines established by Full Council and administered by the CFO. Any variation from those guidelines must be approved by Full Council. All virements must:
- not commit the Council to any on-going additional expenditure in future years unless virements are permanent redirections of resources;
 - be notified in writing to the CFO or their nominated representative;
 - be reported in budget monitoring reports to the Executive in accordance with the scheme of virement operated by the Council
 - be recorded in the Council's financial systems.
- 21 The scheme of revenue virement and agreed thresholds for delegated decision making purposes is set out below. Further guidance is available for Finance Teams

within the Virement Policy which forms part of the supplementary guidance to the financial regulations.

Scheme of revenue virement delegations

Decision maker	Delegated powers & authority	Thresholds
The Executive	To approve virements between Service Plans in excess of £500k (either individually or in aggregate for the financial year)	Over £500k up to the cash limits set by the Budget
	To approve allocations of resources from approved contingencies and reserves	As set by the annual Budget
	To make recommendations to Full Council for the release of budget resources in excess of the approved contingencies and reserves	As set by the annual Budget

Corporate Directors	To approve virements within or between Service Plans within their Directorates in excess of £100k and up to £500k (either individually or in aggregate for the financial year) in consultation with the relevant Executive Member. 	that affects the council's policy framework will be referred to full council.	Executive Member
	To approve virements from within existing Service Plans or between Service Plans within their Directorates into new or otherwise unplanned functions and activities if savings are available to vire into the new activity. Any virement that affects the council's policy framework will be referred to full council.	Over £100K and Up to £500k in consultation with the relevant Executive Member
	CFO to approve virements between directorates in consultation with the relevant Chief Officers	Up to and including £500K in consultation with the relevant Executive Member
Other Chief Officers	To approve virements within their Service Plans up to £100k (either individually or in aggregate for the financial year)	Up to £100k

The Capital Programme

- 22 The capital programme is a plan that sets out the resource allocations to be made to capital schemes that have the approval of Full Council. Capital expenditure involves acquiring or enhancing fixed assets with a long term value to the organisation, such as land, buildings, major items of plant, equipment or vehicles

- 23 The Regulations and standards relating to budgetary management and control of the revenue budget apply equally to capital expenditure and any changes to revenue budgets arising out of changes to the capital programme must be dealt with accordingly. All capital expenditure is incurred or committed on a scheme by scheme basis. Capital expenditure must be reported gross of any funding and controlled at that level.
- 24 No expenditure may be incurred on a project unless it has been approved as part of the capital programme. Equally, no scheme requiring Government sanction or funding either in full or in part may begin until the sanction and/or funding has been officially confirmed. All credit agreements must be referred to the CFO for approval prior to schemes being included in the programme.
- 25 All capital expenditure must be incurred by 31 March of the financial year for which it is approved, although approvals can be slipped provided the position is reported to the Executive, unless there is an external requirement to spend within any given year. Where schemes are part of a rolling programme or span a number of years, approval is required for each year's expenditure when the scheme is approved for inclusion in the Programme.
- 26 As with the revenue budget, it is possible to vire between schemes within the approved capital programme where known funding shortages and/or underspends have arisen. The same rules and principles set out in paragraphs 19-21 above for revenue virement apply to the capital programme. If shortfalls in funding or overspends cannot be met by transferring resources between schemes within the agreed capital programme, requests of additional funding from reserves must be prepared by the relevant Corporate Director in consultation with the CFO for approval by the Executive. The scheme of capital virement and thresholds for delegated decision making purposes is set out in the table below.

Scheme of capital virement delegations

Decision maker	Delegated powers & authority	Thresholds
The Executive	To approve individual virements between schemes in excess of £500k	Over £500k
	To re-phase approved scheme expenditure between years in excess of £500k for each scheme	Over £500k
Corporate Directors	To approve individual virements between schemes in excess of £100K up to a maximum of £500k in consultation with the relevant Executive Member. Any virement that affects the council's policy framework will be referred to full council	Over £100K and Up to and including £500k
	To approve individual virements between schemes up to a maximum of £100k	Up to and including £100k

27 In relation to the capital programme the CFO is responsible for:

- a) ensuring that an annual capital programme is prepared for consideration by the Executive for recommendation to Full Council;

- b) reporting to the Executive on income, expenditure and resources compared with approved estimates;
- c) issuing guidance on capital schemes and controls and defining what will be regarded as capital having proper regard to Government regulations and accounting conventions;
- d) ensuring that all schemes relying on the use of prudential borrowing powers for funding purposes are properly appraised on the basis of a robust business case as part of the capital budget process.
- e) managing the capital budget process;
- f) maintaining a record of the current capital budget and expenditure on the Council's financial systems.

28 In relation to the capital programme Corporate Directors and directors are responsible for:

- a) complying with the guidance issued by the CFO regarding capital schemes and controls;
- b) ensuring that all capital schemes put forward for consideration in the CRAM process have been properly appraised and that each scheme and estimate includes a proper project plan, progress targets and sets out the sources of funding for the scheme including all associated revenue expenditure;
- c) preparing regular reports reviewing the capital programme provisions for their services;
- d) ensuring adequate records and audit trails are maintained in respect of all capital contracts;

- e) monitoring capital expenditure and receipts against approved capital budgets on a scheme by scheme basis and reporting to the relevant Executive Member on a regular basis in accordance with the standard revenue budget monitoring arrangements set out above;
- f) reporting to the Executive if proposed sources of funding are not secured (if planned funding from linked assets sales or external grants and contributions cannot be realised, corporate funding support must be sought).

Reserves & balances

- 29 Financial reserves and balances are maintained as a matter of prudence against unforeseen events and future contingencies. The CFO is responsible for advising the Executive and Full Council on prudent levels of reserves and balances for the Council as part of the annual budget setting process based on a reasoned assessment of risk.
- 30 The Council must decide the level of its general reserves in determining the level of council tax. The purpose, usage and basis of transactions must be clearly set out in respect of each of the reserves and balances held by the Council.

The Venture Fund

- 31 The Council maintains a venture fund as part of its reserves designed to provide some capacity to support one-off 'invest to save' type initiatives that might otherwise struggle to secure funding in the annual budget setting process.
- 32 Officers are able to bid for venture fund monies with a view to any advances from the venture fund being repaid within a 7 year period at an internal borrowing rate fixed in relation to the councils consolidated rate of interest to be determined by the CFO. All bids to the Venture Fund must be made in the form of a business

case setting out the nature and purpose of the proposal, forecast income and expenditure and payback period.

- 33 CFO has delegated authority to approve bids up to £100,000 from the venture fund, in consultation with the leader. Delegated decisions will be advised to the Executive as part of the budget monitoring and reporting process. Bids in excess of £100,000 must be referred to the Executive for approval.

Prudential Borrowing

- 34 In addition to the venture fund, in accordance with Local Government Act 2003 and the Prudential Code, departments can put forward business cases for prudential borrowing. This is for schemes of a capital nature only and would normally be approved as part of the annual capital programme budget process. However, there will be opportunities that arise during the year where a capital scheme can be approved using prudential borrowing outside of this process.
- 35 All bids are referred to the Executive for approval. The required interest rate is the consolidated rate of interest of the loans portfolio. The length of the prudential borrowing will be supported by the business case, taking into consideration the life of the asset.
- 36 The CFO has delegated authority to approve the length of the repayment period for all borrowing to ensure that borrowing matches the asset life. This will ensure value for money allowing prudential borrowing repayment periods to alter as asset life changes.

Part C

Audit & Risk Management

Audit & inspection

- 1 Audit is a key management tool that Members and Chief Officers should rely on to provide an independent and objective assessment of the probity, legality and value for money of Council arrangements. It examines, evaluates and reports on the adequacy of internal systems of control in the proper, economic, efficient and effective use of resources. Legislation requires that the Council provides for the function of both internal and external audit services.
- 2 The statutory requirement for the Council to maintain "*an adequate and effective system of internal audit*" is set out in Regulation 5 of the Accounts and Audit Regulations Act 2003, as amended by the Accounts & Audit (Amendment) (England) Regulation 2006 and further to S151 of the Local Government Act 1972.
- 3 In summary, the service exists to:
 - a) provide assurance to Members, Chief Officers and the general public on the effective operation of governance arrangements and the internal control environment operating at the Council;
 - b) objectively examine, evaluate and report on the probity, legality and VFM of Council arrangements for managing all items of income, expenditure and safe-guarding assets;
 - c) review arrangements for ensuring proper accounting controls, systems and administration are maintained and make recommendations for action and improvement;
 - d) help to secure the effective operation of proper controls to minimise the risk of loss, the inefficient

use of resources and the potential for fraud and other wrongdoing;

- e) act as a means of deterring all fraudulent activity, corruption and other wrongdoing, conducting investigations into any matter referred to it for investigation by management or officers and members of the public and reporting its findings to Corporate Directors and Members as appropriate for action;
- f) undertake the prioritised investigation of all instances of alleged housing benefit fraud and prosecute those cases where fraud has been identified to protect the Council and fiduciary interests of the community and the public purse;
- g) conduct investigations into suspected fraudulent activity and improper conduct as reported by Members, governors and employees referred to it further to the Council's whistle-blowing policy;
- h) report all known breaches of these regulations and Council standing orders and any other action leading to expenditure incurred ultra vires, identifying any areas of poor financial probity and stewardship problems for action by Chief Officers and Members as appropriate;
- i) advise the CFO and MO as to any necessary intervention in decision making if it is likely that any proposed action will lead to unbudgeted or unlawful expenditure or activity;
- j) review the Council's arrangements for ensuring the income and expenditure of the organisation is properly and regularly monitored in line with the budget setting, monitoring and reporting requirements set out in these Regulations;
- k) advise Officers and Members of value for money issues and/or the poor or inappropriate use of

Council resources and make recommendations for improvement;

- l) review the optimisation of income generation opportunities from grants and subsidies monies available from Government;
 - m) advise the CFO of any appropriate action necessary to safeguard the fiduciary interests of the Council and current and future council tax payers.
- 4 The council's audit & fraud provider is a wholly local authority owned company (Veritau) in which the council has two director appointments (CFO & a member of the Executive).
- 5 The internal audit & fraud provider and the external auditors must be allowed to act independently and objectively in their planning and operation without undue influence by either Directors or Members.
- 6. The CIA is designated by the CFO. They, or their nominated representative(s), has rights of direct access and reporting to the CFO, the client officer for the audit & fraud provider (nominated by the CFO), all Corporate Directors and Members. CIA staff have rights of access to all Council buildings and properties, information and data at all reasonable times.
- 7. The Public Sector Audit Appointments Ltd (PSAA) is responsible for appointing external auditors to Councils, an appointing person under provisions of the Local Audit and Accountability Act 2014, which also sets out the duties of the external auditor. These variously include rights of access and the right to report publicly on their findings and recommendations. The external auditors must comply with the provisions of a Code of Audit Practice in planning and conducting their work. This includes the audit of the Council's financial statements, the financial aspects of corporate governance and performance management. The work

of the council's auditors is reported to the Executive and Full Council in their annual audit letter.

8. The Council may also be subject to audit, inspection or investigation by external bodies such as HM Revenues & Customs, and various other Inspectors of service at any time.

Preventing fraud & corruption

9. The Council will not tolerate fraud or corruption in the administration of its responsibilities, whether perpetrated by Members, Officers, customers of its services, third party organisations contracting with it to provide goods and/or services, or other agencies with which it has any business dealings. There is a basic expectation that Members and all Officers will act with integrity and with due regard to matters of probity and propriety, the requirement to act lawfully and comply with all rules, procedures and practices set out in legislation, the Constitution, the Council's policy framework and all relevant professional and other codes of practice. To that end the Council has adopted an anti-fraud and corruption strategy, fraud prosecution policy, anti-money laundering policy and whistle-blowing policy along with codes of conduct governing the behaviour of Members and Officers.
10. All Officers and Members of the Council must inform the CIA immediately if they suspect or know of any impropriety, financial irregularity, fraud or corrupt practice. The CIA is responsible for determining the nature of any investigation work required in respect of any allegation of wrong doing, and/or any other action required and may refer matters to the police or other appropriate external body as they see fit in consultation with the contract client officer (as nominated by the CFO)
11. The internal audit & fraud providers are required to investigate all referrals of fraud at the direction of the CIA and client manager and in doing so have:

- a) rights of access to all Council premises and property, all data, records, documents, and correspondence relating to any financial matter or any other activity of the Council;
 - b) the right to require any Officer or Member to provide any information or explanation needed in the course of their investigations;
 - c) the right to prosecute cases of benefit related fraud in the courts;
 - d) the right to refer investigations to the police in consultation with the relevant Chief Officer(s), client manager and CFO.
12. In addition, the CIA should to:
- a) refer cases directly to the police if they believe that normal consultation practices would compromise the integrity of the investigation against the interests of the Council or the general public;
 - b) notify the council's auditors of any matter that they would rightly expect to be informed of in order to support the function of an effective and robust external audit service;
 - c) require any Officer or Member to:
 - make available such documents relating to the accounting and other records of the Council that are necessary for the purpose of the audit;
 - supply any information or explanation considered necessary for that purpose.

Managing risk

13. Risk management is inherent to good management practice and essentially; it is concerned with identifying potential events (risks), establishing what could go wrong (threats) and the potential for success (opportunities) with the aim of trying to achieve the right balance between the two. The outcome from proper risk consideration ensures that managed controls are in place and the effective prioritisation and allocation of potentially scarce resources to the most appropriate area (high risk), to ensure service continuity and performance improvement.
14. It is essential that robust, integrated systems are developed and maintained for identifying, evaluating and managing all significant strategic, project and operational risks to the Council. This should include the proactive participation of all those associated with planning and delivering services
15. The CFO is responsible for preparing the Council's risk management policy & strategy and for promoting it throughout the Council.
16. It is the responsibility of Chief Officers to ensure there are regular reviews of risk within their areas of responsibility having regard to advice from the Council's risk management service and other specialist officers (e.g. health and safety).
31. Full details of the way that the Council manages its risks are set out in the risk management policy and strategy and form part of the supplementary guidance to these regulations.

Insurance

18. The Chief Finance Officer is responsible for:
 - effecting all relevant insurances and dealing with all claims;

- operating an internal insurance account(s) for some risks or elements of risk not covered by external insurance policies and is authorised to charge the various Council service budgets with the cost of contributions to this account;
- reviewing, at least annually, all insurances.

19. It is the responsibility of Chief Officers to:

- advise the CFO of all new risks, properties, vehicles or potential liabilities for which insurance may be required; and of any changes affecting existing risks or insurance cover required;
- notify the CFO in writing without delay of any loss, liability or damage or any event likely to lead to a claim, and shall provide such information and explanations required by the CFO or the Council's insurers;
- ensure that employees, or anyone covered by the Council's insurances, do not admit liability or make any offer to pay compensation that may prejudice the assessment of liability in respect of any insurance claim.

Part D

Systems & procedures

Introduction

1 Good systems and procedures are essential to the effective management and administration of the Council's financial affairs. This section covers:

- Accounting systems
- Income
- Expenditure
- Banking arrangements
- Treasury management
- Taxation
- Stock & stores
- Trading accounts

Accounting systems

2 The Council relies on a variety of different financial and accounting systems in controlling and administering the finances of the organisation. It is vital that these systems ensure information is recorded accurately, completely and in a timely manner and that all necessary controls are in place to ensure that all transactions are properly processed and any errors detected promptly and rectified.

3 The CFO is responsible for:

- determining the Council's main accounting system for the preparation of the Council's accounts and for monitoring all income and expenditure. The main accounting and budgeting system used at the Council is known as the financial management system (FMS);
- determining any other key financial systems which may sit outside the FMS;

- ensuring that all financial systems are sound and properly integrated and interfaced;
 - issuing advice, guidance and procedure notes on the use and maintenance of FMS and related financial systems and for ensuring that all finance Officers are trained and competent in the using of financial systems.
- 4 Corporate Directors have devolved responsibility for the finances of their directorates and must ensure that proper accounting and financial systems exist and incorporate adequate internal controls to safeguard against waste, loss or fraud. They must also ensure that officers in their Directorates are aware of and have access to copies of these Regulations and any supplementary advice and guidance issued by the CFO.
- 5 Further to this, Corporate Directors are specifically responsible for:
- a) ensuring all accounting records are properly maintained and held securely, including any supporting vouchers, documents, contracts etc with financial implications;
 - b) ensuring FMS is used as the prime means of monitoring expenditure and income in their departments and for comparing spend against budgets, except and unless the CFO advises or agrees that alternative arrangements may be made;
 - c) ensuring that FMS is used to accurately record the financial transactions of their departments in accordance with the advice and guidance given by the CFO and in a way that ensures compliance with all legal requirements, proper accounting practice and enables returns to be made to central government, taxation authorities and other

relevant bodies and provides a complete audit trail;

- d) the effective operation of financial systems within their own directorate to the extent that they are operated and controlled within their directorate;
- e) ensuring regular reconciliations between other departmental systems of financial administration with the Council's financial management systems (FMS);
- f) reporting systems failure to the CFO and consulting with them about any changes or new developments;
- g) ensuring there is a documented and tested disaster recovery plan as part of an agreed business continuity strategy for financial administration;
- h) ensuring that systems are documented and all Officers have been properly trained in their use.

Income

- 6 Income can be a vulnerable asset and effective income collection systems are necessary to ensure that all income due is identified, collected, receipted and banked properly. It is preferable to obtain income in advance of supplying goods or services as this improves the Council's cash flow in line with the Council's income policy that forms supplementary guidance to these regulations.
- 7 The council has moved away from accepting cash except where this is unavoidable any cash received must be acknowledged by the issue of an official receipt and all monies then accounted for and paid directly into an approved bank account. Details of all cash receipted on a local basis must be forwarded to the CFO for allocation to the correct accounts.

- 8 Income must never be used to directly fund expenditure (i.e. all transactions must be shown separately in the ledger, both income and expenditure). Officers are directly responsible for the safe custody of any money received until it has been paid into the bank or handed over to another officer. Receipts should be given and retained in such circumstances.
9. Procedures for writing off debts shall be as follows. Further guidance is available in the Corporate Debt Policy which forms part of the supplementary guidance to these regulations:

Decision maker	Delegated powers & authority	Thresholds
The Executive	Amounts exceeding £200,000 may only be written off on the authority of the Executive. The CFO shall maintain a record of all such write-offs showing attempted recovery action taken and the justification for non-recovery.	Over £200k

----------------	--	-------------------------

10. The CFO has the power to award discretionary rate relief up to the subsidy control regime limit in consultation with Executive. In the case of urgency the decision can be made by the CFO in consultation with the relevant Executive Member. The fully Government funded business rate relief awards announced at regular intervals can be awarded by the CFO or their nominated officer.

11. The CFO is responsible for making arrangements for the collection of all income due to the Council and approving the procedures, systems and documentation used in its collection in line with the corporate debt management policy. Regularly reviewing all fees and charges levied by services and ensuring they are set with due regard to comparable market rates, the legal responsibilities of the organisation, the income policy and any relevant social or economic policy objectives set out in the Council's policy framework

12. Corporate Directors and Directors are responsible for:

- a) collecting income for which there is budget provision within the budgets for which they are responsible;

- b) using the systems for the collection and recording of cash and credit income provided by the CFO unless they have the approval of the CFO to make alternative arrangements;
- c) the proper separation of duties between Officers raising accounts and those responsible for income collection;
- d) collecting all income and initiating all appropriate recovery action for debts that are not paid promptly where local arrangements for doing so have been agreed with the CFO;
- e) requiring at least two Officers to be present when post is opened to ensure any money received in that way is properly identified, recorded and safeguarded;
- f) issuing official receipts as necessary and maintaining all other documentation for income collection purposes and ensuring controlled stationery is securely stored;
- g) keeping all income received in secure storage and ensuring cash holdings do not exceed insurance limits;
- h) ensuring all income is paid fully and promptly into approved bank accounts in the form in which it is received and that all details are properly recorded on paying in slips which are retained for audit trail purposes. Money collected and deposited must be reconciled to the bank account on a regular basis;
- i) ensuring income is not used to cash personal cheques or used to make other payments;
- j) supplying the CFO with all details relating to works done, services supplied or other amounts due to be raised through the corporate invoicing system;

- k) using the councils charging policy for the supply of goods and services levied by their directorate's services and ensuring all fees and charges are set with due regard to income policy, the legal responsibilities of the organisation and any relevant social or economic policy objectives set out in the Council's policy framework;
 - l) assisting in the collection of debts originating from their directorates by providing information and taking any recovery action necessary on a local basis with the agreement of the CFO;
 - m) recommending to the CFO all debts to be written off and maintaining records of all sums written off. Once raised on the accounting system, no bona fide debt can be cancelled except by full payment or by being formally written off in the accounts. Credit notes can only be issued to correct a factual inaccuracy or administrative error in the calculation and/or billing of the original debt and must not be used for any other purpose;
 - n) notifying the CFO of any outstanding income due in relation to the previous financial year as soon as possible in line with the annual timetable for the closedown of the accounts determined by the CFO.
13. All officers are responsible for the safe custody of any money received until it has been paid into the bank or handed over to another officer.
14. Full details of the way that the Council manages its income is set out in the Income Policy which forms part of the supplementary guidance to these regulations.

Expenditure

15. Expenditure may be incurred provided there is funding available through normal ordering and invoicing processes, entering into a contract arrangement,

through the payment of salaries, wages and allowances, purchase cards or in exceptional circumstances through raising a payment requisition. Corporate Directors, or their nominated representatives, are authorised to incur expenditure on works, goods and services where there is an approved budget for which they are responsible, provided such expenditure is legally incurred and within the policy framework. All foreign travel to be approved by the CFO, except for: - where it is a director of the council (Chief Operating Officer to determine) or where it is the Chief Operating Officer (leader of the Council to determine). The decision should consider the total cost, including the extent of external funding where applicable, and the overall anticipated benefits from the trip. Expenditure must be shown separately to income and expenditure proposals that attract amounts of income must be shown gross in the accounts. The determination of any financial thresholds or bandings referred to by these Regulations must therefore be done with reference to the gross amount.

Ordering works, goods and services

16. Corporate Directors must use the FMS system except in the case of emergencies or if approval has been given by the CFO to an alternative arrangement.
17. Official purchase orders must be issued for all purchases including those under contract except:
 - where the supplier is on the official list of suppliers exempt from using official purchase orders;
 - purchases made through petty cash;
 - those allowed under the councils Government Procurement Card (GPC) Policy;
 - those made using a council prepaid card.

18. Official orders electronic or otherwise must be in an approved form as determined by the CFO. They may only be authorised by signatories up to the limits of their delegation as set out in the relevant directorate schemes of delegation. This record must be accurate, complete and kept up to date. If it is necessary for an oral order to be placed for any good reason, it must be followed up by an official order as soon as it is possible to do so. Orders must be clear and specific (i.e. they should state quantity, price, and nature of the goods or service etc. so that meaningful comparison between what was ordered and what has been received can be made and the invoice can be matched to the order). Official orders may not be raised for personal or private purchases. Schools have their own ordering procedures and must abide by the regulations set out in the local management of schools scheme.

Payments for works, goods and services

19. Payments for works, goods and services must only be made:
- on receipt of an invoice or contract certificate which satisfies VAT regulations, or;
 - where the liability for payment is clearly established and evidenced;
 - in accordance with contractual commitments;
 - in accordance with the council's policy of "no purchase order, no payment".
20. All Corporate Directors must use the FMS system unless they have the approval of the CFO to make alternative arrangements. Officers must ensure payments for works, goods and services are not made unless:

- they are supplied in accordance with an official order, or contract, and the invoice amount/contract certificate is correct;
 - payment is in respect of a periodic account or for a service regularly supplied and the amount invoiced is properly payable;
 - a valid exception to the no purchase order no payment policy has been approved and quoted by the supplier.
21. Council purchase cards can be used for procuring goods, works and services when approved through the GPC policy. The individual transaction limit and aggregate spend limit must be approved by the CFO or their delegated representative. All transactions must be entered onto the councils FMS systems and proper separation of duties between officers ordering and/or procuring and those authorising must be maintained. The individual transaction limit must not exceed that set out under the financial scheme of delegation unless agreed by the CFO or their delegated representative.
22. Payments in advance must be avoided except where this is the accepted practice for the type of expenditure involved (e.g. leasing payments, training, travel or conference facility fees) or where use of a council purchase card has been authorised. Advance payments in excess of £5,000 can only be made with the approval of the CFO. All sums below this amount, which are not accepted practice, can be approved by the relevant director. Where interim or part payments form part of a contract, interim certificates or part invoices must be authorised for payment only after the value of the work done or goods or services received has been confirmed.
23. A proper separation of duties must be maintained between Officer responsible for requisitioning or creating contractual commitments for works, goods and services and those authorising the commitment. Officers that authorise a requisition through the councils

purchasing system (FMS) must not be responsible for receiving and checking works, services and goods (GRN) where this is required. Directors must agree alternative arrangements with the CFO if it is not practically possible to maintain an adequate separation of duties for any reason.

24. All invoices and receipts must be original documents which comply with VAT regulations (invoices and receipts scanned through the Councils EDRMS system are accepted as original documents). Invoice coding slips for use in exceptional circumstances must be properly completed detailing the correct VAT code, finance ledger codes, sufficient narrative description to allow invoices to be matched and properly described in the ledger and all necessary signatures electronic or otherwise for authorisation and payment.
25. The CFO must ensure that payments are made in an appropriate timescale that will not unduly disadvantage the Council's cash flow, result in the Council incurring late payment penalties or prejudice the financial position of those to whom the payment is to be made. The performance standard for the payment of invoices is 30 days. This is a local performance Indicator that is monitored by CMT and reported to Executive.

Contracting for works, goods and services

26. The contract procedure rules are issued as a supplementary guidance document to these regulations and set out the specific procurement rules and procedures to be observed in contracting for the provision of works, goods and services.

Payments of salaries, wages & allowances

allowance scheme and that such payments are fully recorded and accounted for in the accounting system.

28. The CFO is responsible for providing a corporate payroll system for recording all payroll data and generating payments to employees and Members. The system must allow for the proper calculation of all pay and allowances, national insurance and pension contributions, Income Tax and all other deductions. Corporate Directors must use the corporate payroll system for all payments to employees and are responsible for ensuring that all information relating to an employee's entitlement to pay and/or the payment of allowances are forwarded to the payroll team within agreed timescales. All supporting evidence of entitlement must be provided to payroll at the same time (i.e. signed timesheets, appointment forms, changes in pay scales, approval for responsibility payments etc). Schools are permitted to make their own payroll arrangements but if they choose to do so they must provide the CFO with all necessary information to provide assurance to the auditors that any alternative system is well controlled, managed and resulting in the correct payments being made to the correct Officer.
29. All posts that are designated in legislation as being officers of the council e.g. adoption panel Members **must** be paid through payroll as the council is legally liable for tax and national insurance contributions.

Petty cash and disbursements

30. The CFO will provide petty cash floats only in exceptional circumstances to a maximum amount agreed with Corporate Directors for the purpose of meeting minor expenses where there is no alternative method of payment. Corporate Directors are responsible for ensuring all petty cash monies are securely stored and are only used for the purposes intended. VAT receipts must be provided with requests for reimbursements. All receipts and vouchers must be retained and regular reconciliations carried out and

recorded by the Officer responsible for managing petty cash floats.

31. Full details of the way that the Council manages its petty cash, electronic card payments and other payments is set out in the petty cash and payments procedures, the processing electronic card payments security policy and the cash handling procedures which form part of the supplementary guidance to these regulations.

32. It is the responsibility of the Executive to approve the banking arrangements of the Council and for the CFO to manage the banking contract on a day to day basis. This is to enable a register of such assets to be maintained to ensure that the correct accounting treatment is applied. All 'Right of Use' assets will count towards the Council's Capital Financing Requirement (CFR) and have the same implications for the Council as the addition of capital assets financed by prudential borrowing.
- 38. Where contracts above the £10,000.00 capital limit are entered into that contain a 'Right of Use' asset, Officers and Budget Managers with delegated responsibility for signing such contracts will be required to report these to the CFO to gain approval before they are signed off and entered into.

unnecessarily high levels of stocks are not allowed to accumulate. The value of stocks and stores held at the year-end must be certified by and authorised officers and forwarded to the CFO.

42. Procedures for the disposal of redundant stocks and equipment are set out in the guide to the disposal of assets which forms supplementary guidance to these regulations.

Inventories & asset management

It also makes use of other non-tangible assets such as intellectual property. It is essential to the financial health and wellbeing of the Council that these assets are safeguarded and used efficiently and effectively in supporting the delivery of Council services. All Officers are responsible for safeguarding the assets and information used in their day to day activities and must ensure they are aware of their responsibilities in respect of the Data Protection Act, software copyright legislation, and the security of the Council's information systems. Introduction

- 1 The Council exercises an important community leadership role, helping to orchestrate the contributions of various stakeholders in discharging its statutory responsibilities for promoting and improving the economic, social and environmental well-being of the area.

Partnerships, joint working & grant funding

- 2 A grant can be defined as a contribution or subsidy (in cash or in kind) given by the Council to another organisation for a specified purpose. Grants must be conditional upon the delivery of specified standards or outputs and be subject to the production of regular monitoring reports and the delivery of agreed outcomes.
- 3 The CFO must satisfy themselves that the accounting arrangements for all partnerships and joint ventures are proper and appropriate, including all audit and inspection requirements. They must also consider overall corporate governance arrangements and any legal and taxation issues when partnerships are arranged with external bodies. They must ensure all known risks are appraised before entering into agreements with external bodies and seek to ensure VFM is obtained.
- 4 The CFO is also be responsible for advising on the funding and financing of a project including:

External funding

- 6 External funding can prove a very important source of additional income to an authority, but funding conditions

need to be carefully examined before entering into any agreement to ensure they are compatible with the aims and objectives of the Council. Councils are being encouraged to provide seamless service delivery by working closely with other agencies and service providers (both public and private). Funds from external agencies such as the National Lottery can provide additional resources for services. Work for third parties

- 10 Current legislation enables the Council to provide a range of services to other bodies. Such work may enable a unit to maintain economies of scale and existing expertise. Arrangements must be put in place to ensure that any risks associated with undertaking such work is minimised and that the work is done intra vires. All work should be properly costed in accordance with the advice and guidance of the CFO and done on the basis of a proper contract according to the contract procedure rules set out as supplementary guidance to these Regulations.

Contract Procedure Rules

These Contract Procedure Rules (CPRs) set out the key responsibilities and actions that Officers and Directors must follow when undertaking procurements.

All procurements and contracting arrangements made by or on behalf of the Council must be carried out in accordance with these CPRs. Rule 25 sets out the only circumstances in which the other Rules are specifically excluded or may be waived. Appendix A contains a series of definitions. Any term which is defined is shown in the CPRs beginning with a capital letter.

Maintained Schools

Where Maintained Schools enter into Contracts, they do so as agents of the Council. Accordingly Maintained Schools must follow these CPRs in addition to the York Scheme for Financing Schools (the **Scheme**), except where specifically stated otherwise. Where any conflict exists between these CPRs and the Scheme, the rules of the Scheme shall prevail.

Specific governance thresholds for Maintained Schools are set out in Appendix B. These are to be used in place of the thresholds contained at Rule 8.

For the purposes of these CPRs, the Authorised Officer for a Maintained School shall be the Head Teacher and the Chief Officer and/or Director shall be the Governing Body.

1. Basic Principles and Compliance

All procurement procedures and every Contract entered into by the Council must:

- 1.1 realise value for money by achieving the optimum combination of whole life costs, and quality of outcome;
- 1.2 be consistent with the highest standards of integrity;
- 1.3 operate in a transparent manner;
- 1.4 ensure fairness in allocating public contracts;

- 1.5 comply with all legal requirements including the Procurement Regulations and any other applicable international treaty principles of proportionality, mutual recognition, transparency, non-discrimination and equal treatment;
- 1.6 comply with the Council's Constitution, these CPRs and the Council's Financial Regulations;
- 1.7 comply with the Council's strategic objectives and policies, including the Council's Procurement Strategy and the Council's Employee and Member Codes of Conduct; and
- 1.8 comply with the guidance set out in the Procurement Toolkit which should be read in conjunction with these CPRs;

These CPRs are applicable to the contracting activities of any Strategic Partnership for which the Council is the Accountable Body unless the Council expressly agrees otherwise.

2. Officer Responsibilities

2.1. Authorised Officers

2.1.1 Authorised Officers must comply with these CPRs, the Council's Constitution and all UK and applicable international legal requirements. Authorised Officers must ensure that any agents, consultants and contractual partners acting on their behalf also comply with these requirements.

2.1.2 Authorised Officers must:

- (i) ensure, in relation to any proposed procurement, that the proposed procurement expenditure is contained in a Forward Procurement Plan and contained within a approved budget secured prior to commencement of the procurement in accordance with the Financial Regulations;
- (ii) keep the records required by Rule 5 of these CPRs;
- (iii) take all necessary procurement, legal, risk & insurance, financial, data protection and

- professional advice, taking into account the requirements of these CPRs;
- (iv) prior to carrying out a procurement process or letting a Contract on behalf of the Council, check whether:
 - (A) the Council already has an appropriate Contract in place in the Contracts Register; or
 - (B) an appropriate national, regional or other collaborative contract is already in place.
 - (v) ensure that if the Council already has an appropriate Contract in place, that it is used, (unless it can be established that the Contract does not fully meet the Council's specific requirements (to be determined on a case by case basis)), following consultation with Commercial Procurement and Legal Services;
 - (vi) ensure that if an appropriate national, regional or collaborative contract is available, consideration is given to using this, provided the contract offers Best Value. Authorised Officers must consult with Commercial Procurement to discuss;
 - (vii) ensure that when any employee, either of the Council or of a Supplier, may be affected by any transfer arrangement, then any TUPE issues are considered and legal and HR advice from within the Council is obtained prior to proceeding with the procurement exercise;
 - (viii) consult with all relevant stakeholders including Members, trade unions and service users where TUPE may apply to identify and assess all options to ensure the Council's required outcomes are achieved;
 - (ix) in consultation with Commercial Procurement establish a written specification and evaluation

criteria (where competition is involved) and procurement methodology which must be formally approved at the relevant governance thresholds outlined in Rule 8 - Powers and Key Decisions (note the relevant decision making body as identified in the governance thresholds may give Authorised Officers written delegated authority to define the specification and evaluation criteria themselves);

- (x) consult and seek advice from Commercial Procurement and Legal Services prior to beginning a procurement where:
 - (A) TUPE applies; and/or
 - (B) the procurement exceeds £100,000 in aggregate for the whole contract period (including any extensions).
- (xi) register all completed procurements with a value of £5,000 or more on the E-Sourcing System.

2.1.3 Failure to comply with any of the provisions of these CPRs, the Council's Constitution, UK law or other applicable international legal requirements will be brought to the attention of the Monitoring Officer, Head of Internal Audit, or relevant Director as appropriate. Depending on the nature of the non-compliance this may result in disciplinary action being taken.

2.2 Chief Officers

Chief Officers must:

- 2.2.1 ensure their service area complies fully with the requirements of these CPRs;
- 2.2.2 ensure contracts are recorded in the Contracts Register as held and maintained by Commercial Procurement;
- 2.2.3 work with Commercial Procurement to identify the total expenditure relating to a particular category of spend by developing a Category Plan;

- 2.2.4 ensure that their service area provides the requisite information to allow Commercial Procurement to maintain and update the Forward Procurement Plan;
- 2.2.5 ensure all procurement activity is undertaken by suitably skilled and experienced staff;
- 2.2.6 report any breaches of these CPRs to the Monitoring Officer and Chief Finance Officer.

3. Relevant Contracts

3.1 All Relevant Contracts must comply with these CPRs. A Relevant Contract is any arrangement made by, or on behalf of, the Council for the carrying out of works or the provision of supplies or services. These include arrangements for:

- 3.1.1 the supply or disposal of goods;
- 3.1.2 the carrying out of building or engineering works
- 3.1.3 the hire, rental or lease of goods or equipment;
- 3.1.4 the delivery of services, including (but not limited to) those related to:
 - (i) the recruitment of staff;
 - (ii) land and property transactions;
 - (iii) financial and consultancy services.

3.2 The following will not be classed as Relevant Contracts:

- 3.2.1 contracts of employment which make an individual a direct employee of the authority;
- 3.2.2 subject to Rule 3.3, agreements relating solely to the acquisition, disposal, or transfer of land (to which the Financial Regulations apply);
- 3.2.3 subject to Rule 4, the payment of grants to third parties;
or

3.2.4 those contracts/arrangements which are specifically excluded in accordance with Rule 25.9 below.

3.3 Any acquisition, disposal, or transfer of land which involves elements requiring the supply of works, goods and/or services to or on behalf of the Council will be treated as Relevant Contract and these CPRs apply to all aspects of the procurement of those works, goods and/or services. Officers must ensure that they consult with Legal Services as appropriate to ensure compliance with this Rule 3.3.

4. Grants

4.1 Where the Council is required to carry out works or deliver goods or services, the Council cannot elect to award a Grant where the sole purpose for doing so would be to avoid conducting a competitive tender process in accordance with these CPRs.

4.2 Taking into account Rule 4.1 above, Directors shall consider when procuring the provision of services, supplies or works whether a Grant would be a preferable means to achieving its objectives rather than following a competitive bid process.

4.3 A Grant may only be awarded in circumstances where:

4.3.1 there is the legal power to make a Grant for the purpose envisaged; and

4.3.2 the making of the Grant does not contravene UK, EU or any other applicable international rules on state aid.

4.4 Where the value of a Grant is less than [£175,000] over 3 years, the Director shall have the discretion to conduct a competitive application process for the award of that Grant if doing so demonstrates best value for the Council. If a Director is not conducting a competitive application process then the Best Value Form must be completed to capture the rationale for the decision.

4.5 Where the value of the Grant exceeds [£175,000] over 3 years but is less than the relevant Procurement Threshold a competitive grants process must be completed. The opportunity must be advertised on the E-Sourcing System.

- 4.6 Where the value of a Grant exceeds the relevant Procurement Threshold, a competitive process must be completed and the opportunity must be advertised on the E-Sourcing System.
- 4.7 The Authorised Officer shall take all such steps as are appropriate to monitor and review the performance of the Grant agreement, having regard to its value, nature, duration and subject matter. As part of the Grant monitoring and review process the Authorised Officer shall maintain adequate records of performance and details of review meetings with the Grant recipient.

5. Records

- 5.1 The Procurement Regulations require Contracting Authorities to maintain the following comprehensive records of procurement activities:
 - 5.1.1 contract details including value;
 - 5.1.2 selection decision;
 - 5.1.3 justification for use of the selected procedure;
 - 5.1.4 names of bidding organisations, both successful and unsuccessful;
 - 5.1.5 reasons for selection and rejection;
 - 5.1.6 reasons for abandoning a procedure;
 - 5.1.7 details of sub-contractors;
 - 5.1.8 conflicts of interest identified and action taken.
- 5.2 The outcome of any competitive procurement process must be recorded in electronic format on the E-Sourcing System. Information from the E-Sourcing System will also be used for the tracking of procurement savings, sustainability benefits, and other data.
- 5.3 Commercial Procurement maintains the Contract Register which records key details of all Contracts (including contract reference numbers) with an aggregate value of £5,000 or more.

- 5.4 Where a Contract has not been awarded using the E-Sourcing System, Officers must ensure full details of that Contract are passed to the Chief Procurement Officer for inclusion in the Contract Register where the aggregate value of the Contract is £5,000 or more. Decisions as to why the E-Sourcing System was not used must be recorded in writing and sent to Commercial Procurement.
- 5.5 Full records of all contract documentation, quotations, estimates, tenders and any other correspondence pertinent to the award or acceptance of a Contract must be kept by Commercial Procurement for the duration of the Contract and a minimum of six years after the Contract has expired or twelve years after the Contract has expired where it is executed under common seal as a deed.
- 5.6 It is the responsibility of Chief Officers to ensure that all Contracts are properly entered into, administered and controlled to safeguard the Council's interests, secure Best Value and minimise the risk of theft, fraud and corruption.
- 5.7 Officers must comply with any Council requirements to record decisions on the Officer Decision Log.

6. Risk Assessment

- 6.1 All procurements which require an Invitation to Tender and/or Requests for Quotation (see Rule 11 below), must be supported by a risk assessment (where appropriate). This risk assessment must be carried out at the start of the procurement process and, where appropriate, will include a Financial Appraisal in accordance with Rule 17.2.
- 6.2 The risk assessment process will identify where further specialist advice should be sought.
- 6.3 The approved risk log and matrix are available from Commercial Procurement.

7. Advertising

- 7.1 Officers must liaise with Commercial Procurement to ensure that the minimum advertising requirements are met in line with the

Procurement Regulations when conducting any procurement process (including Framework Agreements or Dynamic Purchasing Systems). Officers should refer to the further guidance in the Procurement Toolkit.

7.2 Where Contracts with a value of £25,000 and above are advertised **anywhere**, they must also be advertised on Contracts Finder. This applies to Contracts that otherwise fall outside the scope of the Procurement Regulations.

7.3 Where Contracts have a value above the Procurement Threshold they must also be advertised on Find a Tender.

8. Powers and Key Decisions

8.1 This Rule does not apply to Maintained Schools, who must consult the governance thresholds contained at Appendix B.

8.2 In consultation with the Monitoring Officer, Directors must ensure that the Council has the legal power to enter into any Contract.

8.3 Directors must ensure that they have delegated powers to enter into any Contract or to grant another Officer authority to do so.

8.4 No Contract will be entered into unless an adequate budget is in place.

8.5 Rules 8.5 to 8.10 outline the governance thresholds required for all aspects of governing a procurement process.

8.6 Where a decision has already been made by Executive or an Executive Member and the budget is in place to permit a course of action then further approval is not required to award Contracts necessary to implement that decision.

8.7 Where schemes are included in the Capital Programme this has already been approved and further Executive approval is therefore not required. However, a copy of the relevant report must be sent to Commercial Procurement for audit purposes.

8.8 It is recommended that any approval sought includes a specific delegation to the Authorised Officer to award the Contract at the conclusion of the procurement. In other circumstances the procedure set out in Rules 8.9 to 8.11 below must be followed.

- 8.9 Where the aggregate contract value (including any extension) is £250,000 or less Directors may agree or authorise another Officer to enter a Contract under their delegated powers.
- 8.10 Where the aggregate contract value (including any extension) is between £250,000 and £500,000 then the decision to enter the contract requires the approval of an Executive Member or the Executive unless the procurement is treated as Routine as defined in Rules 8.12 and 8.13 below.
- 8.11 Where the aggregate contract value (including any extension) exceeds £500,000 the decision will be regarded as a Key Decision unless the Chief Finance Officer acting in consultation with the Monitoring Officer has approved the procurement as Routine in accordance with Rules 8.12 to 8.13 below.
- 8.12 A Routine procurement is any arrangement that represents a low commercial and legal risk to the Council and involves the procurement of goods, services or works with a clearly defined specification that clearly relate to the day to day operation of the Council.
- 8.13 Routine procurements will be limited to items such as utilities, insurance or stationery, without which the Council would be unable to operate. A procurement which relates to the carrying out of a statutory function of the Council shall not be considered Routine.
- 8.14 Where Officers consider a procurement process may be Routine, they must liaise with Commercial Procurement who will advise on the relevant paperwork to be submitted to the Chief Finance Officer. Authorisation to treat a procurement as Routine must be sought before the procurement process commences.
- 8.15 A Director may enter into a Contract where the procurement has been treated as Routine.
- 8.16 A register of Routine procurements will be maintained and reported to the Executive Member for Finance and Performance.
- 8.17 In relation to all Key Decisions, Authorised Officers must ensure that all authorisations are in place before the procurement process begins.

8.18 Notice of every Key Decision must be published on the Council's Forward Plan.

8.19 The Executive scheme of delegation requires that all Key Decisions (are reserved to the Executive unless specifically delegated to an Executive Member or an Officer or where the Leader and Chief Executive are acting in case of urgency.

8.20 This Rule 8 applies to all Relevant Contracts and all call-offs from Framework Agreements or Dynamic Purchasing Systems.

9. Pre-Tender Market Testing, Consultation and Deciding on the appropriate Procurement Route

9.1 The Council may consult potential Suppliers, prior to the issue of the Invitation to Tender or Request for Quotation, in general terms about the nature, level and standard of the supply, contract packaging and other relevant matters, provided this does not prejudice any other potential Supplier.

9.2 When engaging with potential Suppliers, the Council must not seek or accept technical advice from them on the preparation of an Invitation to Tender or Request for Quotation where this may prejudice the equal treatment of all potential Suppliers or otherwise distort competition.

9.3 In the case of the re-procurement of an existing Contract sufficient care must be taken to ensure that the process is fair and is seen to be fair. The objective is to ensure a level playing field for all potential Suppliers, whilst acknowledging that any incumbent Supplier has an inherent advantage due to having previously worked for the Council. Advice must be sought from Commercial Procurement to ensure the specification is clear and unambiguous.

9.4 In undertaking any market testing activities or consultation with potential Suppliers, the Authorised Officer responsible should refer to any guidance contained in the Procurement Toolkit.

9.5 Guidance on choosing the appropriate procurement route can be found in the Procurement Toolkit.

10. Framework Agreements

- 10.1 A list of available, appropriate Framework Agreements and Dynamic Purchasing Systems (including those established by other public sector bodies to which the Council has access) for certain requirements can be obtained from Commercial Procurement along with guidance on how these Framework Agreements and Dynamic Purchasing Systems are to be used.
- 10.2 Call-off contracts or orders made under Framework Agreements or Dynamic Purchasing Systems must be operated in accordance with these CPRs and/or the requirements of the Framework Agreement or Dynamic Purchasing System themselves. **Further advice must be sought from Commercial Procurement or Legal Services.**
- 10.3 Where a Framework Agreement provides an option for a direct call-off to one Supplier, this can only be done if all the following conditions are met:
- 10.3.1 The Framework Agreement's process for doing so is followed;
 - 10.3.2 The aggregate Contract value (including any extension) is less than £500,000;
 - 10.3.3 Where the aggregate Contract value (including any extension) exceeds £50,000, the relevant Chief Officer has approved the direct call-off method after advice from the Authorised Officer and Commercial Procurement; and
 - 10.3.4 The Authorised Officer believes that it represents Best Value for the direct call-off method to be used.

Establishment of Framework Agreements and Dynamic Purchasing Systems

- 10.4 Authorised Officers (in conjunction with Commercial Procurement and Legal Services) may establish a Framework Agreement or Dynamic Purchasing System. The Chief Procurement Officer and relevant Assistant Director must agree to the establishment of any Framework Agreement or Dynamic

Purchasing System prior to any selection or procurement processes being undertaken. The Framework Agreement or Dynamic Purchasing System is otherwise treated as any other procurement and will follow the same levels and process as required by the value and object of the Framework Agreement or Dynamic Purchasing System. Note, there are additional requirements under the Procurement Regulations for the establishment and further use of a Framework Agreement or Dynamic Purchasing System, and advice must be sought from Commercial Procurement and Legal Services to ensure the Procurement Regulations are adhered to.

- 10.5 A Framework Agreement or Dynamic Purchasing System can be established jointly with other Contracting Authorities.
- 10.6 Any future call off from the established Framework Agreement or Dynamic Purchasing System requires authorisation in accordance with the governance thresholds set out in Rules 8.9 to 8.11.
- 10.7 Where a Framework Agreement has been established by the Council, any extension or termination thereto shall be governed by Rules 20 and 21 below in addition to the Procurement Regulations.

11. Procurement Competition Requirements

11.1 Competition Requirements

- 11.1.1 The Authorised Officer must establish the total value of any Contract, including whole life costs, annual cost and incorporating any potential extension periods which may be awarded. The value of the Contract must be considered as the sum of all payments made to the Supplier during the whole life of the Contract, including extensions. The Authorised Officer must have particular regard to the rules relating to aggregation contained within the Procurement Regulations (further details on which can be found in the Procurement Toolkit).
- 11.1.2 Authorised Officers must ensure that values are not split in an attempt to avoid the applicability of these CPRs or the Procurement Regulations.

11.1.3 Based on the value of the Contract, quotations or tenders must then be invited in line with the following financial thresholds:

- (i) Up to and including £5,000 – Best Value
- (ii) Over £5,000 and up to and including £100,000 – at least **three** written quotations (this threshold may be lower where Officers deem there is additional risk associated with the project; in such cases advice must be sought from Commercial Procurement.)
- (iii) Over £100,000 – Invitation to Tender. At least four written tenders with completed Form of Tender and Declaration of Non-Collusive Tendering.

11.1.4 Where the estimated Contract value meets the appropriate Procurement Threshold (details of which can be obtained from Commercial Procurement), the Authorised Officer must consult Commercial Procurement at the outset to determine the correct procedure for conducting the procurement exercise. In these instances, the Procurement Regulations will apply in addition to these CPRs.

11.1.5 These rules are subject to the overriding requirement that a Contract of any value which is likely to have 'cross border' interest (ie to be of interest to contractors outside the UK) must be advertised.

11.2 Contract value up to and including £5,000

11.2.1 All purchasing up to and including £5,000 must be procured using an Internal Service Provider or through an existing Contract arrangement or via a suitable approved Framework Agreement or Dynamic Purchasing System where they exist.

11.2.2 It is the responsibility of the relevant Authorised Officer to check whether a suitable Internal Service Provider, existing Contract, Framework Agreement or Dynamic Purchasing System exists or not. Where no appropriate Internal Service Provider, existing Contract, Framework

Agreement or Dynamic Purchasing System exists, and the estimated value of a Contract is up to and including £5,000 the invitation of quotations is not mandatory but should be invited where appropriate.

11.2.3 If the Authorised Officer believes that it represents Best Value for the Council to make a direct appointment without the need for competition, they may do so providing a written record of the decision (including reasons) is kept by them.

11.3 Contract value over £5,000 and up to and including £100,000

11.3.1 In relation to all Contracts with a value between £5,000 up to and including £100,000 Officers should, in conjunction with Commercial Procurement, consider whether there is an appropriate Internal Service Provider, existing Contract, Framework Agreement or Dynamic Purchasing System which can be used.

11.3.2 Where no appropriate Internal Service Provider, existing Contract or approved Framework Agreement or Dynamic Purchasing System exists, if the estimated value of a Contract exceeds £5,000 but does not exceed £100,000 a minimum of three written quotations must be invited from suitable potential Suppliers. Efforts should be made to ensure that a diverse group of Suppliers are asked to quote using the following principles:

- (a) Where possible, ensuring Small and Medium Enterprises (SMEs) are invited to quote;
- (b) Where possible, ensuring local Suppliers are invited to quote;
- (c) Where possible, not just inviting the same group of Suppliers who have previously quoted for this or previous similar work;
- (d) Where possible, looking for novel or new Suppliers.

11.3.3 The written quotations must be obtained and documented in accordance with proper record keeping set out in Rule 5 and in accordance with the requirements of Rule 13.

11.3.4 All potential Suppliers invited to submit quotations will be provided in all instances with identical information and instructions.

11.3.5 The evaluation of the quotations will be carried out by Authorised Officers.

11.4 Contract value over £100,000

11.4.1 In relation to all Contracts with a value in excess of £100,000 Officers should, in conjunction with Commercial Procurement, consider whether there is an appropriate Internal Service Provider, existing Contract or Framework Agreement or Dynamic Purchasing System which can be used.

11.4.2 Where no appropriate Internal Service Provider, existing Contract, approved Framework Agreement or Dynamic Purchasing System exists, competition is required for Contract with a value over £100,000.

11.4.3 Where there are sufficient numbers of potential Suppliers, at least four written tenders must be invited. Efforts should be made to ensure that a diverse group of potential Suppliers are asked to tender using the following principles:

- (a) Where possible, ensuring Small and Medium Enterprises (SMEs) are invited to quote;
- (b) Where possible, ensuring local Suppliers are invited to quote;
- (c) Where possible, not just inviting the same group of Suppliers who have previously quoted for this or previous similar work;
- (d) Where possible, looking for novel or new Suppliers.

11.4.4 The tendering process must be conducted in accordance with the Council's detailed procedure rules set out in the Procurement Toolkit. Authorised Officers must consult with Commercial Procurement to establish the most appropriate tendering process/procurement route which will be determined on a case by case basis (depending on a number of factors including but not limited to the scope, value and technical requirements of the procurement).

11.5 Contract value over the Procurement Threshold

11.5.1 Where the estimated Contract value reaches the relevant Procurement Threshold, Officers are required to procure the Contract in accordance with the Procurement Regulations and these CPRs. In all such circumstances appropriate advice must be sought from Commercial Procurement.

11.5.2 The current Procurement Thresholds are available from Commercial Procurement.

11.6 Assets for Disposal

Assets for disposal must be dealt with in accordance with the Financial Regulations.

11.7 Concession Contracts

11.7.1 Concession Contracts may be established by Authorised Officers in conjunction with Commercial Procurement. Generally, Concession Contracts will result in an income to the Council. The thresholds set out in Rule 8 will also apply to Concession Contracts.

11.7.2 For the purpose of Rule 8 the value of a Concession Contract is defined in the Concession Contracts Regulations. That is the value shall be the total turnover of the concessionaire generated over the duration of the Contract, net of Value Added Tax, as estimated by the Council, in consideration for the works and/or services which are the object of the Concession Contract and for the supplies incidental to such works and services.

11.7.3 Contracts below the relevant thresholds defined in the Concession Contracts Regulations may be let using a three quotation process as outlined in Rule 11.3. Contracts above the relevant thresholds must be let in accordance with the process outlined in the Concession Contracts Regulations. Commercial Procurement will advise on the appropriate route and process to follow when letting Concession Contracts.

12. Evaluation Criteria and Standards

12.1 Evaluation Criteria

12.1.1 In any procurement exercise (regardless of overall Contract value) the successful tender must be the one which offers either:

- (i) the most economically advantageous tender based on “price or cost” using a cost effectiveness approach, such as, life cycle costing; or
- (ii) the most economically advantageous tender balanced between quality and price.

In the latter case, the Council will use criteria linked to the subject matter of the Contract to determine that an offer is the most economically advantageous, for example: price, quality, technical merit, aesthetic and functional characteristics, environmental & sustainability characteristics, social value (including but not limited to compliance with wider Council obligations such as membership of the Living Wage Foundation and sourcing fair trade where appropriate), running costs, cost effectiveness, after-sales service, technical assistance, delivery date, delivery period and period of completion. The price element of the evaluation will always be 40% or greater unless a waiver has been given for alternative weightings (in accordance with Rule 26.3) or, if using a Framework Agreement or Dynamic Purchasing System, an alternative weighting system is provided for under that Framework or Dynamic Purchasing System.

12.1.2 Issues that are important to the Council in terms of meeting its corporate objectives can be used to evaluate tenders provided that such criteria relates to the subject matter of the Contract and is objectively quantifiable and non-discriminatory. The criteria can include, for example, sustainability considerations, support for the local economy or the use of sub-contractors. The potential Suppliers' approaches to continuous improvement and setting targets for service improvement or future savings could also be included.

12.1.3 The procurement documentation must clearly explain the basis of the evaluation decision to potential Suppliers, making it clear how the evaluation criteria specified in the process will be applied, the overall weightings to be attached to each of the high-level criteria, how the high-level criteria are divided into any sub-criteria and the weightings attached to each of those sub-criteria.

12.1.4 There is no scope to change the evaluation criteria once quotations or tenders have been received. If quotations or tenders received mean the original evaluation criteria are no longer able to achieve the most economically advantageous tender then the procurement process must be abandoned and treated as market engagement before a new procurement exercise is established with new evaluation criteria. In such a case, no award will be made from the original procurement exercise and Commercial Procurement and Legal Services must be consulted.

12.2 Standards

Relevant British, EU and International standards which apply to the subject matter of the Contract and which are necessary to properly describe the required quality must be included within the procurement documentation, the specification, and the Contract. Officers should refer to further guidance set out in the Procurement Toolkit.

13. Invitation to Tender / Request for Quotation

13.1 Invitations to Tender/Requests for Quotation must be issued in accordance with the requirements of these CPRs.

13.2 All procurement documentation must be issued electronically. All procurements with a value over £25,000 must be conducted through the E-Sourcing System.

13.3 Where the E-Sourcing System is used, all communications with Suppliers must be undertaken exclusively through the E-Sourcing System. This includes any clarification questions asked by the potential Suppliers and responses provided by the Council.

13.4 In exceptional cases, where specific circumstances mean that a procurement process cannot be carried out electronically or, for example, where there is a failure of the E-Sourcing System, permission to conduct a procurement process by alternative means must be obtained from the Chief Procurement Officer.

14. Submission, Receipt and Opening of Tenders / Quotations

14.1 Opening of Tenders and Quotations

14.1.1 Tenders and Quotations, except those which have been approved as exempt from electronic tendering in accordance with Rule 13.4, must be submitted electronically via the E-Sourcing System. Tenders submitted by any other means must not be accepted.

14.1.2 Detailed procedure notes on tendering requirements and protocols are set out in the Procurement Toolkit.

14.2 Hard Copy Arrangements

14.2.1 In the event that approval to conduct a tender process outside the E-Sourcing System has been obtained in accordance with Rule 13.4 and “hard copy” tenders are to be accepted, these must be submitted, sealed, in the envelope provided with the procurement documents and addressed to the Chief Procurement Officer without any mark revealing the bidding organisation’s identity.

14.2.2 All hard copy tenders will be held by the Chief Procurement Officer until the tender opening date/time has been reached.

- 14.2.3 All hard copy tenders for the same Contract will be opened at the same time by a representative of the Chief Officer who invited the tenders and a representative from Commercial Procurement. A register of tenders received will be kept by Commercial Procurement and will be initialled on each occasion by the Authorised Officers who are present at the opening of the tenders.
- 14.2.4 In the event that approval to conduct a quotation process outside the E-Sourcing System has been obtained in accordance with Rule 13.4 and hard copy quotations are to be accepted these must be submitted in a plain envelope marked "Quotation for ..." followed by a description of the goods, works or services being procured.
- 14.2.5 All hard copy quotations must be opened together once the official return date/time has been passed.

15. E-auctions

- 15.1 Where a tender is to be carried out by way of a collaborative e-auction process the following procedures will apply:
- 15.1.1 approval for this approach must be sought in advance of the auction from the relevant Chief Officer and Chief Procurement Officer;
- 15.1.2 the auction must be provided through a recognised managed service provider approved by the Chief Procurement Officer;
- 15.1.3 the process for selecting potential Suppliers must be agreed in advance with the Chief Procurement Officer;
- 15.1.4 the tender evaluation process must be agreed in advance with the Chief Procurement Officer;
- 15.1.5 the time limit for the auction must be set in advance, clearly notified and be appropriate to the nature of the auction;
- 15.1.6 a minimum of two Authorised Officers must be in attendance at the managed service provider's viewing

room to ensure the process is conducted fairly and in accordance with the Procurement Regulations. One of the Authorised Officers must be an independent observer and have had no involvement with the exercise. They should not leave the room during the auction.

15.1.7 prior to start of the auction, Officers attending must satisfy themselves that the correct quality weightings (if applicable) have been loaded into the software and that the software is working correctly;

15.1.8 the final scoring of all the bidders needs to be documented and counter signed by each Officer immediately after the close of the auction;

15.1.9 the e-auction summary report which is normally produced by the e-auction provider (within a week of the auction) must be cross referenced to the Officers own records and both must be kept on file;

15.1.10 a signed copy of both these records must be passed to Chief Procurement Officer and copied to the Monitoring Officer;

15.1.11 if the lowest price bidder is not successful approval for the award of a Contract must be sought in line with these CPRs.

15.2 The application of these e-auction procedures exempts the tender from the opening rules set out at Rule 14. It does not exclude compliance with any other regulations as set out elsewhere in these CPRs.

15.3 The Council will arrange for award notices to be sent to the successful Supplier (following a 10 day Standstill Period) and brief the losing Providers. A copy of the award notice must be kept on file.

15.4 The Council must ensure that a discrete Contract complying with the Council's standard terms and conditions is put in place with each successful Supplier.

16. Clarification Procedures

16.1 The Council can ask bidding organisations for clarification of any details submitted as part of their bid. However, any such clarification must not involve changes to the basic features of the bidding organisation's submission.

16.2 When requesting clarification, the Authorised Officer must follow any guidance contained in the Procurement Toolkit. It must not be used to negotiate or re-negotiate Contract terms. Authorised Officers are required to take all necessary procurement and/or other relevant professional advice if they are in any way unsure of what may or may not constitute a 'clarification' under the Procurement Regulations.

17. Evaluation, Financial Appraisal, Award of Contract and Debriefing of Organisations

17.1 Evaluation

The evaluation of bids must be conducted in accordance with the evaluation criteria set out in the relevant procurement documents (see Rule 12 above) provided to bidding organisations, and in line with any guidance detailed in the Procurement Toolkit.

17.2 Financial Appraisals

Financial Appraisals must be completed in respect of all third parties submitting bids for Contracts in excess of £100,000. It is the responsibility of the Authorised Officer in consultation with the relevant Finance Manager to take all steps reasonably necessary (having regard to the subject matter, value and duration of the Contract and any other relevant factors) to complete a risk assessment of the potential Supplier's financial stability and to ensure this is done to a standard required by the Finance Manager.

17.3 Award of Contract

17.3.1 The Council is required to notify successful and unsuccessful bidders of the outcome of a procurement process, in writing, in as timely a fashion as possible.

17.3.2 Where procurement is subject to the Procurement Regulations (see Rule 11.5 above), a Standstill Period must be included in the procurement timetable and observed before the Contract can be awarded. Authorised Officers should refer to the guidance in the Procurement Toolkit and must consult with Commercial Procurement and, where appropriate, Legal Services in relation to the Standstill Period requirements and associated documentation to be issued to bidders. Where a Standstill Period applies, successful and unsuccessful bidders will be sent a Contract award letter containing all the debrief information required under the Procurement Regulations. A copy of the Contract award letter must be kept on file. Following successful completion of the Standstill Period the successful bidder(s) will be issued with their Contract to sign.

17.3.3 Provided the winning bid:

- (i) is the most economically advantageous;
- (ii) is within the financial budget made for it;
- (iii) complies with the Council's proposed terms and conditions; and
- (iv) meets the Contract specification,

it may be accepted by the relevant Authorised Officer.

17.3.4 Where a tender is not:

- (i) the most economically advantageous (if payment is to be made by the Council); or
- (ii) the highest tender (if payment is to be received by the Council),

the award of the Contract must be passed to the Chief Finance Officer for decision clearly setting out the reasons why this is required.

17.3.5 Once approved, all proposed Contract awards over £100,000 must be recorded in the Officer decision log on the mod.gov system.

17.3.6 The approval of the relevant Executive Member and Chief Finance Officer must be given if a tender received as part of a capital scheme results in the scheme or project exceeding the approved financial budget by 10% or £50,000 (whichever is the lower) and this cannot be accommodated within the original financial budget.

17.4 Debriefing

The Authorised Officer will, as part of good practice, offer feedback to all tenderers who submitted a bid about the characteristics and relative advantages of the successful bid. This will usually include:

17.4.1 how the award criteria were applied;

17.4.2 the prices or ranges of prices submitted, but not in either case correlated to the tenderers; and

17.4.3 the names of their competitors and whether there were three or more competitors taking part in the tendering exercise.

Authorised Officers must refer to the guidance set out in the Procurement Toolkit and consult with Commercial Procurement prior to issuing any feedback to bidders.

18. Post Tender Negotiation

18.1 Post tender negotiations must not be undertaken where the value of the Contract exceeds the relevant Procurement Threshold.

18.2 Post tender negotiations with selected Suppliers, where the value of the Contract is below the relevant Procurement Threshold, may be carried out where:

18.2.1 permitted by law; and

18.2.2 the Director in consultation with Commercial Procurement and Legal Services considers that added value may be obtained; and

18.2.3 the post tender negotiations are conducted by a team of suitably experienced officers approved by the Director and who have been trained in post tender negotiations. Commercial Procurement and Legal Services must be invited to attend any negotiation; and

18.2.4 a comprehensive, written record of the negotiations is kept by the Council; and

18.2.5 a clear record of the added value to be obtained as a result of the post tender negotiations is incorporated into the Contract with the successful Supplier.

19. Contract Documents

19.1 Form of Procurement Documents

The Council's standard procurement documents will be used wherever possible and appropriate. Where there is any deviation from these, the documents to be used must be reviewed by Legal Services before being issued. These documents are available from Commercial Procurement.

19.2 Form of Contract

19.2.1 Contractual commitments can only be made by Officers who are formally authorised to do so in the relevant directorate scheme of delegated authority. An up to date record of delegated authorities across the Council is kept by Commercial Procurement.

19.2.3 Every Contract must be made by either:

aggregate Contract value (including any extensions) of not more than £100,000.

- (ii) the preparation of formal written contracts for the purchase or supply of goods, services and/or works with an aggregate Contract value (including any extensions) of £100,000 and above or lower where the nature of the Contract requires a formal written contract.

19.3 Deeds

All Contracts:

- 19.3.1 in excess of £500,000; or
- 19.3.2 where the subject matter warrants an extended period of twelve years' protection; or
- 19.3.3 for nil consideration; or
- 19.3.4 which novate, assign, vary or extend an existing Contract; or
- 19.3.5 where there is a legal requirement for the Contract to be executed as a deed;

19.4.2 When submitted to Legal Services for signing or sealing, all Contracts must be accompanied by an Authorisation to Sign or Seal Form setting out the decision-making process and authority. This form can be obtained from Legal Services.

19.5 Legal Services Review of Tenders and Contracts

19.5.1 To ensure the integrity of the procurement process:

- (i) all proposed Invitations to Tender, where they are not in compliance with the Council's standard documentation, must be reviewed by Legal Services;
- (ii) any proposed Invitations to Tender which are subject to the Procurement Regulations, or which are deemed to be of high risk, must be reviewed by Legal Services;
- (iii) all proposed Contracts, where they are not in compliance with the Council's standard documentation, must be reviewed by Legal Services
- (iv) any proposed Contracts which are subject to the Procurement Regulations, or which are deemed to be of high risk, must be reviewed by Legal Services.

19.5.2 Officers must consult with Legal Services as appropriate to ensure compliance with this Rule 19.5.

19.6 Bonds and Liquidated & Ascertained Damages

19.6.1 Chief Officers (in consultation with Commercial Procurement and Legal Services) will consider whether to include provision for payment of liquidated & ascertained damages by a Supplier for delay or breach of contract where appropriate, taking into account the subject matter and risk associated with the Contract. Such consideration will be recorded in writing.

19.6.2 When considered appropriate by a Chief Officer the Supplier will be required to provide a performance bond to secure the performance of the Contract. Such performance bonds should provide for a sum of not less

than 10% of the total value of the Contract or such other sum as the Authorised Officer (in consultation with a Finance Manager) considers appropriate.

20. Contract Extension and Variation

20.1 Extensions

- 20.1.1 Commercial Procurement and Legal Services must be consulted in relation to any proposed Contract extension.
- 20.1.2 Contract extensions shall only be permitted if they are put in place before the Contract expiry date and where the proposed extension is in accordance with the contract terms.
- 20.1.3 Where the terms of a Contract do not expressly permit an extension, Legal Services shall advise whether it is possible to otherwise agree an extension by way of variation to the Contract. Any variations shall be carried out in accordance with Rule 20.2 below.
- 20.1.4 Approval for the extension must be given by an Officer with the appropriate level of delegated authority. This process must be recorded in writing.
- 20.1.5 Prior to seeking approval from the relevant Chief Officer to take up a contract extension the Authorised Officer must establish whether the extension will deliver Best Value.
- 20.1.6 Before taking an extension, the Authorised Officer must check the original spending authorisation decision (obtained in accordance with Rule 8) to confirm that authorisation to extend the Contract is in place. Where the original decision does not contain authorisation for an extension of the Contract, further authorisation may be sought under Rule 8. The value of the decision used to determine the authorisation requirement shall be the original Contract value plus the value of the proposed extension.

20.1.7 All extensions to any Council contracts must be in writing and reported to the Chief Procurement Officer in order that the E-Sourcing System can be updated.

20.2 Variations

20.2.1 Variations will be dealt with in accordance with these CPRs and the Procurement Regulations. Further guidance must be sought from Legal Services.

20.2.2 All Contract variations must be carried out:

- (i) within the scope of the original Contract. Contract variations that materially affect or change the scope of the original Contract are not permitted; and
- (ii) following consideration as part of the Category planning process.

20.2.3 All Contract variations must be in writing (in the form specified by the Contract where applicable) and signed or sealed by both the Council and the Supplier. Approval for the Contract variation must be given by the by the Monitoring Officer and Chief Procurement Officer or their delegated officers.

20.2.4 Where appropriate (taking into account any change in contract value, contract term, range of services provided etc), Contract variations must be reported to the Chief Procurement Officer in order that the E-Sourcing System can be updated.

20.2.5 A new procurement will be required in case of material change where one or more of the following conditions are met:

- (i) the variation introduces conditions which, had they been part of the initial procurement exercise, would have allowed for the admission of Suppliers other than those initially selected or for the acceptance of an offer other than that originally accepted or would have attracted additional participants in the procurement procedure;

- (ii) the variation increases the value of the Contract or the Framework Agreement substantially in favour of the Supplier in a manner which was not provided for in the original Contract or Framework Agreement;
- (iii) the variation extends the scope of the Contract or Framework Agreement considerably.

Further guidance must be sought from Legal Services where the Chief Officer considers there is any possibility that the proposed variation might fall under this Rule 20.2.5.

21. Termination of Contract

21.1 Prior to terminating any Contract, Officers must consult Legal Services. It will only be possible for Contracts to be terminated early, where provided for within the Contract and if this action is authorised by the relevant Chief Officer through a Delegated Decision. A copy of the report and decision for termination of any Contract exceeding £100,000 in aggregate for the whole of the contract period (including any extensions) must be sent to the Chief Procurement Officer for monitoring purposes. All termination letters under this Rule must be drafted and issued via Legal Services in conjunction with the Authorised Officer.

22. Prevention of Corruption

22.1 Rules and regulations pertaining to the prevention of corruption are outlined in the Financial Regulations and must be adhered to at all times.

23. Declaration of Interests

23.1 To ensure that persons involved in the procurement process are aware of and adhere to the principles of impartiality and professional standards when dealing with, and completing commercial undertakings, a Conflict of Interest and Confidentiality Undertaking Declaration form is required to be completed for all procurement processes which identifies actual and potential conflicts of interest. This must be completed by all Officers involved in the procurement process prior to commencement of the procurement process. If an actual or

potential conflict of interest arises during the procurement process a new Conflict of Interest and Confidentiality Undertaking Declaration form shall be immediately completed and submitted by the Officer concerned and the Monitoring Officer and the S151 Officer shall be notified in accordance with Rule 23.2.

23.2 If it comes to the attention of a Member, Authorised Officer or other Officer that a Contract in which they have an interest (determined in accordance with the Members' and/or Officers' Code of Conduct as appropriate) has been or is proposed to be entered into by the Council, they shall immediately give written notice to the Monitoring Officer and the S151 Officer.

24. Contract Management / Monitoring

24.1 All Contracts must have an appointed contract manager for the entirety of the Contract. The responsible Chief Officer must ensure a contract manager is designated prior to contract award.

24.2 Contract management, monitoring, evaluation and review must be conducted in line with guidance detailed in the Procurement Toolkit.

25. External Body Grant Funding

25.1 Where a procurement process is funded, in whole or part, by grant funding which has been awarded to the Council by an external funding body, the Authorised Officer must consult with Legal Services to ensure that any rules or conditions imposed by the funding body are adhered to in addition to the requirements of these CPRs.

25.2 Where there is any conflict between these CPRs and the rules or conditions imposed by the funding body, the stricter requirement should be followed.

26. Waiver and Exemptions

Waivers

26.1 Except where the Procurement Regulations apply, the Executive has the power to waive any requirements within these CPRs for specific projects upon request.

- 26.2 Additionally, except where the Procurement Regulations apply, these CPRs may be waived where the circumstances are certified by the Chief Finance Officer or their deputy advised as appropriate by the Monitoring Officer and Chief Procurement Officer as meeting any of the following criteria:
- 26.2.1 for works, supplies or services which are of such special character that it is not possible to obtain competitive prices;
 - 26.2.2 for supplies purchased or sold in a public market or auction;
 - 26.2.3 for the execution of works or services or the purchase of supplies involving specialist or unique knowledge or skills;
 - 26.2.4 with an organisation which has won a Contract for an earlier phase of work via a competitive process and where the work forms part of a serial programme and has previously been identified as such;
 - 26.2.5 with an organisation already engaged by the Council for a similar and related procurement and where there is significant benefit to extending the Contract to cover this additional requirement, without exposing the Council to unacceptable risk;
 - 26.2.6 for works, supplies or services which are only available from one organisation (due to their specialised nature);
 - 26.2.7 involving such urgency that it is not possible to comply with the CPRs;
 - 26.2.8 for the purchase of a work of art or museum specimen, or to meet the specific requirements of an arts or cultural event which cannot be procured competitively due to the nature of the requirement;
 - 26.2.9 in relation to time limited grant funding from an external body, where the time limitations will not allow a competitive procurement process to be completed and where the grant conditions allow this;

- 26.2.10 in relation to external grant funding that has been awarded on the condition that a specific Supplier be appointed by the Council;
- 26.2.11 where relevant UK or other applicable international legislation not otherwise referred to in these CPRs prevents the usual procurement process from being followed;
- 26.2.12 In relation to the price quality ratio (Rule 12.1.1) where, after consultation with Commercial Procurement, the client team wishes to use a price percentage lower than 40%; or
- 26.2.13 where there is a significant risk to the statutory functions of the Council, or to its governance, audit or finances, a significant safeguarding risk, or a significant risk of failure in the case of an immediate statutory inspection, if the Supplier is not engaged (such confirmation in all cases to be confirmed in writing by the relevant Chief Officer.
- 26.3 If a waiver of these CPRs is required, the Authorised Officer will complete and submit a waiver form, using a template document obtained from Commercial Procurement. The waiver form must set out the detail of the specific Rule(s) being waived and confirmation of the Rule within 26.2 under which the waiver is being sought along with the financial, legal, risk and equality implications of the waiver sought.
- 26.4 The process to be followed in respect of waivers is set out in the Procurement Toolkit.
- 26.5 In relation to Maintained Schools, the Governing Body shall have the power to waive any requirement of these CPRs where the Head Teacher has submitted a waiver form in accordance with Rule 26.3 confirming that any of the criteria listed at Rule 26.2 apply.
- 26.6 If the waiver is approved the Authorised Officer can then proceed with the waiver to these CPRs. Officers are only authorised to incur expenditure up to the amount included in the final agreed waiver. Should any additional expenditure or further service be required a new waiver must be requested.

- 26.7 With the exception of those relating to Maintained Schools, every waiver form will be recorded on a master register maintained by Commercial Procurement. Each Maintained School must maintain their own master register of waiver forms.
- 26.8 Where a waiver is being requested, Authorised Officers are required to seek waivers at the outset of any procurement process or, where relevant, at such time during a procurement process that it becomes apparent that it is not possible to comply in full with the competition procedures outlined in Rules 11.3 and 11.4. No Contract resulting from a waiver being requested will be entered into without a waiver authorisation being in place.
- 26.9 Authorised Officers are not required to seek waivers in the case of an Emergency or as a result of an Emergency where there is danger to the safety of persons or serious risk of loss or damage to the Council's assets or interests, or the interests of another party. In such circumstances, the Authorised Officer may enter into such Contracts as necessary by means that are reasonable under the circumstances.

Exemptions

- 26.10 These CPRs do not apply to Contracts:

 - 26.10.2 for legal services in respect of specific matters which are in contemplation of:
 - (a) Arbitration conciliation;
 - (b) Judicial proceedings before the courts;
 - 26.10.3 for the provision of legal advice given in preparation for any of the proceedings referred to in Rule 26.10.2(a) or (b) above, or where there is tangible indication and high probability that the matter to which the advice relates will become the subject of such proceedings.
 - 26.10.4 which have been procured on the Council's behalf:

- (i) through collaboration with other local authorities or other public bodies, where a competitive process which complies with the CPRs of the leading organisation has been carried out; or
- (ii) by a national or regional contracting authority where the process followed is in line with the Procurement Regulations.

26.10.5 to cover urgent special educational needs, urgent social care needs or urgent operational needs, if in the opinion of the relevant Director (in consultation with the Chief Procurement Officer) the exemption is considered to be in the Council's interests or necessary to meet the authority's obligations under relevant legislation. Use of this exemption by the relevant Director must be preceded by a written report under Rule 26.3 using the waiver form, setting out the reason for such urgency, how it complies with relevant legislation and represents Best Value.

26.10.6 for the renewal of licences or contracts for goods or services where:

- a) the supply is restricted to either the original Supplier or their selected re-sellers; and
- b) competition does not affect the price paid owing to the way the market operates and/or the need for compatibility; and
- c) the value of three years' aggregated renewals has not exceeded, or will not exceed, £150,000; and
- d) the relevant Chief Officer has agreed to the renewal.

26.11 The use of e-procurement does not negate the requirement to comply with all elements of these CPRs.

27. Breaches of CPRs

27.1 Breaches of the CPRs are extremely serious matters and will be fully investigated and reported on following referral or discovery. All Directors are responsible for reporting all known or discovered breaches of these CPRs to the Chief Finance Officer and

Monitoring Officer as soon as they become aware of it in practice. Any Director can be called to Audit & Governance Committee to explain any breach. Breaches identified are reported to the Governance, Risk & Assurance Group to identify where improvements need to be made and to ensure training is provided where necessary.

28. Data Protection

- 28.1 Where a Contract involves data processing by the Supplier on behalf of the Council then sufficient due diligence must be undertaken to ensure that the Council only uses Suppliers who provide guarantees to implement appropriate technical and organisational measures in such a manner as to meet the requirements of the General Data Protection Regulation and protect the rights of individuals.
- 28.2 Every written Contract that involves the processing of personal data by a Supplier on behalf of the Council must set out the subject matter and duration of the processing, the nature and purpose of the processing, the types of personal data and categories of data subjects and obligations and rights of the Council. In particular the Contract must contain clauses that meet the requirements of Article 28(3) of the General Data Protection Regulations.
- 28.3 Authorised Officers should consult with the Information Governance team to establish whether a Data Protection Impact Assessment is required in relation to any proposed Contract involving the processing of Personal Data.

Annex 1

Disciplinary Procedure for the Head of Paid Service (Chief Operating Officer) and Statutory Chief Officers: the Monitoring Officer and Chief Finance (s151) Officer (the Statutory Chief Officers)

1 Scope of Procedure

- 1.1 This disciplinary procedure is based on that set out in the Joint Negotiating Committee for Local Authority Chief Executives National Salary Framework and Conditions of Service Handbook (the JNC Handbook) as updated on 13 October 2016. It applies to City of York Council's (the Council) Head of Paid Service (Chief Operating Officer), Monitoring Officer and Chief Finance Officer (the Statutory Chief Officers).
- 1.2 This procedure has been adopted by the Council for the purposes of dealing with disciplinary, capability and other substantial issues in relation to the Statutory Chief Officers. For the avoidance of doubt, this procedure also applies to a breakdown in trust and confidence between the Statutory Chief Officers and the Council.
- 1.3 Minor conduct issues can often be resolved informally. Formal steps will be taken under this procedure if the matter is not resolved, or if informal discussion is not appropriate (for example, because of the seriousness of the allegation).
- 1.4 The objective of this procedure is to:
 - a. Encourage Officers to achieve and maintain acceptable standards of behaviour;
 - b. Provide a fair and consistent method of dealing with alleged failure to maintain acceptable standards of behaviour;
 - c. Minimise disagreements about disciplinary matters; and
 - d. Reduce the need for disciplinary action and dismissals.

- 1.5 Save where alternative arrangements have been agreed in advance between the Council and the Statutory Chief Officer, the steps set out in this procedure should be followed. The parties recognize that it may be necessary to depart from the procedure, from time to time, according to the particular circumstances of a case. In such circumstances, both parties agree to give fair consideration to reasonable proposals to modify the procedure accordingly.
- 1.6 This procedure does not form part of a Statutory Chief Officer's contract of employment and it may be amended at any time, subject to overall compliance with the Local Authorities (Standing Orders)(England) Regulations 2001 (as amended).
- 1.7 Any disciplinary matters will be dealt with sensitively and with due respect for the privacy of any individuals involved. All individuals involved must treat as confidential any information communicated to them in connection with an investigation or disciplinary matter.

2 Initial Filter Stage

- 2.1 If an allegation of potential misconduct against a Statutory Chief Officer is made, the Head of HR in conjunction with the Head of Paid Service (or the Monitoring Officer and Leader if the allegation is against the Head of Paid Service) will conduct a filter process of the allegations.
- 2.2 The Head of Paid Service with the Head of HR (or Head of HR, Monitoring Officer and Leader, where the allegation is against the Head of Paid Service) will determine whether the allegations should be filtered out of the process on the basis that they are clearly unfounded, trivial, can be dealt with informally or can best be dealt with under some other procedure.
- 2.3 The Head of Paid Service with the Head of HR (or Head of HR, Monitoring Officer and Leader, where the allegation is against the Head of Paid Service) shall also consider whether early informal resolution of the issues with the Statutory Chief Officer is appropriate, any final

decision as to early resolution of the issues will be made by the Head of Paid Service in conjunction with the Head of HR.

- 2.4 Head of Paid Service with the Head of HR (or Head of HR, Monitoring Officer and Leader, where the allegation is against the Head of Paid Service) will conduct an initial review of the allegation, which includes speaking with the Statutory Officer about whom the allegation is made.
- 2.5 This review will be considered by the Head of Paid Service with the Head of HR (or Head of HR, Monitoring Officer and Leader, where the allegation is against the Head of Paid Service), where this can be resolved informally a meeting will be held with the statutory officer to agree the resolution.
- 2.6 Where an informal resolution is not appropriate, the draft filter report will be shared with the Head of HR and the Chair of the Investigating and Disciplinary Committee (IDC) for comment. The Head of Paid Service (or Monitoring Officer if the complaint is against the Head of Paid Service) will finalise the filter report and will take into consideration the views of the Head of HR and the Chair of the IDC, however, the filter decision is an officer decision for the Head of Paid Service (Monitoring Officer where it is against the Head of Paid Service) to determine.
- 2.7 If the Head of Paid Service (or Monitoring Officer is the compliant is against the Head of Paid Service) decides that the allegations should be filtered out of the process, this shall be the end of the procedure and the Statutory Chief Officer will be sent a letter informing him or her of the decision as soon as possible.
- 2.8 If the Head of Paid Service (or Monitoring Officer is the compliant is against the Head of Paid Service) decides that the allegations should be progressed, the filter report and evidence considered should be finalised and presented to the IDC.

3 Informal resolution

- 3.1 In accordance with recommendations in the JNC Handbook the Council and the Statutory Chief Officer should seek an informal resolution before formal disciplinary proceedings are commenced. The Head of HR will be responsible for seeking an informal resolution with the Statutory Chief Officer. If informal resolution is not possible, the Head of Paid Service (with Head of HR or Monitoring Officer if it is about the Head of Paid Service) will inform the Chair of the IDC of the complaint/allegation made against the Statutory Chief Officer and the failure to achieve an informal resolution.

4 Formal Resolution

- 4.1 At all stages of the disciplinary process, the Council will refer the JNC Handbook for Chief Executives for procedural guidance.

5 Roles and Responsibilities

However, it is implicit that all stages of the procedure be operated expeditiously by all parties in order to avoid unnecessary delay and prejudice to the interests of all parties.

10 Suspension

- 10.1 Suspension is not regarded as disciplinary action under this procedure but as a neutral act which may be implemented where it is envisaged that the Statutory Chief Officer's continuing presence at work might compromise the investigation or otherwise impair the efficient exercise of the Council's functions.

- 10.3 The decision to suspend a Statutory Chief Officer will rest with the Investigating and Disciplinary Committee. Urgent or exceptional cases will include where the continuing presence of the Statutory Chief Officer could be a serious danger to the health and safety of others, or a serious risk to the resources, information or reputation of the Council, in these cases the Chair of the IDC can suspend.

Further, specific consideration should be given as to whether alternative working arrangements might be implemented which could avoid the need for the Statutory Chief Officer's suspension, whilst avoiding any prejudice to the investigation or to the efficient exercise of the Council's functions.

- 10.7 Absence from duty during any period of suspension shall be on full pay.
- 10.8 Any suspension should not last longer than 2 months from the day on which it takes effect and only continued following consultation with the Independent Investigator after taking into account any representations made by the Chief Operating Officer.

It is not anticipated that witnesses will be required at an initial hearing however the discretion to call witnesses lies solely with the Investigating and Disciplinary Committee.
- 11.4 Following very careful consideration of all of the material both relating to the allegations and the submissions by the statutory Chief Officer, the Committee will decide whether:
- a. The issue requires no further formal action under this procedure; OR

 - b. Details of the precise allegations and or issues to be investigated;
 - c. Provision of access to sources of information and people identified as relevant to the case;
 - d. Clarity as to timescales and any other known factors which may hinder the investigation eg availability or not of individuals.

- 14.1 The Investigating and Disciplinary Committee will receive the report and has authority from the council to take a decision on the outcome.
- 14.2 Unless the statutory Chief Officer is fully exonerated by the report then he or she will be given an opportunity to state their case before the Investigating and Disciplinary Committee makes a decision. There will also be the opportunity to question witnesses where relevant.

- 15.6 Once the Investigating and Disciplinary Committee is satisfied that there are no material and well-founded objections to the proposal to dismiss, it will inform the Statutory Chief Officer of the decision and put that proposal to the Independent Panel along with the Independent Investigators report and any other necessary material or documentation it considers appropriate.

Our values guide our actions in conducting business in a socially responsible and ethical manner.
- 3 As an organisation, and as individuals, we respect, apply and comply with the law, support human rights and equal opportunity, protect the environment, achieve operational excellence and work for the benefit of our communities. Officers will, at all times, act with honesty and integrity in an open and transparent manner, performing their roles efficiently, effectively and fairly, thereby attracting the highest level of confidence from our community.
- 4 The Council's Code of Conduct for Officers sets the requirements of conduct in carrying out their functions. The Code of Conduct has been developed to assist Officers to:
 - a) Understand the standards of conduct that are expected of them;
 - b) Enable them to fulfil their duty to act honestly and exercise a reasonable degree of care and diligence; and

- c) Act in a way that enhances public confidence in the integrity of local government.

5 Key Principles

5.1 This statement is based on a number of key principles and sets out standards of conduct that meet these principles and statutory provisions applicable to local government activities.

5.2 The key principles are:

- a) Integrity

We must not place ourselves under any financial or other obligation to any individual or organisation that might reasonably be thought to influence us in the performance of our duties.

- b) Leadership

We have a duty to promote and support the leadership of the Council in order to maintain and strengthen the public's trust and confidence in the integrity of the Council. By doing so we promote public duty to others in the Council and outside, by our own ethical behaviour.

- c) Selflessness

We have a duty to make decisions in the public interest and not act in order to gain financial or other benefits for ourselves, our family, friends or business interests. This means making decisions because they benefit the public, not because they benefit the decision maker or someone associated with the decision maker.

- d) Impartiality

We should make decisions on merit and in accordance with our statutory obligations when carrying out public business. This includes the

making of appointments, awarding of contracts or recommending individuals for rewards or benefits. This means fairness to all, impartial assessment, merit selection in recruitment and in purchase and sale of Council's resources, considering only relevant matters.

e) Accountability

We are accountable to the public for our decisions and actions and should consider issues on their merits, taking into account the views of others. This means recording reasons for decisions, submitting to scrutiny, keeping proper records, establishing audit trails and conducting audits.

f) Openness

We have a duty to be as open as possible about our decisions and actions, giving reasons for decisions and restricting information only when the wider public interest clearly demands. This means recording, giving and revealing reasons for decisions, revealing other avenues available to the client or business, when authorised, offering all information, communicating clearly.

g) Honesty

We have a duty to act honestly. We must declare any private interests relating to our duties and take steps to resolve any conflicts arising in such a way that protects the public interest. This means obeying the law, following the letter and spirit of policies and procedures, observing the Council's Code of Conduct for Employees and exercising any delegated authority strictly for the purpose for which the authority was delegated.

h) Respect

We must treat others with respect at all times. This means not using derogatory terms towards others,

observing the rights of other people, treating people with courtesy and recognising the different roles others play in local government decision-making.

- 5.3 In making our business decisions, we strive to obtain the best value for money. Depending on the circumstances, our decision-making takes into account many things including upfront costs, on-going costs, suitability, quality, reliability, availability, experience, reputation, safety, legal compliance, social value and environmental sustainability. While we strive to obtain the best price for goods and services, we do not necessarily buy at the cheapest price, nor sell at the highest price.
- 5.4 The Council is required to balance all relevant factors, including initial cost, whole-of-life costs, quality, reliability and timeliness in determining true value for money.
- 5.5 Although Council business dealings must be transparent and open to public scrutiny, there will be times when information on the Council's relationships with private sector suppliers of goods and services, cannot be made publicly available. However we will always act fairly in our decision-making. That means we are objective, reasonable and even-handed. It does not mean that we can satisfy everyone all of the time. We will publicly support our decisions unless we have to maintain confidentiality or protect privacy.

6 Reporting Unethical Behaviour

- 6.1 The Council is committed to promoting ethical behaviour. Allegations of unethical behaviour can be made to the Council's Monitoring Officer.

Appendix 14 - Member Code of Conduct

Based on LGA Model Councillor Code of Conduct 2020

Introduction

The Local Government Association (LGA) has developed this Model Councillor Code of Conduct, in association with key partners and after extensive consultation with the sector, as part of its work on supporting all tiers of local government to continue to aspire to high standards of leadership and performance. It is a template for councils to adopt in whole and/or with local amendments.

All councils are required to have a local Councillor Code of Conduct.

The LGA will undertake an annual review of this Code to ensure it continues to be fit-for-purpose, incorporating advances in technology, social media and changes in legislation. The LGA can also offer support, training and mediation to councils and Councillors on the application of the Code and the National Association of Local Councils (NALC) and the county associations of local councils can offer advice and support to town and parish councils.

Definitions

For the purposes of this Code of Conduct, a “Councillor” means a member or co-opted member of a local authority or a directly elected mayor. A “co-opted member” is defined in the Localism Act 2011 Section 27(4) as “a person who is not a member of the authority but who:

- a) is a member of any committee or sub-committee of the authority, or;
- b) is a member of, and represents the authority on, any joint committee or joint sub-committee of the authority;

and who is entitled to vote on any question that falls to be decided at any meeting of that committee or sub-committee”.

For the purposes of this Code of Conduct, “local authority”

includes county councils, district councils, London borough councils, parish councils, town councils, fire and rescue authorities, police authorities, joint authorities, economic prosperity boards, combined authorities and National Park authorities.

Purpose of the Code of Conduct

The purpose of this Code of Conduct is to assist you, as a Councillor, in modelling the behaviour that is expected of you, to provide a personal check and balance, and to set out the type of conduct that could lead to action being taken against you. It is also to protect you, the public, fellow Councillors, local authority officers and the reputation of local government. It sets out general principles of conduct expected of all Councillors and your specific obligations in relation to standards of conduct. The LGA encourages the use of support, training and mediation prior to action being taken using the Code. The fundamental aim of the Code is to create and maintain public confidence in the role of Councillor and local government.

General principles of Councillor Conduct

Everyone in public office at all levels; all who serve the public or deliver public services, including ministers, civil servants, Councillors and local authority officers; should uphold the [Seven Principles of Public Life](#), also known as the Nolan Principles.

Building on these principles, the following general principles have been developed specifically for the role of Councillor.

In accordance with the public trust placed in me, on all occasions:

- I act with integrity and honesty
- I act lawfully
- I treat all persons fairly and with respect; and
- I lead by example and act in a way that secures public confidence in the role of Councillor.

In undertaking my role:

- I impartially exercise my responsibilities in the interests of the local community
- I do not improperly seek to confer an advantage, or disadvantage, on any person
- I avoid conflicts of interest
- I exercise reasonable care and diligence; and
- I ensure that public resources are used prudently in accordance with my local authority's requirements and in the public interest.

Application of the Code of Conduct

This Code of Conduct applies to you as soon as you sign your declaration of acceptance of the office of Councillor or attend your first meeting as a co-opted member and continues to apply to you until you cease to be a Councillor.

This Code of Conduct applies to you when you are acting in your capacity as a Councillor which may include when:

- you misuse your position as a Councillor
- Your actions would give the impression to a reasonable member of the public with knowledge of all the facts that you are acting as a Councillor.

The Code applies to all forms of communication and interaction, including:

- at face-to-face meetings
- at online or telephone meetings
- in written communication
- in verbal communication
- in non-verbal communication
- in electronic and social media communication, posts, statements and comments.

You are also expected to uphold high standards of conduct and show leadership at all times when acting as a Councillor.

Your Monitoring Officer has statutory responsibility for the implementation of the Code of Conduct, and you are

encouraged to seek advice from your Monitoring Officer on any matters that may relate to the Code of Conduct. Town and parish Councillors are encouraged to seek advice from their Clerk, who may refer matters to the Monitoring Officer.

Standards of Councillor conduct

This section sets out your obligations, which are the minimum standards of conduct required of you as a Councillor. Should your conduct fall short of these standards, a complaint may be made against you, which may result in action being taken.

Guidance is included to help explain the reasons for the obligations and how they should be followed.

General Conduct

1. Respect

As a Councillor:

- a. I treat other Councillors and members of the public with respect.
- b. I treat local authority employees, employees and representatives of partner organisations and those volunteering for the local authority with respect and respect the role they play.

Respect means politeness and courtesy in behaviour, speech, and in the written word. Debate and having different views are all part of a healthy democracy. As a Councillor, you can express, challenge, criticise and disagree with views, ideas, opinions and policies in a robust but civil manner. You should not, however, subject individuals, groups of people or organisations to personal attack.

In your contact with the public, you should treat them politely and courteously. Rude and offensive behaviour lowers the public's expectations and confidence in Councillors.

In return, you have a right to expect respectful behaviour from the public. If members of the public are being abusive, intimidatory or threatening you are entitled to stop any conversation or interaction in person or online and report them to the local

authority, the relevant social media provider or the police. This also applies to fellow Councillors, where action could then be taken under the Councillor Code of Conduct, and local authority employees, where concerns should be raised in line with the local authority's Councillor-officer protocol.

2. Bullying, harassment and discrimination as a Councillor:

- a. I do not bully any person.
- b. I do not harass any person.

- c. I promote equalities and do not discriminate unlawfully against any person.

The Advisory, Conciliation and Arbitration Service (ACAS) characterises bullying as offensive, intimidating, malicious or insulting behaviour, an abuse or misuse of power through means that undermine, humiliate, denigrate or injure the recipient. Bullying might be a regular pattern of behaviour or a one-off incident, happen face-to-face, on social media, in emails or phone calls, happen in the workplace or at work social events and may not always be obvious or noticed by others.

The Protection from Harassment Act 1997 defines harassment as conduct that causes alarm or distress or puts people in fear of violence and must involve such conduct on at least two occasions. It can include repeated attempts to impose unwanted communications and contact upon a person in a manner that could be expected to cause distress or fear in any reasonable person.

Unlawful discrimination is where someone is treated unfairly because of a protected characteristic. Protected characteristics are specific aspects of a person's identity defined by the Equality Act 2010. They are age, disability, gender reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex and sexual orientation.

The Equality Act 2010 places specific duties on local authorities. Councillors have a central role to play in ensuring that equality issues are integral to the local authority's performance and

strategic aims, and that there is a strong vision and public commitment to equality across public services.

3. Impartiality of officers of the council

As a Councillor:

- a. I do not compromise, or attempt to compromise, the impartiality of anyone who works for, or on behalf of, the local authority.

Officers work for the local authority as a whole and must be politically neutral (unless they are political assistants). They should not be coerced or persuaded to act in a way that would undermine their neutrality. You can question officers in order to understand, for example, their reasons for proposing to act in a particular way, or the content of a report that they have written. However, you must not try and force them to act differently, change their advice, or alter the content of that report, if doing so would prejudice their professional integrity.

4. Confidentiality and access to information

As a Councillor:

- a. I do not disclose information:
 - a. given to me in confidence by anyone
 - b. acquired by me which I believe, or ought reasonably to be aware, is of a confidential nature, unless:
 - i. I have received the consent of a person authorised to give it;
 - ii. I am required by law to do so;
 - iii. the disclosure is made to a third party for the purpose of obtaining professional legal advice provided that the third party agrees not to disclose the information to any other person; or
 - iv. the disclosure is:
 1. reasonable and in the public interest; and
 2. made in good faith and in

compliance with the reasonable requirements of the local authority;
and

3. I have consulted the Monitoring Officer prior to its release.
- b. I do not improperly use knowledge gained solely as a result of my role as a Councillor for the advancement of myself, my friends, my family members, my employer or my business interests.
- c. I do not prevent anyone from getting information that they are entitled to by law.

Local authorities must work openly and transparently, and their proceedings and printed materials are open to the public, except in certain legally defined circumstances. You should work on this basis, but there will be times when it is required by law that discussions, documents and other information relating to or held by the local authority must be treated in a confidential manner. Examples include personal data relating to individuals or information relating to ongoing negotiations.

5. Disrepute as a Councillor:

- a. I do not bring my role or local authority into disrepute.

As a Councillor, you are trusted to make decisions on behalf of your community and your actions and behaviour are subject to greater scrutiny than that of ordinary members of the public. You should be aware that your actions might have an adverse impact on you, other Councillors and/or your local authority and may lower the public's confidence in your or your local authority's ability to discharge your/its functions. For example, behaviour that is considered dishonest and/or deceitful can bring your local authority into disrepute.

You are able to hold the local authority and fellow Councillors to account and are able to constructively challenge and express concern about decisions and processes undertaken by the council whilst continuing to adhere to other aspects of this Code of Conduct.

6. Use of position

As a Councillor:

- a. I do not use, or attempt to use, my position improperly to the advantage or disadvantage of myself or anyone else.

Your position as a member of the local authority provides you with certain opportunities, responsibilities, and privileges, and you make choices all the time that will impact others. However, you should not take advantage of these opportunities to further your own or others' private interests or to disadvantage anyone unfairly.

7. Use of local authority resources and facilities As a Councillor:

- a. I do not misuse council resources.
- b. I will, when using the resources of the local authority or authorising their use by others:
 - i. act in accordance with the local authority's requirements; and
 - ii. ensure that such resources are not used for political purposes unless that use could reasonably be regarded as likely to facilitate, or be conducive to, the discharge of the functions of the local authority or of the office to which I have been elected or appointed.

You may be provided with resources and facilities by the local authority to assist you in carrying out your duties as a Councillor.

Examples include:

- office support
- stationery

- equipment such as phones, and computers
- transport
- access and use of local authority buildings and rooms.

These are given to you to help you carry out your role as a Councillor more effectively and are not to be used for business or personal gain. They should be used in accordance with the purpose for which they have been provided and the local authority's own policies regarding their use.

8. Complying with the Code of Conduct as a Councillor:

- a. I undertake Code of Conduct training provided by my local authority.
- b. I cooperate with any Code of Conduct investigation and/or determination.
- c. I do not intimidate or attempt to intimidate any person who is likely to be involved with the administration of any investigation or proceedings.
- d. I comply with any sanction imposed on me following a finding that I have breached the Code of Conduct.

It is extremely important for you as a Councillor to demonstrate high standards, for you to have your actions open to scrutiny and for you not to undermine public trust in the local authority or its governance. If you do not understand or are concerned about the local authority's processes in handling a complaint you should raise this with your Monitoring Officer.

Protecting your reputation and the reputation of the local authority

9. Interests

As a Councillor:

- a. I register and disclose my interests.

Section 29 of the Localism Act 2011 requires the Monitoring Officer to establish and maintain a register of interests of members of the authority.

You need to register your interests so that the public, local authority employees and fellow Councillors know which of your interests might give rise to a conflict of interest. The register is a public document that can be consulted when (or before) an issue arises. The register also protects you by allowing you to demonstrate openness and a willingness to be held accountable. You are personally responsible for deciding whether or not you should disclose an interest in a meeting, but it can be helpful for you to know early on if others think that a potential conflict might arise. It is also important that the public know about any interest that might have to be disclosed by you or other Councillors when making or taking part in decisions, so that decision making is seen by the public as open and honest. This helps to ensure that public confidence in the integrity of local governance is maintained.

You should note that failure to register or disclose a disclosable pecuniary interest as set out in **Table 1**, is a criminal offence under the Localism Act 2011.

Appendix B sets out the detailed provisions on registering and disclosing interests. If in doubt, you should always seek advice from your Monitoring Officer.

10. Gifts and hospitality

As a Councillor:

- a. I do not accept gifts or hospitality, irrespective of estimated value, which could give rise to real or substantive personal gain or a reasonable suspicion of influence on my part to show favour from persons seeking to acquire, develop or do business with the local authority or from persons who may apply to the local authority for any permission, licence or other significant advantage.
- b. I register with the Monitoring Officer any gift or hospitality with an estimated value of at least £25 within 28 days of its receipt.
- c. I register with the Monitoring Officer any significant gift

or hospitality that I have been offered but have refused to accept. If I decline such a gift or hospitality, I will provide the details to the Monitoring Officer who will maintain an informal register.

In order to protect your position and the reputation of the local authority, you should exercise caution in accepting any gifts or hospitality which are (or which you reasonably believe to be) offered to you because you are a Councillor. The presumption should always be not to accept significant gifts or hospitality.

However, there may be times when such a refusal may be difficult if it is seen as rudeness in which case you could accept it but must ensure it is publicly registered. However, you do not need to register gifts and hospitality which are not related to your role as a Councillor, such as Christmas gifts from your friends and family. It is also important to note that it is appropriate to accept normal expenses and hospitality associated with your duties as a Councillor. If you are unsure, do contact your Monitoring Officer for guidance.

Appendix A – The Seven Principles of Public Life

The principles are:

Selflessness

Holders of public office should act solely in terms of the public interest.

Integrity

Holders of public office must avoid placing themselves under any obligation to people or organisations that might try inappropriately to influence them in their work. They should not act or take decisions in order to gain financial or other material benefits for themselves, their family, or their friends. They must disclose and resolve any interests and relationships.

Objectivity

Holders of public office must act and take decisions impartially, fairly and on merit, using the best evidence and without discrimination or bias.

Accountability

Holders of public office are accountable to the public for their decisions and actions and must submit themselves to the scrutiny necessary to ensure this.

Openness

Holders of public office should act and take decisions in an open and transparent manner. Information should not be withheld from the public unless there are clear and lawful reasons for so doing.

Honesty

Holders of public office should be truthful.

Leadership

Holders of public office should exhibit these principles in their own behaviour. They should actively promote and robustly support the principles and be willing to challenge poor behaviour wherever it occurs.

Appendix B Registering interests

Within 28 days of becoming a member or your re-election or re-appointment to office you must register with the Monitoring Officer the interests which fall within the categories set out in **Table 1 (Disclosable Pecuniary Interests)** which are as described in "The Relevant Authorities (Disclosable Pecuniary Interests) Regulations 2012". You should also register details of your other personal interests which fall within the categories set out in **Table 2 (Other Registerable Interests)**.

"Disclosable Pecuniary Interest" means an interest of yourself, or of your partner if you are aware of your partner's interest, within the descriptions set out in Table 1 below.

"Partner" means a spouse or civil partner, or a person with whom you are living as husband or wife, or a person with whom you are living as if you are civil partners.

1. You must ensure that your register of interests is kept up-to-date and within 28 days of becoming aware of any new interest, or of any change to a registered interest, notify the Monitoring Officer.
2. A 'sensitive interest' is as an interest which, if disclosed, could lead to the Councillor, or a person connected with the Councillor, being subject to violence or intimidation.
3. Where you have a 'sensitive interest' you must notify the Monitoring Officer with the reasons why you believe it is a sensitive interest. If the Monitoring Officer agrees they will withhold the interest from the public register.

Non participation in case of disclosable pecuniary interest

4. Where a matter arises at a meeting which directly relates to one of your Disclosable Pecuniary Interests as set out in **Table 1**, you must disclose the interest, not participate in any discussion or vote on the matter and must not remain in the room unless you have been granted a dispensation. If it is a 'sensitive interest', you do not have to disclose the nature of the interest, just that you have an interest. Dispensation may be granted in limited circumstances, to enable you to participate and vote on a matter in which you have a disclosable pecuniary interest.
5. Where you have a disclosable pecuniary interest on a matter to be considered or is being considered by you as a Cabinet member in exercise of your executive function, you must notify the Monitoring Officer of the interest and must not take any steps or further steps in the matter apart from arranging for someone else to deal with it.

Disclosure of Other Registerable Interests

6. Where a matter arises at a meeting which ***directly relates*** to the financial interest or wellbeing of one of your Other Registerable Interests (as set out in **Table 2**), you must disclose the interest. You may speak on the matter only if members of the public are also allowed to speak at the meeting but otherwise must not take part in any discussion or vote on the matter and must not remain in the room unless you have been granted a dispensation. If it is a 'sensitive interest', you do not have to disclose the nature of the interest.

Disclosure of Non-Registerable Interests

7. Where a matter arises at a meeting which ***directly relates*** to your financial interest or well-being (and is not a Disclosable Pecuniary Interest set out in Table 1) or a financial interest or well-being of a relative or close associate, you must disclose the interest. You may speak

on the matter only if members of the public are also allowed to speak at the meeting. Otherwise you must not take part in any discussion or vote on the matter and must not remain in the room unless you have been granted a dispensation. If it is a 'sensitive interest', you do not have to disclose the nature of the interest.

8. Where a matter arises at a meeting which **affects** –
- a. your own financial interest or well-being;
 - b. a financial interest or well-being of a relative or close associate; or
 - c. a financial interest or wellbeing of a body included under Other Registrable Interests as set out in **Table 2**

you must disclose the interest. In order to determine whether you can remain in the meeting after disclosing your interest the following test should be applied

9. Where a matter (referred to in paragraph 8 above) **affects** the financial interest or well- being:

- a. to a greater extent than it affects the financial interests of the majority of inhabitants of the ward affected by the decision and;
- b. a reasonable member of the public knowing all the facts would believe that it would affect your view of the wider public interest

You may speak on the matter only if members of the public are also allowed to speak at the meeting. Otherwise you must not take part in any discussion or vote on the matter and must not remain in the room unless you have been granted a dispensation.

If it is a 'sensitive interest', you do not have to disclose the nature of the interest.

10. Where you have an Other Registrable Interest or Non-Registrable Interest on a matter to be considered or is being considered by you as a Cabinet member in exercise of your executive function, you must notify the Monitoring Officer of the interest and must not take any steps or further steps in the matter apart from arranging for someone else to deal with it.

Appendix C – the Committee on Standards in Public Life

The LGA has undertaken this review whilst the Government continues to consider the recommendations made by the Committee on Standards in Public Life in their report on [Local Government Ethical Standards](#). If the Government chooses to implement any of the recommendations, this could require a change to this Code.

The recommendations cover:

- Recommendations for changes to the Localism Act 2011 to clarify in law when the Code of Conduct applies
- The introduction of sanctions
- An appeals process through the Local Government Ombudsman
- Changes to the Relevant Authorities (Disclosable Pecuniary Interests) Regulations 2012
- Updates to the Local Government Transparency Code
- Changes to the role and responsibilities of the Independent Person
- That the criminal offences in the Localism Act 2011 relating to Disclosable Pecuniary Interests should be abolished

The Local Government Ethical Standards report also includes Best Practice recommendations.

These are:

Best practice 1: Local authorities should include prohibitions on bullying and harassment in codes of conduct. These should include a definition of bullying and harassment, supplemented with a list of examples of the sort of behaviour covered by such a definition.

Best practice 2: Councils should include provisions in their code of conduct requiring Councillors to comply with any formal standards investigation and prohibiting trivial or malicious allegations by Councillors.

Best practice 3: Principal authorities should review their code of conduct each year and regularly seek, where possible, the views of the public, community organisations and neighbouring authorities.

Best practice 4: An authority's code should be readily accessible to both Councillors and the public, in a prominent position on a council's website and available in council premises.

Best practice 5: Local authorities should update their gifts and hospitality register at least once per quarter, and publish it in an accessible format, such as CSV.

Best practice 6: Councils should publish a clear and straightforward public interest test against which allegations are filtered.

Best practice 7: Local authorities should have access to at least two Independent Persons.

Best practice 8: An Independent Person should be consulted as to whether to undertake a formal investigation on an allegation, and should be given the option to review and comment on allegations which the responsible officer is minded to dismiss as being without merit, vexatious, or trivial.

Best practice 9: Where a local authority makes a decision on an allegation of misconduct following a formal investigation, a decision notice should be published as soon as possible on its website, including a brief statement of facts, the provisions of the code engaged by the allegations, the view of the Independent Person, the reasoning of the decision-maker, and any sanction applied.

Best practice 10: A local authority should have straightforward and accessible guidance on its website on how to make a complaint under the code of conduct, the process for handling complaints, and estimated timescales for investigations and outcomes.

Best practice 11: Formal standards complaints about the conduct of a parish Councillor towards a clerk should be made by the chair or by the parish council, rather than the clerk in all but exceptional circumstances.

Best practice 12: Monitoring Officers' roles should include providing advice, support and management of investigations and adjudications on alleged breaches to parish councils within the remit of the principal authority. They should be provided with adequate training, corporate support and resources to undertake this work.

Best practice 13: A local authority should have procedures in place to address any conflicts of interest when undertaking a standards investigation. Possible steps should include asking the Monitoring Officer from a different authority to undertake the investigation.

Best practice 14: Councils should report on separate bodies they have set up or which they own as part of their annual governance statement and give a full picture of their relationship with those bodies. Separate bodies created by local authorities should abide by the Nolan principle of openness and publish their board agendas and minutes and annual reports in an accessible place.

Best practice 15: Senior officers should meet regularly with political group leaders or group whips to discuss standards issues.

The LGA has committed to reviewing the Code on an annual basis to ensure it is still fit for purpose.

APPENDIX 15 – EMPLOYEE CODE OF CONDUCT

- help all employees to act in a way which upholds the Council's standards and at the same time, protect them from criticism, misunderstanding or complaint; and
- help build trust between the Council and the people who come into contact with those working for it.

SCOPE

2. This Code of Conduct applies to:

- All employees of the Council except teachers and those employed in schools under the control of Governing Bodies.
- Individuals providing services for the Council e.g. contractors, agencies, self-employed, agency workers and those working for the Council / shared services with the Council.

3. A Breach and / or acting in contravention of this Code, may result in disciplinary action being taken. A copy of this Code of Conduct can be found on the intranet or from your manager. All employees will be obliged to undertake and pass the MyLo [online learning] module in respect of the Code of Conduct.

STANDARDS AND ATTITUDE

4. All employees of the Council are expected to deliver services to the best of their abilities to the public, Councillors and fellow employees and, where it is part of their duties, to provide appropriate advice to Councillors and fellow employees with impartiality.
5. Employees should abide by the agreed Values of the Council as well as the expected behaviours as defined in the Behavioural Standards Framework document available on the intranet
6. Your attitude in dealing with people reflects on the Council so it is important that you are helpful, polite and courteous. Our residents and customer's impression of the Council is strongly influenced by the views of the people who work for it. Whether or not you are aware of it, the comments you make will be accepted by others. You therefore, need to consider carefully the effect of what you say.
7. All employees are expected to report to their manager or appropriate senior officer any belief they have that this code or other Council policies and procedures are breached.
8. In all cases, public perceptions are very important and employees should at all times avoid any appearance of improper conduct which may give rise to suspicion.
9. There are a number of principles that exemplify the standards that are required. They are set out below. A number of these aspects are dealt with in more detail within this Code.

THE PRINCIPLES

10. The Code of Conduct embraces the seven principles of public life which were drawn up by the Nolan Committee and are endorsed by Parliament.
11. The key principles are:
 - a) Integrity
We must not place ourselves under any financial or other obligation to any individual or organisation that might reasonably be thought

to influence us in the performance of our duties.

b) Leadership

We have a duty to promote and support the leadership of the Council in order to maintain and strengthen the public's trust and confidence in the integrity of the Council. By doing so we promote public duty to others in the Council and outside, by our own ethical behaviour.

c) Selflessness

We have a duty to make decisions in the public interest and not act in order to gain financial or other benefits for ourselves, our family, friends or business interests. This means making decisions because they benefit the public, not because they benefit the decision maker or someone associated with the decision maker.

d) Impartiality

We should make decisions on merit and in accordance with our statutory obligations when carrying out public business. This includes the making of appointments, awarding of contracts or recommending individuals for rewards or benefits. This means fairness to all, impartial assessment, merit selection in recruitment and in purchase and sale of Council's resources, considering only relevant matters.

e) Accountability

We are accountable to the public for our decisions and actions and should consider issues on their merits, taking into account the views of others. This means recording reasons for decisions, submitting to scrutiny, keeping proper records, establishing audit trails and conducting audits.

f) Openness

We have a duty to be as open as possible about our decisions and actions, giving reasons for decisions and restricting information only when the wider public interest clearly demands. This means recording, giving and revealing reasons for decisions, revealing other avenues available to the client or business, when authorised, offering all information, communicating clearly.

g) Honesty

We have a duty to act honestly. We must declare any private interests relating to our duties and take steps to resolve any conflicts arising in such a way that protects the public interest. This means obeying the law, following the letter and spirit of policies and procedures, observing the Council's Code of Conduct for Employees and exercising any delegated authority strictly for the purpose for which the authority was delegated.

h) Respect

We must treat others with respect at all times. This means not using derogatory terms towards others, observing the rights of other people, treating people with courtesy and recognising the different roles others play in local government decision-making.

CONFIDENTIALITY AND DISCLOSURE OF INFORMATION

12. The Council recognises the importance of an open, transparent culture with clear communication and public accountability. It is the Council's aim to be as open as possible about all its activities. The law requires that certain types of information must be available to Councillors, auditors, government departments, service users and the public. Different rules apply in different situations. The Freedom of Information Act requires for example, disclosure of information in response to written requests in circumstances set out in the Act, and the Data Protection Act requires that the Council complies with statute in relation to the handling and processing of personal data. If you are in any doubt as to whether you can release any particular information, always check with your manager first. Where appropriate you should seek advice from relevant officers including Information Governance Officers and Legal Services.
13. All information received in the course of your duties should be respected and must never be used for personal or political gain. You should not knowingly pass information on to others who might use it in such a way, if you do so, this may result in disciplinary action. If you believe that information should be disclosed in the public interest, you should refer to the Council's Whistleblowing Policy before doing so.

14. You should not communicate confidential information or documents to others who do not have a legitimate right to know. Furthermore, information which is stored whether on computer systems or manually must only be disclosed in accordance with the requirements of the General Data Protection Regulations and related legislation. During the course of duties many staff regularly deal with private and confidential information relating to companies, other organisations and individuals.
15. You must:
 - not supply confidential information to anyone who is not entitled to see it;
 - take appropriate action to protect against accidental disclosure or discovery of information and to ensure that unauthorised people do not gain access to Council information systems;
 - read and follow the Council's Data Protection Policy Statement, Information Governance Policies and Information and the Electronic Communications Policy and any service specific procedures that have been prepared. Deliberate or negligent breaches of confidentiality and the terms of these policies are deemed a serious disciplinary matter.
16. Information you give in the course of your duties should be accurate and fair and never designed to mislead.
17. Any particular information received by an employee from a Councillor which is personal to that Councillor and does not belong to the Council should not be divulged by the employee without the prior approval of that Councillor, except where such disclosure is required or allowed by law.
18. Only employees authorised by their Chief Officer to do so may talk to the Media or otherwise make public statements on behalf of their directorate. An employee contacted by the Media should refer the matter to the Council's Communications Team who will deal with it as appropriate.
19. Reference should also be made to the Council's Social Media Policy. When promoting or commenting on Council business on your personal social media account, think how you present yourself.

Care needs to be taken to ensure that where you reference that you work for the Council or there is a linkage to any council business or council colleagues; personal profiles should be up to date and professional. The line between public and private, personal and professional may be blurred on social media. Whether you identify yourself as a Council employee or not you should take care to ensure that, your posts do not bring the Council into disrepute.

20. Social networking sites are not appropriate forums to express frustrations or concerns related to work or Council services and any such issues should be addressed via the appropriate procedures
21. Employees should make it clear on your personal social media accounts that you are writing in a personal capacity (for example, add a line to your biography stating 'all views are my own') if you are commenting about or a connection to the Council.

WHISTLEBLOWING POLICY

22. Employees are often the first to realise that there may be something seriously wrong within the Council. However, they may not express their concerns because they feel that speaking up would be disloyal to their colleagues or to the Council. They may also fear harassment or victimisation. In these circumstances it may be easier to ignore the concern rather than report what may just be a suspicion of malpractice.
23. The Council is committed to the highest possible standards of openness, probity and accountability. In line with that commitment we expect employees, and others that we deal with, who have serious concerns about any aspect of the Council's work to come forward and voice those concerns. The Council will want to proceed with understanding all serious concerns and recognises that most cases will have to proceed on a confidential basis.
24. In order to ensure that this can happen the Council has developed a Whistleblowing Policy which can be found on the intranet or a copy can be requested from your manager or HR.
25. The Whistleblowing Policy is intended to encourage and enable employees to raise serious concerns within the Council rather than

overlooking a problem or 'blowing the whistle' outside.

26. The policy applies to all employees and those contractors working for the Council on Council premises, for example, agency staff, builders and drivers. It also covers suppliers and those providing services under a contract with the Council in their own premises.
27. The policy is in addition to the Council's complaints procedures and other statutory reporting procedures applying to some departments. You are responsible for making service users aware of the existence of these procedures should they wish to make a complaint regarding a Council service or individual.
28. The policy has been discussed with the relevant trade unions and has their support.

PERSONAL APPEARANCE

29. In your appearance as well as in your behaviour, you should regard yourself as an ambassador for the Council and dress in clothing that is appropriate for your duties. Your Service may have a code of dress where it is important to project a favourable image of the Council and its employees, and you must follow any such code that applies to you. All employees are required to be neat and tidy in appearance. If you have direct contact with customers or members of the public you must be appropriately dressed.
30. Those officers who work online and appear on video conferencing platforms, should ensure that their appearance on camera is appropriate for the audience. Employees should be camera ready representing the Council and respectfully presented to fellow colleagues. If a back drop is applied to video conferencing screens this should be not cause offence to the wider audience.
31. If you are required to wear specific items of clothing, hairstyles or jewellery in accordance with your ethnic background or faith, your needs will be accommodated where possible and practicable, however, this must not pose a hazard to the health and safety of any person or contravene any legitimate or reasonable requirement of the Council.

32. The Council reserves the right to insist that you do not wear particular items of clothing or jewellery which it believes may cause offence to customers, suppliers, or other employees or which may pose a risk to the health and safety of any person.
33. The Council will enforce these rules having regard to the differences for men, women and transgender and non-binary employees.
34. As an employee of the Council you are expected to wear / carry your security ID badge at all times ideally on a lanyard around your neck where this does not pose a health and safety risk. It must always be produced on request.

POLITICAL NEUTRALITY

35. Employees serve the Council as a whole. It follows that you must serve all Councillors equally and respectfully.
36. From time to time, some employees may be requested to advise a meeting of a political group or its senior leadership. You must do so in ways which do not compromise your political neutrality and inform the Director of Governance and Monitoring Officer in advance should you have any concerns.
37. Whether you hold a politically restricted post or not, you must not allow your own personal or political opinions to interfere with your work and you must at all times perform your duties in an objective manner.

RELATIONSHIPS

38. City of York Council is firmly committed to equal opportunities and believes that every employee has the right to work in a safe environment without the fear of discrimination, harassment or abuse. This is reinforced in the Council's Organisational Development Plan. As such, the Council will not tolerate or condone harassment or bullying in any form. The Council has established a Dignity at Work Policy which addresses these issues in more detail. This policy aims to prohibit harassment and bullying within the Council and covers both employees and elected Members. Details of the policy are available on the Council's Intranet.

APPOINTMENT OF STAFF

39. It is unlawful for appointments to be made on the basis of anything other than the ability of the candidate to undertake the duties of the post. If you are involved in making appointments you should do everything possible to ensure that these are made on the basis of merit and in accordance with the Council's Recruitment and Selection Policy and associated guidance documents which can be found on the intranet.
40. In order to avoid any possible accusation of bias, you must not become involved in any appointment or any other decision relating to the discipline, promotion, pay or conditions of another employee, or prospective employee if you are a relative of an applicant, or have a close personal relationship with them, or are a close personal associate of them. You must also not be involved in an appointment where you have the opportunity to benefit, directly or indirectly, from the appointment without the express prior approval of the employing Chief Officer.
41. In paragraph 40 (above) the term 'relative' means a spouse, partner, parent, son, daughter, step-son, stepdaughter, child of a partner, brother, sister grandparent, grandchild, uncle, aunt, nephew, niece and in-laws or the spouse or partner of an existing Councillor and / or senior employee of City of York Council.
42. In paragraph 40 (above) the term a 'close personal relationship' can be described as someone who is well known to you and for whom you have feelings of liking, affection and loyalty. It is a closer relationship than simply being an acquaintance. For example, if you are both member of the same charity, club or association, this is not likely, on its own, to mean that you have a close personal relationship.
43. In paragraph 40 (above) the term 'close personal associate' would include a person not employed by the Council with whom you have a close business connection.
44. In paragraph 41 (above) the term 'partner' means a member of a

couple who live together.

45. Chief Officers (which term comprises any Director, including the Corporate Director, Assistant Director) and Heads of Service must disclose to the Head of Human Resources any relationship known to exist between them and any person they know as a candidate for an appointment with the Council.
46. Ideally, people who already have a close personal relationship should not seek employment in the same work group. Senior employees have a particular responsibility to ensure that there can be no question of favouritism or bias in the appointment or treatment of any person with whom they have a close personal relationship outside their particular work group. The higher the person is in the management structure, the greater the likelihood of there being an adverse effect on normal working relationships if people with close personal relationships are employed in the organisation.

RELATIONSHIPS AT WORK

47. If a social relationship develops into a close personal relationship, this can often interfere with the normal working relationships within the work group and can cause others to doubt that they will be treated fairly.
48. If a person with whom you have a close personal relationship is employed by the Council, you should take special care to conduct yourself in such a manner that the relationship does not interfere with service delivery or normal working relationships and does not cause others to doubt that they will be treated fairly. If it does, then you may not be able to do the job for which you are employed. Appropriate action may be taken in such circumstances.
49. Those involved in a close personal relationship with a work colleague which has broken down must ensure that they do not involve others in their private affairs within the workplace. Relationships and/or their breakdown must not interfere with working arrangements and employees must ensure that work is not affected. Unless there is a genuine work related issue the Council will not allow its policies and procedures to be used by employees whose private relationship with each other has broken down.

COUNCILLORS

50. Mutual respect between employees and Councillors is essential for good local government. Some employees need to work closely with Councillors. Close personal familiarity between employees and individual Councillors can damage the relationship and prove embarrassing to other employees and Councillors, and should therefore, be avoided.

THE LOCAL COMMUNITY AND SERVICE USERS

51. Employees should always remember their responsibilities to the community they serve and ensure courteous, efficient and impartial service delivery to all groups and individuals within that community in accordance with the policies of the authority. This may involve dealing with troubled, angry and frustrated customers, although employees are entitled, not to be expected to place their personal health, safety and welfare at risk.

CONTRACTORS

52. All relationships of a business or personal nature with external contractors or suppliers, or potential contractors or suppliers, must be declared to your Head of Service, the Monitoring Officer and the Chief Financial Officer at the earliest opportunity. In this case a relationship would extend to where the employee will have a direct or indirect benefit of the appointment of a contractor or supplier.
53. Orders and contracts must be awarded in accordance with the Contracts Procedure Rules and no special favour should be shown to businesses run by parties identified in paragraph 40, whether these are friends or someone the employee has a close personal relationship with.
54. If your job entails engaging or supervising internal or external contractors, or having any other official relationship with contractors and you have previously had or currently have a business or personal relationship in a private or domestic capacity with any contractors, you should declare that relationship to your Head of Service and make the Monitoring Officer and the Chief Finance Officer aware of this as well.

55. You must not use, in a private or domestic capacity, any contractor with whom you have had or are having an official working relationship with, without first obtaining the permission of the Chief Officer, the Monitoring Officer and the Chief Finance Officer.

EMPLOYMENT MATTERS

56. If you apply for promotion or are seeking another post in the Council, you must not approach any City of York Councillor for a reference. Issues relating to your conditions of service, working arrangements or grading should be raised with your manager, supervisor and the Head of Human Resources - and not with Councillors.
57. You must not be involved in or attempt to influence any decision relating to discipline, promotion or pay adjustments for any other employee who is detailed in paragraph 40.
58. The information contained in Disclosure and Barring Service disclosures is considered highly confidential and the Council will restrict access to those who are entitled to see it as part of their duties in line with its DBS guidance.

OUTSIDE COMMITMENTS

59. The Council recognises that employees are entitled to their private lives. In general, an employee's choices and action outside of work are not the Council's concern. However, in order to protect both the employee and the Council there are exceptions to this, these are outlined below.

CONDUCT

60. Where in or outside work, employees must not conduct themselves in any way that creates doubt as to their suitability for their post or brings the Council into disrepute. Where conduct, whether inside or outside or work does create doubt as to an employee's suitability for their post or brings the Council into disrepute, this will be dealt with accordingly under the Council's Disciplinary Policy.

ADDITIONAL WORK

61. Employees may be able to take on outside employment/work/business responsibilities in addition to their existing contact of employment, providing it does not conflict with the performance of their duties in the role for which they are employed.
62. Additional work includes:
 - (a) paid employment,
 - (b) self-employment,
 - (c) being a named partner in a business or a sole-trader
 - (d) being named as an Officer of a company (e.g. Director or Secretary)
 - (e) voluntary work involving driving duties if you are employed by the Council as an LGV/PSV driver (because of driving hour regulations)
63. In order to assess whether or not there might be a conflict, employees are required to obtain the consent of their Chief Officer before taking on any outside employment/duties. If you fall into this category, and want to seek the Council's agreement, you should complete Declaration of Interests and submit it to your Chief Officer. The Council will not unreasonably stop employees from undertaking additional employment/duties/work, but this employment must not, in the Council's view, conflict with or be detrimental to its interests, or weaken public confidence in the conduct of its business.
64. Should you fail to complete and declare additional work and complete the Declarations of Interest form, you may be referred for action under the Council's Disciplinary Policy.
65. Touting for or on behalf of any secondary employment in working hours is an improper use of the Council's time and will be dealt with accordingly.
66. An employee who wishes to take on additional work/duties must ensure that:
 - (a) the additional hours worked do not contravene the Working Time Regulations or otherwise give the Council cause for concern about health and safety at work;

- (b) the outside work does not place the employee in a position where their duties and private interests conflict;
- (c) the outside work does not damage, or potentially damage, public confidence in the Council's conduct or business;
- (d) the outside work does not involve the employee being in direct competition with the Council for work/contracts;
- (e) any potential employer is aware of your employment with the Council;
- (f) you do not wear Council uniform whilst undertaking the additional work/duties;
- (g) you do not use Council property when undertaking the additional work/duties (e.g. Council owned computers, vans, tools, photocopiers);
- (h) you do not use the Council's email system when undertaking the additional work/duties in line with the Electronic Communication Policy
- (i) you do not undertake private or personal work, paid or unpaid, of any description in working hours or in the office.

VOLUNTARY WORK

67. The Council recognises the invaluable and positive role that volunteers play in supporting our services and communities and therefore, promotes the work volunteers do. Generally permission to volunteer is not required, unless you are seeking paid time off for voluntary work in line with the Employer Supported Volunteering Scheme (further details of this scheme is available from your manager and the intranet)
68. If you are employed by the Council as an LGV/PSV driver, because of driving hour regulations, you must seek permission to do voluntary work which involves driving duties by complete and submitting the Declaration of Interests form to your Chief Officer.

REFUSAL OF A REQUEST TO TAKE ON ADDITIONAL WORK

69. If an employee has their request to take on additional work refused and wishes to challenge this, they should initially speak to their manager, or raise with your Head of Service. If you remain dissatisfied consider raising a grievance under the Council's grievance procedure.

BOOKS, TRAINING MATERIALS AND INTELLECTUAL PROPERTY RIGHTS

70. If you write a book for payment on subjects relating to your work for the Council you must seek the permission of the Council through your Chief Officer using Declaration of Interests form.
71. Fees for giving lectures or writing articles/books may only be retained by employees where these activities are not integral to their employment or position with the Council and they are conducted in the employee's own time.
72. The Council retains intellectual property rights for work undertaken by employees. The Council will not authorise intellectual property rights to be used by any employee in a private capacity. Research, reports, designs, drawings, software and other developments or similar work, when created in the course of an employee's normal duties, remain the property of the Council. These should not be removed from Council premises or passed on to third parties by any employee acting in a private capacity.

PATENTS AND INVENTIONS

73. Any matter, or thing capable of being patented under the Patents Act 1977, made developed or discovered by an employee, either alone or with others, whilst in the performance of their duties should be disclosed to the Council through the appropriate Chief Officer and, subject to the provisions of the Patents Act, it will belong to and be the absolute property of the Council.

COMPUTER USE

74. The council wants employees to use computers to the full and to feel

competent and comfortable about doing so. However, it is essential that computers are used appropriately. Any reference to computers should be taken to mean all computer equipment and any associated technology (e.g. emails).

MISUSE OF COMPUTERS AND OTHER TECHNOLOGY

75. The misuse of computers is a serious matter and may result in employees being subject to disciplinary and, where appropriate, legal action.
76. A number of guidance documents exist in relation to the use of the Council's computers and information technology. These include the Electronic Communications Policy and associated guidance documents and the Social Media Policy. Employees must be familiar with, and abide by the Council's Policies on computer use.
77. Private use of Council facilities, such as computers (including use of the Internet) and stationery, is governed by these documents. Personal use of the office telephone is permitted within reason. Employees must not arrange to receive or have collected correspondence from CYC premises and sites (this includes parcels) related to outside work or private interests. Misuse of Council facilities such as mobile phones, office telephones and photocopiers may result in disciplinary action being taken.
78. An employee who is aware or suspects that abuse of computers, email, the internet, the intranet or other technology is taking place is under a duty to report this immediately under the Council's Whistleblowing Policy.
79. The Council will monitor the use of computers etc. without notice. A record of any sites accessed by staff is automatically stored on the system and may be examined later if misuse is suspected.

INTERNET AND SOCIAL NETWORKING

80. Internet access for personal use should be in line with the Council's policy on Electronic Communications Policy and must not affect an employee's performance and productivity at work.

PERSONAL INTERESTS

81. Employees may have a variety of personal interests, which may from time to time impact on their role for the Council. To protect the Council and the employee from any accusations of wrong doing the Council has in place a number of safeguards which demonstrate that these interest are not allowed to influence the way the Council conducts its business.
82. If you are a Chief Officer, then you must complete a Register of interests. The purpose of this register is to ensure that those who have responsibility for taking the majority of delegated decisions of the authority are required to meet similar standards required of elected members in relation to the registration and declaration of interests.
83. The Registration of Interest for Chief Officers will be published online and publically available.
84. The information may also need to be disclosed to those involved in hearing any disciplinary matter or in accordance with the Council's other legal obligations to disclose information to the external auditors, the Local Government and Social Care Ombudsman or in the course of court proceedings.
85. The form and guidance for completion is available in the Declaration of Interests Form.
86. All employees are required to declare interests that may conflict with the interest of the Council, or adversely affect the performance of their duties. Such disclosure protects employees from accusations of impropriety. Any Declarations of interest, that are financial or non-financial which could bring about conflict with the Council's interests must be made on the Declaration of Interests form.
87. If you are in any doubt about a potential conflict of interest, you should bring the matter to the attention of your manager so that a decision can be made as to how best to proceed.
88. You must not make, or become involved with, any official, professional, decisions about matters in which you have a personal

interest.

INTEREST IN CONTRACTS

89. Section 117 of the Local Government Act 1972 requires you to make a formal declaration about contracts or proposed contracts with the Council in which you have a pecuniary interest. Such declarations should be made on the Declaration of Interests form. It is a criminal offence to fail to comply with this provision, which is set out in full at Annex A to this Code. Pecuniary interests are considered at Section 95 of the Local Government Act 1972, See Annex B to this Code.

GIFTS AND HOSPITALITY

90. A potential source of conflict between public and private interests is the offer of gifts, hospitality or benefits in kind to employees in connection with their official duties. It is important to avoid any suggestion of improper influence.

GIFTS GENERALLY

91. Casual gifts offered to employees by contractors, organisations, firms or individuals such as calendars, diaries, mouse mats, pens, and other small gifts need not be declared. However it will not be appropriate to accept a gift if it is more than minimal and may be perceived as an inducement. Where a number of small gifts over a period of time are received these should be declared.
92. With the exceptions listed below, you should decline any personal gift offered to you, or to a member of your family, by any person or organisation you have dealings with through the Council.
93. Any such offer should be reported to your Manager and should be recorded in a register, which is kept for this purpose. Managers should report any such offer via email to the Corporate Director's Executive Support Assistant for the place and People's Directorate and the Corporate Support Manager for the Corporate Functions, who will record it in the register. The Corporate Director will then review and authorise accordingly.
94. When a gift needs to be refused, this should be done with tact and

courtesy, because the offer of gifts is common custom and practice in the commercial world, particularly at Christmas time. If the gift is simply delivered to your place of work, there may be a problem returning it, in which case it should be reported immediately to your Manager, who in turn will inform the Director of Governance and Monitoring Officer.

GIFTS FROM SERVICE USERS AND CLIENTS

95. There are sometimes problems encountered by employees who have a 'caring' role, or provide direct personal service to vulnerable people.
96. It is not unusual for residents of residential care homes, or for people receiving support at home from Council employees, or their relatives, to wish to express their thanks and gratitude to care staff by offering gifts, money or even, exceptionally, by making an employee a beneficiary in their will.
97. It is most important in such situations that employees are protected from any suggestion of improper motives or conduct. This is, however, an area which needs to be handled with great tact and sensitivity if needless offence to the individual making the offer is to be avoided, with a proper explanation given as to the reason why. Where it has not been possible to return a gift, this must be reported to your manager who will give you further guidance.
98. If you are aware that you have been or may be made a beneficiary of an individual's will, you should immediately report this to your manager. A manager will then visit the client to discuss the proposed bequest. The manager will seek to deter the individual from making the bequest, and ensure that if a bequest is given that it represents the genuine wishes of the individual who has not been subject of any improper influence. Following the visit, the manager will notify the Director of Governance who will discuss the matter with you and determine what action to take.
99. In some cases an employee might not know that he or she is a beneficiary until after the death of the client concerned. As soon as an employee is made aware of such a bequest, he or she should notify their Chief Officer who will advise as to whether the gift should be

accepted.

HOSPITALITY

100. Offers of hospitality are a normal part of the courtesies of business life but in the public sector it is important for employees to avoid creating an appearance of improper influence, thus undermining public confidence. You should only accept offers of hospitality if there is a genuine need to impart information or represent the Council in the community. Offers to attend purely social or sporting functions should be accepted only when these are part of the life of the community and where the Council should be seen to be represented. In all such cases they should be properly authorised by your Corporate Director
101. Hospitality is sometimes offered to representatives of the Council in an official or formal capacity.
102. If hospitality is offered to you as an individual employee, special caution is needed, particularly when the host is seeking to do business with the Council or to obtain a decision from it. You must exercise the utmost care in dealing with contractors, developers etc. who may stand to benefit from the goodwill of the Council. If you decide to accept hospitality it should be on the basis that there will be a clear benefit to the Council through e.g. networking and building contacts, if there is no or limited benefit to the Council you should not attend. You should resist additional gifts associated with an event such as free travel, or gift bags and items.
103. You should also be careful about attending exhibitions, seminars or visiting manufacturers etc. There is an increasing trend towards linking such visits to, for example, a major sporting event, show or concert with a view to legitimising offers of hospitality. Training events with very low training content and free catering, drink or transport may also be hospitality.
104. In general terms, it is more likely to be acceptable for you to join in hospitality offered to a group, than to accept something unique to yourself. When a particular person or body has a matter currently in issue with the Council, for example, an arbitration arising from a contract, then clearly common sense dictates that offers of hospitality should be refused even if in normal times they would be acceptable.

SPONSORSHIP – GIVING AND RECEIVING

105. When an outside organisation wishes to sponsor or is seeking to sponsor a Council activity, whether by invitation, tender, negotiation or voluntarily, the basic conventions concerning acceptance of gifts or hospitality apply. Particular care must be taken when dealing with contractors or potential contractors.
106. Where the Council wishes to sponsor an event or services, neither an employee nor any partner, spouse or relative must benefit from such sponsorship in a direct way without there being full prior disclosure to their Chief Officer of any such interest. Similarly, where the Council through sponsorship, grant aid, financial or other means, gives support in the community, employees should ensure that impartial advice is given and that there is no conflict of interest involved.
107. Employees should take advice from the Director of Governance on the possible legal or procurement issues which may be associated with securing sponsorship.

CRIMINAL CONVICTIONS/LOSS OF LICENCE OR QUALIFICATION

108. You must inform your manager immediately if you:
- (a) receive any criminal conviction, caution, or are held or released subject to bail, or placed under bond during, either within or outside of your normal working hours;
 - (b) receive any driving convictions that result in the loss of your driving licence which then impacts on your ability to perform your duties at work, receive any penalty points on their driving licence, are involved in a road traffic accident (however minor) whilst driving at work, or if driving on Council business is part of your job role;
 - (c) have engaged in behaviour that has resulted in loss of licence, affiliation, accreditation, qualification or professional membership that may impact on your ability to carry out the

duties of your contracted role.

- (d) Are impacted by a health condition that may affect your driving including the taking of any prescription medicines or self-prescribed medication that impact on your driving capacity or ability

If you are unsure about whether your post requires a DBS check, please seek clarification from your manager. All information you provide in this regard will be dealt with in strict confidence.

PLANNING MATTERS

110. All Officers submitting a planning application to the authority must inform the Director of Governance and the Director for Environment, Transport and Planning. The Director of Governance will maintain a register of all such applications. The Director for Environment, Transport and Planning shall ensure that these are dealt with without influence and where necessary decisions are referred to the Planning Applications Committee.

111. Further details about the conduct of planning matters are set out in Article 13 and Appendix 17 of the Constitution.

EQUALITY

112. The Council is committed to tackling discrimination in how it treats its employees and how it delivers services, and also to actively promoting and championing equality in the community. All members of the local community, customers and other Council employees have a right to be treated with fairness and equity. You should become familiar with and observe all Council policies relating to equality issues in addition to the requirements of the law under the Equality Act 2010 and the Public Sector Equality Duty.

113. If you feel that you have been unfairly treated, discriminated against or harassed, you are entitled to make use of the Council's Dignity at Work Policy. You are also entitled to be treated with respect by

clients, service users and members of the public, and be supported with this by the Council.

114. In the same way you are required to treat your colleagues, staff and members of the public fairly and with respect.

TENDER PROCEDURES

115. Employees involved in the tendering process and dealing with contractors should be clear about the nature of the separation of client and contractor roles within the Authority. Employees who have both a client and contractor responsibility must be aware of the need for accountability and openness. The relevant statutory rules appear in Annex A and B of this Code.

116. If you are part of a contractor or client unit or have other official relationships with contractors, you must exercise fairness and impartiality when dealing with all customers, other contractors and sub-contractors.

117. If you are responsible for engaging or supervising contractors and have previously had, or currently have, a relationship in a private or domestic capacity with a particular contractor, you must declare that relationship to your Chief Officer using the Declaration of Interests form.

118. If you become privy to confidential information on tenders or costs relating either to internal or external contractors, you must not disclose that information to any unauthorised person or organisation.

119. All employees must ensure that no special favour is shown to current, or recent, former employees or their partners, close relatives or associates in awarding contracts to businesses run by them or employing them in any capacity.

CORRUPTION

120. The Council takes a very firm stance against all forms of bribery and corruption which includes money laundering, misconduct in a public office, theft and more. All employees have a responsibility to help prevent, detect and report incidents of bribery and money laundering

and any concerns should be raised with a Corporate Directors and the Director of Governance and has adopted an Anti-Bribery Policy and Procedures which can be found on the intranet or a copy can be requested from HR.

121. Employees must be aware that bribing another person or receiving a bribe are serious criminal offences under the Bribery Act 2010. Penalties include fines and or imprisonment for up to 10 years
122. The offence of 'bribing another person' will be committed if you offer, promise or give financial or other advantage to another person with the aim of inducing or rewarding them perform an activity or function improperly. The activity or function could relate to an external business or commercial activity or any public function (for instance done in house or by another public sector body).
123. The offence of 'being bribed' will be committed if you request or agree to receive or accept any financial or other advantage in return for improperly performing or allowing the improper performance of an activity or function. The activity or function could be any public function or something you do during the course of your employment
124. Further details of the Bribery Act offences are set out in the Anti-Bribery Policy and Procedures.
125. For your own protection, if anyone makes an approach to you which seems to you, or might seem to a third party, to be aimed at obtaining some form of preferential treatment, or in any suspicious circumstances in connection with a contract, you must report the matter to your Chief Officer.

FINANCIAL PROCEDURE RULES

126. All employees involved in financial activities and transactions on behalf of the Council, including budgetary control, payments of accounts, payments of salaries and wages, petty cash and orders of works, goods or services must follow the Council's Financial Procedure Rules. These can be found in the Council's Constitution at Appendix 10 which is available on the Council's web pages.
127. They must ensure that they use public funds entrusted to them in a

responsible and lawful manner. They should strive to ensure value for money to the local community and to avoid legal challenge to the Authority.

1. Introduction

- 1.1 The purpose of this protocol is to guide members and officers of the Council in their relations with one another. The protocol's intention is to build and maintain good working relationships between members and officers as they work together. Employees who are required to give advice to members are referred to as "officers" throughout.
- 1.2 A strong, constructive, and trusting relationship between members and officers is essential to the effective and efficient working of the Council.
- 1.3 This protocol also seeks to reflect the principles underlying the respective codes of conduct which apply to members and officers. The shared object of these codes is to enhance and maintain the integrity (real and perceived) of local government and they therefore demand very high standards of personal conduct.
- 1.4 The following extract from the Local Government Association

guidance on the 2020 Model Councillor Code of Conduct states that:

“Both councillors and officers are servants of the public and are indispensable to one another. Together, they bring the critical skills, experience and knowledge required to manage an effective local authority.

At the heart of this relationship, is the importance of mutual respect. Councillor-officer relationships should be conducted in a positive and constructive way. Therefore, it is important that any dealings between councillors and officers should observe reasonable standards of courtesy, should show mutual appreciation of the importance of their respective roles and that neither party should seek to take unfair advantage of their position or seek to exert undue influence on the other party.

Councillors provide a democratic mandate to the local authority and are responsible to the electorate whom they represent. They set their local authority’s policy framework, ensure that services and policies are delivered and scrutinise local authority services.

Councillors of the executive, chairs and vice chairs of committees have additional responsibilities. These responsibilities will result in increased expectations and relationships with officers that are more complex. Such councillors must still respect the impartiality of officers and must not ask them to undertake work of a party-political nature or compromise their position with other councillors or other officers.

Officers provide the professional advice and managerial expertise and information needed for decision making by councillors and to deliver the policy framework agreed by councillors. They are responsible for implementing decisions of councillors and the day-to-day administration of the local authority.

The roles are very different but need to work in a complementary way.

It is important for both sides to respect these differences and ensure that they work in harmony. Getting that relationship right is an important skill. That is why the code requires councillors to respect an officer's impartiality and professional expertise. In turn officers should respect a councillor's democratic mandate as the people accountable to the public for the work of the local authority. It is also important for a local authority to have a councillor-officer protocol which sets out how this relationship works and what both councillors and officers can expect in terms of mutual respect and good working relationships."

- 1.5 The provisions of this protocol are designed to complement the codes of conduct and will be interpreted having regard to the requirements of the Member Code of Conduct, the Officers' Code of Conduct, the Council's Whistleblowing Protocol and the Council's policies, procedures and processes.

2. Members

- 2.1 Mutual respect between members and officers is essential to good Local Government. Overly close personal familiarity between individual members and officers can damage this relationship and prove embarrassing to other members and officers.
- 2.2 It is important that any dealings between members and officers should observe reasonable standards of courtesy and that neither party should seek to take unfair advantage of their position.
- 2.3 In line with the Member Code of Conduct, as set out in Appendix 14 of this Constitution, a member must treat others with respect, must not bully or harass people and must not do anything which compromises, or is likely to compromise, the impartiality of those who work for, or on behalf of, the Council.
- 2.4 Officers can expect members:
- to give political leadership and direction and to seek to further their agreed policies and objectives with the understanding that members have the right to take the final decision on issues based on advice
 - to act within the policies, practices, processes and

conventions established by the Council

- to work constructively in partnership with officers acknowledging their separate and distinct roles and responsibilities
- to understand and support the respective roles and responsibilities of Officers and their associated workloads, pressures and reporting lines
- to treat them fairly and with respect, dignity and courtesy
- to act with integrity, to give support and to respect appropriate confidentiality
- to recognise that officers work to the instructions of their senior officers and not to individual members or political groups
- not to subject them to intimidation, harassment, or put them under undue pressure. Members will have regard to the seniority of officers in determining what are reasonable requests, having regard to the relationship between the member and officer, and the potential vulnerability of officers, particularly at junior levels
- not to request them to exercise discretion which involves acting outside the Council's policies and procedures
- not to authorise, initiate, or certify any financial transactions or to enter into any contract, agreement or undertaking on behalf of the Council or in their role as a member without proper and lawful authority
- not to use their position or relationship with officers to advance their personal interest or those of others or to influence decisions improperly
- to comply at all times with the Member Code of Conduct, the law, the Constitution and such other policies, procedures, protocols and conventions agreed by the Council.

2.5 It is important that members of the Council:

- respect the impartiality of officers and do not undermine their role in carrying out their duties
- do not ask officers to undertake work, or act in a way, which seeks to support or benefit a particular political party or gives rise to an officer being criticised for operating in a party-political manner

- do not ask officers to exceed their authority where that authority is given to them in law, by the Council or by their managers.

2.6 The Head of Paid Service, the Monitoring Officer and the Chief Finance (Section 151) Officer and other statutory officers have specific responsibilities placed on them by law. These responsibilities go beyond their obligations as employees of the Council. Where an officer is discharging their responsibilities under any statutory office a member or members shall not:

- improperly interfere with or obstruct the officer in exercising those responsibilities
- victimise any officer who is discharging or has discharged their responsibilities of the statutory office

3. Officers

3.1 The primary role of officers is to advise, inform and support all members and to implement the lawfully agreed policies of the Council.

3.2 Officers are responsible for day-to-day managerial and operational decisions within the Council. Members should avoid inappropriate involvement in such matters.

3.3 In performing their role officers will act professionally, impartially and with political neutrality. Whilst officers will respect a member's view on an issue, the officer should not be influenced or pressured to make comments, or recommendations which are contrary to their professional judgement or views.

3.4 Officers must:

- implement decisions of the Council and its subordinate bodies which are lawful, which have been properly approved in accordance with the requirements of the law and the Council's Constitution and are duly recorded.
- work in partnership with members in an impartial and professional manner
- treat members fairly and with respect, dignity and courtesy
- assist and advise all parts of the Council. Officers must

always act to the best of their abilities in the best interests of the authority as expressed in the Council's formal decisions.

- respond to enquiries and complaints in accordance with the Council's standards protocol
- be alert to issues which are, or are likely to be, contentious or politically sensitive, and be aware of the implications for members, the media or other sections of the public.
- act with honesty, respect, dignity and courtesy at all times
- provide support and learning and development opportunities for members to help them in performing their various roles
- not seek to use their relationship with members to advance their personal interests or to influence decisions improperly
- comply, at all times, with the Employee Code of Conduct at Appendix 15 of this constitution, and such other policies or procedures approved by the Council
- Officers have the right not to support members in any role other than that of member, and not to engage in actions incompatible with this protocol. In particular, there is a statutory limitation on officers' involvement in political activities.

4. The relationship: general

- 4.1 Members and officers are indispensable to one another. However, their responsibilities are distinct. Members are accountable to the public, whereas officers are accountable to the Council as a whole.
- 4.2 At the heart of the codes, and this protocol, is the importance of mutual respect and also of civility. Member/officer relationships are to be conducted in a positive and constructive way. Therefore, it is important that any dealings between members and officers should observe standards of courtesy and that neither party should seek to take unfair advantage of their position nor seek to exert undue influence on the other party.
- 4.3 Councillors should not raise matters relating to the conduct or capability of an officer, or of officers collectively, in a manner that is incompatible with this protocol at meetings held in public. This is a long-standing tradition in public service. An officer has no means of responding to criticisms like this in public.

- 4.4 A member who is unhappy about the actions taken by, or conduct of, an officer should:
- avoid personal attacks on, or abuse of, the officer at all times
 - ensure that any criticism is well founded and constructive
 - ensure that any criticism is made in private
 - take up the concern with the Chief Operating Officer or appropriate Chief Officer
- 4.5 Neither should an officer raise with a councillor matters relating to the conduct or capability of another officer or to the internal management of the section or directorate in a manner that is incompatible with the objectives of this protocol.
- 4.6 Potential breaches of this protocol are considered at paragraph 13 below.

5. Officer advice to party groups

- 5.1 There is statutory recognition for party groups and it is common practice for such groups to give preliminary consideration to matters of Council business in advance of such matters being considered by the relevant Council decision making body. Officers may properly be called upon to support and contribute to such deliberations by party groups.
- 5.2 The support provided by officers can take many forms, ranging from a briefing meeting with a member of the Executive or shadow Executive or chair or spokesperson prior to a committee meeting to a presentation to a full party group meeting. Whilst in practice such officer support is likely to be in most demand from whichever party group is for the time being in control of the Council, such support is available to all party groups.
- 5.3 Any requests for advice or attendance are to be directed through the group leaders, executive members (or their shadows) or chairs/spokespersons for the relevant committee. The request shall be made to the relevant chief officer or, in their absence, to their deputy or the next appropriate lower tier officer. An officer

accepting an invitation to one political group or individual will not decline an invitation to advise another political group or individual on the same subject, although the officer is not obliged to offer to advise another political group on the same subject.

5.4 Certain points must however be clearly understood by all those participating in this type of process, members and officers alike. In particular:

- (i) Officer support in these circumstances must not extend beyond providing information and advice in relation to matters of Council business. Officers must not be involved in advising on matters of party business. The observance of this distinction will be assisted if officers are not expected to be present at meetings, or parts of meetings, when matters of party business are to be discussed;
- (ii) Party group meetings, whilst they form part of the preliminaries to Council decision making, are not empowered to make decisions on behalf of the Council. Conclusions reached at such meetings do not therefore rank as Council decisions and it is essential that they are not interpreted or acted upon as such, particularly having regard to the risk of challenge on the grounds of pre-determination;
- (iii) The presence of an officer confers no formal status on such meetings in terms of Council business and must not be interpreted as doing so;
- (iv) Similarly, where officers provide information and advice to a party group meeting in relation to a matter of Council business, this cannot act as a substitute for providing all necessary information and advice to the relevant Council meeting, committee or sub- committee when the matter in question is considered.

5.5 In relation to budget proposals;

- (a) The administration shall be entitled to confidential discussions with officers regarding options and proposals. These will remain confidential until determined by the Administration or until published in advance of the Executive /Council meetings, whichever is the earlier;
- (b) The opposition groups shall be entitled to confidential discussions with officers to enable them to formulate

alternative budget proposals. These will remain confidential until determined by the respective opposition groups or until published in advance of Executive/Council meetings, whichever is the earlier.

- 5.6 Special care needs to be exercised whenever officers are involved in providing information and advice to a party group meeting which includes persons who are not members of the Council. Such persons will not be bound by the Council's codes of conduct (in particular, the provisions concerning the declaration of interests and confidentiality) and for this and other reasons, officers will only attend in these circumstances where the request has been made to, and agreed by, a chief officer. It must then be understood that officers may not be able to provide the same level of information and advice as they would to a 'members only' meeting.
- 5.7 Officers must respect the confidentiality of any party group discussions at which they are present in the sense that they should not relay the content of any such discussion to another party group, unless agreed otherwise.
- 5.8 Any particular cases of difficulty or uncertainty in this area of officer advice to party groups should be raised with the Chief Operating Officer who will discuss them with the relevant group leader(s).

6. Support services to members and party groups

- 6.1 The only basis on which the Council can lawfully provide support services (e.g. stationery, typing, printing, photocopying, transport, etc.) to members is to assist them in discharging their role as members of the Council. Such support services must therefore only be used on Council business. They should never be used in connection with party political or campaigning activity or for private purposes. Further advice for Members can be found in the Appendix 7 of this constitution.

7. Members' access to information and to Council documents (see Appendix 7 of this constitution)

- 7.1 Members are free to approach any Council directorate to provide

them with such information, explanation and advice (about the directorate's functions) as they may reasonably need in order to assist them in discharging their role as members of the Council. This can range from a request for general information about some aspect of a directorate's activities to a request for specific information on behalf of a constituent. Such approaches should normally be directed to the Chief Officer concerned.

- 7.2 As regards the legal rights of members to inspect Council documents, these are covered partly by statute and partly by the common law.
- 7.3 Members have a statutory right to inspect any Council document *which contains material relating to any business which is to be transacted at a Council, Committee or Sub-Committee meeting*. This right applies irrespective of whether the member is a member of the committee or sub-committee concerned and extends not only to reports which are to be submitted to the meeting, but also to any relevant background papers. This right does not, however, apply to documents relating to certain items which may appear in Part II (exempt) of the agenda for meetings. Further details are contained in the Access to Information Procedure Rules at Appendix 7 of this Constitution. Examples are documents that contain exempt information relating to employees, occupiers of Council property, applicants for grants and other services, contract and industrial relations negotiations, advice from Counsel and criminal investigations.
- 7.4 The common law right of members is much broader and is based on the principle that any member has a prima facie right to inspect Council documents *so far as their access to the documents is reasonably necessary to enable the member properly to perform their duties as a member of the Council*. This principle is commonly referred to as the "need to know" principle.
- 7.5 The exercise of this common law right depends therefore upon the member's ability to demonstrate that they have the necessary "need to know". In this respect a member has no right to "a roving commission" to go and examine documents of the Council. Mere curiosity is not sufficient. The crucial question is the determination

of the “need to know”. This question must be determined by the particular Chief Officer who holds the document in question (with advice from the Monitoring Officer).

- 7.6 In some circumstances (e.g. a committee member wishing to inspect documents relating to the functions of that committee) a member’s “need to know” will normally be presumed. In other circumstances (e.g. a member wishing to inspect documents which contain personal information about third parties) a member will normally be expected to justify the request in specific terms.
- 7.7 Whilst the term “Council document” is very broad and includes, for example, any document produced with Council resources, it is accepted by convention that a member of one party group will not have a “need to know”, and therefore a right to inspect, a document which forms part of the internal workings of another party group.
- 7.8 Further and more detailed advice regarding members’ rights to inspect Council documents may be obtained from the Monitoring Officer.
- 7.9 Finally, any Council information provided to a member must only be used by the member for the purpose for which it was provided i.e. in connection with the proper performance of the member’s duties as a member of the Council.
- 7.10 For completeness, members do, of course, have the same right as any other member of the public to make requests for information under the Freedom of Information Act 2000.

8. Officer–executive member/chair relationships

- 8.1 It is clearly important that there should be a close working relationship between the relevant executive member or chair of a committee and the chief officers who support that portfolio or committee. However, such relationships should never be allowed to become so close, or appear to be so close, as to bring into question the officers’ ability to deal impartially with other members and other party groups.

- 8.2 Whilst the executive member or chair and or vice chair of a committee (or sub-committee) will routinely be consulted as part of the process of drawing up the agenda for a forthcoming meeting, it must be recognised that in some situations an officer will be under a duty to submit a report on a particular matter. Similarly, an officer will always be fully responsible for the contents of any report submitted in their name. Any issues arising between a chair and or vice chair or executive member and an officer in this area should be referred to the Head of Paid Service for resolution.
- 8.3 It is important to remember that the law allows for decisions (relating to the discharge of any of the Council's functions) to be taken only by the Council, Leader, Executive, executive member, a committee, a sub-committees or an officer.
- 8.4 Under the Constitution, individual members of the Executive may, in some situations, take decisions. The Council has put in place mechanisms to ensure that the individual executive member seeks advice from relevant members and officers before making a decision within their delegated authority. This includes taking legal advice, financial advice and professional officer advice as well as consulting the Monitoring Officer where there is doubt about powers to act.
- 8.5 The Council's scheme of delegation and resolutions passed at Executive or committee meetings may authorise a named officer to take action, sometimes in consultation with one or more members such as the executive member or chair and vice-chair of a committee. In these circumstances it is the officer, rather than the member, who takes the decision or action and it is the officer who is accountable for it.
- 8.6 Finally, it must be remembered that officers within a directorate are accountable to their chief officer and that, whilst officers should always seek to assist an executive member or chair and or vice chair (or indeed any member) they must not, in so doing, go beyond the bounds of whatever authority they have been given by their senior officer.

9. Officer support: Overview and Scrutiny

9.1 It is not the role of scrutiny to act as a disciplinary tribunal in relation to the actions of members or officers. Neither is it the role of officers to become involved in what would amount to disciplinary investigations on a panel's behalf. This means:

- (a) Overview & Scrutiny's questioning about the conduct of individuals should be in the sense of establishing the facts about what occurred in the making of decisions or implementing of Council policies, not to imply criticism or blame;
- (b) In these circumstances, it is for the Head of Paid Service to institute a formal enquiry, and Overview & Scrutiny may ask (but not require) them to do so.

9.2 Overview & Scrutiny should not act as a "Court of Appeal" against decisions or to pursue complaints by individuals, as other procedures exist for this. These are internal, for example, the Corporate Complaints Procedure, and external/statutory, for example the Local Government and Social Care Ombudsman or appeal to the Courts. However:

- (a) Overview & Scrutiny may investigate the manner in which decisions are made but should not pass judgement on the merits or otherwise of a decision in individual cases;
- (b) They can comment on the merits of a particular policy affecting individuals.

9.3 Wherever possible Overview & Scrutiny should provide written questions or details of indicative topics to someone invited to appear before a panel to ensure they have adequate time to prepare for the meeting. In addition, invitees ought to be told the general line that further questioning is likely to take. Questioning should not stray outside the subject area that the Panel has previously indicated.

10. Correspondence

10.1 Correspondence between an individual member and an officer should not normally be copied (by the officer) to any other

member. Where exceptionally it is necessary to copy the correspondence to another member, this should be made clear to the original member. In other words, a system of “silent copies” should not be employed. Acknowledging that the “BCC” system of e-mailing is used, it should be made clear at the foot of any emails if another member has received an email by adding “CC Councillor x.”

- 10.2 Official letters or emails on behalf of the Council should normally be sent out under the name of the appropriate officer, rather than under the name of a member. It may be appropriate in certain circumstances (e.g. representations to a Government Minister) for a letter or email to appear over the name of a member, but this should be the exception rather than the norm. Letters or emails which, for example, create obligations or give instructions on behalf of the Council should never be sent out in the name of a member.
- 10.3 Correspondence to individual members from officers concerning regulatory matters such as planning, enforcement, licensing and environmental health matters should not be sent or copied to complainants or other third parties if they are marked “confidential”. In doing so, the relevant officer should seek to make clear what is to be treated as being shared with the member in confidence only and why that is so.

11. Communications

- 11.1 The Council will undertake communications across a full range of audiences in order to;
- ensure local accountability by explaining policies, services and programmes to members, partners, businesses and residents
 - change behaviour (for example by encouraging people to lead healthy, safer lives)
 - support corporate priorities and delivery of service outcomes
 - ensure operational effectiveness by informing people about services

- promote the Council, enhancing and maintaining its reputation, including promoting its interests, and
- respond in times of crisis

11.2 All communications will be delivered in accordance with the Code of Recommended Practice on Local Authority Publicity (2011), the Council's Media, and Social Media Protocols, and any associated policies. Full guidance on the Council's policy towards interaction with the press and media can be found within the Press and Media Protocol found at the following link:
<https://www.york.gov.uk/downloads/file/1282/media-protocol-october-2019>

11.3 All communications will comply with the seven principles of the Code of Recommended Practice on Local Authority Publicity (2011) so that all communications activity;

- is lawful
- is cost effective
- is objective
- is even-handed
- is appropriate
- has regard to equality and diversity
- is issued with care during periods of heightened sensitivity.

The last principle, to ensure special care is taken during periods of heightened sensitivity, is of particular relevance during the pre-election period.

11.4 The Leader, Deputy-Leader, executive members and chairs act as spokespersons for the Council in responding to the press and media and making public statements on behalf of the Council. The Leader, Deputy-Leader, executive members and chairs should liaise with the Communications Team on all forms of contact with the press and media.

11.5 A Chief Officer or nominated representative may respond to press enquiries but should confine any comments to the facts of the subject matter and the professional aspects of the function

concerned. On no account must an officer expressly or impliedly make any political opinion, comment or statement.

- 11.6 Any press release that may be necessary to clarify the Council's position in relation to disputes, major planning developments, court issues or individuals' complaints should be approved by the appropriate Chief Officer and/or the Monitoring Officer.
- 11.7 For more detailed information and guidance regarding the role of members in connection with the use of social media, reference should be made to the Council's Social Media Protocol found at the following link:
<https://www.york.gov.uk/downloads/download/417/social-media-policy-and-process>

12. Involvement of ward members

- 12.1 Whenever a public meeting is organised by the Council to consider a local issue, all the members representing the ward or wards affected should, as a matter of course, be invited to attend the meeting. Similarly, whenever the Council undertakes any form of consultative exercise on a local issue, the ward members should be notified at the outset of the exercise.

13. Breaches of the protocol

- 13.1 Where a member is dissatisfied with the conduct, behaviour or performance of an officer, the matter should be raised with the appropriate Chief Officer. Where the officer concerned is a Chief Officer the matter should be raised with the Head of Paid Service. Where the employee concerned is the Head of Paid Service, the matter should be raised with the Monitoring Officer.
- 13.2 Where the relationship between members and officers breaks down or becomes strained, every effort will be made to resolve matters informally, through conciliation by an appropriate senior manager or members.
- 13.3 Where an officer feels that they have not been properly treated with respect and courtesy, or is concerned about any action or

statement relating to themselves or a colleague by a councillor and wishes to raise a grievance, they should raise the matter with their line manager, director or the Head of Paid Service as appropriate. In these circumstances the Head of Paid Service or relevant Chief Officer will take appropriate action either by approaching the individual councillor and/or the party group leader.

13.4 Where an officer wishes to make a complaint under the Member Code of Conduct this should be made to the Monitoring Officer and dealt with in accordance with the procedure in Appendix 14 of the Constitution.

13.5 In the event of a grievance being upheld, the matter will be referred to the Head of Paid Service who, having advised the Leader of the Council and the appropriate group leader(s), will decide on the course of action to be taken, following consultation with the Constitution and Joint Standards Committee if appropriate.

13.6 Breaches of this protocol by a member may constitute a breach of the Member Code of Conduct.

13.7 Breaches of this protocol by an officer may be referred for disciplinary action.

14. Monitoring and review

14.1 The application and implementation of this protocol will be monitored and reviewed by the Council's Joint Standards Committee in consultation with the Council's Monitoring Officer.

Appendix 17 – Code of Good Practice for Councillors involved in the Planning Process

1 Summary

1.1 One of the key purposes of the planning system is to balance private interests in the development and use of land against the wider public interest. Planning necessarily affects land and property interests and as such is often highly contentious. It is important therefore that planning decisions are made openly, impartially, with sound judgement and for justifiable planning reasons. The aim of this Code of Good Practice is to promote public confidence in the planning decision making process.

1.2 If Members do not abide by this Code of Good Practice, they may put:

- the Council at risk of proceedings on the legality or maladministration of the related decision, and;
- themselves at risk of being the subject of a standards complaint, or; if the failure is also likely to be a breach of the Localism Act 2011, a complaint being made to the Police to consider criminal proceedings.

2 When does this Code apply?

2.1 This Code of Good Practice applies to Members at all times when they are involved in the planning process. This includes both Planning Committee (i.e. Planning Committee A and Planning Committee B) meetings, any meetings of the full Council when exercising the functions of the Planning Authority, and less formal occasions, such as meetings with officers or the public and consultative meetings. It applies to planning enforcement matters or site specific policy issues as well as to planning applications. Although much of the Code applies only to members (including substitute members) of the Planning Committees, some aspects affect any Member who becomes involved with a planning matter.

- 2.2 This Code of Practice supplements the Council's Code of Conduct for Members ("the Code of Conduct"), and gives detailed advice on dealing with planning issues.
- 2.3 If Members have any doubts about the application of this Code to their own circumstances they should seek advice early, from the Monitoring Officer or Deputy Monitoring Officer, and preferably well before any meeting takes place.

Advice to Members:

Do apply the rules in the Code of Conduct first.

Do then apply the rules in this Planning Code of Good Practice, which seek to explain and supplement the Code of Conduct for the purposes of planning control.

Do seek early advice if in doubt.

3 Dealing with Interests under the Code of Conduct

- 3.1 Members must always declare disclosable pecuniary interests other registerable interests and non-registerable interests on a matter in accordance with the Code of Conduct. All Members must follow these rules, not just members of the Planning Committees.
- 3.2 An Other Registerable Interest arises where the business directly relates to the financial interest or wellbeing of one of the Member's Other Registerable Interests as set out in Table 2 ("Other Registrable Interests") of the Code of Conduct.
- 3.3 A Non Registerable Interest arises where a matter **directly relates** to a Member's financial interest or well-being (and is not a Disclosable Pecuniary Interest set out in Table 1 of the Code Of Conduct) or a financial interest or well-being of a relative or close associate.

- 3.4 If a Member has an Other Registerable Interest or a Non Registerable Interest the Member may register to speak on the matter but must not participate as a member of the committee and must not remain in the room unless granted a dispensation under the Code of Conduct.
- 3.5 Where a matter arises at a meeting which **affects** a Non Registrable interest you may be able to speak and vote on the matter if the test set out in paragraphs 8 & 9 of the Code of Conduct is satisfied.
- 3.6 A disclosable pecuniary interest arises when you have an interest, or your partner has an interest which falls within the descriptions set out in Table 1 (Disclosable Pecuniary Interests) of the Code of Conduct. It is a criminal offence to participate in a Council meeting if Members have such an interest and have not been granted a dispensation.

Advice to Members:

Do disclose the existence and nature of your interest at any relevant meeting, including informal meetings or discussions with Officers and other Members. Disclose your interest at the commencement of discussion on that particular matter. If in doubt, you should always seek advice from the Monitoring Officer in advance of the meeting.

Where your interest is a disclosable pecuniary interest and you have not obtained a dispensation:-

Don't participate, or give the appearance of trying to participate, in the making of any decision on the matter by the Planning Authority.

Don't get involved in the processing of the application*.

Don't use your position to discuss the proposal with Officers or Members when other members of the public would not have the same opportunity to do so.

*A Councillor who has a disclosable pecuniary interest in a matter is permitted to seek to persuade Planning Officers of the merit of the application in the same way as a member of the public but should be careful to avoid placing pressure on an Officer for a particular recommendation.

4 Keeping an open mind

- 4.1 Councillors need to avoid bias or predetermination or any appearance of bias or predetermination before making a decision on a planning matter. Members of a Planning Committee must not make up their minds before they have all relevant material and arguments before them at a Planning Committee meeting. The use of a political whip is not permitted for decisions on planning applications.
- 4.2 Members of a Committee are entitled to feel predisposed towards a particular decision before it comes to Planning Committee, but must still be willing to consider and weigh all material planning considerations presented at the meeting before deciding on how to vote. Predetermination arises when Members' minds are closed (or reasonably perceived to be closed) to the consideration and weighing of the relevant factors. Where such concerns arise, a Member will always be judged against an objective test of whether the reasonable onlooker, with knowledge of the relevant facts, would consider that the Member has a closed mind. In such circumstances, there is a risk of the whole decision becoming vulnerable to legal challenge. It also risks a public perception being created of unfairness in the planning process.
- 4.3 The Localism Act 2011 has built on clarification of the law provided by the Courts in a number of cases and Members can take some comfort that they will not be taken to have had a closed mind when making the decision just because they have previously done or said anything to indicate their view in respect of the matter. Nevertheless it remains the case that Members must not have closed their mind to possible alternative decisions and must be prepared to consider representations made and the advice of

Officers and listen to the debate before reaching a final view. A Member in this position will always be judged against an objective test of whether the reasonable onlooker, with knowledge of the relevant facts, would consider that the Member was predetermined or biased.

Advice to Members:

Don't make up your mind, or appear to have made up your mind, on how you will vote on any planning matter until you have heard the Officer's presentation and all the evidence and arguments at the Planning Committee when the matter will be considered. If you have predetermined your position or have given that impression, you should not take any part in the decision on that matter.

4.4 A member of a Planning Committee who is also a Parish Councillor may already have been consulted on a planning application at a Parish Council meeting. It is permissible to express a view at a Parish Council meeting on a matter and still participate at a Planning Committee so long as a Member has not closed their mind to reaching a different view. It is good practice in these cases for the Member to:

- make it clear during the discussion at the consultee body that their views are expressed on the limited information before them only,
- reserve judgement and the independence to make up their own mind when it comes before the Planning Committee once they have considered all of the relevant information,
- not in any way commit themselves as to how they or others may vote when the proposal comes before the Planning Committee, and
- disclose the Other Registerable Interest regarding their membership of the Parish Council when the Planning Committee comes to consider the proposal.

4.5 If a Member has already made up their mind they must not speak or vote on the business but they are not legally required to withdraw from the meeting (unless they also have an interest under the Code of Conduct which would preclude them from so doing). However, they may prefer to do so for the sake of appearances. If they decide to stay in the meeting they should explain that they do not intend to speak and vote because they have (or could reasonably be perceived as having) judged the matter elsewhere. Such statements may be recorded in the minutes.

4.6 Executive Members may have been involved in promoting a particular development in their role as Executive Members for the Service. Whilst a Member of a Planning Committee would not be required to withdraw simply because they are also an Executive Member, if an Executive Member also sits on Planning Committee it may be difficult for them to demonstrate objectivity in dealing with an application relating to that development. They must consider whether they have an interest or degree of involvement with the proposals that could give the impression of bias or pre-determination. Indeed, the Member may be seen as an advocate on behalf of the Council for the development in question. In those cases the best course of action would be for the Executive Member to withdraw from the Planning Committee for that matter.

Commented [BJ1]: Full Council is required to determine if Executive Members should sit on planning cttees

Commented [BJ2]: This needs re-wording in line with Appendix 30 and decision of full council

5 Contact with Applicants, Developers and Objectors

5.1 Members of a Planning Committee should discourage applicants or agents from approaching them in any way, should minimise social contacts with known developers and agents and should refrain altogether from such contacts when developments are contemplated or a planning application has been received.

5.2 All Members should refrain from involving themselves in discussions with developers or potential applicants at the pre-application stage of proposals unless such discussions are part of structured and recorded arrangements with Officers and comply

with this Code, the Code of Conduct and rules on bias and predetermination.

5.3. If an approach is received from an applicant/agent in relation to a particular planning application or a matter that may give rise to a planning application, the Member should:

- Refer the applicant or agent to the relevant Officers of the Council, and notify Officers of the approach.
- Avoid giving any commitment or impression of a commitment or that they hold any particular view about the development or the future of the site in question.
- Confine themselves to providing information on the Council's general planning policies or procedures only, where the Member is fully aware of these.
- If they do express an opinion they should make it clear that they have not committed themselves to vote in accordance with those views and will only be in a position to take a final decision after having heard all the relevant information and arguments at Committee.

5.4 When any Member speaks at a meeting of the Committee on the subject of a particular planning application, they should disclose the fact that they have been in contact with the applicant/agent, if this is the case. Members are able to articulate their own views on proposals, but should not speak on behalf of the applicant or the agent who will have their own opportunity to speak to Committee.

5.5 Any written information received by a Member of the relevant Committee from the applicant or agent, objectors or any other third party, should be passed or copied immediately to the relevant Planning Officer and declared at the start of the consideration of the particular application.

Advice to Members:

Do seek to minimise social contacts with known developers particularly when the developer is known to be contemplating development in the City.

Do refer an applicant, developer or objector who approaches you about a planning application to Officers, if they need planning, procedural or technical advice.

6 Contact with neighbours, objectors, supporters, third parties or fellow Councillors

- 6.1 In order for the planning system to work effectively public concerns must be adequately aired. It is an important part of a Member's role to listen to residents' views and put these views forward within the Council. However, it is important that Members of the Planning Committees make decisions based on the full facts having considered all representations made and all other relevant considerations. Members will usually need a report from Officers to help them to do this.
- 6.2 Members of a Planning Committee should not give the impression that they have made up their mind about a particular matter in advance of the meeting. Discretion is always advisable. A good approach is to say something like: "From what I know at the moment I support (or have reservations about) this application, but I won't make a final decision until I have all the facts before me at Planning Committee".
- 6.3 All Members should advise anyone lobbying them that the Committee can only effectively consider representations if they are made in writing to the Chief Planning Officer and or Director of Environment, Highways & Transport. Members can also advise objectors of the rights they have for speaking at meetings. If there are technical issues or alternatives to be considered, then Members should either ask the applicant/objector to raise these

matters with Officers or ask officers to consider such matters when reporting to Committee.

- 6.4 No Member should accept gifts or hospitality of any value from anyone who is involved or affected by a planning proposal. Members should inform the Monitoring Officer if they feel they have been exposed to undue or excessive lobbying or approaches (including inappropriate offers of gifts or hospitality).
- 6.5 No Member should take part in negotiations with applicants or potential applicants regarding their proposals for development except where such negotiations are part of a structured arrangement with Officers.

Advice to Members:

If you are lobbied:

Do explain that you are not in position to express a firm intention to vote one way or the other.

Do explain how representations can be made formally.

Don't accept any gifts or hospitality.

7 Lobbying by Members

- 7.1 Members are quite entitled to join general interest groups which may have an interest in planning matters such as the Civic Society or the Victorian Society. If Members are present at a Committee meeting where a group to which they belong has adopted a view on a particular matter then they need to declare an Other Registerable interest when the matter is discussed.
- 7.2 There may be circumstances where a political group has a policy commitment to a particular development. It may have been contained within the party's manifesto. This alone does not prevent a Member participating in decision making so long as they have not closed their mind to considering the planning arguments

and have the independence to make up their own mind on the planning proposal.

- 7.3 If a Councillor, whether or not a member of the Planning Committee, speaks on behalf of a lobby group at a Committee meeting they should withdraw from the meeting after the public speaking session.

8 Site Visits

- 8.1 Site visits can play an important role in ensuring that Members make decisions on a sound understanding of the relevant issues. However, care must be taken to ensure that site visits are not misused as a lobbying device to help ensure a particular outcome in respect of controversial applications or to defer consideration of an application to a subsequent meeting. Site visits should only be requested where there is a clear and substantial benefit in having one. Site visits will be virtual unless the Chair of the relevant committee considers it necessary for an in person site visit due to the complexity of a specific site. In person and virtual visits should focus precisely on the observation of site factors which are relevant to the decision. Members should ensure that they have seen all aspects of the site during the visit and should ask to see further aspects of the site should they require. Should there be a need for in person visits, Members should at all times visit the site as a single group. Additional information relating to site visits is contained in section 4 of the Protocol annexed to this Code.
- 8.2 While visiting sites Members must not accept any form of gift, hospitality or refreshment.
- 8.3 Members of a Planning Committee should not normally accept invitations to visit a site unless this is in the company of a planning officer. This does not prevent Members from going alone to view a site from public land.
- 8.4 Councillors have no rights to enter on private land. A Councillor might be invited to enter the site by the owner. It is not good

practice for a member of a Planning Committee to do so as this may give the impression of bias. If a Member feels that they need an explanation of the proposal then they should request a formal site visit by contacting the Case Officer at least 10 days before the Committee meeting.

Advice to Members:

Don't request a site visit unless you feel it is strictly necessary.

Do ensure that you comply with the Protocol for site visits annexed to this Code.

Do ensure that you treat the site visit only as an opportunity to seek information and to observe the site.

Do ask the Officers at the site visit questions or seek clarification from them on factual matters which are relevant to the site inspection.

Don't express opinions or views on the proposal to anyone.

Don't enter a site which is subject to a planning application unless you can comply with the good practice rules in this Code.

9 Decision Making

9.1 The Council's Constitution specifies that certain applications must be brought before the relevant Planning Committee and others may be determined by Officers. Members, including those who are not on the Committee, can request that a particular application should be brought to Committee rather than being determined by Officers under delegated powers.

9.2 Members should ensure that they only request that an application be brought to Committee in accordance with Constitutional

requirements, and for proper planning reasons which are reported to the Committee.

- 9.3 In making decisions on planning applications, the law requires the application to be determined in accordance with the development plan and the requirement to comply with national planning guidance unless material considerations indicate otherwise. Adequate planning reasons must be given for any decision/conclusion. It is particularly important to ensure that these are fully articulated and recorded prior to the vote and must be recorded where a decision is made contrary to an officer recommendation or contrary to established policy. Where a decision is made contrary to policy it is the Members' responsibility to explain their reasons in full. Pressure should never be put on Officers to "go away and sort out the planning reasons".
- 9.4 Members must come to a decision after due consideration of all the information reasonably required, upon which to base a decision. Members should not participate in a vote if they have not been present for the entire item including the Officer's presentation and any public speaking. During the meeting, Members should not attempt to answer e-mails, monitor or contribute to social media discussions or engage in any other activity which may distract them from giving the proceedings their full attention.
- 9.5 Members should ensure that they have had sufficient time to digest any new material which has been presented. Members may need to ask for an adjournment to do so. Occasionally it may be necessary to defer an item to allow for proper consideration or for additional information to be obtained. However, the Council has a duty to process applications without undue delay and applications should not be deferred as a delaying tactic or to put off making a decision because of the number of objectors to the proposals.
- 9.6 Messages should not be passed to individual Committee Members either from other Members or members of the public. This could create an impression that a Member is being improperly influenced.

Advice to Members:

Do come to meetings with an open mind and demonstrate that you are open-minded.

Do make decisions in accordance with the Development Plan unless material considerations indicate otherwise.

Do come to your decision only after due consideration of all of the information reasonably required.

Do make sure that if you are proposing, seconding or supporting a decision that you clearly identify the planning reasons leading to this conclusion and can identify the supporting evidence.

10 Officers

10.1 Members, whether or not they sit on a Planning Committee, must not put improper pressure on any Officer to put forward a particular recommendation and should not do anything which compromises or is likely to compromise their professional integrity and impartiality. Doing so may be a breach of the Code of Conduct.

10.2 Planning Officers must act in accordance with Officer and professional codes of conduct. The Royal Town Planning Institute requires its members to fearlessly and impartially exercise their independent professional judgment to the best of their skill and understanding. Accordingly there may be occasions where Officers make recommendations which may be contrary to the views and wishes of Members.

Advice to Members:

Do not apply improper pressure on Officers to make a particular recommendation.

Do respect the professional obligations of planning Officers.

11 Members as developers or applicants

- 11.1 If a Member has an interest in land that may be the subject of re-designation or other decision in the Development Plan process, or if a Member, or someone with whom they have a close association is making a planning application to the Council, then they should discuss this at the earliest opportunity with the Chief Planning Officer or the Director of Environment, Transport and Planning. The planning application should contain a declaration (in the form of a covering letter) of the Member's position in relation to the planning application, so that all those consulted are aware of the relationship. The Chief Planning Officer or the Director of Environment, Transport and Planning will oversee the consideration of the application with the case officer, including any discussions that may involve other Members.
- 11.2 Any application by a Member will be reported to Planning Committee A or Planning Committee B as appropriate and will not be dealt with by an officer under delegated powers. The Member's interest should be made clear at the Committee.
- 11.3 If a Member's planning application comes before the Planning Committee they will have a disclosable pecuniary interest in relation to the application. This must be declared and means that the Member may not participate in the discussion or vote on the application. Government guidance suggests that the prohibition on discussing the item would prevent Members making representations to the Committee as an ordinary member of the public. While some lawyers have questioned this guidance there is a degree of uncertainty. The safest option would be for the Member to either seek a dispensation allowing them to make representations, or ask someone else to make those representations on their behalf.

12 Enforcement cases

12.1 Planning enforcement is particularly sensitive since it can ultimately result in Court proceedings. All Members are encouraged to report breaches of planning control to Officers or to support their constituents in doing so. They may seek updates on progress which is being made to resolve matters but should avoid playing too pro-active a role such as by involving themselves in meetings between Enforcement Officers and developers.

13 Member Training

13.1 In order to ensure that Members are fully aware of the requirements placed on them when sitting on Planning Committees it is the policy of the Council to require Members to attend prescribed training before sitting as a Member or Substitute Member. From time to time, the Council may also require Members to attend refresher training sessions.

Purpose of the Planning Committee Protocol

This protocol has been adopted to ensure the highest standards of probity in the performance of City of York planning function. Consistency, fairness and openness are important qualities for any regulatory function and they are vital to the conduct of a planning committee.

The purpose of the protocol is:

- (a) To state how the Members of the Planning Committee will exercise those functions, including behaviour in relation to applicants, residents and other third parties;
- (b) To ensure a consistent and proper approach by all Members of the Planning Committee to the exercise of planning functions;
- (c) To ensure applicants and their agents, residents and other third parties are dealt with by Members of the Planning Committee consistently, openly and fairly;
- (d) To ensure the probity of planning transactions and the high standards expected in public office; and
- (e) To ensure planning decisions are made openly, fairly and in the public interest, in accordance with legislation and guidance.

The Localism Act 2011 sets out a duty for each local authority to promote and maintain high standards of conduct by councillors and to adopt a local code of conduct. The Members' Code of Conduct sets out the general principles the Council has adopted. This Protocol relating to planning matters is intended to be supplementary to The Members' Code of Conduct and The Council's Constitution. Accordingly, the provisions of the Code of Conduct and Code of Good Practice for Councillors involved in the Planning Process continue to have full force and effect.

The aim of this protocol is to provide more detailed guidance on the application of the guidance in relation to planning matters.

Copies of this Protocol will be incorporated into the Council's Constitution and will be kept under review in accordance with paragraph 10.2 of this Protocol. Additionally, this Protocol will be publically available online.

1. Introduction

1.1 This Protocol applies to all meetings of the Council's Planning Committees (both Planning Committee A and Planning Committee B) in relation to the determination of planning applications and any other business dealt by the Planning Committees.

1.2 The determination of planning applications is a process involving the application of national, strategic, local and neighbourhood level planning policies within a legislative framework. Planning decisions can be appealed by unsuccessful applicants and challenged by way of judicial review by third parties. Complaints about maladministration and injustice can also be made to the Local Government Ombudsman. It is important that those involved in the determination of planning applications, and particularly officers and Members of the Planning Committee, act reasonably and fairly to applicants, supporters and objectors.

2. Public Speaking Procedure

- 2.1 This document sets out the procedures members of the public, Parish Councils and Councillors who are not members of the Planning Committee must follow when addressing the Planning Committee.
- 2.2 If members of the public have written to support, object to or comment on an application the Council will write to them about the date and location of the Planning Committee meeting where the application will be considered. Likewise, the Council will also notify all applicants (or their agents) whose applications are to be considered.
- 2.3 Anyone who has not made a representation on the application at the planning consultation stage, or who has made a late representation, will still be able to request to speak at Planning Committee in accordance with the Council's Public Participation Protocol but the Council will not write to them about the date and location of the Committee meeting. However, details of Planning Committee meetings are published on the Council's website.
- 2.4 Anyone who supports or objects to an application does not have to speak at a Planning Committee meeting. Representations are reported to the Planning Committee either in writing or verbally so it is up to the individual whether to attend or speak (in person or remotely).

Registering to Speak at Planning Committee

- 2.5 Anyone who wants to speak at Planning Committee (which for the avoidance of doubt includes Ward Councillors, and Town or Parish Councillors) must complete a 'request to speak at a public meeting form available at: by <https://www.york.gov.uk/form/SpeakAtCouncilMeetings>
- 2.6 A request to speak at a public meeting form must be received no later than 5pm two working days before the meeting takes place. For a Monday meeting, this would be 5pm on the previous Thursday. Requests to speak will not be carried forward to future Planning Committee meetings and therefore it will be necessary to register a

request to speak at a public meeting form for each and every Committee meeting.

Speaking Procedure at Planning Committee

2.7 At Planning Committee the Chair will introduce the item and ask speakers to address the Planning Committee in turn. Each speaker will be given 3 minutes. The number of speakers is at the Chair's discretion.

2.8 The five categories and order of speakers is as follows:

- i) **Objector(s)**
- ii) **Parish Council Representative(s)** - The Council expect the Parish Council representative to express the single, corporate view of that Council.
- iii) **Ward Councillor(s) not sitting as a Planning Committee Member**
- iv) **Supporter(s) who are not associated with the applicant or application** (for the avoidance of doubt this cannot include family of the applicant or agent).
- v) **The applicant and/or agent**

2.9 To assist the process those wishing to speak are requested to ensure they express their views clearly and concisely within the time allocated and any matters raised are relevant to the application. All those involved in public speaking are restricted to an oral presentation only.

2.10 The Chair of the Planning Committee may intervene, or vary the order of speakers, in the interests of efficiency.

2.11 Those addressing the Planning Committee will not be able to ask questions or join in the debate after their speaking time has elapsed. After a speaker has addressed the Planning Committee for 3 minutes, Members of the Planning Committee may, through the Chair, ask questions to speakers on points of fact and clarification before they debate an application. Speakers must not interrupt other speakers, nor interrupt the Planning Committee debate.

Items on the agenda

- 2.12 Items on the agenda will be dealt with, however there is a possibility that the applicant may withdraw the application or that the Planning Committee may defer consideration of an application for example to obtain further information.
- 2.13 The Planning Committee agenda is available 5 working days in advance of the meeting. The agenda and associated reports can be viewed on the Council's website.
- 2.14 Speakers are advised to familiarise themselves with the contents of the relevant Planning Committee report in the Committee Agenda prior to addressing the Planning Committee in order to avoid taking up Planning Committee time in repeating the Officer's comments.

Presenting new information

- 2.15 If speakers wish to present documents or photographs to the Planning Committee, the material must be submitted to planning.comments@york.gov.uk no later than 5pm on the second working day before the meeting. For a Monday meeting this would be 5pm on the previous Thursday. The Council will consider the information to ensure that there is no issue of impropriety, i.e. showing people or events in an unfavourable way, or defamation/slander for example.
- 2.16 The submission of paper documentation on the day of the meeting by applicants, agents and persons making representations to the Committee is not permitted and cannot be circulated in the meeting.

Material considerations

2.17 Relevant issues in considering planning applications (**material considerations**) can include (but are not limited to):

- The Development Plan
- Other planning policies
- National Planning Policy Framework and other Government advice
- Highway safety and traffic considerations
- Landscape impact
- Local amenity
- Noise
- Privacy (overlooking etc.)
- Conservation areas and listed buildings
- Archaeology
- Risk of flooding
- Loss or effect on trees and wildlife/nature conservation
- Case law and relevant previous decisions etc.

2.18 The Committee must only consider material considerations when determining planning applications.

Non-Material considerations

2.19 Issues which are irrelevant when determining planning applications (**non-material considerations**). This list is not exhaustive but gives examples of the types of issues that are not relevant when determining applications:

- Business competition
- Ownership disputes
- Reduction in property values
- Restrictive Covenants
- Moral objections
- Personal circumstances or private rights

- Matters controlled by other legislation e.g. Buildings Regulations, Licensing.
- The applicant's motives for making an application.
- Loss of trade elsewhere.
- Construction issues e.g. standard of workmanship, length of time taken to do work.
- Precedent e.g. unrelated decisions that have been made before.
- Complaints about procedures in dealing with applications.

2.20 An application submitted after development has been carried out has to be determined on its own planning merits like any other.

3. Pre-Committee Matters Including Site Visits

Site Visits

3.1 The site visit is for the Members of the Planning Committee to view aspects of an application site, it is a fact finding exercise for the Planning Committee. The prospect of a Planning Committee site visit should not deter Members of the Planning Committee from looking at a site themselves from any public vantage points in the same way that any other member of the public may do.

3.2 Although the site visit is a formal part of the decision making process, it is not where decisions are taken.

Arrangements for the site visit

3.3 Planning Committee site visits will take place before the application is considered by the Planning Committee. The date, time and order of site visits will be circulated to Members of the Planning Committee.

3.4 The committee visits will be virtual unless it is considered by the Chair that an in person site visit is necessary due to the complexity of the site.

3.5 If access onto the site is necessary, the applicant or agent will be informed of the site visit and asked to ensure that access is available.

Attendance at the site visit

3.6 The persons entitled to be present at all times during the site visit are Members of the Planning Committee and appropriate Officers as determined by the lead planning officer for the committee meeting.

Virtual Visits

3.7 Where the site visit is virtual Local Ward Members and Parish Council representatives may join the site visit group but only to observe and listen. Where this happens, the representative(s) will not be permitted to address the Planning Committee or its Members unless asked to identify physical features such as boundaries or access points.

3.8 If members of the public would like to request that site specific items are viewed they must make the planning case officer aware of this request before the site visit commences.

In person visits

3.9 For in person site visits the land owner or their agent or the applicant may need to accompany Members of the Planning Committee on the site visit. Where this happens that person will not be permitted to address the Planning Committee or its Members unless asked to identify physical features such as boundaries or access points.

3.10 Members of the public may attend and listen to the proceedings where these are conducted in public areas, but they have no right to enter private land or buildings.

Conduct at the site visit

3.11 The following procedures will be observed in the holding of all Planning Committee site visits:

- 3.12 Officers will arrange the in person site visit in advance with relevant parties. There is no right to enter on private land without permission of the land owner. Where appropriate, officers will obtain permission from the land owner or their agent for those invited to attend the site visit to enter the land. If permission is not given for Members and Officers and other interested parties to enter, the site will have to be viewed from the public highway/areas.
- 3.13 The Chair (or Vice Chair deputising for the Chair) will control proceedings throughout.
- 3.14 The Chair will explain that the purpose of the site visit is to obtain information relevant to the determination of the application. The Chair will summarise the proceedings and the constraints as set out below.
- 3.15 The Chair will introduce the Planning Officer who will describe the proposals to Members with reference to matters of fact and features on the land and the submitted plans/drawings and summarise the relevant issues and material considerations. It is expected that Members of the Planning Committee will already be familiar with the planning officer's report where one has been provided.
- 3.16 Members of the Planning Committee may ask the Planning Officer for factual clarification of any planning matter relating to the proposal or surrounding land, for example, distances to adjoining or objectors' properties or the location of the planned development.
- 3.17 Other officers may be present to provide other specialist/expert advice/information where relevant/required (e.g. Highways Engineers, Tree Officers or Environmental Health Officers Etc.).
- 3.18 Members of the Planning Committee will then be invited through the Chair to ask any questions of fact or seeking clarification from the Officers present. Members of the Planning Committee should not direct these questions to the applicant or others present. Any matters not to hand will be reported at the Planning Committee meeting. Discussion on the merits of the application will not be permitted, and Members of

the Planning Committee should refrain from making comments on the proposal.

- 3.19 During the in person site visit, no separate discussions regarding the application must take place with Officers or Members of the Planning Committee and either applicants, objectors or supporters. In order to assist in ensuring that Members of the Planning Committee receive the same information, they are required to keep together in one group with the Chair and the Planning Officer during the entirety of the accompanied site visit. They will not break-off to discuss the proposal separately with residents or the applicant.
- 3.20 During the in person site visit, Officers and Members of the Planning Committee will not accept any representations (including verbal presentations, documents, letters or petitions) from applicants, objectors or supporters. Any representations should be sent to the Planning Department by email to: planning.comments@york.gov.uk and these will be reported at the relevant meeting of the Planning Committee.
- 3.21 No hospitality will be accepted by Officers and Members of the Planning Committee from the applicant or any other interested party present at the site visit.
- 3.22 The Chair will conclude the site visit. Where Members of the Planning Committee attend an in-person site visit they will leave the site promptly, as a group, and refrain from talking to the applicant, objectors or other interested parties. No indication of the views of Members of the Planning Committee or the likely outcome of the Planning Committee's deliberations on the application will be given. To do so might imply that a Member's mind is already made up.
- 3.23 If Members of the Planning Committee require further information or clarification of any aspect of the development, the officer(s) attending the site visit will be asked to ensure that such information is available by the time the application is considered by Members of the Planning Committee at the relevant meeting of the Planning Committee.

Pre-Committee Briefings

- 3.24 Pre-committee briefings will be held with the Chair and Vice Chair and relevant Officers. The purpose of the pre-committee briefing is to update the Chair and Vice Chair on the applications to be presented at the next Planning Committee meeting and to go through any amendments/speakers etc. following dispatch of the formal agenda.

4. Committee Agenda

- 4.1 Each planning application for a consideration by the Planning Committee is the subject of a written report with an officer recommendation. In addition to the report, officers will present the item for consideration together with illustrative material to explain the scheme. The planning application itself is available to view on Public Access at [Simple Search \(york.gov.uk\)](https://www.york.gov.uk/simple-search) under the relevant application number or using the address search function.
- 4.2 The Planning Officer will also present to the Committee any relevant additional information that has been received prior to the meeting but after publication of the agenda.

5. Order of Proceedings

- 5.1 Generally, Planning Committee meetings take place at West Offices, however virtual Planning Committee meetings may also be utilised where situations facilitate them. The time of the meeting is stated on the agenda papers and published in the Diary of Meetings on the Council's website.
- 5.2 At the discretion of the Chair, the order of business on the agenda may be varied at the meeting with the agreement of the Planning Committee.
- 5.3 The procedure for considering each item shall be as follows:

- The Planning Officer shall provide an update on any pre-Committee updates and then introduce the application.
- Public speaking in accordance with the Public Speaking Procedure (as set out in paragraph 3 of this Protocol will take place).
- The Planning Officers will address, where necessary, any issues raised during public speaking and respond to questions from Members of the Planning Committee.
- The Planning Committee will consider the application and reach a decision.
- Advice may be provided by Planning Officers and/or the Legal Officer at any time as necessary.

5.4 Members should raise any queries they may have on an application with the Chief Planning Officer as soon as possible prior to the meeting, including the need for additional information. This can help identify issues early on and help to make sure that issues do not come to light for the first time at Committee. A 'no surprises' at Committee approach should be the aim.

6. Decision Making

6.1 In coming to a decision on a planning application, a Member of Planning Committee must:

- Come to the meeting with an open mind;
- Not communicate with anyone (except Officers, other Planning Committee Members, and public speakers through the Chair) orally, electronically, in writing or by any other means during the proceedings of the Planning Committee;
- Come to a decision only after due consideration of all the information reasonably required to base a decision upon;
- Not take part in the debate or vote on a proposal unless they have been present for the entire item including the Officer's presentation and any public speaking, and
- Ensure that if they are proposing, seconding or supporting a decision contrary to the Officer's recommendation or the Development Plan,

that they identify and understand the planning reasons leading to their conclusion and that they consider any professional advice given.

6.2 Reasons must be given before a Secunder to the proposal is sought and the vote is then taken and recorded if the proposal is contrary to or an amendment to the Officer recommendation.

7. Voting Procedures

- 7.1 The Chair of the meeting will usually bring the Planning Committee to a vote promptly on the officer recommendation in the first instance, where they consider that there has been sufficient debate on the item.
- 7.2 All items on the agenda will require a decision being taken on them and cannot be undetermined (unless they are deferred).

Decisions contrary to the Recommendation

7.3 A motion to go against the recommendation should usually only be considered after a vote on the recommendation (or an amendment to the recommendation) has taken place. Where a motion to go against the recommendation (or an amendment to the recommendation) set out in the report is proposed, material planning reasons for voting against the recommendation must be given. When the recommendation is not supported, a new motion to either grant or refuse or defer the application must be moved and seconded. However, before a new motion is proposed, the Committee must first receive advice from the Chief Planning Officer or their representative, as to what form a new motion could take. That advice will be based upon the material planning considerations that have been discussed by the Committee and whether there are grounds that could be defended in the event of an appeal or legal challenge.

8. Following the Committee Meeting

- 8.1 The decisions of the Planning Committee must be recorded in the minutes of the meeting and published on the Council's website (for interested parties who cannot attend).
- 8.2 If an application for planning permission has been refused, or permission has been granted with conditions imposed, an applicant can appeal to The Planning Inspectorate via their website:
<https://acp.planninginspectorate.gov.uk/>
- 8.3 The decision notice issued by the Planning Department will be accompanied by information on how to appeal. There is no 'third party right of appeal', so only the applicant may appeal against a decision made.

9. Review and Monitoring

- 9.1 This Protocol will be monitored and reviewed annually by the Chief Planning Officer and Chair and Vice Chair of the Planning Committees to ensure it remains current and relevant to the operational needs of those Committees.
- 9.2 As this Protocol will be incorporated into the Council's Constitution, any proposed changes will be reported to the Audit and Governance Committee for information and to Full Council for approval and immediate implementation.

Appendix 18 - Guidance to Councillors and Officers Appointed to Outside Bodies

1 Introduction

- 1.1 This guidance sets out the main issues which Councillors and Officers should consider when appointed by the Council to serve on outside bodies.
- 1.2 In the context of this guidance 'outside bodies' include trusts, companies, charities, school governing bodies, industrial and provident societies and community associations. Councillors or Officers may be involved as a director, trustee, governor or member (with or without voting powers).
- 1.3 Councillors and Officers who are involved in the management of outside bodies have responsibilities to that body that must be acted upon. Their role, responsibilities and potential liabilities will depend upon the legal nature of the organisation and the capacity in which they have been appointed. Failure to act in a proper manner may give rise to personal liability or liability for the Council.
- 1.4 With the increasing emphasis on partnership working, Councillors, as community leaders, have an important role to fulfil in supporting and advising outside bodies. However, this can give rise to conflicts of interest, particularly where the organisation is seeking or receiving funding from the Council. Councillors and Officers always need to be clear about their roles and be alert to potential conflicts of interest in order to ensure transparency and public confidence in local democracy.
- 1.5 The purpose of this guidance is to assist Councillors and Officers in the discharge of their responsibilities on outside bodies clearly and effectively. It covers, primarily, the position of Councillors and Officers appointed by the Council to serve on outside bodies, though much of the advice applies equally to Councillors and

Officers who are involved with outside bodies in a private capacity. In those situations, however, the Council's insurances will not apply.

- 1.6 This guidance is general and Councillors and Officers should contact the Monitoring Officer for further advice if they have any particular issues of concern.

2 Issues to consider before appointment

- 2.1 Before accepting an appointment to an outside body Councillors and Officers should check the following:

- a) The legal status of the organisation, e.g. company, trust, charity, unincorporated association;
- b) The capacity in which the Councillor or Officer is to be appointed, e.g. director, trustee,
- c) Whether the Councillor or Officer will have voting rights or observer status;
- d) The purpose of the organisation and how this relates to the Council's functions and objectives;
- e) The relationship between the Council and the body and the likelihood and extent of any conflicts of interest;
- f) The requirements of the organisation's governing instrument, e.g. constitution; trust deed; memorandum and articles of association, both as a member and generally;
- g) The financial status of the organisation;
- h) governance and decision-making arrangements, including the management of risk;
- i) Any code of conduct for members of the outside body;
- j) Any potential liabilities;
- k) Extent of any insurance cover for members of the outside body.

- 2.2 Having checked the above, Councillors and Officers should consider carefully whether they are willing to be appointed to participate formally in the management of the external organisation

e.g. as a director, trustee or voting member, or whether their role as a representative or Officer of the Council may be more effectively discharged as a non-voting member with observer status only. Bearing in mind the potential liabilities that may be incurred through formal involvement in an organisation, Councillors and Officers are generally advised to seek appointment as members with observer status only, unless there are exceptional reasons for more formal participation.

- 2.3 Councillors and Officers are encouraged to seek advice from the Monitoring Officer where any of the above issues are unclear.

3 Application of the Council's Code of Conduct for Members

- 3.1 The Council's Code of Conduct for Members at Appendix 14 and the Council's Code of Conduct for Officers at Appendix 15 of the Constitution, place specific obligations on Councillors and Officers when acting in that capacity in their dealings with outside organisations. The Code will, in particular, apply where a Councillor or Officers is acting as a representative of the Council on an outside body.
- 3.2 Apart from the general duty to promote and support high standards of conduct, the following duties of the Code are particularly relevant in this context:
- a) act solely in the public interest and never improperly confer an advantage or disadvantage on any person or act to gain financial or other material benefits for yourself, your family, a friend or close associate;
 - b) Avoid placing yourself under a financial or other obligation to outside individuals or organisations that might seek to influence you in the performance of your official duties;
 - c) Make all choices, such as making public appointments, awarding contracts or recommending individuals for rewards or benefits, on merit;

- d) Declare any private interests, both pecuniary and non-pecuniary, that relate to your public duties and take steps to resolve any conflicts in a way that protects the public interest.
- e) Comply with the statutory requirements on the registration and declaration of interests.

3.3 Councillors and Officers who have a direct or indirect disclosable pecuniary interest in any business at a meeting of the Council, e.g. award of a contract, must not participate in any discussion of the matter or, in the case of a Councillor, vote on it, unless a dispensation has been obtained. Failure to comply with these requirements without reasonable excuse may result in prosecution.

3.4 Councillors and Officers who serve on more than one body, in particular, need to be mindful of potential conflicts of interest and always act in an open and transparent manner in carrying out their respective roles. For example, where a Councillor is at a council meeting considering an application for a grant or a community asset transfer request from a parish council or other public body of which they are a member, they should declare the existence and nature of their interest. Having done so, they may, generally, take part in the discussion of that item and vote, unless there are particular reasons why this would not be appropriate. It is also advisable as a matter of transparency, to include details of the interest in their register of interests.

3.5 The same principle will generally apply where Councillors are appointed to serve as school governors, but it is always necessary to have regard to the nature and extent of any conflict of interest in deciding whether to participate or vote. Where the governing body is considering a matter which is likely to have a material effect on the Councillor or a member of their family, it would be advisable to declare an interest and take no further part in the proceedings.

3.6 Councillors and Officers appointed to serve on outside bodies should be mindful of their legal obligations regarding disclosure of confidential information and in case of doubt should seek advice from the Monitoring Officer.

4 Predetermination and Bias

- 4.1 Aside from the Code of Conduct, under common law, Councillors must be careful to avoid any pre-determination or bias in their decision-making. Predetermination occurs where someone has a closed mind so that they are unable to apply their judgement fully and properly to the issue requiring a decision. This can lead to legal challenges and decisions being set aside.
- 4.2 The Localism Act 2011 clarified the rules on predetermination. It makes it clear that a Councillor is not deemed to have had a closed mind on an issue just because they have indicated what view they have taken or may take before the issue is decided. A Councillor is not, for example, prevented from participating in discussion of an issue, or voting on it, if they have campaigned on the issue or made public statements about their approach to it.
- 4.3 The general position remains however, that, whatever their views, members must approach their decision-making with an open mind in the sense that they must have regard to all material considerations and must be prepared to change their views if persuaded that they should.
- 4.4 Councillors need to be aware that decisions may be challenged and set aside on the grounds of bias. Under common law, bias involves some element of partiality or personal interest in the outcome of a case, as a result of a close connection with the parties, or the subject matter of the dispute, or because of a tendency towards a particular shared point of view.

4.5 The relevant test for bias is whether the fair-minded and informed observer, having considered the facts, would conclude that there was a real possibility that the decision-maker was biased. The risk of a successful challenge on these grounds may be overcome by proper observance of the requirements of the Code of Conduct and particularly the provisions set out above.

5 Legal status, capacity, duties and liabilities

- 5.1 Where a Councillor or Officer is appointed to an external organisation by the council, the Councillor or Officer will be representing the interests of the Council. However, they will also have duties to the organisation. The extent of these duties will depend on the type of organisation and the nature of the position that the Councillor or Officer is appointed to.
- 5.2 If the Councillor or Officer is serving in a decision-making capacity, or has a position of management or control on the external organisation, they will owe duties to that organisation that are distinct and separate from their duties as Councillor or Officer.
- 5.3 In contrast, where the Councillor or Officer is appointed to an external organisation as an observer only and is not required to participate in the organisation's management or governance other than to attend and vote at annual or general meetings, it is likely that the Councillor or Officer will, for the most part, be acting as a representative of the Council and would not have the same duties in respect of the governance of the organisation referred to above.
- 5.4 The specific responsibilities of Councillors and Officers will depend upon the legal status of the outside body and the capacity in which they have been appointed. The position of Councillors and Officers in relation to various types of outside body, is summarised in the appendices to this note as follows:

- Appendix A - Director of Limited Liability Company

- Annex 1 – Summary - Executive, Shareholder Committee and Companies
- Appendix B - Trustee of Trust or Charitable Trust
- Appendix C - Member of Unincorporated Association
- Appendix D - Member of Steering Group, Joint Committee or Partnership Body

5.5 The key point to note, is that where Councillors or Officers are carrying out their duties as a trustee, director, or management committee member, they may take account of the wishes of the Council, but their primary duty is to act in the best interests of the organisation to which they have been appointed.

6 Liability, Insurance and Indemnity

6.1 Councillors and Officers can incur personal civil and criminal liability from formal participation in outside bodies. However, under section 265 of the Public Health Act 1875 (as applied by Section 39, Local Government (Miscellaneous Provisions) Act 1976), Councillors and Officers enjoy statutory immunity from civil liability where they act within the powers of the authority, in good faith and without negligence.

6.2 This immunity does not apply however, where they act beyond the powers of the council or act in bad faith (i.e. with dishonest or malicious intent) or negligently, and it does not protect them from criminal liability, for example for fraud where they exercise managerial responsibilities.

6.3 City of York Council has a wide insurance provision to protect its assets and liabilities. Within these provisions the Council has extended its cover to protect its elected and co-opted members of outside bodies when carrying out duties in connection with the business of the Council. Those afforded the protection are:

- a) Elected Members of the Council or co-opted members of any Committee or Sub-Committee;
- b) Members of committees, schemes or associations formed to assist in the activities of the Council.

6.4 Further assistance on the issues covered in this guidance may be obtained from the Council's Monitoring Officer.

DRAFT

Appendix A – Duties and Responsibilities of a Director of Limited Liability Company (both Teckal and Non-Teckal)

1 Directors Duties

1.1 Directors owe a number of duties to their company, which are set out in the *Companies Act 2006*. These duties are to:

- a) Act within powers (*section 171*) - see paragraph 2 '*Acting within powers - Consequences of exceeding authority*'.
- b) Promote the success of the company (*section 172*).
- c) Exercise independent judgement (*section 173*) - see paragraph 3 '*Duty to act for the company and risk of local authority becoming a shadow director*'.
- d) Exercise reasonable skill, care and diligence (*section 174*) – see paragraph 4 '*Requirement for appropriate level of skill and expertise*'.
- e) Avoid conflicts of interest (*section 175*) – see paragraph 5 '*Avoid conflicts of interest – Council vs Company*'.
- f) Not accept benefits from third parties (*section 176*).
- g) Declare interest in a proposed transaction or arrangement with the company (*section 177*).

1.2 Councillors and Officers appointed as directors should be aware of these duties, particularly those which could lead to:

- a) A conflict with their role as a Councillor or Officer (for example, the duties to promote the success of the company, to exercise independent judgement, and to avoid conflicts of interest).
- b) Personal liability for the debts of the company.

2 Acting within powers - Consequences of exceeding authority

2.1 Directors must ensure that they act within the company's constitution (its memorandum and articles of association) and must only exercise these powers for their proper purpose. If a director acts outside of their powers a company can still be bound by the unlawful actions of their Officers / Directors (unlike statutory

corporations, such as local authorities). Third parties acting in good faith can rely on decisions made by directors acting outside their authority, but the company may recover any resulting loss from the director personally.

3 Duty to act for the company and risk of local authority becoming a shadow director

- 3.1 Councillors and Officers appointed to external corporations must ensure that they take decisions in accordance with their personal convictions; **they must not act on behalf of, or in promotion of, the local authority.** As a director, the Councillor or Officer has a statutory duty to promote the success of the company and exercise independent judgement. If the Councillor is unable to do this without compromising their duty to the authority, they should resign their post. However, an Officer's duty to the authority is contractual, and so the authority can waive their contractual obligations if appropriate.
- 3.2 Furthermore, if the Councillor or Officer is a mere conduit for the local authority's viewpoint, the local authority risks being held to be a shadow director of the company. A shadow director is a person in accordance with whose directions or instructions the directors of a company are accustomed to act.
- 3.3 If the local authority is found to be a shadow director in an insolvency situation, it could be liable for the debts of the company where it knew, or ought to have concluded, that the company could not avoid insolvency but did not prevent it from continuing to trade (wrongful trading).

4 Requirement for appropriate level of skill and expertise

- 4.1 A director must exercise the care, skill and diligence which would be exercised by a reasonably diligent person with both:

- a) The general knowledge, skill and experience that may reasonably be expected of a person carrying out the functions carried out by the director in relation to the company (the "objective" test).
- b) The general knowledge, skill and experience that the director actually has (the "subjective" test).

4.2 So, at a minimum, a director must display the knowledge, skill and experience set out in the objective test, but where a director has specialist knowledge, they must meet the higher subjective standard. Therefore, a Councillor or Officer should consider, along with the appointing local authority, whether they have the skills necessary to run a company; it is not enough that an individual has the time and enthusiasm. In addition, individuals with specialist skills will be expected to apply those skills to their role as director.

Liabilities arising from insolvency of company or association

- 4.3 The need to have the necessary expertise to manage the company's finances is particularly important if the company is struggling financially. A director who does not scrutinise and understand the company's accounts risks incurring personal liability to the company's creditors for wrongful trading under section 214 or Section 246ZB of the Insolvency Act 1986 if they continue to trade when they knew, or ought to have concluded, that there was no reasonable prospect that the company would avoid becoming insolvent.
- 4.4 It is important to recognise that liability arises whether or not the director understood the company's financial position or intended any harm; if they should have known the company could not avoid insolvency, they were obliged to take every step to minimise its creditors' losses.

5 Avoid conflicts of interest – Council vs Company

- 5.1 A Councillor or Officer appointed as a director to a company will owe specific duties to the company in that capacity under both

statute and common law. Councillors and Officers are under a duty to exercise independent judgement when they are making decisions on behalf of the council. However, as a director of an external organisation they will also have a duty to exercise independent judgement and to act in the best interests of the company to which they are appointed.

- 5.2 This means that if the Councillor or Officer finds themselves in a situation where the interests of the council arise, the Councillor or Officer must disclose that interest. If they simply act or vote in line with the Council's position, the Councillor or Officer would not be acting in the best interests of the company and would be in breach of their duties as a director and could incur personal liability for their actions. Where a potential or actual conflict of interest arises, the Councillor or Officer may have to resign from either the company or the council.
- 5.3 A summary regarding potential conflicts of interest for Councillors who are members of Executive and/or the Shareholder Committee is set out in Annex 1 (Summary - Executive, Shareholder Committee and Companies) to this Appendix 1.

6 Other responsibilities

- 6.1 Directors must also be aware of how acts and decisions of other individuals may bind the company, for example:
- a) Company directors may have powers delegated to them by the company, but they also have ostensible authority to act on behalf of the company, and their actions will bind that company, so that a third party dealing in good faith with a company's director may rely on the actions of that director even if they were not actually authorised by the company.
 - b) Employers have vicarious liability for the tortious acts of employees carried out in the course of their employment. This can include discrimination against one employee at the hands of another, as well as breaches of health and safety.

Annex 1: Summary - Executive, Shareholder Committee and Companies

1 General

1.1 The shareholder of a company owned by the Council is always the City of York Council, not the members of the Executive or the Shareholder Committee themselves, or any Council Directors appointed to represent the Council on the boards of these companies.

2 Executive

2.1 Purpose in relation to companies:

2.1.1 The Executive will make decisions in relation to a company of which the Council is a Shareholder that are reserved to the Executive in the terms of reference of the Shareholder Committee as set out in the Constitution at Article 12: Shareholder Committee.

2.1.2 These are decisions that involve:

- a) changes to company governance e.g. including amending a company's articles of association, or its shareholder agreement;
- b) agreements to any amalgamation, merger, joint venture, profit sharing or similar arrangements; and
- c) approving steps to wind up a company.

2.2 Conflicts:

2.2.1 A member of the Executive can also be a director of a company. However, in the context of the Council being a shareholder of various companies and members of the

Executive also being Directors of various companies there is potential for conflicts to arise.

- 2.2.2 Councillors who have a direct or indirect disclosable pecuniary interest in any business at a meeting of the Council, e.g. award of a contract, must not participate in any discussion of the matter or vote on it, unless a dispensation has been obtained. Failure to comply with these requirements without reasonable excuse may result in prosecution.

3 Shareholder Committee

3.1 Purpose:

- 3.1.1 The Shareholder Committee has been established by the Executive specifically to discharge the shareholder functions of the Council in relation to those companies of which the Council is a shareholder. The Shareholder Committee does not have day-to-day operational control over any of the companies of which the Council is a shareholder.
- 3.1.2 The decisions which the Shareholder Committee is required to make in relation to a company are set out in the Shareholder Committee terms of reference as set out in the Constitution at Article 12: Shareholder Committee and the Shareholder Agreement for each company.

3.2 Conflicts:

- 3.2.1 In law, a shareholder of a company can also be a director of a company – this is often the case in small family-run companies. However, in the context of the Council being a shareholder of various companies and members of the Shareholder Committee also being Directors of various companies there is potential for conflicts to arise.
- 3.2.2 Councillors who have a direct or indirect disclosable pecuniary interest in any business at a meeting of the

Council, e.g. award of a contract, must not participate in any discussion of the matter or vote on it, unless a dispensation has been obtained. Failure to comply with these requirements without reasonable excuse may result in prosecution.

4 Director

4.1 Purpose:

4.1.1 A member who is appointed as a director of a company will be involved in all decisions regarding the day-to-day operation of that company. Directors owe a number of duties to their company which are set out in the Companies Act 2006:

- h) Act within powers
- i) Promote the success of the company
- j) Exercise independent judgement
- k) Exercise reasonable skill, care and diligence
- l) Avoid conflicts of interest
- m) Not accept benefits from third parties
- n) Declare interest in a proposed transaction or arrangement with the company

4.2 Conflicts:

4.2.1 Council decision making

Where a member of Shareholder Committee and/or the Executive is also a director of a company and the Shareholder Committee or the Executive is being asked to make a decision in relation to that company, e.g. award of a contract, the member should declare a direct or indirect disclosable pecuniary interest and must not participate in any discussion of the matter or vote on it, unless a dispensation has been obtained. Failure to comply with these

requirements without reasonable excuse may result in prosecution.

4.2.2 Company decision making

Conversely if the Councillor finds themselves in a situation in relation to the company where the interests of the Council arise, the Councillor must disclose that interest. The Councillor has a duty to exercise independent judgement and to act in the best interests of the company to which they are appointed. If they simply act or vote in line with the council's position, the Councillor would not be acting in the best interests of the company and would be in breach of their duties as a director and could incur personal liability for their actions.

5 Simple checklist:

If in doubt, consider the following questions:

1. Are you a member of the Executive and/or the Shareholder Committee?
2. Are you a director of the company in relation to which the Executive and/or Shareholder Committee is being asked to make a decision?

If the answer is 'yes' to both a potential conflict could arise and the member should declare this and not participate in any discussion of the matter or vote on it.

Appendix B – Duties and Responsibilities of a Trustee of Trust or Charitable Trust

Additional duties and responsibilities placed upon Trustees include making sure that the body acts in accordance with the overriding duty to all beneficiaries of the Trust. Beneficiaries may be people within the City of York or a specific category of persons for whose benefit the Trust was originally established. The Trustee Act 2000 contains most of the duties upon the Trustees; the Act also includes a statutory duty of care which applies when a Trustee is:

- Exercising a general power of investment or any specific power of investment arising from the Trust;
- Making investments arising in line with the Standard Investment Criteria under Section 4 of the Act or taking independent advice on investments under Section 5;
- Exercising the power to acquire land or deal in land;
- Appointing agents, custodians or nominees or in reviewing their obligations;
- Compounding liabilities under Section 15 of the Trustee Act 1925;
- Insuring Trust property;
- Dealing with reversionary interests, valuations or audits.

The standard of care expected of Trustees is that which is reasonable in the circumstances, taking into account any particular skills or competencies possessed by the individual, e.g. the standard of care will be higher for someone with an accounting qualification in relation to financial matters than someone without such a qualification.

Duties and responsibilities applicable to charities are even more extensive, as charitable Trustees have additional responsibilities under the Charities Acts. Information on this can be found on the Charity Commission website, or by using the attached link:

<https://www.gov.uk/guidance/charity-commission-guidance>.

In many cases the Charity Commission needs to be consulted before a charity takes action or decides on a particular course of action involving charity property.

DRAFT

Appendix C – Duties and Responsibilities of a Member of Unincorporated Association

Unincorporated associations and partnerships are not separate legal entities which means that the individuals who are represented on the management committee are personally liable for all acts and omissions of the body. Each of the individuals are jointly and individually liable for what the organisation does. Partnerships and voluntary organisations often have this legal status, however, such associations and partnerships should still have a written constitution setting out the procedural rules which need to be followed and governing how it operates.

An unincorporated association may be charitable and may register as a charity, if this is the case then the duties and responsibilities set out in Appendix B must be considered.

DRAFT

Appendix D – Duties and Responsibilities of a Member of Steering Group, Joint Committee or Partnership Body

The Council may establish joint arrangements with one or more local authorities and/or their Executives to exercise functions, which are not Executive functions in any of the participating authorities, or advise the Council. Such arrangements may involve the appointment of a joint committee with these other local authorities and a Councillor may be appointed to such a joint committee. A Member of the Executive may not be a Member of any joint committee established to carry out the Council's scrutiny functions.

The Council's Executive may establish joint arrangements with one or more local authorities to exercise functions which are Executive functions. Such arrangements may involve the appointment of joint committees with these other local authorities.

The council may delegate non-Executive functions to another local authority, or in certain circumstances, the Executive of another local authority. The decision whether or not to accept such a delegation from another local authority shall be reserved to the meeting of Full Council.

The Access to Information rules in Part 5A of the Local Government Act 1972 will apply to joint committees established under this Appendix.

Appendix 19 – Protocol for use of ICT by Members/Use of Resources

1. Introduction

- 1.1 This protocol sets out to support Members to carry out their role effectively with the Information Communication Technology (ICT) provided whilst protecting the Council and its Members from the risks associated with its use. The protocol helps Members to stay compliant with the law and good security practice and is intended to assist and enable them in carrying out their activities.
- 1.2 This protocol must be used in conjunction with agreed policies and procedures around ICT security and use of systems such as internal email. Any breach of the requirements of the protocol or the agreed policies and procedures may amount to a breach of the Members' Code of Conduct and the removal of access to the Council's assets, systems and resources.

2. ICT Equipment

- 2.1 Members are provided with equipment to support their needs. Support is available from ICT to help Members understand what each item can and cannot support and to match the device to the Member's individual requirements, such requirements may include a laptop, tablet or mobile phone. Printers will not be supplied.
- 2.2 All items are procured through the standard ICT procurement process and will be covered by standard warranty and insurance policies. All equipment issued belongs to and will remain the property of City of York Council. The equipment provided must be used for all democratic work, including use at Council meetings, reading/annotating agendas, reports, minutes and

accessing City of York Council emails and for constituent work related to the Council and Council business. It is not to be used for purely political purposes or private business purposes. Where members are also appointed to other bodies, arrangements may be made to share equipment.

- 2.3 All reasonable steps must be taken to ensure that equipment is kept secure and protected from theft/damage. Particular care must be taken to ensure that equipment is not left on view in cars or in public transport, etc. In the event of theft, loss or damage to any part of the equipment, members must inform the ICT Service Desk, by telephone (01904 552222) or email (ictservicedesk@york.gov.uk) immediately. In the event of theft of the equipment, the theft must be reported to the Police without delay in order to obtain an Incident Number and then provide this information to the ICT Service Desk and Insurance @ insurance.claims@york.gov.uk.
- 2.4 The member will only grant access to any equipment to an authorised employee or agent of the Council for the purpose of service, repair or audit and will make the equipment available at reasonable notice and in working hours. Use by family/friends or any other third party is not permitted, family members can provide assistance to members in the use of the equipment as long as the Member remains in overall control and does not divulge their user name or password.
- 2.5 If a member ceases to be a Member of the Council, the equipment must be returned to the Council within 10 working days and in such an event access to Council systems will be disabled within 10 working days.

Lending any equipment to a third party is strictly forbidden.

3. Software

- 3.1 Members ICT equipment is configured to comply with the Council's ICT Security Policy and to meet the requirements of the Public Services Network. Any unauthorised changes may contravene these policies therefore configurations must not be changed and Members must not attempt to add additional hardware or software to any equipment.
- 3.2 If any additional applications are required, these can be requested by contacting the ICT Service Desk. Each request will be evaluated on its merits. Members should never delete any of the Council supplied software or any applications.
- 3.3 In the event of any maintenance or updates becoming necessary, the ICT Service desk may be able to do this upon request remotely, but where this is not possible the equipment must be returned to West Offices at an agreed time for such works to be carried out.
- 3.4 If there is a suspicion of a virus infecting any equipment or any notifications of untoward activity, this must be reported immediately to the ICT Service Desk. Do not ignore warnings as this could lead to more widespread infections and serious disruption to Council ICT systems.
- 3.5 All software provided by the Council with any equipment remains the property of the Council, or the licensing organisation and may not be shared or copied to another computer/device.

4. Access to Systems

- 4.1 Access to the Council's systems is via a username and password and individual applications may need their own

username and password. Members are required to adhere to the Council's password policy. Regular audits of all passwords are undertaken as part of the security audits of the Council. Care must be taken to keep passwords secure and passwords must not be disclosed to anyone and must be changed when required by ICT should security concerns be identified.

- 4.2 Systems and equipment must only be used for Council business. ICT equipment left unattended must be locked or logged off. Members are responsible for all activity undertaken when logged onto the equipment and must not allow any unauthorised person access to the Council's systems.
- 4.3 Members are permitted to connect their equipment to their home or third party Wi-Fi, subject to any provisions of the Council's ICT policies.

5. **Storage**

- 5.1 Various places are available to store electronic data and specific guidelines will be provided as part of Member training/Member induction. All council meeting papers will be accessible by Modern.gov. Members are discouraged from printing off meeting papers. Members are encouraged to be as paperless as possible and should only print essential material.
- 5.2 Any data stored locally on equipment is not backed up and will be lost in the event of loss or damage to the equipment. All data that you need to retain should be moved where possible to central storage. Council data should not be transferred to removable media, should it be necessary only City of York Council items that are provided by the Council and are encrypted are to be used and this must not then be transferred to personal or third party equipment

without the necessary permissions from the Corporate Governance Team.

6. Internet Access

- 6.1 Do not access any area that could be construed as unfit, obscene or would otherwise be considered inappropriate for a Member of the Council. All internet sites visited by any user (Member or Officer) when connected via Council equipment will be recorded, monitored and if necessary will be available for audit purposes. If you accidentally visit any area that could be construed as unfit, obscene or inappropriate you must leave it immediately and inform the Monitoring Officer.
- 6.2 Care must be taken when downloading files via the internet. Computer viruses may be contained in files and/or emails and can severely damage the operation of the equipment and the Council's systems. If in doubt, do not click on links or download files.
- 6.3 The equipment provided to Members should not be used to access personal social media sites such as Facebook or Twitter. It is however permissible for Members to use the equipment provided for social media for legitimate Council reasons such as communicating with residents or maintaining corporate sites. It is recommended that Members have separate social media accounts for Council business. Members are required to adhere to the provisions of any Council ICT policies around social media. Passwords for social media accounts must never be the same as the passwords used for logging onto the device or any CYC system.

7. Email

- 7.1 Members will be allocated a Council email address for use on Council business. This email must not be used for personal or political purposes. If you receive any unsolicited emails (e.g. junk or chain mail) do not forward to any other recipients and delete them or move them into the junk folder.
- 7.2 You must not use anonymous emailing services to conceal your identity when sending emails, falsify emails to make them appear to originate from someone else, or provide false information to any internet service which requests a name, email address or other details.
- 7.3 Members must not automatically forward emails from a Council email account onto a webmail account hosted on the internet by a third party, for example Google, Yahoo, Hotmail, etc. and should not manually do so as a matter of course as this can lead to Council data being placed on an insecure domain.
- 7.4 All Council ICT policies are available on the Council's Intranet. These policies must be adhered to at all times.

8. Cameras

- 8.1 Any camera on ICT equipment must not be used to take inappropriate, illicit or sexually explicit photographs or videos, nor be used to embarrass anyone in any way. Members must use their judgement on appropriate use of cameras. Good practice is to ensure that any person to be photographed has given their consent.

9. Monitoring

- 9.1 The Council has the capability to monitor all use of the internet and intranet and retains logs of all use. The reason

that monitoring takes place is to ensure compliance with legislation and the standards and rules set by the Council. We record and monitor:

- Details of websites visited or attempted to be visited;
- Pages accessed;
- Files downloaded;
- Graphic images examined;
- Any file attachments (e.g. pictures or Word documents).

9.2 The Council has the capability to monitor, log and retain email correspondence. Any email and internet traffic being sent or received through the Council system will be scanned for potential viruses.

10. Complying with legislation

10.1 The following is a summary of areas to be aware of:

- a. Data Protection - You are responsible for complying with the Data Protection Act 2018, which covers information held in electronic and paper-based form about individuals. It is a criminal offence to collect and process personal data on your ICT equipment unless the use is registered with the Data Protection Registrar. The Director of Governance has copies of all of the Council's Data Protection registrations and can give Members advice if necessary.
- b. Computer Misuse – The Computer Misuse Act 1990 covers unauthorised or malicious use of any computer system. It is the law used to prosecute hackers and people who write and distribute computer viruses deliberately. It is a criminal offence to access or attempt to access any computer system you are not authorised to access. The law protects against

employees and members of the public who deliberately cause damage to systems and data. The Act also makes it illegal for a person to deliberately delete data or sabotage systems to the detriment of the Council.

- c. Harassment – The Protection from Harassment Act 1997 covers harassment either by using email to send a harassing message to someone or by downloading and distributing material from the Internet which constitutes harassment because it creates an intimidating working environment.

Harassment and discrimination are unlawful under the Protection from Harassment Act 1997, the Sex Discrimination Act 1975, the Disability Discrimination Act 1995 and the Race Relations (Amendment) Act 2000. As with any form of harassment under the anti-discrimination legislation, the intention of the parties is irrelevant. The problem with email is that, written communication can be misinterpreted and offence may be caused where none was intended.

- d. Obscene Material – Publishing legally “obscene” material is a criminal offence under the Obscene Publications Acts 1959 and 1964. This includes electronic storing and/or transmitting obscene materials that would tend to deprave and corrupt or paedophilic material.
- e. Defamation or False Statements – The liability for defamation or false statements applies to electronic communication just as it does to more traditional forms of communication. Anyone who emails a libellous or false email message or posts such a message on the Internet will be responsible for it and liable for any damage it causes to the reputation of the victim. In addition to the liability of the individual who made the

libellous or false statement, the Council may also be held liable. This could be either under the normal principles of:

- **Indirect Liability** – because the Council is considered responsible – known as “vicarious liability”; or;
- **Direct Liability** – as a publisher because of providing the link to the Internet and email system.

An untrue statement that damages the reputation of a person or company by causing people to think worse of them will generally be defamatory. Similarly, a false statement intended to cause damage to a person or their economic interests can bring a claim for damages.

Do not put anything on an email or an attachment, which you would not put in a normal letter on Council headed paper. Treat email as you would a postcard going through the open post.

- f. **Copyright** – Although any material placed on the Internet or in public discussion areas is generally available, the originator still has moral and, possibly, legal rights over it. You should not copy it without acknowledging the original source and, where appropriate, gaining their permission. This applies even if you modify the content to some extent. Please note that any official material placed on a website is subject to copyright laws.

Copyright laws are different for each piece of software. In general, the copyright to every piece of software run on a system is owned by whichever company or person who wrote it. The Council has a legal duty to make sure sufficient licences of the correct type are present to

cover the use of all software. Members must be aware of these issues and make sure that the Council has correct licences for any software used.

- g. Contracts – Electronic communication, such as email, is generally regarded as an informal means of communication but it is, nevertheless, capable of creating or varying a contract in just the same way as a written letter. You should be careful not to create or vary a contract accidentally.
- h. Disclaimer – despite putting confidential disclaimers and, where appropriate, personal disclaimers, on external communications, there is still nevertheless a legal connection to the Council. Always remember that any statement you make may still be construed as representing the Council.

11. Points of Contact

- 11.1 The ICT Service Desk is the first point of contact for all ICT enquiries, queries and support problems. Calls can be logged via the ICT Self Service Portal icon that you will see on your CYC desktop or by telephoning 01904 552222.
- 11.2 Further assistance on the issues covered in this protocol may be obtained from the Council's Monitoring Officer or the Council's Head of ICT, or by consulting the ICT Policies page on the Council's Intranet website.

 - h) Attendance of Members at conferences, training courses and seminars approved in accordance with the council's arrangements for Member development
 - i) Other travel approved by the appropriate officer as being reasonably necessary to further the aims of the council (excluding travel for party political or social functions)

- 3.10 The Council will pay or reimburse approved travel or subsistence expenses for Members in accordance with HMRC recommended rates or such other national guidance as may be applicable.
- 3.11 No travel allowance is payable for travel within the area of the city unless the Member has medical or other special needs requiring the use of taxis on approved duties.
- 3.12 When travelling by public transport preference must always be given to the cheaper fare whenever possible.
- 3.13 When using a Councillor's/co-optee's own vehicle the amount claimed for travel must not exceed the value of a 2nd class rail ticket for the same journey, where that comparison is possible.
- 3.14 All travel and subsistence claims should be made within two months of the meeting attended.

- 3.15 Tea and evening meal allowances cannot be claimed in the same evening. Tea or evening meal allowances will only be paid if absence is continuous.

Meals provided free of charge

- 3.16 The claim shall be reduced by an appropriate amount in respect of any meals provided free of charge by an authority or body in respect of the meal or the period to which the allowance relates, e.g. should a Councillor/co-optee attend a seminar/meeting and lunch is provided free of charge, a subsistence claim for lunch would not be acceptable.

Travel by Taxi

- 3.17 Councillors/co-optees may claim taxi fares provided that the journey is necessary to undertake an approved duty of the Council outside of the area of the city and where no public transport is reasonably available.
- 3.18 Expenses incurred on taxi travel within the area of the city will only be payable where a Member has a medical or other special need requiring the use of taxis in order to carry out approved duties.

Parking Passes and Cycle Allowances

- 3.19 Councillors are entitled to choose one of the following:

DRAFT

Appendix 21 - Urgent Decision Making Protocol

- 1 In accordance with the Constitution, the Council undertakes its business via a range of functions, namely Council meetings (Full Council, Executive and Regulatory committees), Scrutiny meetings, Executive Member Decisions and Officer Decisions.
- 2 In response to national advice and guidance (as experienced during the COVID-19 Pandemic), where the Council is unable to sustain the above mentioned functions and an urgent Scheme of Delegation is required to enable business as usual decision making to still take place safely and as transparently as possible. This allows for there to be a mechanism in place which can ensure the Council can make urgent decisions so as to fully protect and meet the best interests of the Council, its Officers and residents.

Decisions to be taken using the Urgent Powers of the Chief Operating Officer

- 3 The Chief Operating Officer or their nominated deputy (see below) has the following delegations:
 - a) To take such immediate action as they consider necessary to implement the Council's peace time emergency planning scheme, or to take such decisions in the event that a constitutionally prescribed decision making meeting cannot be convened within the required timeframe or in direct response to Central Government guidance or direction;
 - b) The power to take any decision, including a key decision, in a situation where the matter is urgent and does not allow time for a report to be considered by the Council, the Executive, the relevant Executive Member or the appropriate Committee. Wherever possible, in the case of any key decisions, such decisions shall be made in consultation with the Leader of the Council or the Deputy

Leader. The decision shall be reported to the next appropriate and available meeting.

- 4 A nominated deputy to the Chief Operating Officer has the following powers:
 - a) The Chief Operating Officer will designate one of the Corporate Directors as the deputy to the Chief Operating Officer. Such designation shall carry with it the delegation to exercise all and any of the Chief Operating Officer's specific delegated functions, during any period where the Chief Operating Officer is absent in the sense that they are not in a position to exercise the powers of the Chief Operating Officer, for example due to sickness, incapacity, a position of conflict or being out of contact in the case of emergency.
- 5 Please note this excludes those decisions which are required to be made by the following Officers in their statutory capacity:
 - a) Corporate Director for People
 - b) Chief Finance Officer (s151)
 - c) Director of Governance (Monitoring Officer)
 - d) Director of Public Health

- 7 The Chief Operating Officer and / or their deputy prior to making the decision will consult with:
 - a) The Leader of the Council and in their absence the Deputy Leader;

- b) The Chief Finance Officer (s151 Officer);
 - c) The Director of Governance (Monitoring Officer);
 - d) Head of HR (where relevant and appropriate);
 - e) Director of Public Health (where relevant and appropriate).
- 8 Once the decision has been taken, the decision record and the detailed report will be provided to the Monitoring Officer and in their absence the Head Civic, Democratic and Scrutiny Services, and arrangements will be made for the decision to be published on the Council's website. The decision template will record the views offered by the Leader of the Council (or Deputy Leader) and other consultees.
- 9 All decisions made will be reported on a retrospective basis by the Monitoring Officer to the relevant Committee.

DRAFT

Appendix 22 - Protocol for Webcasting, Filming and Recording of Council Meetings

1 Background

- 1.1 The main purpose of webcasting is to promote openness and accountability, and to support greater participation in local democracy by giving members of the public, elected members, officers and other interested parties the opportunity to view meetings without having to attend in person.
- 1.2 Live webcasting and the retention of recordings online for later viewing does not replace the formal record of the meeting and the decisions made. The only formal record of any meeting of a Local Authority is its minutes and agendas which are required to be maintained and retained for a number of years.

2 Operating Procedure for Filming/Webcasts

- 2.1 At the start of each meeting to be filmed, an announcement will be made to the effect that the meeting is being webcast, and that the Chair may also terminate or suspend the webcasting of the meeting, in accordance with this protocol. This will be confirmed by the Chair making the following statement: *“I would like to remind everyone present that this meeting will be broadcast live to the internet and will be capable of repeated viewing.”*
- 2.2 Webcasts will only commence at the beginning of a meeting when the Chair opens the meeting and will finish when the meeting is closed. During any adjournments or parts of the meeting where press and public are excluded video and audio will be switched off and a holding screen displayed for those viewing live.

- 2.3 The Chair of the meeting shall have the discretion to terminate or suspend the webcast if:
- a) The meeting is adjourned;
 - b) A resolution is lawfully passed to exclude the press and public from the meeting or a specific portion of the meeting;
 - c) There is a public disturbance;
 - d) Webcasting may lead to a potential infringement of the rights of any person or other breach of law, subject to legal advice; or
 - e) The Chair considers that continuing to webcast would prejudice the proceedings of the meeting, subject to agreement by the majority of Members attending the meeting.
- 2.4 Anything that is outside of the scope of the meeting will not be filmed. This includes reaction shots, walkouts etc. Where an operator is unsure on what to film or is in an unfamiliar situation, the operator should select a camera shot of the Chair of the meeting.
- 2.5 Webcasts or parts of webcasts may be removed if, in the reasonable opinion of the Monitoring Officer, it may prejudice the Council's or the public's interests.
- 2.6 Content may also be removed if the Monitoring Officer considers it necessary because all or part of the content of the webcast is or is likely to be in breach of any statutory provision or common law, for example Data Protection and Human Rights legislation or provisions relating to confidential or exempt information. The reason for any decision to edit a webcast will be logged and published.

- 2.7 Council anticipates that the need to exercise this power will occur only on an exceptional basis.
- 2.8 Any elected Member who is concerned about any webcast should raise their concerns with the Head Civic, Democratic and Scrutiny Services.
- 2.9 Should the live webcast be halted for a technical reason the following procedure will be applied:
- a) The webcasting operator will inform the Democracy Officer and Chair as soon as practically possible
 - b) The Chair may agree a short adjournment to see if the problem can be resolved. **If after adjourning the problem still persists, the meeting should continue irrespective of it not being transmitted live. [*N.B. Not applicable under current legislation covering remote meetings. In this case the remainder of meeting would need to rescheduled]*
 - c) If the live webcast cannot be resumed a back-up recording will be published following the meeting
- 2.10 People under the age of 16 will not be filmed unless written parental/guardian permission has been provided.
- 2.11 Recordings of meetings will be made available to view online for a period of 6 years after which time they will be permanently deleted. Footage covering the meetings of Annual Council, which are mainly ceremonial, can be kept indefinitely for posterity.

3 Public Speakers and Audience Attendees

- 3.1 As part of the process for registering to speak at public council meetings, residents will be advised that the meeting will be streamed live on the internet made available to view later online.
- 3.2 If an attendee does not wish to be filmed whilst speaking to the committee, the webcast operator will:
- a) Give guidance to the best place to sit
 - b) Ensure no close-up images of the attendee will be taken
 - c) If the attendee is speaking, the webcast operator will focus the camera on the Chair or a camera view where the speaker will not be shown.
- 3.3 Guidance will be provided to people in the audience at public council meetings advising them to contact Democratic Services staff if they have concerns about being seen on camera.

4 Signage at Meetings

- 4.1 On signs to be displayed at the entrance to the meeting room and on the meeting agenda, there will be the following notice:

WEBCASTING NOTICE

Please note: this meeting may be filmed for live and /or subsequent viewing online - at the start of the meeting the Chair will confirm if all or part of the meeting is being filmed.

You should be aware that the Council is a Data Controller under the Data Protection Act. Data collected during this webcast will be retained in accordance with the Council's published policy.

The council avoids filming public seating areas where possible. If you have concerns about being seen on camera during the meeting please contact a member of the council's Democratic Services Team.

5 Filming by members of the public and press

- 5.1 Members of the public and press are permitted to film or record, from the seating area assigned to members of the press and public, councillors and officers at any council meetings that are open to the public and press.
- 5.2 We may reasonably ask for the filming to be undertaken in such a way that it is not disruptive or distracting to the good order and conduct of the meeting. As a courtesy, attendees will be informed at the start of the meeting that it is being filmed; we recommend that those wanting to film liaise with council staff before the start of the meeting.

6 Tweeting or blogging by members of the public and press

- 6.1 The Council permits social media reporting of all its public meetings.

7 Photography

- 7.1 The Council permits photography at all of its public meetings.

Appendix 23 - Procedure Rules and Guidance for Remote Meetings

This appendix was suspended on 6th May 2021, however is retained within the constitution for transparency reasons.

1. These implement The Local Authorities and Police and Crime Panels (Coronavirus) (Flexibility of Local Authority and Police and Crime Panel Meetings) (England and Wales) Regulations 2020 (the “Regulations”) which became into force on 4th April 2020, and provide for alternative arrangements for Local Authority meetings which are required to be held between 4th April 2020 and 7th May 2021.
2. These arrangements will remain under review by the Monitoring Officer.
3. These Rules should be read in conjunction with Appendix 3 Council Procedure Rules.

Which meetings do the Regulations refer to?

4. The Regulations refer to the following:
 - Full Council;
 - Executive;
 - Committees;
 - Sub Committees; and
 - Annual Council (separate arrangements).

Full Council

5. There are no current arrangements planned to convene a meeting of Full Council unless one is deemed necessary. Should one be required, the Monitoring Officer will ensure it meets with the terms of the Regulations for remote meetings.

Annual Council

6. Separate guidance will be issued in due course.

Other Committees of the Council

7. Upon receipt of proposed items of business, the Monitoring Officer, in consultation with the relevant Portfolio Member and or Chair of a Committee and the Head of Paid Service and s151 Officer shall make arrangements for a remote meeting to take place in accordance with the Regulations using the risk assessment process meeting process being implemented.

Quoracy of Meetings

8. All remote meetings of the aforementioned meetings will operate with the minimum quoracy levels, which is as follows:
 - Annual Council – one quarter of the whole number of Members of the Council
 - Budget Council - one quarter of the whole number of Members of the Council
 - Full Council - one quarter of the whole number of Members of the Council
 - Executive – minimum of 4 Members;
 - Planning Committee – minimum of 4 Members (2 Liberal Democrat and 2 Labour); and
 - Licensing hearings held under Licensing Act 2003 – 3 Members.
9. In the event that a remote meeting starts quorate but, due to unforeseen circumstances, for example, IT issues, does not remain quorate, the Democratic Services Officer may temporarily suspend the meeting until the issue is resolved and the meeting can recommence. These circumstances will be fully reflected in the minutes produced for each meeting.

10. In order to avoid a meeting not being quorate should a Member experience IT issues and lose the connection to the remote meeting, there should be an additional two Members present above the minimum quoracy level for the relevant meeting.

Voting

11. All Members attending a meeting will be asked to enter a named vote where voting is required so as to aid clarity and transparency with the live streaming arrangements. To record a vote, the Democratic Services Officer will perform a roll call of all Members present and ask them to state their voting intention (For, Against, Abstain). The Officer will keep a clear note of the votes made. These will then be counted and recorded in the minutes. At the conclusion of the voting the numbers of votes cast for, against and abstentions will be announced as well as the outcome of the vote. In the event of any vote being equally divided the Chair will have a second or casting vote.

Access to documents

12. All agendas, reports and background papers will be available for public inspection by them being placed on and be available to view on the Council's website. There is no longer a requirement to produce a printed copy of an agenda for public distribution. (Regulations 15 and 16(4) and (5)).

Public Participation

13. The requirement to ensure that meetings are open to the public includes access by remote means, including video conferencing, live webcast and live interactive streaming. Where a meeting is accessible to the public through such remote means, the meeting is open to the public whether or not members of the public are able to attend the meeting in person.
14. The Council will endeavour to facilitate public participation where the meeting is being held remotely and where the IT platform allows for

this. There may be instances where the IT platform would not permit the number of public speakers who wish to speak, or, where there are unforeseen issues with IT. Any consideration to reduce public participation will take account of technical issues and fairness.

15. Remote meetings will have a standing item on the agenda regarding public participation. Members of the public may register to speak on an item on the agenda or an issue within the meeting's remit (but see Annexes 1 and 2 on licensing hearings and planning matters) by contacting Democratic Services using the contact details as set out in the agenda for the meeting no later than 5.00pm two working days before the meeting. Speakers will have a maximum of 3 minutes to speak and may subsequently be asked questions by Members. There is no public right of reply following the decision of the meeting.
16. For planning matters and licensing hearings, members of the public may speak on the matters or applications to be considered by members only. See the relevant Annex to this Appendix 22 for further detail. For Planning meetings, it will be at the Chair's discretion as to the number of speakers at that particular committee.
17. In exercising their right to public participation a member of the public is entitled to express views positive or negative about the performance of the Council but must not say anything which is defamatory or discriminatory, make any personal attack on an officer or disclose confidential or exempt information including personal information.
18. In the event that the Council are unable to facilitate public participation for a specific remote meeting, written questions for the public may be submitted for consideration at the meeting. Members of the public are strongly encouraged to email their comments in questions to the Democratic Services team prior to the meeting taking place so that in the event of technology difficulties, comments and views can still be taken into consideration at the meeting.
19. Meetings will be live streamed on the Council's YouTube website. Members of the public who wish to participate in meetings may need to familiarise themselves with the chosen video conferencing technology.

Arrangements for Confidential/Part II items of business

20. The Council have arrangements in place which will enable Members to go into a private session that is entirely separate to the public meeting to enable such matters to be dealt with in private.
21. Agendas will be organised so that such items are dealt with last, with the public excluded from that part of the meeting.
22. In the event there is a need to enter private session during the course of the meeting, for example to give Members the opportunity to seek legal advice, the meeting will be adjourned whilst Members and officers attend the private session. As soon as the private session has concluded, the public meeting will be re-opened so that business can be resumed. During this time, a “screen saver” will appear on the video-conferencing platform notifying anyone viewing of the short adjournment in the public element of the meeting.

Moving or cancelling remote meetings

23. The Monitoring Officer may, following consultation with the Chair of the relevant remote meeting move or cancel a remote meeting without notice.

Background Guidance

24. The Regulations allow Councils to devise arrangements to hold meetings remotely without all, or any, of the Members being physically present in a room. This allows for remote meetings through electronic, digital, virtual locations, live webcast, live interactive streaming, video and telephone conferencing. Authorities are empowered to make provision in their standing orders for remote attendance at meetings regarding, for instance, voting, member and public access to documents; and remote access of public and press

to a local authority meeting to enable their attendance or participation.

25. The Council have developed and implemented standing orders and other rules which can facilitate remote meetings which have now been incorporated into the Constitution in this Appendix 23:
 - a. Appendix 22 - Webcasting Protocol
 - b. Appendix 8 - Public Participation Rules
26. In the event that West Offices is in lockdown and remote meetings are being delivered in place of physical or hybrid meetings, the following will not occur:
 - Printed copies of an agenda will not be available;
 - Public inspection of any agenda items will be via the council website only.

Which ICT platform will City of York Council use to promote remote meetings that can be live streamed?

27. The ICT platform which the Council will use to facilitate remote attendance and access to its meetings may change during the course of a remote meeting, for example, going from public (Part I) to private (Part II) session. Factors, including securing and sharing data through these platforms will determine the platform used at any time. The platform used will enable the following to take place:
 - Contributions to be received from people using a wide variety of devices, not all of whom are on the Council network;
 - Being accessible to participants and members of the public who are either taking an active role or just observing; and
 - Presentations and documents (maps, plans, etc) to be displayed where required.
28. It should be noted that, wherever possible, local Officer Schemes of Delegation will continue to be fully promoted and utilised (i.e. Planning Area Sub-Committee), although it is recognised that this

may not be possible for some matters, i.e. certain licensing applications.

29. There may still be instances where urgent decisions are required. As such, the Council will continue to operate the Urgent Decision Making Guidance issued in March 2020 until further notice.
30. All meetings must be live streamed or live webcast (unless the meeting has resolved to go into private (Part II) session to deal with confidential or exempt information). They cannot be recorded and then uploaded to the Council's website at a later date.

What does "remote" meeting mean?

31. "Place" of a meeting is defined in Regulation 5(1) as:

"Where a meeting is held, to be held, includes reference to more than one place, including electronic, digital or virtual locations such as internet locations, web addresses or conference call telephone numbers".

32. Members are in remote attendance so long as they comply with all of the following conditions at the specific time (of the scheduled meeting) and are able to:
 - Hear, and where practicable see, and be so heard and where practicable be seen by, the other members in attendance;
 - Hear, and where practicable see, and be so heard and where practicable be seen by any members of the public entitled to attend the meeting in order to exercise a right to speak at the meeting; and
 - Be heard, and where practicable, be seen by any other members of the public attending the meeting.
33. Any reference to a member, or a member of the public is a member of the public attending the meeting and includes that person attending via remote access.
34. A member must therefore be able to fully engage with the meeting. No reference is made to officers who attend to advise Members.

However, they should be able to hear and be heard, and where practicable, seen, along with those other participants.

Remote access - Regulation 5 (6): Voting, Access to Documents, Public Participation

35. The regulations stipulate how remote meetings can be accessed and these require the Council to adopt revised standing orders. This includes provisions for:
- How Members vote at meetings;
 - How agendas and documents are accessed by Members, Officers and members of the public; and
 - How members of the public and press can remotely participate and attend meetings by electronic means including telephone conference, video conference, live webcasts or live interactive streaming.
36. Regulation 5 applies notwithstanding any prohibition or restriction in the Council's standing orders or other rules (Regulation 5(5)). It means that the Council does not have to draft revisions to its Constitution and have them approved by Full Council before commencing remote meetings. The Council is though empowered to change its standing orders and rules to address remote attendance but the legislation does not require it to do so. There will be a need to draw up some processes, in particular how public participation is facilitated, and to operate in a reasonable rational and fair manner. In the event that any remote meeting procedures conflict with the Council's constitution or standing orders, the provisions contained within this document takes precedence in relation to the governance of remote meetings.

Convening a Meeting

37. The Regulations have put alternative arrangements in place for the convening of a meeting including the flexibility of meetings taking place:

- Meetings can now be held on a date and time of the Council's choice;
 - The frequency of meetings can be altered; and
 - Meetings can now be held, moved or cancelled without requirement for further notice.
38. This means that the Council are not bound by the previously published meetings calendar and are free to schedule meetings much more flexibly to meet the local decision-making requirements. However, in the interests of fairness, the Council should give as much notice as possible.
39. It should be noted that hearings to determine licensing applications under the Licensing Act 2003 must be postponed or adjourned to a specified date notified to the parties, with stated reasons that are in the public interest. Please see Appendix 1 for further detail.

DRAFT

ANNEX 1 – GENERAL LICENSING AND TAXI LICENSING SUB – COMMITTEES PROCEDURE FOR REMOTE LICENSING HEARINGS

Introduction

1. This procedure sets out how City of York Council deals with remote hearings. This procedure must be considered in conjunction with Appendix 22: Procedure for Conduct of Remote Meetings which sets out how all meetings, including licensing hearings, are held in York.
2. The procedure adopted at a licensing hearing is at the discretion of the Sub-Committee but will normally follow the pattern outlined below.
3. The Council's licensing hearings procedure is based on regulations made under the Licensing Act 2003. The procedure is intended as a general framework to ensure natural justice and a fair hearing. The Sub-Committee has a duty to view all evidence presented before them impartially. The Sub-Committee is not bound by the formal rules of evidence. Nevertheless, Members must carry out their duty placing what weight they feel is appropriate given the nature of the evidence and the manner in which it was obtained, and communicated.
4. The Council will provide a record of the hearing in a permanent and intelligible form and keep it for 6 years from the date of determination or disposal of any Appeal. The live stream of the Hearing will be recorded and the recording placed on the Council's website.

Representations at Remote Licensing Hearings

5. The Applicant is permitted to speak at the remote hearing (see below). Ward Councillors, responsible Authorities and Representors are only permitted to speak if they have made written submissions during the consultation period. Any party to a hearing may be assisted or represented by any person, legally or otherwise.

6. All parties will be given a fair hearing and each party will have the same amount of time in which to address the Sub-Committee and question each other. Each party will have 15 minutes to address the Sub-Committee and call any witnesses and 5 minutes for questions.
7. However, where there are groups of individuals with a common interest, for example local residents making similar representations either for or against an application, consideration should be given to nominating a spokesperson. Otherwise the Sub-Committee may impose a time limit for such representations where there is pressure on the Sub-Committee to hear numerous applications in a short period of time or for any other valid reason.
8. The Sub-Committee may take into account any documentary evidence or other information in support of the application or representations either before the hearing or, with the consent of all other parties, at the hearing. The procedure set out in paragraph 14-18 will be followed.
9. If any Representors fail to attend the hearing, the Sub-Committee will normally proceed but will consider their written representation. In considering written evidence in the absence of a Representor, appropriate weight will be attached, given that the person cannot be questioned by Members.
10. The Sub-Committee is required to disregard any information given or evidence produced by a party or witness which is not relevant to the application, representations, or notice, and the promotion of the licensing objectives. Duplication should be avoided. Comments must be confined to those points already made, although the parties may expand on their written submissions. The Sub-Committee will have read and familiarised themselves with all the written submissions and the issues prior to the hearing, and therefore do not require the points to be made at length.
11. A Representor **may not** introduce any new ground or objection not referred to in their written submission. Additional representations which do not amount to an amplification of the original representation will not be considered by the Sub-Committee.

12. Any person behaving in a disruptive manner will be asked to leave the hearing. However, if this occurs, that person will be entitled to submit in writing any information they would have been entitled to give orally.

Procedure prior to the Remote Hearing

13. The Sub-Committee will use a video-conferencing platform when the hearing is in public session. Clear instructions will be provided to participants on how to join the remote hearing. The Sub-Committee may exclude the public from all or part of a hearing if it considers it is in the public interest to do so. Should any part of the hearing need to be held in private session, a separate private online meeting will be convened by the Sub-Committee using a secure video-conferencing platform. This video-conferencing platform will also be used for decision making in private.
14. All paperwork relevant to the hearing will be published online on the Council's website, 5 working days before the remote hearing. The documents will be produced in PDF format and will be paginated to permit ease of reference during the remote hearing. Name and address details of those making representations will be made public. Telephone numbers, email addresses and signatures will be omitted.
15. 5 working days before the remote hearing is due to take place, the Council will contact the parties with a list of issues they would like any party to specifically address them on or clarify at the hearing.
16. If in light of the Council's list of issues any party wishes to produce any further documentary evidence they should submit this to the Council by email three working days before the hearing.
17. Any documentary evidence that is not submitted to the Council by email three working days before the hearing will not be admitted without the agreement of all parties. If it is essential to a party's case that the material be admitted, then the Sub-Committee will consider adjourning the remote hearing to allow all parties a fair opportunity to consider it.

18. Should any party wish to rely on any points of law, specific references in the s.182 Guidance, specific references in the Council's Policy or any other external resources, these should be set down in an electronic document and submitted to the Council by email three working days before the hearing.

ANNEX 2: PROCEDURE FOR REMOTE PLANNING COMMITTEE AND PLANNING SUB-COMMITTEE MEETINGS

Introduction

1. This procedure sets out how City of York Council deals with remote Planning Committee and Sub-Committee meetings. This procedure is supplemental to, and must be considered in conjunction with, Appendix 22: Procedure for Conduct of Remote Meetings document which sets out how all meetings, including Planning Committee meetings, are held in York. Members must also continue to adhere to the Code of Good Practice for Councillors involved in the Planning Process at Appendix 17 of this Constitution.
2. The live stream of the meeting will be recorded and the recording placed on the Council's website.

Preparation for the Remote Planning Committee Meeting

3. The Planning Committee will use a video-conferencing platform when the meeting is in public session. Clear instructions will be provided to participants on how to join the remote meeting. A link for the general public to watch the meeting will be available on the Council's website.

Appendix 28 - Protocol on the Production and Content of Minutes of Meetings

1 Purpose

1.1 This protocol sets out formally:

- a) the principles and procedures for the drafting, clearing and publication of minutes of formal meetings of City of York Council; and
- b) guidance on the content of minutes.

2 Meetings to which the Protocol Relates

2.1 In this protocol “meetings” refers to meetings of the following bodies:

- a) City of York Council;
- b) those bodies to which Members are formally appointed at the Annual Meeting, i.e. the Executive and its committees and non-Executive Committees and their sub-committees; and
- c) any bodies of that nature established between Annual Meetings.

2.2 The records of meetings of working groups/parties and panels and task groups, or of joint meetings where City of York Council Democratic Services are responsible for the minutes, whether or not Members are appointed to them, need not follow the arrangements described in this protocol.

3 Production of Minutes

Responsibility

3.1 The production of minutes of meetings will be the responsibility of staff of Democratic Services only (referred to in this Protocol as the committee administrator”).

Timescales

- 3.2 The normal timescales for the production of minutes will be:
- a) draft minutes - within 5 working days of the meeting;
 - b) publication on the Council's website of the final draft – within 10 working days of the meeting.

Clearance

- 3.3 To reinforce the role of the committee administrator as an impartial recorder and interpreter of decisions taken at a meeting, the drafts of minutes will only be cleared with:
- a) the Monitoring Officer, if they or their representative was present at the meeting; or
 - b) the Democratic Services Manager, if they or their representative was present at the meeting; or
 - c) another senior officer present at the meeting if neither (a) nor (b) was present.
- 3.4 No Member will be consulted on the wording of draft minutes.
- 3.5 In exceptional circumstances other officers who were present at the meeting may be consulted on a draft minute to clarify complex or technical information reported at the meeting which needs to be included in the minutes.
- 3.6 To avoid any uncertainty among those present at the meeting, it will be the responsibility of the committee administrator to seek clarification of any decision or amendment before or at the time of it being put to the vote or agreed, where, in the view of the committee administrator, there exists any doubt or confusion about what the committee has decided or has been asked to decide.

4 Status of published draft/approved minutes

- 4.1 The published minutes of a meeting will be regarded as an unofficial record of the meeting until they are formally approved by the next available meeting of the relevant body, although in the meantime the decisions taken will in normal circumstances have been implemented, subject to any post decision call in relating to Executive decisions.
- 4.2 Once formally approved by the body, the minutes will be regarded for legal purposes as the only formal record of the meeting. The committee administrator will, at that point destroy any notes he or she took at the meeting on which the minutes were based.
- 4.3 Where a change to the minutes is made at the meeting at which they are signed, the amended record will be published on the website and the changes written by hand on the paper copy signed by the Chair.

5 Content of a Minute

- 5.1 The minutes of a meeting will typically comprise the following:
- a) where appropriate, a reference number for any previous minute on the subject;

- i) in the case of minutes of the Executive, an outline of the options available in making a decision on the subject, a note of the option chosen and the reasons for choosing it;
- j) a record of any discussion on the subject. That record will include:
 - any additional information (either written or oral) presented at the meeting not contained in the report on the subject. This might be a full or summarised record of the information presented;
 - any amendments formally moved or seconded by Members and a note of whether or not they were approved;
 - apart from formal amendments, any general discussion on the subject which has a bearing on or which, in the view of the Monitoring Officer and/or representative of the Monitoring Officer when considering the draft minutes prior to publication will enhance a reader's understanding of the reasons for a decision.
- f. if requested under the relevant Procedure Rules, a record of the vote taken on the subject or the names of members who indicate their wish that the minutes record how they voted; and
- g. the full resolution on the subject, incorporating any amendments made to a recommendation or motion, and worded in such a way as to be clear, with minimal reference to other written records, the meeting's decision and intentions.
- h. Any urgent business which the Chair has agreed to take in accordance with statutory provisions, together with the reasons why.

5.2 The names of individual members will not be recorded as part of the discussion on a subject unless they move or second a formal motion or amendment.

- 5.3 The names of individual Officers will not be recorded as part of the discussion on a subject. Job titles may be included for Head of Service and above.
- 5.4 Minutes covered by the Protocol will indicate the time when a Member arrives if it is after the meeting has commenced or the time they leave if it is before the meeting has closed.
- 5.5 Minutes will indicate the time consideration of an individual item commences.

6 Record of Questions/Statements

- 6.1 Where Members, who are not members of the body, are allowed to ask questions or make statements at the meeting, the minutes will provide a fair and coherent summary of any question and the response given. The names of individual members will not normally be recorded as part of the discussion. In the case of Council meetings, questions to Executive Members and the responses given will, as far as possible, be recorded in full.
- 6.2 A record of any questions asked or statements made by the public at a meeting will normally provide a brief outline of the question or statement and short but coherent summary of the response given.
- 6.3 In exceptional circumstances a question on a matter of particular importance or wide public concern, and the answer given to it, may justify a fuller record but this will be at the discretion of the Head of Democratic Governance in consultation with other relevant officers.

Appendix 29 – Joint Standards Committee Procedures

CASE HANDLING PROCEDURE

Background

Under Section 28 of the Localism Act 2011, City of York Council must have in place “arrangements” under which allegations that an elected or co-opted councillor of the Council or of a town or parish council within the Council’s area (herein after referred to as the ‘subject member’) has failed to comply with the Council’s Code of Conduct can be considered and decisions made on such allegations.

These arrangements provide for the Council to appoint at least one Independent Person whose views must be sought by the Council before it takes a decision on an allegation that it has decided to investigate, and whose views can be sought by the Council at any other stage, or by the subject member against whom an allegation has been made.

The Council has adopted a Code of Conduct for councillors (the Code), which is published on the Council’s website and is available for inspection on request from the Council’s office.

Each town and parish council is also required to adopt a Code of Conduct which should be available on their website.

Initial assessment

1. All allegations, including those against a town or parish councillor, must be made in writing, ideally by completing the complaints form available on the Council’s website, to the monitoring officer of City of York Council (MO).
2. Within 3 working days of receipt of the complaint the MO will acknowledge the complaint.
3. Anonymous complaints will not be accepted unless the MO concludes that there is a compelling public interest why a serious allegation made anonymously may be taken forward.

4. The MO will apply an initial filter to an allegation – for example, to check that the complaint is against a councillor, that they were in office at the time of the alleged incident and that the matter would be capable of being a breach of the Code. The Council has no authority to deal with complaints which relate solely to a councillor's private life or things they do which are not related to their role as a councillor or as a representative of the council. The MO will keep a record of all complaints made including those which do not pass the initial filter.
5. The MO must refer a complaint to the Joint Standards Committee Assessment Sub-Committee where the subject member or complainant is a member of the Executive or Shadow Executive or a committee chair or deputy. The MO may also refer a complaint either to the deputy monitoring officer (DMO) or the Assessment Sub-Committee where the MO has a conflict of interest. Circumstances where there may be a conflict of interest would include (but are not limited to) where the MO is the complainant, a key witness or where the MO has already advised on matters which are the subject of the complaint. Where this is done, references to the MO in this section should be substituted by the DMO or the JSC Assessment Sub-Committee.
6. Complaints which identify criminal conduct or breach of other regulations by any person may be referred by the MO to North Yorkshire Police for consideration, or any other regulatory agency. In such cases the MO may pause the consideration of the complaint pending action by the other body.
7. If the MO decides the matter is within scope, they will invite an Independent Person (IP) to give their views on what action should be taken at this stage. That IP will then remain the IP who will be consulted on that case throughout this process, except in exceptional circumstances. Where a matter has not been referred to the JSC Assessment Sub-Committee, the MO will also consult with the chair or vice chair of the JSC.
8. The MO will also notify the subject member of the complaint within three working days unless there are compelling reasons not to, together with a copy of the complaint (or relevant extracts) and a summary of the process to be followed, and invite them to submit any relevant comments. The subject member will be given 10 working days to respond from the date of the notification. In parish council

cases the MO may also notify the clerk and may ask for relevant factual information. However, the MO, in consultation with an IP, may withhold the complainant's identity if they can be satisfied that there are reasonable grounds for granting confidentiality, for example a belief that the complainant or any witness to the complaint may be at risk of physical harm or intimidation, or that their employment may be jeopardised if their identity is disclosed.

9. At the end of the 10 working days from notifying the subject member (regardless of whether any comments have been received from the subject member), and after seeking the views of the IP and consulting with the chair or vice chair of the JSC the MO will decide one of the following outcomes:
 - a. to take no further action;
 - b. to seek to resolve the matter informally; or
 - c. to refer the matter for investigation.

10. In deciding what action is necessary the MO will consider the following non-exclusive factors:
 - a. does the complaint contain sufficient evidence to demonstrate a potential breach of the Code?;
 - b. are there alternative, more appropriate, remedies that should be explored first?;
 - c. where the complaint is by one councillor against another, a greater allowance for robust political debate (but not personal abuse or "unparliamentary" language) may be given;
 - d. is the complaint in the view of the MO malicious, politically motivated, or 'tit for tat'?;
 - e. whether an investigation would not be in the public interest or the matter, even if proven, would not warrant any sanction;
 - f. whether the complaint is the same as one which has previously been considered and no new material evidence has been submitted within the current administration;
 - g. whether the same complaint has been submitted and accepted;
 - h. does the complaint relate to conduct in the distant past (over six months before)? This would include any reason why there had been a delay in making the complaint;
 - i. does the complaint actually relate to dissatisfaction with a Council (or parish council) decision rather than the specific conduct of an individual?; and

- j. is it about someone who is no longer a councillor or who is seriously ill?
11. All parties (and the clerk for parish cases) will be notified of the decision and there is no internal right of appeal against that decision.
 12. A decision notice will be produced as a matter of record but will not be published at this stage though the Council may issue a public statement if details of the complaint are already in the public domain.
 13. The MO will report to the JSC for information on cases in which there has been no further action taken.

Informal resolution

14. Where the MO has decided to seek to resolve the matter informally, they may do one or more of the following:
 - a. ask the subject member to submit an apology in writing to the complainant;
 - b. convene a meeting between the subject member and the complainant in order to try to resolve the issue informally;
 - c. notify the subject member's group leader (where they are a member of a political group) and suggest that they may wish to take some internal group action;
 - d. suggest that the subject member undergo relevant training;
 - e. other such action that the MO deems appropriate.
15. The MO will decide on a timeframe within which the informal resolution must be completed to an acceptable standard.
16. If either the subject member or complainant refuses to engage with the informal resolution proposed by the MO, or the MO deems the action taken by the subject member insufficient or the informal resolution does not take place in a timely way the MO will decide, in consultation with an IP, whether the case should be closed, whether an investigation is necessary or whether some other action should be taken. If the MO and the IP are not in agreement about how to proceed the case will be referred to the chair or vice chair of the JSC for a decision.

17. The MO will notify the complainant (and clerk in parish cases) of the outcome of the informal resolution.
18. The MO will report to the JSC on the outcome of any informal resolutions proposed and/or implemented.

Investigation

19. Where a matter is referred for investigation, the MO may carry out the investigation themselves, delegate it to another officer or contract it out to an outside body.
20. The investigation must normally be completed within 3 months of the MO decision to refer the complaint for investigation. If an extension of time is needed the MO must agree that extension with the JSC chair and the IP and notify the subject member, complainant (and clerk in parish cases) of any extension with reasons.
21. The subject member is notified who the relevant IP is for the case and may seek their views at any stage during the investigation.
22. The complainant is also notified who the IP is and may make a request to the MO to seek the views of the IP. However, such a request will only be granted at the discretion of the IP in consultation with the MO.
23. At any time while the investigation is underway the MO, the subject member or the complainant may ask for an informal resolution. The MO will consult with the relevant IP whether to agree with the request.
24. Before concluding the investigation, a draft report will be produced and the complainant, subject member and IP will be invited to comment. Witnesses may also be asked to comment as appropriate on parts of the draft report relevant to them.
25. Where the investigation has not been personally conducted by the MO, the final decision as to the findings of the report will be made by the MO unless there is a conflict of interest, in which case the decision will be taken by the DMO.

26. There may be exceptional circumstances when the MO decides that a case should be closed before a draft or final report has been produced due to a significant change in circumstances. This may include, for example that the subject member is seriously ill or is no longer a councillor or other action has led to the matter being resolved. In such cases the MO should consult the IP before deciding that the file be closed. A record of the complaint will be kept on file in the event that the subject member returns to office in the future and a subsequent complaint is lodged against them.
27. At the end of the investigation the MO may conclude:
- a. that there has been no breach of the Code;
 - b. to seek to resolve the matter informally; or
 - c. to refer the matter to the JSC for determination.
28. In cases where the MO has concluded that there has been no breach of the Code all parties (and the clerk in parish cases) will be notified of the decision and there is no right of internal appeal against that decision. The MO will report the finding to the JSC and issue a public decision notice.
29. Where the MO decides to seek to resolve the matter informally, they shall seek the views of the IP and complainant before concluding whether such an outcome is appropriate. The possible resolutions are those outlined above at paragraph 14. If the subject member or complainant refuses to engage with the informal resolution directed by the MO, the MO deems the action taken by the subject member insufficient or the informal resolution does not take place in a timely way the MO will decide, in consultation with the IP and chair or vice chair of the JSC, whether the case should be closed or whether a hearing is necessary. The MO will notify the complainant (and clerk in parish cases) of the outcome of the informal resolution and any further steps.
30. Where the matter is referred for determination, the hearings panel of the JSC will convene within 2 months. The MO will notify the subject member and complainant of the date of the hearing and provide them with a written outline of the hearing procedure.

Hearings Panel

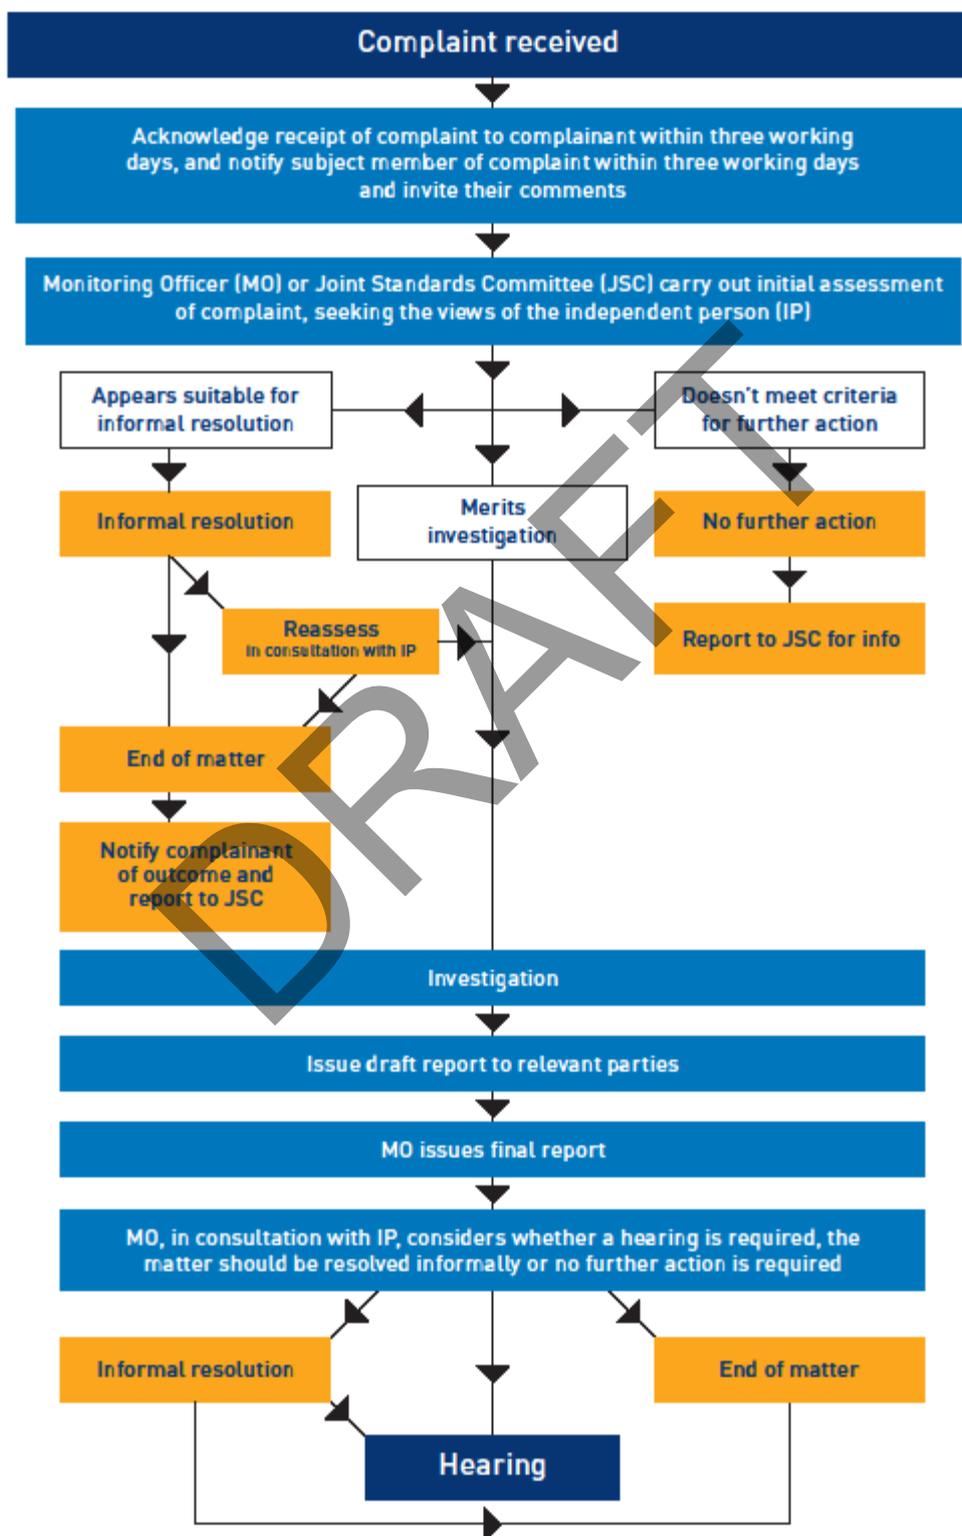

31. A matter referred for determination by the MO will be heard by a hearings panel, made up of members of the JSC.
32. At the start of the hearing the MO will ask the Hearings Panel to consider whether the matter should be heard in public or in private, subject to the normal rules on exempt and confidential information and bearing in mind the public interest. The Hearings Panel will always, however, retire in private to consider its findings and possible action.
33. The views of the IP will be sought by the Hearings Panel and made public before the Hearings Panel reaches its decision.
34. The Hearings Panel may decide:
 - a. that there has been no breach of the Code;
 - b. that there has been a breach but to take no further action; or
 - c. that there has been a breach and a relevant sanction should be imposed or recommended.
35. If the Hearings Panel decides that a relevant sanction should be imposed or recommended it may impose or recommend any one or more of the following:
 - a. report its findings in respect of the subject member's conduct to Council (or the relevant parish council);
 - b. issue (or recommend to the parish council to issue) a formal censure;
 - c. recommend to the subject member's group leader (or in the case of un-grouped councillors, recommend to Council) that they be removed from any or all committees or sub-committees of the Council (or recommend such action to the parish council);
 - d. recommend to the Leader of the Council that the subject member be removed from positions of responsibility.
 - e. instruct the MO to (or recommend that the parish council) arrange training for the subject member;
 - f. recommend to Council (or recommend to the parish council) that the subject member be removed from all outside appointments to which they have been appointed or nominated by the Council (or by the parish council);

- g. recommend to Council (or recommend to the parish council) that it withdraws facilities provided to the subject member by the Council for a specified period, such as a computer, website and/or email and internet access; or
- h. recommend to Council (or recommend that the parish council) that it excludes the subject member from the Council's offices or other premises for a specified period, with the exception of meeting rooms as necessary for attending Council, committee and sub-committee meetings and/or restricts contact with officers to named officers only;
- i. if relevant, recommend to the Council that the subject member be removed from their role as Leader of the Council;
- j. if relevant recommend to the secretary or appropriate official of the group that the councillor be removed as Group Leader or other position of responsibility.

36. All parties (and the clerk in parish cases) will be notified of the Hearing Panel's decision and there is no right of internal appeal against that decision.

A decision notice will be published on the Council website within 5 working days of the Hearings Panel decision.

Case Handling Flowchart

INITIAL ASSESSMENT BY AN ASSESSMENT SUB-COMMITTEE PROCEDURE

Background

Under Section 28 of the Localism Act 2011, City of York Council must have in place “arrangements” under which allegations that an elected or co-opted member of the Council or of a town or parish council within the Council’s area has failed to comply with the Council’s Member Code of Conduct can be considered and decisions made on such allegations.

These arrangements provide for the Council to appoint at least one independent person (IP) whose views must be sought by the Council before it takes a decision on an allegation that it has decided to investigate, and whose views can be sought by the Council at any other stage, or by the member against whom an allegation has been made (subject member).

The Council has adopted a Member Code of Conduct (the Code), which is published on the Council’s website and is available for inspection on request from the Council’s office.

Each town and parish council is also required to adopt a Code of Conduct which should be available on their website.

The following procedures set out the process to be followed when an allegation is referred by the monitoring officer (MO) for an assessment by a sub-committee of the Joint Standards Committee (JSC).

Initial assessment by an assessment sub-committee

1. All allegations, including those against a town or parish councillor, must be made in writing, ideally by completing the complaints form available on the Council’s website, to the MO of City of York Council. In most circumstances the Council has delegated the decision as to whether or not to take any further action on a complaint to the MO. However, in certain circumstances the MO will refer the matter to an assessment sub-committee (see paragraph 5 of the Case Handling Procedure). This is either where the MO has a conflict of interest or because the complaint is about certain senior members of the City Council as set out in paragraph 5 of the Case Handling Procedure.

2. The MO will only refer matters to the Assessment Sub-Committee after having applied the initial filter in paragraph 4 of the Case Handling Procedure to assess whether the complaint falls properly within the jurisdiction of the framework. However, where there is some doubt (for example it is unclear on the face of it whether the matter related to the member's role as a councillor or representative of the authority) the presumption would be that the matter should be referred to the Assessment Sub-Committee. This process sets out the procedure to be followed by the Assessment Sub-Committee upon receipt of a referral from the MO.
3. A matter referred for determination by the MO will be heard by an assessment sub-committee, made up of members of the JSC. This Sub-Committee will consist of three members. The Council has agreed that political proportionality rules do not apply to the Assessment Sub-Committee. Where the matter relates to a parish councillor a parish representative will be one of the three Sub-Committee members.
4. At the start of the assessment the MO will ask the Assessment Sub-Committee to consider whether the matter should be heard in public or in private, subject to the normal rules on exempt and confidential information and bearing in mind the public interest. Given that this is an early consideration of an allegation where no findings of fact has been made, however, there would be a presumption that the matter is heard as a confidential item.
5. The Assessment Sub-Committee will meet within three weeks of the MO referring the matter to them.
6. The views of the IP will be sought by the Assessment Sub-Committee and included in any report to the Sub-Committee.
7. In considering the complaint, the Assessment Sub-Committee will receive a report from the MO (or deputy MO if the MO is conflicted) setting out the complaint, matters to be considered by the Sub-Committee and the available options as to next steps. It would also include any comments received from the subject member in response to the complaint. The MO may also include any relevant factual material such as minutes of a meeting or a copy of a subject member's register of interests. This part of the process is not a formal investigation but is to establish whether or not there is a 'case to

answer'. As such the Sub-Committee should consider the matter on the papers with relevant supporting information but cannot call witnesses.

8. The Assessment Sub-Committee may decide:
 - a. that no further action is required;
 - b. that the matter should be referred for formal investigation; or
 - c. that some form of informal resolution should be carried out.
9. In reaching its decision it must consider the same range of factors as set out in the Case Handling Procedure.
10. If the Assessment Sub-Committee decides that no further action is required it will produce a decision notice and notify the complainant and the subject member (and parish clerk if appropriate) within three working days.
11. If the Assessment Sub-Committee decides the matter should be referred for formal investigation, it must produce a Decision Notice and instruct the MO to arrange for the matter to be investigated. In doing so it should specify to the MO whether it believes the investigation needs to be done externally from the authority, bearing in mind the significance and complexity of the case. The MO should then notify the complainant and subject member (and parish clerk if appropriate) that the matter is to be investigated and outline the process to be followed within three working days.
12. If the Assessment Sub-Committee decides the matter should be referred for an informal resolution, it must produce a Decision Notice and instruct the MO to arrange for the action to be carried out. In doing so it should specify to the MO what action it believes to be appropriate and a timescale. The MO should then notify the complainant and subject member (and parish clerk if appropriate) within three working days.

There is no internal right of appeal against the decision of the Assessment Sub-Committee.

WHAT TO EXPECT IF YOU'RE SUBJECT TO A CODE OF CONDUCT COMPLAINT

1. How is a complaint made?

A complaint is usually made by means of a completed complaint form. A copy of the complaint form is available to download from the Council website [here](#).

The monitoring officer (MO) will then apply an initial filter to the complaint – for example, to check that it is actually against a serving councillor, that they were in office at the time of the alleged incident and that the matter if proven would be capable of being a breach of the Code. If the complaint does not meet these legal tests the complainant will be told that no further action can be taken. The MO will keep a record of all complaints made including those which do not pass the initial filter.

2. How will I be notified of the complaint?

If the complaint passes the initial filter the MO will notify you of the complaint and send you a copy (or relevant extracts) and the process to be followed within three working days unless there are compelling reasons not to do so. You will also be asked to send any relevant comments to the MO within 10 working days from when the MO tells you about the complaint. In parish and town council cases the MO may also notify the clerk and ask them for any relevant factual information. The MO may refer some complaints to an assessment sub-committee of the Joint Standards Committee (JSC) in which case you will also be told that the JSC will be making the initial decision in your case.

3. Will I know who has made the complaint?

You will usually be informed of the complainant's identity. However, the MO, in consultation with an independent person (IP), may withhold the complainant's identity if they are satisfied that there are reasonable grounds for granting confidentiality.

Anonymous complaints will not be accepted unless the MO concludes that there is a compelling public interest why a serious allegation made anonymously should be taken forward.

4. When may the complainant be granted confidentiality?

Requests for confidentiality will be considered on a case-by-case basis but reasonable grounds may include a belief that the

complainant or any witness to the complaint may be at risk of physical harm or intimidation, or that their employment may be jeopardised if their identity is disclosed.

5. How will the complaint to be considered?

At the end of the 10 working days from sending you the complaint the MO (or Assessment Sub-Committee of the JSC) will decide:

- a. to take no further action; or
- b. to try to resolve the matter informally; or
- c. to refer the matter for investigation.

Before taking this decision the MO will ask an IP for their views on what action should be taken and will also consult with the chair or vice chair of the Joint Standards Committee unless the matter is being decided by the Assessment Sub-Committee of the JSC. In deciding what action is necessary the MO (or the Assessment Sub-Committee of the JSC) will consider the following non-exclusive factors:

- a. does the complaint contain sufficient evidence to demonstrate a potential breach of the Code?;
- b. are there alternative, more appropriate, remedies that should be explored first?;
- c. where the complaint is by one councillor against another, a greater allowance for robust political debate (but not personal abuse or “unparliamentary” language) may be given;
- d. is the complaint in the view of the MO malicious, politically motivated, or ‘tit for tat’?;
- e. whether an investigation would not be in the public interest or the matter, even if proven, would not warrant any sanction;
- f. whether the complaint is the same as one which has previously been considered and no new material evidence has been submitted within the current administration;
- g. whether the same complaint has been submitted and accepted;
- h. does the complaint relate to conduct in the distant past (over six months before)? This would include any reason why there had been a delay in making the complaint;
- i. does the complaint actually relate to dissatisfaction with a Council (or parish council) decision rather than the specific conduct of an individual?; and
- j. is it about someone who is no longer a councillor or who is seriously ill?

6. What contact can I expect from the MO after the assessment of the complaint?

You will be notified of the MO's decision, and there is no internal right of appeal against that decision.

A decision notice will be produced as a matter of record but will not be published at this stage though the Council may issue a public statement if details of the complaint are already in the public domain.

7. What happens if the MO seeks to resolve the matter informally?

Where the MO has decided to seek to resolve the matter informally, they may do one or more of the following:

- a. seek an apology from you in writing to the complainant;
- b. convene a meeting between you and the complainant in order to try to resolve the issue informally;
- c. notify your group leader (if you are a member of a political group) and suggest that they may wish to take some internal group action;
- d. suggest that you undergo relevant training;
- e. other such action that the MO deems appropriate.

The MO will decide on a timeframe within which the informal resolution must be completed to an acceptable standard.

If either you or the complainant do not engage with the informal resolution, or the MO deems the action taken by you is insufficient or the informal resolution does not take place in a timely way the MO will decide, in consultation with an IP, whether the case should be closed, whether an investigation is necessary or whether some other action should be taken. If the MO and the IP do not agree the chair or vice chair of the JSC will be asked to decide.

The MO will notify the complainant (and clerk in parish cases) of the outcome of the informal resolution and will report to the JSC on the outcome of any informal resolutions proposed and/or implemented.

8. What happens if the matter is referred for investigation?

Where a matter is referred for investigation, the MO may carry out the investigation themselves, delegate it to another officer or contract it out to an outside body.

The investigation must normally be completed within 3 months. If an extension of time is needed the MO will notify you of any extension with reasons.

You will be notified of who the relevant IP is for the case and you may seek their views at any stage during the investigation.

At any time while the investigation is underway you, the MO or the complainant may ask for an informal resolution. The MO will consult with the relevant IP whether to agree with the request.

Before concluding the investigation, a draft report will be produced and you, the complainant and the IP will be asked to comment. Witnesses may also be asked to comment on parts of the draft report relevant to them.

There may be exceptional circumstances when the MO decides that a case should be closed before a draft or final report has been produced due to a significant change in circumstances. In such cases the MO will consult the IP before closing the file. A record of the complaint will be kept on file.

At the end of the investigation the MO may conclude:

- a. that there has been no breach of the Code;
- b. to seek to resolve the matter informally; or
- c. to refer the matter to the JSC for determination.

In cases where the MO has concluded that there has been no breach of the Code you will be told of the decision and there is no right of internal appeal against that decision. The MO will report the finding to the JSC and issue a public decision notice.

Where the MO decides to seek to resolve the matter informally, they will seek the views of the IP and complainant before concluding whether such an outcome is appropriate. If you or the complainant do not engage with the informal resolution, the MO deems the action taken by you insufficient or the informal resolution does not take place in a timely way the MO will decide, in consultation with the IP and chair or vice chair of the JSC, whether the case should be closed or whether a hearing is necessary. The MO will notify the complainant

(and clerk in parish cases) of the outcome of the informal resolution and any further steps.

9. Will I have to attend a hearing?

A matter referred for determination by the MO will be heard by a hearings panel, made up of members of the JSC. There is no requirement for you to attend the hearing though you will be invited and may ask somebody to help you with your case. You will also be asked if you want any witnesses to come to the hearing to help your case.

At the start of the hearing the Hearings Panel will decide whether the hearing will be in public or in private, subject to the normal rules on exempt and confidential information and bearing in mind the public interest. The hearings panel will always, however, retire in private to consider its findings and possible action.

The IP will give their views to the Hearings Panel before it makes a finding on the case.

The Hearings Panel may decide:

- a. that there has been no breach of the Code;
- b. that there has been a breach but to take no further action; or
- c. that there has been a breach and a relevant sanction should be imposed or recommended.

If the Hearings Panel decides that a relevant sanction should be imposed or recommended it may impose or recommend any one or more of the following:

- a. report its findings in respect of your conduct to Council (or the relevant parish council);
- b. issue (or recommend to the parish council to issue) a formal censure;
- c. recommend to your group leader (or in the case of ungrouped councillors, recommend to Council) that you be removed from any or all committees or sub-committees of the Council (or recommend such action to the parish council);

- d. recommend to the Leader of the Council that you be removed from positions of responsibility.
- e. instruct the MO to (or recommend that the parish council) arrange training for you;
- f. recommend to Council (or recommend to the parish council) that you be removed from all outside appointments to which you have been appointed or nominated by the Council (or by the parish council);
- g. recommend to Council (or recommend to the parish council) that it withdraws facilities provided to you by the Council for a specified period, such as a computer, website and/or email and internet access; or
- h. recommend to Council (or recommend that the parish council) that it excludes you from the Council's offices or other premises for a specified period, with the exception of meeting rooms as necessary for attending Council, committee and sub-committee meetings and/or restricts contact with officers to named officers only;
- i. if relevant, recommend to the Council that you be removed from your role as Leader of the Council;
- j. if relevant recommend to the secretary or appropriate official of the group that you be removed as group leader or other position of responsibility.

10. What can I do if I disagree with the decision of the hearing panel?

There is no right of internal appeal against that decision.

11. Are the outcomes of the hearings published?

You, the complainant (and the clerk in parish cases) will be told of the outcome and a decision notice will be published on the Council website within 5 working days of the Hearings Panel decision.

12. Who should I go to if I have a question about the process?

The MO or Deputy MO should be able to answer any questions you have about the process.

CONFLICTS OF INTEREST GUIDELINES FOR MEMBERS AND OFFICERS

Members

A member must not participate in any part of the assessment or hearings process if they are:-

- the complainant;
- a potential witness to, or the subject of the complaint;
- closely associated with someone who is the complainant, a potential witness, or the subject of the complaint;
- a parish representative and the matter concerns their own parish council.

A member of the Joint Standards Committee (JSC) who is involved in the initial assessment of a complaint can be a member of the Hearings Panel which hears and determines the complaint at the conclusion of an investigation even if they were involved in the initial assessment decision, subject to the same tests for any conflict of interest. Each case where this could occur should however be considered carefully on its own particular circumstances, in order to assess whether there might be any perceptions of potential unfairness or bias, which would justify the member concerned not being involved in the hearing/determination.

Officers

An officer who has previously advised the subject member, another member or the complainant about the issues giving rise to the complaint, should consider carefully whether they can be involved in any part of the assessment or hearings process at all.

An officer who has taken part in supporting the assessment and/or hearing process, should not be involved in the investigation of the matter, and vice-versa.

Members and officers

Members and officers should also take care to avoid any personal conflicts of interest in relation to the consideration of a complaint that a member may have breached the Code of Conduct.

The provisions of the Council's Member Code of Conduct regarding interests apply to Joint Standards Committee members in assessments and hearings.

These provisions should also be considered by officers to apply to them in the same way that they apply to members, so that anyone (member or officer) who has an interest or is otherwise personally involved with a complaint in any way, must not take part in the assessment or hearing of that complaint.

The circumstances where a member or officer must not take part in an assessment or hearing of a complaint, include the following:-

- the member or officer or a relative or close associate of the subject member or an officer who is directly involved in the case;
- the complaint is likely to affect the well-being or financial position of the member or officer or the well-being or financial position of a family member, friend or close associate more than it affects the majority;
- a family member, friend or close associate of the member or officer is involved in the case;
- the member or officer has an interest in any matter relating to the case. For example, it concerns another member's failure to declare an interest in a planning application in which the member or officer has an interest.

HEARINGS BEFORE A HEARINGS PANEL OF THE JOINT STANDARDS COMMITTEE PROCEDURE

1. Formal hearings will be conducted by a panel of three councillors drawn from membership of the Joint Standards Committee (JSC) on the basis of availability plus an Independent Person (IP) who will not be a member of the Hearings Panel but whose views the Panel must have regard to.
2. The Hearings Panel need not reflect the political proportionality of the Council as a whole.
3. The monitoring officer (MO) will advise the Hearings Panel at the start of the meeting, whether in their opinion the Panel should meet in public or private having regard to:
 - a. the rules on confidential and exempt information as defined by Schedule 12A, Local Government Act, 1972; and whether
 - b. in all the circumstances of the case, the public interest in maintaining any exemption outweighs the public interest in disclosing the information.
4. The Council's published Public Participation Protocol as contained within the Council's Constitution will not apply without exception. This means that where the hearing is held in public, members of the public will not be allowed to address the Panel on any matter unless they are formally part of the proceedings, for example as a witness.
5. Before a Hearings Panel meets, the MO shall write to the subject member with a copy of the report, notifying them of the date of the hearing and asking:
 - a. whether they accept the finding in the investigation report;
 - b. whether they dispute any factual part of the report, identifying any areas of dispute;
 - c. whether the subject member wishes to call any witnesses at the hearing (only witnesses identified to the investigating officer by the subject member may be called as witnesses. In law, witnesses do not have to attend a hearing);
 - d. whether they wish to be accompanied at the hearing.
6. Where the investigation has not been carried out by the MO, the MO will also ask the investigator if they wish to call any witnesses in addition to any called by the subject member. (Only witnesses

identified as part of the investigation may be called as witnesses – as 5.c. above)

7. The MO will also write to the complainant with a copy of the report, notifying them of the date of the hearing and asking them if they wish to attend and/or make any further representations. They are not required to attend and the hearing may continue if the complainant is not present or has made no further representation.
8. In advance of a meeting of a Hearings Panel its members shall seek to agree who will chair the hearing. The chair may issue directions about the conduct of the hearing, including the number and suitability of suggested witnesses. A member of a Hearings Panel shall not act as chair unless they have received relevant training.
9. Subject to the discretion of the chair, the hearing shall be conducted as follows:
 - a. The investigating officer will be invited to present their report and to call witnesses. The subject member and the Panel (including the IP), in that order, may ask questions or seek clarification both of the investigating officer and any witnesses.
 - b. The subject member will be invited to comment on the report and its findings and to call any witnesses. The investigating officer and the Panel (including the IP), in that order, may ask questions or seek clarification both of the subject member and any witnesses.
 - c. The investigating officer and the subject member will be invited, in that order, to make brief concluding remarks.
 - d. The subject member will remain present throughout the hearing although any witnesses would only be present when being invited to present their evidence.
10. The chair and Hearings Panel, including the IP, may ask for advice at any stage from the MO or another officer appointed to advise the Panel.
11. Once the hearing has been concluded, the IP will express their views. The Hearings Panel and the MO, or other officer where the MO is the investigator or has a conflict of interest, will then retire to consider its decision. The Hearings Panel is required to do the following:
 - i. to make findings of the facts,

- ii. to decide on whether these facts constitute a breach of the Code of Conduct, and
 - iii. where a breach is found, to decide on the appropriate sanction.
12. In deciding whether or not to uphold the complaint the Hearings Panel must apply, as the standard of proof, the balance of probability. Any officer present is simply there to advise the Panel and is not part of the decision-making process.
13. The Hearings Panel will then return and announce its findings on whether there has been a breach of the Code, and give reasons.
14. Following announcement of the Hearing Panel's findings, the investigating officer and the subject member will be invited to make submissions, if necessary, regarding remedies or sanctions. The IP may also be asked to give any further views.
15. The Hearings Panel with the MO or other appropriate officer will then retire again to consider what, if any, sanction it wishes to impose. It will then announce its decision and give reasons. Following the hearing, a Decision Notice will be issued within 3 working days, and a copy shall be sent to the complainant and subject member, and to the parish clerk where it is a parish council case.
16. There is no internal right of appeal against a decision on a Code of Conduct complaint.
17. The decision will be published on the Joint Standards Committee pages of the Council's website. This includes decisions relating to members of town or parish councils.

Sanctions available to a Hearings Panel

18. The Hearings Panel has powers to take action in respect of individual councillors as necessary to promote and maintain high standards of conduct.
19. The Hearings Panel may do one, or a combination, of the following:
 - a. report its findings in respect of the subject member's conduct to Council (or the relevant parish council);
 - b. issue (or recommend to the parish council to issue) a formal censure;

- c. recommend to the subject member's group leader (or in the case of un-grouped members, recommend to Council) that they be removed from any or all committees or sub-committees of the Council (or recommend such action to the parish council);
- d. recommend to the Leader of the Council that the subject member be removed from positions of responsibility;
- e. instruct the MO to (or recommend that the parish council) arrange training for the subject member;
- f. recommend to Council (or recommend to the parish council) that the subject member be removed from all outside appointments to which they have been appointed or nominated by the Council (or by the parish council);
- g. recommend to Council (or recommend to the parish council) that it withdraws facilities provided to the subject member by the Council for a specified period, such as a computer, website and/or email and internet access; or
- h. recommend to Council (or recommend that the parish council) that it excludes the subject member from the Council's offices or other premises for a specified period, with the exception of meeting rooms as necessary for attending Council, committee and sub-committee meetings and/or restricts contact with officers to named officers only;
- i. if relevant recommend to the Council that the subject member be removed from their role as leader of the Council;

if relevant recommend to the secretary or appropriate official of the group that the member be removed as group leader or other position of responsibility.

OPTION ONE

Appendix 30: Major Projects Conflicts Protocol

1. Introduction

- 1.1. The Council is the Local Planning Authority for the City of York. It determines applications for planning permission and approves relevant planning policies in respect of development.
- 1.2. The Council is the Highway Authority for the City of York and makes decisions in respect of highway matters including the construction and adoption of roads servicing development.
- 1.3. Officers will have different roles in respect of development as professional advisers to promoters, policy makers and decision makers.
- 1.4. Members will have different roles in respect of development as promoters, advisers, policy makers and decision makers.
- 1.5. Where the Council has a material interest in a key, major development project within the City, for example as a landowner, potential investor or development partner, a clear distinction of the roles undertaken by the separate arms of the Council should be documented to ensure transparency of the governance arrangements – in particular in relation to Local Planning Authority and Highway Authority decision making.

2. Why have a protocol?

- 2.1. The Council would wish to avoid any perception that developments in which it has an interest are treated differently from those of any other developer.
- 2.2. The Council would also wish to ensure that Officers charged with providing professional and technical advice in respect of its regulatory functions understand that they are free to do so in line

with their professional obligations and without feeling constrained by the Council's commercial interests.

- 2.3. The Council would wish to ensure that Members have a clear understanding as to the remit and forum within which they can take part in decision making
- 2.4. A clear protocol identifying the distinction between the Executive Members' role in actively promoting development and the independent role of Planning Committee Members when dealing with applications before them will assist Members' understanding and ensure that the processes robustly manage conflicts of interest, demonstrating fairness.

3. Key Controls

Planning applications

- 3.1. The Council's Constitution, at Appendix 1, sets out the Responsibility for Functions. This is framed so that direct delegation is given to the Chief Planning Officer from Full Council. The Head of Planning and Development Services is the designated Chief Planning Officer for the Council.
- 3.2. All planning applications made by or on behalf of the Council will, in accordance with normal practice, as detailed at Article 13 and Appendix 1 of this Constitution, be determined by the Planning Committees and not delegated to Officers unless of a minor nature.
- 3.3. For the avoidance of doubt, planning applications in relation to a major project promoted by the Council as a development partner will likewise be determined by Planning Committee A and not delegated to Officers, even when not submitted in the Council's name.

Role of Members

- 3.4. Where the Leader and the Deputy Leader are jointly responsible for promoting a major project they will not sit on the Planning

Committee when it is determining an application related to that major project.

- 3.5. Where an Executive Member may have input or play a lead role into the master planning of a major project, for example, Culture Leisure and Communities, they will not sit on the Planning Committee when it is determining an application in respect of that major project.
- 3.6. Other members of the Executive may sit on the Planning Committee when it is determining an application relating to a major project but should consider their participation in decision making on the scheme at meetings of the Executive. This is in line with the Council's Planning Code of Good Practice Appendix 17 in this Constitution.
- 3.7. Major planning applications can be the subject of Pre Committee Presentations to the Planning Committee. Members promoting the development at such meetings are likely to have difficulty in demonstrating objectivity at Planning Committee, and should not take part in the Planning Committee determining the application.

Officers

- 3.8. Where the Corporate Director of Place is responsible for promoting a major project in which the Council is the developer or a development partner a conflict may arise between the planning/highway functions of the Corporate Director of Place and their economic development and/or the estate management and property functions. Where such a conflict arises the Corporate Director of Place will not provide advice or take statutory decisions for the Council in respect of its functions as a planning and/or highway authority relating to that major project, including in relation to planning applications, or planning applications made by a development partner.
- 3.9. Any decision that a conflict exists between the planning/highway functions and the economic development and/or the estate management and property functions of the Corporate Director of

Place will be made jointly by the Corporate Director of Place and the Chief Operating Officer and will be recorded in writing.

- 3.10. The Director of Governance shall determine any dispute regarding whether or not a conflict exists between the planning/ highway functions and the economic development and/or the estate management and property functions of the Corporate Director of Place.
- 3.11. The Director of Transport, Environment & Planning has overall responsibility for the advice given to the Council in its role as local planning and highways authority. The advice will not be subject to any undue influence or veto from any other part of the Council. The Director's role in respect of ensuring the provision of advice the Council as a developer will be restricted to the giving of such advice as would be available to any other developer. Any concerns regarding undue influence can be raised with the Chief Operating Officer or the Director of Governance.
- 3.12. The Corporate Director of Place and the Director of Transport, Environment & Planning, or the Chief Operating Officer (as appropriate) will be responsible for ensuring that "ethical walls" are maintained to prevent information being shared inappropriately between those responsible for progressing the major project and those undertaking regulatory roles. Other parts of the Council, for example legal services, providing support to the scheme and to the regulatory arm will operate similar protocols.
- 3.13. Any conflicts of interest identified will be managed with the aim of removing them. If that is not possible the conflict shall be raised with the Director of Governance whose approval to the conflict and any mitigating measures will be required and will be recorded on the relevant file.
